507

00:23:19,041 → 00:23:20,375

- Hmm? Hmm?
- [Stig] Hmm?

508

00:23:20,458 → 00:23:22,166

- What's going on...
- [both] Hmm...

509

00:23:22,250 → 00:23:24,500

- Mm-hm.
- I got you, Dunkers Seniors.

510

00:23:24,583 → 00:23:27,250

[dad] You two boys work it out.

Don't get me in trouble with Mom.

511

00:23:27,333 → 00:23:28,833

[sighs]

512

00:23:28,916 → 00:23:30,416

Hey. Hey, man. What are you doing?

513

00:23:30,500 → 00:23:33,583

We've less than an hour to cook.

Not much, Dunkers.

514

00:23:34,500 → 00:23:36,708

- Give me a hand and chop these onions.

- Oh.

515

00:23:36,791 → 00:23:38,458

Onions? Are you trying to sabotage me?

516

00:23:38,541 → 00:23:41,708

I need them in the pan ASAP

if they're to caramelize. Chop-chop.

517

00:23:41,791 → 00:23:44,291

I haven't talked to you in months.

Now you'll help me?

518

00:23:44,375 → 00:23:47,541

Do you want to impress your girlfriend,
or sit here and chitchat? Hmm?

519

00:23:47,625 → 00:23:49,125

Yes, chef. Sorry, chef.

520

00:23:49,791 → 00:23:51,791

[soft jazz piano]

521

00:23:57,125 → 00:24:00,833

For your first course,
Dunkers here has prepared bruschetta

522

00:24:00,916 → 00:24:03,750

topped with roasted tomatoes,
caramelized onions,

523

00:24:03,833 → 00:24:08,041

and if I may be so bold,
it pairs very nicely with the iced teas.

524

00:24:08,750 → 00:24:10,083

I hope you enjoy.

525

00:24:11,083 → 00:24:13,916

- I'm going to go check on the pasta. Ciao.
- [both laugh]

526

00:24:14,000 → 00:24:15,208

[Jodi] What was that?

527

00:24:15,291 → 00:24:17,666

He offered to wait on us.
I wasn't gonna turn him down.

528

00:24:17,750 → 00:24:20,666

[laughs] Just make sure you...
you leave him a nice tip.

529

00:24:20,750 → 00:24:22,500

- I thought you were paying.

- Am I now?

530

00:24:22,583 → 00:24:25,833

- Dad? Dad, what are you doing?

- You're just killing it right now.

531

00:24:25,916 → 00:24:26,916

Okay, bounce now.

532

00:24:27,000 → 00:24:28,934

- There you go. Thank you, Dad.

- [shutter clicks]

533

00:24:28,958 → 00:24:30,791

- Okay. [laughs]

- I don't know!

534

00:24:31,583 → 00:24:33,333

Before we eat, I'd like to make a toast.

535

00:24:33,416 → 00:24:34,666

Okay.

536

00:24:35,625 → 00:24:38,708

I just want to say how happy I am

537

00:24:38,791 → 00:24:41,000

to be sitting here with you tonight.

538

00:24:41,083 → 00:24:43,666

And to watch you face your fears

539

00:24:43,750 → 00:24:45,291

and chase this big dream

540

00:24:45,375 → 00:24:47,375

of performing in front of people

541

00:24:47,875 → 00:24:50,958

is truly inspiring.

542

00:24:51,750 → 00:24:54,291

[voice] <i>A dream that you know

will never happen.</i>

543

00:24:54,375 —> 00:24:56,017

- [echoing] <i>...never happen...</i>

- [Stig] Dunkers...

544

00:24:56,041 —> 00:24:59,791

<i>Once you bomb, he'll say,

"Bye Bye Jodi... Bye Bye Jodi..."</i>

545

00:24:59,875 —> 00:25:01,250

<i>So enjoy tonight,</i>

546

00:25:01,333 —> 00:25:04,041

<i>because there won't be

a four-month anniversary.</i>

547

00:25:04,125 —> 00:25:05,500

<i>- Anniversary...

- </i>Jodi?

548

00:25:06,000 —> 00:25:07,291

Jodi!

549

00:25:08,000 → 00:25:09,083

Yeah! Yeah.

550

00:25:09,166 → 00:25:11,833

Are you okay? I'm sorry.

It looked like you were spacing out.

551

00:25:11,916 → 00:25:13,416

- I'm sorry. My...

