

Dialogues from Sleeping Beauty to improve the vocabulary in English

1

00:00:17,839 --> 00:00:20,433

<i>[Singing]</i>

<i>I know you</i>

2

00:00:20,475 --> 00:00:25,674

<i>I waked with you</i>

<i>once upon a dream</i>

3

00:00:25,714 --> 00:00:28,512

<i>I know you</i>

4

00:00:28,550 --> 00:00:33,419

<i>The gleam in your eyes</i>

<i>is so familiar a gleam</i>

5

00:00:33,455 --> 00:00:36,754

<i>Yet I know it's true</i>

6

00:00:36,791 --> 00:00:41,353

<i>That visions</i>

<i>are seldom all they seem</i>

7

00:00:41,396 --> 00:00:43,864

<i>But if I know you</i>

8

00:00:43,898 --> 00:00:45,923

<i>I know what you'll do</i>

9

00:00:45,967 --> 00:00:48,007

<i>You'll Love

me at once</i>

10

00:00:48,136 --> 00:00:55,907

<i>The way you did</i>

<i>once upon a dream</i>

11

00:02:05,947 --> 00:02:09,576

<i>NARRATOR: "In a far away land</i>

<i>long ago lived a King...</i>

12

00:02:09,617 --> 00:02:11,642

<i>"and his fair Queen.</i>

13

00:02:11,686 --> 00:02:14,587

<i>"Many years had they longed</i>

<i>for a child...</i>

14

00:02:14,622 --> 00:02:17,147

<i>"and finally</i>

<i>their wish was granted.</i>

15

00:02:17,192 --> 00:02:22,289

<i>"A daughter was born,</i>

<i>and they called her Aurora."</i>

16

00:02:22,330 --> 00:02:27,825

<i>CHORUS: Sweet Aurora</i>

17

00:02:29,537 --> 00:02:31,937

<i>NARRATOR: "Yes, they named her</i>

<i>after the dawn...</i>

18

00:02:31,973 --> 00:02:35,670

<i>"for she filled their lives</i>

<i>with sunshine.</i>

19

00:02:35,710 --> 00:02:38,144

<i>"Then a great holiday</i>

<i>was proclaimed...</i>

20

00:02:38,179 --> 00:02:39,806

<i>"throughout the kingdom...</i>

21

00:02:39,848 --> 00:02:42,180

<i>"so that all of high</i>

<i>or low estate...</i>

22

00:02:42,217 --> 00:02:46,313

<i>"might pay homage</i>

<i>to the infant Princess.</i>

23

00:02:46,354 --> 00:02:50,757

<i>"And our story begins</i>

<i>on that most joyful day."</i>

24

00:02:50,792 --> 00:02:53,784

<i>CHORUS: On that joyful day</i>

25

00:02:53,828 --> 00:02:57,320

<i>On that joyful day</i>

26

00:03:00,802 --> 00:03:04,898

<i>Joyfully now</i>

<i>to our Princess we come</i>

27

00:03:04,939 --> 00:03:07,066

<i>Bringing gifts</i>

<i>and all good wishes</i>

28

00:03:07,108 --> 00:03:09,770

<i>To replete</i>

<i>our loyalty anew</i>

29

00:03:09,811 --> 00:03:13,975

<i>Hail to the Princess Aurora</i>

30

00:03:14,015 --> 00:03:18,076

<i>All of her subjects</i>

<i>adore her</i>

31

00:03:18,119 --> 00:03:20,280

<i>Hail to the King</i>

32

00:03:20,321 --> 00:03:22,289

<i>Hail to the Queen</i>

33

00:03:22,323 --> 00:03:26,851

<i>Hail to the Princess Aurora</i>

34

00:03:26,895 --> 00:03:31,059

<i>Health to the Princess,</i>

<i>wealth to the Princess</i>

35

00:03:31,099 --> 00:03:35,365

<i>Long live</i>

<i>the Princess Aurora</i>

36

00:03:35,403 --> 00:03:39,703

<i>Hail Aurora</i>

37

00:03:39,741 --> 00:03:44,041

<i>Hail Aurora</i>

38

00:03:44,078 --> 00:03:48,412

<i>Health to the Princess,</i>

<i>wealth to the Princess</i>

39

00:03:48,449 --> 00:03:52,715

<i>Long Live</i>

<i>the Princess Aurora</i>

40

00:03:52,754 --> 00:03:54,813

<i>Hail to the King</i>

41

00:03:54,856 --> 00:03:56,790

<i>Hail to the Queen</i>

42

00:03:56,824 --> 00:04:06,256

<i>Hail to the Princess Aurora</i>

43

00:04:06,301 --> 00:04:08,963

<i>NARRATOR: "Thus,</i>

<i>on this great and joyous day...</i>

44

00:04:09,003 --> 00:04:13,269

<i>"did all the kingdom celebrate</i>

<i>the Awaited-awaited royal birth...</i>

45

00:04:13,308 --> 00:04:16,800

<i>"and good King Stefan</i>

<i>and his Queen made welcome...</i>

46

00:04:16,844 --> 00:04:18,243

<i>"their Lifelong friend."</i>

47

00:04:19,314 --> 00:04:21,305

[Playing fanfare]

48

00:04:25,253 --> 00:04:28,484

[Loudly]

Their Royal Highnesses...

49

00:04:28,523 --> 00:04:33,790

<i>King Hubert</i>

<i>and Prince Philip!</i>

50

00:04:33,828 --> 00:04:36,422

<i>NARRATOR: "Fondly had these</i>
<i>monarchs dreamed one day...</i>

51

00:04:36,464 --> 00:04:38,295

<i>"their kingdoms to unite...</i>

52

00:04:38,333 --> 00:04:40,028

<i>"thus, today would they</i>

<i>announce...</i>

53

00:04:40,068 --> 00:04:42,901

<i>"that Philip,</i>

<i>Hubert's son and heir...</i>

54

00:04:42,937 --> 00:04:45,838

<i>"to Stefan's child</i>

<i>would be betrothed."</i>

55

00:04:47,842 --> 00:04:50,709

<i>"And so, to her</i>

<i>his gift he brought...</i>

56

00:04:50,745 --> 00:04:54,772

<i>"and Looked, unknowing,</i>

<i>on his future bride."</i>

57

00:04:57,785 --> 00:04:59,776

[Playing fanfare]

58

00:05:08,796 --> 00:05:13,096

<i>ANNOUNCER: Their most honored</i>

<i>and exalted Excellencies...</i>

59

00:05:13,134 --> 00:05:16,297

<i>the three good fairies...</i>

60

00:05:18,640 --> 00:05:21,108

<i>Mistress Flora...</i>

61

00:05:21,142 --> 00:05:23,474

<i>Mistress Fauna...</i>

62

00:05:23,511 --> 00:05:26,776

<i>and Mistress Merryweather!</i>

63

00:05:26,814 --> 00:05:28,714

<i>[Trumpet fanfare]</i>

64

00:05:36,791 --> 00:05:38,281

- Ahh.

- Oh.

65

00:05:38,326 --> 00:05:41,090

The little darling.

66

00:05:43,331 --> 00:05:45,390

FAIRIES: Your Majesties.

67

00:05:45,433 --> 00:05:47,833

Each of us

the child may bless...

68

00:05:47,869 --> 00:05:49,530

with a single gift...

69

00:05:49,570 --> 00:05:52,266

no more, no less.

70

00:05:55,610 --> 00:05:58,738

Little Princess,
my gift shall be...

71

00:05:58,780 --> 00:06:01,271

the gift of beauty.

72

00:06:04,285 --> 00:06:07,550

<i>CHORUS: One gift</i>

73

00:06:07,588 --> 00:06:11,752

<i>Beauty rare</i>

74

00:06:11,793 --> 00:06:18,699

<i>Gold of sunshine</i>

<i>in her hair</i>

75

00:06:18,733 --> 00:06:25,502

<i>Lips that shame</i>

<i>the red, red rose</i>

76

00:06:25,540 --> 00:06:33,811

<i>She'll walk with springtime</i>

<i>wherever she goes</i>

77

00:06:39,654 --> 00:06:41,884

Tiny Princess...

78

00:06:41,923 --> 00:06:45,825

my gift shall be

the gift of song.

79

00:06:52,266 --> 00:06:54,962

<i>CHORUS: One gift</i>

80

00:06:55,002 --> 00:06:59,063

<i>The gift of song</i>

81

00:06:59,107 --> 00:07:05,410

<i>Melody her whole life Long</i>

82

00:07:05,446 --> 00:07:12,750

<i>The nightingales</i>

<i>her tune adore</i>

83

00:07:12,787 --> 00:07:22,287

<i>Bringing his sweet</i>

<i>serenade to her door</i>

84

00:07:26,801 --> 00:07:31,101

Sweet Princess,

my gift shall be the...

85

00:07:31,139 --> 00:07:33,266

[Doors thump]

86

00:07:33,307 --> 00:07:36,276

Wind howls]

87

00:07:41,215 --> 00:07:44,309

[Thunder and lightning]

88

00:07:53,761 --> 00:07:55,490

<i>FAUNA: Why, it's Maleficent.</i>

89

00:07:55,530 --> 00:07:57,327

What does she want here?

90

00:07:57,365 --> 00:07:58,423

Shhh.

91

00:07:58,466 --> 00:08:00,058

Well...

92

00:08:00,101 --> 00:08:03,264

Quite a glittering
assemblage, King Stefan.

93

00:08:03,304 --> 00:08:09,436

Royalty, nobility,
the gentry, and...

94

00:08:09,477 --> 00:08:12,537

ah ha ha ha ha...
how quaint.

95

00:08:12,580 --> 00:08:14,445

<i>Even the rabble.</i>

96

00:08:14,482 --> 00:08:15,540

Ooooh.

97

00:08:15,583 --> 00:08:17,448

I really felt
quite distressed...

98

00:08:17,485 --> 00:08:19,419

at not receiving
an invitation.

99

00:08:19,453 --> 00:08:20,545

You weren't wanted.

100

00:08:20,588 --> 00:08:23,785

Not wa... ah ha.

101

00:08:23,825 --> 00:08:26,885

Oh, dear,
what an awkward situation.

102

00:08:26,928 --> 00:08:29,055

<i>I had hoped</i>

<i>it was merely due...</i>

103

00:08:29,096 --> 00:08:30,757

<i>to some oversight.</i>

104

00:08:30,798 --> 00:08:33,562

Well, in that event,

I'd best be on my way.

105

00:08:33,601 --> 00:08:34,795

And...

106

00:08:34,836 --> 00:08:37,236

you're not offended,

Your Excellency?

107

00:08:37,271 --> 00:08:40,866

Why, no, Your Majesty...

108

00:08:40,908 --> 00:08:43,502

and to show I bear

no ill will...

109

00:08:43,544 --> 00:08:49,346

I, too, shall bestow
a gift on the child.

110

00:08:49,383 --> 00:08:51,943

Listen well, all of you.

111

00:08:51,986 --> 00:08:53,647

[Scepter clangs]

112

00:08:53,688 --> 00:08:59,183

The Princess shall indeed
grow in grace and beauty...

113

00:08:59,227 --> 00:09:03,561

beloved by all
who know her.

114

00:09:03,598 --> 00:09:06,226

But...

115

00:09:06,267 --> 00:09:09,498

before the sun sets
on her sixteenth birthday...

116

00:09:09,537 --> 00:09:12,005

she shall prick her finger...

117

00:09:12,039 --> 00:09:14,564

<i>on the spindle</i>

<i>of a spinning wheel...</i>

118

00:09:14,609 --> 00:09:16,509

<i>and die!</i>

119

00:09:16,544 --> 00:09:18,011

Oh, no!

120

00:09:18,045 --> 00:09:19,205

Ha ha ha ha ha ha ha.

121

00:09:19,247 --> 00:09:21,374

<i>KING STEFAN:</i>

<i>Seize that creature!</i>

122

00:09:21,415 --> 00:09:23,110

Stand back, you fools!

123

00:09:23,150 --> 00:09:25,448

<i>[Thunder and lightning]</i>

124

00:09:25,486 --> 00:09:30,788

[Laughs devilishly]

125

00:09:35,496 --> 00:09:37,396

Don't despair,

Your Majesties.

