

Dialogues from Schindler's List to improve the vocabulary in English

1

00:00:40,791 --> 00:00:44,466

RABBI: *<i>With the permission of the masters, rabbis, and gentlemen...</i>*

2

00:00:44,586 --> 00:00:47,965

<i>Blessed are you, Lord our God, King of the universe,</i>

3

00:00:48,298 --> 00:00:51,177

<i>who creates the fruit of the vine.</i>

4

00:00:51,343 --> 00:00:54,768

<i>Blessed are you, Lord our God, King of the universe,</i>

5

00:00:54,846 --> 00:00:56,974

<i>who has sanctified us with His commandments</i>

6

00:00:57,099 --> 00:00:59,522

<i>and delighted in us; and His holy Sabbath</i>

7

00:00:59,601 --> 00:01:01,979

<i>with love and favor gave us as an inheritance.</i>

8

00:01:02,145 --> 00:01:05,399

<i>a memorial to the work of Creation. For it is the day</i>

9

00:01:05,482 --> 00:01:08,326

<i>first of the holy convocations,</i>

10

00:01:08,527 --> 00:01:11,656

<i>a memorial of the departure from Egypt.</i>

11

00:01:11,822 --> 00:01:15,167

<i>For you have chosen us and sanctified us from among all the nations.</i>

12

00:01:15,325 --> 00:01:17,919

<i>And Your holy Sabbath with love and favor</i>

13

00:01:17,995 --> 00:01:19,497

<i>you have given us as an inheritance.</i>

14

00:01:19,788 --> 00:01:25,636

<i>Blessed are you, Lord, who sanctifies the Sabbath.</i>

15

00:01:37,681 --> 00:01:40,935

(TRAIN WHISTLE BLOWING)

16

00:02:22,142 --> 00:02:23,439

Name?

17

00:02:23,560 --> 00:02:24,903

Horowitz, Salomon.

18

00:02:24,978 --> 00:02:29,199

(MANY PEOPLE

TALKING INDISTINCTLY)

19

00:02:29,274 --> 00:02:30,776

Schneider, Sarah.

20

00:02:30,901 --> 00:02:32,403

MAN 1: Birnbaum, Olga.

21

00:02:32,486 --> 00:02:35,911

(CHILDREN CRYING)

(INDISTINCT TALKING)

22

00:02:35,989 --> 00:02:37,616

Over there. Over there!

Please, come.

23

00:02:39,409 --> 00:02:40,410

Isak Hudes.

24

00:02:43,580 --> 00:02:45,298

Zucker, Helena.

25

00:02:45,499 --> 00:02:47,593

MAN 2: Zucker, Helena.

26

00:02:48,293 --> 00:02:49,590

Hirsch, Salomon?

27

00:02:49,711 --> 00:02:51,008

Hirsch, Salomon.

28

00:02:51,213 --> 00:02:52,886

Hauptman, Chaim!

29

00:02:53,006 --> 00:02:54,724

Weisman! Weisman, Marcus!

30

00:02:54,925 --> 00:02:56,268

Feber, Ludwig!

31

00:02:56,385 --> 00:02:57,762

MAN 3: Feber, Ludwig.

32

00:02:57,844 --> 00:02:59,266

Elsa Bauman.

33

00:03:01,348 --> 00:03:03,316

Josef Klein.

MAN 4: Klein.

34

00:03:03,475 --> 00:03:04,772

Davidowich, Ignacy.

35

00:03:04,893 --> 00:03:06,190

Paula Biffer.

36

00:03:06,269 --> 00:03:07,486

Nadel, Rachela.

37

00:03:08,105 --> 00:03:10,153

Steiner, Gertruda.

Steiner, Hilda.

38

00:03:11,274 --> 00:03:14,904

(<i>GLOOMY SUNDAY</i> PLAYING)

39

00:04:22,512 --> 00:04:24,105

(ORCHESTRA PLAYING)

40

00:04:24,181 --> 00:04:26,525

(GUESTS CHATTERING
INDISTINCTLY)

41

00:04:30,979 --> 00:04:32,856

(WHISPERING)

42

00:05:09,351 --> 00:05:12,150

MAITRE'D: Jerzy, you know who that man is?

I don't know.

43

00:05:13,897 --> 00:05:15,194

(WOMAN LAUGHING)

44

00:05:15,398 --> 00:05:17,446

(ORCHESTRA CONTINUES)

45

00:05:30,997 --> 00:05:33,420

Let's get together, please.

46

00:05:34,084 --> 00:05:35,336

Smile. Good.

47

00:06:07,117 --> 00:06:08,494

Yes, sir.

48

00:06:10,453 --> 00:06:12,706

Bring them over

a round of drinks.

49

00:06:14,040 --> 00:06:18,045

Very good, sir. And who
shall I say they are from?

50

00:06:19,796 --> 00:06:21,890

You can say they are from me.

51

00:06:42,694 --> 00:06:43,946

From the gentleman.

52

00:06:44,070 --> 00:06:45,322

Where?

53

00:06:50,827 --> 00:06:52,955

Do you know him?

54

00:06:55,290 --> 00:06:56,758

Find out who he is.

55

00:06:56,833 --> 00:06:58,835

Yes, sir.

56

00:07:01,838 --> 00:07:05,593

Agnieszka, I would give anything
to hear you sing tonight.

57

00:07:05,675 --> 00:07:07,518

(SIGHS) But I know you won't.

58

00:07:07,594 --> 00:07:08,595

(LAUGHS)

59

00:07:10,597 --> 00:07:12,691

You embarrass me.

60

00:07:21,524 --> 00:07:23,367

What's he doing?

61

00:07:26,279 --> 00:07:27,906

Stay here.

62

00:07:31,826 --> 00:07:33,328

How are you doing?

63

00:07:33,411 --> 00:07:36,381

You'd leave a woman alone at the
table in a place like this?

64

00:07:38,291 --> 00:07:40,544

Sweetheart, you're
the picture of loneliness.

65

00:07:41,086 --> 00:07:42,087

Oh.

66

00:07:43,755 --> 00:07:46,304

Mmm, what a lovely fragrance.
You are breaking my heart.

67

00:07:46,383 --> 00:07:48,852

An extra chair, please.
Vodka for my friend.

68

00:07:48,927 --> 00:07:50,053

And for the lady?

69

00:07:50,178 --> 00:07:51,270

Pernod.

70

00:07:51,346 --> 00:07:54,350

<i>In Grunewald, in Grunewald there's a wood auction</i>

71

00:07:54,432 --> 00:07:56,810

(MEN WHISTLING AND LAUGHING)

72

00:07:56,935 --> 00:07:57,936

<i>is a wood auction</i>

73

00:07:58,061 --> 00:08:01,406

<i>In Grunewald, in Grunewald there's a wood auction</i>

74

00:08:02,232 --> 00:08:04,735

MAN: Come to the table,
girls! Drink with us!

75

00:08:04,818 --> 00:08:05,819

<i>Is a wood auction</i>

76

00:08:05,944 --> 00:08:07,992

<i>Around the corner to the left, around the corner to the right</i>

77

00:08:08,071 --> 00:08:10,995

<i>Everywhere there's a wood auction today</i>

78

00:08:11,074 --> 00:08:12,371

Come to us! Marry us!

79

00:08:15,453 --> 00:08:17,330

(WHISPERING)

80

00:08:17,414 --> 00:08:20,543

<i>The whole cord of licorice costs a thaler</i>

81

00:08:20,625 --> 00:08:23,720

<i>a thaler, a thaler</i>

82

00:08:23,837 --> 00:08:26,761

<i>The whole cord of licorice costs a thaler</i>

83

00:08:26,840 --> 00:08:28,092

<i>a thaler.</i> ..

84

00:08:31,761 --> 00:08:33,058

Thank you.

85

00:08:33,179 --> 00:08:34,780

I'll tell you what

I mean by cooperative.

86

00:08:34,931 --> 00:08:36,558

Two days after

the law is passed

87

00:08:36,683 --> 00:08:38,276

that all Jews have

to wear the star,

88

00:08:38,351 --> 00:08:40,391

the Jewish tailors are

turning them out by the gross

89

00:08:40,437 --> 00:08:42,610

in a variety of
fabrics at three zloty each.

90

00:08:42,856 --> 00:08:44,529

Tell me about
your cellar wines.

91

00:08:44,607 --> 00:08:48,362

I have an excellent German Riesling.
1937. Mmm, French.

92

00:08:48,486 --> 00:08:51,080

A Bordeaux. Château Latour, '28, '29?
No, I'm sorry.

93

00:08:51,740 --> 00:08:54,118

It's as if they have no idea
what kind of law it is.

94

00:08:54,200 --> 00:08:56,669

As if it's the emblem
of a riding club.

95

00:08:56,870 --> 00:08:58,590

A Margaux, '29?

No, no, we don't have that.

96

00:08:58,663 --> 00:09:01,257

Burgundy then? A

Romanée-Conti, '37? Yes.

97

00:09:01,624 --> 00:09:04,252

It's human nature.

"We'll do this to avoid that."

98

00:09:04,502 --> 00:09:07,051

That's what they have done

since thousands of years.

99

00:09:07,714 --> 00:09:09,216

It's what they do.

They weather the storm.

100

00:09:09,299 --> 00:09:12,929

But this storm is different. This is not the Romans.

This storm is the SS.

101

00:09:13,011 --> 00:09:16,811

<i>To whom God wants to show true favor</i>

102

00:09:16,973 --> 00:09:20,318

<i>He sends him out into the wide world</i>

103

00:09:20,935 --> 00:09:24,610

<i>To whom God wants to show true favor</i>

104

00:09:24,814 --> 00:09:28,159

<i>He sends him out into the wide world</i>

105

00:09:28,568 --> 00:09:31,697

<i>Faleri, Falera</i>

106

00:09:31,863 --> 00:09:35,618

<i>Faleri

Falera-ha ha ha</i>

107

00:09:35,700 --> 00:09:39,079

<i>Faleri, Falera</i>

108

00:09:39,245 --> 00:09:40,485

<i>He sends him out into the wide world</i>

109

00:09:44,000 --> 00:09:45,001

Martin.

110

00:09:46,169 --> 00:09:47,512

Yes, sir.

111

00:09:48,505 --> 00:09:50,257

Who is that man?

112

00:09:51,883 --> 00:09:54,102

That's Oskar Schindler!

113

00:09:54,594 --> 00:09:55,641

<i>Faleri</i>

114

00:09:56,012 --> 00:09:57,855

<i>Falera-ha ha ha</i>

115

00:09:58,306 --> 00:10:01,401

<i>He sends him out into the wide world</i>

116

00:10:01,851 --> 00:10:05,105

<i>Faleri, Falera</i>

117

00:10:05,188 --> 00:10:07,691

<i>He sends him out into the wide world</i>

118

00:10:07,774 --> 00:10:09,367

(ALL CHEERING)

119

00:10:12,195 --> 00:10:14,197

(SINGING SONG IN GERMAN)

120

00:10:26,960 --> 00:10:28,633

(SOLDIERS LAUGHING)

121

00:10:41,808 --> 00:10:43,526

(SINGING CONTINUES)

122

00:10:47,313 --> 00:10:49,566

MAN ON LOUDSPEAKER:

<i>To all Jews!</i>

123

00:10:49,816 --> 00:10:54,037

<i>From now on, all Jews are forbidden...</i>

124

00:10:54,279 --> 00:10:56,702

<i>...to prepare meat in the kosher way.</i>

125

00:10:58,074 --> 00:11:00,998

<i>Announcement to all Jews. From now on...</i>

126

00:11:21,347 --> 00:11:22,439

Rabbi...

127

00:11:22,599 --> 00:11:23,691

Private property

cannot be confiscated.

128

00:11:23,766 --> 00:11:24,983

How long are the schools

going to be closed?

129

00:11:25,059 --> 00:11:26,151

I do not know.

130

00:11:26,227 --> 00:11:27,353

"Article 47, pillage
is formally prohibited."

131

00:11:27,437 --> 00:11:28,814

You don't know anything!

132

00:11:28,938 --> 00:11:30,656

I am familiar with the Hague Convention.
Religious...

133

00:11:30,940 --> 00:11:34,740

They come into our house and tell
us we don't live there anymore.

134

00:11:35,403 --> 00:11:37,826

It now belongs to
a certain SS officer.

135

00:11:38,239 --> 00:11:40,458

Please. I only know
what they tell me.

136

00:11:40,575 --> 00:11:43,454

And what they tell me
changes from day to day.

137

00:11:43,620 --> 00:11:46,464

Aren't you supposed
to be able to help?

138

00:11:46,623 --> 00:11:49,467

I mean, what if I
just took this thing off?

139

00:11:50,043 --> 00:11:51,465

What are they
going to do about it?

140

00:11:51,628 --> 00:11:53,050

They will shoot you.

141

00:11:53,129 --> 00:11:56,099

Why don't you stop this silly talk?

Itzhak Stern!

142

00:11:57,300 --> 00:11:59,769

I'm looking for Itzhak Stern.

143

00:12:02,013 --> 00:12:04,232

Are you Itzhak Stern or not?

144

00:12:05,308 --> 00:12:07,561

I am.

Where can we talk?

145

00:12:18,071 --> 00:12:21,166

There's a company you did the
books for on Lipowa Street.

146

00:12:22,617 --> 00:12:24,210

Made what?

Pots and pans?

147

00:12:24,661 --> 00:12:27,005

By law, I have to
tell you, sir, I'm a Jew.

148

00:12:27,747 --> 00:12:31,092

Well, I'm a German.
So there we are.

149

00:12:34,545 --> 00:12:35,842

A good company, you think?

150

00:12:36,005 --> 00:12:37,348

Modestly successful.

151

00:12:38,258 --> 00:12:40,352

I know nothing about
enamelware. Do you?

152

00:12:40,468 --> 00:12:42,220

I was just the accountant.

153

00:12:43,513 --> 00:12:45,314

Simple engineering though,

wouldn't you think?

154

00:12:45,390 --> 00:12:46,767

Change the machines around,
whatever you do...

155

00:12:46,849 --> 00:12:48,977

You could make other things,
couldn't you?

156

00:12:49,686 --> 00:12:54,032

Field kits, mess kits.
Army contracts.

157

00:12:56,526 --> 00:12:59,075

Once the war ends, forget
it, but for now it's great.

158

00:12:59,153 --> 00:13:00,996

You can make a fortune,
don't you think?

159

00:13:01,072 --> 00:13:04,121

I think most people right now
have other priorities.

160

00:13:05,159 --> 00:13:07,082

Like what?

(SIGHS)

161

00:13:08,037 --> 00:13:10,238

I'm sure you'll do just fine
once you get the contracts.

162

00:13:10,248 --> 00:13:12,125

In fact, the worse things get,
the better you'll do.

163

00:13:12,208 --> 00:13:15,712

Well, I can get the signatures I need.
That's the easy part.

164

00:13:16,254 --> 00:13:19,633

Finding the money to buy
the company, that's hard.

165

00:13:19,966 --> 00:13:21,468

You don't have any money?

166

00:13:21,551 --> 00:13:25,431

Not that kind of money.

You know anybody?

167

00:13:27,557 --> 00:13:29,901

Jews, yeah. Investors.

168

00:13:30,852 --> 00:13:32,854

You must have contacts in
the Jewish business community,

169

00:13:32,937 --> 00:13:33,938

working here.

170

00:13:34,022 --> 00:13:36,616

What community? Jews can
no longer own businesses.

171

00:13:36,691 --> 00:13:37,988

That's why this

one's in receivership.

172

00:13:38,109 --> 00:13:39,406

But they wouldn't own it.

173

00:13:39,527 --> 00:13:42,531

I'd own it. I'd pay them back
in product, pots and pans.

174

00:13:42,864 --> 00:13:44,207

Pots and pans.

175

00:13:44,324 --> 00:13:45,667

Something they can use.

176

00:13:46,409 --> 00:13:47,831

Something they can
feel in their hands.

177

00:13:47,910 --> 00:13:49,912

They can trade it
on the black market,

178

00:13:50,038 --> 00:13:52,006

do whatever they want.

Everybody's happy.

179

00:13:53,916 --> 00:13:56,920

If you want, you could

run the company for me.

180

00:14:01,382 --> 00:14:03,635

Let me understand.

They'd put up

181

00:14:03,760 --> 00:14:06,058

all the money,

I'd do all the work.

182

00:14:06,137 --> 00:14:09,266

What, if you don't mind

my asking, would you do?

183

00:14:09,932 --> 00:14:12,026

I'd make sure it's known

the company's in business.

184

00:14:12,101 --> 00:14:14,229

I'd see that it had
a certain panache.

185

00:14:14,312 --> 00:14:17,156

That's what I'm good at, not the work.
Not the work.

186

00:14:18,691 --> 00:14:20,284

The presentation.

187

00:14:39,170 --> 00:14:42,891

I'm sure I don't know anybody
who'll be interested in this.

188

00:14:44,217 --> 00:14:47,346

(EXHALES) Well,
they should be, Itzhak Stern.

189

00:14:48,471 --> 00:14:51,145

Tell them they should be.

190

00:15:00,650 --> 00:15:02,493

MAN ON LOUDSPEAKER:

<i>Attention! Attention!</i>

191

00:15:02,610 --> 00:15:08,538

<i>To all Jews. From now on it is forbidden...</i>

192

00:15:09,242 --> 00:15:13,839

PRIEST RECITING: *<i>It is truly right and just, our duty and our salvation,</i>*

193

00:15:14,122 --> 00:15:17,968

<i>that at all times and in all places we give you thanks:</i>

194

00:15:18,126 --> 00:15:22,097

<i>Lord, holy Father, almighty, eternal God...</i>

195

00:15:22,171 --> 00:15:25,846

I've got a client who'll sell
marks for zloty at 2.45-to-1.

196

00:15:25,925 --> 00:15:27,802

Wool, mink collar.

It's a nice coat.

197

00:15:27,927 --> 00:15:29,804

She'll trade it
for ration coupons.

198

00:15:29,887 --> 00:15:31,560

Wicks, for lamps.

199

00:15:31,681 --> 00:15:33,399

You have a truckload of wicks?

200

00:15:33,474 --> 00:15:35,772

What am I going to do
with a truckload of wicks?

201

00:15:35,852 --> 00:15:37,354

Nine by 12, nine by 14.

202

00:15:37,895 --> 00:15:40,023

I don't know.
Big, beautiful, Persian.

203

00:15:44,193 --> 00:15:45,194

Past.

204

00:15:45,278 --> 00:15:46,325

What?

205

00:15:46,404 --> 00:15:48,281

You don't recognize this?

It's shoe polish.

206

00:15:48,364 --> 00:15:49,661

In metal containers?

207

00:15:49,782 --> 00:15:51,079

You asked for shoe polish.

208

00:15:51,159 --> 00:15:53,127

In metal containers. This is glass.

In metal containers.

209

00:15:53,202 --> 00:15:54,242

It's not what I asked for.

210

00:15:54,287 --> 00:15:56,460

What's the difference?

What's the difference?

211

00:15:56,581 --> 00:15:57,673

What's the difference?

OTHERS: Shah!

212

00:15:57,748 --> 00:15:59,375

My client sold

it to his client,

213

00:15:59,542 --> 00:16:01,135

who sold it to the German army.

214

00:16:01,210 --> 00:16:03,383

Only by the time it

got there, because

215

00:16:03,546 --> 00:16:05,719

of the freezing cold,

it broke. All 10,000 units.

216

00:16:05,840 --> 00:16:08,138

Mmm, ooh, ooh, ooh.

This is not my problem.

217

00:16:08,217 --> 00:16:09,764

This is not his problem.

This is not your problem?

218

00:16:09,844 --> 00:16:11,061

This is not my problem.

219

00:16:11,220 --> 00:16:12,472

All right.

220

00:16:13,890 --> 00:16:16,564

The German army wants to
find out where it came from.

221

00:16:17,310 --> 00:16:18,562

I am going to make
sure they find out.

222

00:16:18,728 --> 00:16:19,980

Now it's your problem.

223

00:16:20,229 --> 00:16:22,402

You, be quiet!

(CHUCKLES)

224

00:16:23,900 --> 00:16:25,368

Metal containers.

225

00:16:26,903 --> 00:16:27,995

Hello.

226

00:16:29,489 --> 00:16:32,333

Pardon me for interfering,

but that's a nice shirt.

227

00:16:33,743 --> 00:16:35,211

Nice shirt.

228

00:16:36,245 --> 00:16:38,919

Do you know where I can find

a nice shirt like that?

229

00:16:39,540 --> 00:16:43,135

PRIEST: *<i>...to praise, to bless, and to preach.</i>*

230

00:16:46,797 --> 00:16:48,265

Like this?

231

00:16:48,382 --> 00:16:51,261

It's illegal to buy or sell

anything on the street.

232

00:16:51,719 --> 00:16:54,268

We don't do that.

We're here to pray.

233

00:16:56,516 --> 00:17:00,020

PRIEST: *<i>Jesus Christ our Lord...</i>*

234

00:17:00,686 --> 00:17:03,030

Do you have any idea how much

a shirt like this costs?

235

00:17:03,105 --> 00:17:04,652

Nice things cost money.

236

00:17:04,982 --> 00:17:08,782

PRIEST: <i>...the Dominions adore, the Powers tremble.</i>

237

00:17:08,945 --> 00:17:13,997

<i>The heavens and the virtues of the heavens and the blessed Seraphim</i>

238

00:17:14,200 --> 00:17:18,250

<i>celebrate together with exultation...</i>

239

00:17:18,454 --> 00:17:20,297

How many?

240

00:17:21,832 --> 00:17:24,961

I'm going to need some other
things, too, as things come up.

241

00:17:25,044 --> 00:17:26,717

This won't be a problem.

242

00:17:26,837 --> 00:17:28,555

From time to time.

243

00:17:28,965 --> 00:17:31,309

MAN ON LOUDSPEAKER:

<i>Attention! Attention</i>!

244

00:17:55,324 --> 00:17:57,452

(CHILDREN CRYING)

245

00:18:13,843 --> 00:18:16,517

OFFICER 1: <i>Name? Address?</i>

OFFICER 2: <i>Fill out the form!</i>

246

00:18:16,596 --> 00:18:19,224

OFFICER 1: <i>Move on, Move on!</i>

OFFICER 2: <i>Don't push!</i>

247

00:18:19,432 --> 00:18:21,981

<i>Come here!

Get in line!</i>

248

00:18:29,191 --> 00:18:30,784

(SILVERWARE CLATTERING)

249

00:19:09,607 --> 00:19:11,075

MAN ON LOUDSPEAKER:

<i>Attention, Attention!</i>

250

00:19:11,192 --> 00:19:13,490

<i>All Jews are required...</i>

251

00:19:13,569 --> 00:19:16,789

<i>...to live in the separate Jewish district.</i>

252

00:19:16,947 --> 00:19:19,666

<i>Failure to comply with the registration requirement at the residents' registration office...</i>

253

00:19:19,825 --> 00:19:23,875

<i>...violates edict 44/91 and leads to being reported...</i>

254

00:19:24,038 --> 00:19:25,961

<i>...to the military court.</i>

255

00:19:28,918 --> 00:19:31,171

This is obviously the right place.

How are you doing?

256

00:19:31,253 --> 00:19:33,255

(INDISTINCT SHOUTING)

257

00:19:35,883 --> 00:19:39,513

Goodbye, Jews!

Goodbye, Jews!

258

00:19:39,595 --> 00:19:43,566

Goodbye, Jews!

259

00:19:46,268 --> 00:19:50,068

GIRL: Goodbye, Jews!

Goodbye, Jews!

260

00:19:50,940 --> 00:19:53,034

Goodbye, Jews!

261

00:19:55,736 --> 00:19:58,615

<i>This is the watchmaker, Moyshe. Father.</i>

262

00:19:59,115 --> 00:20:00,742

<i>No, this can't be.</i>

263

00:20:10,334 --> 00:20:11,586

(SIGHS)

264

00:20:11,669 --> 00:20:13,421

(BABY CRYING)

(WOMAN SINGING LULLABY IN POLISH)

265

00:20:13,504 --> 00:20:14,972

Oh, my God.

266

00:20:16,632 --> 00:20:19,852

Oy, God. Oh, my God.

267

00:20:25,433 --> 00:20:27,936

Oh, my God.

268

00:20:35,276 --> 00:20:37,074

It could not be better.

269

00:20:37,570 --> 00:20:39,038

It could be worse.

270

00:20:39,155 --> 00:20:40,657

How? Tell me.

271

00:20:41,323 --> 00:20:44,202

(SHOUTING) How on Earth
could it possibly be worse?

272

00:20:44,285 --> 00:20:45,628

(SLAMS DOWN SUITCASE)

273

00:20:46,328 --> 00:20:47,671

MAN: *Good day.*

274

00:20:48,789 --> 00:20:50,917

Good day.

Good day.

275

00:20:51,167 --> 00:20:53,670

<i>Good day. Good day.</i>

276

00:20:53,961 --> 00:20:54,962

<i>Good day.</i>

277

00:20:55,629 --> 00:20:57,051

(SPEAKING GERMAN)

278

00:20:59,341 --> 00:21:00,934

Hey, Goldberg.

Poldek.

279

00:21:01,010 --> 00:21:03,354

What's this?

280

00:21:03,471 --> 00:21:05,769

The <i>Judenrat</i> has
its own police now.

281

00:21:05,848 --> 00:21:06,940

You don't say.

282

00:21:07,057 --> 00:21:08,104

<i>Order Service.</i>

283

00:21:08,184 --> 00:21:11,438

I'm a policeman now, could you believe it?

It's hard to believe.

284

00:21:11,520 --> 00:21:13,113

No, it's not hard to believe.

285

00:21:13,522 --> 00:21:15,616

It's a good racket, Poldek.

The only racket here.

286

00:21:15,691 --> 00:21:18,786

Look, maybe I could put in a good

word for you with my superiors.

287

00:21:19,028 --> 00:21:20,029

Your superiors?

288

00:21:20,446 --> 00:21:22,824

Come on, they are not as bad
as everyone says.

289

00:21:23,574 --> 00:21:25,918

Well, they're worse
than everyone says,

290

00:21:26,035 --> 00:21:28,379

but it's a lot of money.

A lot of money.

291

00:21:29,789 --> 00:21:31,416

Give me my housing assignment.

292

00:21:32,541 --> 00:21:34,043

Come on.

293

00:21:34,168 --> 00:21:35,670

You look funny in
that hat, Goldberg.

294

00:21:36,587 --> 00:21:37,588

(LAUGHS)

295

00:21:37,713 --> 00:21:40,216

You look like a clown,
you know.

296

00:21:46,263 --> 00:21:49,187

STERN: He's a very important man. Just
give him two minutes of your time.

297

00:21:49,266 --> 00:21:52,691

Since when did time cost money?
Just sit down and listen.

298

00:21:53,354 --> 00:21:55,402

Please. Sir?

299

00:21:58,609 --> 00:22:01,237

For each 1,000 you invest,
I will repay you with...

300

00:22:01,320 --> 00:22:02,412

Two hundred.

