And when did that

become our business?

187

00:19:08,758 --> 00:19:10,359

Just look again, please.

188

00:19:15,097 --> 00:19:17,232

No, my dear,

we don't know this man.

189

00:19:28,511 --> 00:19:32,815

[singing in Arabic]

190

00:19:56,839 --> 00:19:58,340

I've come to check
on the patient.

191

00:20:16,526 --> 00:20:17,794

Oh, Lilly.

192

00:20:29,505 --> 00:20:30,406

May I speak to you?

193

00:20:33,409 --> 00:20:35,344

[light dramatic music]

194

00:20:35,378 --> 00:20:38,715

I would like to speak
to you in English,

195

00:20:38,748 --> 00:20:40,850

but I feel your friends
would not approve.

196

00:20:43,386 --> 00:20:46,288

Why would they consider it wrong
to speak in more than one language?

197

00:20:46,321 --> 00:20:48,658

[Aziz] Because it would appear
as if you and I were alone.

198

00:20:49,726 --> 00:20:51,461

Surely my reaction to your words

199

00:20:51,494 --> 00:20:53,295

would tell them everything
they need to know.

200

00:20:54,329 --> 00:20:55,565

And what reaction is that?

201

00:20:58,401 --> 00:20:59,267

I don't have one.

202

00:21:01,638 --> 00:21:03,439

Or perhaps I haven't
decided yet.

203

00:21:06,776 --> 00:21:09,277

If you do decide,

204

00:21:09,311 --> 00:21:12,382

and would consider sharing
that information with me...

205

00:21:15,551 --> 00:21:18,655

you might meet me at
the hospital at noon

206

00:21:18,688 --> 00:21:20,355

three days from now.

207

00:21:20,390 --> 00:21:22,257

That is when Nouria will
run out of the bandages

208

00:21:22,290 --> 00:21:23,191

I'm about to give her.

209

00:21:23,960 --> 00:21:25,628

And then what?

210

00:21:25,662 --> 00:21:27,463

That would be up to you.

211

00:21:34,236 --> 00:21:35,638

I would like to go somewhere
where I can see water.

212

00:21:39,942 --> 00:21:41,711

You don't make things easy,
do you?

213

00:21:42,945 --> 00:21:44,414

I don't make them
any way at all.

214

00:21:50,318 --> 00:21:52,354

[Aziz] Get something green,
like the sea.

215

00:22:33,328 --> 00:22:35,465

[light dramatic music]

216

00:22:55,685 --> 00:22:57,820

[dramatic music]

217

00:23:14,070 --> 00:23:16,072

You might be eligible for
a position as a cleaner,

218

00:23:16,105 --> 00:23:16,939

but that's all.

219

00:23:19,408 --> 00:23:20,977

For 12 years I was taught
Qur'an by the greatest

220

00:23:21,010 --> 00:23:23,311

Sufi master in Morocco.

221

00:23:23,345 --> 00:23:26,048

As well as mathematics, astronomy,
and classical Persian poetry.

222

00:23:26,082 --> 00:23:28,017

I'm sorry, but nothing
you've told me

223

00:23:28,050 --> 00:23:31,554

suggests you qualify for
the auxiliary nursing program.

224

00:23:31,587 --> 00:23:34,490

You're saying I'm not
capable of emptying a bedpan?

225

00:23:34,524 --> 00:23:37,693

I'm sure you are, but there are
people with actual experience

226

00:23:37,727 --> 00:23:38,728

just as eager to do so.

227

00:23:40,096 --> 00:23:41,798

If you'll follow me.

228

00:23:41,831 --> 00:23:44,366

I speak Arabic,
some Amharic and enough Harari

229

00:23:44,400 --> 00:23:46,502

and Oromigna to translate
the patients.

230

00:23:46,536 --> 00:23:48,571

Surely with the countless
refugees arriving every day,

231

00:23:48,604 --> 00:23:49,505

that would be helpful.

232

00:23:53,609 --> 00:23:56,078

Be here tomorrow at eight
to meet with the supervisor

233

00:23:56,112 --> 00:23:57,847

of the auxiliary

nursing program.

234

00:23:57,880 --> 00:24:00,049

Now, don't misunderstand,

235

00:24:00,082 --> 00:24:01,884

you'll primarily be

emptying those bedpans.

236

00:24:01,918 --> 00:24:03,886

Which we've already

established I can do.

237

00:24:07,089 --> 00:24:10,059

[light dramatic music]

238

00:24:10,092 --> 00:24:13,429

[man] How come I always lose

when I play with you, huh?

239

00:24:13,462 --> 00:24:14,430

[Mrs. Jahangir] He cheats.

240

00:24:28,878 --> 00:24:30,980

- [women clamoring]

- I know you.

241

00:24:31,013 --> 00:24:33,049

- [mother moaning]

- Just keep going!

242

00:24:33,082 --> 00:24:35,084

A few more stairs

and we'll get you into bed!

243

00:24:36,018 --> 00:24:38,788

She's having a baby!

Don't just stand there, help me!

244

00:24:38,821 --> 00:24:40,690

- [mother] Where's my son?

- [Lilly] He's there.

245

00:24:40,723 --> 00:24:42,525

- Where's my son?

- He's there. He's there, he's right there.

246

00:24:42,558 --> 00:24:44,160

Hold my hand!

247

00:24:44,193 --> 00:24:46,495

- Breathe, breathe.

- Hold my hand!

248

00:24:46,529 --> 00:24:48,030

Come and sit up.

249

00:24:48,064 --> 00:24:50,066

Oh, God.

250

00:24:50,099 --> 00:24:51,901

- Don't resist!

- [mother moaning]

251

00:24:51,934 --> 00:24:55,671

[moaning loudly and panting]

252

00:24:57,874 --> 00:24:58,875

Come, come.

253

00:25:00,710 --> 00:25:01,944

- Come on.

- [grunting]

254

00:25:17,560 --> 00:25:20,630

- Now!

- w start pushing, yes, that's it.

255

00:25:20,663 --> 00:25:23,132

- It's coming!

- Push now. A bit harder.

256

00:25:23,165 --> 00:25:24,166

Come on.

257

00:25:26,569 --> 00:25:29,138

[woman grunting]

258

00:25:29,171 --> 00:25:30,473

Come on!

259

00:25:32,742 --> 00:25:33,943

[mother panting]

260

00:25:33,976 --> 00:25:36,145

- Nearly there.

- [baby crying]

261

00:25:39,849 --> 00:25:40,783

Is he okay?

262

00:25:42,151 --> 00:25:44,153

He is a she.

263

00:25:44,186 --> 00:25:46,489

[light dramatic music]

264

00:25:46,522 --> 00:25:47,723

Hello.

265

00:25:52,261 --> 00:25:54,630

Ahmed, come and see your sister.

266

00:25:55,564 --> 00:25:57,133

[baby crying]

267

00:25:57,166 --> 00:25:58,567

My son.

268

00:26:06,509 --> 00:26:08,778

Is there someone

we should call for you?

269

00:26:08,811 --> 00:26:11,847

- Someone at home?

- I found her in the building one over,

270

00:26:11,881 --> 00:26:13,849

- she was looking for a woman called Daisy.

- Daisy?

271

00:26:15,718 --> 00:26:17,954

They said when I was

in the shelter there

272

00:26:17,987 --> 00:26:20,056

that she may be
able to take us in.

273

00:26:20,089 --> 00:26:21,791

Daisy Obasi.

274

00:26:21,824 --> 00:26:23,259

Ah, okay.

275

00:26:23,292 --> 00:26:26,629

The rich boyfriend in
Manchester, he finally proposed.

276

00:26:26,662 --> 00:26:29,532

She's gone, I'm afraid.

