he's crazy about someone twice his size.</i>

171

00:08:30,927 → 00:08:32,261

- Good mornin'.

- Hi.

172

00:08:32,762 → 00:08:35,348

So David Blaine called me,

you'll never believe it.

173

00:08:35,431 → 00:08:37,671

He wants to know when you and I

will make magic together.

174

00:08:38,059 → 00:08:40,603

You do this every day.

Dunkleman, it's never gonna happen.

175

00:08:41,687 → 00:08:43,105

I made you a smoothie.

176

00:08:45,775 → 00:08:46,859

[chuckles]

177

00:08:46,943 → 00:08:49,904

Okay, it would be weird.

We've known each other for so long,

178

00:08:49,987 → 00:08:52,031

and dating a guy who's shorter than me

179

00:08:52,114 → 00:08:54,575

would just draw more attention

to how much of a freak I am.

180

00:08:54,659 → 00:08:57,179

Wait, but half the guys in this school

are shorter than you are.

181

00:08:57,286 → 00:08:58,829

Hence my conundrum.

182

00:08:58,913 → 00:09:01,749

Oh, ho, ho. I would love nothing more

than to hence your conundrum.

183

00:09:01,832 → 00:09:03,960

All I'm saying is let your freak flag fly.

184

00:09:04,293 → 00:09:07,213

Date a short guy. Wear high heels.

Do something crazy.

185

00:09:07,296 → 00:09:09,757

They don't make heels in size 13 men's.

186

00:09:09,840 → 00:09:11,467

Even if they did, I wouldn't wear them.

187

00:09:11,551 → 00:09:15,596

Look, I know I don't have everything
on your perfect boyfriend checklist, okay?

188

00:09:15,680 → 00:09:20,059

But, you know, I'd be willing to bet
I'm clocking in at around... 70%.

189

00:09:21,352 → 00:09:23,729

[stammers] Yeah, I mean, 60%.

190

00:09:24,063 → 00:09:25,189

Mm...

191

00:09:25,606 → 00:09:26,524

Fifty percent?

192

00:09:26,607 → 00:09:28,234

It's a very specific checklist.

193

00:09:28,776 → 00:09:30,656

I just think it's crazy

you won't go out with me

194

00:09:30,695 → 00:09:32,780

just 'cause what?

You think that at any moment,

195

00:09:32,863 → 00:09:34,574

some taller-than-you,

196

00:09:34,657 → 00:09:36,909

funny, intelligent, nice, perfect guy

197

00:09:36,993 → 00:09:38,494

is just gonna walk through that door?

198

00:09:38,578 → 00:09:41,080

I mean, that's... Come on. That's crazy.

199

00:09:58,055 → 00:09:59,375

[teacher] Okay, class, listen up.

200

00:09:59,432 → 00:10:02,310

We have a foreign exchange student
joining us today.

201

00:10:02,393 → 00:10:04,270

He comes to us all the way from Sweden,

202

00:10:04,353 → 00:10:06,273

and he'll be with us
the rest of the school year.

203

00:10:06,522 → 00:10:09,275

So be nice and please welcome Stig Mohlin.

204

00:10:11,485 → 00:10:13,988

Uh... Hey, hey... [chuckles]

205

00:10:14,071 → 00:10:17,199

Okay, yeah, okay,
the guy is decent-looking.

206

00:10:17,700 → 00:10:20,745

Yeah, that's, you know,
that's obvious, but,

207

00:10:21,329 → 00:10:23,529

you know, you don't know him.
He's probably dumb as a...

208

00:10:30,129 → 00:10:32,298

What's... What's he doing?

209

00:10:39,180 → 00:10:40,180

Okay.

210

00:10:41,098 → 00:10:42,975

[chuckles] He's perfect, yeah.

211

00:10:51,275 → 00:10:52,610

He didn't even look at me, okay.

212

00:10:52,693 → 00:10:55,631

It's the first time in my life that
I've ever wanted someone to look at me,

213

00:10:55,655 → 00:10:56,906

and he doesn't.

214

00:10:56,989 → 00:10:58,949

[Fareeda] Because to him,
you're not a tall girl.

215

00:11:00,242 → 00:11:01,242

I'm not?

216

00:11:02,703 → 00:11:04,705

Jodi, the dude's from Sweden.