301

00:22:02,530 --> 00:22:03,622

Two hundred kilos of
enamelware a month,

302

00:22:03,697 --> 00:22:05,324

to begin in July and to
continue for one year.

303

00:22:05,407 --> 00:22:08,911

After which time, we're even.
That's it. It's very simple.

304

00:22:09,370 --> 00:22:10,747

Not good enough.

305

00:22:10,871 --> 00:22:12,214

It's not good enough.

306

00:22:12,289 --> 00:22:14,417

Not good enough?

307

00:22:14,667 --> 00:22:18,592

Look where you're living. Look where
you've been put. "Not good enough."

308

00:22:18,838 --> 00:22:21,432

A couple of months ago you'd be right.
Not anymore.

309

00:22:21,549 --> 00:22:23,893

Money's still money.

310

00:22:26,428 --> 00:22:30,058

No, it is not.
That's why we're here.

311

00:22:30,558 --> 00:22:32,401

Trade goods,
that's the only currency

312

00:22:32,518 --> 00:22:34,361

that'll be worth
anything in the ghetto.

313

00:22:34,436 --> 00:22:36,814

Things have changed, my friend.

314

00:22:39,608 --> 00:22:41,861

Did I call this meeting?

315

00:22:41,944 --> 00:22:43,742

You told Mr. Stern

you wanted to speak to me.

316

00:22:43,821 --> 00:22:45,664

I'm here.

I've made you a fair offer.

317

00:22:45,739 --> 00:22:49,789

Fair would be

a percentage in the company.

318

00:22:50,703 --> 00:22:54,833

(LAUGHING) Forget the whole thing.

Get out.

319

00:23:00,629 --> 00:23:03,098

How do we know

that you will do what you say?

320

00:23:03,632 --> 00:23:05,225

Because I said I would.

321

00:23:05,301 --> 00:23:07,679

You want a contract?

To be upheld by what court?

322

00:23:07,761 --> 00:23:09,934

I said what I'll do.

That's our contract.

323

00:23:11,307 --> 00:23:13,480

(CONVERSING IN POLISH)

324

00:23:13,809 --> 00:23:14,810

<i>...we were right.</i>

325

00:23:28,866 --> 00:23:31,244

<i>Five, six, seven,</i>

326

00:23:34,330 --> 00:23:35,923

<i>eight, nine.</i>

327

00:23:39,668 --> 00:23:41,295

(MACHINERY BUZZES)

328

00:23:45,507 --> 00:23:46,975

(SCHINDLER CLAPPING)

329

00:23:48,928 --> 00:23:53,024

The standard SS rate for Jewish skilled
laborers is seven marks a day,

330

00:23:53,098 --> 00:23:55,100

five for unskilled and women.

331

00:23:56,018 --> 00:23:58,942

This is what you pay
the Reich Economic Office.

332

00:23:59,021 --> 00:24:01,319

The Jews themselves
receive nothing.

333

00:24:02,191 --> 00:24:05,991

Poles you pay wages. Generally,
they get a little more.

334

00:24:06,070 --> 00:24:07,413

Are you listening?

335

00:24:07,529 --> 00:24:08,906

What was that about the SS?

336

00:24:08,989 --> 00:24:10,866

The rate? The what?

337

00:24:11,367 --> 00:24:12,960

The Jewish worker's salary.

You pay it

338

00:24:13,077 --> 00:24:14,670

directly to the SS,

not to the worker.

339

00:24:14,745 --> 00:24:16,497

He gets nothing.

But it's less.

340

00:24:16,580 --> 00:24:17,797

It's less than what

I would pay a Pole.

341

00:24:17,915 --> 00:24:19,132

It's less.

342

00:24:19,208 --> 00:24:23,964

That's the point I'm trying to make.

Poles cost more.

343

00:24:24,838 --> 00:24:25,839

(SNIFFS)

344

00:24:25,923 --> 00:24:28,517

Why should I hire Poles?

345

00:24:29,510 --> 00:24:32,764

An enamelware factory

over at Lipowa Street.

346

00:24:34,890 --> 00:24:36,312

It's owned by a German.

347

00:24:36,392 --> 00:24:40,397

But it's outside the ghetto, so
you can barter for extra goods,

348

00:24:40,479 --> 00:24:42,197

for eggs,

I don't know what you need,

349

00:24:42,314 --> 00:24:43,987

with the Polish workers.

You can't get it here.

350

00:24:44,066 --> 00:24:47,536

Also, he's asking for
10 healthy women for the...

351

00:24:47,611 --> 00:24:48,703

I am healthy.

352

00:24:48,779 --> 00:24:49,826

(CROWD LAUGHING)

353

00:24:49,905 --> 00:24:51,327

Bring your sister, okay?

354

00:24:51,407 --> 00:24:53,501

(SHOUTING ORDERS

IN GERMAN AND POLISH)

355

00:24:56,954 --> 00:24:57,955

<i>Come.</i>

356

00:24:58,622 --> 00:25:00,302

You need to convince

them you have a trade,

357

00:25:00,374 --> 00:25:02,001

something valuable

to the war effort.

358

00:25:02,084 --> 00:25:03,210

Like what?

What if you don't?

359

00:25:03,335 --> 00:25:04,461

I'm a musician.

360

00:25:04,545 --> 00:25:06,092

Your name goes on a list.

361

00:25:06,213 --> 00:25:07,760

And they put you on trucks...

362

00:25:07,840 --> 00:25:09,842

No, no, that's not true.

You're a musician?

363

00:25:09,925 --> 00:25:11,097

Yeah.

364

00:25:11,260 --> 00:25:12,432

I'd find a good

hiding place if I were you.

365

00:25:12,511 --> 00:25:14,479

I'm not going to
hide like some animal.

366

00:25:14,596 --> 00:25:16,598

There are places to hide.

367

00:25:17,266 --> 00:25:18,438

(WHISTLE BLOWING)

368

00:25:22,646 --> 00:25:23,863

<i>Next!</i>

369

00:25:23,939 --> 00:25:26,283

I'm a graduate of
the University of Lviv.

370

00:25:27,651 --> 00:25:30,370

I used to work at the
hydroelectric station in Roznów.

371

00:25:30,446 --> 00:25:31,789

MAN: *<i>Blue card.</i>*

372

00:25:35,951 --> 00:25:37,669

I'm gonna get
the necessary papers

373

00:25:37,786 --> 00:25:39,538

because this carol
is no good anymore.

374

00:25:39,621 --> 00:25:42,420

You can stay in this line all day,
you'll still get one of these.

375

00:25:42,499 --> 00:25:46,254

They are no good. You'll
have to leave the line now,

376

00:25:46,336 --> 00:25:48,509

then you'll get
a blue card, a *<i>Blauschein,</i>*

377

00:25:48,630 --> 00:25:50,849

to say that you are
an essential worker.

378

00:25:50,924 --> 00:25:53,848

I'll get these papers
for you at Pankiewicz.

379

00:25:53,969 --> 00:25:55,642

Pharmacist. Just there, look.

380

00:25:56,764 --> 00:25:57,936

Guess who is here?

381

00:25:58,015 --> 00:26:00,814

GOLDBERG: Poldek!
Enjoying the weather, Poldek?

382

00:26:00,893 --> 00:26:02,270

Enjoying the lines?

383

00:26:02,394 --> 00:26:03,737

Need some shoe polish?

384

00:26:03,812 --> 00:26:05,860

In a metal container maybe?

(GOLDBERG LAUGHS)

385

00:26:06,648 --> 00:26:10,903

Not essential? I think you
misunderstand the meaning of the word.

386

00:26:11,320 --> 00:26:15,166

No *Blue card*, sir. Stand over there.
Move. Next!

387

00:26:17,367 --> 00:26:19,495

What do you mean,
"Not essential"?

388

00:26:20,120 --> 00:26:24,626

I teach history and literature.
Since when it's not essential?

389

00:26:30,047 --> 00:26:32,516

He's a metal polisher.

390

00:26:39,973 --> 00:26:41,190

It was not right?

391

00:26:41,350 --> 00:26:42,671

It's very good.

He's 53 years old.

392

00:26:42,684 --> 00:26:44,106

It's too new.

393

00:26:44,228 --> 00:26:45,696

Mmm. Thank you.

394

00:26:53,779 --> 00:26:55,781

You're crazy.

You left it in your drawer.

395

00:26:55,906 --> 00:26:57,954

How many times have I told you?

396

00:26:58,575 --> 00:27:01,499

Your work certificate you keep
in your pocket at all times.

397

00:27:01,578 --> 00:27:05,048

And you leave yours in your drawer.
How many times I've told you?

398

00:27:06,708 --> 00:27:08,585

I'm a metal polisher.

399

00:27:17,928 --> 00:27:23,901

Take the round sheet of tin,
dip it in soap emulsion,

400

00:27:25,394 --> 00:27:28,648

then place it
centrally in the press.

401

00:27:44,872 --> 00:27:48,046

We obtain the soup pot.
The soup pot.

402

00:27:48,750 --> 00:27:50,297

Soup pot.

403

00:27:52,254 --> 00:27:53,927

Grosz, Mrs. Grosz,
stay together.

404

00:27:59,178 --> 00:28:01,772

Sir,
I have 10 work permits here

405

00:28:01,930 --> 00:28:04,524

for the Deutsche
Emailwarenfabrik

406

00:28:04,600 --> 00:28:07,103

cosigned by Mr. Bankier
and myself.

407

00:28:07,686 --> 00:28:11,782

FOREMAN: if it's carbonized,
clean it with a file.

408

00:28:12,816 --> 00:28:16,491

But don't touch both the
electrodes at the same time.

409

00:28:17,154 --> 00:28:20,078

You'll get electrocuted.

Here, have a try.

410

00:28:24,661 --> 00:28:26,959

Roll the metal under the press,

411

00:28:27,080 --> 00:28:29,503

but be very careful

unless you want your fingers

412

00:28:29,583 --> 00:28:31,426

to become part of the teapot.

413

00:28:34,087 --> 00:28:35,760

Occupation?

414

00:28:35,881 --> 00:28:37,554

I'm a writer.

I play the flute.

415

00:28:37,633 --> 00:28:41,183

But Moses is
a skilled metalworker.

416

00:28:41,261 --> 00:28:43,229

He can make tin pots.
He can make tanks.

417

00:28:43,347 --> 00:28:45,349

He can make whatever
Mr. Schindler asks.

418

00:28:45,432 --> 00:28:49,812

He's highly skilled. Give him your card.
Moses, give him your card.

419

00:28:52,481 --> 00:28:56,907

FOREMAN: Now, dip the basin with the
tongs into the enamel solution.

420

00:28:59,613 --> 00:29:03,834

And after swiveling it around,

carefully place it aside to drip dry.

421

00:29:07,162 --> 00:29:09,005

And whatever he
asks you, allow me

422

00:29:09,122 --> 00:29:10,965

just to represent
you and speak for you.

423

00:29:11,041 --> 00:29:12,509

Don't say a word.

424

00:29:13,001 --> 00:29:16,346

SCHINDLER: Filing, billing, keeping
track of my appointments, shorthand.

425

00:29:16,463 --> 00:29:18,465

Typing, obviously.
How is your typing?

426

00:29:18,590 --> 00:29:20,592

Uh, all right.

427

00:29:20,676 --> 00:29:22,144

Please.

428

00:29:29,810 --> 00:29:31,733

(TYPING SLOWLY)

429

00:29:35,190 --> 00:29:36,658

(TYPING SLOWLY)

430

00:29:38,568 --> 00:29:39,911

(TYPING SLOWLY)

431

00:29:40,362 --> 00:29:41,363

(BELL RINGS)

432

00:29:47,703 --> 00:29:49,296

(TYPING EXTREMELY SLOW)

433

00:29:51,331 --> 00:29:52,753

(TYPING SLOWLY)

434

00:29:54,126 --> 00:29:55,878

(TYPING NORMALLY)

435

00:29:56,795 --> 00:29:58,263

(BARELY TYPING)

436

00:30:04,052 --> 00:30:06,100

(TYPING QUICKLY)

437

00:30:15,772 --> 00:30:17,774

You need a secretary.

Pick one.

438

00:30:19,735 --> 00:30:22,989

I don't know how.

They're all so qualified.

439

00:30:24,239 --> 00:30:26,412

You have to choose.

440

00:30:27,659 --> 00:30:28,660

(SIGHS)

441

00:30:29,286 --> 00:30:31,846

PHOTOGRAPHER: *Please smile nicely.*

Big smile. Big smile.

442

00:30:31,913 --> 00:30:32,914

Attention.

443

00:30:33,582 --> 00:30:34,583

(CAMERA SHUTTER CLICKS)

444

00:30:37,711 --> 00:30:40,089

(PLAYING STATELY MUSIC
ON PIANO)

445

00:30:53,018 --> 00:30:55,862

if you would,
look after my guest.

446

00:30:57,439 --> 00:31:00,659

SCHINDLER: *Boxed teas are good.*

Coffee, pâté,

447

00:31:01,777 --> 00:31:04,621

kielbasa sausage,

cheeses, Beluga caviar.

448

00:31:05,030 --> 00:31:06,373

Yes.

And, of course,

449

00:31:06,448 --> 00:31:07,540

who could live

without German cigarettes?

450

00:31:07,616 --> 00:31:09,243

<i>Get me as many as you can find.</i>

451

00:31:10,118 --> 00:31:11,210

<i>And some more fresh fruit.</i>

452

00:31:12,204 --> 00:31:14,627

<i>The real rarities,

oranges, lemons, pineapples.</i>

453

00:31:15,290 --> 00:31:17,213

*<i>I need several boxes
of Cuban cigars. The best.</i>*

454

00:31:17,292 --> 00:31:19,636

*<i>Yes. And dark,
unsweetened chocolate.</i>*

455

00:31:19,711 --> 00:31:21,634

*<i>Not in the shape of ladyfingers,
the chunk chocolate.</i>*

456

00:31:21,713 --> 00:31:23,715

*<i>Big as my hand,
you sample at wine tastings.</i>*

457

00:31:23,799 --> 00:31:24,800

<i>Yes.</i>

458

00:31:24,925 --> 00:31:28,145

*<i>We're going to need lots of cognac.
The best, Hennessy.</i>*

459

00:31:28,220 --> 00:31:32,521

<i>Dom Pérignon champagne.

Get L'Espadon sardines,</i>

460

00:31:33,058 --> 00:31:36,232

<i>and, oh, try to find

nylon stockings.</i>

461

00:31:39,773 --> 00:31:42,617

SCHINDLER: *<i>It is my distinct*

pleasure to announce</i>

462

00:31:42,692 --> 00:31:46,322

<i>the fully operational status

of Deutsche Emailwarenfabrik.</i>

463

00:31:46,488 --> 00:31:48,411

FOREMAN: *<i>Look at these rags!</i>*

464

00:31:49,074 --> 00:31:52,795

<i>Manufacturers of superior

enamelware crockery,</i>

465

00:31:53,703 --> 00:31:57,753

<i>expressly designed
and crafted for military use.</i>

466

00:31:58,834 --> 00:32:01,383

<i>Utilizing only
the most modern equipment,</i>

467

00:32:01,461 --> 00:32:03,884

<i>D.E.F.'s staff of
highly skilled and</i>

468

00:32:03,964 --> 00:32:06,308

<i>experienced
artisans and journeymen</i>

469

00:32:06,383 --> 00:32:09,353

<i>deliver a product of
unparalleled quality,</i>

470

00:32:10,262 --> 00:32:14,233

<i>enabling me to proffer, with
absolute confidence and pride,</i>

471

00:32:14,307 --> 00:32:16,776

*<i>a full line of
field and kitchenware</i>*

472

00:32:16,852 --> 00:32:19,856

*<i>unsurpassable in all respects
by my competitors.</i>*

473

00:32:21,022 --> 00:32:23,366

*<i>See attached list
and available colors.</i>*

474

00:32:25,193 --> 00:32:28,197

*<i>Anticipating the enclosed bids
will meet with your approval</i>*

475

00:32:28,780 --> 00:32:32,330

*<i>and looking forward to a long and
mutually prosperous association,</i>*

476

00:32:32,742 --> 00:32:35,916

*<i>I extend to you in advance
my sincerest gratitude</i>*

477

00:32:35,996 --> 00:32:38,875

<i>and very best regards.

Oskar Schindler.</i>

478

00:32:38,957 --> 00:32:42,257

Yeah, I need 700 gross

from here for next Thursday.

479

00:32:42,335 --> 00:32:44,963

Nine hundred,

no, make it 10 for Wednesday.

480

00:32:45,046 --> 00:32:46,889

All this stuff here

goes to Madritsch's

481

00:32:47,007 --> 00:32:48,850

factory on

Tuesday of next week.

482

00:32:57,100 --> 00:32:58,522

(HORN HONKING)

483

00:33:05,192 --> 00:33:08,412

SCHINDLER: *<i>My father was fond of saying,
"You need three things in life,</i>*

484

00:33:08,487 --> 00:33:14,290

*<i>a good doctor, a forgiving
priest, and a clever accountant."</i>*

485

00:33:19,331 --> 00:33:23,131

The first two,
I've never had much use for.

486

00:33:23,585 --> 00:33:25,553

But the third...

487

00:33:32,594 --> 00:33:35,222

Just pretend,
for Christ's sake.

488

00:33:39,768 --> 00:33:41,645

Is that all?

489

00:33:47,692 --> 00:33:50,571

I'm trying to thank you.

I'm saying

490

00:33:50,695 --> 00:33:53,619

I couldn't have

done this without you.

491

00:33:57,827 --> 00:34:00,376

The usual thing would be

to acknowledge my gratitude.

492

00:34:00,455 --> 00:34:02,958

It would also, by the way,

be the courteous thing.

493

00:34:05,627 --> 00:34:07,675

You're welcome.

494

00:34:10,465 --> 00:34:11,466

(SIGHS)

495

00:34:16,888 --> 00:34:18,640

Get out of here.

496

00:34:23,728 --> 00:34:24,729

(DOOR BUZZES)

497

00:34:32,612 --> 00:34:34,159

SCHINDLER:

Klonowska, who is it?

498

00:34:45,292 --> 00:34:48,011

She's so embarrassed.

Look at her.

499

00:35:00,181 --> 00:35:02,183

You know something?

You would like her.

500

00:35:02,267 --> 00:35:04,269

Oskar, please.

What?

501

00:35:04,394 --> 00:35:06,613

I don't have to like her just because you do.

You would, though.

502

00:35:06,688 --> 00:35:08,816

It doesn't work that way.

503

00:35:12,277 --> 00:35:13,278

(DOOR CLOSES)

504

00:35:22,746 --> 00:35:24,748

You've done well here.

505

00:35:27,375 --> 00:35:29,719

You look wonderful.

506

00:35:33,006 --> 00:35:34,599

Be careful of the step, miss.

507

00:35:34,716 --> 00:35:36,343

Mrs. Schindler, Marek.

508

00:35:41,389 --> 00:35:43,687

(<i>GLOOMY SUNDAY</i> PLAYING)

509

00:35:49,731 --> 00:35:51,153

It's not a charade, all this?

510

00:35:51,274 --> 00:35:52,696

How could it be a charade?

511

00:35:52,776 --> 00:35:54,176

The clothes,

the car, the apartment.

512

00:35:54,235 --> 00:35:55,612

Wait a minute.

513

00:35:55,695 --> 00:35:58,574

Take a guess how many

people are on my payroll.

514

00:35:58,657 --> 00:35:59,783

Oskar.

515

00:36:00,116 --> 00:36:04,462

My father, at the height of his
success, had 50. I've got 350.

516

00:36:04,537 --> 00:36:06,756

Three hundred and fifty workers

517

00:36:06,873 --> 00:36:09,092

on the factory floor,
with one purpose.

518

00:36:10,335 --> 00:36:11,962

To make pots and pans?

519

00:36:12,045 --> 00:36:14,969

To make money. For me.

520

00:36:16,299 --> 00:36:17,300

(SIGHS)

521

00:36:22,138 --> 00:36:24,732

Does anyone ask about me?

522

00:36:26,768 --> 00:36:29,863

Back home? Everybody.

523

00:36:29,938 --> 00:36:32,111

All the time.

524

00:36:32,982 --> 00:36:33,983

Hmm.

525

00:36:37,153 --> 00:36:41,454

They won't soon forget the name
Schindler here, I can tell you that.

526

00:36:43,451 --> 00:36:45,795

"Oskar Schindler," they'll say.

527

00:36:46,579 --> 00:36:49,128

"Everybody remembers him."

528

00:36:50,667 --> 00:36:53,796

"He did something
extraordinary."

529

00:36:55,463 --> 00:36:58,307

"He did something
no one else did."

530

00:37:00,051 --> 00:37:02,850

"He came here with nothing,

531

00:37:03,430 --> 00:37:05,979

a suitcase,

532

00:37:06,141 --> 00:37:10,442

and built a bankrupt company
into a major manufactory."

533

00:37:12,564 --> 00:37:15,238

"And left with
a steamer trunk."

534

00:37:15,608 --> 00:37:18,657

"Two steamer
trunks full of money."

535

00:37:20,488 --> 00:37:23,332

"All the riches
of the world."

536

00:37:24,951 --> 00:37:26,203

Hmm.

537

00:37:26,870 --> 00:37:29,794

It's comforting to see
that nothing's changed.

538

00:37:29,873 --> 00:37:32,592

You're wrong, Emilie.

539

00:37:34,085 --> 00:37:36,759

There's no way I could
have known this before,

540

00:37:36,838 --> 00:37:39,182

but there was
always something missing.

541

00:37:39,883 --> 00:37:43,808

In every business I tried, I can
see now, it wasn't me that failed.

542

00:37:43,887 --> 00:37:46,140

Something was missing.

543

00:37:46,806 --> 00:37:50,276

Even if I'd known what it was, there's
nothing I could have done about it,

544

00:37:50,351 --> 00:37:53,730

because you can't
create this thing.

545

00:37:55,190 --> 00:37:59,036

And it makes all the difference in the
world between success and failure.

546

00:38:01,029 --> 00:38:02,497

Luck?

547

00:38:05,200 --> 00:38:06,543

War.

548

00:38:09,204 --> 00:38:11,332

(BALLROOM DANCE MUSIC PLAYING)

549

00:38:31,643 --> 00:38:33,395

Should I stay?

550

00:38:36,231 --> 00:38:38,825

It's a beautiful city.

551

00:38:40,568 --> 00:38:42,912

I asked you if I should stay.

552

00:38:45,740 --> 00:38:47,913

It's up to you.

553

00:38:52,664 --> 00:38:56,965

Promise me, Oskar, no doorman
or maitre d' will ever presume

554

00:38:57,043 --> 00:39:00,798

I'm anyone other than
Mrs. Schindler, and I'll stay.

555

00:39:04,425 --> 00:39:05,927

Goodbye, darling.

556

00:39:08,596 --> 00:39:09,813

(SPEAKING INDISTINCTLY)

557

00:39:23,444 --> 00:39:27,449

I could try to read this, or I could
eat my lunch while it's still hot.

558

00:39:28,074 --> 00:39:29,451

We're doing well?

559

00:39:29,701 --> 00:39:30,998

Yes.

Better this month than last?

560

00:39:31,077 --> 00:39:32,044

Yes.

561

00:39:32,120 --> 00:39:33,542

Any reason to think

next month will be worse?

562

00:39:33,621 --> 00:39:35,248

The war could end.

563

00:39:46,968 --> 00:39:47,969

What?

564

00:39:48,136 --> 00:39:49,257

There is a machinist outside

565

00:39:49,262 --> 00:39:52,232

who'd like to thank you

personally for giving him a job.

566

00:39:52,807 --> 00:39:56,482

Every day he comes. He's very grateful.

It'll just take a minute.

567

00:40:03,526 --> 00:40:05,528

Mr. Lowenstein?

568

00:40:12,994 --> 00:40:18,626

I want to thank you, sir, for
giving me the opportunity to work.

569

00:40:18,708 --> 00:40:21,211

You're welcome. I'm sure
you're doing a great job.

570

00:40:21,878 --> 00:40:25,849

The SS beat me up.
They would have killed me,

571

00:40:26,341 --> 00:40:30,767

but I am essential to the
war effort, thanks to you.

572

00:40:30,845 --> 00:40:32,438

That's great.

573

00:40:32,972 --> 00:40:34,849

I work hard for you.

574

00:40:35,516 --> 00:40:37,314

I'm sure you do.

575

00:40:37,435 --> 00:40:39,278

I'll continue to

work hard for you.

576

00:40:40,146 --> 00:40:41,568

That's great. Thanks.

577

00:40:41,689 --> 00:40:42,781

God bless you, sir.

578

00:40:42,899 --> 00:40:44,025

All right.

579

00:40:44,275 --> 00:40:46,152

You are a good man.

580

00:40:49,906 --> 00:40:50,998

He saved my life.

581

00:40:51,115 --> 00:40:52,207

Yes, he did.

582

00:40:52,909 --> 00:40:54,035

God bless him.

583

00:40:54,202 --> 00:40:55,328

Yeah. Come on.

584

00:40:57,997 --> 00:41:00,045

God bless you.

585

00:41:12,553 --> 00:41:15,272

STERN: I'm sorry, *<i>*Mr. Director,
</i> but you're running very late.

586

00:41:15,348 --> 00:41:18,147

This is for
the *<i>*Lieutenant Colonel,*</i>* sir.

587

00:41:18,226 --> 00:41:21,446

And this is for his niece, Greta.

It's her birthday.

588

00:41:21,521 --> 00:41:23,364

Greta as in Garbo.

589

00:41:23,481 --> 00:41:25,324

By the way, don't

ever do that to me again.

590

00:41:25,566 --> 00:41:27,159

Go, go, drive!

Don't bow.

591

00:41:27,235 --> 00:41:29,235

Did you happen to notice that

that man had one arm?

592

00:41:29,237 --> 00:41:30,238

Did he?

593

00:41:34,909 --> 00:41:36,001

What's his use?

594

00:41:36,119 --> 00:41:37,245

Very useful.

595

00:41:40,373 --> 00:41:41,590

How?

596

00:41:41,749 --> 00:41:43,001

Very useful! Success!

597

00:41:51,259 --> 00:41:53,637

<i>After that we won't know...</i>

598

00:42:12,822 --> 00:42:15,120

OFFICER: <i>Brooms and shovels are being unloaded</i>

599

00:42:15,241 --> 00:42:17,482

<i>everyone takes one and then the street will be cleaned.</i>

600

00:42:17,827 --> 00:42:19,704

We'll be late for work.

601

00:42:19,787 --> 00:42:21,289

(HORN HONKING)

602

00:42:32,550 --> 00:42:35,053

CZURDA: <i>You shouldn't

think of them as yours, Oskar.</i>

603

00:42:35,386 --> 00:42:37,480

You need to understand that

some of the officers here

604

00:42:37,555 --> 00:42:39,478

don't give a damn

about production.

605

00:42:40,641 --> 00:42:43,360

To them, it's

a matter of national priority

606

00:42:43,478 --> 00:42:46,197

that Jews be

made to shovel snow.

607

00:42:47,148 --> 00:42:50,994

<i>It's got nothing to do with reality, Oskar.