277

00:26:29,565 --> 00:26:30,833

Is there somewhere
else you can stay?

278

00:26:32,902 --> 00:26:34,136

She can stay with me.

279

00:26:38,975 --> 00:26:41,477

[somber music]

280

00:26:59,261 --> 00:27:00,629

[door knocking]

281

00:27:09,705 --> 00:27:11,540

She'll need these, it gets
cold in here at night.

282

00:27:20,883 --> 00:27:23,185

It must be nice to have
this place all to yourself.

283

00:27:24,720 --> 00:27:26,088

I didn't ask for it.

284

00:27:26,122 --> 00:27:27,289

You didn't have to.

285

00:27:32,294 --> 00:27:33,796

I just need a few hours...

286

00:27:36,165 --> 00:27:37,767

get a little sleep.

287

00:27:39,235 --> 00:27:41,670

There's fruit in the kitchen and
biscuits in the cupboard by the sink.

288

00:27:41,704 --> 00:27:42,872

[Ahmed] Oh, thank you, Lilly.

289

00:27:52,048 --> 00:27:53,716

[baby cooing]

290

00:27:59,021 --> 00:28:00,790

[baby crying]

291

00:28:12,034 --> 00:28:14,837

[distant train horn blowing]

292

00:28:16,272 --> 00:28:18,808

[Aziz] Haile Selassie

claims he's modernizing,

293

00:28:18,841 --> 00:28:20,609

creating a cash-crop economy.

294

00:28:20,643 --> 00:28:22,178

[Lilly] Isn't that a good thing?

295

00:28:22,211 --> 00:28:23,979

The farmers don't grow food

for their families anymore,

296

00:28:24,013 --> 00:28:26,082

they grow it for

the rich landlords.

297

00:28:26,115 --> 00:28:29,285

And what do they do?

Sell it around the world

298

00:28:29,318 --> 00:28:31,153

while their own people starve,

299

00:28:32,054 --> 00:28:35,758

and as the emperor's dogs
eat off golden plates.

300

00:28:35,791 --> 00:28:36,826

[Lilly] I had no idea.

301

00:28:46,202 --> 00:28:47,069

As you requested.

302

00:28:48,971 --> 00:28:50,339

[flies buzzing]

303

00:28:53,142 --> 00:28:55,845

I imagine this isn't
what you expected.

304

00:28:57,046 --> 00:28:58,147

I didn't know what to expect.

305

00:29:24,073 --> 00:29:25,908

[bells jingling]

306

00:29:32,948 --> 00:29:34,917

Right now,
in this nearly perfect moment...

307

00:29:38,254 --> 00:29:40,356

it is easy to imagine
that anything is possible.

308

00:29:44,160 --> 00:29:47,363

That I won't see injustice
and despair everywhere I turn.

309

00:29:49,399 --> 00:29:51,767

When a thief looks at a saint,
all he sees are pockets.

310

00:29:53,503 --> 00:29:54,870

So I'm a thief, am I?

311

00:29:56,372 --> 00:29:57,706

It's a Sufi saying.

312

00:29:59,742 --> 00:30:01,010

It means what

we perceive in the world

313

00:30:01,043 --> 00:30:02,044

tells us who we are.

314

00:30:03,480 --> 00:30:04,747

Tell me what do you perceive.

315

00:30:05,881 --> 00:30:06,449

In the world?

316

00:30:08,918 --> 00:30:10,252

That's too much to ask.

317

00:30:11,253 --> 00:30:12,721

Then tell me what you

see when you look at me.

318

00:30:28,270 --> 00:30:30,072

You want to know what
I see when I look at you?

319

00:30:42,952 --> 00:30:44,019

I shouldn't be here.

320

00:30:47,424 --> 00:30:48,425

Then we'll go.

321

00:30:54,363 --> 00:30:56,765

[soft piano music]

322

00:31:21,056 --> 00:31:23,393

[dramatic music]

323

00:31:28,230 --> 00:31:31,133

[people chattering]

324

00:31:46,616 --> 00:31:48,083

[light ambient music]

325

00:32:12,941 --> 00:32:14,243

Uh-oh, discovered.

326

00:32:16,211 --> 00:32:18,147

N... No. I'm...

327

00:32:18,180 --> 00:32:19,516

I'm not doing what
you think I'm doing.

328

00:32:21,183 --> 00:32:23,952

I mean I am,
but for someone in need.

329

00:32:23,986 --> 00:32:25,388

No, I meant me.

330

00:32:25,422 --> 00:32:26,922

You've discovered
my hiding place.

331

00:32:27,990 --> 00:32:29,459

It's hard to read around doctors

332

00:32:29,492 --> 00:32:32,094

when they're talking about

what it is they talk about

333

00:32:32,127 --> 00:32:33,797

when they aren't

doing any doctoring.

334

00:32:36,965 --> 00:32:37,600

That was humor.

335

00:32:42,472 --> 00:32:44,106

Or an attempt at

something like it.

336

00:32:46,609 --> 00:32:47,510

Then I'm leaving now.

337

00:32:48,411 --> 00:32:49,345

Oh, before you go.

338

00:32:56,185 --> 00:32:57,152

Zinc oxide.

339

00:33:02,459 --> 00:33:03,626

Nappy cream.

340

00:33:14,504 --> 00:33:16,338

[distant man shouting]

341

00:33:16,372 --> 00:33:19,409

[jolly music on radio]

342

00:33:34,391 --> 00:33:36,325

[jolly music]

343

00:33:36,358 --> 00:33:37,993

[all chattering]

344

00:33:53,443 --> 00:33:55,210

I'm Fatima, you may
go downstairs.

345

00:33:58,381 --> 00:34:00,483

Don't you worry, I've got
everything under control.

346

00:34:16,666 --> 00:34:18,668

You're in for it now.

347

00:34:18,701 --> 00:34:20,670

They won't let me
leave for 40 days.

348

00:34:21,671 --> 00:34:23,473

But of course,
I won't stay that long.

349

00:34:23,506 --> 00:34:25,274

No.

350

00:34:25,307 --> 00:34:26,308

That's how it must be done.

351

00:34:29,278 --> 00:34:30,713

It will be a good thing.

352

00:34:30,747 --> 00:34:31,648

For both of us.

353

00:34:33,616 --> 00:34:34,451

Really?

354

00:34:45,060 --> 00:34:48,330

You are full of surprises,

English girl.

355

00:34:50,767 --> 00:34:53,503

[women chanting]

356

00:34:53,536 --> 00:34:55,370

[jaunty music]

357

00:35:13,656 --> 00:35:15,057

[Lilly sighs]

358

00:35:47,857 --> 00:35:49,124

My Papa's dead.

359

00:35:57,266 --> 00:35:58,066

Mine too.

360

00:36:06,308 --> 00:36:09,144

[soft ambient music]

361

00:36:10,647 --> 00:36:12,180

[people chattering]

362

00:36:48,918 --> 00:36:51,588

It has to look

especially nice today.

363

00:36:53,255 --> 00:36:54,757

Make sure you fluff it.

364

00:36:54,791 --> 00:36:56,258

I'm fluffing, Mrs. Peele.

365

00:36:58,193 --> 00:37:00,329

There, you look lovely.

366

00:37:00,362 --> 00:37:03,231

She's right,
you do look lovely. [chuckling]

367

00:37:05,835 --> 00:37:08,103

My son is coming
to visit me today.

368

00:37:08,938 --> 00:37:11,441

Perhaps a touch of lipstick?

369

00:37:11,474 --> 00:37:14,109

- Why don't we let the doctor take a look at you first.
- Oh, of course.

370

00:37:14,811 --> 00:37:17,380

This won't take long,
I promise. [clears throat]

371

00:37:21,918 --> 00:37:23,386

No sign of infection.