- It's okay.

552

00:25:13,500 → 00:25:16,541

My mind is just... elsewhere.

553

00:25:16,625 → 00:25:18,416

I'm under so much pressure for the show,

554

00:25:18,500 → 00:25:20,291

but I've been looking forward
to this night.

555

00:25:20,375 → 00:25:22,541

No, don't worry about it. I get it.

556

00:25:23,041 → 00:25:28,375

Look, if you need this time
to rehearse or memorize your lines...

557

00:25:28,458 → 00:25:29,875

I don't know your process...

558

00:25:29,958 → 00:25:32,208

- No, no, I'm not...

- But whatever you need to do.

559

00:25:32,291 → 00:25:35,416

I'm not leaving in the middle
of our anniversary dinner, okay?

560

00:25:35,500 → 00:25:40,375

Well, if you felt like you needed to,
I would understand.

561

00:25:40,958 → 00:25:43,000

How did I get so lucky?

562

00:25:46,000 → 00:25:47,416

Pretty amazing.

563

00:25:47,500 → 00:25:49,125

- Thank you.

- Yeah.

564

00:25:50,250 → 00:25:51,375

- Right.

- Okay.

565

00:25:52,000 → 00:25:53,833

What? Huh?

566

00:25:53,916 → 00:25:55,333

What? Wait... Wh...

567

00:25:55,416 → 00:25:56,666

[laughs]

568

00:25:56,750 → 00:25:58,208

Are you actually leaving?

569

00:25:59,791 → 00:26:02,083

Well, you just...

You just said you didn't mind.

570

00:26:02,166 → 00:26:04,000

Yeah. Okay.

571

00:26:04,083 → 00:26:05,875

- So you do mind?

- A little.

572

00:26:05,958 → 00:26:07,750

Then you just... You shouldn't have said it.

573

00:26:07,833 → 00:26:10,083

I didn't think you would actually do it.

574

00:26:10,166 → 00:26:11,916

Pasta primavera!

575

00:26:12,708 → 00:26:13,791

Fine. I'll stay.

576

00:26:13,875 → 00:26:16,666

- Don't do me any favors.

- What is that supposed to mean?

577

00:26:16,750 → 00:26:19,250

Uh, parmigiano. No?

578

00:26:20,250 → 00:26:21,250

No.

579

00:26:21,791 → 00:26:22,708

- Okay.

- [Dunk scoffs]

580

00:26:22,791 → 00:26:25,791

Jodi, you're like

Miss Popular now at school.

581

00:26:25,875 → 00:26:30,541

Every time we walk down the hallway,
it's always, "Jodi!" "Mikey!"

582

00:26:30,625 → 00:26:33,458

"Hey, can I buy you coffee sometime?"
I mean,

583

00:26:33,541 → 00:26:37,458

why would the star of the spring musical
have time for little old Dunks anymore?

584

00:26:37,541 → 00:26:39,958

- [sighs]

- Am I a burden to you?

585

00:26:40,041 → 00:26:41,375

- That's what it feels like.

- No.

586

00:26:42,708 → 00:26:45,208

I just didn't know that's how you feel.

587

00:26:45,291 → 00:26:48,500

Do you know how many candles
I lit for this? This was a big deal.

588

00:26:49,958 → 00:26:52,250

I've actually lost my appetite, so...

589

00:26:55,333 → 00:26:56,333

I'm gonna go.

590

00:26:57,958 → 00:26:58,875

Come on.

591

00:26:58,958 → 00:27:02,458

- Want me to wrap something up for you?

- [Jodi] No, I'm okay. Thanks, Stig.

592

00:27:08,916 → 00:27:09,833

[door closes]

593

00:27:09,916 → 00:27:14,208

Let me just grab one with a flash.

And there's my handsome boy.

594

00:27:15,833 → 00:27:18,458

You should go over there right now
and talk it out.

595

00:27:18,541 → 00:27:21,083

But he is the one
who said it was okay that I left.

596

00:27:21,166 → 00:27:23,083

No, Jodi, he was being nice.

597

00:27:23,166 → 00:27:26,583

You are the ones who are
always telling me to stand up for myself.

598

00:27:26,666 → 00:27:28,500

Why should I be the first to crack?

599

00:27:28,583 → 00:27:31,083

There is no shame in cracking first.

600

00:27:31,833 → 00:27:33,625

- Actually, there is.

- Yeah.