126

00:09:37,431 --> 00:09:40,229

Merryweather still has

her gift to give.

127

00:09:40,268 --> 00:09:43,965

Then she can undo

this fearful curse?

128

00:09:44,005 --> 00:09:45,768

Oh, no, sire.

129

00:09:45,806 --> 00:09:48,741

Maleficent's powers
are far too great.

130

00:09:48,776 --> 00:09:51,301

But she can help.

131

00:09:52,947 --> 00:09:54,073

But...

132

00:09:54,115 --> 00:09:55,912

FAUNA: Just do

your best, dear.

133

00:09:55,950 --> 00:09:56,939

FLORA: Yes, go on.

134

00:09:58,884 --> 00:10:00,749

Sweet Princess...

135

00:10:00,786 --> 00:10:03,482

<i>If through this</i>

<i>wicked witch's trick...</i>

136

00:10:03,522 --> 00:10:05,752

<i>a spindle should</i>

<i>your finger prick...</i>

137

00:10:05,791 --> 00:10:09,522

<i>a ray of hope</i>

<i>there still may be in this...</i>

138

00:10:09,561 --> 00:10:12,189

<i>the gift I give to thee.</i>

139

00:10:12,231 --> 00:10:15,166

<i>Not in death,</i>

<i>but just in sleep...</i>

140

00:10:15,200 --> 00:10:17,566

<i>this fateful prophecy</i>

<i>you'll keep...</i>

141

00:10:17,603 --> 00:10:20,197

<i>and from this slumber</i>

<i>you shall wake...</i>

142

00:10:20,239 --> 00:10:24,471

<i>when true love's kiss</i>

<i>the spell shall break.</i>

143

00:10:24,510 --> 00:10:34,852

<i>CHORUS: For true Love</i>

<i>conquers all</i>

144

00:10:35,854 --> 00:10:37,822

<i>NARRATOR: "But King Stefan...</i>

145

00:10:37,856 --> 00:10:39,949

<i>"still fearful</i>

<i>of his daughter's Life...</i>

146

00:10:39,992 --> 00:10:42,187

<i>"did then and there decree...</i>

147

00:10:42,227 --> 00:10:44,422

"that every spinning wheel
in the kingdom..."

148

00:10:44,463 --> 00:10:47,330

"should on that very day
be burned."

149

00:10:47,366 --> 00:10:49,766

"So 'rwas done."

150

00:10:49,801 --> 00:10:51,291

[Fire crackles]

151

00:11:05,317 --> 00:11:08,753

Oh, silly...

152

00:11:10,322 --> 00:11:13,291

Now, come have a nice
cup of tea, dear.

153

00:11:13,325 --> 00:11:15,555

I'm sure it will
work out somehow.

154

00:11:15,594 --> 00:11:18,791

Well, a bonfire won't
stop Maleficent.

155

00:11:18,830 --> 00:11:21,094

Of course not,
but what will?

156

00:11:21,133 --> 00:11:22,998

Perhaps if we
reason with her...

157

00:11:23,035 --> 00:11:24,059

Reason?

158

00:11:24,102 --> 00:11:25,296

With Maleficent?

159

00:11:25,337 --> 00:11:27,032

Well, she can't be
all bad.

160

00:11:27,072 --> 00:11:29,006

<i>Oh, yes, she can.</i>

161

00:11:29,041 --> 00:11:33,705

Oooh. I'd like to turn her
into a fat, old hop toad.

162

00:11:33,745 --> 00:11:36,976

Now, dear, that isn't
a very nice thing to say.

163

00:11:37,015 --> 00:11:38,346

<i>Besides, we can't.</i>

164

00:11:38,383 --> 00:11:40,578

You know our magic
doesn't work that way.

165

00:11:40,619 --> 00:11:42,280

it can only do good, dear...

166

00:11:42,321 --> 00:11:44,312

to bring joy and happiness.

167

00:11:44,356 --> 00:11:46,347

Well, *that* would
make me happy.

168

00:11:46,391 --> 00:11:46,525

But there must be some way.

169

00:11:46,525 --> 00:11:50,086

But there must be some way.

170

00:11:50,128 --> 00:11:51,356

There is!

171

00:11:51,396 --> 00:11:53,921

There is?

What is it, Flora?

172

00:11:53,966 --> 00:11:55,763

I'm going to...

173

00:11:55,801 --> 00:11:57,462

Shh, shh, shh,
shh, shh, shh.

174

00:11:57,502 --> 00:11:59,800

[QUIETLY

Even walls have ears.

175

00:12:03,809 --> 00:12:05,299

Follow me.

176

00:12:18,323 --> 00:12:19,517

[Click]

177

00:12:19,558 --> 00:12:22,823

I'll turn her into a flower.

178

00:12:22,861 --> 00:12:24,294

Maleficent?

179

00:12:24,329 --> 00:12:26,729

No, no, dear, the Princess.

180

00:12:26,765 --> 00:12:29,290

Oh, she'd make
a lovely flower.

181

00:12:29,334 --> 00:12:30,301

Don't you see?

182

00:12:30,335 --> 00:12:31,802

A flower can't prick its finger.

183

00:12:31,837 --> 00:12:32,804

it hasn't any.

184

00:12:32,838 --> 00:12:34,066

That's right.

185

00:12:34,106 --> 00:12:36,301

<i>She'll be perfectly safe.</i>

186

00:12:36,341 --> 00:12:38,707

Until Maleficent
sends a frost.

187

00:12:38,744 --> 00:12:40,507

Yes. Er...

188

00:12:40,545 --> 00:12:42,376

Oh, dear.

189

00:12:42,414 --> 00:12:45,815

She always ruins
your nicest flowers.

190

00:12:45,851 --> 00:12:47,409

You're right...

191

00:12:47,452 --> 00:12:50,512

and she'll be expecting us
to do something like that.

192

00:12:50,555 --> 00:12:51,954

Oooh.

193

00:12:51,990 --> 00:12:53,753

Well, what won't she expect?

194

00:12:53,792 --> 00:12:55,453

She knows everything.

195

00:12:55,494 --> 00:12:57,325

Oh, but she doesn't, dear.

196

00:12:57,362 --> 00:13:00,263

Maleficent doesn't know
anything about love...

197

00:13:00,299 --> 00:13:04,030

or kindness or the joy
of helping others.

198

00:13:04,069 --> 00:13:06,765

<i>You know, sometimes</i>

<i>I don't think...</i>

199

00:13:06,805 --> 00:13:08,830

<i>she's really very happy.</i>

200

00:13:08,874 --> 00:13:10,136

That's it.

201

00:13:10,175 --> 00:13:11,733

Of course.

202

00:13:11,777 --> 00:13:13,904

It's the only thing

she can't understand...

203

00:13:13,945 --> 00:13:15,606

and won't expect.

204

00:13:15,647 --> 00:13:16,773

[Giggles]

Oh!

205

00:13:16,815 --> 00:13:17,873

Now, now, now...

206

00:13:17,916 --> 00:13:19,474

we have to plan it carefully.

207

00:13:19,518 --> 00:13:21,782

<i>Let's see,</i>

<i>the woodcutter's cottage.</i>

208

00:13:21,820 --> 00:13:23,549

<i>Yes, yes, yes,</i>

<i>the abandoned one.</i>

209

00:13:23,588 --> 00:13:26,113

Of course, the King and Queen
will object...

210

00:13:26,158 --> 00:13:28,786

<i>but when we explain</i>

<i>it's the only way...</i>

211

00:13:28,827 --> 00:13:31,796

<i>MERRYWEATHER:</i>

<i>Explain what?</i>

212

00:13:31,830 --> 00:13:36,028

About the three peasant women

raising a foundling child...

213

00:13:36,068 --> 00:13:37,865

deep in the forest.

214

00:13:37,903 --> 00:13:39,302

Oh?

215

00:13:39,338 --> 00:13:41,363

Well, that's very nice of them.

216

00:13:41,406 --> 00:13:42,373

Who are they?

217

00:13:42,407 --> 00:13:44,341

Turn around.

218

00:13:45,844 --> 00:13:47,004

[Both gasp]

219

00:13:47,045 --> 00:13:49,707

- Why, it's us!

- Uh-huh.

220

00:13:49,748 --> 00:13:51,238

You mean we us?

221

00:13:51,283 --> 00:13:52,250

Uh-huh.

222

00:13:52,284 --> 00:13:54,047

Take care of the baby?

223

00:13:54,086 --> 00:13:55,246

<i>Why not?</i>

224

00:13:55,287 --> 00:13:57,585

<i>Oh, I'd like that!</i>

225

00:13:57,622 --> 00:14:00,022

Well, y-yes, but we'd have
to feed it...

226

00:14:00,058 --> 00:14:03,755

And wash it and dress it
and rock it to sleep.

227

00:14:03,795 --> 00:14:04,921

Oh, I'd love it.

228

00:14:04,963 --> 00:14:06,624

You really think we can?

229

00:14:06,665 --> 00:14:08,826

If humans can do it,
so can we.

230

00:14:08,867 --> 00:14:11,267

And we'd have
our magic to help us.

231

00:14:11,303 --> 00:14:12,770

<i>That's right.</i>

232

00:14:12,804 --> 00:14:14,032

No, no, no,
no, no, no!

233

00:14:14,072 --> 00:14:15,664

No magic.

234

00:14:15,707 --> 00:14:18,039

I'll take those wands
right now.

235

00:14:18,076 --> 00:14:20,772

Oh, better get rid
of those wings, too.

236

00:14:20,812 --> 00:14:22,871

You mean live like mortals?

237

00:14:22,914 --> 00:14:24,848

For sixteen years?

238

00:14:24,883 --> 00:14:26,282

<i>FLORA: Uh-huh.</i>

239

00:14:26,318 --> 00:14:28,582

But now... now
we don't know how.

240
00:14:28,620 --> 00:14:30,611
We've never done anything
without magic.

241
00:14:30,655 --> 00:14:33,249
And that's why Maleficent
will never suspect.

242
00:14:33,291 --> 00:14:35,350
But who'll wash and cook?

243
00:14:35,394 --> 00:14:37,294
Oh, we'll all pitch in.

244
00:14:37,329 --> 00:14:38,796
I'll take care of the baby.

245
00:14:38,830 --> 00:14:41,025
Let me have it, dear.

246

00:14:41,066 --> 00:14:42,931

Come along, now.

247

00:14:42,968 --> 00:14:46,426

We must tell

Their Majesties at once.

248

00:14:49,207 --> 00:14:50,231

<i>FAUNA, FAINTLY: Flora.</i>

249

00:14:50,275 --> 00:14:52,266

<i>MERRYWEATHER, FAINTLY:</i>

<i>Flora.</i>

250

00:14:57,282 --> 00:14:59,477

<i>NARRATOR: "So the King</i>

<i>and his Queen watched...</i>

251

00:14:59,518 --> 00:15:01,042

<i>"with heavy hearts...</i>

252

00:15:01,086 --> 00:15:04,317

<i>"as their most precious</i>
<i>possession, their only child...</i>

253

00:15:04,356 --> 00:15:06,824

<i>"disappeared into the night."</i>

254

00:15:19,471 --> 00:15:22,372

<i>"Many sad and lonely years</i>

<i>passed by...</i>

255

00:15:22,407 --> 00:15:25,376

<i>"for King Stefan</i>

<i>and his people.</i>

256

00:15:25,410 --> 00:15:27,935

<i>"But as the time</i>

<i>for the Princess's...</i>

257

00:15:27,979 --> 00:15:29,776

<i>"sixteenth birthday</i>

<i>drew near...</i>

258

00:15:29,815 --> 00:15:33,512

<i>"the entire kingdom</i>

<i>began to rejoice...</i>

259

00:15:33,552 --> 00:15:35,349

<i>"for everyone knew...</i>

260

00:15:35,387 --> 00:15:37,514

<i>"that as Long</i>

<i>as Maleficent's domain...</i>

261

00:15:37,556 --> 00:15:39,353

<i>"the forbidden mountains...</i>

262

00:15:39,391 --> 00:15:41,859

<i>"thundered with her wrath</i>

<i>and frustration...</i>

263

00:15:41,893 --> 00:15:45,420

<i>"her evil prophecy</i>

<i>had not yet been fulfilled."</i>

264

00:15:45,831 --> 00:15:49,323

[Thunder and lightning]

265

00:15:52,270 --> 00:15:54,761

[Thunder]

266

00:15:57,042 --> 00:15:59,203

It's incredible!