372

00:37:24,353 --> 00:37:25,388

I'm very pleased.

373

00:37:26,589 --> 00:37:27,590

Miss...

374

00:37:28,825 --> 00:37:31,159

- Abdal.

- Right, right.

375

00:37:31,193 --> 00:37:33,563

Yes, I must make note,
given that we're old friends.

376

00:37:45,541 --> 00:37:49,277

So, tell me, who's been
attending to the surgical site?

377

00:37:49,311 --> 00:37:51,213

I have.

378

00:37:51,246 --> 00:37:53,683

For someone with no training

you're doing excellent work.

379

00:37:53,716 --> 00:37:56,486

Which I'm saying because
there's no sign of infection.

380

00:37:56,519 --> 00:37:58,855

The training comment
was not relevant at all.

381

00:38:00,590 --> 00:38:01,624

Yes.

382

00:38:02,625 --> 00:38:03,826

That was meant
to be a compliment.

383

00:38:07,397 --> 00:38:09,699

Though it likely didn't sound
like one, that's what it was.

384

00:38:09,732 --> 00:38:11,834

I was acknowledging your skill.

385

00:38:14,537 --> 00:38:16,639

Yes, of course.

Thank you, doctor.

386

00:38:16,673 --> 00:38:18,741

Please, don't,

just don't make it worse.

387

00:38:18,775 --> 00:38:19,642

Just...

388

00:38:21,711 --> 00:38:22,845

good.

389

00:38:22,879 --> 00:38:24,847

Excellent. Carry on.

390

00:38:28,685 --> 00:38:30,820

[light dramatic music]

391

00:38:35,825 --> 00:38:37,894

[people chattering]

392

00:38:43,933 --> 00:38:44,734

Aziz!

393

00:38:53,843 --> 00:38:57,580

[man singing in Arabic]

394

00:39:10,927 --> 00:39:11,894

[Aziz] I'm so glad you came.

395

00:39:13,529 --> 00:39:14,797

I didn't know if it

was the right building.

396

00:39:28,544 --> 00:39:30,680

This is what we do here.

397

00:39:31,914 --> 00:39:35,283

We watch exactly what

the emperor wants us to see.

398

00:39:35,317 --> 00:39:38,521

We complain, we criticize,

399

00:39:38,554 --> 00:39:40,990

we imagine resisting,

but we still watch.

400

00:39:47,430 --> 00:39:49,632

You see this pale color?

401

00:39:49,665 --> 00:39:51,834

These are the best leaves.

402

00:39:51,868 --> 00:39:52,702

The sweetest.

403

00:40:24,433 --> 00:40:26,502

[man] The army

is with us, Munir.

404

00:40:26,536 --> 00:40:29,071

Soldiers are turning their guns

on their own corrupt officers.

405

00:40:29,105 --> 00:40:31,707

Because they are
planning to take power.

406

00:40:31,741 --> 00:40:33,843

[man] Good, it can't be
worse than Haile Selassie.

407

00:40:33,876 --> 00:40:36,344

It can always be worse.

408

00:40:36,379 --> 00:40:37,613

They'll get rid of
Haile Selassie,

409

00:40:37,647 --> 00:40:38,948

but they'll never
let the power go.

410

00:40:38,981 --> 00:40:41,651

You don't know what's in
the minds of the soldiers.

411

00:40:41,684 --> 00:40:43,920

They want to feed their
family just like us.

412

00:40:43,953 --> 00:40:46,989

The same soldiers who are
setting fields on fire

413

00:40:47,023 --> 00:40:47,957

to keep the crops
from their enemies?

414

00:40:49,792 --> 00:40:52,327

Destroying food while
their own people starve?

415

00:41:00,469 --> 00:41:01,671

[man] Sadia.

416

00:41:03,673 --> 00:41:06,075

[Aziz] You are right, Sadia.

417

00:41:06,108 --> 00:41:09,145

The soldiers mutiny in
Asmara and we sit and talk.

418

00:41:09,178 --> 00:41:12,582

The unions call for a general
strike and we sit and talk.

419

00:41:12,615 --> 00:41:17,520

The army arrests government
officials, civilians,

420

00:41:17,553 --> 00:41:18,454

and guess what we do?

421

00:41:23,426 --> 00:41:25,728

Lilly, please,
do you mind if we go?

422

00:41:25,761 --> 00:41:27,096

- Aziz...

- Aah.

423

00:41:27,129 --> 00:41:29,364

[light dramatic music]

424

00:41:31,467 --> 00:41:32,668

Where are we going?

425

00:41:40,476 --> 00:41:43,379

[solemn music]

426

00:41:49,986 --> 00:41:50,953

[Djimon clears throat]

427

00:41:53,089 --> 00:41:54,423

Mr. Djimon.

428

00:42:09,472 --> 00:42:10,406

I am so sorry.

429

00:42:12,675 --> 00:42:13,442

What's wrong?

430

00:42:14,977 --> 00:42:16,078

He won't say anything,
I promise.

431

00:42:20,116 --> 00:42:21,550

I should feel nothing but shame.

432

00:42:23,519 --> 00:42:25,454

And no doubt I will, but...

433

00:42:27,723 --> 00:42:28,925

in this moment, I'm happy.

434

00:42:40,202 --> 00:42:41,137

I should get back.

435

00:42:42,738 --> 00:42:43,940

Nouria will be worried.

436

00:43:07,263 --> 00:43:08,731

[Lilly sighing]

437

00:43:13,169 --> 00:43:15,237

Today I thought I saw someone
I knew at the hospital.

438

00:43:19,208 --> 00:43:20,676

Chased him down the hall.

439

00:43:24,613 --> 00:43:25,781

It wasn't him.

440

00:43:37,059 --> 00:43:37,893

Hmm.

441

00:43:39,328 --> 00:43:40,730

[Amina] There is a man.

442

00:43:41,864 --> 00:43:42,898

I knew it.

443

00:43:44,300 --> 00:43:45,267

[softly chuckling]

444

00:43:48,037 --> 00:43:49,705

Such eyes.

445

00:43:51,707 --> 00:43:53,542

I can see why you'd
want to chase him.

446

00:43:54,877 --> 00:43:55,811

It wasn't like that.

447

00:43:58,114 --> 00:43:59,081

It wasn't?

448

00:44:02,051 --> 00:44:03,152

Not just that.

449

00:44:09,158 --> 00:44:10,192

What?

450

00:44:15,631 --> 00:44:18,667

[light dramatic music]

451

00:44:24,673 --> 00:44:25,741

[Lilly] So many people.

452

00:44:31,280 --> 00:44:32,181

She looks like Nouria.

453

00:44:33,916 --> 00:44:34,884

Might she be here?

454

00:44:35,951 --> 00:44:37,053

I can't imagine it.

455

00:44:38,388 --> 00:44:39,722

She would have gone
to the shrine.

456

00:44:42,024 --> 00:44:43,259

And your doctor?

457

00:44:49,131 --> 00:44:51,267

Anyone he met from home
would have sent him here

458

00:44:51,300 --> 00:44:52,601

to put up a message.

459

00:44:58,974 --> 00:45:00,810

He said he'd do

whatever it took.

460

00:45:03,646 --> 00:45:04,914

No matter what.

461

00:45:05,981 --> 00:45:07,983

Then make it as easy

for him as you can.

462

00:45:19,396 --> 00:45:21,997

I see you've found

my favorite seat.

463

00:45:23,999 --> 00:45:26,035

I always come out here

early to get this bench.

464

00:45:27,169 --> 00:45:29,605

It's, uh... it's quiet.

465

00:45:31,974 --> 00:45:33,709

Even when it's not.

You know what I mean.

466

00:45:35,378 --> 00:45:36,178

How can I?