You know it and I know it.</i>

608

00:42:51,944 --> 00:42:56,916

<i>Jews shoveling snow, it's

got a ritual significance.</i>

609

00:43:00,536 --> 00:43:02,209

Come with me.

610

00:43:02,330 --> 00:43:04,003

I am an essential worker.

611

00:43:04,082 --> 00:43:05,083

Essential worker?

(LAUGHS)

612

00:43:05,208 --> 00:43:06,255

Yes.

613

00:43:07,251 --> 00:43:08,423

(OFFICER LAUGHING)

614

00:43:09,670 --> 00:43:11,513

I work for Oskar Schindler.

615

00:43:11,672 --> 00:43:13,515

Essential worker
for Oskar Schindler.

616

00:43:13,591 --> 00:43:14,912

A one-armed Jew?
Twice as useless!

617

00:43:15,009 --> 00:43:16,352

Yes, yes.

618

00:43:17,720 --> 00:43:20,439

I lost a day
of production, Rolf.

619

00:43:20,681 --> 00:43:22,934

LOWENSTEIN:
I work for Oskar Schindler.

620

00:43:24,519 --> 00:43:27,864

Danka, look at the snow. Look at the snow.

Look at the snow!

621

00:43:28,356 --> 00:43:29,357

(GUNSHOT)

622

00:43:32,360 --> 00:43:35,864

I lost a worker.

I expect to be compensated.

623

00:43:35,947 --> 00:43:39,042

File a grievance with the Economic Office.

It's your right.

624

00:43:39,117 --> 00:43:40,209

Would it do any good?

625

00:43:40,368 --> 00:43:42,370

Of course not.

(CHUCKLES)

626

00:43:44,872 --> 00:43:48,172

A big shot from the SS Budget and
Construction Office came to lunch,

627

00:43:48,251 --> 00:43:52,802

and he told us that to believe the
Jewish skilled worker had a place

628

00:43:52,880 --> 00:43:56,134

in Reich economics
was a treasonable idea.

629

00:44:01,389 --> 00:44:05,360

A one-armed machinist, Oskar?

630

00:44:05,852 --> 00:44:07,820

He was a metal press operator.

631

00:44:12,733 --> 00:44:14,076

Quite skilled.

632

00:44:16,696 --> 00:44:18,448

(MOANING)

633

00:44:26,873 --> 00:44:28,591

(PANTING AND MOANING)

634

00:44:44,265 --> 00:44:45,437

<i>Mr. Director?</i>

635

00:44:46,267 --> 00:44:48,395

Shit. I don't believe it.

636

00:44:48,561 --> 00:44:50,689

Stern, is that you?

637

00:44:51,105 --> 00:44:54,450

No, it's Poldek.

It's about Stern.

638

00:44:55,276 --> 00:44:58,280

SOLDIER ON PA: <i>Leave your
luggage on the platform.</i>

639

00:44:59,197 --> 00:45:04,499

<i>Clearly label it. Given name
first, then your surname.</i>

640

00:45:05,244 --> 00:45:07,622

<i>Do not bring your
baggage with you.</i>

641

00:45:07,872 --> 00:45:10,250

<i>It will follow you later.</i>

642

00:45:11,083 --> 00:45:16,135

<i>Leave your luggage on the platform.
Clearly label it.</i>

643

00:45:16,255 --> 00:45:19,304

MAN ON LOUDSPEAKER: <i>Leave your luggage on the platform.</i>

644

00:45:21,302 --> 00:45:22,679

Stern?

645

00:45:25,556 --> 00:45:26,682

He's on the list.

646

00:45:26,807 --> 00:45:27,979

He is?

647

00:45:28,851 --> 00:45:30,148

Well, let's find him.

648

00:45:30,269 --> 00:45:31,521

I'm sorry.

You can't have him.

649

00:45:31,604 --> 00:45:34,904

He's on the list. If he were an essential
worker he would not be on the list.

650

00:45:34,982 --> 00:45:37,155

I'm talking to a clerk.

What is your name?

651

00:45:37,401 --> 00:45:38,823

Sir, the list is correct.

652

00:45:38,986 --> 00:45:40,454

I didn't ask you
about the list.

653

00:45:40,529 --> 00:45:41,701

I asked you your name.

654

00:45:41,822 --> 00:45:42,994

Klaus Tauber.

655

00:45:45,326 --> 00:45:46,623

Tauber.

656

00:45:46,702 --> 00:45:50,707

<i>Master Sergeant,</i> this gentleman
thinks a mistake's been made.

657

00:45:50,790 --> 00:45:53,134

My plant manager is
somewhere on this train.

658

00:45:53,668 --> 00:45:55,591

If it leaves with him on it,

it'll disrupt production

659

00:45:55,670 --> 00:45:57,672

and the Armaments Board

will want to know why.

660

00:45:57,755 --> 00:45:59,382

MAN ON LOUDSPEAKER: *Attention, this train is now departing.*

661

00:45:59,465 --> 00:46:01,638

Is he on the list?

662

00:46:01,759 --> 00:46:03,932

Yes, sir. Itzhak Stern.

663

00:46:04,929 --> 00:46:09,355

Well, the list is correct, sir.

There is nothing I can do.

664

00:46:10,851 --> 00:46:12,148

What is your name?

665

00:46:12,270 --> 00:46:13,567

SOLDIER ON PA:

<i>Close and secure all doors.</i>

666

00:46:13,646 --> 00:46:16,991

My name? My name is Kunder.

<i>This train is now leaving.</i>

667

00:46:17,483 --> 00:46:19,110

Kunder.

Hauptscharführer Kunder.

668

00:46:19,193 --> 00:46:21,116

K-U-N-D-E-R.

And what's yours?

669

00:46:21,195 --> 00:46:23,493

Schindler.

S-C-H-I-N-D-L-E-R.

670

00:46:23,948 --> 00:46:26,121

Gentlemen, thank you very much.

671

00:46:26,200 --> 00:46:28,669

I think I can guarantee you
you'll both be

672

00:46:28,744 --> 00:46:31,964

in Southern Russia before the
end of the month. Good day.

673

00:46:32,039 --> 00:46:34,399

CONDUCTOR: <i>Close the doors tightly. Close the doors tightly.</i>

674

00:46:35,835 --> 00:46:37,428

Stern!

675

00:46:38,254 --> 00:46:40,097

Stern!

Stern!

676

00:46:40,172 --> 00:46:41,549

Itzhak Stern!

677

00:46:41,632 --> 00:46:43,225

(TRAIN WHISTLE BLOWING)

678

00:46:48,806 --> 00:46:50,558

Stern! Itzhak Stern!

679

00:46:50,766 --> 00:46:52,063

KUNDER: Stern! Stern!

680

00:46:52,184 --> 00:46:53,481

Itzhak Stern!

681

00:46:55,062 --> 00:46:56,154

Stern!

682

00:46:56,230 --> 00:46:57,402

Sir?

683

00:47:00,526 --> 00:47:02,528

Stern!

<i>Mr. Director.</i>

684

00:47:02,611 --> 00:47:03,828

(COUGHING)

685

00:47:03,904 --> 00:47:05,497

My apologies.

686

00:47:05,906 --> 00:47:07,123

Stop the train!

He's here!

687

00:47:07,241 --> 00:47:08,493

I apologize.

688

00:47:08,784 --> 00:47:10,752

Stop the train!

689

00:47:10,870 --> 00:47:12,793

Stop the train! Stop it!

690

00:47:25,760 --> 00:47:28,104

Sign here.

Initial there.

691

00:47:28,220 --> 00:47:30,222

(WHISTLE BLOWING)

692

00:47:30,306 --> 00:47:34,277

Makes no difference to us, you understand.

This one, that one.

693

00:47:34,935 --> 00:47:37,029

(TRAIN WHISTLE BLOWING) It's

the inconvenience to the list.

694

00:47:37,104 --> 00:47:38,822

It's the paperwork.

695

00:47:38,939 --> 00:47:40,691

I somehow left my

work card at home.

696

00:47:40,775 --> 00:47:43,949

I tried to explain them

it was a mistake, but...

697

00:47:44,820 --> 00:47:46,788

I'm sorry, it was stupid!

698

00:47:46,906 --> 00:47:48,829

What if I got here
five minutes later?

699

00:47:48,908 --> 00:47:51,411

Then where would I be?

700

00:49:33,387 --> 00:49:36,140

<i>Sugar, sugar, and sugar.</i>

701

00:49:36,474 --> 00:49:38,977

<i>Sugar and sugar.</i>

702

00:49:42,938 --> 00:49:45,487

I woke up from
a dream this morning.

703

00:49:45,566 --> 00:49:49,662

I was broke and sharing a room
with 12 people I didn't know,

704

00:49:49,737 --> 00:49:52,456

only to discover I

was broke and sharing

705

00:49:52,573 --> 00:49:55,326

a room with 12

people I didn't know.

706

00:49:55,409 --> 00:49:57,036

(CHUCKLING) You laugh about it?

707

00:49:57,119 --> 00:49:58,371

I have to laugh.

708

00:49:58,913 --> 00:50:01,166

You are living behind walls.

709

00:50:01,248 --> 00:50:06,175

The walls I can deal with. It's the
restrictions to my life I'm tired of.

710

00:50:06,253 --> 00:50:09,348

Those walls keep them out.

That's all I care about.

711

00:50:09,423 --> 00:50:12,267

I like it here. There's
a kind of, I don't know,

712

00:50:12,343 --> 00:50:14,721

ancestral squalor to it all.

713

00:50:14,929 --> 00:50:16,931

You are a slave to these people.
No one envies us anymore.

714

00:50:17,014 --> 00:50:18,015

I'm smart.

715

00:50:18,140 --> 00:50:19,187

Oh, yes, you're smart.

716

00:50:19,266 --> 00:50:20,267

You're a real genius.

717

00:50:20,434 --> 00:50:21,481

You had your chance.

718

00:50:21,769 --> 00:50:25,945

Today, today I actually found
time to organize a thought.

719

00:50:26,774 --> 00:50:29,448

I can't remember
the last time I did that.

720

00:50:29,527 --> 00:50:31,279

When's the last
time we did this?

721

00:50:31,362 --> 00:50:33,581

When's the last time
we stood around and talked?

722

00:50:33,822 --> 00:50:36,450

No one ordered me
onto a truck today.

723

00:50:36,575 --> 00:50:39,203

No one took my
business away from me.

724

00:50:39,578 --> 00:50:41,421

You don't really
have a business to take.

725

00:50:41,914 --> 00:50:43,791

There's nowhere down from here.

726

00:50:43,958 --> 00:50:45,835

This is it.
This is the bottom.

727

00:50:46,585 --> 00:50:49,134

The ghetto is liberty.

728

00:50:56,679 --> 00:50:59,649

This street divides the ghetto
just about in half.

729

00:51:00,599 --> 00:51:07,483

Right side, Ghetto A, civil employees,
industrial workers, and so on.

730

00:51:08,857 --> 00:51:12,077

Left side,
Ghetto B, surplus labor,

731

00:51:12,194 --> 00:51:15,448

the elderly and infirm, mostly.

732

00:51:16,282 --> 00:51:18,501

Which is where you
will want to start.

733

00:51:18,659 --> 00:51:20,912

Do you have any questions, sir?

734

00:51:21,161 --> 00:51:23,789

<i>Yes</i>, why is the top down?
I'm fucking freezing.

735

00:51:26,584 --> 00:51:29,133

KUNDE: We expect a labor

force of 25,000 to 30,000.

736

00:51:29,211 --> 00:51:32,761

Segregated, of course. The men
in the barracks near the quarry.

737

00:51:32,840 --> 00:51:34,308

The women on
the other side of the wire.

738

00:51:34,383 --> 00:51:36,477

GOETH: My place is where?
There, sir.

739

00:51:36,552 --> 00:51:38,350

There?
Yes, the villa.

740

00:51:38,429 --> 00:51:39,851

You call that a villa?

741

00:51:39,930 --> 00:51:41,170

Their synagogue,

can you see it?

742

00:51:41,181 --> 00:51:42,307

That's not a villa.

743

00:51:42,391 --> 00:51:44,064

We're planning to turn it
into the camp stables.

744

00:51:44,143 --> 00:51:45,144

It's a house.

745

00:51:45,769 --> 00:51:47,612

GOETH: What's that over there?

746

00:51:50,065 --> 00:51:51,988

KUNDE: Kindergarten.

Fifty-one.

747

00:51:52,067 --> 00:51:56,573

And we have a dentist,
shoemaker, practical physicians.

748

00:51:59,783 --> 00:52:01,535

There they are, sir.

749

00:52:03,078 --> 00:52:05,080

(SNIFFS) Hmm.

750

00:52:07,041 --> 00:52:10,261

One of you is
a very lucky girl.

751

00:52:11,045 --> 00:52:15,721

There is an opening
for a job away from all

752

00:52:16,508 --> 00:52:20,012

this backbreaking
work at my new villa.

753

00:52:20,554 --> 00:52:21,555

(SNIFFS)

754

00:52:22,264 --> 00:52:23,265

Uh...

755

00:52:25,976 --> 00:52:29,071

Which of you has
domestic experience?

756

00:52:33,067 --> 00:52:36,788

<i>Yes</i>, on second thought, I don't
really want someone else's maid.

757

00:52:36,862 --> 00:52:40,082

All those annoying
habits I have to undo.

758

00:52:45,245 --> 00:52:47,919

(CHUCKLES) I don't want
to give you my cold.

759

00:52:48,666 --> 00:52:50,088

What's your name?

760

00:52:50,876 --> 00:52:52,594

Helen Hirsch.

What?

761

00:52:53,045 --> 00:52:54,968

Helen Hirsch.

(COUGHING)

762

00:52:55,047 --> 00:52:56,845

What? I can't hear.

763

00:52:56,965 --> 00:52:58,763

Helen Hirsch.

764

00:53:14,942 --> 00:53:15,943

<i>Yes.</i>

765

00:53:16,026 --> 00:53:17,369

WOMAN: Take it all down!

766

00:53:17,444 --> 00:53:19,572

(OFFICER BLOWS WHISTLE)

OFFICER: To work!

767

00:53:21,657 --> 00:53:24,376

WOMAN: Take it down!

It is not safe!

768

00:53:24,451 --> 00:53:27,500

She says the foundation was poured wrong.

She's got to take it down.

769

00:53:27,579 --> 00:53:30,549

I told her it's the barracks,
not the fucking Hotel Europa.

770

00:53:30,624 --> 00:53:34,424

Fucking Jew bitch engineer.

You fucking bitch!

771

00:53:34,962 --> 00:53:38,432

<i>Mr. Commandant.</i>

The entire foundation

772

00:53:38,549 --> 00:53:41,974

has to be torn
down and re-poured.

773

00:53:42,052 --> 00:53:44,771

If not, there will be
at least a subsidence

774

00:53:44,888 --> 00:53:47,607

at the southern
end of the barracks.

775

00:53:48,267 --> 00:53:50,986

Subsidence, and then collapse.

776

00:53:51,061 --> 00:53:53,063

And you are an engineer?
Yes.

777

00:53:53,897 --> 00:53:55,319

My name is Diana Reiter.

778

00:53:55,399 --> 00:53:58,824

I'm a graduate of civil engineering
from the University of Milan.

779

00:53:58,902 --> 00:54:02,497

An educated Jew,
like Karl Marx himself.

780

00:54:10,831 --> 00:54:12,629

<i>Corporal!

Yes, sir?</i>

781

00:54:14,460 --> 00:54:15,586

Shoot her.

782

00:54:15,711 --> 00:54:16,883

What?

783

00:54:17,212 --> 00:54:18,213

(GASPS)

784

00:54:18,672 --> 00:54:22,927

<i>Mr. Commandant,</i>

I'm only trying to do my job.

785

00:54:23,010 --> 00:54:24,557

<i>Yes</i>, I'm doing mine.

786

00:54:24,636 --> 00:54:26,980

But, sir, she's
foreman of construction.

787

00:54:27,055 --> 00:54:29,774

We are not going to have
arguments with these people.

788

00:54:29,850 --> 00:54:30,976

Okay.

789

00:54:33,187 --> 00:54:36,612

No. Shoot her here,
on my authority.

790

00:54:47,785 --> 00:54:49,628

It will take more than that.

791

00:54:49,703 --> 00:54:51,046

GOETH: I'm sure you're right.

792

00:54:59,296 --> 00:55:03,642

Take it down, re-pour it, rebuild it.

Like she said.

793

00:55:04,384 --> 00:55:07,934

We have more to see, but we have
only one more hour of light.

794

00:55:11,058 --> 00:55:12,560

(HUMMING)

795

00:55:19,566 --> 00:55:21,443

GOETH: *Today is history.*

796

00:55:23,320 --> 00:55:25,914

Today will be remembered.

797

00:55:27,741 --> 00:55:33,373

Years from now, the young will
ask with wonder about this day.

798

00:55:35,415 --> 00:55:37,793

Today is history,

and you are part of it.

799

00:55:40,796 --> 00:55:43,140

Six hundred years ago,

800

00:55:43,257 --> 00:55:45,726

(SINGING MORNING PRAYER) *<i>when
elsewhere they were footing the blame</i>*

801

00:55:45,843 --> 00:55:48,266

*<i>for the Black Death,
Kazimierz the Great...</i>*

802

00:55:49,054 --> 00:55:50,806

<i>...for His mercy is everlasting.</i>

803

00:55:50,889 --> 00:55:55,190

*<i>...so-called, told the Jews
they could come to Krakow.</i>*

804

00:55:55,269 --> 00:55:56,236

<i>They came.</i>

805

00:55:56,311 --> 00:55:58,109

Not that fat. No, less.

806

00:55:58,230 --> 00:56:00,028

*<i>They trundled their
belongings into the city.</i>*

807

00:56:00,107 --> 00:56:01,108

Yes, a bit less.

808

00:56:01,275 --> 00:56:02,322

<i>They settled.</i>

809

00:56:03,277 --> 00:56:05,405

<i>They took hold.</i>

810

00:56:05,487 --> 00:56:11,039

*<i>They prospered in business,
science, education, the arts.</i>*

811

00:56:12,953 --> 00:56:14,705

<i>They came here with nothing.</i>

812

00:56:15,122 --> 00:56:16,123

(PRAYING CONTINUES)

813

00:56:16,748 --> 00:56:17,965

<i>Nothing.</i>

814

00:56:19,418 --> 00:56:20,761

<i>And they flourished.</i>

815

00:56:22,296 --> 00:56:26,847

<i>For six centuries there
has been a Jewish Krakow.</i>

816

00:56:28,427 --> 00:56:29,804

<i>Think about that.</i>

817

00:56:30,679 --> 00:56:32,272

<i>By this evening,</i>

818

00:56:33,015 --> 00:56:35,894

<i>those six

centuries are a rumor.</i>

819

00:56:38,228 --> 00:56:39,525

They never happened.

820

00:56:41,648 --> 00:56:43,321

Today is history.

821

00:57:04,546 --> 00:57:07,174

<i>Dismount and form up in two rows!</i>

822

00:57:08,675 --> 00:57:10,427

<i>Comrades! Faster!</i>

823

00:57:10,510 --> 00:57:12,103

(WHISTLE BLOWING)

(INDISTINCT SHOUTING)

824

00:57:14,181 --> 00:57:18,152

I think we will

start with Ghetto B.

825

00:57:18,226 --> 00:57:20,069

SOLDIERS: <i>Hop, hop, hop, hop!</i>

826

00:57:22,147 --> 00:57:23,649

(DOGS BARKING)

827

00:57:28,028 --> 00:57:29,120

All right?

828

00:57:29,237 --> 00:57:30,329

Start from both sides?

829

00:57:30,405 --> 00:57:32,282

No, no, I would like you to start there.

The right side?

830

00:57:32,366 --> 00:57:33,538

The right side, yeah.

And then move around.

831

00:57:33,700 --> 00:57:34,872

All right.

832

00:57:37,037 --> 00:57:41,543

MAN ON LOUDSPEAKER: *<i>Label it clearly. It will be sent to you later.</i>*

833

00:57:42,918 --> 00:57:45,137

<i>Leave your luggage</i>

834

00:57:47,631 --> 00:57:50,180

<i>Label it clearly.</i>

835

00:57:50,342 --> 00:57:53,186

<i>It will be sent to you later.</i>

836

00:57:54,304 --> 00:57:55,806

SOLDIER: *<i>Open up!</i>*

837

00:57:56,223 --> 00:57:57,224

<i>Get up.</i>

838

00:57:57,516 --> 00:58:00,556

<i>No, I don't know, maybe we should put the children under the table.</i>

839

00:58:00,727 --> 00:58:03,025

<i>Under the bed. Come.</i>

840

00:58:07,985 --> 00:58:10,079

SOLDIERS: <i>Hop, hop,
hop, hop!</i>

841

00:58:10,404 --> 00:58:12,156

(SOLDIERS SHOUTING
IN GERMAN)

842

00:58:52,112 --> 00:58:53,955

SOLDERS: <i>Come down!</i>

843

00:58:55,824 --> 00:58:58,327

(SOLDIERS BANGING ON DOORS)

844

00:59:01,663 --> 00:59:02,880

SOLDIER: <i>Come out, Jews!</i>

845

00:59:08,336 --> 00:59:09,758

SOLDER: <i>To the square!</i>

846

00:59:10,130 --> 00:59:11,131

(WHISTLE BLOWING)

847

00:59:19,389 --> 00:59:20,811

Gold, Chaim!

848

00:59:20,932 --> 00:59:22,400

<i>Chodi Square.</i>

849

00:59:23,143 --> 00:59:24,315

Gold, Chaim!

850

00:59:24,478 --> 00:59:25,695

Yes, Chaim Gold.

851

00:59:25,771 --> 00:59:27,398

Shoot him.

852

00:59:27,481 --> 00:59:30,610

(SPEAKING POLISH)

853

00:59:33,612 --> 00:59:36,115

<i>Don't kill! Don't kill!</i>

854

00:59:36,573 --> 00:59:37,825

(WOMAN SCREAMS)

855

00:59:37,908 --> 00:59:40,708

SOLDIER: <i>Put on warm clothes and go to the square...</i>

856

00:59:41,286 --> 00:59:44,005

<i>No suitcases! No suitcases!</i>

857

00:59:44,164 --> 00:59:45,381

<i>Go through!</i>

858

00:59:45,499 --> 00:59:47,843

<i>No suitcases! No suitcases!</i>

859

00:59:48,251 --> 00:59:50,470

Hey, little boy.

<i>How old are you, huh?</i>

860

00:59:50,545 --> 00:59:53,674

<i>Well, what's your name? What's your name, huh?</i>

861

00:59:54,549 --> 00:59:56,472

<i>No suitcases, I said!</i>

862

00:59:56,551 --> 00:59:57,677

(SCREAMING)

863

00:59:57,761 --> 00:59:59,604

<i>Don't pack suitcases! No suitcases!</i>

864

01:00:00,430 --> 01:00:02,899

<i>Over to Chodi Square! Leave suitcases here!</i>

865

01:00:02,974 --> 01:00:05,648

<i>Blue card. Chodi Square!</i>

866

01:00:06,186 --> 01:00:07,859

<i>What's this suitcase doing here?</i>

867

01:00:08,021 --> 01:00:10,194

<i>Everything over to Chodi Square!</i>

868

01:00:13,151 --> 01:00:15,153

(SOLDIERS CONTINUE SHOUTING)

869

01:00:23,870 --> 01:00:25,838

(RUNNING FOOTSTEPS
APPROACHING)

870

01:00:27,290 --> 01:00:29,008

We're getting out
through the sewers.

871

01:00:29,084 --> 01:00:30,802

I have to check
if they're clear.

872

01:00:32,379 --> 01:00:34,427

Mila, pack some things.
Nothing bigger than this.

873

01:00:34,506 --> 01:00:37,510

I can't go in the sewers. I told

you I won't go in the sewers.

874

01:00:41,596 --> 01:00:44,395

You can go. Yes, you can.

875

01:00:47,394 --> 01:00:49,021

I won't go in the sewers.

876

01:00:51,690 --> 01:00:53,033

(WHISTLE BLOWING)

877

01:01:00,574 --> 01:01:03,874

SOLDIER: Move! Over there!

Over there! Move!

878

01:01:04,578 --> 01:01:06,751

Your card, Jew!

879

01:01:06,913 --> 01:01:11,134

<i>Your papers, Jew!</i>

880

01:01:13,587 --> 01:01:15,134

That line.

881

01:01:16,089 --> 01:01:17,636

<i>Your card!</i>

882

01:01:17,757 --> 01:01:20,761

<i>I'm not going up for your damned card!</i>

883

01:01:22,596 --> 01:01:24,143

<i>Your shitty card!</i>

884

01:01:30,937 --> 01:01:32,530

(WHISTLE BLOWING)

885

01:01:34,649 --> 01:01:36,447

(WOMAN WAILING IN GERMAN)

886

01:01:43,617 --> 01:01:45,898

<i>What the hell is this shit?

Have you gone crazy?</i>

887

01:01:46,119 --> 01:01:48,400

<i>With that shitty rifle you could have shot me!</i>

888

01:01:48,455 --> 01:01:51,049

<i>You shot so close past me!</i>

889

01:01:51,166 --> 01:01:53,544

<i>What do you mean, sorry. You must be crazy!</i>

890

01:01:53,627 --> 01:01:55,067

SOLDER: <i>Stay back! Stay back!</i>

891

01:02:01,051 --> 01:02:03,975

<i>Don't talk, don't talk!

Just go to the trucks!</i>

892

01:02:04,804 --> 01:02:07,398

<i>Keep walking! Keep walking!

Don't talk!</i>

893

01:02:07,807 --> 01:02:08,808

(WHISTLE BLOWING)

894

01:02:17,609 --> 01:02:19,737

<i>Come here, you Jew sow!</i>

895

01:02:19,819 --> 01:02:21,696

<i>Stop, I said. Stop!</i>

896

01:02:24,866 --> 01:02:26,906

(WOMAN WHISPERING IN POLISH)

(WOMAN SPEAKING POLISH)

897

01:02:27,911 --> 01:02:30,130

<i>Come here quickly!</i>

898

01:02:53,061 --> 01:02:54,233

(DOOR BURSTS OPEN)

899

01:03:19,504 --> 01:03:21,802

She's good as dead.

Leave her.

900

01:03:21,881 --> 01:03:25,260

Give me a moment.

Just let me bring her inside.

901

01:03:27,095 --> 01:03:28,597

(PEOPLE SCREAMING)

902

01:03:28,722 --> 01:03:31,145

(MAN ANNOUNCING
IN GERMAN ON PA)

903

01:03:31,224 --> 01:03:34,694

You can join her
or join the line.

904

01:03:38,064 --> 01:03:39,657

(WHISTLE BLOWING)

905

01:03:39,733 --> 01:03:40,950

Women to the left!

906

01:03:41,067 --> 01:03:42,068

Wilhelm!

Rose!

907

01:03:42,152 --> 01:03:44,996

Men to right. Women to the left.

(WOMAN PROTESTING)

908

01:03:45,071 --> 01:03:46,288

Women to the left.