217

00:11:04,789 → 00:11:06,832

It's an entire country filled with giants.

218

00:11:07,208 → 00:11:08,542

To him, you're just another girl.

219

00:11:10,920 → 00:11:12,672

- I'm going in. Teeth check?

- Ugh!

220

00:11:12,755 → 00:11:14,715

- Huge piece of broccoli.

- Where?

221

00:11:15,716 → 00:11:17,218

Liz, you're the worst.

222

00:11:17,802 → 00:11:18,886

Go get him!

223

00:11:20,888 → 00:11:22,348

Ugh, forever alone.

224

00:11:25,643 → 00:11:27,353

[Jodi voice-over] *<i>Kimmy Stitcher.</i>*

225

00:11:27,436 → 00:11:30,523

*<i>Travel enthusiast,
future real estate agent,</i>*

226

00:11:30,606 → 00:11:33,526

*<i>or some other occupation
that involves her face on a bench,</i>*

227

00:11:34,026 → 00:11:36,404

<i>and one of my OTs...</i>

228

00:11:36,737 → 00:11:39,657

<i>original tormentors since childhood.</i>

229

00:11:41,826 → 00:11:42,868

[young Kimmy] Look, guys.

230

00:11:42,952 → 00:11:46,080

Jodi's hand is so big,
it doesn't even fit on the clay.

231

00:11:46,664 → 00:11:48,124

We're gonna need more paint.

232

00:11:48,207 → 00:11:49,834

[children laughing]

233

00:11:52,628 → 00:11:53,879

[boy] Kimmy's funny!

234

00:11:54,755 → 00:11:56,799

[playing piano]

235

00:12:03,431 → 00:12:06,892

And that's why I want to be
just like Taylor Swift when I grow up.

236

00:12:07,184 → 00:12:10,104

Taylor Swift? More like Taller Swift.

237

00:12:10,187 → 00:12:11,397

[laughing]

238

00:12:13,899 → 00:12:15,484

Oh, that's a good one, Kimmy.

239

00:12:27,413 → 00:12:29,290

Nice sweatpants, Sasquatch.

240

00:12:29,373 → 00:12:30,373

[giggling]

241

00:12:34,336 → 00:12:35,629

Hey, new guy. I'm Kimmy.

242

00:12:35,713 → 00:12:37,423

[groans] Well, Hi, Kimmy.

243

00:12:38,132 → 00:12:41,677

- How're you liking America so far?

- Oh, I'm liking America very much so far.

244

00:12:42,052 → 00:12:44,013

[in Swedish]

And America likes you very much.

245

00:12:44,597 → 00:12:45,973

You speak Swedish?

246

00:12:46,056 → 00:12:47,409

[Kimmy in English]

I speak a little Swedish.

247

00:12:47,433 → 00:12:49,769

Picked up back in 2012
on a family vacay to Stockholm.

248

00:12:49,852 → 00:12:51,771

Oh, it's so beautiful there, right?

249

00:12:52,146 → 00:12:55,649

Yeah, America's great,
but I do know nothing about New Orleans.

250

00:12:55,983 → 00:12:57,568

Consider me your cultural ambassador.

251

00:12:58,027 → 00:12:59,028

Walk with me.

252

00:12:59,612 → 00:13:00,772

[Jodi] Man, Kimmy works fast.

253

00:13:00,821 → 00:13:03,115

I mean, the guy got out of Customs,
what, an hour ago,

254

00:13:03,199 → 00:13:05,326

and she's already marking her territory.

255

00:13:05,409 → 00:13:06,535

Jodi, Jodi, Jodi.

256

00:13:06,827 → 00:13:08,579

Look, all right. I know you want to date

257

00:13:08,662 → 00:13:10,582

some guy that's, like,
taller than you and stuff,

258

00:13:10,623 → 00:13:11,957

but if you think about it,

259

00:13:12,333 → 00:13:15,461

there could be some major consequences.
You know, it could backfire big-time.

260

00:13:15,836 → 00:13:17,129

Okay, backfire how?

261

00:13:17,213 → 00:13:20,007

I'm glad you asked.
Let me paint you a word picture.

262

00:13:20,090 → 00:13:21,634

How long is this picture gonna take?

263

00:13:21,717 → 00:13:22,968

Just let me do my thing.