467

00:45:37,380 --> 00:45:38,681

It doesn't make any sense.

468

00:45:42,852 --> 00:45:44,653

I didn't know

it actually had to.

469

00:45:45,888 --> 00:45:47,723

Here, please. It's yours.

470

00:45:50,693 --> 00:45:52,027

We could have shared it,

you know.

471

00:45:52,061 --> 00:45:53,229

People do that all the time!

472

00:46:00,369 --> 00:46:02,271

I know, I know, I know.

473

00:46:02,304 --> 00:46:04,441

But I prayed all night
that Sitta would sleep

474

00:46:04,474 --> 00:46:06,008

so that makes up for it.

475

00:46:08,077 --> 00:46:09,412

That's not how it works.

476

00:46:10,746 --> 00:46:14,717

And when I wasn't praying,
I was thinking about food.

477

00:46:14,750 --> 00:46:15,951

Now which one should I have?

478

00:46:15,985 --> 00:46:16,819

Cabbage curry?

479

00:46:20,890 --> 00:46:22,324

Or carrot curry?

480

00:46:27,062 --> 00:46:28,898

They both taste
exactly the same.

481

00:46:30,032 --> 00:46:32,301

My father would say curry
requires an education.

482

00:46:33,302 --> 00:46:34,069

Interesting.

483

00:46:35,804 --> 00:46:36,672

Tell me more.

484

00:46:37,806 --> 00:46:38,807

There's not much to tell.

485

00:46:40,410 --> 00:46:42,011

My parents died
when I was seven.

486

00:46:43,746 --> 00:46:46,749

A child alone is...
is a terrible thing.

487

00:46:47,850 --> 00:46:48,918

I wasn't alone.

488

00:46:50,487 --> 00:46:53,289

The shrine to Bilal al
Habeshi in Morocco took me in.

489

00:46:54,424 --> 00:46:57,092

The Great Abdal became
my teacher and my father.

490

00:46:58,327 --> 00:47:00,162

And that's the whole story?

491

00:47:00,196 --> 00:47:01,864

Until my journey to Harar.

492

00:47:02,831 --> 00:47:05,768

[chuckling] Lilly,
you are hopeless.

493

00:47:06,802 --> 00:47:08,237

What do you mean?

494

00:47:08,270 --> 00:47:10,306

Nobody knows anything,
so they fill in

495

00:47:10,339 --> 00:47:12,174

the facts where they can.

496

00:47:12,208 --> 00:47:14,009

[chuckling]

497

00:47:14,043 --> 00:47:17,780

Vertise, she swears that your
father was a big game hunter,

498

00:47:17,813 --> 00:47:19,949

and your mother owned
a coffee plantation. [chuckling]

499

00:47:21,116 --> 00:47:22,351

Why would she say that?

500

00:47:22,385 --> 00:47:23,420

For fun.

501

00:47:24,387 --> 00:47:25,354

It's in a book.

502

00:47:26,855 --> 00:47:28,090

The thing I don't
understand is why anyone

503

00:47:28,123 --> 00:47:29,158

cares about these things.

504

00:47:30,926 --> 00:47:33,829

Because that's what people
do when we come together.

505

00:47:35,364 --> 00:47:36,932

We tell each other our stories.

506

00:47:38,468 --> 00:47:41,136

And if you can't share your
story, then who are you?

507

00:47:43,440 --> 00:47:47,276

[Amina] I spoke to Mrs. Jahangir
yesterday at the market.

508

00:47:47,309 --> 00:47:49,812

She said I can work there
three days a week to start.

509

00:47:50,946 --> 00:47:51,914

It's not much, but...

510

00:47:53,249 --> 00:47:54,917

if I get another job...

511

00:47:54,950 --> 00:47:56,819

[Lilly] You should teach.

512

00:47:56,852 --> 00:47:58,988

[Amina] Of course I should
teach.

513

00:47:59,021 --> 00:48:02,191

Now, if only my degree,
my references,

514

00:48:02,224 --> 00:48:05,428

my experience would be
able to convince someone

515

00:48:05,462 --> 00:48:07,930

other than you that
I am qualified.

516

00:48:09,865 --> 00:48:13,403

But that's not the point,
my point is,

517

00:48:13,436 --> 00:48:15,904

if I get another job then
we can get our own place.

518

00:48:17,940 --> 00:48:18,941

Is that what you want?

519

00:48:21,277 --> 00:48:22,412

No. [giggling]

520

00:48:23,513 --> 00:48:25,014

But surely you need me to go?

521

00:48:27,082 --> 00:48:28,150

[distant water splashing]

522

00:48:30,219 --> 00:48:31,320

Ahmed, be careful!

523

00:48:34,857 --> 00:48:35,891

[Lilly] What about your story?

524

00:48:38,027 --> 00:48:38,927

With their father?

525

00:48:43,566 --> 00:48:45,801

We knew what was

happening in the country.

526

00:48:48,337 --> 00:48:50,205

But for us everything was...

527

00:48:51,574 --> 00:48:53,576

it was good.

528

00:48:53,610 --> 00:48:56,912

Yusuf started going to

these political meetings,

529

00:48:56,945 --> 00:48:58,548

then he took part in strikes

530

00:48:58,581 --> 00:49:00,249

and protests against
the emperor.

531

00:49:02,284 --> 00:49:06,255

And I, I said,
"Silly man, what...

532

00:49:08,123 --> 00:49:09,592

What are you playing at?

533

00:49:10,926 --> 00:49:12,995

You're an agronomist.

534

00:49:13,028 --> 00:49:14,431

What do you know
of such things?"

535

00:49:17,032 --> 00:49:18,435

When Haile Selassie's
soldiers...

536

00:49:20,503 --> 00:49:24,940

beat him... until he was broken

537

00:49:24,973 --> 00:49:29,878

and bleeding and lying at the
feet of his wife and his son...

538

00:49:32,281 --> 00:49:33,616

he was so surprised.

539

00:49:35,652 --> 00:49:36,985

[distant water splashing]

540

00:49:38,187 --> 00:49:40,055

Don't do it!

541

00:49:42,191 --> 00:49:43,192

Those are new shoes!

542

00:49:45,260 --> 00:49:46,261

Ahmed!

543

00:49:46,295 --> 00:49:48,230

[soft piano music]

544

00:49:48,263 --> 00:49:49,264

Ahmed!

545

00:50:26,503 --> 00:50:28,937

[dramatic music]

546

00:50:53,362 --> 00:50:54,497

There is no meeting today.

547

00:50:56,064 --> 00:50:56,699

Where is Aziz?

548

00:51:06,376 --> 00:51:09,546

[soft piano music]

549

00:51:16,686 --> 00:51:17,720

[Aziz] What are you doing here?

550

00:51:21,691 --> 00:51:24,427

I, I wanted to be with you.

I thought there would be a meeting.

551

00:51:24,461 --> 00:51:26,328

Djimon has heard

the house is being watched.

552

00:51:27,630 --> 00:51:28,997

We cannot meet here again.

553

00:51:29,699 --> 00:51:31,401

Then when will I be

able to see you?

554

00:51:35,805 --> 00:51:38,106

Come away with me. One night.

555

00:51:38,140 --> 00:51:39,341

No, I can't.

556

00:51:41,176 --> 00:51:42,344

What would I tell Nouria?

557

00:51:43,513 --> 00:51:47,182

Uh, tell her you are shopping

558

00:51:48,585 --> 00:51:50,820

- for Sadia's wedding.

- It's another lie.

559

00:51:54,691 --> 00:51:56,258

Everything is changing, Lilly.

560

00:51:58,495 --> 00:51:59,429

Everything.

561

00:52:01,296 --> 00:52:03,098

What does that have to do

with the nature of my sins?