909

01:03:46,406 --> 01:03:47,806

Let me go!

I won't leave my husband!

910

01:03:52,746 --> 01:03:54,307

Women to the left,

and men to the right.

911

01:03:54,414 --> 01:03:55,961

Promise me, be safe.

912

01:03:58,877 --> 01:04:00,845

Your government is

in the wrong country!

913

01:04:00,920 --> 01:04:03,799

(SHOUTING CONTINUES)

914

01:04:03,923 --> 01:04:07,097

(WAILING)

915

01:04:07,719 --> 01:04:09,266

Mama! Mama!

916

01:04:10,889 --> 01:04:12,937

(PEOPLE SHOUTING)

917

01:04:23,777 --> 01:04:25,620

(DOGS BARKING)

918

01:04:26,696 --> 01:04:27,868

(SOLDIERS SHOUTING)

919

01:04:27,947 --> 01:04:30,291

(MACHINE GUN FIRE)

920

01:04:57,435 --> 01:04:59,028

Mila!

921

01:05:18,540 --> 01:05:20,963

(BELL CHIMING)

922

01:05:25,672 --> 01:05:27,174

(SCREAMS)

923

01:05:32,679 --> 01:05:34,101

You have a *Blauschein*.

924

01:05:34,222 --> 01:05:35,644

Blauschein

doesn't matter anymore,

925

01:05:35,723 --> 01:05:37,270

they are

cleaning out the ghetto.

926

01:05:37,350 --> 01:05:38,897

There is not

enough room for you.

927

01:05:39,018 --> 01:05:40,611

What are you talking about?

We tried it

928

01:05:40,728 --> 01:05:42,355

before. There's

more than enough room.

929

01:05:42,814 --> 01:05:44,031

I changed my mind!

930

01:05:44,190 --> 01:05:45,407

Mama!

931

01:05:45,692 --> 01:05:47,911

Oh, look at the space in there.

932

01:05:48,027 --> 01:05:50,280

Now look at me.

You are just scared.

933

01:05:50,363 --> 01:05:52,457

I can fit the girl,

but not you.

934

01:05:52,532 --> 01:05:53,624

Mama, I'm coming out!

935

01:05:53,741 --> 01:05:54,833

Stay where you are.

936

01:05:54,909 --> 01:05:57,162

I'd rather you be here
than who knows where.

937

01:05:57,245 --> 01:05:58,542

Mama!

938

01:06:03,042 --> 01:06:04,840

(SOLDIERS SHOUTING IN GERMAN)

939

01:06:06,880 --> 01:06:08,348

(DOGS BARKING)

940

01:06:19,392 --> 01:06:22,145

<i>Mr. Commandant!</i>

(SOLDIERS LAUGHING)

941

01:06:22,228 --> 01:06:23,730

Very good saluting.

942

01:06:23,813 --> 01:06:25,736

I respectfully report

I've been given orders

943

01:06:25,857 --> 01:06:27,780

to clear the bundles

from the road,

944

01:06:27,859 --> 01:06:30,908

so there will be no obstructions

to the thoroughfare.

945

01:06:30,987 --> 01:06:35,538

Finish and join the lines,

little Polish clicking soldier.

946

01:06:35,617 --> 01:06:36,869

(CHUCKLES)

947

01:06:53,760 --> 01:06:54,761

(BLOWS WHISTLE)

948

01:06:58,932 --> 01:07:00,354

Mrs. Dresner?

949

01:07:00,433 --> 01:07:01,776

Yes.

950

01:07:02,185 --> 01:07:04,358

Oh, you are a friend
of my son's.

951

01:07:04,604 --> 01:07:07,027

Don't worry, I'll go quietly.

I'll be no trouble.

952

01:07:07,106 --> 01:07:09,279

No, get under the stairs.

They'll be done

953

01:07:09,400 --> 01:07:11,573

searching soon.

You'll be safe there.

954

01:07:11,653 --> 01:07:13,200

Please hide. Please.

955

01:07:13,321 --> 01:07:14,868

...warmed by the sun.

956

01:07:14,948 --> 01:07:17,371

Hide under the stairs.

957

01:07:20,578 --> 01:07:23,001

BOY: I've searched the building.

There's no one here.

958

01:07:23,081 --> 01:07:25,379

So, let's go to the next block.

959

01:07:25,458 --> 01:07:26,710

Agreed.

960

01:07:33,091 --> 01:07:34,638

Danka!

Mama!

961

01:07:35,510 --> 01:07:36,511

(PANTING)

962

01:07:40,765 --> 01:07:42,108

Hello, Adam.

963

01:07:43,726 --> 01:07:45,979

Hello, Danka.

964

01:07:51,609 --> 01:07:54,408

Come with me. I will
put you in the good line.

965

01:07:55,113 --> 01:07:57,161

(SOLDIERS SHOUTING
IN DISTANCE)

966

01:07:57,240 --> 01:08:00,414

Do you know the saying, "An
hour of life is still life"?

967

01:08:00,493 --> 01:08:04,589

You are not a boy anymore.
I'm saying a blessing for you.

968

01:08:07,625 --> 01:08:10,720

(PEOPLE SHOUTING)

(MACHINE GUNS FIRING)

969

01:08:15,341 --> 01:08:17,685

(CHILDREN'S CHOIR SINGING
<i>OYF 'N PRIPETSHOK</i>)

970

01:08:17,844 --> 01:08:19,437

<i>At the hearth a fire burns,</i>

971

01:08:19,512 --> 01:08:22,265

<i>And the room is warm,</i>

972

01:08:23,266 --> 01:08:28,523

<i>And the rabbi is teaching the little children,</i>

973

01:08:28,980 --> 01:08:31,904

<i>The aleph-bet.</i>

974

01:08:32,150 --> 01:08:33,151

(MACHINE GUN FIRING)

975

01:08:33,735 --> 01:08:38,366

<i>And the rabbi is teaching the little children,</i>

976

01:08:38,865 --> 01:08:41,493

<i>The aleph-bet.</i>

977

01:08:41,743 --> 01:08:42,744

(GUNS SHOOTING)

978

01:08:42,910 --> 01:08:44,036

(PEOPLE SCREAMING)

979

01:08:44,287 --> 01:08:49,088

<i>Remember, dear children,</i>

980

01:08:49,542 --> 01:08:52,887

<i>What you are learning here.</i>

981

01:08:54,505 --> 01:08:59,557

<i>Repeat again and yet again,</i>

982

01:08:59,969 --> 01:09:03,690

<i>Komets-alef: o.</i>

983

01:09:04,849 --> 01:09:06,726

(OFFICERS SHOUTING)

984

01:09:06,809 --> 01:09:10,154

<i>Repeat again and yet again,</i>

985

01:09:10,271 --> 01:09:13,400

<i>Komets-alef: o.</i>

986

01:09:15,443 --> 01:09:20,040

<i>At the hearth a fire burns,</i>

987

01:09:20,573 --> 01:09:24,794

<i>And the room is warm,</i>

988

01:09:25,578 --> 01:09:30,926

<i>And the rabbi is teaching the little children,</i>

989

01:09:31,125 --> 01:09:32,672

<i>The aleph-bet.</i>

990

01:09:35,171 --> 01:09:36,172

(DOG BARKING)

991

01:09:42,303 --> 01:09:45,102

Oh, please, let's go.

Let's go, please.

992

01:09:46,307 --> 01:09:47,684

Come on.

993

01:09:48,768 --> 01:09:51,942

<i>Remember, dear children,</i>

994

01:09:52,271 --> 01:09:56,321

<i>What you are learning here,</i>

995

01:09:57,110 --> 01:10:02,287

<i>Repeat again and yet again,</i>

996

01:10:03,074 --> 01:10:06,078

<i>Komets-alef: o.</i>

997

01:10:07,495 --> 01:10:08,872

(WHISTLE BLOWING)

998

01:10:09,038 --> 01:10:12,463

<i>Repeat again and yet again,</i>

999

01:10:12,959 --> 01:10:15,963

<i>Komets-alef: o.</i>

1000

01:10:24,637 --> 01:10:25,638

(WHIMPERING)

1001

01:10:30,059 --> 01:10:32,107

(FOOTSTEPS APPROACHING)

1002

01:10:56,002 --> 01:10:58,551

<i>Mark, Mark.</i>

1003

01:11:18,107 --> 01:11:19,529

(SPEAKING POLISH)

1004

01:11:52,642 --> 01:11:53,842

<i>No! Sir, please, don't...</i>

1005

01:11:54,644 --> 01:11:56,066

(HITS PIANO KEYS)

1006

01:12:00,399 --> 01:12:01,776

GIRL: <i>...we won't find!</i>

1007

01:12:02,401 --> 01:12:04,119

(MACHINE GUN FIRE)

1008

01:12:04,195 --> 01:12:05,663

(RAPID PIANO MUSIC PLAYING)

1009

01:12:07,114 --> 01:12:09,242

(SHOUTING IN GERMAN)

1010

01:12:12,036 --> 01:12:13,754

(MACHINE GUN FIRE CONTINUES)

1011

01:12:27,260 --> 01:12:31,436

<i>What is that? Is that Bach? No, no. Mozart.</i>

1012

01:12:31,722 --> 01:12:33,190

<i>Mozart?

Yes.</i>

1013

01:12:53,411 --> 01:12:54,833

<i>Do we want to finish that today?</i>

1014

01:12:54,954 --> 01:12:55,955

<i>Nah, we'll never make it.</i>

1015

01:13:01,836 --> 01:13:03,634

<i>Nah, we'll never make it.</i>

1016

01:13:03,713 --> 01:13:05,886

I wish this

fucking night were over.

1017

01:13:05,965 --> 01:13:07,558

(PIANO PLAYING CONTINUES)

1018

01:13:19,186 --> 01:13:20,187

(PIANO PLAYING STOPS)

1019

01:13:44,712 --> 01:13:46,885

(WHISTLE BLOWING)

OFFICER: <i>Roll call! Rows of five!</i>

1020

01:13:49,091 --> 01:13:50,092

<i>Fall in!</i>

1021

01:13:53,137 --> 01:13:55,265

<i>Halt, everyone line up!</i>

1022

01:13:59,060 --> 01:14:00,653

<i>Go, go, rows of five!</i>

1023

01:14:01,938 --> 01:14:03,406

<i>Hats off!</i>

1024

01:14:05,608 --> 01:14:07,201

<i>Read out the names!</i>

1025

01:14:07,526 --> 01:14:11,497

<i>Whoever is called, raises his hand
and a clear 'Yes, sir'!</i>

1026

01:14:11,572 --> 01:14:13,370

(OFFICER CALLS OUT NAMES)

MAN: Yes, sir.

1027

01:14:17,536 --> 01:14:19,538

Keller, Fanni!

<i>Yes, sir.</i>

1028

01:14:20,873 --> 01:14:24,343

Adalbert, Hermann!

<i>Yes, sir.</i>

1029

01:14:25,544 --> 01:14:27,217

Faber, Dorothea!

<i>Yes, sir.</i>

1030

01:14:27,672 --> 01:14:29,720

Goldstein, Pola!

<i>Yes, sir.</i>

1031

01:14:31,258 --> 01:14:34,102

Warmberger, Markus!

<i>Yes, sir.</i>

1032

01:14:36,138 --> 01:14:37,811

Edelstein, Max!

1033

01:14:37,890 --> 01:14:40,063

(SOLDIERS CONTINUE
SHOUTING NAMES)

1034

01:14:56,867 --> 01:14:58,585

<i>Dismissed from roll call!</i>

1035

01:14:59,245 --> 01:15:00,246

<i>To work!</i>

1036

01:15:01,497 --> 01:15:03,966

The worst is over.

We are workers now.

1037

01:15:05,418 --> 01:15:07,591

(MAN SPEAKING GERMAN ON PA)

1038

01:15:36,449 --> 01:15:38,076

OFFICER:

<i>Don't feign fatigue!</i>

1039

01:15:41,245 --> 01:15:43,213

(PEOPLE SCREAMING)

1040

01:15:43,539 --> 01:15:46,964

Oh, God, Amon.

1041

01:15:48,836 --> 01:15:50,509

(OFFICER SHOUTING
INDISTINCTLY)

1042

01:15:51,547 --> 01:15:53,970

MAN ON LOUDSPEAKER: *<i>Report back
to the barracks immediately!</i>*

1043

01:16:11,067 --> 01:16:12,319

(GUNSHOT)

1044

01:16:13,903 --> 01:16:15,576

(MAN SHOUTING IN GERMAN)

1045

01:16:16,822 --> 01:16:18,290

(RELOADING RIFLE)

1046

01:16:20,993 --> 01:16:23,291

(WOMAN SHRIEKING)

1047

01:16:23,746 --> 01:16:25,999

(OFFICER SHOUTING IN GERMAN)

1048

01:16:34,507 --> 01:16:36,760

(BONES CRACK)

1049

01:16:38,344 --> 01:16:41,188

OFFICER: <i>You come here! Come on!</i>

1050

01:16:41,347 --> 01:16:42,815

<i>Come on! Come on!</i>

1051

01:16:46,685 --> 01:16:49,905

Amon, you're such

a damned fucking child!

1052

01:16:49,980 --> 01:16:52,074

Wakey, wakey.

1053

01:16:55,986 --> 01:16:57,112

(SIGHS)

1054

01:17:01,742 --> 01:17:03,289

WOMAN: Make coffee.

1055

01:17:03,410 --> 01:17:04,957

Make it yourself.

1056

01:17:20,761 --> 01:17:23,230

MAN: *<i>The SS will manage
certain industries itself</i>*

1057

01:17:23,305 --> 01:17:25,148

<i>inside Plaszow.</i>

1058

01:17:25,224 --> 01:17:27,647

<i>A metalworks, brush factory,</i>

1059

01:17:27,726 --> 01:17:29,899

*<i>another for reprocessing
Jewish clothing</i>*

1060

01:17:29,979 --> 01:17:33,779

*<i>from the ghettos for use by
bombed-out families back home.</i>*

1061

01:17:33,858 --> 01:17:37,408

<i>But it's private industry like

yours that stands to benefit most</i>

1062

01:17:37,486 --> 01:17:39,614

<i>by moving inside the wire of
Commandant Amon Goeth's camp...</i>

1063

01:17:39,697 --> 01:17:42,325

No, no, no. Sit,
sit. Julian, how are you?

1064

01:17:42,408 --> 01:17:43,830

Good to see you, my friend.

1065

01:17:43,909 --> 01:17:45,911

Oskar Schindler.

Leo John.

1066

01:17:46,453 --> 01:17:47,454

(WHISPERS)

1067

01:17:49,498 --> 01:17:50,715

(CHUCKLES)

1068

01:17:51,125 --> 01:17:52,251

Franz, good to see you.

1069

01:17:52,376 --> 01:17:53,502

Hello, Oskar.

Glad you could join us.

1070

01:17:53,586 --> 01:17:55,133

My pleasure. Julius.

1071

01:17:55,254 --> 01:17:56,847

How are you?

You lost weight.

1072

01:17:56,922 --> 01:17:59,926

Only in the shoulders.

Please, everybody, sit down.

1073

01:18:01,385 --> 01:18:04,013

How are you doing?

Oskar Schindler.

1074

01:18:05,723 --> 01:18:07,270

We started without you.

1075

01:18:07,391 --> 01:18:08,938

Fine. I miss anything good?

1076

01:18:09,768 --> 01:18:12,191

I was explaining to *Herr* Bosch
and *Herr* Madritsch

1077

01:18:12,271 --> 01:18:15,366

some of the benefits of moving
their factories into Plaszow.

1078

01:18:15,441 --> 01:18:17,284

I meant the food.

(CHUCKLES)

1079

01:18:20,279 --> 01:18:22,202

Since your labor
is housed on-site,

1080

01:18:22,323 --> 01:18:24,291

it's available to
you at all times.

1081

01:18:24,366 --> 01:18:27,040

You can work them
all night if you want.

1082

01:18:27,119 --> 01:18:29,338

Your factory policies,
whatever they've

1083

01:18:29,455 --> 01:18:31,708

been in the past,
they'll continue to be.

1084

01:18:31,790 --> 01:18:33,463

They'll be respected.

1085

01:18:34,001 --> 01:18:35,844

I have to know,
where do you get a suit

1086

01:18:35,961 --> 01:18:37,804

like that?

What is that? Is that silk?

1087

01:18:38,088 --> 01:18:39,305

Of course.

1088

01:18:40,466 --> 01:18:41,467

<i>Ja.</i>

1089

01:18:42,259 --> 01:18:44,478

It has a nice sheen about it.

1090

01:18:44,553 --> 01:18:45,554

Thank you.

1091

01:18:45,679 --> 01:18:46,726

Very nice.

1092

01:18:46,805 --> 01:18:50,150

I'd say I'd get you one, but the
man who made it is probably dead.

1093

01:18:50,226 --> 01:18:51,978

I don't know.

1094

01:18:53,145 --> 01:18:55,239

SCHINDLER:

I go to work the other day.

1095

01:18:56,649 --> 01:18:58,651

Nobody's there.

1096

01:18:58,734 --> 01:19:02,364

Nobody tells me about this. I have to find out.

I have to go in.

1097

01:19:03,739 --> 01:19:05,161

Everybody's gone.

1098

01:19:06,116 --> 01:19:07,834

No. (SIGHS)

1099

01:19:09,119 --> 01:19:10,245

No.

1100

01:19:14,041 --> 01:19:16,510

They're not gone.

They're here.

1101

01:19:16,585 --> 01:19:21,933

They're mine! Every day that
goes by, I'm losing money.

1102

01:19:22,007 --> 01:19:23,680

Every worker that is
shot costs me money.

1103

01:19:23,759 --> 01:19:25,386

I have to find somebody else.
I have to train them.

1104

01:19:25,469 --> 01:19:26,989

We are going to be
making so much money

1105

01:19:27,054 --> 01:19:28,522

that none of this
is going to matter.

1106

01:19:28,597 --> 01:19:30,725

It's bad business.

1107

01:19:33,269 --> 01:19:34,270

(SNIFFS)

1108

01:19:43,570 --> 01:19:45,038

Thank you.

1109

01:19:45,489 --> 01:19:46,991

Leave the bottle.

1110

01:19:48,909 --> 01:19:50,502

Take that.

1111

01:19:51,537 --> 01:19:54,381

Lena, thank you.

1112

01:20:04,216 --> 01:20:07,220

Scherner told me

something else about you.

1113

01:20:09,513 --> 01:20:11,766

Yeah? What's that?

1114

01:20:11,849 --> 01:20:16,400

That you know the meaning
of the word "gratitude."

1115

01:20:17,354 --> 01:20:20,233

That it's not some
vague thing with you

1116

01:20:20,316 --> 01:20:22,819

like it is with others.

1117

01:20:24,069 --> 01:20:26,413

You want to stay where you are.

1118

01:20:27,323 --> 01:20:29,746

You've got things
going on the side.

1119

01:20:30,617 --> 01:20:32,585

Things are good.

1120

01:20:32,661 --> 01:20:36,086

You don't want anybody
telling you what to do.

1121

01:20:37,124 --> 01:20:41,379

I can understand all that, you know.
I know you.

1122

01:20:43,672 --> 01:20:48,678

What you want is
your own sub-camp.

1123

01:20:54,475 --> 01:20:57,695

Do you have any idea what is involved?
The paperwork alone,

1124

01:20:57,770 --> 01:20:59,238

and then you've got to
build the fucking thing.

1125

01:20:59,313 --> 01:21:01,987

Getting the fucking permits is
enough to drive you crazy.

1126

01:21:02,066 --> 01:21:03,192

Then the engineers show up,

1127

01:21:03,275 --> 01:21:06,028

they stand around, they argue
about drainage, foundations,

1128

01:21:06,111 --> 01:21:07,829

codes, exact specifications,

1129

01:21:07,905 --> 01:21:09,703

parallel fences

four kilometers long,

1130

01:21:09,823 --> 01:21:12,246

1,200 kilograms of
barbed wire, (CHUCKLING)

1131

01:21:12,326 --> 01:21:15,045

6,000 kilograms of electrified
fences, ceramic insulators,

1132

01:21:15,120 --> 01:21:16,880

three cubic meters of
air space per prisoner.

1133

01:21:16,955 --> 01:21:19,049

I'm telling you, you want to shoot somebody.
I've been through it,

1134

01:21:19,124 --> 01:21:20,717

you know? I know.

1135

01:21:20,793 --> 01:21:23,546

Well, you know. You've
been through it. (SPITS)

1136

01:21:26,799 --> 01:21:29,643

You could make
things easier for me.

1137

01:21:32,721 --> 01:21:34,644

I'd be grateful.

1138

01:21:38,852 --> 01:21:40,479

SOLDER: <i>Out of the way there!</i>

1139

01:21:49,154 --> 01:21:50,121

(DOGS BARKING)

1140

01:21:50,197 --> 01:21:52,040

SOLDIER: <i>Keep moving! Keep moving!</i>

1141

01:21:52,116 --> 01:21:53,914

(SOLDIER SPEAKING IN POLISH)

1142

01:21:54,827 --> 01:21:56,579

(WHISTLE BLOWING)

1143

01:22:10,175 --> 01:22:12,143

Where's Stern?

1144

01:22:15,681 --> 01:22:19,902

Goldberg and Chilowicz,

make sure I see my cut

1145

01:22:19,977 --> 01:22:23,356

from the factory

owners in this camp.

1146

01:22:23,439 --> 01:22:26,864

Leaving you to take

care of my main account,

1147

01:22:26,942 --> 01:22:29,491

the Schindler account.

1148

01:22:30,362 --> 01:22:34,492

He wants his independence.

I gave it to him.

1149

01:22:34,575 --> 01:22:36,498

But independence costs money.

1150

01:22:37,536 --> 01:22:39,789

This, you understand?

1151

01:22:44,501 --> 01:22:45,718

Look at me.

1152

01:22:57,598 --> 01:23:00,568

Don't forget who you
are working for now.

1153

01:23:05,939 --> 01:23:07,407

(WOMAN SHRIEKING)

1154

01:23:07,483 --> 01:23:08,985

(ACCORDION MUSIC PLAYING)

1155

01:23:09,485 --> 01:23:10,486

MAN: *Yes, sir!*

1156

01:23:10,903 --> 01:23:13,873

SCHINDLER: Make sure he stays.
He's a slippery bastard!

1157

01:23:21,330 --> 01:23:22,502

We need more wine.

1158

01:23:22,623 --> 01:23:23,795

More wine!

1159

01:23:23,874 --> 01:23:26,423

Stand on my friend.

Don't let him leave.

1160

01:23:31,798 --> 01:23:34,142

(GUESTS CHATTERING
AND LAUGHING)

1161

01:23:37,137 --> 01:23:39,014

(GUESTS SINGING IN GERMAN)

1162

01:23:41,600 --> 01:23:43,147

(TOASTING IN GERMAN)

1163

01:23:43,227 --> 01:23:45,275

<i>What happens in a life</i>

1164

01:23:45,604 --> 01:23:46,605

<i>Cheers! Cheers!</i>

1165

01:23:49,983 --> 01:23:51,280

Thank you, <i>Mr. Director.</i>

1166

01:23:51,401 --> 01:23:52,653

<i>Cheers, Mr. Director!</i>

1167

01:23:57,908 --> 01:23:59,626

What are you doing?

1168

01:23:59,785 --> 01:24:01,537

What? Scratching my head.

1169

01:24:01,620 --> 01:24:04,840

Makes them think we have lice. Helps
make them keep their distance.

1170

01:24:06,291 --> 01:24:07,292

Do you have lice?

1171

01:24:07,459 --> 01:24:08,499

Do you have your notebook?

1172

01:24:08,544 --> 01:24:10,421

The calendar on my
desk has the birthdays

1173

01:24:10,546 --> 01:24:12,389

of our SS friends'
wives and children.

1174

01:24:12,464 --> 01:24:13,886

Don't forget to send something.

1175

01:24:14,967 --> 01:24:16,435

Record payoffs to
the Main Administration

1176

01:24:16,552 --> 01:24:18,020

and Economics Office,
the Arm...

1177

01:24:18,095 --> 01:24:19,813

Slowly, Stern, slowly.

1178

01:24:19,888 --> 01:24:22,892

The Armaments Board, Governor
General's Division of the Interior

1179

01:24:22,975 --> 01:24:25,398

and Chief of Police as "fees."

1180

01:24:25,477 --> 01:24:27,650

And make them on
the first of each month,

1181

01:24:27,729 --> 01:24:30,232

as opposed to individual
payoffs to our SS contacts.

1182

01:24:30,315 --> 01:24:32,238

The list is in the lower drawer
of my desk, which you...

1183

01:24:32,317 --> 01:24:34,319

"First of month..."

1184

01:24:35,571 --> 01:24:37,949

SS contacts list, lower drawer
of my desk, which you handle

1185

01:24:38,031 --> 01:24:40,284

as cash contributions
to legitimate charities

1186

01:24:40,409 --> 01:24:42,628

sent, of course,
to each official's office.

1187

01:24:42,703 --> 01:24:45,001

Dealings with our
black market contacts

1188

01:24:45,122 --> 01:24:47,420

listed as suppliers in
the legitimate ledger

1189

01:24:47,499 --> 01:24:49,342

are more complicated.

Forget it.

1190

01:24:49,418 --> 01:24:51,261

What do you mean, forget it?

You can't forget it.

1191

01:24:51,336 --> 01:24:53,430

It gives me a headache.

It gives me a headache!

1192

01:24:54,339 --> 01:24:56,057

(DOGS BARKING)

1193

01:24:56,800 --> 01:24:57,801

(SIGHS)

1194

01:25:00,512 --> 01:25:02,059

I couldn't get you out of here.

1195

01:25:02,180 --> 01:25:03,773

I'll be all right.

1196

01:25:03,849 --> 01:25:08,605

Anyway, I'm here almost every week.

Wednesdays, usually.

1197

01:25:08,687 --> 01:25:11,406

I'll look in on you,

see how you're doing.

1198

01:25:13,692 --> 01:25:17,287

Here, put these in your pocket.

1199

01:25:17,362 --> 01:25:19,114

Come on.

1200

01:25:23,619 --> 01:25:25,371

<i>Herr Direktor,</i>

don't let things fall apart.

1201

01:25:25,454 --> 01:25:27,206

I've worked too hard.

1202

01:25:36,214 --> 01:25:39,844

Thanks for... Good luck.

1203

01:26:01,823 --> 01:26:03,871

<i>Attention, hats off!</i>

1204

01:26:14,753 --> 01:26:16,300

Work!

<i>To work!</i>

1205

01:26:31,645 --> 01:26:33,363

What are you making?

1206

01:26:33,438 --> 01:26:34,860

Hinges, sir.

1207

01:26:38,360 --> 01:26:40,283

I've got some

workers coming in tomorrow.

1208

01:26:40,362 --> 01:26:42,080

Where the hell they from again?

1209

01:26:42,155 --> 01:26:44,249

Yugoslavia, <i>Mr. Commandant.</i>

1210

01:26:44,324 --> 01:26:46,452

I've got to make room.

1211

01:26:49,121 --> 01:26:50,589

Make me a hinge.