264

00:13:23,052 → 00:13:28,057

So, let's say that

you and Stig date, okay?

265

00:13:28,140 → 00:13:29,725

You, uh, fall in love,

266

00:13:29,809 → 00:13:31,185

stick together through college,

267

00:13:31,268 → 00:13:33,521

down the line you get married,

have a baby.

268

00:13:33,938 → 00:13:38,150

And the combined strength

of your tall gene and his tall gene

269

00:13:38,234 → 00:13:41,946

creates a zygote in your belly the size

of an above-average sized watermelon.

270

00:13:42,029 → 00:13:46,826

Okay? So that would mean that
that puppy's coming out Caesarean.

271

00:13:46,909 → 00:13:49,787

Through the side door. Do you really
wanna go through the rest your life

272

00:13:50,120 → 00:13:54,667

with a big, old scar on that beautiful
torso of yours, 'cause, you know,

273

00:13:54,750 → 00:13:55,960

it's what you're asking for.

274

00:13:56,460 → 00:13:57,545

He makes a valid point.

275

00:14:08,597 → 00:14:09,723

[both] Surprise!

276

00:14:10,349 → 00:14:11,433

[Stig] Ha!

277

00:14:11,517 → 00:14:13,245

Mom, what are you doing
with the jumbo Swede?

278

00:14:13,269 → 00:14:15,813

Well, he's gonna be staying with us.
We're his host family.

279

00:14:16,188 → 00:14:17,188

What?

280

00:14:17,231 → 00:14:19,376

Yeah! I wanted to introduce myself to you
at school today,

281

00:14:19,400 → 00:14:22,820

tell you the great news, but your mom
wanted it to be a surprise, so,

282

00:14:22,987 → 00:14:24,613

- surprise!

- Surprise!

283

00:14:24,697 → 00:14:26,407

- Got him.

- Why?

284

00:14:26,490 → 00:14:28,784

[chuckles] Mom, why, why,
why would you do this?

285

00:14:28,868 → 00:14:29,952

Because!

286

00:14:30,035 → 00:14:32,162

With all the chaos going on
in the world today,

287

00:14:32,246 → 00:14:35,249

there's never been a more vital time
for humanity to open our doors

288

00:14:35,332 → 00:14:37,710
to strangers from foreign lands.

289

00:14:38,168 → 00:14:41,505
Mom, the '60s are over, okay?
And you weren't even in them.

290

00:14:41,922 → 00:14:43,132
Oh, Stig, buddy,

291

00:14:43,215 → 00:14:46,385
we're just...
we're gonna have to ship you back, man.

292

00:14:46,760 → 00:14:48,971
This isn't a busted Xbox
you bought on eBay.

293

00:14:49,054 → 00:14:50,431
This is a human being.

294

00:14:50,514 → 00:14:53,642
A human being who wants to experience

what America is all about.

295

00:14:53,726 → 00:14:54,643

You know what, Mom?

296

00:14:54,727 → 00:14:57,897

You know what? What better way for him
to experience what America's all about

297

00:14:57,980 → 00:14:59,773

than for us to just kick him out of it?

298

00:14:59,857 → 00:15:00,983

You get in the car!

299

00:15:02,234 → 00:15:03,234

But I sit shotgun.

300

00:15:03,444 → 00:15:04,444

Now.

301

00:15:08,991 → 00:15:10,242

What should we listen to?

302

00:15:16,290 → 00:15:19,752

[playing Pachelbel's "Canon"
on wine glasses]

303

00:15:32,348 → 00:15:35,142

[man] *Wow. That is amazing.
That is really some talent you have there.*

304

00:15:35,225 → 00:15:37,019

[Harper] Man, do I look fat on camera.

305

00:15:37,603 → 00:15:40,022

Okay, for the next three weeks,
if you see me eating carbs,

306

00:15:40,105 → 00:15:41,732

I need you to slap me across the face.

307

00:15:42,024 → 00:15:43,442

No, I'm not doing that.

308

00:15:43,525 → 00:15:45,485

Okay, and since when did you start watching carbs?

309

00:15:45,527 → 00:15:47,780

Since Teen Miss Louisiana.

310

00:15:48,280 → 00:15:49,782

I'm not taking any chances.

311

00:15:50,324 → 00:15:51,324

Okay, fine.