562

00:52:08,671 --> 00:52:09,572

Just say yes.

563

00:52:22,519 --> 00:52:23,486

Say yes.

564

00:52:26,623 --> 00:52:27,423

Yes.

565

00:52:41,270 --> 00:52:42,204

Be careful.

566

00:52:45,240 --> 00:52:46,442

Promise me.

567

00:52:46,476 --> 00:52:48,277

[soft piano music]

568

00:53:07,362 --> 00:53:10,299

[Amina] My goal is to bring

Lilly into the 20th century

569

00:53:10,332 --> 00:53:12,334

whether she likes it or not!

570

00:53:12,367 --> 00:53:14,336

[women laughing]

571

00:53:14,369 --> 00:53:16,171

That was my sofa.

572

00:53:16,204 --> 00:53:18,541

Ah, well, this is your sofa now.

573

00:53:18,575 --> 00:53:20,710

I bought it from Vertise.

She got a new one

574

00:53:20,743 --> 00:53:23,145

with blue and pink flowers

on a cream background.

575

00:53:23,178 --> 00:53:25,715

Which looks terrible with her
green carpet, if you ask me.

576

00:53:25,748 --> 00:53:27,650

Deh? Nobody is.

577

00:53:27,684 --> 00:53:29,217

So what do you think?

578

00:53:29,251 --> 00:53:30,620

It's very plaid.

579

00:53:31,921 --> 00:53:33,756

Excellent observation.

580

00:53:33,790 --> 00:53:36,492

But it also does
something very special.

581

00:53:36,526 --> 00:53:39,361

Ahmed, come and show
Auntie her surprise.

582

00:53:47,369 --> 00:53:49,439

[women chuckling]

583

00:53:49,472 --> 00:53:51,507

This is wonderful!

584

00:53:51,541 --> 00:53:54,544

- I've never seen anything like it!

- You see what I mean?

585

00:53:54,577 --> 00:53:57,312

Every day with Lilly I get

to experience the world anew.

586

00:53:57,346 --> 00:54:00,148

[women chuckling]

587

00:54:01,818 --> 00:54:03,886

[Amina sobbing in the distance]

588

00:54:41,991 --> 00:54:43,258

Amina?

589

00:54:49,264 --> 00:54:50,298

Are you all right?

590

00:55:05,648 --> 00:55:08,384

- We should go to hospital.

- No.

591

00:55:08,418 --> 00:55:09,585

Amina,

it could be something serious.

592

00:55:10,620 --> 00:55:11,587

I know what it is.

593

00:55:19,929 --> 00:55:21,196

In the refugee camp...

594

00:55:26,636 --> 00:55:29,605

I had to do whatever

I could to protect Ahmed.

595

00:55:29,639 --> 00:55:30,940

Of course.

596

00:55:31,874 --> 00:55:35,545

The guards... when they

saw I wasn't circumcised...

597

00:55:37,547 --> 00:55:38,514

they turned me over...

598

00:55:40,282 --> 00:55:41,417

and did it the other way.

599

00:55:44,687 --> 00:55:46,422

Sometimes there is pain.

600

00:55:49,291 --> 00:55:50,693

Sometimes there's blood.

601

00:55:56,699 --> 00:55:57,633

It's over now.

602

00:56:01,704 --> 00:56:02,939

It will never be over.

603

00:56:16,519 --> 00:56:17,687

The water's cold.

604

00:56:19,989 --> 00:56:21,289

[water running]

605

00:56:22,592 --> 00:56:24,927

[baby crying]

606

00:56:24,961 --> 00:56:25,995

I'll check on Sitta.

607

00:56:44,947 --> 00:56:46,048

[baby cooing]

608

00:56:59,796 --> 00:57:01,296

How long were you in the camp?

609

00:57:05,835 --> 00:57:06,702

Eight months.

610

00:57:15,077 --> 00:57:16,311

You figured it out.

611

00:57:18,614 --> 00:57:19,715

You could have told me.

612

00:57:21,717 --> 00:57:23,653

[baby cooing]

613

00:57:28,558 --> 00:57:29,492

Which part?

614

00:57:32,695 --> 00:57:35,498

The shame that my Yusuf
isn't her father?

615

00:57:38,568 --> 00:57:39,735

Or the relief...

616

00:57:41,737 --> 00:57:42,905

that he didn't have to live

617

00:57:42,939 --> 00:57:44,807

knowing what they
did to his wife?

618

00:57:55,084 --> 00:57:56,085

[Sitta sneezes]

619

00:57:58,421 --> 00:58:00,022

[soft ambient music]

620

00:58:03,593 --> 00:58:04,694

<i>allahu akbar.</i>

621

00:58:25,581 --> 00:58:26,816

[muffled chattering

on loudspeaker]

622

00:58:30,887 --> 00:58:34,156

You must make a truly

light meringue, Mrs. Peele.

623

00:58:34,190 --> 00:58:37,627

I have never been able to make a
floating island actually float.

624

00:58:37,660 --> 00:58:39,996

[both laughing]

625

00:58:40,029 --> 00:58:40,997

[doctor] Let me see.

626

00:58:42,865 --> 00:58:44,634

[people chattering]

627

00:58:53,809 --> 00:58:56,178

- Good afternoon, Mr. Jahangir.

- Afternoon.

628

00:58:56,212 --> 00:58:58,214

Come and see what

I'm doing in the storeroom.

629

00:58:58,247 --> 00:59:00,716

Oh, yes, she has big plans.

630

00:59:00,750 --> 00:59:02,818

Wants to do everything

but sell my groceries.

631

00:59:09,158 --> 00:59:11,594

So, what do you think?

632

00:59:13,562 --> 00:59:14,196

About what?

633

00:59:15,097 --> 00:59:16,465

Our new office.

634

00:59:17,500 --> 00:59:19,535

Why do we need an office?

635

00:59:19,568 --> 00:59:23,973

For the Ethiopian Family
Reunification Association.

636

00:59:24,006 --> 00:59:26,642

- But there's no such thing.
- Well, there is now.

637

00:59:28,144 --> 00:59:30,813

See, after Djibouti,

I had to go through

638

00:59:30,846 --> 00:59:33,516

the central refugee
office in Rome.

639

00:59:33,549 --> 00:59:35,751

There were thousands
of us just waiting...

640

00:59:35,785 --> 00:59:38,888

I know, I was there for
I don't know how many weeks.

641

00:59:38,921 --> 00:59:43,592

We were there for months. And we just waited
while they did their endless paperwork.

642

00:59:43,626 --> 00:59:46,128

Now, if the office in
Rome could send a list

643

00:59:46,162 --> 00:59:47,863

of new arrivals from Ethiopia,

644

00:59:47,897 --> 00:59:49,932

it could be matched with

a list of people here

645

00:59:49,966 --> 00:59:51,834

searching for their relatives.

646

00:59:51,867 --> 00:59:53,569

Where would that list come from?

647

00:59:53,602 --> 00:59:55,838

[scoffing] How many

Ethiopian refugees

648

00:59:55,871 --> 00:59:58,541

are in our community

center alone?

649

00:59:58,574 --> 01:00:02,278

And almost every one of

them is just like you.

650

01:00:02,311 --> 01:00:03,913

Like me?

651

01:00:03,946 --> 01:00:06,148

They want to know if the
loved ones they left behind

652

01:00:06,182 --> 01:00:07,783

got out of the country alive.

653

01:00:09,285 --> 01:00:12,188

Look, my husband is gone.

654

01:00:12,221 --> 01:00:14,156

You don't know that for sure.

655

01:00:14,190 --> 01:00:15,791

You only saw them take him away.

656

01:00:15,825 --> 01:00:16,826

He's gone.