1212

01:26:50,706 --> 01:26:52,208

Yes, sir.

1213

01:26:57,587 --> 01:26:59,715

(GUARDS MUTTERING)

1214

01:27:24,531 --> 01:27:26,454

Keep going, you're doing well.

1215

01:27:35,959 --> 01:27:37,882

Oh, that's very good.

1216

01:27:38,754 --> 01:27:42,475

But I'm a bit confused,
and perhaps you can help me.

1217

01:27:42,549 --> 01:27:46,270

What I don't understand
is that you've been working

1218

01:27:46,344 --> 01:27:50,190

since I think, what,
about 6:00 this morning?

1219

01:27:51,391 --> 01:27:55,612

Yet, such a small pile
of hinges.

1220

01:28:03,069 --> 01:28:04,446

(TRAIN WHISTLE BLOWS)

1221

01:28:14,539 --> 01:28:15,540

(GUN CLICKS)

1222

01:28:25,050 --> 01:28:26,802

(GUN CLICKS) Oh, Christ.

1223

01:28:26,885 --> 01:28:27,977

May I try that, sir?

1224

01:28:28,053 --> 01:28:30,306

Check the angle lever.

Maybe it's bent.

1225

01:28:30,388 --> 01:28:33,517

No, no. You wouldn't hear a click

if it was the angle lever.

1226

01:28:33,600 --> 01:28:35,853

Maybe it's the pin.

Maybe the pin shaft is greasy.

1227

01:28:35,936 --> 01:28:37,062

Ja, come on.

1228

01:28:37,187 --> 01:28:38,313

What did I just say? Here.

1229

01:28:40,649 --> 01:28:41,650

(GUN CLICKS)

1230

01:28:42,317 --> 01:28:43,739

<i>Mr. Commandant.</i>

1231

01:28:43,819 --> 01:28:49,576

I beg to report that my heap of
hinges was so unsatisfactory

1232

01:28:49,658 --> 01:28:53,253

because the machines were being
recalibrated this morning.

1233

01:28:53,328 --> 01:28:54,329

(GUN CLICKS)

1234

01:28:55,372 --> 01:28:58,251

I was put on to shoveling coal.

1235

01:28:59,125 --> 01:29:02,925

(GUN CLICKING)

1236

01:29:07,342 --> 01:29:08,343

(GRUNTS)

1237

01:29:09,761 --> 01:29:10,762

(YELLS)

1238

01:29:10,846 --> 01:29:11,847

(SOBBING)

1239

01:29:22,190 --> 01:29:23,737

Strange, huh?

1240

01:29:24,609 --> 01:29:25,701

Yeah.

1241

01:29:30,949 --> 01:29:32,542

Thank you, Muek.

1242

01:29:34,452 --> 01:29:38,082

Ah, Lisiek. Don't touch the
leather, it's just been oiled.

1243

01:29:38,164 --> 01:29:39,791

<i>Squad Leader.</i>

Oh, for me?

1244

01:29:39,875 --> 01:29:41,502

Oh, thank you very much,

<i>Mr. Director.</i>

1245

01:29:41,585 --> 01:29:42,962

STERN: *<i>Mr. Director!</i>*

1246

01:29:44,170 --> 01:29:45,797

<i>Mr. Director!</i>

1247

01:29:48,967 --> 01:29:50,435

<i>Mr. Director.</i>

1248

01:29:53,305 --> 01:29:54,727

He was making hinges slowly.

1249

01:29:54,806 --> 01:29:56,729

So the man can

turn out a hinge in

1250

01:29:56,850 --> 01:29:58,818

less than a minute.

Why the long story?

1251

01:29:59,144 --> 01:30:00,145

Hmm?

1252

01:30:26,630 --> 01:30:28,598

(MACHINES WHIRRING)

1253

01:30:28,673 --> 01:30:30,050

Thank you, sir.

1254

01:30:30,175 --> 01:30:31,552

You're welcome.

1255

01:30:35,138 --> 01:30:37,937

Nobody knows who

stole the chicken, hmm?

1256

01:30:38,016 --> 01:30:39,108

Tell him about the chicken.

1257

01:30:39,184 --> 01:30:42,688

A man walks around with a chicken
and nobody notices this.

1258

01:30:43,772 --> 01:30:45,365

Save yourselves.

1259

01:30:46,566 --> 01:30:48,364

Tell him about the chicken.

1260

01:31:04,459 --> 01:31:06,553

Still nobody knows.

1261

01:31:09,923 --> 01:31:11,140

(SOBBING)

1262

01:31:18,223 --> 01:31:21,978

It was you.

You committed this crime.

1263

01:31:22,060 --> 01:31:23,186

No, sir.

1264

01:31:23,311 --> 01:31:24,437

But you know who, though.

1265

01:31:24,521 --> 01:31:26,364

Yes.

Who?

1266

01:31:28,066 --> 01:31:30,034

Him!

1267

01:31:33,947 --> 01:31:35,790

He's very gifted.

1268

01:31:35,907 --> 01:31:37,750

Yeah, sure.

Bring him over.

1269

01:31:40,412 --> 01:31:44,167

Sir. Thank you.

1270

01:31:50,130 --> 01:31:51,507

Thank you again, *<i>Herr Direktor</i>*.

1271

01:31:51,631 --> 01:31:53,008

You're welcome again.

1272

01:31:53,091 --> 01:31:55,594

It's an honor to work
for such a great company.

1273

01:31:55,677 --> 01:31:56,678

It's great to have you.

1274

01:31:56,761 --> 01:31:59,765

I promise to learn everything there is
to know about enamelware production.

1275

01:31:59,848 --> 01:32:01,065

That's great.

1276

01:32:13,570 --> 01:32:17,416

Hello? Miss Elsa Krause is here.

I only need five minutes.

1277

01:32:17,490 --> 01:32:19,993

She wants to speak
to the *Herr Direktor.*

1278

01:32:40,805 --> 01:32:42,148

Yes.

1279

01:32:46,603 --> 01:32:48,731

He won't see you.

1280

01:33:19,344 --> 01:33:21,392

Please, sit down.

1281

01:33:24,766 --> 01:33:26,109

Pernod? Cognac?

1282

01:33:26,226 --> 01:33:27,603

No. No, thank you.

1283

01:33:28,853 --> 01:33:31,527

So, what can I do for you?

1284

01:33:36,736 --> 01:33:39,285

They say that no one dies here.

1285

01:33:39,364 --> 01:33:41,492

They say your
factory is a haven.

1286

01:33:44,327 --> 01:33:46,455

They say you are good.

1287

01:33:49,582 --> 01:33:50,799

Who says that?

1288

01:33:51,876 --> 01:33:53,378

Everyone.

1289

01:34:00,468 --> 01:34:03,062

My name is Regina Perlman,
not Elsa Krause.

1290

01:34:03,138 --> 01:34:06,563

I've been living in Krakow on false
papers since the ghetto massacre.

1291

01:34:06,641 --> 01:34:08,609

My parents are in Plaszow.

1292

01:34:08,685 --> 01:34:12,986

Their names are

Chana and Jakob Perlman.

1293

01:34:13,064 --> 01:34:16,694

They are older people. They are
killing older people now in Plaszow.

1294

01:34:16,776 --> 01:34:20,076

They bury them up
in the forest. Look,

1295

01:34:21,197 --> 01:34:23,791

I don't have any money.

1296

01:34:23,867 --> 01:34:26,791

I borrowed these clothes.

1297

01:34:29,747 --> 01:34:32,751

I'm begging you. Please.

1298

01:34:33,918 --> 01:34:35,465

Please bring them here.

1299

01:34:35,545 --> 01:34:38,139

I don't do that.

1300

01:34:38,214 --> 01:34:41,935

You've been misled.

I ask one thing.

1301

01:34:42,010 --> 01:34:43,853

Whether or not the worker

has certain skills.

1302

01:34:43,928 --> 01:34:45,396

That's what I ask

and that's what I care about.

1303

01:34:45,471 --> 01:34:47,894

My father is an importer,
not a metalworker.

1304

01:34:47,974 --> 01:34:51,444

Such activities are illegal. You will
not entrap me! (CONTINUES ARGUING)

1305

01:34:53,062 --> 01:34:57,112

Cry, and I will have you arrested.
I swear to God!

1306

01:34:57,192 --> 01:34:58,444

(SOBBING)

1307

01:35:06,326 --> 01:35:09,205

People die.
It's a fact of life.

1308

01:35:09,287 --> 01:35:11,039

He wants to kill everybody?
Great!

1309

01:35:11,164 --> 01:35:12,962

What am I

supposed to do about it?

1310

01:35:13,041 --> 01:35:15,794

Bring everybody over?

Is that what you think?

1311

01:35:15,877 --> 01:35:18,721

Send them over to Schindler.

Send them all!

1312

01:35:18,796 --> 01:35:22,676

His place is a haven, didn't you know?

It's not a factory.

1313

01:35:22,759 --> 01:35:24,853

It's not an enterprise

of any kind.

1314

01:35:24,928 --> 01:35:27,772

It's a haven for

rabbis and orphans

1315

01:35:27,847 --> 01:35:30,976

and people with no
skills whatsoever!

1316

01:35:31,184 --> 01:35:32,185

(SIGHS)

1317

01:35:33,645 --> 01:35:35,989

You think I don't
know what you're doing?

1318

01:35:36,064 --> 01:35:39,534

You're so quiet all the time.
I know, I know!

1319

01:35:39,609 --> 01:35:40,781

Are you losing money?

1320

01:35:40,902 --> 01:35:42,074

That's not the point!

1321

01:35:42,153 --> 01:35:44,121

So the point is?

1322

01:35:44,239 --> 01:35:46,207

It's dangerous!

It's dangerous to me!

1323

01:35:50,536 --> 01:35:54,006

You have to understand. Goeth
is under enormous pressure.

1324

01:35:54,082 --> 01:35:56,710

You have to think of
it in his situation.

1325

01:35:58,127 --> 01:36:00,346

He's got this
whole place to run.

1326

01:36:00,421 --> 01:36:03,265

He's responsible for everything
here, all these people.

1327

01:36:03,341 --> 01:36:05,435

He's got a lot of
things to worry about.

1328

01:36:06,886 --> 01:36:10,686

And he's got the war which
brings out the worst in people.

1329

01:36:10,765 --> 01:36:14,645

Never the good, always the bad.
Always the bad.

1330

01:36:16,354 --> 01:36:21,281

But in normal circumstances he wouldn't
be like this. He'd be all right.

1331

01:36:21,359 --> 01:36:24,408

There'd just be the good
aspects of him, which...

1332

01:36:24,487 --> 01:36:25,488

(CHUCKLES)

1333

01:36:25,613 --> 01:36:28,332

He's a wonderful crook.

1334

01:36:28,408 --> 01:36:32,709

A man who loves good food, good
wine, the ladies, making money...

1335

01:36:32,787 --> 01:36:34,289

Killing.

1336

01:36:35,415 --> 01:36:37,133

He can't enjoy it.

1337

01:36:38,251 --> 01:36:41,630

Bejski told me the other day,
somebody escaped

1338

01:36:41,713 --> 01:36:43,966

from a work detail
outside the wire.

1339

01:36:44,549 --> 01:36:48,144

<i>Goeth lined up everybody from
the missing man's barracks.</i>

1340

01:36:48,219 --> 01:36:51,974

<i>He shot the man to the left of
Bejski, the man to the right of him.</i>

1341

01:36:52,056 --> 01:36:55,230

<i>He walked down the line shooting
every other man with a pistol.</i>

1342

01:37:01,316 --> 01:37:02,568

Twenty-five.

1343

01:37:07,739 --> 01:37:09,100

What do you want
me to do about it?

1344

01:37:09,240 --> 01:37:10,617

Nothing, nothing.

1345

01:37:11,492 --> 01:37:13,711

We're just talking.

1346

01:37:25,923 --> 01:37:27,220

"Perlman."

1347

01:37:29,260 --> 01:37:30,933

Perlman!

1348

01:37:32,096 --> 01:37:33,769

Husband and wife.

1349

01:37:34,057 --> 01:37:37,652

Jakob and Chana Perlman!

1350

01:37:50,782 --> 01:37:52,876

Have Goldberg bring them over.

1351

01:37:55,953 --> 01:37:57,705

SOLDIER: *<i>Hats off!</i>*

1352

01:37:59,999 --> 01:38:01,967

<i>Dismissed from roll call!</i>

1353

01:38:36,869 --> 01:38:39,167

(GUESTS SINGING DRUNKENLY
IN GERMAN)

1354

01:38:49,507 --> 01:38:52,852

I'm sure this will be better
than those rags, Lisiek.

1355

01:38:54,095 --> 01:38:57,440

<i>Mr. Director,</i> I was just helping
Lisiek to find something

1356

01:38:57,515 --> 01:39:00,268

to clean the stains from the
<i>Mr. Commandant's</i> bathtub.

1357

01:39:00,351 --> 01:39:01,694

Go clean it.

1358

01:39:01,853 --> 01:39:03,196

Pardon me, <i>Mr. Director.</i>

1359

01:39:04,981 --> 01:39:06,779

(SCHINDLER CHUCKLES)

1360

01:39:07,525 --> 01:39:10,699

You don't have to
report to me, Helen.

1361

01:39:10,778 --> 01:39:13,452

You know who I am? Hmm?

1362

01:39:21,581 --> 01:39:23,083

(WHISPERING) I'm Schindler.

1363

01:39:25,293 --> 01:39:27,671

Of course.

I have heard, and

1364

01:39:28,921 --> 01:39:31,549

you have been here before.

1365

01:39:33,843 --> 01:39:36,392

Here, why don't you
keep this someplace?

1366

01:39:36,762 --> 01:39:38,389

Go on, take it.

1367

01:39:38,514 --> 01:39:40,107

I get extra food here.

1368

01:39:40,183 --> 01:39:44,689

Well, if you don't want to eat it, trade it.

Or give it to Lisiek.

1369

01:39:47,565 --> 01:39:49,784

Why not build yourself up?

1370

01:39:54,405 --> 01:39:58,455

My first day here, he beat me

1371

01:39:58,534 --> 01:40:02,334

because I threw out
the bones from dinner.

1372

01:40:05,625 --> 01:40:10,176

He came down to the basement
at midnight, and he...

1373

01:40:10,254 --> 01:40:12,757

He asked me where they were.

1374

01:40:15,593 --> 01:40:19,223

For his dogs, you understand.

1375

01:40:22,308 --> 01:40:26,233

I said to him,

I don't know how I say this.

1376

01:40:26,312 --> 01:40:30,067

I never could say it now,

I said to him,

1377

01:40:30,149 --> 01:40:32,402

"Why are you beating me?"

1378

01:40:35,988 --> 01:40:39,583

He said, "The reason

I beat you now

1379

01:40:39,659 --> 01:40:43,289

is because you
ask why I beat you."

1380

01:40:45,331 --> 01:40:47,333

I know your sufferings, Helen.

1381

01:40:50,753 --> 01:40:52,255

It doesn't matter.

1382

01:40:54,882 --> 01:40:56,976

I have accepted them.

1383

01:40:58,094 --> 01:40:59,596

Accepted them?

1384

01:41:01,889 --> 01:41:03,732

One day he will shoot me.

1385

01:41:03,808 --> 01:41:06,687

No, no, no, he won't shoot you.

1386

01:41:06,769 --> 01:41:09,522

I know. I see things.

1387

01:41:10,690 --> 01:41:13,739

We were on the roof on Monday,
young Lisiek and I,

1388

01:41:13,818 --> 01:41:17,322

and we saw the *Mr. Commandant*
come out of the from door

1389

01:41:17,405 --> 01:41:23,253

and down the steps by the
patio, right there below us,

1390

01:41:23,327 --> 01:41:28,083

and there on the steps
he drew his gun and he

1391

01:41:28,165 --> 01:41:31,009

shot a woman who
was passing by.

1392

01:41:32,378 --> 01:41:35,632

A woman carrying a bundle.

Through the throat.

1393

01:41:35,715 --> 01:41:39,390

Just a woman on her way

somewhere, you know?

1394

01:41:39,468 --> 01:41:43,098

She was no fatter or thinner

1395

01:41:43,180 --> 01:41:45,774

or slower or faster

than anyone else,

1396

01:41:45,850 --> 01:41:50,026

and I couldn't

guess what had she done.

1397

01:41:54,525 --> 01:41:57,699

The more you see of

the *Mr. Commandant*,

1398

01:41:57,778 --> 01:42:03,376

the more you see there is no set
rules that you can live by.

1399

01:42:03,451 --> 01:42:08,173

You can't say to yourself, "If I
follow these rules, I will be safe."

1400

01:42:11,834 --> 01:42:15,839

He won't shoot you because
he enjoys you too much.

1401

01:42:16,464 --> 01:42:20,469

He enjoys you so much he won't
even let you wear the star.

1402

01:42:20,551 --> 01:42:22,144

He doesn't want
anyone else to know

1403

01:42:22,219 --> 01:42:24,938

it's a Jew he's enjoying.

1404

01:42:28,559 --> 01:42:31,187

He shot the woman
from the steps

1405

01:42:31,270 --> 01:42:34,991

because she meant
nothing to him.

1406

01:42:36,150 --> 01:42:37,823

She was one of a series,

1407

01:42:37,902 --> 01:42:40,576

neither offending
or pleasing him.

1408

01:42:44,533 --> 01:42:46,752

But you, Helen.

1409

01:42:51,123 --> 01:42:55,594

It's all right. It's not
that kind of a kiss.

1410

01:43:00,675 --> 01:43:01,676

(SOBBING)

1411

01:43:01,759 --> 01:43:03,011

Thank you.

1412

01:43:03,094 --> 01:43:04,095

Shh.

1413

01:43:08,641 --> 01:43:10,018

Here.

1414

01:43:16,107 --> 01:43:17,984

Right. The wine.

1415

01:43:25,616 --> 01:43:28,495

Wonderful party, Amon.

Thank you.

1416

01:43:29,995 --> 01:43:30,996

(GROANS)

1417

01:43:37,086 --> 01:43:40,056

Why do you drink
that motor oil?

1418

01:43:40,131 --> 01:43:43,305

Hmm? I send you good
stuff all the time.

1419

01:43:43,384 --> 01:43:47,184

Your liver's going to explode
like a hand grenade.

1420

01:43:47,263 --> 01:43:49,641

You know, I look at you.
(SNIFFS)

1421

01:43:50,182 --> 01:43:52,355

I watch you.

1422

01:43:53,936 --> 01:43:54,937

(SIGHS)

1423

01:43:55,020 --> 01:43:56,363

You're never drunk.

1424

01:43:56,939 --> 01:43:58,532

(SNIFFS) Oh, that's...

1425

01:44:00,443 --> 01:44:02,366

That's real control.

1426

01:44:03,571 --> 01:44:05,824

Control is power.

1427

01:44:06,782 --> 01:44:08,955

That's power.

1428

01:44:12,872 --> 01:44:15,466

SCHINDLER:

Is that why they fear us?

1429

01:44:18,252 --> 01:44:21,973

We have the fucking power to
kill, that's why they fear us.

1430

01:44:22,047 --> 01:44:25,847

They fear us because we have
the power to kill arbitrarily.

1431

01:44:25,926 --> 01:44:27,849

A man commits a crime,
he should know better.

1432

01:44:27,928 --> 01:44:30,852

We have him killed, and we
feel pretty good about it.

1433

01:44:30,931 --> 01:44:33,901

Or we kill him ourselves
and we feel even better.

1434

01:44:36,020 --> 01:44:37,943

That's not power, though.

1435

01:44:39,190 --> 01:44:42,444

That's justice.

It's different than power.

1436

01:44:46,197 --> 01:44:50,373

Power is when we have
every justification to kill,

1437

01:44:51,702 --> 01:44:52,874
and we don't.

1438

01:44:54,205 --> 01:44:55,878
You think that's power?

1439

01:44:58,876 --> 01:45:02,096
That's what the emperors had.
A man stole something,

1440

01:45:02,171 --> 01:45:03,673
he's brought in
before the emperor,

1441

01:45:03,756 --> 01:45:08,011
he throws himself down on the
ground, he begs for mercy.

1442

01:45:08,093 --> 01:45:10,471
He knows he's going to die.

1443

01:45:13,516 --> 01:45:16,986

And the emperor pardons him.

1444

01:45:18,312 --> 01:45:21,441

This worthless man.

He lets him go.

1445

01:45:25,110 --> 01:45:26,862

I think you are drunk.

1446

01:45:28,989 --> 01:45:30,707

That's power, Amon.

1447

01:45:32,076 --> 01:45:35,250

That is power.

1448

01:45:43,087 --> 01:45:45,931

Amon the Good.

1449

01:45:48,801 --> 01:45:52,101

I pardon you. (LAUGHS)

1450

01:45:59,228 --> 01:46:00,228

GOETH: *<i>What do they want?</i>*

1451

01:46:00,271 --> 01:46:03,821

STERN: *<i>I don't know, but they're in
my office now reviewing our books.</i>*

1452

01:46:03,899 --> 01:46:08,029

As my accountant, tell me, should
I be alarmed that the auditors

1453

01:46:08,112 --> 01:46:09,739

are reviewing my books?

Well...

1454

01:46:09,822 --> 01:46:11,290

Or have you done
your job properly?

1455

01:46:11,407 --> 01:46:12,829

You needn't be alarmed.

1456

01:46:12,908 --> 01:46:14,660

I needn't be alarmed.

1457

01:46:14,785 --> 01:46:15,911

(SHOUTS ANGRILY)

1458

01:46:18,539 --> 01:46:20,382

(GASPS) I'm sorry, sir.

1459

01:46:20,457 --> 01:46:22,551

Do you know how much
this saddle is worth?

1460

01:46:22,626 --> 01:46:24,628

Do you know how much it costs?

1461

01:46:29,884 --> 01:46:31,306

All right.

1462

01:46:31,385 --> 01:46:32,637

(PANTING)

1463

01:46:33,596 --> 01:46:34,973

All right.

1464

01:46:38,976 --> 01:46:41,149

Stern, what the hell are you
doing following me around?

1465

01:46:51,697 --> 01:46:54,166

MAN ON LOUDSPEAKER:

<i>Barracks one, eleven</i>

1466

01:46:54,241 --> 01:46:59,247

<i>fifteen and thirty-two report
to the roll call square.</i>

1467

01:47:01,874 --> 01:47:03,217

(WHISTLING)

1468

01:47:05,002 --> 01:47:06,379

(BOTH WHISTLING)

1469

01:47:20,601 --> 01:47:22,103

(CHILDREN CHATTERING)

1470

01:47:25,940 --> 01:47:27,362

(WHIMPERING)

1471

01:47:29,234 --> 01:47:30,827

She was smoking on the job.

1472

01:47:34,907 --> 01:47:36,750

Tell her not to do it again.

1473

01:47:36,825 --> 01:47:38,702

(SHOUTING)

1474

01:47:42,331 --> 01:47:44,049

(FOOTSTEPS APPROACHING)

1475

01:47:53,175 --> 01:47:54,722

I have to report, sir.

1476

01:47:56,762 --> 01:47:59,641

I've been unable to remove

the stains from your bathtub.

1477

01:48:04,395 --> 01:48:06,147

What are you using, Lisiek?

1478

01:48:06,271 --> 01:48:08,069

Soap, Commandant.

1479

01:48:10,317 --> 01:48:12,194

Soap? Not lye?

1480

01:48:22,246 --> 01:48:26,046

Go ahead, go on, leave.

Leave, I pardon you.

1481

01:48:48,022 --> 01:48:50,116

I pardon you.

1482

01:49:10,127 --> 01:49:11,128

(GUNSHOT)

1483

01:49:18,802 --> 01:49:19,803

(GUNSHOT)

1484

01:49:21,972 --> 01:49:22,973

(GUNSHOT)

1485

01:50:27,037 --> 01:50:28,664

(SIGHS)

1486

01:50:42,177 --> 01:50:45,807

WOMAN: *Although I am not a
rabbi, in these circumstances*

1487

01:50:45,889 --> 01:50:48,608

I pray to the Almighty
that he will forgive me

1488

01:50:48,684 --> 01:50:51,278

if I intone the blessings.

1489

01:50:51,687 --> 01:50:54,861

Blessed are you, Lord our God, King of the universe,

1490

01:50:54,940 --> 01:50:57,363

<i>who has sanctified us with His commandments and commanded us concerning forbidden relations;</i>

1491

01:50:57,901 --> 01:51:01,405

<i>and He forbade to us those who are betrothed, but permitted to us those who are married to us</i>

1492

01:51:01,572 --> 01:51:03,745

<i>through the canopy and sanctification.</i>

1493

01:51:05,242 --> 01:51:11,124

WOMAN SINGER IN CLUB:

<i>Love so beautifully explains</i>

1494

01:51:11,415 --> 01:51:16,797

<i>Betrayal and lies and sin</i>

1495

01:51:19,006 --> 01:51:24,433

<i>Though you would curse it in despair"</i>

1496

01:51:25,387 --> 01:51:30,393

<i>That it is cruel and evil</i>

1497

01:51:31,268 --> 01:51:36,650

<i>Love will forgive you everything</i>

1498

01:51:38,609 --> 01:51:43,786

<i>Because love, my dear, is me</i>

1499

01:51:44,114 --> 01:51:45,832

So...

1500

01:51:47,409 --> 01:51:50,504

This is where you

come to hide from me.

1501

01:51:51,371 --> 01:51:53,169

I came to tell you

1502

01:51:54,875 --> 01:51:58,254

that you really

are a wonderful cook

1503

01:51:58,337 --> 01:52:01,557

and a well-trained servant.

1504

01:52:01,632 --> 01:52:06,103

I mean it, if you need
a reference after the war,

1505

01:52:06,178 --> 01:52:10,604

I'd be happy to give you one.

1506

01:52:11,892 --> 01:52:13,565

It must get lonely down here

1507

01:52:13,644 --> 01:52:18,070

when you're listening to everyone
upstairs having such a good time.

1508

01:52:25,072 --> 01:52:26,324

Does it?

1509

01:52:29,243 --> 01:52:31,166

You can answer.

1510

01:52:33,497 --> 01:52:37,127

But what's the right answer?

That's what you're thinking.

1511

01:52:37,960 --> 01:52:40,839

What does he want to hear?

1512

01:52:46,218 --> 01:52:50,223

The truth, Helen,

is always the right answer.

1513

01:52:53,141 --> 01:52:55,610

Yes, you're right.

1514

01:52:55,686 --> 01:52:57,529

Sometimes we're both lonely.

1515

01:52:59,356 --> 01:53:01,279

Yes. I...

1516

01:53:02,234 --> 01:53:03,281

(SIGHS)

1517

01:53:03,360 --> 01:53:04,703

I mean,

1518

01:53:12,452 --> 01:53:14,420

I would like so much to

1519

01:53:16,248 --> 01:53:19,718

reach out and touch

you in your loneliness.

1520

01:53:20,919 --> 01:53:24,093

What would that be like,

I wonder? I mean...

1521

01:53:25,257 --> 01:53:28,056

What would be wrong with that?