601

00:27:33,708 → 00:27:35,083

Were you guys eavesdropping?

602

00:27:35,166 → 00:27:38,958

If you crack first, Dunkleman is gonna
hold all the cards in the relationship.

603

00:27:39,041 → 00:27:43,208

Now, I know you kids think that love is
about communication and give-and-take.

604

00:27:43,291 → 00:27:44,666

- Well, it's not.

- No.

605

00:27:44,750 → 00:27:46,375

[mom] Relationships are about power.

606

00:27:46,458 → 00:27:48,666

- Who has it, and who doesn't.

- That's right.

607

00:27:48,750 → 00:27:52,750

So I say, let Dunkleman sweat it out,
and you focus on your show.

608

00:27:52,833 → 00:27:55,958

Oh, which reminds me,
we need 27 tickets for opening night.

609

00:27:56,041 → 00:27:58,458

- No, wait, 28. Dr. Seeger.

- Oh. Right.

610

00:27:58,541 → 00:28:00,166

You invited my pediatrician?

611

00:28:00,250 → 00:28:03,958

Eh... Look, I text Dunkleman,
and I invited your pediatrician.

612

00:28:04,041 → 00:28:05,500

Please, let me live.

613

00:28:06,083 → 00:28:08,375

Dr. Seeger probably saw me on the Tok.

614

00:28:08,458 → 00:28:09,958

- [dad] Huh?

- [mom] The Tickety Tok.

615

00:28:10,041 → 00:28:12,541

I was doin' all of that.

I was plugging your show, though.

616

00:28:12,625 → 00:28:14,708

- You're on TikTok?

- You don't follow me?

617

00:28:14,791 → 00:28:16,708

Jodi, focus!

618

00:28:16,791 → 00:28:18,083

What's it gonna be?

619

00:28:18,666 → 00:28:19,916

[sighs]

620

00:28:24,083 → 00:28:26,333

Don't worry, they're gonna sell.

621

00:28:26,416 → 00:28:29,208

- I'm not worried.

- I mean, it's only been a week.

622

00:28:29,291 → 00:28:31,166

Which is why I'm not worried.

623

00:28:31,666 → 00:28:35,000

- And you shouldn't be either.

- I just... I can't help it. I'm a worrier.

624

00:28:35,083 → 00:28:36,625

Yes, we've met.

625

00:28:36,708 → 00:28:37,833

[Jodi sighs]

626

00:28:38,458 → 00:28:40,083

Lookin' beautiful as ever, Kim.

627

00:28:40,833 → 00:28:43,000

You're too kind, Conrad. [chuckles]

628

00:28:46,333 → 00:28:47,416

Who was that?

629

00:28:48,000 → 00:28:49,125

My costar.

630

00:28:49,208 → 00:28:50,250

Conrad?

631

00:28:50,333 → 00:28:52,875

No. Tommy. Conrad is his character name.

632

00:28:52,958 → 00:28:54,791

Well, Tommy thinks you're beautiful.

633

00:28:54,875 → 00:28:59,333

No. That was just his character
saying that to my character, Kim.

634

00:28:59,416 → 00:29:04,083

Well, this is Fareeda telling Jodi
that Tommy thinks you're beautiful.

635

00:29:05,000 → 00:29:07,541

Explain to me again
why you can't crack first?

636

00:29:07,625 → 00:29:09,791

Because I've been chasing her
my entire life.

637

00:29:09,875 → 00:29:12,291

If I just hold my ground,
I can win this fight.

638

00:29:12,375 → 00:29:16,083

- Nobody wins in this kind of fight.
- This is America. There's always a winner.

639

00:29:16,166 → 00:29:17,416

[Stig] Pfft. And a loser.

640

00:29:19,750 → 00:29:21,125

There's my guy!

641

00:29:21,666 → 00:29:24,416

So, I know things got
a little heated the other day,

642

00:29:24,500 → 00:29:26,291

and we said some things we didn't mean,

643

00:29:26,375 → 00:29:28,666

and I think we should
just forget it even happened.

644

00:29:28,750 → 00:29:32,333

And to sweeten the deal,
I promise to lay off Jodi the Green Giant.

645

00:29:32,416 → 00:29:34,041

Do you know why I joined the crew?

646

00:29:34,625 → 00:29:37,625

It's because I saw how upset you were
when you didn't get the lead.