267

00:15:59,244 --> 00:16:03,738

Sixteen years,

and not a trace of her!

268

00:16:03,782 --> 00:16:06,751

<i>She couldn't have vanished</i>

<i>into thin air!</i>

269

00:16:06,785 --> 00:16:10,915

Are you sure

you searched everywhere?

270

00:16:10,956 --> 00:16:12,787

[Shorting]

Yeah, yeah, uh...

271

00:16:12,824 --> 00:16:14,917

Everywhere... we all did.

272

00:16:14,960 --> 00:16:16,257

Yeah! Yeah!

273

00:16:16,294 --> 00:16:17,921

[All cackle]

274

00:16:17,963 --> 00:16:19,328

And what about the town?

275

00:16:19,364 --> 00:16:20,797

The forest? The mountains?

276

00:16:20,832 --> 00:16:22,766

Uh, we check mountains...

277

00:16:22,801 --> 00:16:24,268

uh... uh, forest...

278

00:16:24,302 --> 00:16:25,269

[Snorts]

279

00:16:25,303 --> 00:16:28,101

Uh, houses and, uh,
let me see, uh...

280

00:16:28,139 --> 00:16:29,800

and all the cradles.

281

00:16:29,841 --> 00:16:31,138

Cradles?

282

00:16:31,176 --> 00:16:33,474

Uh, yep, yep.

Ha ha ha ha.

283

00:16:33,512 --> 00:16:35,480

Every cradle.

284

00:16:35,514 --> 00:16:37,778

Cradle?!

285

00:16:37,816 --> 00:16:40,341

Did you hear that, my pet?

286

00:16:40,385 --> 00:16:42,819

All these years...

287

00:16:42,854 --> 00:16:45,550

<i>they've been looking</i>

<i>for a baby.</i>

288

00:16:45,590 --> 00:16:47,285

Oh, ha ha ha!

289

00:16:47,325 --> 00:16:50,556

[Cackling]

290

00:16:50,595 --> 00:16:53,223

[Snorting and laughing]

291

00:16:53,265 --> 00:16:57,326

[All laugh]

292

00:16:57,369 --> 00:16:58,631

Fools!

293

00:16:58,670 --> 00:16:59,796

[Shorts]

294

00:16:59,838 --> 00:17:01,305

<i>Idiots!</i>

295

00:17:01,339 --> 00:17:02,966

<i>Imbeciles!</i>

296

00:17:03,008 --> 00:17:04,498

- Aaah!

- Aaah!

297

00:17:05,510 --> 00:17:07,808

[Thunder]

298

00:17:07,846 --> 00:17:10,144

[Howling and shrieking]

299

00:17:10,181 --> 00:17:12,809

Ooh! Ooh!

Ouch! Ouch!

300

00:17:12,851 --> 00:17:14,478

Ahhh.

301

00:17:14,519 --> 00:17:16,510

[Scepter clangs]

302

00:17:17,856 --> 00:17:20,256

Oh, they're hopeless...

303

00:17:20,292 --> 00:17:24,490

a disgrace

to the forces of evil.

304

00:17:24,529 --> 00:17:27,828

Oh, my pet.

305

00:17:27,866 --> 00:17:30,357

You are my last hope.

306

00:17:30,402 --> 00:17:33,496

Circle far and wide.

307

00:17:33,538 --> 00:17:38,635

Search for a maid of sixteen,
with hair of sunshine gold...

308

00:17:38,677 --> 00:17:41,168

and lips red as the rose.

309

00:17:41,212 --> 00:17:45,205

Go, and do not fail me.

310

00:17:50,355 --> 00:17:52,721

<i>NARRATOR: "And so,</i>

<i>for sixteen Long years...</i>

311

00:17:52,757 --> 00:17:54,725

<i>"the whereabouts</i>

<i>of the Princess...</i>

312

00:17:54,759 --> 00:17:56,226

<i>"remained a mystery..."</i>

313

00:17:56,261 --> 00:17:59,458

<i>"while deep in the forest"</i>

<i>in a woodcutter's cottage..."</i>

314

00:17:59,497 --> 00:18:03,297

<i>"the good fairies carried out"</i>

<i>their well-laid plan."</i>

315

00:18:03,335 --> 00:18:04,802

<i>"Living like mortals..."</i>

316

00:18:04,836 --> 00:18:06,861

<i>"they had reared the child"</i>

<i>as their own..."</i>

317

00:18:06,905 --> 00:18:09,738

<i>"and called her Briar Rose."</i>

318

00:18:09,774 --> 00:18:12,265

<i>[Woman sings indistinctly]</i>

319

00:18:14,779 --> 00:18:17,213

<i>"On this,</i>

<i>her sixteenth birthday...</i>

320

00:18:17,248 --> 00:18:19,716

<i>"the good fairies</i>

<i>had planned a party...</i>

321

00:18:19,751 --> 00:18:23,585

<i>"and something extra special</i>

<i>for a surprise."</i>

322

00:18:23,622 --> 00:18:25,590

Well, now,

how about this one?

323

00:18:25,624 --> 00:18:26,989

This is the one I picked.

324

00:18:27,025 --> 00:18:29,050

Ooh, she'll look

beautiful in that.

325

00:18:29,094 --> 00:18:30,891

Now, I thought
a few changes here.

326

00:18:30,929 --> 00:18:31,953

Uh-huh.

327

00:18:31,997 --> 00:18:33,089

Don't forget a pretty bow.

328

00:18:33,131 --> 00:18:35,224

Yes, and raise
the shoulder line.

329

00:18:35,266 --> 00:18:36,699

We'll make it blue.

330

00:18:36,735 --> 00:18:37,827

Oh, no, dear, pink.

331

00:18:37,869 --> 00:18:39,302

Of course, we'll need
a few pleats.

332

00:18:39,337 --> 00:18:41,066

<i>MERRYWEATHER: Yes, but how are</i>
<i>we going to get her...</i>

333

00:18:41,106 --> 00:18:42,198

<i>out of the house?</i>

334

00:18:42,240 --> 00:18:44,265

<i>FLORA: I'll think</i>
<i>of something.</i>

335

00:18:44,309 --> 00:18:45,776

Well.

336

00:18:45,810 --> 00:18:48,244

<i>And what are you</i>
<i>three dears up to?</i>

337

00:18:48,279 --> 00:18:49,712

- Up to?

- Up to?

338

00:18:49,748 --> 00:18:51,909

Up to? Er, er...

339

00:18:51,950 --> 00:18:54,077

<i>[All stutter]</i>

340

00:18:54,119 --> 00:18:56,952

We... we want you

to pick some berries.

341

00:18:56,988 --> 00:18:59,081

That's it... berries.

342

00:18:59,124 --> 00:19:01,217

- Berries?

- Lots of berries.

343

00:19:01,259 --> 00:19:03,227

But I picked berries yesterday.

344

00:19:03,261 --> 00:19:05,729

FLORA: Oh, we need more, dear.

345

00:19:05,764 --> 00:19:07,698

FAUNA: Lots, lots more.

346

00:19:07,732 --> 00:19:09,222

<i>FLORA: Yes.</i>

347

00:19:09,267 --> 00:19:11,701

<i>Now, don't hurry back, dear.</i>

348

00:19:11,736 --> 00:19:13,260

But don't go too far.

349

00:19:13,304 --> 00:19:14,635

And don't speak to strangers.

350

00:19:14,673 --> 00:19:16,231

<i>FAUNA: Good-bye, dear.</i>

351

00:19:16,274 --> 00:19:19,368

<i>ALL: Good-bye!</i>

<i>Good-bye!</i>

352

00:19:20,779 --> 00:19:22,770

I wonder if she suspected.

353

00:19:22,814 --> 00:19:24,247

Of course not.

354

00:19:24,282 --> 00:19:25,306

[Giggling]

Come on.

355

00:19:25,350 --> 00:19:27,944

Oh, will she be surprised.

356

00:19:27,986 --> 00:19:29,920

A real birthday party...

357

00:19:29,954 --> 00:19:31,888

with a real birthday cake.

358

00:19:31,923 --> 00:19:34,858

Yes, and a dress

a Princess can be proud of.

359

00:19:34,893 --> 00:19:36,656

I'll get the wands.

360

00:19:36,695 --> 00:19:37,992

<i>FLORA: Yes, you g...</i>

361

00:19:38,029 --> 00:19:39,155

the wands?

362

00:19:39,197 --> 00:19:40,357

Oh, no!

363

00:19:40,398 --> 00:19:41,956

<i>FLORA: No magic.</i>

364

00:19:42,000 --> 00:19:44,525

But the sixteen years

are almost over.

365

00:19:44,569 --> 00:19:46,594

We're taking no chances.

366

00:19:46,638 --> 00:19:49,766

But I've never baked

a fancy cake.

367

00:19:49,808 --> 00:19:51,833

Oh, you won't have to, dear.

368

00:19:51,876 --> 00:19:54,037

I'm going to bake the cake.

369

00:19:54,079 --> 00:19:55,046

You?

370

00:19:55,080 --> 00:19:56,980

Oh, she's always

wanted to, dear...

371

00:19:57,015 --> 00:19:58,277

and this is her last chance.

372

00:19:58,316 --> 00:19:59,305

Well...

373

00:19:59,350 --> 00:20:01,011

I'm going to make it

fifteen layers...

374

00:20:01,052 --> 00:20:03,179

with pink and blue

forget-me-nots.

375

00:20:03,221 --> 00:20:05,086

And I'm making the dress.

376

00:20:05,123 --> 00:20:08,820

But you can't sew,

and she's never cooked.

377

00:20:08,860 --> 00:20:10,418

Oh, ho, ho, it's simple.

378

00:20:10,462 --> 00:20:12,453

All you do is follow the book.

379

00:20:12,497 --> 00:20:14,124

Up here, dear.

380

00:20:14,165 --> 00:20:16,793

You can be the dummy.

381

00:20:16,835 --> 00:20:20,293

Well, I still say

we ought to use magic.

382

00:20:20,338 --> 00:20:21,703

[Flora chuckles]

383

00:20:21,740 --> 00:20:23,503

<i>FAUNA: La la</i>

<i>la da da da da</i>

384

00:20:23,541 --> 00:20:24,803

Dee dee dee deedle um

385

00:20:24,843 --> 00:20:26,037

La da da

386

00:20:26,077 --> 00:20:29,410

"Flour, 3 cups."

387

00:20:29,447 --> 00:20:32,814

Cups, cups, cups, cups,
cups, cups, cups.

388

00:20:32,851 --> 00:20:33,818

Oh.

389

00:20:33,852 --> 00:20:35,376

Dee da dee da da dum

390

00:20:35,420 --> 00:20:38,821

1, 2, 3.

391

00:20:38,857 --> 00:20:40,290

What's that for?

392

00:20:40,325 --> 00:20:43,021

Well, it's got to have
a hole in the bottom.

393

00:20:43,061 --> 00:20:45,359

<i>That's for the feet</i>
<i>to go through.</i>

394

00:20:48,366 --> 00:20:49,731

It's pink.

395

00:20:49,768 --> 00:20:51,998

Oh, lovely shade, isn't it?

396

00:20:52,036 --> 00:20:53,936

But I wanted it blue.

397

00:20:53,972 --> 00:20:55,303

Now, dear...

398

00:20:55,340 --> 00:20:57,774

we decided pink was her color.

399

00:20:57,809 --> 00:20:59,572

<i>You decided.</i>

400

00:20:59,611 --> 00:21:01,602

[Flora chuckles]

401

00:21:01,646 --> 00:21:03,307

[Muffled talking]

402

00:21:08,419 --> 00:21:09,909

<i>[Fauna humming]</i>

403

00:21:11,823 --> 00:21:15,919

"Two eggs, fold in gently."

404

00:21:15,960 --> 00:21:17,518

Fold?

405

00:21:17,562 --> 00:21:18,790

Oh, well.

406

00:21:18,830 --> 00:21:21,025

[Humming]

407

00:21:21,065 --> 00:21:22,726

[Eggs cracking]

408

00:21:22,767 --> 00:21:24,894

[Muffled]

I can't breathe!

