

Dialogues from The Commuter to improve the vocabulary in English

1

00:00:49,480 --> 00:00:50,686

[soft music playing]

2

00:01:01,160 --> 00:01:02,360

[alarm ringing]

3

00:01:02,440 --> 00:01:04,408

[announcer on radio] *<i>All news, all the time.</i>*

4

00:01:04,800 --> 00:01:06,404

- *<i>This is 1010 WINS.</i>*

- [groans softly]

5

00:01:06,640 --> 00:01:08,680

[DJ] *<i>Good morning.</i>*

<i>Sixty-two degrees at six o'clock,</i>

6

00:01:08,760 --> 00:01:10,683

- <i>Tuesday, August 23rd.</i>

- Go back to sleep, baby.

7

00:01:13,520 --> 00:01:14,440

[alarm ringing]

8

00:01:14,520 --> 00:01:15,965

[announcer on radio] <i>All news, all the time.</i>

9

00:01:16,320 --> 00:01:18,120

- [turns off alarm]

- <i>This is 1010 WINS.</i>

10

00:01:18,200 --> 00:01:20,600

[DJ] <i>Good morning.</i>

<i>Sixty-eight degrees at six o'clock.</i>

11

00:01:20,680 --> 00:01:22,444

<i>It's Wednesday, August 24th.</i>

12

00:01:25,960 --> 00:01:27,080

[alarm ringing]

13

00:01:27,160 --> 00:01:29,163

[announcer on radio] *<i>All news, all the time.</i>*

14

00:01:29,720 --> 00:01:31,440

<i>This is 1010 WINS.</i>

15

00:01:31,520 --> 00:01:34,280

[DJ] *<i>Good morning.</i>*

<i>Seventy-two degrees at six o'clock.</i>

16

00:01:34,360 --> 00:01:35,964

<i>It is Thursday, August 25th.</i>

17

00:01:39,840 --> 00:01:41,331

<i>Chris, here's what's happening.</i>

18

00:01:41,920 --> 00:01:44,605

<i>A six-alarm fire burns down seven house...</i>

19

00:01:48,400 --> 00:01:51,280

*<i>Two members of the US Olympic
swim team being held in Brazil...</i>*

20

00:01:51,360 --> 00:01:54,960

<i>...wind with a shower and thunderstorm
in a few places, a high of 90.</i>

21

00:01:55,040 --> 00:01:58,249

<i>Clinton campaign's unleashing
a new campaign ad today.</i>

22

00:01:58,480 --> 00:02:01,440

<i>NYPD still hasn't given a motive
for the killing, so...</i>

23

00:02:01,520 --> 00:02:04,120

<i>...immigrants, but with
election day closing in...</i>

24

00:02:04,200 --> 00:02:05,680

[Michael] Danny boy.

25

00:02:05,760 --> 00:02:07,800

The pipes, the pipes, the pipes...

26

00:02:07,880 --> 00:02:09,041

[woman laughing]

27

00:02:09,880 --> 00:02:11,200

- [woman] <i>Danny?</i>

- I was up all night.

28

00:02:11,280 --> 00:02:12,640

[woman] <i>Hello? Hello?</i>

29

00:02:12,720 --> 00:02:13,960

- Uh-huh.

- [woman] <i>What are you doing?</i>

30

00:02:14,040 --> 00:02:14,962

It's almost 7:00.

31

00:02:15,360 --> 00:02:17,567

[indistinct chatter on radio]

32

00:02:18,400 --> 00:02:20,050

- Got a showing at noon today.

- Yeah.

33

00:02:20,160 --> 00:02:21,720

- Did you ever get hold of her?

- [Michael] Uh-huh.

34

00:02:21,800 --> 00:02:23,006

- Morning.

- Hey, kiddo.

35

00:02:23,120 --> 00:02:25,400

Why did I get a license

if I can't get a car?

36

00:02:25,480 --> 00:02:27,120

School starts next week, right?

37

00:02:27,200 --> 00:02:28,122

[Karen] Mm-hmm.

38

00:02:28,440 --> 00:02:31,205

Syracuse application. Early admission's due.

39

00:02:31,400 --> 00:02:33,323

I spoke to Chris Simpson about a referral.