647

00:29:38,208 → 00:29:41,875

And I knew that having a friend
by your side during rehearsals

648

00:29:41,958 → 00:29:43,291

would help you through it.

649

00:29:43,375 → 00:29:46,458

Name one time you've been there
for someone who needed you.

650

00:29:51,625 → 00:29:53,500

What, you want, like, specific dates?

651

00:29:54,291 → 00:29:56,875

If we're gonna be friends,
I need to know you've changed,

652

00:29:56,958 → 00:29:59,125

something you've made clear
you don't wanna do.

653

00:29:59,833 → 00:30:02,750

But I believe that you have a good heart,

654

00:30:02,833 → 00:30:05,666

so I hope you'll reconsider.

655

00:30:09,291 → 00:30:10,291

Wait.

656

00:30:11,375 → 00:30:13,208

You're making me eat lunch alone?

657

00:30:13,958 → 00:30:15,333

On some level,

658

00:30:16,750 → 00:30:18,416

we all eat lunch alone.

659

00:30:21,833 → 00:30:24,541

- Oh, this is going to be so uncomfortable.

- Why?

660

00:30:24,625 → 00:30:26,750

'Cause I don't do well with open tension.

661

00:30:26,833 → 00:30:29,416

- Can you just be cool, please?

- All right.

662

00:30:29,500 → 00:30:32,291

- Mr. Cool Guy reporting for duty.

- Oh, Stig.

663

00:30:35,708 → 00:30:37,708

[Stig sighs]

664

00:30:53,708 → 00:30:55,250

[Stig sighs]

665

00:30:58,166 → 00:30:59,934

- Okay, come on. Somebody crack!

- [hits table]

666

00:30:59,958 → 00:31:01,500

Dude, I had it.

667

00:31:02,625 → 00:31:04,208

I have nothing to say to him.

668

00:31:04,291 → 00:31:06,541

- You've got nothing to say to me?

- No.

669

00:31:06,625 → 00:31:11,250

Not even, say, an apology?

For bailing on our anniversary dinner?

670

00:31:11,333 → 00:31:12,833

You said I could.

671

00:31:12,916 → 00:31:15,666

You know, maybe instead of

attacking each other,

672

00:31:15,750 → 00:31:18,708

you could try to articulate
what it is you want.

673

00:31:18,791 → 00:31:20,833

- Fareeda, excellent point.
- Mmm.

674

00:31:20,916 → 00:31:23,250

Let's unpack our wants.

675

00:31:23,333 → 00:31:28,500

Okay, fine. What I want is a girlfriend
with a better work-life balance.

676

00:31:28,583 → 00:31:29,958

I don't know what you want.

677

00:31:30,041 → 00:31:32,291

A girlfriend with a better
work-life balance. I said!

678

00:31:32,375 → 00:31:36,375

So if two people just aren't getting
what they want out of a relationship,

679

00:31:36,458 → 00:31:38,208

what are they supposed to do?

680

00:31:38,333 → 00:31:39,333

Typically, they break up.

681

00:31:40,458 → 00:31:41,625

Stig.

682

00:31:41,708 → 00:31:45,541

I... I mean, not <i>they</i> should break up.

I just... Oh my...

683

00:31:45,625 → 00:31:48,875

- I don't know, man. Clearly, she wants to.

- Now he's projecting.

684

00:31:48,958 → 00:31:52,500

I just think that you wanna break up,
and you don't have the guts to say it.

685

00:31:52,583 → 00:31:55,333

- You don't think I have the guts?
- I don't think you have!

686

00:31:55,416 → 00:31:58,333

- I have the guts.
- Really? Then say it!

687

00:31:58,416 → 00:32:00,833

You say it,
if you have the guts to say it.

688

00:32:00,916 → 00:32:03,291

Fine. I want to break up!

689

00:32:03,375 → 00:32:04,375

- Great.
- [Dunk] Great!

690

00:32:06,375 → 00:32:07,750

[laughs]

691

00:32:07,833 → 00:32:09,083

Why did I do that?

692

00:32:09,166 → 00:32:10,208

- [sighs]

- I love citrus.

693

00:32:11,625 → 00:32:12,708

[Fareeda] Stig.

694

00:32:12,791 → 00:32:16,208

You would make a horrible therapist.

695

00:32:17,041 → 00:32:18,458

Yeah, I was pretty bad.

696

00:32:21,875 → 00:32:23,041

[phone alert]

697

00:32:26,875 → 00:32:29,125

My dad's outside. He needs to see me.