409

00:21:26,104 --> 00:21:27,901

[Muffled]

Get me out of here!

410

00:21:30,675 --> 00:21:32,074

it looks awful.

411

00:21:32,110 --> 00:21:33,941

That's because

it's on you, dear.

412

00:21:33,978 --> 00:21:36,970

"Now yeast, 1 tsp."

413

00:21:37,015 --> 00:21:37,982

Tsp?

414

00:21:38,016 --> 00:21:39,813

One teaspoon.

415

00:21:39,851 --> 00:21:42,081

[Giggling]

One teaspoon! Of course!

416

00:21:42,120 --> 00:21:44,213

<i>FLORA: Hmm.</i>

417

00:21:44,255 --> 00:21:45,984

[Humming]

418

00:21:49,460 --> 00:21:51,121

Oh, gracious!

419

00:21:51,162 --> 00:21:52,754

How that child has grown!

420

00:21:52,797 --> 00:21:56,665

Oh, it seems only yesterday
we brought her here.

421

00:21:56,701 --> 00:21:59,465

Just a tiny baby.

422

00:22:01,105 --> 00:22:02,094

[Sniffing]

423

00:22:02,140 --> 00:22:03,437

Why, Merryweather!

424

00:22:03,474 --> 00:22:05,840

Whatever is the matter, dear?

425

00:22:05,877 --> 00:22:08,675

After today,
she'll be a Princess...

426

00:22:08,713 --> 00:22:11,181

and we won't have
any Briar Rose.

427

00:22:11,216 --> 00:22:12,843

Oh, Flora!

428

00:22:12,884 --> 00:22:14,146

Now, now, now, now.

429

00:22:14,185 --> 00:22:17,518

W-we... we all knew
this day had to come.

430

00:22:17,555 --> 00:22:20,786

But why did it have
to come so soon?

431

00:22:20,825 --> 00:22:22,156

After all...

432

00:22:22,193 --> 00:22:24,559

we've had her for sixteen years.

433

00:22:24,596 --> 00:22:27,429

Sixteen wonderful years.

434

00:22:27,465 --> 00:22:28,693

[Sniffing]

435

00:22:28,733 --> 00:22:30,530

[Clears throat]

436

00:22:30,568 --> 00:22:32,001

Good gracious!

437

00:22:32,036 --> 00:22:34,197

We're acting like

a lot of ninnies!

438

00:22:34,239 --> 00:22:37,367

Come on! She'll be back

before we get started.

439

00:22:38,443 --> 00:22:40,343

<i>[Birds tweeting]</i>

440

00:22:44,749 --> 00:22:46,341

[Singing]

441

00:22:52,356 --> 00:22:53,380

[Bird repeats tune]

442

00:22:57,361 --> 00:22:59,295

<i>[Briar Rose sings]</i>

443

00:23:04,735 --> 00:23:06,794

[Bird repeats tune]

444

00:23:10,274 --> 00:23:12,299

<i>[Briar Rose sings]</i>

445

00:23:15,713 --> 00:23:17,806

[Bird repeats tune]

446

00:23:23,187 --> 00:23:24,984

[Sings]

447

00:23:49,247 --> 00:23:51,807

[Owl hooting in harmony]

448

00:24:00,791 --> 00:24:02,281

[Birds tweeting]

449

00:24:17,775 --> 00:24:19,800

<i>[Briar Rose singing faintly]</i>

450

00:24:24,448 --> 00:24:27,212

Do you hear that, Samson?

451

00:24:27,251 --> 00:24:28,275

Beautiful!

452

00:24:28,319 --> 00:24:29,308

[Snorts]

453

00:24:33,057 --> 00:24:35,116

What is it?

454

00:24:35,159 --> 00:24:36,490

Come on. Let's find out.

455

00:24:37,862 --> 00:24:39,056

[Shorts]

456

00:24:39,096 --> 00:24:41,087

Aw, come on.

457

00:24:41,132 --> 00:24:43,600

For an extra bucket of oats?

458

00:24:43,634 --> 00:24:45,966

And a few... carrots?

459

00:24:47,138 --> 00:24:48,628

Hup, boy!

460

00:24:59,283 --> 00:25:01,274

<i>[Briar Rose singing]</i>

461

00:25:18,369 --> 00:25:19,393

<i>[Leaves rustle]</i>

462

00:25:19,437 --> 00:25:20,836

<i>Whoa!</i>

463

00:25:20,871 --> 00:25:21,838

[Snorts]

464

00:25:21,872 --> 00:25:23,396

<i>[Splash]</i>

465

00:25:33,484 --> 00:25:36,783

No carrots.

466

00:25:36,821 --> 00:25:37,388

[Birds tweeting]

467

00:25:37,388 --> 00:25:39,288

[Birds tweeting]

468

00:25:39,323 --> 00:25:41,314

[Humming]

469

00:25:48,199 --> 00:25:51,498

<i>I wonder</i>

470

00:25:51,535 --> 00:25:55,130

<i>I wonder</i>

471

00:25:55,172 --> 00:25:59,108

<i>I wonder why</i>

<i>each little bird</i>

472

00:25:59,143 --> 00:26:02,271

<i>Has a someone</i>

473

00:26:02,313 --> 00:26:05,282

<i>To sing to</i>

474

00:26:05,316 --> 00:26:08,513

<i>Sweet things to</i>

475

00:26:08,552 --> 00:26:15,788

<i>A gay, little lark melody</i>

476

00:26:15,826 --> 00:26:19,853

<i>I wonder</i>

477

00:26:19,897 --> 00:26:22,866

<i>I wonder</i>

478

00:26:22,900 --> 00:26:26,529

<i>If my heart</i>

<i>keeps singing</i>

479

00:26:26,570 --> 00:26:30,131

<i>Will my song</i>

<i>go winging</i>

480

00:26:30,174 --> 00:26:33,632

<i>To someone</i>

481

00:26:33,677 --> 00:26:37,477

<i>Who'll find me</i>

482

00:26:37,515 --> 00:26:48,653

<i>And bring back</i>

<i>a Love song to me</i>

483

00:26:51,529 --> 00:26:54,054

[Sighing]

Oh, dear.

484

00:26:54,098 --> 00:26:56,896

Why do they still

treat me like a child?

485

00:26:59,270 --> 00:27:00,328

Whoo!

486

00:27:01,605 --> 00:27:04,301

Aunt Flora, Aunt Fauna...

487

00:27:04,341 --> 00:27:05,831

<i>Aunt Merryweather.</i>

488

00:27:05,876 --> 00:27:07,707

[Birds tweeting]

489

00:27:07,745 --> 00:27:09,770

They never want me
to meet anyone.

490

00:27:12,917 --> 00:27:14,612

[Giggles]

491

00:27:14,652 --> 00:27:16,779

But you know something?

492

00:27:16,821 --> 00:27:19,289

Whispering]

I fooled them.

493

00:27:19,323 --> 00:27:22,019

I have met someone.

494

00:27:22,059 --> 00:27:23,185

Whoo!

495

00:27:26,263 --> 00:27:28,163

Whoo! Whoo!

496

00:27:29,366 --> 00:27:32,358

Oh... a Prince.

497

00:27:32,403 --> 00:27:34,030

[Tweeting]

498

00:27:34,071 --> 00:27:38,508

Well, he's tall

and handsome and...

499

00:27:38,542 --> 00:27:40,635

and so romantic!

500

00:27:40,678 --> 00:27:42,976

[Tweeting]

501

00:27:43,013 --> 00:27:48,110

Oh, we walk together

and talk together...

502

00:27:48,152 --> 00:27:51,212

and just before

we say good-bye...

503

00:27:51,255 --> 00:27:53,314

he takes me in his arms...

504

00:27:53,357 --> 00:27:54,346

[Tweeting]

505

00:27:54,391 --> 00:27:55,619

And then...

506

00:27:55,659 --> 00:27:57,422

[Tweeting loudly]

507

00:27:57,461 --> 00:27:58,655

I wake up.

508

00:27:58,696 --> 00:28:00,994

[Sighing tweet]

509

00:28:02,600 --> 00:28:06,468

<i>BRIAR ROSE: Yes,</i>

<i>it's only in my dreams.</i>

510

00:28:06,504 --> 00:28:08,904

<i>But they say if you dream</i>

<i>a thing more than once...</i>

511

00:28:08,939 --> 00:28:11,169

it's sure to come true.

512

00:28:11,208 --> 00:28:14,507

And I've seen him

so many times.

513

00:28:15,779 --> 00:28:17,770

<i>[Briar Rose humming]</i>

514

00:28:37,101 --> 00:28:39,763

[Chuckling]

515

00:28:43,607 --> 00:28:44,801

[Tweeting]

516

00:28:54,118 --> 00:28:55,813

[Tweeting]

517

00:28:55,853 --> 00:28:58,549

<i>MAN: You know, Samson...</i>

518

00:28:58,589 --> 00:29:02,320

there's something strange

about that voice.

519

00:29:02,359 --> 00:29:04,293

Too beautiful to be real.

520

00:29:05,596 --> 00:29:08,326

<i>MAN: Maybe it was</i>

<i>some mysterious being...</i>

521

00:29:08,365 --> 00:29:10,230

a... a wood sprite or a...

522

00:29:10,267 --> 00:29:11,325

[Snorts]

523

00:29:11,368 --> 00:29:12,892

[Neighs]

524

00:29:12,937 --> 00:29:14,666

<i>MAN: Here! Stop!</i>

525

00:29:19,643 --> 00:29:21,270

[Birds tweeting]

526

00:29:37,628 --> 00:29:41,394

[Birds tweet
and Briar Rose hums]

527

00:29:41,432 --> 00:29:43,161

<i>[Owl chuckles]</i>

528

00:29:43,200 --> 00:29:44,565

[Gasps]

529

00:29:44,602 --> 00:29:48,038

<i>BRIAR ROSE: Why,</i>

<i>it's my dream Prince!</i>

530

00:29:48,072 --> 00:29:51,371

<i>[Briar Rose giggles]</i>

531

00:29:51,408 --> 00:29:53,876

Your Highness.

532

00:29:53,911 --> 00:29:55,811

[Sings]

533

00:29:59,350 --> 00:30:01,341

You know, I'm really

not supposed...

534

00:30:01,385 --> 00:30:03,080

to speak to strangers...

535

00:30:03,120 --> 00:30:05,054

but we've met before.

536

00:30:05,089 --> 00:30:08,286

<i>I know you</i>

537

00:30:08,325 --> 00:30:13,854

<i>I waked with you</i>

<i>once upon a dream</i>

538

00:30:13,897 --> 00:30:16,422

<i>I know you</i>

539

00:30:16,467 --> 00:30:22,064

<i>The gleam in your eyes</i>

<i>is so familiar a gleam</i>

540

00:30:22,106 --> 00:30:25,872

<i>And I know it's true</i>

541

00:30:25,909 --> 00:30:30,573

<i>That visions are seldom</i>

<i>all they seem</i>

542

00:30:30,614 --> 00:30:33,310

<i>But if I know you</i>

543

00:30:33,350 --> 00:30:35,784

<i>I know what you'll do</i>

544

00:30:35,819 --> 00:30:39,050

<i>You'll Love me at once</i>

545

00:30:39,089 --> 00:30:47,554

<i>The way you did once</i>

<i>upon a dream</i>

546

00:30:47,598 --> 00:30:49,429

[Sings]

547

00:30:55,272 --> 00:30:57,638

<i>But if I know you</i>

548

00:30:57,675 --> 00:31:00,371

<i>I know what you'll do</i>

549

00:31:00,411 --> 00:31:03,812

<i>You'll Love me at once</i>

550

00:31:03,847 --> 00:31:10,275

<i>MAN: The way you did</i>

<i>once upon a dream</i>

551

00:31:10,320 --> 00:31:13,221

[Chuckles]

BRIAR ROSE: Oh!

552

00:31:13,257 --> 00:31:14,451

Oh!

553

00:31:14,491 --> 00:31:15,822

I'm awfully sorry.

554

00:31:15,859 --> 00:31:18,020

I didn't mean to frighten you.

555

00:31:18,062 --> 00:31:20,496

Oh, it... wasn't that.

556

00:31:20,531 --> 00:31:23,261

It's just that
you're a... a...