40

00:02:36,200 --> 00:02:37,884

Most of my friends are going to State.

41

00:02:38,560 --> 00:02:42,406

What? Danny,

you worked your butt off for this.

42

00:02:42,760 --> 00:02:44,125

This is your next assignment.

43

00:02:47,120 --> 00:02:48,760

Okay, what chapter are you on?

44

00:02:48,840 --> 00:02:49,920

Halfway through five.

45

00:02:50,000 --> 00:02:52,000

The part where they almost kill that kid.

46

00:02:52,080 --> 00:02:53,241

[thunder]

47

00:02:53,360 --> 00:02:55,090

You know that I can get through
on my own now.

48

00:02:55,920 --> 00:02:57,126

We made it this far, kid.

49

00:02:57,360 --> 00:02:58,960

You wanna write the book report, too?

50

00:02:59,040 --> 00:03:00,680

Couple thinks 350

51

00:03:00,760 --> 00:03:02,320

- buys the keys to their dream home.
- [car unlocks]

52

00:03:02,400 --> 00:03:04,560

- Yeah.

- "Can you show it to us at midnight?"

53

00:03:04,640 --> 00:03:05,767

- Midnight?

- Midnight.

54

00:03:10,320 --> 00:03:12,080

[Karen] And the school

we saw yesterday, yes,

55

00:03:12,160 --> 00:03:14,402

- it was private, but it's worth it.

- [Michael] Uh-huh.

56

00:03:17,400 --> 00:03:19,200

Have you seen these estimates for tuition?

57

00:03:19,280 --> 00:03:21,328

And that doesn't include room and board.

58

00:03:21,600 --> 00:03:22,522

What?

59

00:03:26,120 --> 00:03:27,560

We'll find a way. We always do.

60

00:03:27,640 --> 00:03:29,961

[indistinct announcement on PA]

61

00:03:33,320 --> 00:03:34,720

- It's got to be.

- Okay.

62

00:03:34,800 --> 00:03:35,680

- Uh, Wednesday?

- Wed...

63

00:03:35,760 --> 00:03:38,520

...unless it's written on a piece of paper

that she can hand...

64

00:03:38,600 --> 00:03:41,000

- I listen. I listen.

- You don't! You don't! You...

65

00:03:41,080 --> 00:03:42,800

- [Karen sighs]

- [indistinct announcement on PA]

66

00:03:42,880 --> 00:03:45,281

- [laughs]

- I will not forget the look on your...

67

00:03:45,560 --> 00:03:46,482

I'll try.

68

00:03:48,360 --> 00:03:50,249

- I love you.

- I sort of like you.

69

00:03:52,560 --> 00:03:54,600

[wind howling]

70

00:03:54,680 --> 00:03:56,330

[train horn blowing]

71

00:04:06,120 --> 00:04:07,121

- Hey.

- Hey.

72

00:04:12,760 --> 00:04:14,888

[woman on PA]

<i>Please watch the gap between the train...</i>

73

00:04:16,880 --> 00:04:18,211

[man on PA] <i>Now leaving Tarrytown.</i>

74

00:04:18,320 --> 00:04:20,368

[indistinct chattering]

75

00:04:21,040 --> 00:04:22,531

[train horn blowing]

76

00:04:26,840 --> 00:04:28,520

Eighteen grand a year?

77

00:04:28,600 --> 00:04:31,251

Sweetheart, it ain't MIT. It's preschool.

78

00:04:33,640 --> 00:04:35,360

- [Walt] What now?

- [Michael] <i>Wuthering Heights.</i>

79

00:04:35,440 --> 00:04:38,046

- Charlotte Bronte.

- Emily.

80

00:04:38,360 --> 00:04:39,566

- Emily.

- Yeah.

81

00:04:39,880 --> 00:04:42,451

- I would not forget that face.

- [woman laughs]

82

00:04:43,240 --> 00:04:44,960

I think we locked eyes one time.

83

00:04:45,040 --> 00:04:46,371

- It was like, boom, you know?

- [chuckles]

84

00:04:52,160 --> 00:04:54,083

You know, my son's on me to retire.

85

00:04:54,840 --> 00:04:57,969

I don't know. Maybe. Every day's a grind.