1522

01:53:28,135 --> 01:53:31,856

I realize that

you're not a person in

1523

01:53:31,930 --> 01:53:34,774

the strictest sense

of the word, but...

1524

01:53:34,850 --> 01:53:35,851

(SIGHS)

1525

01:53:36,435 --> 01:53:38,358

No, maybe you're right

about that too, you know,

1526

01:53:38,437 --> 01:53:42,032

maybe what's wrong isn't...

1527

01:53:43,317 --> 01:53:44,819

It's not us.

1528

01:53:46,069 --> 01:53:48,322

It's... No, it's this.

1529

01:53:50,949 --> 01:53:53,668

I mean,

when they compare you to

1530

01:53:55,412 --> 01:53:58,586

vermin, and to rodents,
and to lice...

1531

01:54:02,044 --> 01:54:03,296

I just...

1532

01:54:07,049 --> 01:54:09,973

No, you make a good point.

1533

01:54:10,052 --> 01:54:12,555

You make a very good point.

1534

01:54:20,937 --> 01:54:23,406

Is this the face of a rat?

1535

01:54:26,443 --> 01:54:29,117

Are these the eyes of a rat?

1536

01:54:32,074 --> 01:54:34,623

Hath not a Jew eyes?

1537

01:54:35,285 --> 01:54:39,631

<i>Ci wszystko wybacz</i>

1538

01:54:40,665 --> 01:54:46,047

<i>Bo milosc moj mily</i>

1539

01:54:50,425 --> 01:54:53,895

I feel for you, Helen.

1540

01:54:58,225 --> 01:55:00,774

<i>To ja</i>

1541

01:55:09,486 --> 01:55:11,079

(PANTING)

1542

01:55:11,154 --> 01:55:13,156

No, I don't think so.

1543

01:55:15,575 --> 01:55:17,623

You're a Jewish bitch.

1544

01:55:19,830 --> 01:55:22,959

You nearly talked me
into it, didn't you?

1545

01:55:23,041 --> 01:55:24,213

Didn't you?

1546

01:55:29,548 --> 01:55:30,674

Bravo.

1547

01:55:32,008 --> 01:55:33,009

(GRUNTS)

1548

01:55:36,054 --> 01:55:37,806

(MURMURING HAPPILY)

1549

01:55:38,223 --> 01:55:39,224

(GRUNTS)

1550

01:55:42,686 --> 01:55:45,030

(YELLS)

1551

01:55:45,939 --> 01:55:47,031

(VIOLIN MUSIC PLAYING)

1552

01:55:47,107 --> 01:55:51,203

GUESTS: <i>Hurrah!

Hurrah! Hurrah!</i>

1553

01:55:53,864 --> 01:55:55,241

Bravo!

MAN: Bravo!

1554

01:55:56,658 --> 01:55:59,662

GUESTS: <i>Hurrah!

Hurrah! Hurrah!</i>

1555

01:55:59,786 --> 01:56:01,254

(LAUGHING)

1556

01:56:04,541 --> 01:56:06,259

(MUSIC AND TALKING STOPS)

1557

01:56:06,334 --> 01:56:08,837

On behalf of the workers, sir,

1558

01:56:08,920 --> 01:56:12,345

I wish for you

a happy birthday.

1559

01:56:12,716 --> 01:56:14,309

Happy birthday

1560

01:56:14,384 --> 01:56:16,057

Well, the staff, please.

1561

01:56:16,178 --> 01:56:19,853

Thank you very much for the lovely cake.

(OFFICER CLEARS THROAT)

1562

01:56:38,575 --> 01:56:42,000

Thank you very much.

Tell them thank you from me.

1563

01:56:50,170 --> 01:56:53,595

<i>This is the last Sunday</i>

1564

01:56:54,132 --> 01:56:57,227

<i>Today we will part</i>

1565

01:56:58,303 --> 01:57:02,900

The trains arrived and the people
were driven out with clubs.

1566

01:57:02,974 --> 01:57:06,979

They were lined up in front
of two big warehouses.

1567

01:57:07,062 --> 01:57:11,033

One was marked "Cloak Room,"
and the other "Valuables."

1568

01:57:11,107 --> 01:57:13,701

And there they
were made to undress.

1569

01:57:13,777 --> 01:57:18,328

A Jewish boy handed them pieces of
string to tie their shoes together.

1570

01:57:18,990 --> 01:57:21,163

They shaved their hair.

1571

01:57:21,243 --> 01:57:23,086

They told them it was needed to

1572

01:57:23,203 --> 01:57:25,080

make something

special for U-boat crews.

1573

01:57:26,623 --> 01:57:30,469

And then they were herded

down a big corridor

1574

01:57:30,544 --> 01:57:34,594

to bunkers with Stars

of David on the doors

1575

01:57:34,673 --> 01:57:38,723

and signs that said

"Bath and Inhalation Room."

1576

01:57:38,802 --> 01:57:40,770

SS gave them soap.

1577

01:57:40,845 --> 01:57:43,268

They told them to
breathe all the time

1578

01:57:43,390 --> 01:57:45,813

because it's good
for disinfecting.

1579

01:57:47,018 --> 01:57:48,941

And then they gassed them.

1580

01:57:50,313 --> 01:57:52,657

Mila, why soaps?

1581

01:57:53,650 --> 01:57:55,152

So that they would
agree to go in, I think.

1582

01:57:55,235 --> 01:57:59,240

Come on, Mila, stop it. Your bedtime
stories are scaring everyone.

1583

01:57:59,322 --> 01:58:02,326

Yeah. You know

it's ridiculous.

1584

01:58:02,409 --> 01:58:04,082

I cannot believe it.

1585

01:58:04,160 --> 01:58:06,583

I didn't say I believed it.

I said I heard it.

1586

01:58:06,663 --> 01:58:07,755

From who?

1587

01:58:07,831 --> 01:58:10,050

From somebody who heard it
from someone who was there.

1588

01:58:10,542 --> 01:58:13,591

You know, if they were there,

1589

01:58:13,670 --> 01:58:15,422

they would have been gassed.

1590

01:58:15,505 --> 01:58:16,927

Yes.

1591

01:58:17,048 --> 01:58:18,470

It doesn't make any sense.

1592

01:58:18,550 --> 01:58:20,644

We're their workforce.

1593

01:58:20,719 --> 01:58:24,599

What sense does it make
to kill your own workforce?

1594

01:58:24,681 --> 01:58:29,528

To go to all this trouble of
assembling a workforce only to...

1595

01:58:29,936 --> 01:58:31,404

No, it can't be true.

1596

01:58:33,148 --> 01:58:36,277

We are very,
very important for them.

1597

01:58:36,359 --> 01:58:39,454

WOMAN 1: Yeah, we do now.
Good night.

1598

01:58:39,529 --> 01:58:40,872

WOMAN 2: Good night.

1599

01:58:41,031 --> 01:58:42,408

WOMAN 3: Good night.
Sweet dreams.

1600

01:58:51,666 --> 01:58:54,135

MAN ON PA:
<i>Attention, attention.</i>

1601

01:58:54,210 --> 01:58:56,838

<i>Everyone who is alive</i>

1602

01:58:56,921 --> 01:58:59,094

<i>is to come to the Appellplatz.</i>

1603

01:59:00,425 --> 01:59:01,972

<i>Attention, attention.</i>

1604

01:59:02,093 --> 01:59:03,640

We have to go to

the *<i>Appellplatz.</i>*

1605

01:59:03,720 --> 01:59:04,812

<i>Everyone who is alive...</i>

1606

01:59:04,929 --> 01:59:06,021

MRS. DRESNER:

The list makers are here.

1607

01:59:06,097 --> 01:59:07,565

<i>...is to come to

the Appellplatz.</i>

1608

01:59:07,724 --> 01:59:09,146

There is going

to be a selection.

1609

01:59:09,225 --> 01:59:13,856

<i>Attention, attention.

Everyone who is alive</i>

1610

01:59:13,938 --> 01:59:16,691

<i>is to come to the Appellplatz.</i>

1611

01:59:17,901 --> 01:59:19,153

(WHISTLE BLOWING)

1612

01:59:28,244 --> 01:59:29,746

(WHISTLE CONTINUES)

1613

01:59:32,248 --> 01:59:33,545

<i>Meine Herren.</i>

1614

01:59:33,833 --> 01:59:35,335

One!

Two!

1615

01:59:35,585 --> 01:59:37,258

<i>One!

Two!</i>

1616

01:59:37,545 --> 01:59:39,138

<i>...the hundred thousand Hungarians
are coming...</i>

1617

01:59:39,756 --> 01:59:41,633

(SPEAKING GERMAN
INDISTINCTLY)

1618

01:59:42,801 --> 01:59:45,475

OFFICER: <i>Everyone form a single file line!</i>

1619

01:59:46,346 --> 01:59:48,519

You could afford to
lose some weight, Amon.

1620

01:59:50,392 --> 01:59:52,861

And you've got to
cut down on the cognac.

1621

01:59:52,936 --> 01:59:55,610

Morning.

What's going on?

1622

01:59:56,356 --> 01:59:59,200

It's another

semi-annual physical.

1623

02:00:00,694 --> 02:00:01,820

There.

1624

02:00:01,903 --> 02:00:05,533

Oh, I've got another

shipment coming in of...

1625

02:00:05,615 --> 02:00:07,959

What are they this time?

1626

02:00:08,034 --> 02:00:09,786

Hungarians.

<i>Yes</i>, Hungarians.

1627

02:00:09,869 --> 02:00:13,464

We've got to separate the sick

from the healthy to make room.

1628

02:00:14,416 --> 02:00:16,635

SOLDEIR: *<i>Now! Now!</i>*

1629

02:00:17,293 --> 02:00:20,172

(*<i>GUTE NACHT MUTTER</i>* PLAYING)

1630

02:00:23,299 --> 02:00:24,926

(SOLDIERS SHOUTING IN GERMAN)

1631

02:00:26,386 --> 02:00:29,640

<i>Goodnight, Mother</i>

1632

02:00:30,056 --> 02:00:32,730

<i>Goodnight</i>

1633

02:00:33,017 --> 02:00:34,735

<i>That must not</i>

1634

02:00:34,978 --> 02:00:37,197

(SHOUTING IN GERMAN)

1635

02:00:37,397 --> 02:00:39,240

<i>...last until evening!</i>

1636

02:00:39,482 --> 02:00:41,951

(SOLDIER SHOUTING IN GERMAN)

1637

02:00:42,026 --> 02:00:44,028

(SPEAKING INDISTINCTLY)

1638

02:00:45,405 --> 02:00:46,827

(SONG CONTINUING)

1639

02:00:49,951 --> 02:00:51,498

WOMAN: Let me help you.

1640

02:00:55,290 --> 02:00:56,837

SOLDER: <i>Quick, Quick, Quick!</i>

1641

02:01:03,506 --> 02:01:05,850

WOMAN 1:

We've got to go out there.

1642

02:01:09,846 --> 02:01:11,189

WOMAN 2: Don't go.

1643

02:01:12,348 --> 02:01:14,316

Look alive, Rebeka.

1644

02:01:18,354 --> 02:01:20,197

<i>Goodnight, Mother</i>

1645

02:01:21,065 --> 02:01:23,363

SOLDER: <i>Around!

Faster! Faster!</i>

1646

02:01:29,365 --> 02:01:31,993

SOLDER: <i>Around! Around!</i>

1647

02:01:33,787 --> 02:01:35,585

<i>Goodnight...</i>

1648

02:01:37,165 --> 02:01:39,509

That's my mechanic.

1649

02:01:39,584 --> 02:01:42,258

Whose bright idea was
it to get rid of him?

1650

02:01:49,928 --> 02:01:53,523

<i>Move! Around!</i>

1651

02:01:53,890 --> 02:01:57,485

<i>Faster! Faster!

Hold the clothes!</i>

1652

02:01:57,852 --> 02:01:59,069

<i>Goodnight</i>

1653

02:02:10,156 --> 02:02:12,579

<i>Open your mouth. We'll look at your throat.</i>

1654

02:02:13,409 --> 02:02:16,959

<i>Take a deep breath. Again. Again.</i>

1655

02:02:24,420 --> 02:02:29,426

<i>Raise your arms. Turn around. Squat.</i>

1656

02:02:31,427 --> 02:02:32,724

(SOLDIER SHOUTING

INDISTINCTLY)

1657

02:02:36,182 --> 02:02:37,809

SOLDIER: *<i>Form a column!</i>*

1658

02:02:37,934 --> 02:02:44,192

<i>You have forgiven me, you have watched</i>

1659

02:02:46,067 --> 02:02:48,616

No, no, no.

Wait, go away. She can work.

1660

02:02:48,695 --> 02:02:52,700

Come here. Look, separate

the sick from the healthy.

1661

02:02:52,782 --> 02:02:55,501

Those who can work and those who can't.

She can work.

1662

02:02:55,577 --> 02:02:57,671

You can work, you can come.

1663

02:02:57,871 --> 02:03:00,169

SOLDIER: *Move! Faster!*

1664

02:03:05,545 --> 02:03:07,263

(*MAMATSCHI* PLAYING)

1665

02:03:11,259 --> 02:03:15,309

Once upon a time there was a little boy

1666

02:03:15,513 --> 02:03:16,765

(CHILDREN SINGING ALONG)

1667

02:03:16,848 --> 02:03:19,647

Who begged so wonderfully sweet

1668

02:03:20,727 --> 02:03:23,981

Mommy, give me a little horse

1669

02:03:24,981 --> 02:03:28,986

<i>A little horse would be my paradise</i>

1670

02:03:29,944 --> 02:03:33,244

<i>Then the little man received</i>

1671

02:03:33,990 --> 02:03:37,995

<i>A pair of white horses made of marzipan</i>

1672

02:03:38,369 --> 02:03:40,713

SOLDIERS: <i>Stop! Stop!</i>

1673

02:03:40,997 --> 02:03:43,216

<i>He looks at them, he cries and says</i>

1674

02:03:43,374 --> 02:03:46,548

<i>I didn't want such horses</i>

1675

02:03:47,003 --> 02:03:48,471

(CHILDREN CONTINUE SINGING)

1676

02:03:48,671 --> 02:03:50,969

<i>Mommy, give me a little horse</i>

1677

02:03:51,132 --> 02:03:54,932

<i>A little horse would be my paradise</i>

1678

02:03:56,179 --> 02:04:01,356

<i>Mommy, I didn't want such horses</i>

1679

02:04:01,851 --> 02:04:06,197

<i>Once upon a time there was a little boy</i>

1680

02:04:06,731 --> 02:04:09,405

<i>Who begged so wonderfully sweet</i>

1681

02:04:09,525 --> 02:04:14,201

<i>Then the Christ child came flying in</i>

1682

02:04:14,697 --> 02:04:19,373

<i>And gave him what he desired</i>

1683

02:04:24,749 --> 02:04:29,971

Those not selected for transport,
put your clothes back on.

1684

02:04:30,046 --> 02:04:32,048

HUJAR: Go back
to the barracks.

1685

02:04:32,173 --> 02:04:34,141

Return to the barracks.

1686

02:04:34,217 --> 02:04:35,764

(WOMEN GIGGLING)

1687

02:04:41,015 --> 02:04:42,858

MAN: Go back to the barracks.

1688

02:04:42,934 --> 02:04:44,231

(TRUCK ENGINE REVVING)

1689

02:04:46,896 --> 02:04:48,239

Oh, my God!

1690

02:04:48,314 --> 02:04:50,066

(CHILDREN SHOUTING)

1691

02:04:50,274 --> 02:04:52,402

<i>A little horse would be my paradise</i>

1692

02:04:52,652 --> 02:04:54,495

<i>Mommy, I didn't want such horses</i>

1693

02:04:54,737 --> 02:04:56,910

(WOMEN SHRIEKING)

1694

02:04:59,200 --> 02:05:01,874

(WOMEN SCREAMING)

1695

02:05:11,337 --> 02:05:12,964

Olek? Olek?

1696

02:05:13,089 --> 02:05:14,762

MRS. DRESNER: Danka?

1697

02:05:14,841 --> 02:05:16,764

Olek? Olek?

1698

02:05:19,429 --> 02:05:23,024

Olek! Olek!

1699

02:05:23,099 --> 02:05:24,146

(SCREAMING)

1700

02:05:31,315 --> 02:05:32,316

Olek?

1701

02:05:32,442 --> 02:05:33,489

Danka?

1702

02:05:33,568 --> 02:05:35,411

Danka?

Olek?

1703

02:05:35,653 --> 02:05:38,907

OFFICER: *Into the barracks!*

Into the barracks with you!

1704

02:05:38,990 --> 02:05:40,333

I didn't see him!

1705

02:05:40,408 --> 02:05:42,456

They're hiding. I'm telling
you, they're hiding.

1706

02:05:42,535 --> 02:05:46,881

I know Danka. She knows a good place.
She took all of them together.

1707

02:05:46,956 --> 02:05:48,924

(WHISPERING) SOLDIER:

Back to the barracks!

1708

02:05:49,000 --> 02:05:50,718

...my paradise

1709

02:05:51,502 --> 02:05:55,882

Mommy, I didn't want such horses

1710

02:06:08,811 --> 02:06:13,942

Find your own hiding place. There's

no room for you here. Go away, quick!

1711

02:06:37,757 --> 02:06:40,931

Get out.

This is our place. Get out!

1712

02:06:49,310 --> 02:06:51,028

(MEN SHOUTING)

1713

02:07:04,367 --> 02:07:05,960

Oskar!

1714

02:07:06,077 --> 02:07:07,670

Amon. Gentlemen.

1715

02:07:07,745 --> 02:07:09,418

Why didn't you call me?

1716

02:07:09,539 --> 02:07:11,166

I tried to call you.

Here, Hujar, move.

1717

02:07:11,290 --> 02:07:13,338

Quite a picnic, huh?

Madritsch. Oskar.

1718

02:07:13,417 --> 02:07:15,044

They're running

a little late, you know?

1719

02:07:15,211 --> 02:07:16,804

It's taking

longer than I thought.

1720

02:07:16,879 --> 02:07:18,347

A drink?

1721

02:07:18,464 --> 02:07:19,886

Something cold. *Punch.*

1722

02:07:19,966 --> 02:07:21,309

The *Punch.*

1723

02:07:23,719 --> 02:07:26,814

Oh, another beautiful day.

1724

02:07:26,889 --> 02:07:28,891

(WOMAN SHOUTING IN POLISH)

1725

02:07:30,226 --> 02:07:31,478

<i>Silence! Quiet!</i>

1726

02:07:32,562 --> 02:07:34,656

(PEOPLE MOANING)

1727

02:07:40,570 --> 02:07:42,993

<i>The loading of the transport
wagons is finished.</i>

1728

02:07:43,114 --> 02:07:44,115

<i>We are ready for departure.</i>

1729

02:07:45,408 --> 02:07:47,251

<i>Water! Water!</i>

1730

02:07:48,161 --> 02:07:49,583

<i>Water... Water.</i>

1731

02:07:51,247 --> 02:07:53,090

(PEOPLE GASPING)

1732

02:07:58,838 --> 02:08:00,010

<i>To your health.</i>

1733

02:08:00,131 --> 02:08:01,303

Oh, thank you.

1734

02:08:07,054 --> 02:08:09,273

What do you say we
get your fire hoses out

1735

02:08:09,432 --> 02:08:11,685

here and hose down the cars?

Thank you.

1736

02:08:14,353 --> 02:08:16,947

(CHUCKLES) Indulge me.

1737

02:08:19,275 --> 02:08:20,948

GOETH: Hujar.

Yes, sir.

1738

02:08:21,360 --> 02:08:22,907

Go bring the fire hoses.

1739

02:08:23,029 --> 02:08:24,622

Where's the fire?

1740

02:08:25,072 --> 02:08:28,167

(BOTH LAUGHING)

1741

02:08:28,910 --> 02:08:31,663

SCHINDLER: In the windows.

That's it, that's it.

1742

02:08:31,746 --> 02:08:35,717

On the roof. That's it, good, good.

In the window, in the window.

1743

02:08:39,086 --> 02:08:41,555

Come on. Come on.

1744

02:08:42,924 --> 02:08:44,801

That's it, more, more.

1745

02:08:49,263 --> 02:08:53,143

That's it, that's it.

More, more.

1746

02:08:53,226 --> 02:08:56,605

This is really cruel, Oskar.

You are giving them hope.

1747

02:08:56,687 --> 02:09:00,863

You shouldn't do that.

That's cruel!

1748

02:09:00,942 --> 02:09:04,162

Come on, try and reach

the far end. Look out.

1749

02:09:04,237 --> 02:09:06,831

MAN: (WAILING)

Water! More water!

1750

02:09:10,660 --> 02:09:13,288

I've got some 200-meter hoses
back in Emalia.

1751

02:09:13,371 --> 02:09:15,248

I have 20 meters at
home in my garden.

1752

02:09:15,331 --> 02:09:17,550

We can reach the cars at the end.
(OFFICERS LAUGHING)

1753

02:09:17,625 --> 02:09:20,174

What? What?

1754

02:09:24,674 --> 02:09:25,675

Hujar.

1755

02:09:25,841 --> 02:09:26,842

Yeah, sure.

1756

02:09:28,719 --> 02:09:30,687

(PEOPLE SHOUTING)

1757

02:09:40,690 --> 02:09:42,067

(LAUGHING)

1758

02:09:46,112 --> 02:09:48,080

Don't forget the roof.

1759

02:09:48,155 --> 02:09:50,157

On the roof on the other side.

1760

02:09:57,873 --> 02:10:00,968

<i>Sergeant,</i>

every time the train stops

1761

02:10:01,043 --> 02:10:03,796

you open the doors, you give
them water, yeah? Jawohl.

1762

02:10:03,879 --> 02:10:05,722

This car! This car!

1763

02:10:07,258 --> 02:10:09,511

(WOMAN SHRIEKING)

1764

02:10:30,614 --> 02:10:33,743

SCHINDLER: I'm not saying you'll
regret it, but you might.

1765

02:10:33,826 --> 02:10:35,578

You should be aware of that.

1766

02:10:35,661 --> 02:10:37,834

We will have to risk regret.

1767

02:10:38,664 --> 02:10:41,918

All right, sure. It's a nice day.

I'll go for a drive with you.

1768

02:11:18,621 --> 02:11:19,793

What about you?

1769

02:11:20,706 --> 02:11:23,129

I violated the Race
and Resettlement Act.

1770

02:11:24,251 --> 02:11:28,131

Though I doubt anyone can point
out the actual provision to me.

1771

02:11:28,464 --> 02:11:30,307

I kissed a Jewish girl.

1772

02:11:30,633 --> 02:11:33,637

(CHUCKLING)

1773

02:11:36,013 --> 02:11:38,015

Did your prick fall off?

1774

02:11:38,307 --> 02:11:40,150

(BOTH LAUGHING)

1775

02:11:43,562 --> 02:11:45,781

(CONTINUES LAUGHING)

1776

02:11:56,992 --> 02:11:58,494

GOETH: He likes women.

1777

02:12:01,497 --> 02:12:03,670

He likes good-looking women.

1778

02:12:05,835 --> 02:12:09,009

He sees a beautiful woman,
he doesn't think.

1779

02:12:10,506 --> 02:12:11,507

(CHUCKLES)

1780

02:12:12,049 --> 02:12:13,050

I mean...

1781

02:12:13,134 --> 02:12:15,057

He has so many women.

1782

02:12:15,136 --> 02:12:17,013

And they love him.

1783

02:12:18,055 --> 02:12:20,854

<i>Yes</i>, they love him. I mean, he

is married, <i>Yes</i>, but he's...

1784

02:12:22,685 --> 02:12:26,280

All right, no. She was Jewish.

He shouldn't have done it.

1785

02:12:26,480 --> 02:12:29,108

But you didn't see this girl.

1786

02:12:30,192 --> 02:12:32,695

I saw this girl.

This girl was, woof...

1787

02:12:33,696 --> 02:12:35,619

She was very good-looking.

1788

02:12:40,202 --> 02:12:42,625

They cast a spell on you,
you know, the Jews.

1789

02:12:42,705 --> 02:12:44,799

When you work closely with
them, like I do, you see this.

1790

02:12:44,874 --> 02:12:46,797

They have this power.

It's like a virus.

1791

02:12:46,876 --> 02:12:48,799

Some of my men are
infected with this virus.

1792

02:12:48,878 --> 02:12:51,222

They should be pitied, not punished.
They should receive treatment.

1793

02:12:51,297 --> 02:12:54,221

This is as real as typhus.
I see this all the time.

1794

02:12:54,341 --> 02:12:56,890

It's a matter of money? Hmm?

1795

02:12:58,220 --> 02:13:00,188

You're offering me a bribe?

1796

02:13:02,141 --> 02:13:06,612

A bribe? No.

No, please. It's a gratuity.

1797

02:13:07,730 --> 02:13:09,027

<i>Heil</i> Hitler!

1798

02:13:13,569 --> 02:13:14,821

Hello, Amon.

1799

02:13:19,325 --> 02:13:20,417

Sit down.

1800

02:13:23,370 --> 02:13:26,840

We give you Jewish girls
at five marks a day, Oskar.

1801

02:13:27,041 --> 02:13:28,964

You should kiss us, not them.

1802

02:13:29,752 --> 02:13:32,972

God forbid you ever get

a real taste for Jewish skirt.

1803

02:13:33,422 --> 02:13:36,471

There's no future in it.

They don't have a future.

1804

02:13:37,676 --> 02:13:40,429

That's not just good,
old-fashioned, Jew-hating talk.

1805

02:13:41,764 --> 02:13:43,311

It's policy now.

1806

02:13:46,769 --> 02:13:48,521

MAN: *Yes, nicely caught! Good!*

1807

02:13:49,980 --> 02:13:51,653

(CHILDREN LAUGHING)

1808

02:13:56,028 --> 02:13:59,123

Nochmal, ja! Schön!

1809

02:14:30,145 --> 02:14:31,692

SOLDER: <i>Once again, yes! Nice!</i>

1810

02:14:31,772 --> 02:14:34,992

<i>Faster here!

Zack, zack, zack!</i>

1811

02:14:35,651 --> 02:14:37,153

<i>Move your ass!</i>

1812

02:14:39,738 --> 02:14:41,456

<i>You can do it faster!</i>

1813

02:14:41,574 --> 02:14:43,076

<i>Get moving!</i>

1814

02:14:43,158 --> 02:14:44,159

<i>Don't fall asleep!</i>

1815

02:14:44,410 --> 02:14:45,536

(CHOIR SINGING REQUIEM)

1816

02:14:45,619 --> 02:14:47,371

<i>Just all the scraps,
not the vegetables!</i>

1817

02:14:47,454 --> 02:14:51,049

<i>Come on, you can do that with your
hands, touch the front!</i>

1818

02:14:55,129 --> 02:14:57,507

<i>Leave the small parts!</i>

1819

02:15:16,233 --> 02:15:20,113

(SCREAMING INSANELY)

1820

02:15:20,946 --> 02:15:23,495

(LAUGHING)

(CONVERSING IN GERMAN)

1821

02:15:25,200 --> 02:15:26,702

<i>That's how it is! Valhalla!</i>

1822

02:15:27,202 --> 02:15:29,204

<i>Valhalla is running here!</i>

1823

02:15:32,041 --> 02:15:33,042

(REQUIEM CONTINUES)

1824

02:15:34,084 --> 02:15:35,677

GOETH: Can you believe this?