557

00:31:23,300 --> 00:31:24,733

A stranger?

558

00:31:24,768 --> 00:31:25,792

<i>BRIAR ROSE: Mm-hmm.</i>

559

00:31:25,836 --> 00:31:26,928

<i>MAN: But don't you remember?</i>

560

00:31:26,970 --> 00:31:28,437

<i>We've met before.</i>

561

00:31:28,472 --> 00:31:29,564

We... we have?

562

00:31:29,606 --> 00:31:30,595

Well, of course.

563

00:31:30,641 --> 00:31:31,835

You said so yourself.

564

00:31:31,875 --> 00:31:34,070

"Once upon a dream."

565

00:31:34,111 --> 00:31:36,545

<i>MAN: I know you</i>

566

00:31:36,580 --> 00:31:42,075

<i>I walked with you</i>

<i>once upon a dream</i>

567

00:31:42,119 --> 00:31:45,282

<i>I know you</i>

568

00:31:45,322 --> 00:31:47,347

<i>The gleam in your eyes</i>

569

00:31:47,391 --> 00:31:51,259

<i>Is so familiar a gleam</i>

570

00:31:51,295 --> 00:31:57,825

<i>CHOIR:</i>

<i>And I know it's true</i>

571

00:31:57,868 --> 00:32:03,306

<i>That visions are</i>

<i>seldom all they seem</i>

572

00:32:03,340 --> 00:32:07,276

<i>But if I know you</i>

573

00:32:07,311 --> 00:32:10,212

<i>I know what you'll do</i>

574

00:32:10,247 --> 00:32:13,444

<i>You'll Love me at once</i>

575

00:32:13,484 --> 00:32:17,215

<i>The way you did once</i>

576

00:32:17,254 --> 00:32:26,253

<i>Upon a dream</i>

577

00:32:30,768 --> 00:32:32,463

Who are you?

578

00:32:32,503 --> 00:32:33,936

What's your name?

579

00:32:35,105 --> 00:32:36,231

Hmm?

580

00:32:37,541 --> 00:32:39,566

Oh. My name.

581

00:32:39,610 --> 00:32:41,339

Why, it's...

582

00:32:41,378 --> 00:32:42,811

it's...

583

00:32:42,846 --> 00:32:44,177

Oh, no, no! I can't! I...

584

00:32:45,849 --> 00:32:46,816

Good-bye!

585

00:32:46,850 --> 00:32:48,112

But when will I see you again?

586

00:32:48,152 --> 00:32:50,017

Oh, never! Never!

587

00:32:50,053 --> 00:32:51,816

<i>MAN: Never!</i>

588

00:32:51,855 --> 00:32:54,323

Well... maybe someday.

589

00:32:54,358 --> 00:32:55,791

When? Tomorrow?

590

00:32:55,826 --> 00:32:58,556

<i>BRIAR ROSE:</i>

<i>Oh, no. This evening.</i>

591

00:32:58,595 --> 00:32:59,653

<i>MAN: Where?</i>

592

00:32:59,696 --> 00:33:02,096

At the cottage, in the glen.

593

00:33:07,337 --> 00:33:09,771

<i>[Fauna humming]</i>

594

00:33:09,807 --> 00:33:10,774

<i>[Blows out match]</i>

595

00:33:10,808 --> 00:33:12,002

There.

596

00:33:12,042 --> 00:33:13,304

Whoop!

597

00:33:18,782 --> 00:33:20,613

Well, what do you think of it?

598

00:33:20,651 --> 00:33:22,278

Why, it...

599

00:33:22,319 --> 00:33:25,254

it's a very unusual
cake, isn't it?

600

00:33:25,289 --> 00:33:27,018

Yes.

601

00:33:27,057 --> 00:33:29,855

Of course, it will be
much stiffer after it's baked.

602

00:33:29,893 --> 00:33:31,360

<i>FLORA: Of course, dear.</i>

603

00:33:31,395 --> 00:33:33,886

Um... what do you
think of the dress?

604

00:33:33,931 --> 00:33:35,865

Well, it... it's...

605

00:33:35,899 --> 00:33:37,764

<i>FAUNA: It-it's not exactly...</i>

606

00:33:37,801 --> 00:33:39,530

<i>the way it is in</i>

<i>the book, is it?</i>

607

00:33:39,570 --> 00:33:41,470

Oh, I improved it.

608

00:33:41,505 --> 00:33:44,338

But perhaps if I added

a few more ruffles...

609

00:33:44,374 --> 00:33:46,433

uh, what do you think?

610

00:33:46,476 --> 00:33:49,377

Um... I think so.

611

00:33:49,413 --> 00:33:51,005

What do you think,

Merryweather?

612

00:33:51,048 --> 00:33:55,075

I think we've had enough
of this nonsense!

613

00:33:55,118 --> 00:33:56,949

I think we ought
to think of Rose

614

00:33:56,987 --> 00:34:00,081

and what she'll
think of this mess!

615

00:34:00,123 --> 00:34:02,751

I still think what
I thunk before.

616

00:34:02,793 --> 00:34:04,818

<i>I'm going to get those wands!</i>

617

00:34:07,130 --> 00:34:09,963

You know... I think
she's right.

618

00:34:11,134 --> 00:34:13,534

Here they are!

Good as new!

619

00:34:13,570 --> 00:34:14,901

<i>FLORA: Uh, uh, tut,</i>

<i>tut, tut, tut...</i>

620

00:34:14,938 --> 00:34:17,736

C-c-careful, Merryweather.

621

00:34:17,774 --> 00:34:18,763

[Quietly]

Quick!

622

00:34:18,809 --> 00:34:20,902

Lock the doors.

623

00:34:20,944 --> 00:34:22,707

<i>FLORA: Fauna,</i>

<i>you close the windows.</i>

624

00:34:22,746 --> 00:34:25,715

<i>Oh, plug up every cranny.</i>

625

00:34:25,749 --> 00:34:27,717

We can't take any chances.

626

00:34:27,751 --> 00:34:29,218

[Door squeaks]

627

00:34:29,253 --> 00:34:31,778

Now, you take care

of the cake.

628

00:34:31,822 --> 00:34:32,789

<i>MERRYWEATHER: While I...</i>

629

00:34:32,823 --> 00:34:34,256

Clean the room, dear.

630

00:34:34,291 --> 00:34:36,953

And I'll make the dress.

631

00:34:36,994 --> 00:34:37,961

<i>FAUNA: Now, hurry!</i>

632

00:34:37,995 --> 00:34:39,087

Ooh!

633

00:34:41,231 --> 00:34:43,392

Come on,

bucket, mop, broom.

634

00:34:43,433 --> 00:34:46,231

<i>Flora says,</i>

<i>"Clean up the room."</i>

635

00:34:53,777 --> 00:34:55,335

<i>[Merryweather chuckling]</i>

636

00:34:55,379 --> 00:34:57,779

And now, to make a lovely dress

637

00:34:57,814 --> 00:35:00,112

fit to grace a fair Princess.

638

00:35:02,419 --> 00:35:04,512

<i>FAUNA: Eggs, flour, lemon</i>

639

00:35:04,554 --> 00:35:05,680

<i>[Voice cracks]</i>

640

00:35:05,722 --> 00:35:08,190

Just do it like it

says here in the book.

641

00:35:08,225 --> 00:35:10,125

I'll put on the candles.

642

00:35:38,355 --> 00:35:40,016

[Snipping]

643

00:36:04,247 --> 00:36:04,348

Oh, no! Not pink!

644

00:36:04,348 --> 00:36:06,316

Oh, no! Not pink!

645

00:36:06,350 --> 00:36:07,817

Make it blue!

646

00:36:07,851 --> 00:36:09,148

[Gasps]

647

00:36:09,186 --> 00:36:10,813

Merryweather!

648

00:36:10,854 --> 00:36:11,946

Make it pink.

649

00:36:15,892 --> 00:36:17,052

Whispering]

Make it blue.

650

00:36:19,262 --> 00:36:21,423

Oh! Pink!

651

00:36:23,300 --> 00:36:24,392

Blue!

652

00:36:50,594 --> 00:36:52,152

[Caws]

653

00:36:52,195 --> 00:36:53,753

[Cawing]

654

00:37:01,538 --> 00:37:02,903

[Caw caw]

655

00:37:16,953 --> 00:37:20,582

<i>FLORA: Oh, now look</i>

<i>what you've done!</i>

656

00:37:20,624 --> 00:37:21,591

<i>[Briar Rose singing distantly]</i>

657

00:37:21,625 --> 00:37:24,025

Shh! Shh! Listen!

658

00:37:24,061 --> 00:37:25,494

It's Rose!

659

00:37:25,529 --> 00:37:26,928

She's back!

660

00:37:26,963 --> 00:37:28,328

Enough of this foolishness!

661

00:37:32,135 --> 00:37:33,227

Make it pink.

662

00:37:33,270 --> 00:37:35,033

Now hide! Quick!

663

00:37:36,139 --> 00:37:37,902

<i>[Briar Rose singing distantly]</i>

664

00:37:37,941 --> 00:37:39,568

Whispering]

Blue!

665

00:37:39,609 --> 00:37:41,270

Aunt Flora!

666

00:37:43,346 --> 00:37:45,143

Good gracious!

667

00:37:45,182 --> 00:37:47,412

<i>Who left the mop running?</i>

668

00:37:47,451 --> 00:37:49,783

[Gasping]

Stop, mop!

669

00:37:52,389 --> 00:37:53,651

Aunt Flora!

670

00:37:53,690 --> 00:37:56,181

Fauna! Merryweather!

671

00:37:59,262 --> 00:38:00,752

<i>BRIAR ROSE:</i>

<i>Where is everybody?</i>

672

00:38:00,797 --> 00:38:01,764

[Gasps]

673

00:38:01,798 --> 00:38:03,459

Oh!

674

00:38:03,500 --> 00:38:05,593

<i>FAIRIES: Surprise! Surprise!</i>

675

00:38:05,635 --> 00:38:07,626

Happy Birthday!

676

00:38:07,671 --> 00:38:09,070

Oh, you darlings!

677

00:38:09,106 --> 00:38:11,973

This is the happiest day

of my life!

678

00:38:12,008 --> 00:38:14,476

Everything's so wonderful!

679

00:38:14,511 --> 00:38:16,342

Just wait till you meet him!

680

00:38:16,379 --> 00:38:17,607

Him?

681

00:38:17,647 --> 00:38:19,012

Rose!

682

00:38:19,049 --> 00:38:21,142

You've met some stranger?

683

00:38:21,184 --> 00:38:23,584

Oh, he's not a stranger.

684

00:38:23,620 --> 00:38:25,247

We've met before.

685

00:38:25,288 --> 00:38:26,255

You have?

686

00:38:26,289 --> 00:38:27,415

Where?

687

00:38:27,457 --> 00:38:29,652

Once upon a dream.

688

00:38:29,693 --> 00:38:32,321

<i>I know you</i>

689

00:38:32,362 --> 00:38:38,028

<i>I walked with you</i>

<i>once upon a dream</i>

690

00:38:38,068 --> 00:38:39,831

FAUNA: She's in love!

691

00:38:39,870 --> 00:38:42,668

- Oh, no!

- This is terrible!

692

00:38:42,706 --> 00:38:44,571

Why?

693

00:38:44,608 --> 00:38:46,166

After all, I am sixteen.

694

00:38:46,209 --> 00:38:48,268

it isn't that, dear.

695

00:38:48,311 --> 00:38:50,336

You're already betrothed.

696

00:38:50,380 --> 00:38:51,472

Betrothed?

697

00:38:51,515 --> 00:38:53,210

Since the day you were born.

698

00:38:53,250 --> 00:38:55,184

To Prince Phillip, dear.

699

00:38:55,218 --> 00:38:57,345

But that's impossible.

700

00:38:57,387 --> 00:38:59,048

How could I marry a Prince?

701

00:38:59,089 --> 00:39:00,317

<i>BRIAR ROSE:</i>

<i>I'd have to be...</i>

702

00:39:00,357 --> 00:39:01,381

A Princess.

703

00:39:01,424 --> 00:39:02,755

And you are, dear.

704

00:39:02,792 --> 00:39:04,316

Princess Aurora.