86

00:04:58,360 --> 00:04:59,964

Begins to feel like a countdown.

87

00:05:00,560 --> 00:05:02,369

This way in the morning, that way at night.

88

00:05:03,040 --> 00:05:04,883

And then one day it's done with you.

89

00:05:05,400 --> 00:05:06,765

- What's that?

- Life.

90

00:05:14,360 --> 00:05:16,560

All right, see you on the next go-round.

91

00:05:16,640 --> 00:05:17,562

Take it easy.

92

00:05:19,200 --> 00:05:21,248

[indistinct chattering]

93

00:05:21,800 --> 00:05:22,961

[indistinct announcement on PA]

94

00:05:43,400 --> 00:05:45,403

[Michael] My father died when he was 43.

95

00:05:46,320 --> 00:05:49,768

Left me, my mom, my brothers
with mountains of debt.

96

00:05:52,120 --> 00:05:54,362

- [woman] Thank you.

- I moved here from Ireland with nothing.

97

00:05:54,920 --> 00:05:56,650

Made a life for myself, my family.

98

00:05:57,000 --> 00:05:59,401

That's the reason I do what I do.

99

00:06:00,760 --> 00:06:02,569

To protect young families like yours.

100

00:06:03,040 --> 00:06:04,167

I will tell you this.

101

00:06:04,600 --> 00:06:05,760

My wife Karen and I,

102

00:06:05,840 --> 00:06:08,047

we worked hard, did everything right.

103

00:06:08,480 --> 00:06:10,164

401k, investments,

104

00:06:10,640 --> 00:06:12,290

my son's education fund.

105

00:06:12,760 --> 00:06:14,091

In 2008...

106

00:06:14,480 --> 00:06:15,447

[whistles]

107

00:06:15,840 --> 00:06:18,560

...we lost it all. Second mortgage was due.

108

00:06:18,640 --> 00:06:22,201

We liquidated our assets,

cut every piece of fat

109

00:06:22,840 --> 00:06:25,446

while the banks on Wall Street got rich.

110

00:06:27,320 --> 00:06:30,210

The one thing we didn't cut

was our life insurance policy.

111

00:06:30,760 --> 00:06:31,761

...with the high rate.

112

00:06:32,520 --> 00:06:33,681

But I know you too well.

113

00:06:34,520 --> 00:06:36,045

Twenty may not even cut it.

114

00:06:36,800 --> 00:06:40,248

Hey, Jeanie, would you pull

Jared Carlson's LTC policy?

115

00:06:40,720 --> 00:06:41,560

Sure.

116

00:06:41,640 --> 00:06:44,040

I'll look over it

and give you a call later today, okay?

117

00:06:44,120 --> 00:06:45,080

Alex Murphy called,

118

00:06:45,160 --> 00:06:47,811

confirmed drinks at Paddy O'Brien's on 44th.

119

00:06:48,760 --> 00:06:49,648

Thank you.

120

00:06:52,480 --> 00:06:54,403

You can always reach out
to Webber and Finch.

121

00:06:54,680 --> 00:06:55,680

- [knock on door]

- Yes...

122

00:06:55,760 --> 00:06:57,200

Hey, Mike. Can I talk to you a sec?

123

00:06:57,280 --> 00:06:58,964

- Sure, yeah.

- My office.

124

00:06:59,320 --> 00:07:00,811

John, listen, I'm gonna have...

125

00:07:03,040 --> 00:07:04,041

Ten years.

126

00:07:05,840 --> 00:07:06,762

Just like that.

127

00:07:08,000 --> 00:07:09,081

Your severance package.

128

00:07:09,960 --> 00:07:11,800

Corporate is switching
from a financial buyout

129

00:07:11,880 --> 00:07:12,881

to a medical extension.

130

00:07:14,120 --> 00:07:16,123

You're giving me insurance, Frank?

131

00:07:16,360 --> 00:07:17,800

Medical's covered for your family.

132

00:07:17,880 --> 00:07:19,291

Unemployment should subsidize.

133

00:07:19,680 --> 00:07:22,001

Karen and me, we're hand-to-mouth.

134

00:07:23,240 --> 00:07:24,600

You call HR anytime.

135

00:07:24,680 --> 00:07:26,284

They'll answer any questions you have.