312

00:15:51,700 → 00:15:53,953

Um, but I...

I need your help with something.

313

00:15:54,495 → 00:15:55,496

Sure, what's up?

314

00:15:56,413 → 00:15:57,456

Um...

315

00:15:59,333 → 00:16:01,210

How do I get a guy to notice me?

316

00:16:02,252 → 00:16:03,253

Oh,

317

00:16:03,587 → 00:16:04,630

my...

318

00:16:05,464 → 00:16:06,382

God!

319

00:16:06,465 → 00:16:08,818

Okay, I've been waiting for this day
to come my entire life,

320

00:16:08,842 → 00:16:11,362

and I never thought it would,
but I'm so glad it's finally here!

321

00:16:11,387 → 00:16:12,587

- What day is that?

- [inhales]

322

00:16:12,638 → 00:16:15,975

Um, the day that you finally come
to your big sister and ask her about love.

323

00:16:16,266 → 00:16:18,185

To finally embrace

324

00:16:18,268 → 00:16:22,022

the sublime splendor that is a woman,
and to stop dressing

325

00:16:22,106 → 00:16:25,859

like a, no offense, very large little boy.

326

00:16:26,151 → 00:16:27,431

So are you gonna help me or not?

327

00:16:28,237 → 00:16:30,239

I'm going to <i>Extreme Makeover</i>
the crap out of you.

328

00:16:30,864 → 00:16:31,864

Okay.

329

00:16:31,991 → 00:16:33,367

Who is he?

330

00:16:33,450 → 00:16:35,869

He... he is an exchange student...

331

00:16:35,953 → 00:16:37,162

- Uh-huh.

- ...from Sweden.

332

00:16:37,246 → 00:16:40,124

- And, oh, my God, he is so cute.

- What did you just say?

333

00:16:40,541 → 00:16:42,251

He is an exchange student.

334

00:16:42,710 → 00:16:44,253

Just... What's wrong?

335

00:16:48,090 → 00:16:49,091

Walk away.

336

00:16:49,758 → 00:16:50,634

Excuse me?

337

00:16:50,718 → 00:16:53,012

Just walk away and
forget we ever had this conversation.

338

00:16:53,095 → 00:16:55,347

- Okay, but you literally...
- I said walk away, damn it!

339

00:16:56,265 → 00:16:57,307

[gasps]

340

"Oh, was it really coincidence
that you two were together?

860

00:45:40,487 → 00:45:41,840

Do you think she's prettier than me?"

861

00:45:41,864 → 00:45:46,368

Okay, Kimmy Sticher is not insecure
about anything or anyone,

862

00:45:46,452 → 00:45:47,995

especially not me.

863

00:45:49,830 → 00:45:51,623

I mean, why... why wouldn't she be?

864

00:45:52,416 → 00:45:54,918

Because there's nothing
to be insecure about.

865

00:45:55,711 → 00:45:58,547

I mean, Kimmy's... She's perfect.

866

00:46:00,048 → 00:46:02,968

I'm... this.

867

00:46:03,635 → 00:46:06,638

Are you serious? Being tall is great.

868

00:46:06,722 → 00:46:09,725

Being a tall guy is... is great, but...

869

00:46:12,227 → 00:46:15,481

when you're tall girl, it's...
it's the only thing that people see.

870

00:46:16,523 → 00:46:18,025

It's not the only thing I see.

871

00:46:18,942 → 00:46:20,027

What do you see?

872

00:46:20,736 → 00:46:21,736

I don't know.

873

00:46:23,197 → 00:46:24,573

It's not a tall girl.

874

00:46:25,824 → 00:46:26,950

Just a girl.

875

00:46:28,577 → 00:46:31,246

A really smart, fun,

876

00:46:31,580 → 00:46:32,581

unique...

877

00:46:35,292 → 00:46:36,919

beautiful girl.

878

00:46:48,514 → 00:46:49,681

I... I'm sorry.

879

00:46:51,225 → 00:46:52,309

I'm not.

880

00:47:18,001 → 00:47:20,041

- Good evening, sister.

- [Jodi screams] Oh, my God.

881

00:47:22,089 → 00:47:23,298

What are you wearing?