698

00:32:29,208 → 00:32:30,541

Is everything okay?

699

00:32:35,916 → 00:32:37,375

[Dunk] Yeah, he's right here.

700

00:32:38,500 → 00:32:40,300

- Is everything okay? What's wrong?

- Hold on.

701

00:32:40,333 → 00:32:41,642

- I don't know.

- Why are you here?

702

00:32:41,666 → 00:32:43,666

- Surprise!

- [Stig] Oh my...

703

00:32:43,750 → 00:32:45,625

- What?

- [girl laughing] Aaaah!

704

00:32:45,708 → 00:32:47,750

- [Stig] Whoo!

- [girl laughs] Aaah!

705

00:32:47,833 → 00:32:49,513

[Stig, in Swedish]

What are you doing here?

706

00:32:49,541 → 00:32:50,375

Visiting you,

707

00:32:50,458 → 00:32:51,625

dummy!

708

00:32:51,708 → 00:32:52,708

<i>- Ja!</i>

- Oh-ho!

709

00:32:52,791 → 00:32:53,625

[both laughing]

710

00:32:53,708 → 00:32:55,041

[chatting in Swedish]

711

00:32:55,125 → 00:32:56,333

Who is this person?

712

00:32:56,416 → 00:32:58,750

- Stig's sister.

- His sister?

713

00:32:58,833 → 00:33:00,916

Oh no. You rented more Swedes?

714

00:33:01,000 → 00:33:03,541

We thought he'd appreciate
having some family around,

715

00:33:03,625 → 00:33:05,875

since you've been ignoring him
for three months.

716

00:33:05,958 → 00:33:07,416

I didn't know he had a sister.

717

00:33:07,500 → 00:33:09,291

That's because you don't talk to him.

718

00:33:09,375 → 00:33:11,791

Everyone, this is Stella.

719

00:33:11,875 → 00:33:14,875

Stella, this is Fareeda, and Jodi,

720

00:33:14,958 → 00:33:16,708

and that is Dunkers.

721

00:33:17,625 → 00:33:18,458

Dunkers?

722

00:33:18,541 → 00:33:19,875

Hey. Hi.

723

00:33:19,958 → 00:33:23,083

Oh, you're even more adorable

than your pictures.

724

00:33:23,666 → 00:33:24,750

- I am?

- Yeah.

725

00:33:24,833 → 00:33:25,833

He is?

726

00:33:26,583 → 00:33:30,416

And I can't believe I'm meeting the girl
who broke my little brother's heart.

727

00:33:30,500 → 00:33:32,708

- Well...

- He called me that night in tears.

728

00:33:32,791 → 00:33:34,916

- It was allergies.

- "Who's going to love me?"

729

00:33:35,000 → 00:33:36,291

I was a mess.

730

00:33:36,375 → 00:33:39,000

Oh, I can't wait

for you to show me the city! Aah!

731

00:33:39,083 → 00:33:41,291

I've got time now. Who's gonna come?

732

00:33:41,375 → 00:33:42,583

[chuckles] I've got PE.

733

00:33:44,333 → 00:33:45,708

- Calculus.

- Oof.

734

00:33:46,500 → 00:33:49,041

- What about you, Dunkers?

- Uh... Hm? Me?

735

00:33:49,666 → 00:33:50,666

Um...

736

00:34:03,333 → 00:34:04,166

Dunkers is in.

737

00:34:04,250 → 00:34:05,500

- [Stig] Yes!

- [Dunk] Yeah!

738

00:34:05,583 → 00:34:06,583

[Stig and Stella] Whoo!

739

00:34:06,625 → 00:34:09,125

- Slam dunk! Whoo!

- [Stella] Let's do this.

740

00:34:09,791 → 00:34:11,666

- Yes! [chuckles]

- Come on.

741

00:34:13,500 → 00:34:14,958

[dad] Seat belts, gang. Seat belts.

742

00:34:15,041 → 00:34:17,000

All right, Dad. Come on, back off.

743

00:34:17,083 —> 00:34:19,875

How was school today, bud?

Who'd you play with?

744

00:34:28,166 —> 00:34:31,000

[voice] <i>Looks like there's
a new tall girl in town.</i>

745

00:34:31,083 —> 00:34:33,916

<i>And she just drove off
with your boyfriend... boyfriend...</i>

746

00:34:34,000 —> 00:34:38,083

<i>Sorry, ex-boyfriend. Perfect timing.</i>

747

00:34:38,166 —> 00:34:40,208

- [Fareeda] Jodi?