657

01:00:19,028 --> 01:00:22,631

We will do this together,
but for our own reasons.

658

01:00:24,100 --> 01:00:26,769

Now, I believe your
exact words were.

659

01:00:35,711 --> 01:00:37,179

See?

660

01:00:37,213 --> 01:00:39,181

You really have no choice.

661

01:00:40,816 --> 01:00:43,085

[Mr. Jahangir] Amina! Customer!

662

01:00:43,119 --> 01:00:44,754

[soft ambient music]

663

01:00:49,058 --> 01:00:50,559

[softly chuckling]

664

01:01:00,636 --> 01:01:01,937

[light dramatic music]

665

01:01:06,642 --> 01:01:09,045

Do you believe Miss Nairobi
won wearing that dress?

666

01:01:13,115 --> 01:01:16,085

Lilly, are you going to do
that until we get to Dire Dawa?

667

01:01:16,118 --> 01:01:17,286

Sadia, we lied!

668

01:01:18,220 --> 01:01:19,889

We're not going to shop
for your wedding.

669

01:01:19,922 --> 01:01:21,557

So what? We harm no one.

670

01:01:22,892 --> 01:01:24,894

But what if you and I...

671

01:01:24,927 --> 01:01:27,096

- If we both...

- Have sex?

672

01:01:29,298 --> 01:01:30,599

Me and Munir have done it.

673

01:01:31,901 --> 01:01:33,235

Twice.

674

01:01:33,269 --> 01:01:34,804

Aren't you worried?

675

01:01:34,837 --> 01:01:36,238

About my parents finding out?

676

01:01:36,272 --> 01:01:37,339

About your soul.

677

01:01:37,373 --> 01:01:38,674

Ah, Lilly.

678

01:01:39,775 --> 01:01:40,743

You're so naive.

679

01:01:54,190 --> 01:01:55,191

I see Munir.

680

01:02:21,951 --> 01:02:23,719

[muffled upbeat music]

681

01:02:32,895 --> 01:02:33,796

Thank you.

682

01:02:41,237 --> 01:02:42,371

You're a very practical Muslim.

683

01:02:44,206 --> 01:02:47,243

I like to decide
things for myself.

684

01:02:47,276 --> 01:02:51,947

Surely you have considered the Qur'an
is not meant to be... taken literally.

685

01:02:51,981 --> 01:02:57,987

That it is a... a story to be
interpreted by each, in his own way.

686

01:03:02,858 --> 01:03:03,426

I am sorry.

687

01:03:04,994 --> 01:03:05,761

I am sorry.

688

01:03:07,397 --> 01:03:09,131

It has been pointed out
to me more than once

689

01:03:09,165 --> 01:03:10,400

that I tend to state
the obvious.

690

01:03:11,901 --> 01:03:13,135

Clarity is not a sin.

691

01:03:14,471 --> 01:03:15,704

But boring people is.

692

01:03:17,407 --> 01:03:19,409

I've actually tasted

liquor before.

693

01:03:19,442 --> 01:03:20,410

Truly?

694

01:03:21,478 --> 01:03:23,279

When was this?

695

01:03:23,312 --> 01:03:26,115

When I was five-years-old,

maybe six.

696

01:03:27,783 --> 01:03:28,684

You are teasing me.

697

01:03:29,752 --> 01:03:30,387

I'm not.

698

01:03:32,121 --> 01:03:34,056

My parents had very
unusual ideas.

699

01:03:35,224 --> 01:03:36,158

They were not Muslim?

700

01:03:36,192 --> 01:03:38,928

No. No.

701

01:03:38,961 --> 01:03:40,329

I have wondered
why you never spoke

702

01:03:40,362 --> 01:03:41,398

of your father and mother.

703

01:03:43,132 --> 01:03:44,867

The Great Abdal

taught me to look forward.

704

01:03:45,901 --> 01:03:47,102

And so here you are.

705

01:03:48,103 --> 01:03:49,838

With a Muslim who

believes his faith is

706

01:03:50,906 --> 01:03:52,074

open to interpretation.

707

01:03:54,176 --> 01:03:54,977

Yeah.

708

01:03:56,011 --> 01:03:56,779

Here I am.

709

01:03:59,081 --> 01:04:00,182

A free spirit after all.

710

01:04:01,283 --> 01:04:02,084

No.

711

01:04:04,053 --> 01:04:05,854

Free spirits do
not fear judgment.

712

01:04:07,323 --> 01:04:08,290

And so what are you?

713

01:04:10,226 --> 01:04:12,429

Someone who's risking
the chance for paradise

714

01:04:12,462 --> 01:04:14,263

in the next life to be
with you in this one.

715

01:04:19,969 --> 01:04:22,405

[somber piano music]

716

01:04:26,308 --> 01:04:29,412

The office in Rome sends
a new list every month.

717

01:04:30,380 --> 01:04:31,947

And if your husband's
name is on it,

718

01:04:31,981 --> 01:04:33,450

I promise I will call you.

719

01:04:39,589 --> 01:04:40,856

You have a daughter?

720

01:04:46,128 --> 01:04:47,162

God has been good to you.

721

01:05:00,410 --> 01:05:01,343

[Amina sighing]

722

01:05:08,884 --> 01:05:11,421

[sighing] Enough for today.

723

01:05:11,454 --> 01:05:14,056

- Let's go home.

- What about the post?

boy's birthdays.

900

01:20:03,913 --> 01:20:05,915

Don't ask me which one.

901

01:20:05,948 --> 01:20:06,815

I need to sit.

902

01:20:47,056 --> 01:20:47,657

Yusuf?

903

01:20:50,826 --> 01:20:52,429

What have they done to you?

904

01:20:53,496 --> 01:20:56,165

Yusuf! What have they done?

905

01:20:56,198 --> 01:20:57,400

It's all right.

906

01:21:02,104 --> 01:21:03,172

My love.

907

01:21:06,842 --> 01:21:10,045

You didn't write back.

Why didn't you write to me?

908

01:21:10,079 --> 01:21:13,015

All I could think about
was seeing your face.

909

01:21:13,048 --> 01:21:14,484

[both chuckling]

910

01:21:14,517 --> 01:21:17,554

- My love.

- Why didn't you write?

911

01:21:17,587 --> 01:21:20,490

I'm sorry, I wanted
to surprise you. [chuckling]

912

01:21:24,893 --> 01:21:25,794

Is that Sitta?

913

01:21:25,828 --> 01:21:27,363

[soft ambient music]

914

01:21:28,531 --> 01:21:29,466

Is that our daughter?

915

01:21:35,137 --> 01:21:36,338

[Yusuf chuckling]

916

01:21:39,275 --> 01:21:40,342

Oh, Sitta!

917

01:21:45,214 --> 01:21:46,015

Sitta.

918

01:21:48,485 --> 01:21:49,351

It's your Papa.

919

01:22:01,330 --> 01:22:02,931

I've come to take you
to your new home.

920

01:22:06,969 --> 01:22:09,204

Sitta, you'll love Alberta.

921

01:22:20,617 --> 01:22:22,918

[soft ambient music]

922

01:22:30,259 --> 01:22:32,094

When the Great Abdal told me

923

01:22:32,127 --> 01:22:33,530

he was going to give me a home,

924

01:22:35,097 --> 01:22:36,499

I demanded to know why.

925

01:22:39,602 --> 01:22:41,303

I was just

a little thing, but...

926

01:22:43,305 --> 01:22:45,908

I told him he couldn't

tell me it was God's will,

927

01:22:47,009 --> 01:22:49,144

because my mother had told me
there wasn't any god.

928

01:22:50,079 --> 01:22:50,913

Was he angry?

929

01:22:51,980 --> 01:22:52,582

What did he say?

930

01:22:55,184 --> 01:22:57,252

He said that

all I needed to know...