1825

02:15:36,086 --> 02:15:39,431

As if I don't have enough to
do, they come up with this?

1826

02:15:39,506 --> 02:15:43,306

I have to find every rag
buried up here and burn it.

1827

02:15:44,887 --> 02:15:46,309

The party's over, Oskar.

They're closing

1828

02:15:46,430 --> 02:15:47,852

us down, sending
everybody to Auschwitz.

1829

02:15:47,931 --> 02:15:48,932

When?

1830

02:15:49,016 --> 02:15:50,859

I don't know. As soon as

I can arrange the shipments.

1831

02:15:50,934 --> 02:15:54,689

Maybe 30, 40 days.

That ought to be fun.

1832

02:16:15,626 --> 02:16:16,923

SCHINDLER:

I've been talking to Goeth.

1833

02:16:17,044 --> 02:16:18,341

I know the destination.

1834

02:16:18,420 --> 02:16:20,639

These are

the evacuation orders.

1835

02:16:21,215 --> 02:16:24,185

I'm to help organize the shipments,
put myself on the last train.

1836

02:16:24,259 --> 02:16:26,603

That's not what I
was going to say.

1837

02:16:27,471 --> 02:16:30,850

I made Goeth promise me he'll
put in a good word for you.

1838

02:16:31,392 --> 02:16:33,112

Nothing bad is going
to happen to you there.

1839

02:16:33,143 --> 02:16:34,770

You'll receive
special treatment.

1840

02:16:34,895 --> 02:16:36,568

The directives
coming in from Berlin

1841

02:16:36,647 --> 02:16:38,741

mention "special treatment"

more and more often.

1842

02:16:38,816 --> 02:16:40,818

I'd like to think

that's not what you mean.

1843

02:16:40,943 --> 02:16:42,570

Preferential treatment,

all right?

1844

02:16:43,529 --> 02:16:45,169

Do we have to invent

a whole new language?

1845

02:16:45,614 --> 02:16:46,615

I think so.

1846

02:16:50,452 --> 02:16:52,170

You're staying, I take it.

1847

02:16:56,375 --> 02:16:58,298

In Krakow? What on Earth for?

1848

02:16:58,419 --> 02:17:00,296

What for? You have
a business to run.

1849

02:17:02,631 --> 02:17:04,725

Of course, you'll have to hire new workers.
Poles, I guess.

1850

02:17:04,800 --> 02:17:07,053

They cost a little more, but...

1851

02:17:09,972 --> 02:17:11,690

What are you going to do?

1852

02:17:15,644 --> 02:17:17,567

You ran my business.

1853

02:17:21,483 --> 02:17:23,326

No, I'm going home.

1854

02:17:23,569 --> 02:17:25,037

I've done what I came here for.

1855

02:17:25,112 --> 02:17:28,662

I've got more money than any
man can spend in a lifetime.

1856

02:17:39,918 --> 02:17:44,674

Some day, this is all
going to end, you know.

1857

02:17:49,094 --> 02:17:51,563

I was going to say
we'll have a drink then.

1858

02:17:55,851 --> 02:17:57,979

I think I better have it now.

1859

02:18:21,376 --> 02:18:22,753

(<i>GOD BLESS THE CHILD</i> PLAYING)

1860

02:18:22,836 --> 02:18:26,716

<i>Bible says And it still is news</i>

1861

02:18:28,091 --> 02:18:33,894

<i>Mama may have Papa may have</i>

1862

02:18:34,848 --> 02:18:39,854

<i>But God bless the child

That's got his own</i>

1863

02:18:40,103 --> 02:18:42,822

<i>That's got his own</i>

1864

02:18:46,777 --> 02:18:51,078

<i>Yes, the strong gets more</i>

1865

02:18:51,240 --> 02:18:54,084

<i>While the weak ones fade</i>

1866

02:18:55,994 --> 02:19:01,672

<i>Empty pockets don't

ever make the grade</i>

1867

02:19:02,459 --> 02:19:07,841

<i>Mama may have Papa may have</i>

1868

02:19:10,175 --> 02:19:14,430

<i>But God bless the child

That's got his own</i>

1869

02:19:15,264 --> 02:19:18,268

<i>That's got his own</i>

1870

02:19:23,647 --> 02:19:29,199

<i>Money,

you've got lots of friends</i>

1871

02:19:32,072 --> 02:19:34,700

<i>They're pounding on your...</i>

1872

02:19:34,908 --> 02:19:38,879

GOETH: I don't understand.

You want these people?

1873

02:19:39,079 --> 02:19:41,502

"These people"?

My people, I want my people.

1874

02:19:41,582 --> 02:19:44,586

Who are you, Moses?

Come on, what is this?

1875

02:19:44,668 --> 02:19:46,261

Where's the money in this?

Where's the scam?

1876

02:19:46,336 --> 02:19:47,428

It's good business.

1877

02:19:47,504 --> 02:19:49,552

It's good business

in your opinion.

1878

02:19:49,631 --> 02:19:52,726

Look, you've got to move

them, the equipment,

1879

02:19:52,801 --> 02:19:54,223

everything to Czechoslovakia.

1880

02:19:54,303 --> 02:19:57,603

Pay for all that and build another camp.

Doesn't make any sense.

1881

02:19:57,681 --> 02:19:59,308

Look, Amon...

It's good for me.

1882

02:19:59,474 --> 02:20:01,067

You're not

telling me something.

1883

02:20:01,143 --> 02:20:03,111

I know them. I'm familiar with them.

I don't have to train them.

1884

02:20:03,186 --> 02:20:04,426

You're not

telling me something.

1885

02:20:04,521 --> 02:20:05,738

It's good for you.

I'll compensate you.

1886

02:20:05,814 --> 02:20:07,566

That's right.

It's good for the army.

1887

02:20:07,649 --> 02:20:08,946

Yeah, of course.

1888

02:20:08,984 --> 02:20:11,157

You know what I'm going to make?

What?

1889

02:20:11,486 --> 02:20:13,329

Artillery shells. Everyone's
making artillery shells.

1890

02:20:13,405 --> 02:20:15,123

Tank shells, they need that.

Tanks shells, ja.

1891

02:20:15,198 --> 02:20:18,042

Everybody's happy.

Everyone's happy, except me.

1892

02:20:18,118 --> 02:20:20,997

You're probably

scamming me somehow.

1893

02:20:21,413 --> 02:20:24,417

If I'm making 100,

you've got to be making 300.

1894

02:20:24,499 --> 02:20:27,969

And if you admit to 300, then

it's 400, actually. But how?

1895

02:20:28,045 --> 02:20:29,388

I just told you.

1896

02:20:29,504 --> 02:20:30,881

You did, but you didn't.

1897

02:20:33,842 --> 02:20:35,844

Ja, all right, don't tell me.

1898

02:20:36,094 --> 02:20:40,270

I'll go along with it. It's just
irritating I can't work it out.

1899

02:20:40,474 --> 02:20:44,195

Look, all you have to do is
tell me what it's worth to you.

1900

02:20:45,437 --> 02:20:47,940

What's a person worth to you?
No, no, no, no.

1901

02:20:48,023 --> 02:20:50,151

What's one worth to you?

1902

02:20:58,825 --> 02:21:02,375

Poldek Pfefferberg.

Mila Pfefferberg.

1903

02:21:03,205 --> 02:21:04,297

And...

1904

02:21:06,249 --> 02:21:08,593

Uh... Stigel, Stigel...

1905

02:21:08,669 --> 02:21:10,137

Paul.

Paul Stigel.

1906

02:21:10,504 --> 02:21:11,596

STERN: Doctor.

1907

02:21:13,966 --> 02:21:17,721

The investors. I want all of them.

Yes, sir.

1908

02:21:18,762 --> 02:21:20,389

Fischer. Ismail Fischer.

1909

02:21:20,514 --> 02:21:23,393

Fischer, Ismail.

1910

02:21:24,059 --> 02:21:25,732

Josef Scharf.

1911

02:21:25,852 --> 02:21:27,525

One moment, sir.

I'm sorry, sir.

1912

02:21:27,646 --> 02:21:29,114

Come on, Stern.

Scharf, Scharf.

1913

02:21:32,734 --> 02:21:34,907

The children.

All the children.

1914

02:21:40,409 --> 02:21:42,411

STERN: Herbert Stier.

SCHINDLER: Thank you.

1915

02:21:42,911 --> 02:21:44,504

How many?

1916

02:21:44,621 --> 02:21:46,248

Four hundred, 450.

1917

02:21:49,418 --> 02:21:50,761

More, more.

1918

02:22:15,610 --> 02:22:18,910

Feigenbaum, Jakob.

Wolf. Wolf Wein.

1919

02:22:25,120 --> 02:22:29,375

Feigenbaum, Lutek, Jakob...

Nacha. Yes? Nacha.

1920

02:22:29,458 --> 02:22:31,210

Nacha, that's right.

1921

02:22:31,626 --> 02:22:32,627

SCHINDLER: And Wolf.

1922

02:22:33,795 --> 02:22:35,047

How many?

1923

02:22:37,591 --> 02:22:40,265

600.

More.

1924

02:22:42,763 --> 02:22:44,185

SCHINDLER: You can do
the same thing I'm doing.

1925

02:22:44,306 --> 02:22:45,728

You might even
make money at it.

1926

02:22:45,807 --> 02:22:46,808

MADRITSCH: I don't know.

1927

02:22:46,892 --> 02:22:49,611

Come on, Julius, I know about the
extra food and clothes you give them.

1928

02:22:49,686 --> 02:22:51,438

Paid for out of
your own pocket.

1929

02:22:51,521 --> 02:22:53,114

If we make a combined
approach, we could

1930

02:22:53,231 --> 02:22:54,824

get more than 4,000 out,
mine and yours.

1931

02:22:54,900 --> 02:22:55,901

Oskar...

1932

02:22:55,984 --> 02:22:59,454

We could relocate them in something
like safety, in Moravia.

1933

02:23:00,197 --> 02:23:01,323

I don't know.

1934

02:23:03,909 --> 02:23:05,957

How many cigarettes
have you smoked tonight?

1935

02:23:06,453 --> 02:23:07,500

Too many.

1936

02:23:07,579 --> 02:23:10,753

For every one... (COUGHS)
you smoke, I smoke half.

1937

02:23:12,918 --> 02:23:14,761

I've done all I can.
I will not accept that.

1938

02:23:14,836 --> 02:23:16,509

No, Oskar, I can't do any more.

1939

02:23:16,630 --> 02:23:18,257

I will not accept that.

1940

02:23:18,340 --> 02:23:19,808

No.

1941

02:23:29,851 --> 02:23:31,228

How many? How many?

1942

02:23:31,353 --> 02:23:32,730

850, give or take.

1943

02:23:32,813 --> 02:23:36,192

Give or take what, Stern?

Count them. How many?

1944

02:23:47,327 --> 02:23:50,297

That's it.

You can finish that page.

1945

02:23:55,585 --> 02:23:59,306

What did Goeth say about this?

1946

02:23:59,381 --> 02:24:02,726

You just told him how many
people you needed and...

1947

02:24:06,304 --> 02:24:08,272

You're not buying them.

1948

02:24:11,351 --> 02:24:14,446

You're buying them? You're paying
him for each of these names?

1949

02:24:14,521 --> 02:24:15,943

If you were
still working for me,

1950

02:24:16,064 --> 02:24:17,486

I'd expect you to
talk me out of it.

1951

02:24:17,566 --> 02:24:19,409

It's costing me a fortune.

1952

02:24:21,778 --> 02:24:25,032

Finish the page and leave
one space at the bottom.

1953

02:24:47,345 --> 02:24:48,597

You...

1954

02:24:55,312 --> 02:24:57,781

The list is an absolute good.

1955

02:24:59,733 --> 02:25:02,156

The list is life.

1956

02:25:04,196 --> 02:25:07,746

All around its

margins lies the gulf.

1957

02:25:09,451 --> 02:25:11,453

Oskar,

there's a clerical error here

1958

02:25:11,578 --> 02:25:13,546

at the bottom of the last page.

1959

02:25:13,622 --> 02:25:16,045

No, there's one more name

I want to put there.

1960

02:25:16,124 --> 02:25:18,798

<i>I'll never find a maid as well
trained as her at Brinnlitz.</i>

1961

02:25:18,877 --> 02:25:20,379

<i>They are all country girls.</i>

1962

02:25:22,005 --> 02:25:23,097

No.

1963

02:25:32,766 --> 02:25:33,858

No.

1964

02:25:34,684 --> 02:25:35,685

One hand of 21.

1965

02:25:35,810 --> 02:25:36,857

No.

1966

02:25:36,937 --> 02:25:39,736

If you win, I pay you

7,400 reichsmarks. No.

1967

02:25:39,814 --> 02:25:42,658

Hit a natural, I make it 14,800.

No.

1968

02:25:43,735 --> 02:25:45,783

If I win,

the girl goes on my list.

1969

02:25:47,239 --> 02:25:48,639

I can't wager Helen

in a carol game.

1970

02:25:48,698 --> 02:25:50,075

Why not?

1971

02:25:50,158 --> 02:25:51,330

Wouldn't be right.

1972

02:25:51,409 --> 02:25:53,161

She's just going to Auschwitz

Number Two, anyway.

1973

02:25:53,245 --> 02:25:55,122

What difference does it make?

She's not going to Auschwitz.

1974

02:25:55,205 --> 02:25:57,503

I'd never do that to her.

No, I want her

1975

02:25:57,624 --> 02:25:59,922

to come back to Vienna with me.

1976

02:26:00,001 --> 02:26:02,971

I want her to come

to work for me there.

1977

02:26:03,171 --> 02:26:04,514

I want to grow old with her.

1978

02:26:04,631 --> 02:26:05,974

Are you mad?

1979

02:26:08,009 --> 02:26:11,104

Amon, you can't take

her to Vienna with you.

1980

02:26:11,513 --> 02:26:13,265

No, of course I can't.

1981

02:26:14,182 --> 02:26:16,059

That's what I'd like to do.

1982

02:26:16,977 --> 02:26:19,730

What I can do,

if I'm any sort of a man,

1983

02:26:19,854 --> 02:26:22,653

is the next most

merciful thing.

1984

02:26:22,732 --> 02:26:25,110

I shall take her

into the woods and

1985

02:26:25,235 --> 02:26:27,658

shoot her painlessly

in the back of the head.

1986

02:26:37,330 --> 02:26:40,709

What was it you

said for a natural 21?

1987

02:26:41,793 --> 02:26:44,387

Was it 14,800?

1988

02:26:44,546 --> 02:26:47,220

<i>Schindlerjuden</i> to these tables!

Say your names clearly.

1989

02:26:47,299 --> 02:26:49,768

We are the family Dresner.

1990

02:26:49,884 --> 02:26:52,387

Juda, Jonas, Donata, and Chaja.

1991

02:26:54,139 --> 02:26:55,732

We are Rosners.

Henry, Manci...

1992

02:26:55,890 --> 02:26:57,483

And Leo.

1993

02:26:57,892 --> 02:26:59,485

And our son.

I am Olek.

1994

02:27:00,979 --> 02:27:02,231

Maria Mischel.

1995

02:27:02,605 --> 02:27:04,107

Chaim Nowak.

1996

02:27:05,608 --> 02:27:07,406

Wulkan, Markus.

1997

02:27:07,986 --> 02:27:09,488

Michael Lemper.

1998

02:27:10,989 --> 02:27:12,832

Itzhak Stern.

1999

02:27:13,616 --> 02:27:15,835

Rebeka and Joseph Bau.

2000

02:27:17,120 --> 02:27:19,043

Rosalia Nussbaum.

Wilhelm Nussbaum.

2001

02:27:20,123 --> 02:27:21,875

Jakob Levartov.

2002

02:27:22,917 --> 02:27:25,045

Farber, Rosa.

Farber, Andrzej.

2003

02:27:25,879 --> 02:27:26,926

Sara.

2004

02:27:27,088 --> 02:27:28,180

Friehof, Fischel.

2005

02:27:29,799 --> 02:27:31,176

Mietek Pemper.

2006

02:27:31,885 --> 02:27:33,808

Poldek and Mila Pfefferberg.

2007

02:27:34,596 --> 02:27:36,644

Horowitz, Dolek.

2008

02:27:38,099 --> 02:27:39,396

Adam Levy.

2009

02:27:40,310 --> 02:27:41,937

Marcel Goldberg.

2010

02:27:42,645 --> 02:27:44,864

Klipstein, Isak David.

2011

02:27:46,232 --> 02:27:47,609

Altmann, Eduard.

2012

02:27:48,276 --> 02:27:49,823

Grunberg, Miriam.

2013

02:27:50,278 --> 02:27:51,905

Luftig, Eliaz.

2014

02:27:52,739 --> 02:27:53,991

Hilman, Eduard.

2015

02:27:54,574 --> 02:27:55,951

Erna Rothberg.

2016

02:27:57,243 --> 02:27:58,495

Zuckermann, Jetti.

2017

02:28:00,330 --> 02:28:01,707

Helen Hirsch.

2018

02:28:02,582 --> 02:28:03,629

(PENCIL SCRAPING PAPER)

2019

02:28:04,125 --> 02:28:05,968

The worst is over.

2020

02:28:07,545 --> 02:28:10,515

Men to this transport

and women to this transport.

2021

02:28:11,841 --> 02:28:16,142

Be careful. Men to this transport

and women to this transport.

2022

02:28:16,805 --> 02:28:20,776

Watch your step. Men to this transport
and women to this transport.

2023

02:28:39,494 --> 02:28:41,997

(TRAIN WHISTLE BLOWING)

2024

02:28:42,831 --> 02:28:44,424

(PEOPLE COUGHING)

2025

02:28:59,264 --> 02:29:03,189

Wonderful, Olek, wonderful.

2026

02:29:03,685 --> 02:29:06,859

You know how we
make ice into water?

2027

02:29:07,439 --> 02:29:09,441

(BLOWING)

2028

02:29:09,524 --> 02:29:11,367

Olek, get another one!

2029

02:29:20,452 --> 02:29:22,375

(TRAIN WHISTLE BLOWING)

2030

02:29:35,717 --> 02:29:37,469

(PEOPLE COUGHING)

2031

02:29:49,814 --> 02:29:51,612

MAN: <i>Place them all in a
single row!</i>

2032

02:29:53,485 --> 02:29:55,237

You'll be
pleased with the level

2033

02:29:55,403 --> 02:29:57,155

of efficiency I get
from these workers.

2034

02:29:59,657 --> 02:30:01,830

Budzyn, under my command,

2035

02:30:01,910 --> 02:30:04,914

was the envy of every other
commandant in the labor camp system.

2036

02:30:05,079 --> 02:30:06,376

The prisoners, however...

Excuse me.

2037

02:30:06,456 --> 02:30:08,925

They would have rather
been somewhere else.

2038

02:30:23,681 --> 02:30:27,106

SCHINDLER: The train with the
women has already left Plaszow

2039

02:30:27,393 --> 02:30:29,896

and will be
arriving here very shortly.

2040

02:30:30,772 --> 02:30:33,275

I know you've
had a long journey.

2041

02:30:33,691 --> 02:30:36,535

But it's only a short walk
further to the factory,

2042

02:30:36,778 --> 02:30:40,453

where hot soup and
bread is waiting for you.

2043

02:30:42,575 --> 02:30:44,293

Welcome to Brinnlitz!

2044

02:30:46,871 --> 02:30:48,965

(TRAIN WHISTLE BLOWING)

2045

02:30:54,295 --> 02:30:55,717

MRS. DRESNER:

Beans in *cholent*?

2046

02:30:55,838 --> 02:30:57,306

MILA: Beans are the best part.

2047

02:30:57,507 --> 02:30:58,929

DANKA: I don't like beans.

2048

02:30:59,968 --> 02:31:03,472

Beans and meat and
potatoes and bread.

2049

02:31:03,846 --> 02:31:06,065

That's not the way
you make cholent.

2050

02:31:10,478 --> 02:31:11,604

Eggs in *cholent*?

2051

02:31:11,729 --> 02:31:12,855

Yes!

2052

02:31:16,109 --> 02:31:17,235

DANKA:

I don't like *cholent*.

2053

02:31:17,360 --> 02:31:18,486

MRS. DRESNER:

No, you don't.

2054

02:31:18,903 --> 02:31:19,995

What do you like?

2055

02:31:20,113 --> 02:31:21,205

I like caviar.

2056

02:31:24,033 --> 02:31:25,660

REBEKA: One day on the fire...

2057

02:31:25,743 --> 02:31:27,586

(TRAIN WHISTLE BLOWING)

2058

02:32:30,725 --> 02:32:32,648

(DOGS BARKING AND SNARLING)

2059

02:32:32,727 --> 02:32:34,775

<i>Everyone in front of the car
stay in position.</i>

2060

02:32:35,146 --> 02:32:38,992

<i>Everyone in the group

stays together.</i>

2061

02:32:39,484 --> 02:32:41,111

<i>Stay away from the car!</i>

2062

02:32:41,611 --> 02:32:43,739

<i>Stay away from the car!</i>

2063

02:32:44,030 --> 02:32:47,034

<i>Stay away from the car,

I said!</i>

2064

02:32:50,912 --> 02:32:54,587

<i>Faster!

Dalli, dalli, dalli!</i>

2065

02:32:54,874 --> 02:32:57,718

<i>What's going on back there!</i>

2066

02:32:58,544 --> 02:32:59,545

(DOG BARKING)

2067

02:33:00,421 --> 02:33:02,344

SOLDIER: *<i>Fast!</i>*

2068

02:33:06,761 --> 02:33:09,355

SOLDER: *<i>Come on, out with you.*

Zack, zack, zack! Get out!</i>

2069

02:33:10,765 --> 02:33:17,614

<i>Thirty, thirty-five,

forty, forty-five.</i>

2070

02:33:18,606 --> 02:33:20,950

SOLDER: *<i>Get out of the car!</i>*

2071

02:33:32,203 --> 02:33:33,455

Where are the list makers?

2072

02:33:33,621 --> 02:33:34,918

Where are the tables?

2073

02:33:40,795 --> 02:33:42,342

<i>Get out of here!</i>

2074

02:33:43,631 --> 02:33:44,632

<i>Hop, hop!</i>

2075

02:33:44,716 --> 02:33:46,810

<i>...luggage in the wagons!</i>

2076

02:33:47,719 --> 02:33:50,472

<i>Dalli! Get out!

Faster!</i>

2077

02:33:50,930 --> 02:33:53,353

<i>Leave the luggage in the weapons!</i>

2078

02:33:54,058 --> 02:33:55,401

<i>Faster!</i>

2079

02:33:55,476 --> 02:33:57,729

<i>Come on, a little faster!</i>

2080

02:33:58,104 --> 02:33:59,856

Mama, where are we?

2081

02:34:03,985 --> 02:34:05,578

They're in Auschwitz.

2082

02:34:05,653 --> 02:34:08,327

The train was never routed here.

A paperwork mistake.

2083

02:34:15,872 --> 02:34:17,590

POLISH WOMAN:

<i>Faster! Quickly!</i>

2084

02:34:17,665 --> 02:34:19,542

GERMAN WOMAN:

<i>Throw the shoes!</i>

2085

02:34:33,097 --> 02:34:35,691

<i>Faster! Faster!

Fold the clothes!</i>

2086

02:34:38,478 --> 02:34:41,027

<i>Into the shower!

Get naked! Move!</i>

2087

02:34:41,105 --> 02:34:43,824

<i>Get moving! Set up
and take your clothes off!</i>

2088

02:34:43,900 --> 02:34:47,029

<i>Undress there faster!
Faster!</i>

2089

02:34:48,571 --> 02:34:50,699

WOMAN:

<i>Undress quickly!</i>

2090

02:34:51,532 --> 02:34:55,787

<i>You will get soap and a towel and you
will go to the shower for disinfection!</i>

2091

02:34:55,870 --> 02:34:57,213

<i>Undress quickly!</i>

2092

02:35:01,834 --> 02:35:04,804

<i>Faster!
Take this soap and quickly!</i>

2093

02:35:04,879 --> 02:35:07,723

<i>Take your clothes off faster!

Get moving!</i>

2094

02:35:14,388 --> 02:35:17,107

<i>Szybko! Szybko!

Inside now! Faster!</i>

2095

02:35:17,767 --> 02:35:19,815

<i>Go to the shower! Quickly!</i>

2096

02:35:19,894 --> 02:35:21,271

<i>Faster!</i>

2097

02:35:21,896 --> 02:35:23,990

<i>Into the bathroom!

Faster!</i>

2098

02:35:26,734 --> 02:35:29,738

<i>Schneller! Schneller!</i>

2099

02:35:31,572 --> 02:35:33,324

<i>Quickly! Quickly!</i>

2100

02:35:34,033 --> 02:35:35,250

<i>Enter here!</i>

2101

02:35:53,761 --> 02:35:56,184

(WOMEN SCREAMING)

2102

02:36:00,768 --> 02:36:02,441

(SOBBING)

2103

02:36:08,276 --> 02:36:09,573

(SOBBING)

2104

02:36:10,695 --> 02:36:12,948

(WOMEN WAILING)

2105

02:36:29,714 --> 02:36:31,591

(WOMEN SCREAMING)

2106

02:36:36,137 --> 02:36:37,514

(EXCLAIMS IN SURPRISE)

2107

02:36:55,656 --> 02:36:57,203

(LAUGHING)

2108

02:38:01,055 --> 02:38:02,272

<i>Look down!</i>

2109

02:38:05,726 --> 02:38:07,728

<i>A hand on the shoulder!</i>

2110

02:38:08,646 --> 02:38:09,898

MAN: How old are you, mother?

2111

02:38:10,064 --> 02:38:11,361

WOMAN: Sixty-eight.

2112

02:38:11,565 --> 02:38:12,657

Cough for me, mother.

2113

02:38:12,817 --> 02:38:16,572

They say to fall against

the fence is a kindness.

2114

02:38:16,988 --> 02:38:20,037

Don't kill yourself
against the fence, Clara.

2115

02:38:20,116 --> 02:38:22,869

If you do, you'll never know
what happened to you.

2116

02:38:25,955 --> 02:38:27,207

How old are you, mother?

2117

02:38:27,331 --> 02:38:28,583

Sixty-six, sir.

2118

02:38:28,666 --> 02:38:30,714

Sir?

Good morning.

2119

02:38:30,793 --> 02:38:33,797

A mistake has been made. We
are not supposed to be here.

2120

02:38:33,879 --> 02:38:37,304

We work for Oskar Schindler.

We are Schindler Jews.

2121

02:38:37,758 --> 02:38:39,431

Who is Oskar Schindler?

2122

02:38:39,552 --> 02:38:41,179

He had a factory in Krakow.

2123

02:38:41,262 --> 02:38:42,639

Enamelware.

2124

02:38:43,472 --> 02:38:45,065

A pot maker.