705

00:39:04,361 --> 00:39:08,957

<i>Tonight, we're taking you back</i>

<i>to your father, King Stefan.</i>

706

00:39:08,999 --> 00:39:11,433

But... but I can't!

707

00:39:11,468 --> 00:39:13,197

He's coming here tonight.

708

00:39:13,236 --> 00:39:14,498

<i>I promised to meet him.</i>

709

00:39:14,538 --> 00:39:16,028

<i>FLORA:</i>

<i>I'm sorry, child.</i>

710

00:39:16,072 --> 00:39:20,168

But you must never see
that young man again.

711

00:39:20,210 --> 00:39:22,303

Oh, no! No!

712

00:39:22,345 --> 00:39:24,643

<i>I can't believe it!</i>

713

00:39:24,681 --> 00:39:27,582

[Sobbing]

No! No!

714

00:39:32,255 --> 00:39:35,315

And we thought
she'd be so happy.

715

00:39:35,359 --> 00:39:37,293

[Sobbing]

716

00:39:48,305 --> 00:39:50,330

[Sighs]

717

00:39:50,374 --> 00:39:52,342

No sign of her yet, Hubert.

718

00:39:52,376 --> 00:39:55,311

[Munching]

Of course not.

719

00:39:55,345 --> 00:39:57,540

It's a good half-hour
till sunset.

720

00:39:59,683 --> 00:40:01,742

[Gulps and burps]

721

00:40:01,785 --> 00:40:03,412

Ah, excellent bird.

722

00:40:03,453 --> 00:40:05,717

Mmm!

723

00:40:05,756 --> 00:40:08,247

Aw, now, come, man!

724

00:40:08,291 --> 00:40:09,485

Buck up!

725

00:40:09,526 --> 00:40:11,084

Battle's over.

726

00:40:11,128 --> 00:40:13,028

<i>HUBERT: Girl is</i>

<i>as good as here.</i>

727

00:40:13,063 --> 00:40:14,394

I'm sorry, Hubert...

728

00:40:14,431 --> 00:40:17,491

but after sixteen years

of worrying...

729

00:40:17,534 --> 00:40:18,796

never knowing...

730

00:40:18,835 --> 00:40:21,702

The past! All in the past!

731

00:40:21,738 --> 00:40:24,172

[Claps]

732

00:40:27,544 --> 00:40:31,742

<i>HUBERT: Tonight,</i>

<i>we toast the future...</i>

733

00:40:31,782 --> 00:40:34,114

with something I've

been saving for sixteen years.

734

00:40:34,151 --> 00:40:35,846

[Chuckles]

735

00:40:37,587 --> 00:40:39,077

Here!

736

00:40:39,122 --> 00:40:40,419

To the future!

737

00:40:40,457 --> 00:40:41,754

<i>STEFAN: Right, Hubert.</i>

738

00:40:41,792 --> 00:40:43,316

<i>To the future!</i>

739

00:40:43,360 --> 00:40:44,850

<i>[Both chuckling]</i>

740

00:40:46,029 --> 00:40:47,963

Skumps! Skumps!

741

00:40:47,998 --> 00:40:49,260

Skumps!

742

00:40:49,299 --> 00:40:51,267

<i>A toast to this night</i>

743

00:40:51,301 --> 00:40:53,201

<i>The outlook is rosy</i>

744

00:40:53,236 --> 00:40:54,999

<i>The future is bright</i>

745

00:40:55,038 --> 00:40:56,835

<i>BOTH: Our children</i>

<i>will marry</i>

746

00:40:56,873 --> 00:40:58,670

<i>Our kingdoms unite</i>

747

00:40:58,708 --> 00:41:04,613

<i>Skumps, skumps,</i>

<i>skumps</i>

748

00:41:08,118 --> 00:41:10,712

<i>HUBERT: Ah!</i>

<i>Excellent vintage!</i>

749

00:41:10,754 --> 00:41:13,052

<i>[Hubert chuckles]</i>

750

00:41:13,089 --> 00:41:14,283

[Hiccups]

751

00:41:15,725 --> 00:41:18,216

And now, to the new home, eh?

752

00:41:18,261 --> 00:41:19,250

New home?

753

00:41:19,296 --> 00:41:20,888

Children need a nest
of their own, what?

754

00:41:20,931 --> 00:41:22,159

<i>[Hubert chuckles]</i>

755

00:41:22,199 --> 00:41:24,292

<i>A place to raise their</i>

<i>little brood, eh?</i>

756

00:41:24,334 --> 00:41:25,494

<i>[Chuckles]</i>

757

00:41:25,535 --> 00:41:27,662

<i>STEFAN: Well,</i>

<i>I suppose, in time.</i>

758

00:41:27,704 --> 00:41:30,002

<i>Of course! To the home!</i>

759

00:41:30,040 --> 00:41:32,031

- Skumps!

- Skumps!

760

00:41:32,075 --> 00:41:34,043

<i>A toast to the home</i>

761

00:41:34,077 --> 00:41:35,544

<i>One grander, by far</i>

762

00:41:35,579 --> 00:41:37,570

<i>Than a palace in Rome</i>

763

00:41:37,614 --> 00:41:39,309

Uh, let me fill up your glass.

764

00:41:39,349 --> 00:41:41,408

Ha! Ha! That last

was all foam.

765

00:41:41,451 --> 00:41:46,753

<i>Skumps, skumps, skumps</i>

766

00:41:46,790 --> 00:41:49,554

<i>[Laughter]</i>

767

00:41:51,294 --> 00:41:52,261

<i>[Hubert claps]</i>

768

00:41:52,295 --> 00:41:54,024

[String twangs]

769

00:41:54,064 --> 00:41:55,622

The plans!

770

00:42:00,504 --> 00:42:01,596

[Hiccups]

771

00:42:01,638 --> 00:42:03,037

<i>HUBERT: Weir,</i>

<i>what do you think?</i>

772

00:42:03,073 --> 00:42:05,132

Nothing elaborate, of course.

773

00:42:05,175 --> 00:42:07,302

Forty bedrooms, dining hall.

774

00:42:07,344 --> 00:42:09,039

Honeymoon cottage, really.

775

00:42:09,079 --> 00:42:10,307

You... you mean...

776

00:42:10,347 --> 00:42:12,372

you're building it already?

777

00:42:12,415 --> 00:42:14,280

Built, man! Finished!

778

00:42:14,317 --> 00:42:16,148

Lovebirds can move in tomorrow.

779

00:42:16,186 --> 00:42:17,551

Tomorrow?

780

00:42:17,587 --> 00:42:20,351

But, Hubert, they're
not even married yet!

781

00:42:20,390 --> 00:42:22,255

I'll take care of that tonight.

782

00:42:22,292 --> 00:42:23,554

To the wedding!

783

00:42:23,593 --> 00:42:24,992

Now, hold on, Hubert.

784

00:42:25,028 --> 00:42:27,326

<i>I haven't even seen</i>

<i>my daughter yet...</i>

785

00:42:27,364 --> 00:42:29,298

<i>and you're taking her</i>

<i>away from me.</i>

786

00:42:29,332 --> 00:42:30,731

<i>HUBERT: Getting</i>

<i>my Philip, aren't you?</i>

787

00:42:30,767 --> 00:42:31,995

<i>Yes, but...</i>

788

00:42:32,035 --> 00:42:34,196

<i>Want to see our</i>

<i>grandchildren, don't we?</i>

789

00:42:34,237 --> 00:42:35,397

Of course, but...

790

00:42:35,438 --> 00:42:36,962

Well, there's no time to lose.

791

00:42:37,007 --> 00:42:38,406

Getting on in years.

792

00:42:38,441 --> 00:42:39,533

Ha! Ha! Ha!

793

00:42:39,576 --> 00:42:41,407

To the wedding!

794

00:42:41,444 --> 00:42:43,469

<i>STEFAN: Now,</i>

<i>be reasonable, Hubert.</i>

795

00:42:43,513 --> 00:42:47,609

<i>After all, Aurora knows</i>

<i>nothing about all this.</i>

796

00:42:47,651 --> 00:42:49,482

- Well?

- Well, it... it...

797

00:42:49,519 --> 00:42:52,079

may come as quite a shock.

798

00:42:52,122 --> 00:42:53,316

[Sputters]

799

00:42:53,356 --> 00:42:54,550

Shock?!

800

00:42:54,591 --> 00:42:56,684

My Phillip a shock?!

801

00:42:56,726 --> 00:42:59,661

What's wrong with my Phillip?

802

00:42:59,696 --> 00:43:02,290

Nothing, Hubert.

I only meant...

803

00:43:02,332 --> 00:43:05,893

Why doesn't your daughter

like my son?

804

00:43:05,936 --> 00:43:07,062

Now, now...

805

00:43:07,103 --> 00:43:11,369

I'm not so sure my son

likes your daughter!

806

00:43:11,408 --> 00:43:12,568

Now, see here...

807

00:43:12,609 --> 00:43:14,804

I'm not so sure

my grandchildren...

808

00:43:14,844 --> 00:43:17,574

want you for a grandfather!

809

00:43:17,614 --> 00:43:20,606

Why, you... you unreasonable...

810

00:43:20,650 --> 00:43:23,642

pompous, blustering,

old windbag!

811

00:43:23,687 --> 00:43:25,450

Unreasonable? Pompous?

812

00:43:25,488 --> 00:43:27,046

En garde, sir!

813

00:43:27,090 --> 00:43:28,523

I warn you, Hubert!

814

00:43:28,558 --> 00:43:29,684

This means war!

815

00:43:29,726 --> 00:43:30,818

Forward!

816

00:43:30,860 --> 00:43:32,794

For honor! For country! For...

817

00:43:32,829 --> 00:43:34,797

[Laughing]

818

00:43:34,831 --> 00:43:36,924

[Laughing]

819

00:43:42,305 --> 00:43:44,000

What's this all about, anyway?

820

00:43:44,040 --> 00:43:45,769

Nothing, Hubert.

821

00:43:45,809 --> 00:43:47,800

Absolutely nothing.

822

00:43:47,844 --> 00:43:50,745

The children are bound

to fall in love with each other.

823

00:43:50,780 --> 00:43:52,111

Precisely.

824

00:43:52,148 --> 00:43:53,615

And as for grandchildren...

825

00:43:53,650 --> 00:43:55,880

I'll have

the royal woodcarvers...

826

00:43:55,919 --> 00:43:57,819

start work

on the cradle tomorrow!

827

00:43:57,854 --> 00:43:59,082

Splendid!

828

00:43:59,122 --> 00:44:00,817

King size, of course?

829

00:44:00,857 --> 00:44:01,824

Certainly.

830

00:44:01,858 --> 00:44:04,019

To the Woodcarver's Guild!

831

00:44:04,060 --> 00:44:06,790

<i>[Guitar notes ascending</i>

<i>and descending]</i>

832

00:44:08,298 --> 00:44:10,232

<i>[Snoring]</i>

833

00:44:11,534 --> 00:44:14,731

[Guitar notes ascending]

834

00:44:14,771 --> 00:44:17,433

[Strings twang]

835

00:44:17,474 --> 00:44:19,806

<i>MAN, DISTANTLY:</i>

<i>His Royal Highness...</i>

836

00:44:19,843 --> 00:44:21,868

<i>Prince Philip!</i>

837

00:44:21,911 --> 00:44:22,935

Phillip!

838

00:44:22,979 --> 00:44:28,518

<i>[Cheering]</i>

839

00:44:28,518 --> 00:44:30,611

Oh, Phillip!

840

00:44:30,654 --> 00:44:31,951

Phillip!

841

00:44:33,089 --> 00:44:35,216

Phillip! Hold, Phillip!

842

00:44:39,562 --> 00:44:41,427

[Panting]

843

00:44:41,464 --> 00:44:42,931

H-hurry, boy!

844

00:44:42,966 --> 00:44:45,867

Hurry! Change into
something suitable!

845

00:44:45,902 --> 00:44:48,166

Can't meet your future bride
looking like that.

846

00:44:48,204 --> 00:44:49,831

But I have met her, Father.

847

00:44:49,873 --> 00:44:51,738

You have? Where?

848

00:44:51,775 --> 00:44:52,901

Once upon a dream.

849

00:44:52,942 --> 00:44:54,500

[Phillip humming
<i>Once Upon a Dream</i>]

850

00:44:54,544 --> 00:44:56,774

HUBERT: Phillip!