931

01:22:58,488 --> 01:23:03,292

was that his heart and my
heart were very old friends.

932

01:23:04,960 --> 01:23:06,028

Like yours and mine.

933

01:23:19,709 --> 01:23:22,111

[muffled chattering
on loudspeaker]

934

01:23:49,539 --> 01:23:51,541

Plenty of time, plenty of time.

935

01:23:56,646 --> 01:23:57,580

My darling.

936

01:23:59,114 --> 01:24:01,049

- How are you?

- [Yusuf] Good morning.

937

01:24:01,083 --> 01:24:02,017

Hello, you.

938

01:24:07,457 --> 01:24:08,991

- [Mrs. Jahangir] Watch the basket.

- Okay.

939

01:24:15,665 --> 01:24:18,601

Cookies for my precious

Ahmed, and for Sitta.

940

01:24:18,635 --> 01:24:20,637

[Sitta crying]

941

01:24:20,670 --> 01:24:21,937

Shh.

942

01:24:25,040 --> 01:24:26,341

You have been so good to us.

943

01:24:27,577 --> 01:24:28,411

So good.

944

01:24:37,787 --> 01:24:39,622

Amazing, yes?

945

01:24:39,656 --> 01:24:41,123

What the body can endure.

946

01:24:43,393 --> 01:24:44,159

And the spirit.

947

01:24:47,764 --> 01:24:49,566

Amina told me about
your young man.

948

01:24:52,334 --> 01:24:53,168

I know nothing.

949

01:24:55,237 --> 01:24:57,674

He could be in a prison
like you were, I don't know.

950

01:25:00,443 --> 01:25:01,343

Let's hope so.

951

01:25:15,391 --> 01:25:17,359

- [Ahmed] I'm going in front.

- [Yusuf chuckling]

952

01:25:17,393 --> 01:25:20,630

You will sit in the back
with me and your sister.

953

01:25:20,663 --> 01:25:22,297

Your mother must

ride in comfort.

954

01:25:27,403 --> 01:25:29,338

I can't even look at you.

955

01:25:32,241 --> 01:25:34,477

[crying]

956

01:25:34,511 --> 01:25:36,713

[solemn music]

957

01:25:41,718 --> 01:25:43,051

It's time.

958

01:26:00,403 --> 01:26:03,506

<i>Inshallah</i> we shall

see each other again my sister.

959

01:26:04,641 --> 01:26:06,108

<i>Inshallah.</i>

960

01:26:19,221 --> 01:26:20,523

[Amina sobbing]

961

01:26:25,895 --> 01:26:29,264

[uplifting violin music]

962

01:27:16,178 --> 01:27:17,447

[distant train whistle blowing]

963

01:27:45,508 --> 01:27:47,543

[people shouting]

964

01:27:52,615 --> 01:27:54,550

- [glass shatters]

- [bus thudding]

965

01:28:11,701 --> 01:28:14,504

[dramatic music]

966

01:28:15,872 --> 01:28:17,172

Aziz!

967

01:28:21,309 --> 01:28:23,680

[bus chugging]

968

01:28:41,263 --> 01:28:43,966

[Sadia] There he is. Uncle Djimon is
here to get you out of the country.

969

01:28:45,702 --> 01:28:46,301

Lilly?

970

01:28:49,639 --> 01:28:50,540

[Lilly] I can't just leave.

971

01:28:57,447 --> 01:28:58,781

[whistle blowing]

972

01:29:08,658 --> 01:29:10,393

Nouria! Nouria!

973

01:29:36,519 --> 01:29:38,788

[Djimon coughing]

974

01:29:54,570 --> 01:29:55,438

May I?

975

01:29:57,006 --> 01:29:58,775

There isn't one other seat.

976

01:30:00,576 --> 01:30:01,444

See for yourself.

977

01:30:04,580 --> 01:30:05,548

[Robin clears throat]

978

01:30:08,084 --> 01:30:09,752

This may be the first
time I've seen you in here

979

01:30:09,786 --> 01:30:11,654

when you haven't had
a book right in your face.

980

01:30:13,422 --> 01:30:15,825

You must really like them?

981

01:30:18,861 --> 01:30:21,329

Books, I, I assume.

982

01:30:23,566 --> 01:30:25,635

- You're right.

- I like books, too.

983

01:30:27,403 --> 01:30:31,073

Well, I'm in a bit of a,
a science fiction rut,

984

01:30:31,107 --> 01:30:33,910

you know, Bradbury,
Asimov, Le Guin.

985

01:30:33,943 --> 01:30:35,378

Perhaps you could
recommend a change of...

986

01:30:35,411 --> 01:30:36,445

No, I can't.

987

01:30:38,981 --> 01:30:39,816

That's too bad.

988

01:30:42,151 --> 01:30:44,120

I thought perhaps literature

989

01:30:44,153 --> 01:30:46,022

might just be

the conversational ticket.

990

01:30:51,561 --> 01:30:52,428

I'm sorry.

991

01:30:54,831 --> 01:30:55,731

I don't mean to bother you.

992

01:30:59,836 --> 01:31:02,538

It was, it was

a pleasure almost having

993

01:31:02,572 --> 01:31:04,040

a conversation with you,

Miss Abdal.

994

01:31:22,425 --> 01:31:23,993

[thunder rumbling]

995

01:31:38,474 --> 01:31:40,042

I'm sorry.

996

01:31:40,076 --> 01:31:41,377

I hope you haven't
been waiting long.

997

01:31:42,712 --> 01:31:43,913

I have no appointment.

998

01:31:44,847 --> 01:31:46,148

Please, come in.

999

01:31:47,550 --> 01:31:49,051

[door creaks]

1000

01:31:56,726 --> 01:31:57,960

Please, have a seat Mr...

1001

01:31:59,061 --> 01:32:00,129

My name is Tariq.

1002

01:32:01,764 --> 01:32:03,532

This is the right place?

1003

01:32:03,566 --> 01:32:04,734

You are Lilly Abdal?

1004

01:32:04,767 --> 01:32:06,736

[Lilly] Yes, please come in.

1005

01:32:07,670 --> 01:32:08,571

[Tariq] Thank you.

1006

01:32:17,046 --> 01:32:19,148

What can I help you with?

1007

01:32:19,181 --> 01:32:20,650

Are you trying to find someone?

1008

01:32:24,720 --> 01:32:25,821

I'll make you some coffee.

1009

01:32:31,494 --> 01:32:35,498

I was held in a prison
near the Somali border.

1010

01:32:36,766 --> 01:32:38,601

I was not there long before...

1011

01:32:40,503 --> 01:32:41,938

A guard beat me in such a way...

1012

01:32:43,739 --> 01:32:45,007

that when he finished...

1013

01:32:46,842 --> 01:32:48,911

there was only darkness.

1014

01:32:52,281 --> 01:32:53,616

I could no longer see.

1015

01:32:56,118 --> 01:32:57,553

Then the doctor came.

1016

01:32:57,586 --> 01:32:59,956

[soft ambient music]

1017

01:33:01,157 --> 01:33:05,094

He had been part of the resistance
to the military takeover.

1018

01:33:07,630 --> 01:33:08,764

He too was a prisoner.

1019

01:33:09,732 --> 01:33:10,766

He was tortured.

1020

01:33:12,001 --> 01:33:12,969

But even so...

1021

01:33:14,804 --> 01:33:16,105

he cared for all of us.

1022

01:33:20,109 --> 01:33:24,113

He promised... my blindness
would not last.

1023

01:33:37,326 --> 01:33:38,227

You see?

1024

01:33:40,262 --> 01:33:41,097

He did not lie.

1025

01:33:43,799 --> 01:33:45,001

He was the best man.