2125

02:38:46,100 --> 02:38:47,818

How old are you, mother?

2126

02:38:52,648 --> 02:38:56,323

You are not the only

industrialist who needs labor,

2127

02:38:58,279 --> 02:38:59,451

<i>Mr.</i> Schindler.

2128

02:39:00,948 --> 02:39:03,622

I remember earlier this year,

IG Farben ordered

2129

02:39:03,701 --> 02:39:07,956

a trainload of Hungarians

for its chemical factory.

2130

02:39:09,749 --> 02:39:12,468

The train came in

through the archway

2131

02:39:13,669 --> 02:39:17,515

and the officer in charge of the

selection went immediately to work

2132

02:39:19,467 --> 02:39:21,310

and sent 2,000 of them

2133

02:39:22,094 --> 02:39:24,267

straight away to
Special Treatment.

2134

02:39:26,474 --> 02:39:28,647

It is not my task
to interfere with

2135

02:39:28,809 --> 02:39:31,028

the processes that
take place down here.

2136

02:39:33,147 --> 02:39:37,618

Why do you think I can help you
if I can't help IG Farben?

2137

02:39:38,319 --> 02:39:40,196

Allow me to express the reason.

2138

02:39:50,247 --> 02:39:52,750

I'm not making any
judgment about you.

2139

02:39:53,542 --> 02:39:56,295

It's just that I know
that in the coming months,

2140

02:39:56,378 --> 02:39:59,052

we're all going to
need portable wealth.

2141

02:40:02,718 --> 02:40:04,812

I could have you arrested.

2142

02:40:05,471 --> 02:40:09,271

I'm protected by powerful friends.
You should know that.

2143

02:40:13,270 --> 02:40:15,739

I do not say I
am accepting them.

2144

02:40:17,316 --> 02:40:20,445

All I say is, I'm not comfortable
with them on the table.

2145

02:40:36,085 --> 02:40:38,338

I have a shipment
coming in tomorrow.

2146

02:40:39,380 --> 02:40:41,303

I'll cut you 300 units from it.

2147

02:40:41,715 --> 02:40:44,889

New ones.

These are fresh.

2148

02:40:49,723 --> 02:40:51,691

The train comes,
we turn it around.

2149

02:40:51,767 --> 02:40:53,394

Mmm, yes, yes.

2150

02:40:53,477 --> 02:40:55,150

It's yours.

I understand.

2151

02:40:55,563 --> 02:40:57,031

I want these.

2152

02:41:01,026 --> 02:41:03,120

You shouldn't

get stuck on names.

2153

02:41:11,162 --> 02:41:14,382

That's right. It creates

a lot of paperwork.

2154

02:41:15,541 --> 02:41:19,466

Zoldinger, Ernestina!

Waldergrun, Hilda!

2155

02:41:19,670 --> 02:41:21,513

Waldergrun, Leonora!

2156

02:41:21,797 --> 02:41:25,301

Laast, Anna!

Pfefferberg, Mila!

2157

02:41:25,426 --> 02:41:28,930

Dresner, Chaja!

Dresner, Dan ka!

2158

02:41:29,054 --> 02:41:32,433

Nussbaum, Sidonia!

Rosner, Mancì!

2159

02:41:32,766 --> 02:41:38,023

Hirsch, Helen! Grosz, Chaja Sara!

Seelenfreund, Estella!

2160

02:41:38,105 --> 02:41:39,106

(DOGS BARKING)

2161

02:41:39,190 --> 02:41:40,612

(WOMEN SHOUTING)

2162

02:41:53,537 --> 02:41:56,916

WOMAN SOLDIER: *Run faster!*

Run faster! Faster!*!*

2163

02:41:57,166 --> 02:41:59,635

Faster! Faster!

Come on! Let's go!</i>

2164

02:42:01,045 --> 02:42:04,094

<i>Go, go, go! Faster!</i>

2165

02:42:07,134 --> 02:42:10,308

SOLDIERS: <i>Faster!

Get moving!</i>

2166

02:42:11,597 --> 02:42:13,395

<i>Be afraid! Be afraid!</i>

2167

02:42:17,978 --> 02:42:18,979

(SCREAMING)

2168

02:42:19,104 --> 02:42:20,981

No! No! No!

2169

02:42:24,652 --> 02:42:28,498

WOMAN SOLDIER: <i>Girls, come on now!

Now let's pick up the pace!</i>

2170

02:42:31,700 --> 02:42:33,373

(SCREAMING)

2171

02:42:35,788 --> 02:42:38,291

(SHRIEKING)

2172

02:42:40,334 --> 02:42:43,929

Danka! Danka! Danka!

2173

02:42:44,004 --> 02:42:46,427

No! No! No!

2174

02:42:46,507 --> 02:42:48,805

(SCREAMING)

2175

02:42:48,884 --> 02:42:52,354

Hey! Hey! Hey!

What are you doing?

2176

02:42:52,763 --> 02:42:56,518

These are mine! These are my workers!

They should be on my train!

2177

02:42:57,518 --> 02:42:59,816

They're skilled munitions workers!

They're essential!

2178

02:43:00,688 --> 02:43:02,235

Essential girls!

2179

02:43:03,357 --> 02:43:04,358

(SHRIEKS)

2180

02:43:05,609 --> 02:43:09,409

Their fingers polish the insides
of shell metal casings.

2181

02:43:10,030 --> 02:43:11,703

How else am I to
polish the inside

2182

02:43:11,865 --> 02:43:13,538

of a 45 millimeter
shell casing?

2183

02:43:13,701 --> 02:43:15,829

You tell me.

You tell me!

2184

02:43:18,789 --> 02:43:22,214

Back on the train!

Back on the train!

2185

02:43:24,586 --> 02:43:27,556

(TRAIN WHISTLE BLOWING)

2186

02:45:17,408 --> 02:45:20,378

Under Department "W" provisions

2187

02:45:21,537 --> 02:45:24,461

it is unlawful to kill a

worker without just cause.

2188

02:45:26,041 --> 02:45:28,544

Under the Businesses

Compensation Fund

2189

02:45:29,169 --> 02:45:32,013

I am entitled to file
damage claims for such deaths.

2190

02:45:33,424 --> 02:45:35,677

If you shoot without thinking,

2191

02:45:36,635 --> 02:45:39,855

you go to prison, I get paid.

2192

02:45:41,014 --> 02:45:42,561

That's how it works.

2193

02:45:43,308 --> 02:45:47,029

So, there will be

no summary executions here.

2194

02:45:49,356 --> 02:45:52,530

There will be no interference
of any kind with production.

2195

02:45:54,194 --> 02:45:56,492

In hopes of ensuring
that, guards will

2196

02:45:56,613 --> 02:45:58,866

no longer be allowed
on the factory floor

2197

02:45:59,366 --> 02:46:01,664

without my authorization.

2198

02:46:07,791 --> 02:46:10,635

For your cooperation,
you have my gratitude.

2199

02:46:12,713 --> 02:46:14,431

Come on, come.

2200

02:46:15,549 --> 02:46:17,768

SOLDIER: *<i>Gosh, I haven't seen anything
like this for years.</i>*

2201

02:46:17,885 --> 02:46:21,389

SCHINDLER: Come on, boys, come.

<i>Take a look at the bottles!</i>

2202

02:46:21,763 --> 02:46:26,519

PRIEST: *<i>And forgive us our trespasses...</i>*

2203

02:46:26,602 --> 02:46:30,323

<i>as we forgive...</i>

2204

02:46:30,397 --> 02:46:35,449

CONGREGATION: *<i>...give us this
day our daily bread.</i>*

2205

02:46:35,527 --> 02:46:39,907

<i>And forgive us our trespasses...</i>

2206

02:46:40,282 --> 02:46:43,502

<i>as we forgive...</i>

2207

02:46:43,577 --> 02:46:46,751

<i>...those who trespass against us.</i>

2208

02:46:46,830 --> 02:46:51,210

No doorman or maître d'will
ever mistake you again.

2209

02:46:52,836 --> 02:46:54,008

I promise.

2210

02:46:54,087 --> 02:46:56,931

<i>...but deliver us from evil.</i>

2211

02:46:59,092 --> 02:47:00,514

Itzhak.

2212

02:47:01,929 --> 02:47:03,730

This is Itzhak Stern,
my accountant. Itzhak...

2213

02:47:03,764 --> 02:47:05,437

You must be
Mrs. Schindler.

2214

02:47:05,599 --> 02:47:06,896

It's a pleasure to meet you.

2215

02:47:07,017 --> 02:47:08,314

Emilie has volunteered
to work in the clinic.

2216

02:47:08,435 --> 02:47:10,153

Very generous of you.
I know.

2217

02:47:10,229 --> 02:47:12,607

We need to talk
when you have a moment.

2218

02:47:13,148 --> 02:47:15,526

This is my wife, Stern. I don't
keep any secrets from my spouse.

2219

02:47:15,609 --> 02:47:18,362

Oskar, please, attend to business.
It's much more attractive.

2220

02:47:18,737 --> 02:47:19,829

Madam.
Hello.

2221

02:47:19,905 --> 02:47:21,665

What is it? We've received
an angry complaint

2222

02:47:21,740 --> 02:47:23,458
from the Armaments Board.

2223

02:47:23,534 --> 02:47:25,662
The artillery shells,
tank shells, rocket casings,

2224

02:47:25,744 --> 02:47:28,293
apparently all of them have
failed quality control tests.

2225

02:47:28,413 --> 02:47:30,461
That's to be expected.
Start-up problems.

2226

02:47:30,541 --> 02:47:32,714
This isn't pots and pans.
This is a precise business.

2227

02:47:32,834 --> 02:47:34,677

I'll write them a letter.

They're withholding payment.

2228

02:47:34,753 --> 02:47:36,596

Sure, so would I, so would you.

2229

02:47:36,672 --> 02:47:39,016

I wouldn't worry about it. We'll
get it right one of these days.

2230

02:47:39,091 --> 02:47:42,891

There's a rumor you've been going
around miscalibrating the machines.

2231

02:47:43,720 --> 02:47:46,644

They could shut us down,
send us back to Auschwitz.

2232

02:47:49,476 --> 02:47:51,649

I'll call around, find out
where we can buy shells.

2233

02:47:51,728 --> 02:47:52,729

Pass them off as ours.

2234

02:47:52,854 --> 02:47:53,935

I don't see the difference.

2235

02:47:53,981 --> 02:47:55,073

Whether they're made here

or somewhere else...

2236

02:47:55,148 --> 02:47:56,741

You don't see a difference?

I see a difference.

2237

02:47:56,817 --> 02:47:57,784

You'll lose a lot of money.

2238

02:47:57,859 --> 02:47:59,657

Fewer shells will be made.

2239

02:47:59,736 --> 02:48:01,534

Stern, if this factory

ever produces

2240

02:48:01,655 --> 02:48:03,498

a shell that can
actually be fired,

2241

02:48:03,574 --> 02:48:05,042

I'll be very unhappy-

2242

02:48:06,910 --> 02:48:08,958

WOMAN: Hello, madam.

How do you do?

2243

02:48:19,923 --> 02:48:21,175

(MACHINE GRINDING)

2244

02:48:23,594 --> 02:48:26,473

How are you doing, Rabbi?

Rabbi!

2245

02:48:30,142 --> 02:48:32,019

Good, <i>Mr. Director.</i>

2246

02:48:33,979 --> 02:48:35,447

Sun's going down.

2247

02:48:38,525 --> 02:48:39,993

Yes, it is.

2248

02:48:41,862 --> 02:48:45,583

What day is this? Friday?

It is Friday, isn't it?

2249

02:48:45,782 --> 02:48:46,874

Is it?

2250

02:48:51,455 --> 02:48:55,176

What's the matter with you? You
should be preparing for the Sabbath.

2251

02:48:56,376 --> 02:48:57,753

Shouldn't you?

2252

02:49:05,427 --> 02:49:09,227

I've got some wine.

In my office. Come.

2253

02:49:13,477 --> 02:49:17,198

RABBI LETARTOV: *<i>With the permission of
the masters, rabbis, and gentlemen...</i>*

2254

02:49:19,191 --> 02:49:26,040

<i>Blessed are you, Lord our God, King of the universe,</i>

2255

02:49:26,365 --> 02:49:30,211

<i>who creates the fruit of the vine.</i>

2256

02:49:30,619 --> 02:49:31,916

WORKERS: Amen.

2257

02:49:32,954 --> 02:49:36,208

<i>Blessed are you, Lord our God, King of the universe,</i>

2258

02:49:36,291 --> 02:49:39,340

*<i>who has sanctified us with His commandments
and delighted in us;</i>*

2259

02:49:39,419 --> 02:49:44,971

*<i>And His holy Sabbath with love and favor
he has given us as an inheritance,</i>*

2260

02:49:45,717 --> 02:49:48,186

<i>a memorial to the work of Creation.</i>

2261

02:49:48,261 --> 02:49:53,518

*<i>For it is the first day of the holy convocations,
a memorial of the departure from Egypt.</i>*

2262

02:49:53,600 --> 02:50:00,199

*<i>For you have chosen us and sanctified us
from among all the nations.</i>*

2263

02:50:00,273 --> 02:50:05,575

*<i>And Your holy Sabbath with love and favor you
have given us as an inheritance.</i>*

2264

02:50:05,654 --> 02:50:11,787

*<i>Blessed are you, Lord, who sanctifies
the Sabbath.</i>*

2265

02:50:12,953 --> 02:50:14,045

<i>Good Shabbos.</i>

2266

02:50:14,121 --> 02:50:16,374

(WORKERS RESPOND) <i>Good Shabbos.</i>

2267

02:50:25,006 --> 02:50:26,349

SCHINDLER: What?

2268

02:50:28,218 --> 02:50:33,224

Do you have any money

hidden away someplace

2269

02:50:33,306 --> 02:50:34,899

that I don't know about?

2270

02:50:39,354 --> 02:50:40,446

No.

2271

02:50:46,278 --> 02:50:47,905

Why? Am I broke?

2272

02:50:50,031 --> 02:50:51,032

Uh...

2273

02:50:53,201 --> 02:50:54,498

Well...

2274

02:50:56,496 --> 02:51:01,502

WINSTON CHURCHILL ON RADIO:

<i>Yesterday morning, at 2:41 a.m.,</i>

2275

02:51:02,836 --> 02:51:05,760

<i>at General Eisenhower's

headquarters,</i>

2276

02:51:06,840 --> 02:51:12,847

<i>General Jodl signed the Act
of Unconditional Surrender</i>

2277

02:51:14,055 --> 02:51:18,936

<i>of all German land,
sea and air forces in Europe</i>

2278

02:51:19,978 --> 02:51:22,527

<i>to the Allied

Expeditionary Force</i>

2279

02:51:23,857 --> 02:51:27,953

<i>and simultaneously

to the Soviet High Command.</i>

2280

02:51:28,737 --> 02:51:31,331

<i>The German war is,

therefore, at an end.</i>

2281

02:51:31,406 --> 02:51:32,532

(FOOTSTEPS APPROACHING)

2282

02:51:32,657 --> 02:51:34,625

(KNOCKING AT DOOR) <i>But let us

not forget for a moment...</i>

2283

02:51:34,701 --> 02:51:37,750

I think it's time the guards

came into the factory.

2284

02:51:39,372 --> 02:51:41,215

<i>Japan,

with all her treachery...</i>

2285

02:51:42,375 --> 02:51:46,221

The unconditional surrender of
Germany has just been announced.

2286

02:51:48,048 --> 02:51:51,848

At midnight tonight,
the war is over.

2287

02:51:54,721 --> 02:51:56,974

Tomorrow you'll
begin the process

2288

02:51:57,098 --> 02:51:59,396

of looking for survivors
of your families.

2289

02:52:03,230 --> 02:52:04,698

In most cases,

2290

02:52:06,733 --> 02:52:08,576

you won't find them.

2291

02:52:09,903 --> 02:52:12,122

After six long years of murder,

2292

02:52:12,823 --> 02:52:15,793

victims are being mourned

throughout the world.

2293

02:52:18,245 --> 02:52:19,792

We've survived.

2294

02:52:21,540 --> 02:52:24,589

Many of you have come up to me

and thanked me.

2295

02:52:27,712 --> 02:52:29,385

Thank yourselves.

2296

02:52:31,258 --> 02:52:33,306

Thank your fearless Stern

2297

02:52:34,469 --> 02:52:36,437

and others among you
who worried about you

2298

02:52:36,555 --> 02:52:38,933

and faced death
at every moment.

2299

02:52:43,645 --> 02:52:45,989

I'm a member of the Nazi Party.

2300

02:52:46,648 --> 02:52:48,901

I'm a munitions manufacturer.

2301

02:52:49,693 --> 02:52:51,787

I'm a profiteer of slave labor.

2302

02:52:52,445 --> 02:52:54,368

I am a criminal.

2303

02:52:56,324 --> 02:52:59,453

At midnight you'll be free,
and I'll be hunted.

2304

02:53:01,872 --> 02:53:05,376

I shall remain with you until
five minutes after midnight,

2305

02:53:05,458 --> 02:53:08,632

after which time,
and I hope you'll forgive me,

2306

02:53:08,712 --> 02:53:10,259

I have to flee.

2307

02:53:13,717 --> 02:53:16,971

I know you have received
orders from our commandant,

2308

02:53:17,512 --> 02:53:19,640

which he has received
from his superiors,

2309

02:53:19,806 --> 02:53:21,934

to dispose of the population
of this camp.

2310

02:53:23,018 --> 02:53:25,237

Now would be the time to do it.

2311

02:53:25,312 --> 02:53:29,943

Here they are, they're all here.

This is your opportunity.

2312

02:53:30,025 --> 02:53:31,993

(PEOPLE MURMURING)

2313

02:53:35,155 --> 02:53:36,828

Or you could leave

2314

02:53:39,075 --> 02:53:41,544

and return to

your families as men

2315

02:53:41,620 --> 02:53:43,463

instead of murderers.

2316

02:54:25,872 --> 02:54:29,376

In memory of the countless

victims among your people,

2317

02:54:29,709 --> 02:54:32,713

I ask us to observe

three minutes of silence.

2318

02:54:40,762 --> 02:54:45,438

RABBI LEVARTOV: *<i>Magnified and
sanctified be his great name</i>*

2319

02:54:45,892 --> 02:54:49,817

*<i>In the world that he created according
to his will. May he establish his kingdom,</i>*

2320

02:54:49,896 --> 02:54:53,867

*<i>bring forth his redemption and
hasten the coming of his Messiah.</i>*

2321

02:54:53,942 --> 02:54:59,073

*<i>In your lifetime and in your days, and
in the lifetime f the entire house of Israel,</i>*

2322

02:54:59,155 --> 02:55:02,705

<i>speedily and in a near time; and say, Amen.</i>

2323

02:55:02,784 --> 02:55:03,910

WORKERS: Amen.

2324

02:55:04,285 --> 02:55:08,586

<i>May His great Name be blessed
forever and to all eternity.</i>

2325

02:55:08,665 --> 02:55:12,670

<i>Blessed, praised, glorified, exalted, extolled,</i>

2326

02:55:12,752 --> 02:55:15,505

<i>honored, elevated and lauded</i>

2327

02:55:15,588 --> 02:55:18,307

<i>be the Name of the Holy One, blessed be He.</i>

2328

02:55:19,259 --> 02:55:23,264

<i>May there be great peace from heaven, and good life,</i>

2329

02:55:23,346 --> 02:55:27,146

<i>for us and for all Israel; and say, Amen.</i>

2330

02:55:27,225 --> 02:55:28,272

WORKERS: Amen.

2331

02:55:28,810 --> 02:55:31,438

Thank you, Mr. Jereth.

2332

02:55:32,022 --> 02:55:34,366

Thank you, Mr. Jereth.

2333

02:55:34,524 --> 02:55:35,616

STERN: Open wide.

2334

02:55:38,111 --> 02:55:39,613

Thank you, Mr. Jereth.

2335

02:55:58,631 --> 02:56:00,429

Thank you, Mr. Jereth.

2336

02:56:25,492 --> 02:56:28,211

As soon as peace occurs,

I want...

2337

02:56:29,913 --> 02:56:32,632

I want that cloth

distributed to the workers.

2338

02:56:33,666 --> 02:56:35,794

Two and a half meters each.

2339

02:56:36,419 --> 02:56:39,093

Also, each person is to

get a bottle of vodka.

2340

02:56:39,798 --> 02:56:41,971

They won't drink it.

They know its value.

2341

02:56:42,717 --> 02:56:45,846

Likewise those Egipshi

cigarettes we organized.

2342

02:56:46,346 --> 02:56:48,849

It'll be done.

Everything you ask.

2343

02:57:09,702 --> 02:57:12,672

We've written a letter,
trying to explain things

2344

02:57:14,207 --> 02:57:15,379

in case you are captured.

2345

02:57:18,461 --> 02:57:20,589

Every worker has signed it.

2346

02:57:31,724 --> 02:57:33,146

Thank you.

2347

02:58:00,795 --> 02:58:02,797

It is Hebrew, from the Talmud.

2348

02:58:02,881 --> 02:58:06,385

It says, "Whoever saves one
life, saves the world entire."

2349

02:58:14,267 --> 02:58:15,644

(RING CLATTERING)

2350

02:58:47,634 --> 02:58:49,557

I could have got more out.

2351

02:58:52,639 --> 02:58:54,812

I could have got more.

I don't know.

2352

02:58:55,141 --> 02:58:56,393

If I just...

2353

02:58:58,645 --> 02:58:59,692

I could have got more.

2354

02:58:59,771 --> 02:59:04,072

Oskar, there are 1,100 people who are
alive because of you. Look at them.

2355

02:59:05,693 --> 02:59:07,661

If I'd made more money.

2356

02:59:08,238 --> 02:59:09,455

(LAUGHS)

2357

02:59:11,991 --> 02:59:15,211

I threw away so much money.

2358

02:59:17,872 --> 02:59:20,466

(SOBBING) You have no idea.

2359

02:59:21,876 --> 02:59:23,219

If I had just...

2360

02:59:23,294 --> 02:59:26,173

There will be generations

because of what you did.

2361

02:59:28,508 --> 02:59:30,260

I didn't do enough.

2362

02:59:31,177 --> 02:59:32,770

You did so much.

2363

02:59:37,141 --> 02:59:38,438

This car.

2364

02:59:39,894 --> 02:59:42,022

Goeth would've bought this car.

2365

02:59:42,105 --> 02:59:45,609

Why did I keep the car?

Ten people right there.

2366

02:59:49,404 --> 02:59:50,997

Ten people.

2367

02:59:53,032 --> 02:59:54,659

Ten more people.

2368

02:59:57,453 --> 02:59:59,046

This pin...

2369

02:59:59,163 --> 03:00:00,585

Two people.

2370

03:00:03,668 --> 03:00:05,136

This is gold.

2371

03:00:05,670 --> 03:00:07,263

Two more people.

2372

03:00:07,547 --> 03:00:10,551

He would have given me
two for it, at least one.

2373

03:00:10,675 --> 03:00:12,723

He would have
given me one, one more.

2374

03:00:16,180 --> 03:00:17,807

One more person.

2375

03:00:20,435 --> 03:00:22,062

A person, Stern.

2376

03:00:24,355 --> 03:00:25,698

For this.

2377

03:00:28,401 --> 03:00:31,450

(SOBBING) I could have gotten

2378

03:00:32,196 --> 03:00:35,666

one more person, and I didn't.

2379

03:00:37,243 --> 03:00:38,961

And I didn't!

2380

03:00:39,162 --> 03:00:40,914

(LOUD SOBBING)

2381

03:02:09,585 --> 03:02:11,804

You have been liberated

2382

03:02:12,255 --> 03:02:14,257

by the Soviet Army!

2383

03:02:22,890 --> 03:02:24,563

Have you been in Poland?

2384

03:02:24,725 --> 03:02:25,977

I just came from Poland.

2385

03:02:29,439 --> 03:02:31,191

Are there any Jews left?

2386

03:02:37,321 --> 03:02:38,823

Where should we go?

2387

03:02:39,699 --> 03:02:42,077

RUSSIAN OFFICER: Don't go
east, that's for sure.

2388

03:02:42,160 --> 03:02:43,753

They hate you there.

2389

03:02:45,538 --> 03:02:47,757

I wouldn't go west either,
if I were you.

2390

03:02:50,376 --> 03:02:52,344

We could use some food.

2391

03:02:55,047 --> 03:02:57,391

Isn't there a town over there?

2392

03:03:07,768 --> 03:03:14,743

CHORUS: *The mountain air is clear as wine, and the scent of pines*

2393

03:03:15,735 --> 03:03:22,710

Is carried on the twilight wind with the sound of bells.

2394

03:03:23,701 --> 03:03:27,706

And in the slumber of tree and stone, captive in its dream,

2395

03:03:27,788 --> 03:03:31,338

The city that sits solitary,

2396

03:03:31,751 --> 03:03:38,760

And in its heart a wall.

2397

03:03:39,091 --> 03:03:43,016

Jerusalem of gold,

2398

03:03:43,095 --> 03:03:46,690

<i>and of bronze, and of light,</i>

2399

03:03:47,099 --> 03:03:51,195

<i>Behold, for all your songs,</i>

2400

03:03:51,270 --> 03:03:54,820

<i>I am a violin.</i>

2401

03:03:54,899 --> 03:03:58,699

<i>Jerusalem of gold,</i>

2402

03:03:58,778 --> 03:04:02,624

<i>and of bronze, and of light,</i>

2403

03:04:02,698 --> 03:04:06,828

<i>Behold, for all your songs,</i>

2404

03:04:06,911 --> 03:04:10,836

<i>I am a violin.</i>

2405

03:04:12,124 --> 03:04:13,250

<i>Heil</i> Hitler.

2406

03:04:13,334 --> 03:04:19,387

<i>How the water wells have dried, the market square is empty,</i>

2407

03:04:19,465 --> 03:04:22,969

<i>And no one visits the Temple Mount</i>

2408

03:04:23,052 --> 03:04:26,932

<i>in the Old City.</i>

2409

03:04:27,557 --> 03:04:31,528

<i>And in the caves that are in the rock,</i>

2410

03:04:31,602 --> 03:04:35,448

<i>the winds are howling,</i>

2411

03:04:35,523 --> 03:04:38,868

<i>And no one goes down to the Dead Sea</i>

2412

03:04:38,943 --> 03:04:42,789

<i>by way of Jericho.</i>

2413

03:04:42,863 --> 03:04:46,788

<i>Jerusalem of gold,</i>

2414

03:04:46,867 --> 03:04:50,747

<i>and of bronze, and of light,</i>

2415

03:04:50,830 --> 03:04:54,926

<i>Behold, for all your songs,</i>

2416

03:04:55,001 --> 03:04:58,596

<i>I am a violin.</i>

2417

03:04:58,671 --> 03:05:02,426

<i>Jerusalem of gold,</i>

2418

03:05:02,508 --> 03:05:06,308

<i>and of bronze, and of light,</i>

2419

03:05:06,387 --> 03:05:10,358

<i>Behold, for all your songs,</i>

2420

03:05:10,433 --> 03:05:13,687

<i>I am a violin.</i>