136

00:07:27,360 --> 00:07:30,523

I've got two mortgages,
a son who's going to college.

137

00:07:30,880 --> 00:07:32,803

I'm five years from retirement.

138

00:07:34,640 --> 00:07:37,450

I'm 60 years of age, Frank.

139

00:07:38,000 --> 00:07:39,286

It isn't personal, Mike.

140

00:07:39,720 --> 00:07:42,530

Your salary, benefit package,
it's too much against your return.

141

00:07:43,640 --> 00:07:45,000

You work hard, you play by the rules,

142

00:07:45,080 --> 00:07:47,242

you're a good soldier,
and you don't deserve it.

143

00:07:47,360 --> 00:07:50,523

But the reality is sometimes
soldiers end up casualties.

144

00:07:52,880 --> 00:07:54,848

[distorted]

145

00:07:59,040 --> 00:08:00,804

[melancholy music playing]

146

00:08:06,960 --> 00:08:08,690

[distortion continues]

147

00:08:32,040 --> 00:08:33,121

[cell phone ringing]

148

00:08:38,760 --> 00:08:41,206

- Hey.

- [Karen] *<i>Hi, honey. How's your day going?</i>*

149

00:08:42,440 --> 00:08:44,520

Good. What's going on, sweetheart?

150

00:08:44,600 --> 00:08:45,560

<i>I didn't wanna bother you,</i>

151

00:08:45,640 --> 00:08:47,563

<i>but did you happen to go by the bank today?</i>

152

00:08:49,560 --> 00:08:51,880

No. I thought we were gonna wait.

153

00:08:51,960 --> 00:08:55,123

<i>Yeah, until this week. We talked about this.</i>

154

00:08:55,840 --> 00:08:57,680

<i>Danny has to register for classes.</i>

155

00:08:57,760 --> 00:09:00,411

<i>If we don't get an extension
on the mortgage, neither check clears.</i>

156

00:09:00,960 --> 00:09:02,928

<i>I mailed the tuition check this morning.</i>

157

00:09:03,880 --> 00:09:04,802

<i>Is everything okay?</i>

158

00:09:05,760 --> 00:09:08,240

Yeah, yeah.

Just in the middle of it, you know.

159

00:09:08,360 --> 00:09:09,360

Same old, same old.

160

00:09:09,440 --> 00:09:11,363

<i>Okay, honey. I'll see you tonight.</i>

161

00:09:11,800 --> 00:09:13,086

Yep. Bye.

162

00:09:15,960 --> 00:09:18,088

- Sorry I'm late.

- Hey, hey. There he is.

163

00:09:18,200 --> 00:09:19,964

How you doing? How long you been at it?

164

00:09:20,360 --> 00:09:23,091

Only since security
escorted me from my building.

165

00:09:23,760 --> 00:09:24,960

- Cheers.

- Oh, no.

166

00:09:25,040 --> 00:09:25,962

Mm-hmm.

167

00:09:27,040 --> 00:09:29,691

- Hey, two more for him.

- [chuckles]

168

00:09:30,680 --> 00:09:31,841

So, how did Karen take it?

169

00:09:33,760 --> 00:09:35,125

Ah...

170

00:09:35,560 --> 00:09:37,290

- You haven't told her?

- Mm-mmm.

171

00:09:38,040 --> 00:09:40,160

- What am I supposed to say?

- I don't know, man.

172

00:09:40,240 --> 00:09:42,400

That some asshole suit just fired me.

173

00:09:42,480 --> 00:09:44,164

She doesn't know how bad it is.

174

00:09:45,320 --> 00:09:46,970

We've got nothing to fall back on.

175

00:09:47,880 --> 00:09:48,720

Ten years.

176

00:09:48,800 --> 00:09:51,007

You build a home, a life, a career.

177

00:09:51,400 --> 00:09:53,164

And then one day they sit you down.

178

00:09:53,840 --> 00:09:56,520

"It's been a good run. Thanks for playing.

179

00:09:56,600 --> 00:09:58,045

See you at the eulogy."

180

00:09:58,360 --> 00:10:00,840

You want proof you're a good man,
take a look at your family.

181

00:10:00,920 --> 00:10:03,480

- That's what matters.
- Yeah, yeah.