Stop! Stop that!

851

00:44:56,813 --> 00:44:59,805

Phillip! P-put me down!

852

00:44:59,849 --> 00:45:03,046

Now... what's all

this dream nonsense?

853

00:45:03,086 --> 00:45:04,576

it wasn't a dream, Father.

854

00:45:04,621 --> 00:45:05,883

I really did meet her.

855

00:45:05,922 --> 00:45:07,253

The Princess Aurora?

856

00:45:07,290 --> 00:45:09,417

Good heavens!

We must tell Stefan!

857

00:45:09,459 --> 00:45:10,483

Why, this is the most...

858

00:45:10,527 --> 00:45:12,461

I didn't say it was Aurora.

859

00:45:12,495 --> 00:45:14,486

You most certainly did!

You... you said that...

860

00:45:14,531 --> 00:45:16,726

I said I met the girl

I was going to marry.

861

00:45:16,766 --> 00:45:18,256

I don't know who she was.

862

00:45:18,301 --> 00:45:19,666

A peasant girl,

I suppose...

863

00:45:19,703 --> 00:45:21,466

A peasant g-girl?

864

00:45:21,504 --> 00:45:23,529

You're... you're going
to marry a...

865

00:45:23,573 --> 00:45:25,564

[Chuckling]

Why, Phillip!

866

00:45:25,608 --> 00:45:26,905

You're joking!

867

00:45:29,946 --> 00:45:31,538

Uh... isn't he?

868

00:45:33,383 --> 00:45:37,046

No! Y-you can't
do this to me!

869

00:45:37,087 --> 00:45:39,351

Give up the throne?

The kingdom?

870

00:45:39,389 --> 00:45:42,153

For some... some nobody?

871

00:45:42,192 --> 00:45:44,683

By Harry, I won't have it!

872

00:45:44,728 --> 00:45:46,059

You're a Prince!

873

00:45:46,096 --> 00:45:48,462

And you're going
to marry a Princess!

874

00:45:48,498 --> 00:45:50,398

Now, Father, you're
living in the past.

875

00:45:50,433 --> 00:45:52,424

This is the 14th century.

Nowadays...

876

00:45:52,469 --> 00:45:54,994

Nowadays,

I'm still the King!

877

00:45:55,038 --> 00:45:57,199

And I command you to come

to your senses!

878

00:45:57,240 --> 00:45:58,571

And marry the girl I love.

879

00:45:58,608 --> 00:45:59,870

- Exactly!

- Good-bye, Father.

880

00:45:59,909 --> 00:46:01,843

"Good-bye, Father.

Marry the girl you..."

881

00:46:01,878 --> 00:46:02,845

No, no!

882

00:46:02,879 --> 00:46:04,540

No, no, Phillip, stop!

883

00:46:04,581 --> 00:46:05,707

Come back!

884

00:46:05,749 --> 00:46:06,909

<i>HUBERT: Oh, Philip!</i>

885

00:46:12,288 --> 00:46:14,688

Phillip!

886

00:46:33,209 --> 00:46:34,335

Oh!

887

00:46:34,377 --> 00:46:38,575

Oh, how... how will

I ever tell Stefan?

888

00:47:25,161 --> 00:47:26,788

Whispering]

Come along, now.

889

00:47:38,775 --> 00:47:41,801

All right, in here, dear.

890

00:47:45,715 --> 00:47:46,875

[Sighs]

891

00:47:46,916 --> 00:47:48,406

<i>FLORA: Bolt the door,</i>

<i>Merryweather!</i>

892

00:47:48,451 --> 00:47:50,385

<i>Fauna, pull the drapes!</i>

893

00:47:51,454 --> 00:47:55,857

And now, dear,

if you'll just sit here.

894

00:47:55,892 --> 00:47:58,122

This one last gift...

895

00:47:58,161 --> 00:48:00,152

dear child for thee...

896

00:48:00,196 --> 00:48:03,757

the symbol of thy royalty.

897

00:48:03,800 --> 00:48:07,759

A crown to wear

in grace and beauty,

898

00:48:07,804 --> 00:48:11,035

as is thy right and royal duty.

899

00:48:13,443 --> 00:48:15,343

[Crying]

900

00:48:15,378 --> 00:48:17,676

Now, dear.

901

00:48:17,714 --> 00:48:18,874

Whispering]

Come.

902

00:48:20,583 --> 00:48:23,450

Let her have
a few moments alone.

903

00:48:24,721 --> 00:48:26,916

It's that boy she met.

904

00:48:26,956 --> 00:48:28,856

Whatever are we going to do?

905

00:48:28,891 --> 00:48:30,688

[Sobbing]

906

00:49:09,264 --> 00:49:14,634

Oh, I don't see why she has
to marry any old Prince.

907

00:49:14,670 --> 00:49:18,003

Now, that's not
for us to decide, dear.

908

00:49:29,384 --> 00:49:32,876

Maybe we should tell King Stefan
about the boy.

909

00:49:32,921 --> 00:49:34,354

Well, why don't we?

910

00:49:34,389 --> 00:49:35,583

Listen!

911

00:49:35,624 --> 00:49:38,354

Maleficent! Rose!

912

00:49:38,393 --> 00:49:39,917

ALL: Rose! Rose! Aah!

913

00:49:39,962 --> 00:49:42,487

<i>FLORA: Oh, why did</i>

<i>we leave her alone?</i>

914

00:49:42,531 --> 00:49:44,556

ALL: Rose! Rose!

915

00:50:02,184 --> 00:50:04,948

[Grunting]

916

00:50:04,987 --> 00:50:06,648

Here.

917

00:50:06,688 --> 00:50:08,349

ALL: Rose! Rose!

918

00:50:08,390 --> 00:50:10,517

Rose, where are you?

919

00:50:10,559 --> 00:50:12,151

[Echoing]

Where are you?

920

00:50:17,933 --> 00:50:21,926

[Echoing]

ALL: Rose!

921

00:50:33,682 --> 00:50:35,741

[Echoing]

ALL: Rose!

922

00:50:35,784 --> 00:50:37,081

Rose!

923

00:50:47,562 --> 00:50:49,621

ALL: Rose!

924

00:51:00,308 --> 00:51:04,039

Rose, don't touch anything!

925

00:51:04,079 --> 00:51:06,013

[Echoing]

926

00:51:06,048 --> 00:51:08,380

<i>MALEFICENT:</i>

<i>Touch the spindle.</i>

927

00:51:08,417 --> 00:51:10,476

<i>Touch it, I say!</i>

928

00:51:12,554 --> 00:51:14,249

[All gasp]

929

00:51:15,323 --> 00:51:18,884

You poor, simple fools.

930

00:51:18,927 --> 00:51:20,895

Thinking you could defeat me.

931

00:51:20,929 --> 00:51:24,421

<i>Me, the mistress</i>

<i>of all evil!</i>

932

00:51:25,500 --> 00:51:29,061

Well, here's your
precious Princess.

933

00:51:29,104 --> 00:51:31,163

<i>[Laughing evilly]</i>

934

00:51:35,844 --> 00:51:36,811

Rose!

935

00:51:36,845 --> 00:51:39,439

[Sobbing]

Oh, Rose!

936

00:51:39,481 --> 00:51:44,316

Oh, I'll never forgive myself.

937

00:51:44,352 --> 00:51:46,547

<i>FAUNA: We're all to blame!</i>

938

00:51:55,630 --> 00:51:57,120

Stefan, there's...

939

00:51:57,165 --> 00:51:59,759

there's something important

I have to tell you.

940

00:51:59,801 --> 00:52:01,928

Not now, Hubert.

941

00:52:01,970 --> 00:52:04,097

But it's about Phillip.

942

00:52:04,139 --> 00:52:05,106

Phillip?

943

00:52:05,140 --> 00:52:07,165

Oh, yes, of course, Phillip.

944

00:52:07,209 --> 00:52:09,074

Why, where is the boy?

945

00:52:09,111 --> 00:52:11,409

That's what I'm trying
to tell you.

946

00:52:11,446 --> 00:52:13,004

Well, send for him immediately!

947

00:52:13,048 --> 00:52:14,276

- But...

- Shh!

948

00:52:14,316 --> 00:52:16,944

[Fanfare]

949

00:52:16,985 --> 00:52:19,613

<i>MAN: The sun has set!</i>

950

00:52:19,654 --> 00:52:23,488

<i>Make ready to welcome</i>

<i>your Princess!</i>

951

00:52:23,525 --> 00:52:25,823

[Crowd cheers]

952

00:52:42,344 --> 00:52:43,834

[Sobbing]

953

00:53:19,648 --> 00:53:21,616

<i>[Crowd cheers]</i>

954

00:53:24,052 --> 00:53:27,078

Poor King Stefan and the Queen.

955

00:53:27,122 --> 00:53:30,614

They'll be heartbroken

when they find out.

956

00:53:33,161 --> 00:53:35,288

They're not going to.

957

00:53:35,330 --> 00:53:36,797

<i>MERRYWEATHER: They aren't?</i>

958

00:53:36,831 --> 00:53:38,594

We'll put them all to sleep...

959

00:53:38,633 --> 00:53:40,965

until Rose awakens.

960

00:53:47,809 --> 00:53:48,833

Come!

961

00:53:57,686 --> 00:54:05,024

<i>CHORUS:</i>

<i>Sleeping beauty fair</i>

962

00:54:05,060 --> 00:54:09,053

<i>Gold of sunshine</i>

963

00:54:09,097 --> 00:54:14,399

<i>In your hair</i>

964

00:54:14,436 --> 00:54:17,428

<i>Lips that shame</i>

965

00:54:17,472 --> 00:54:22,808

<i>The red, red rose</i>

966

00:54:22,844 --> 00:54:26,109

<i>Dreaming of true Love</i>

967

00:54:26,147 --> 00:54:32,086

<i>In slumber repose</i>

968

00:54:32,120 --> 00:54:40,459

<i>One day he will come</i>

969

00:54:40,495 --> 00:54:49,164

<i>Riding out of the dawn</i>

970

00:54:49,204 --> 00:54:52,196

<i>And you'll awaken</i>

971

00:54:52,240 --> 00:54:57,234

<i>To Love's first kiss</i>

972

00:54:57,279 --> 00:55:02,444

<i>Till then,</i>

<i>Sleeping Beauty</i>

973

00:55:02,484 --> 00:55:07,319

<i>Sleep on</i>

974

00:55:07,355 --> 00:55:11,792

<i>One day you'll awaken</i>

975

00:55:11,826 --> 00:55:16,695

<i>To Love's first kiss</i>

976

00:55:16,731 --> 00:55:24,866

<i>Till then,</i>

<i>Sleeping Beauty</i>

977

00:55:24,906 --> 00:55:30,139

<i>Sleep on</i>

978

00:55:30,178 --> 00:55:32,669

[Yawns]

979

00:55:35,717 --> 00:55:38,447

[Snoring]

980

00:55:38,486 --> 00:55:41,751

Well, just been
talking to Phillip.

981

00:55:41,790 --> 00:55:44,623

Seems he's fallen in love
with some...

982

00:55:44,659 --> 00:55:46,786

[Yawns]

Peasant girl.

983

00:55:46,828 --> 00:55:49,023

Peasant girl?

984

00:55:49,064 --> 00:55:50,861

Yes? Yes?

985

00:55:52,734 --> 00:55:54,725

The peasant girl...

who is she?

986

00:55:54,769 --> 00:55:56,236

Where did he meet her?

987

00:55:56,271 --> 00:55:59,468

Just some peasant girl he met.

988

00:55:59,507 --> 00:56:01,236

Where?! Where?!

989

00:56:01,276 --> 00:56:05,679

Once upon a dream.

990

00:56:05,714 --> 00:56:07,648

Once upon a dr...

991

00:56:07,682 --> 00:56:09,673

Rose! Prince Phillip!

992

00:56:09,718 --> 00:56:11,276

Oh! Oh!

993

00:56:15,290 --> 00:56:16,552

FLORA: Come on.

994

00:56:16,591 --> 00:56:18,616

We've got to get back
to the cottage.