882

00:47:23,549 → 00:47:26,009

Allie McKinney, Miss Teen Florida 1993,

883

00:47:26,093 → 00:47:28,387

states in her autobiography,

The Crowning Achievement,

884

00:47:28,470 → 00:47:32,766

that the key to a perfect-fitting dress is

to buy one that is three sizes too small

885

00:47:32,850 → 00:47:34,059

and to wear it two hours a day

886

00:47:34,142 → 00:47:36,979

one week before the event

to fit it to your exact body size.

887

00:47:37,396 → 00:47:38,897

Can you even breathe in that thing?

888

00:47:38,981 → 00:47:40,566

Just forget about whether or not...

889

00:47:40,983 → 00:47:42,734

Forget about whether or not I can breathe.

890

00:47:42,818 → 00:47:43,818

Okay.

891

00:47:44,653 → 00:47:47,447

What happened with the Swede?

892

00:47:48,448 → 00:47:50,784

Uh, we just watched a movie.

893

00:47:51,743 → 00:47:52,828

Okay, yeah.

894

00:47:53,412 → 00:47:56,039

And then he invited Dunkleman
to watch it with us.

895

00:47:56,123 → 00:47:57,207

Oh.

896

00:47:57,374 → 00:47:58,500

And then, uh...

897

00:47:59,293 → 00:48:00,752

he called me his friend.

898

00:48:01,169 → 00:48:02,254

[groans]

899

00:48:02,337 → 00:48:03,337

And then, uh...

900

00:48:04,548 → 00:48:05,841

then I kissed him.

901

00:48:09,011 → 00:48:10,012

[scoffs] Wait.

902

00:48:10,304 → 00:48:11,513

After all that,

903

00:48:11,597 → 00:48:14,308

you kissed him?

904

00:48:15,225 → 00:48:16,225

Mm-hm.

905

00:48:16,852 → 00:48:17,852

Yeah.

906

00:48:18,729 → 00:48:20,272

Who are you?

907

00:48:20,689 → 00:48:24,151

I don't know. I mean, I wasn't planning
on kissing another girl's boyfriend,

908

00:48:24,234 → 00:48:26,153

I mean, even if that girl is Kimmy, but

909

00:48:26,528 → 00:48:28,447

that's not me. I'm not the other woman.

910

00:48:28,530 → 00:48:30,032

I mean, I'm barely a woman.

911

00:48:30,115 → 00:48:32,618

The situation is getting very ugly,
very fast.

912

00:48:34,119 → 00:48:36,679

Why do you have to gaze out the window
when you're talking to me?

913

00:48:36,705 → 00:48:38,349

[mouth stuffed]

We're in uncharted territory now.

914

00:48:38,373 → 00:48:40,101

I mean,

if Kimmy ever found out about this...

915

00:48:40,125 → 00:48:41,165

Is that an English muffin?

916

00:48:43,128 → 00:48:44,128

No.

917

00:48:44,588 → 00:48:46,006

It's not an English muffin.

918

00:48:46,423 → 00:48:47,423

Don't...

919

00:48:47,966 → 00:48:48,966

I just...

920

00:48:49,176 → 00:48:50,260

[gasps]

921

00:48:52,638 → 00:48:53,847

Did you just slap me?

922

00:48:54,181 → 00:48:56,475

You told me to slap you

if I ever saw you eating carbs.

923

00:48:56,558 → 00:48:58,685

I did, but I didn't expect you

to actually do it.

924

00:48:58,769 → 00:49:01,649

- What if you left a permanent mark?

- Okay, stop talking about yourself,

925

00:49:01,730 → 00:49:03,330

and tell me how to undo what I just did.

926

00:49:04,149 → 00:49:06,193

[chuckles] You... You can't undo it.

927

00:49:06,526 → 00:49:08,362

You kissed him, and he kissed you back,

928

00:49:08,445 → 00:49:10,673

which means girlfriend or not,

you've got a shot at this.

929

00:49:10,697 → 00:49:12,616

You are forging ahead.

You are in the game.

930

00:49:12,699 → 00:49:14,242

Just like General Custer.

931

00:49:14,618 → 00:49:15,494

General Custer,

932

00:49:15,577 → 00:49:17,287

not who you think he is!

933

00:49:20,916 → 00:49:22,084

[sighs]

934

00:49:24,920 → 00:49:25,920

Hey, Dunkers.