- Yeah?

748

00:34:40,750 —> 00:34:41,750

Are you okay?

749

00:34:47,208 → 00:34:48,458

Dunk and I just...

750

00:34:49,750 → 00:34:50,750

just broke up.

751

00:34:51,666 → 00:34:54,083

Aw, Jodi.

752

00:35:01,125 → 00:35:03,958

So, how's Ingvar?

753

00:35:04,041 → 00:35:05,416

- [retches]

- Amazing.

754

00:35:05,500 → 00:35:07,125

- [Stig] Ew.

- He says hi.

755

00:35:07,208 → 00:35:09,750

Wait, are you guys talking

about Ingvar Kruger?

756

00:35:09,833 → 00:35:10,916

You know Ingvar?

757

00:35:11,666 → 00:35:15,000

Stig said he's the best-looking,
coolest guy in your entire country.

758

00:35:15,791 → 00:35:19,666

- Are you guys dating?
- Yes, and he completes my soul.

759

00:35:19,750 → 00:35:20,625

- [laughs]
- [groans]

760

00:35:20,708 → 00:35:22,666

Well, cherish each other.

761

00:35:22,750 → 00:35:25,833

Because at any moment,
it could just all be over.

762

00:35:25,916 → 00:35:27,333

He and Jodi broke up.

763

00:35:27,416 → 00:35:28,875

- That can't be!

- [Dunk groans]

764

00:35:28,958 → 00:35:31,333

You two are destined to be together.

765

00:35:32,208 → 00:35:34,666

- Destined to be together?

- That's what Stig told me.

766

00:35:34,750 → 00:35:35,833

What? When?

767

00:35:36,333 → 00:35:38,458

The night he called to say

he blew it with Jodi.

768

00:35:38,541 → 00:35:40,750

He said that what made
the whole thing even worse

769

00:35:40,833 → 00:35:42,666

was he blew his chance
to be friends with you.

770

00:35:43,750 → 00:35:47,875

- He doesn't have many of those back home.
- You never said anything.

771

00:35:49,541 → 00:35:50,833

You never asked.

772

00:35:53,750 → 00:35:55,041

I guess you're kind of right.

773

00:35:55,125 → 00:35:59,666

I never asked about your friends
or your family or anything about you.

774

00:36:01,375 → 00:36:04,500

I think I kind of blew my chance
of being friends with you too.

775

00:36:04,583 → 00:36:06,166

You did, you jerk.

776

00:36:06,750 → 00:36:09,500

- Course not, Dunkers! I love you! [laughs]

- [Dunk] All right.

777

00:36:30,916 → 00:36:32,333

What do you think you're doing?

778

00:36:33,416 → 00:36:36,291

Just working through some Jodi feelings
I've kept locked inside.

779

00:36:36,375 → 00:36:37,791

What Jodi feelings?

780

00:36:37,875 → 00:36:39,375

Love and loss, bro.

781

00:36:39,458 → 00:36:41,458

You didn't lose her, though. I did.

782

00:36:41,541 → 00:36:42,708

I lost her a little bit.

783

00:36:42,791 → 00:36:45,125

No, I'm saying you can't

lose someone a little bit.

784

00:36:45,208 → 00:36:46,583

You lose them or you don't.

785

00:36:46,666 → 00:36:50,000

Who'd have thought the love of our lives
would be the same person?

786

00:36:50,083 → 00:36:51,833

- But you...

- This is crazy.

787

00:36:51,916 → 00:36:55,833

You made out with her in an escape room
for, like, six seconds. That's not love.

788

00:36:55,916 → 00:36:58,750

Then why is my heart
still trapped in that escape room?

789

00:36:59,375 → 00:37:01,083

I'm not your therapist.

790

00:37:01,833 → 00:37:04,500

Listen, now that
you and Jodi are broken up,

791

00:37:04,583 → 00:37:06,458

think you could put in a good word for me?

792

00:37:09,166 → 00:37:11,333

- You missed a spot.

- Hey, no.

793

00:37:11,416 → 00:37:12,416

- Too late.

- No.