995

00:56:35,910 --> 00:56:38,572

Whistling

<i>Once Upon a Dream]</i>

996

00:57:06,073 --> 00:57:07,267

<i>MALEFICENT: Come in!</i>

997

00:57:12,546 --> 00:57:15,606

[Growling and snarling]

998

00:57:24,959 --> 00:57:26,449

[Cawing]

999

00:57:37,605 --> 00:57:39,800

Well...

1000

00:57:39,840 --> 00:57:43,298

this is a pleasant surprise.

1001

00:57:43,344 --> 00:57:47,110

I set my trap

for a peasant, and lo,

1002

00:57:47,147 --> 00:57:48,910

I catch a Prince!

1003

00:57:48,949 --> 00:57:52,441

[Laughing]

1004

00:57:52,486 --> 00:57:53,544

Away with him.

1005

00:57:53,587 --> 00:57:54,645

[Snarling]

1006

00:57:54,688 --> 00:57:56,349

But gently, my pets...

1007

00:57:56,390 --> 00:57:57,857

gently.

1008

00:57:59,293 --> 00:58:03,491

I have plans

for our royal guest.

1009

00:58:31,058 --> 00:58:32,150

[Gasps]

1010

00:58:35,829 --> 00:58:38,059

[Gasping]

ALL: Maleficent!

1011

00:58:38,098 --> 00:58:39,759

She's got Prince Phillip!

1012

00:58:40,901 --> 00:58:42,391

At the forbidden mountain.

1013

00:58:42,436 --> 00:58:43,733

[Gasps]

1014

00:58:43,771 --> 00:58:46,467

But we can't!

We can't go there!

1015

00:58:46,507 --> 00:58:49,874

We can, and we must!

1016

01:00:21,802 --> 01:00:22,791

[Snorts]

1017

01:00:32,346 --> 01:00:34,837

<i>[Snarling]</i>

1018

01:01:11,385 --> 01:01:13,353

What a pity Prince Phillip...

1019

01:01:13,387 --> 01:01:16,686

can't be here to enjoy
the celebration.

1020

01:01:16,723 --> 01:01:18,884

[Laughs]

1021

01:01:18,926 --> 01:01:20,860

Come.

1022

01:01:20,894 --> 01:01:23,863

We must go to the dungeon
and cheer him up.

1023

01:02:17,718 --> 01:02:20,243

Oh, come now, Prince Phillip.

1024

01:02:20,287 --> 01:02:22,255

Why so melancholy?

1025

01:02:23,423 --> 01:02:26,517

A wondrous future lies
before you.

1026

01:02:26,560 --> 01:02:29,358

You, the destined hero...

1027

01:02:29,396 --> 01:02:32,957

of a charming fairy tale
come true.

1028

01:02:37,337 --> 01:02:38,531

Behold...

1029

01:02:38,572 --> 01:02:41,336

King Stefan's castle...

1030

01:02:41,375 --> 01:02:43,843

And in yonder

topmost tower...

1031

01:02:43,877 --> 01:02:46,846

<i>Dreaming of her true Love...</i>

1032

01:02:46,880 --> 01:02:50,976

<i>the Princess Aurora.</i>

1033

01:02:51,018 --> 01:02:54,249

<i>But see the gracious</i>

<i>whim of fate.</i>

1034

01:02:54,288 --> 01:02:57,724

<i>Why, 'tis the selfsame</i>

<i>peasant maid...</i>

1035

01:02:57,758 --> 01:03:00,056

<i>who won the heart</i>

<i>of our noble Prince...</i>

1036

01:03:00,093 --> 01:03:01,560

<i>but yesterday.</i>

1037

01:03:04,731 --> 01:03:10,067

<i>She is indeed</i>

<i>most wondrous fair.</i>

1038

01:03:10,103 --> 01:03:13,004

<i>Gold of sunshine</i>

<i>in her hair.</i>

1039

01:03:13,040 --> 01:03:17,500

<i>Lips that shame</i>

<i>the red, red rose.</i>

1040

01:03:17,544 --> 01:03:19,978

<i>In ageless sleep...</i>

1041

01:03:20,013 --> 01:03:22,106

<i>she finds repose.</i>

1042

01:03:24,284 --> 01:03:26,718

The years roll by...

1043

01:03:26,753 --> 01:03:29,916

but a hundred years

to a steadfast heart...

1044

01:03:29,957 --> 01:03:31,891

are but a day.

1045

01:03:31,925 --> 01:03:35,725

<i>And now the gates</i>

<i>of a dungeon part...</i>

1046

01:03:35,762 --> 01:03:40,426

<i>and our Prince</i>

<i>is free to go his way.</i>

1047

01:03:40,467 --> 01:03:44,870

<i>Off he rides</i>

<i>on his noble steed...</i>

1048

01:03:44,905 --> 01:03:46,463

<i>a valiant figure...</i>

1049

01:03:46,506 --> 01:03:48,940

<i>straight and tall...</i>

1050

01:03:48,976 --> 01:03:51,137

to wake his love...

1051

01:03:51,178 --> 01:03:54,875

with love's first kiss...

1052

01:03:54,915 --> 01:04:00,080

<i>and prove that true Love</i>

<i>conquers all.</i>

1053

01:04:00,120 --> 01:04:03,055

<i>[Laughs]</i>

1054

01:04:03,090 --> 01:04:05,081

Why, you... you...

1055

01:04:09,630 --> 01:04:11,154

Come, my pet.

1056

01:04:11,198 --> 01:04:13,428

Let us leave our noble Prince...

1057

01:04:13,467 --> 01:04:15,935

with these happy thoughts.

1058

01:04:15,969 --> 01:04:17,061

[Chuckles]

1059

01:04:20,607 --> 01:04:23,599

A most gratifying day.

1060

01:04:28,482 --> 01:04:31,508

For the first time

in sixteen years...

1061

01:04:31,551 --> 01:04:33,951

I shall sleep well.

1062

01:04:50,470 --> 01:04:53,064

Shh! No time to explain.

1063

01:05:01,782 --> 01:05:03,511

Wait, Prince Phillip.

1064

01:05:03,550 --> 01:05:05,518

The road to true love
may be barred...

1065

01:05:05,552 --> 01:05:07,679

by still many more dangers...

1066

01:05:07,721 --> 01:05:10,349

<i>which you alone</i>
<i>will have to face.</i>

1067

01:05:10,390 --> 01:05:11,857

So arm thyself...

1068

01:05:11,892 --> 01:05:15,157

with this enchanted shield
of virtue...

1069

01:05:15,195 --> 01:05:18,460

<i>and this mighty sword</i>
<i>of truth.</i>

1070

01:05:18,498 --> 01:05:20,625

<i>For these weapons</i>

<i>of righteousness...</i>

1071

01:05:20,667 --> 01:05:22,567

<i>will triumph over evil.</i>

1072

01:05:22,602 --> 01:05:24,593

Now, come. We must hurry.

1073

01:05:29,009 --> 01:05:30,067

[Cawing]

1074

01:05:43,023 --> 01:05:45,491

[Yelling]

1075

01:05:59,039 --> 01:06:01,030

Whinnies]

1076

01:06:12,686 --> 01:06:14,017

FLORA: Phillip, watch out!

1077

01:06:45,819 --> 01:06:47,309

[Cawing]

1078

01:07:10,744 --> 01:07:12,974

Silence!

1079

01:07:13,013 --> 01:07:15,413

You, tell those fools to...

1080

01:07:15,449 --> 01:07:17,417

No! No!

1081

01:07:22,522 --> 01:07:24,456

FAUNA: Watch out, Phillip!

1082

01:07:32,432 --> 01:07:33,763

Hurry! Hurry, Phillip!

1083

01:07:47,113 --> 01:07:47,213

A forest of thorns

shall be his tomb.

1084

01:07:47,213 --> 01:07:50,979

A forest of thorns
shall be his tomb.

1085

01:07:51,016 --> 01:07:54,747

Born through the skies
on a fog of doom.

1086

01:07:54,787 --> 01:07:58,052

<i>Now go with the curse</i>

<i>and serve me well...</i>

1087

01:07:58,090 --> 01:08:00,081

<i>Round Stefan's castle...</i>

1088

01:08:00,125 --> 01:08:02,320

<i>Cast my spell!</i>

1089

01:08:19,878 --> 01:08:22,108

Whinnies]

1090

01:08:22,147 --> 01:08:25,241

[Laughing]

1091

01:08:36,595 --> 01:08:38,825

Whinnies]

1092

01:08:52,678 --> 01:08:55,112

No, it cannot be!

1093

01:08:59,118 --> 01:09:01,313

<i>[Samson whinnies]</i>

1094

01:09:01,353 --> 01:09:05,187

Now shall you deal

with me, o Prince...

1095

01:09:05,224 --> 01:09:10,025

and all the powers of hell!

1096

01:09:10,062 --> 01:09:12,656

[Laughing]

1097

01:09:37,723 --> 01:09:39,054

Whinnies]

1098

01:09:40,793 --> 01:09:42,283

[Roars]

1099

01:09:53,405 --> 01:09:55,373

Up! Up this way!

1100

01:10:10,255 --> 01:10:11,722

[Maleficent laughs]

1101

01:10:11,757 --> 01:10:14,521

FLORA: Now, Sword of Truth,
fly swift and sure...

1102

01:10:14,560 --> 01:10:18,155

that evil die and good endure!

1103

01:10:18,197 --> 01:10:20,461

[Screaming]

1104

01:10:44,022 --> 01:10:45,683

[Nickers]

1105

01:12:00,265 --> 01:12:03,860

Oh, oh, uh, forgive me, Hubert.

1106

01:12:03,902 --> 01:12:05,199

The wine.

1107

01:12:05,237 --> 01:12:08,502

Now, uh, you were saying?

1108

01:12:08,540 --> 01:12:10,531

Huh? I was?

1109

01:12:10,576 --> 01:12:12,669

Oh, oh, yes.

1110

01:12:12,711 --> 01:12:15,646

Well, after all, Stefan...

1111

01:12:15,681 --> 01:12:17,546

this is the 14th century.

1112

01:12:17,583 --> 01:12:18,880

Yes. You, uh...

1113

01:12:18,917 --> 01:12:20,885

you said that a moment ago.

1114

01:12:20,919 --> 01:12:23,717

Well, to come right

to the point...

1115

01:12:23,755 --> 01:12:26,952

my son Phillip says

he's going to marry...

1116

01:12:26,992 --> 01:12:29,961

<i>[Trumpet fanfare]</i>

1117

01:12:52,518 --> 01:12:54,952

It's Aurora. She's here!

1118

01:12:59,725 --> 01:13:01,625

And... and... and Phillip!

1119

01:13:16,575 --> 01:13:19,203

What does this mean, boy?

1120

01:13:19,244 --> 01:13:20,768

I... I don't...

1121

01:13:25,150 --> 01:13:26,913

But, but, but...

1122

01:13:33,759 --> 01:13:35,590

I don't understand.

1123

01:14:00,986 --> 01:14:03,318

Why, Fauna,

what's the matter, dear?

1124

01:14:03,355 --> 01:14:07,917

Oh, I just love happy endings.

1125

01:14:07,960 --> 01:14:10,155

Yes. I do, too.

1126

01:14:10,195 --> 01:14:11,753

[Gasps]

1127

01:14:11,797 --> 01:14:12,957

Blue?!

1128

01:14:16,935 --> 01:14:18,266

Pink!

1129

01:14:18,303 --> 01:14:23,639

<i>CHORUS: I know you,</i>

<i>I walked with you once...</i>

1130

01:14:23,675 --> 01:14:24,664

Blue!

1131

01:14:24,710 --> 01:14:26,769

<i>... upon a dream</i>

1132

01:14:26,812 --> 01:14:29,406

<i>I know you</i>

1133

01:14:29,448 --> 01:14:31,439

<i>The gleam in your eyes</i>

1134

01:14:31,483 --> 01:14:34,782

<i>Is so familiar a gleam</i>

1135

01:14:34,820 --> 01:14:37,983

<i>And I know it's true</i>

1136

01:14:38,023 --> 01:14:42,756

<i>That visions</i>

<i>are seldom all they seem</i>

1137

01:14:42,794 --> 01:14:45,319

<i>But if I know you</i>

1138

01:14:45,364 --> 01:14:47,229

<i>I know what you'll do</i>

1139

01:14:47,265 --> 01:14:49,290

<i>You'll Love me at once</i>