935

00:49:26,254 → 00:49:27,255

Are you awake?

936

00:49:27,339 → 00:49:28,507

What? Yeah.

937

00:49:29,007 → 00:49:30,175

Yeah, man, what's up?

938

00:49:31,134 → 00:49:32,678

I have to confess something.

939

00:49:34,721 → 00:49:35,931

I cheated on Kimmy tonight.

940

00:49:37,057 → 00:49:39,518

With Jodi, and she kissed me,

941

00:49:39,810 → 00:49:41,561

and I kissed her back, and I...

942

00:49:42,062 → 00:49:43,647

I didn't pull away.

943

00:49:45,482 → 00:49:46,733

Am I a horrible person?

944

00:49:47,943 → 00:49:49,778

[scoffs] No, man.

945

00:49:51,154 → 00:49:52,239

No. People...

946

00:49:52,990 → 00:49:55,951

[exhales] These things happen.

People have minor lapses in judgment.

947

00:49:58,286 → 00:49:59,496

[breathes deeply]

948

00:50:01,456 → 00:50:02,456

How was it?

949

00:50:06,294 → 00:50:08,296

It was different than when I kiss Kimmy.

950

00:50:08,714 → 00:50:11,174

It was really good, Dunkers.

It was intense and

951

00:50:11,258 → 00:50:13,927

- passionate, and I could feel her heart...

- Cool.

952

00:50:14,344 → 00:50:16,179

That's enough, you can stop now.

953

00:50:19,141 → 00:50:20,308

So what should I do?

954

00:50:21,435 → 00:50:24,146

Uh... You know, man, look.

955

00:50:24,229 → 00:50:25,230

Well...

956

00:50:27,232 → 00:50:32,738

You're already in a relationship,
you know, so...

957

00:50:33,405 → 00:50:34,531

So, um...

958

00:50:35,449 → 00:50:38,660

[stammers] I think you should probably
just focus on, you know,

959

00:50:39,578 → 00:50:42,789

nurturing, caring for and continuing...

960

00:50:44,041 → 00:50:45,167

that relationship.

961

00:50:45,250 → 00:50:48,253

Right, but Dunkers, what if I like Jodi
more than I like Kimmy?

962

00:50:48,336 → 00:50:49,546

[moans]

963

00:50:50,797 → 00:50:51,715

Are you okay?

964

00:50:51,798 → 00:50:53,842

Yeah. I'm fine. [chuckles]

965

00:50:53,925 → 00:50:54,968

Good.

966

00:50:57,345 → 00:50:59,222

Look, man, Jodi... Jodi's great.

967

00:50:59,806 → 00:51:00,806

Yeah.

968

00:51:00,849 → 00:51:02,559

And, you know, she smells...

969

00:51:04,227 → 00:51:06,313

like a late August midday sun-shower,

970

00:51:06,396 → 00:51:09,900

and she's got skin like sweet,

buttery whipped cream, but...

971

00:51:11,902 → 00:51:15,614

You, my friend, are dating the hottest,

972

00:51:15,697 → 00:51:18,408

most popular, most sought-after girl

in the whole school, so,

973

00:51:19,159 → 00:51:22,454

you know, if you keep that up,

you're in line to be Homecoming King.

974

00:51:22,537 → 00:51:25,373

That's a... You know, we don't
take that lightly around here.

975

00:51:26,416 → 00:51:27,416

Right.

976

00:51:27,918 → 00:51:29,544

Soon enough, you'll be back in Sweden

977

00:51:29,628 → 00:51:33,215

and, you know,
you'll be living my life again. Ugh!

978

00:51:34,049 → 00:51:36,760

Right? So you should take advantage
of the moment, man.

979

00:51:36,843 → 00:51:39,679

This is your chance to be Ingvar Krueger.

980

00:51:40,097 → 00:51:41,389

- Right.

- Yeah.

981

00:51:42,599 → 00:51:45,477

- But here's the thing.

- Mm-hm.

982

00:51:46,895 → 00:51:49,397

- I could still be friends with Jodi?

- Eh...

983

00:51:49,481 → 00:51:51,108

- Really? No?

- I...

984

00:51:51,733 → 00:51:55,112

[stammers] I just think you might be...