794

00:37:12,458 → 00:37:16,166

[voice] *<i>You definitely
failed that calculus test.</i>*

795

00:37:16,250 → 00:37:18,875

*<i>Maybe college isn't
in the cards for you either.</i>*

796

00:37:18,958 → 00:37:20,958

- Jodi!

- Mikey...

797

00:37:35,583 → 00:37:39,166

[voice] *<i>It's getting real.
There's no turning back... turning back...</i>*

798

00:37:39,250 → 00:37:41,791

<i>- You're in too deep now... too deep now...</i>
- [heartbeat]

799

00:37:41,875 → 00:37:44,208

*<i>If you're this nervous
looking at a poster,</i>*

800

00:37:44,291 → 00:37:46,166

<i>what are you gonna do on stage?</i>

801

00:37:46,250 → 00:37:49,375

- Getting psyched for opening night?

- Yeah, so psyched.

802

00:37:52,625 → 00:37:55,958

[voice] *<i>But look at Kimmy.*

So poised, so confident.</i>

803

00:37:56,041 → 00:37:59,166

*<i>For God's sake,
the name of the role is Kim!</i>*

804

00:37:59,250 → 00:38:01,416

<i>Just quit and let her have it.</i>

805

00:38:01,500 → 00:38:02,916

Jodi, breathe.

806

00:38:04,625 → 00:38:05,625

What?

807

00:38:07,041 → 00:38:08,333

You're holding your breath.

808

00:38:08,416 → 00:38:09,250

[Jodi sighs]

809

00:38:09,333 → 00:38:12,125

Oh. I was. [chuckles]

810

00:38:12,208 → 00:38:13,333

[Tommy] Yeah.

811

00:38:13,416 → 00:38:17,250

Do you ever find it nerve-racking
to watch your understudies rehearse?

812

00:38:18,708 → 00:38:20,458

Not really. No.

813

00:38:21,125 → 00:38:24,833

[chuckles] Of course not.

Because you don't get nervous.

814

00:38:24,916 → 00:38:27,458

Now, why wouldn't you think

I get nervous, huh?

815

00:38:27,958 → 00:38:29,166

I mean, look at you.

816

00:38:29,958 → 00:38:34,583

Wow. Okay, so you've been judged
your whole life based on your appearance,

817

00:38:34,666 → 00:38:36,666

and now you're doing the same thing to me?

818

00:38:37,666 → 00:38:40,541

Yeah, I did just do the same thing.

819

00:38:40,625 → 00:38:42,458

- It's okay.

- Sorry.

820

00:38:42,541 → 00:38:47,083

One of the reasons why I can remember
every word of your homecoming speech

821

00:38:47,166 → 00:38:49,250

is because of how much I related to it.

822

00:38:50,541 → 00:38:51,916

In what way?

823

00:38:52,416 → 00:38:53,416

I'll show you.

824

00:39:00,875 → 00:39:03,958

- So this is where it happened.

- Where what happened?

825

00:39:05,000 → 00:39:06,291

Ooh!

826

00:39:06,833 → 00:39:07,708

Whew! [chuckles]

827

00:39:07,791 → 00:39:09,458

That was impressive! [laughs]

828

00:39:09,541 → 00:39:10,750

Thank you.

829

00:39:10,833 → 00:39:13,291

This is the place where I got my nickname

830

00:39:13,375 → 00:39:15,791

that lasted all the way
throughout middle school.

831

00:39:16,291 → 00:39:19,750

Tommy-potamus. Yeah.

832

00:39:19,833 → 00:39:22,791

You... You were overweight?

833

00:39:22,875 → 00:39:24,833

Oh, yeah. Way over.

834

00:39:26,000 → 00:39:27,666

How far over?

835

00:39:27,750 → 00:39:31,833

Far enough to where I'd be going down
that slide, and kids would just yell,

836

00:39:31,916 → 00:39:33,625

"Tommy-potamus is on the slide!"

837

00:39:33,708 → 00:39:35,333

- "Earthquake! Take cover!"

- Oh!

838

00:39:36,125 → 00:39:37,208

- Creative.

- Isn't it?

839

00:39:37,291 → 00:39:38,708

- Mm. Yeah. [giggles]

- Yeah.

840

00:39:38,791 → 00:39:41,833

I don't know, I just...

I started exercising and eating right

841

00:39:41,916 → 00:39:44,041

and got the weight off eventually.

842

00:39:44,625 → 00:39:46,541

But I still felt the same way inside.

843

00:39:46,625 → 00:39:48,875