1026

01:33:47,269 --> 01:33:48,537

Because of him...

1027

01:33:50,806 --> 01:33:54,577

many of us were
spared further pain.

1028

01:33:58,114 --> 01:33:59,949

Do you know what
happened to him?

1029

01:34:01,283 --> 01:34:02,885

[light dramatic music]

1030

01:34:06,589 --> 01:34:07,590

A day came...

1031

01:34:09,625 --> 01:34:11,060

when a guard

1032

01:34:11,093 --> 01:34:14,196

took many of us

into a courtyard.

1033

01:34:14,230 --> 01:34:16,932

They told us we would

have a good show.

1034

01:34:16,966 --> 01:34:18,634

[water boiling]

1035

01:34:22,738 --> 01:34:25,107

[solemn music]

1036

01:34:35,051 --> 01:34:36,952

[Tariq] "Counter-revolutionary."

1037

01:34:36,986 --> 01:34:38,087

That's what they called us.

1038

01:34:40,322 --> 01:34:41,557

[guns clicking]

1039

01:34:43,659 --> 01:34:44,560

[Tariq] But then...

1040

01:34:46,629 --> 01:34:47,863

they brought him out.

1041

01:34:51,100 --> 01:34:51,734

The doctor.

1042

01:34:55,037 --> 01:34:57,139

He would not die on his knees.

1043

01:35:07,183 --> 01:35:08,717

[Lilly crying]

1044

01:35:20,796 --> 01:35:22,298

[gun cocking]

1045

01:35:22,331 --> 01:35:24,700

[dramatic music]

1046

01:35:26,702 --> 01:35:28,370

[gun firing]

1047

01:35:28,405 --> 01:35:31,273

[heavy breathing]

1048

01:35:31,307 --> 01:35:33,976

[dramatic piano music]

1049

01:36:03,406 --> 01:36:06,108

[Senit's muffled shouting]

1050

01:36:09,479 --> 01:36:11,680

Lilly, I'm going to get Zema!

1051

01:36:40,377 --> 01:36:41,411

What are you doing here?

1052

01:36:45,080 --> 01:36:46,416

First, drink.

1053

01:36:50,420 --> 01:36:53,756

You managed to get
quite dehydrated

1054

01:36:53,789 --> 01:36:56,225

with a doctor in the next room.

1055

01:36:56,258 --> 01:36:58,428

I might have to reconsider
my career choice.

1056

01:37:03,766 --> 01:37:05,134

Mm-mm, keep going.

1057

01:37:11,307 --> 01:37:12,241

There you go.

1058

01:37:20,883 --> 01:37:22,284

Now tell me.

1059

01:37:22,318 --> 01:37:23,252

Please.

1060

01:37:24,353 --> 01:37:26,222

Right. [clears throat]

1061

01:37:28,257 --> 01:37:30,359

Someone named Senit

1062

01:37:31,293 --> 01:37:33,295

found you on the floor
outside your flat.

1063

01:37:35,398 --> 01:37:39,768

She got your spare key

from someone named Vertise,

1064

01:37:39,802 --> 01:37:42,938

who then called Mrs. Jahangir,

1065

01:37:42,972 --> 01:37:46,476

who then called Amina in Canada,

1066

01:37:46,509 --> 01:37:49,979

and she called the hospital

and tracked down...

1067

01:37:51,448 --> 01:37:52,281

me.

1068

01:37:55,284 --> 01:37:56,852

That means I must

have told Senit.

1069

01:38:00,089 --> 01:38:01,257

I believe you did, Lilly.

1070

01:38:03,892 --> 01:38:05,027

So everyone knows?

1071

01:38:07,464 --> 01:38:08,398

Everyone knows.

1072

01:38:59,449 --> 01:39:02,284

[soft ambient music]

1073

01:39:29,978 --> 01:39:32,214

I see you've found some
new reading material.

1074

01:39:32,247 --> 01:39:33,282

[both chuckle]

1075

01:39:38,655 --> 01:39:39,622

I never thanked you.

1076

01:39:41,624 --> 01:39:42,958

Not properly.

1077

01:39:42,991 --> 01:39:44,594

For recommending
science fiction?

1078

01:39:45,961 --> 01:39:46,995

For taking care of me.

1079

01:39:49,632 --> 01:39:51,166

There's no need.

1080

01:39:51,200 --> 01:39:52,000

Of course there is.

1081

01:39:54,169 --> 01:39:57,306

Well then I believe
I should thank you, as well,

1082

01:39:57,339 --> 01:40:01,276

for inspiring me to expand
my literary horizons.

1083

01:40:02,445 --> 01:40:03,912

Sufi poetry.

1084

01:40:05,981 --> 01:40:07,916

So you see,

1085

01:40:07,950 --> 01:40:10,453

it's a,

it's a good deal all around.

1086

01:40:33,710 --> 01:40:34,943

When I was seven years old,

1087

01:40:36,446 --> 01:40:38,080

my parents took me to Morocco.

1088

01:40:41,250 --> 01:40:43,453

We went to a Sufi shrine

at the edge of the Sahara.

1089

01:40:47,356 --> 01:40:50,025

They left me there,

and they never came back.

1090

01:40:56,666 --> 01:40:58,033

It wasn't until years later

1091

01:40:58,066 --> 01:40:59,334

that I found out what
happened to them.

1092

01:41:02,037 --> 01:41:04,507

And even then, all I was told

1093

01:41:04,541 --> 01:41:07,610

was that drugs were involved,
and that they died together.

1094

01:41:11,481 --> 01:41:13,081

[soft ambient music]

1095

01:41:13,115 --> 01:41:14,451

I don't, I don't
know what to say.

1096

01:41:15,385 --> 01:41:16,351

It's all right.

1097

01:41:18,187 --> 01:41:20,289

I was happy there.

1098

01:41:20,322 --> 01:41:23,393

[teacher and students
chattering]

1099

01:41:26,094 --> 01:41:27,329

And I was loved.

1100

01:41:30,400 --> 01:41:32,067

I would have stayed
there forever if I could.

1101

01:41:37,407 --> 01:41:40,008

[solemn piano music]

1102

01:41:46,716 --> 01:41:49,586

Of course I can call back,

1103

01:41:49,619 --> 01:41:51,521

but it will be to speak
with your supervisor.

1104

01:41:56,392 --> 01:42:00,563

[Amina] *<i>Lilly, how much there is
to tell you about Alberta.</i>*

1105

01:42:00,597 --> 01:42:03,198

*<i>Today, I met
a woman in the market,</i>*

1106

01:42:03,232 --> 01:42:04,567

*<i>we reached for
the same melon.</i> [chuckling]*

1107

01:42:06,703 --> 01:42:08,638

<i>She came here alone from Chile</i>

1108

01:42:08,671 --> 01:42:11,373

*<i>after her family was killed
during the military coup.</i>*

1109

01:42:13,376 --> 01:42:15,612

*<i>She said she has put
down roots here,</i>*

1110

01:42:15,645 --> 01:42:19,281

*<i>and in that moment,
I knew I could do that too.</i>*

1111

01:42:20,249 --> 01:42:23,285

*<i>And not just because I ended
up with the melon!</i> [chuckling]*

1112

01:42:28,357 --> 01:42:31,326

*<i>We are branches from
the same tree, my sister.</i>*

1113

01:42:32,395 --> 01:42:36,566

*<i>We must plant ourselves
where we are,</i>*

1114

01:42:36,599 --> 01:42:40,068

*<i>and know in our hearts
that we are home.</i>*

1115

01:42:49,846 --> 01:42:53,248

[Arabic themed music]

1116

01:47:05,367 --> 01:47:08,004

[light dramatic music]

1117

01:48:14,604 --> 01:48:17,607

[soft classical music]