That might lead her on,

985

00:51:55,612 → 00:51:59,032

you know, and it's probably best

for you to cut things off,

986

00:51:59,449 → 00:52:00,617

just cold turkey.

987

00:52:00,700 → 00:52:02,452

You know, it's the American way.

988

00:52:03,787 → 00:52:04,787

Yes.

989

00:52:05,705 → 00:52:06,706

[sighs]

990

00:52:07,332 → 00:52:08,332

All right.

991

00:52:09,209 → 00:52:10,919

- I'm... I'm glad I have you, man.

- Yeah.

992

00:52:11,002 → 00:52:13,505

I appreciate your honesty.

That means a lot to me.

993

00:52:14,005 → 00:52:15,048

Mm-hm.

994

00:52:16,925 → 00:52:17,968

You kissed Stig?

995

00:52:18,051 → 00:52:19,344

Could you keep your voice down?

996

00:52:19,427 → 00:52:21,179

- Am I shouting?

- Yes.

997

00:52:21,471 → 00:52:24,349

Sorry. But it's a big deal,
your first kiss!

998

00:52:24,432 → 00:52:26,434

So how was it? Give me the deets.

999

00:52:27,519 → 00:52:28,937

Pretty perfect.

1000

00:52:29,020 → 00:52:31,290

I mean, other than the fact
that he's dating someone else.

1001

00:52:31,314 → 00:52:32,816

But am I a terrible person?

1002

00:52:32,899 → 00:52:35,193

No, you're not. She is.

1003

00:52:35,277 → 00:52:37,571

She doesn't deserve him. You do.

1004

00:52:37,863 → 00:52:39,447

And I gotta say,

1005

00:52:39,865 → 00:52:40,907

I like new Jodi.

1006

00:52:41,533 → 00:52:42,576

New Jodi?

1007

00:52:42,784 → 00:52:45,662

"Face your fears" Jodi.

"Going after what you want" Jodi.

1008

00:52:45,745 → 00:52:48,582

"Look at me 'cause I look good" Jodi.

1009

00:52:48,874 → 00:52:50,893

it's about time you start following
your own advice.

1010

00:52:50,917 → 00:52:52,711

And when did I ever give that advice?

1011

00:52:53,128 → 00:52:56,006

To me. When you convinced me
to stand up to my parents

1012

00:52:56,089 → 00:52:59,089

and tell them I wanted to go to fashion

school instead of becoming a doctor.

1013

00:52:59,134 → 00:53:00,302

Ah. Right.

1014

00:53:01,636 → 00:53:04,139

Do you think they're ever gonna
forgive me about that?

1015

00:53:04,556 → 00:53:06,433

Oh, no. You're dead to them.

1016

00:53:07,142 → 00:53:08,643

What's that girl trying to prove?

1017

00:53:08,727 → 00:53:12,355

What, does she think makeup and
a new haircut's gonna make her less ugly?

1018

00:53:15,150 → 00:53:16,735

Do you think she's less ugly?

1019

00:53:17,611 → 00:53:22,032

Uh, no, no. No. She's, like, you know,
the same amount of ugly, right?

1020

00:53:22,657 → 00:53:23,657

[Kimmy] You're lying.

1021

00:53:24,075 → 00:53:25,075

Huh?

1022

00:53:25,285 → 00:53:26,912

All right, yeah. I mean, look at her.

1023

00:53:27,370 → 00:53:31,249

Look at her, she's so confident
and feeling herself and...

1024

00:53:31,708 → 00:53:34,294

She's like an independent woman
with golden locks.

1025

00:53:35,253 → 00:53:36,588

She looks kinda hot.

1026

00:53:39,424 → 00:53:40,800

Look, you better watch your back.

1027

00:53:42,052 → 00:53:43,803

[in German] She should watch hers.

1028

00:53:44,721 → 00:53:45,972

[in English] Here he comes.

1029

00:54:00,028 → 00:54:02,739

What happened last night?

You didn't respond to my text messages.

1030

00:54:03,865 → 00:54:04,950

Uh...

1031

00:54:05,367 → 00:54:07,118

Yeah, that was funny, actually.

1032

00:54:07,202 → 00:54:09,496

I... I left my phone on "off".

1033

00:54:09,579 → 00:54:10,579

Mm.

1034

00:54:10,747 → 00:54:11,915

Silent, I mean.

1035