182

00:10:03,560 --> 00:10:06,040

You gave up the job for them.
Don't forget that.

183

00:10:08,400 --> 00:10:10,084

Those seven years we were partners,

184

00:10:10,920 --> 00:10:12,251

you always had my back.

185

00:10:13,400 --> 00:10:14,811

So let someone else have yours for once.

186

00:10:18,680 --> 00:10:19,681

All right.

187

00:10:20,840 --> 00:10:22,251

Well, you could have ended up like me.

188

00:10:23,200 --> 00:10:25,880

Forty-five, divorced, kids hate my guts.

189

00:10:25,960 --> 00:10:27,371

Wish I was 45 again.

190

00:10:28,440 --> 00:10:29,328

[door opens]

191

00:10:32,520 --> 00:10:34,124

It's a good thing you got out.

192

00:10:34,800 --> 00:10:37,000

It ain't just cops being cops
anymore, you know?

193

00:10:37,080 --> 00:10:40,243

It's politics, favors,
choose a goddamn side.

194

00:10:41,040 --> 00:10:42,920

- Sergeant Hawthorne?

- No, Captain Hawthorne.

195

00:10:43,000 --> 00:10:44,764

What? Yeah, he made captain.

196

00:10:46,080 --> 00:10:47,286

Guys like you and me, Mike,

197

00:10:47,880 --> 00:10:49,848

we work hard, we do it right,

it doesn't matter.

198

00:10:50,440 --> 00:10:51,680

[theme music playing]

199

00:10:51,760 --> 00:10:55,920

<i>A city planning official commits suicide
after the DA announces an investigation</i>

200

00:10:56,000 --> 00:10:59,960

<i>amidst swirling accusations
of illicit payoffs for the approval...</i>

201

00:11:00,040 --> 00:11:02,008

It's a corrupt world, my friend.

No good being the little guy.

202

00:11:02,680 --> 00:11:03,841

He's coming over.

203

00:11:04,160 --> 00:11:05,082

Mmm.

204

00:11:06,560 --> 00:11:08,290

- Here we go.

- Michael.

205

00:11:08,760 --> 00:11:10,160

- David.

- Been a while.

206

00:11:10,240 --> 00:11:12,880

- Yeah, yeah.

- Captain David. Congrats.

207

00:11:12,960 --> 00:11:15,930

Well, I spend more time in City Hall
than I do on the job.

208

00:11:16,440 --> 00:11:19,171

- That goes with the stripes.

- Yeah. Yeah.

209

00:11:20,400 --> 00:11:23,245

- Still selling insurance?

- Yep.

210

00:11:25,560 --> 00:11:27,403

- Sorry to interrupt.

- No, no.

211

00:11:28,640 --> 00:11:29,562

Lieutenant, a word?

212

00:11:29,880 --> 00:11:33,000

Aw, Cap, I just pulled a 12-hour
back to back. Can it wait?

213

00:11:33,080 --> 00:11:34,002

Sure.

214

00:11:35,040 --> 00:11:37,008

- Anyway, good to see you, Mike.

- Yeah, you too, David.

215

00:11:37,640 --> 00:11:40,120

- Be careful with this one.

- Yeah, I will.

216

00:11:40,400 --> 00:11:41,367

[Alex laughs]

217

00:11:41,880 --> 00:11:44,320

- Ah... you prick.

- Shh.

218

00:11:44,400 --> 00:11:46,243

[men laughing]

219

00:11:48,920 --> 00:11:53,240

Listen, the Michael I know,
he doesn't hide things from his wife,

220

00:11:53,320 --> 00:11:55,480

and he isn't too proud
to ask a friend for help.

221

00:11:55,560 --> 00:11:57,040

I'll be fine. I'll be fine.

222

00:11:57,120 --> 00:11:58,451

That's your Irish pride talking.

223

00:11:58,920 --> 00:12:00,923

- You should know.

- I gotta go pick up my kid.

224

00:12:01,320 --> 00:12:02,242

Mmm.

225

00:12:02,840 --> 00:12:04,205

Don't you have a train to catch?

226

00:12:04,600 --> 00:12:07,200

- Yes. Jim, what's the damage?

- No, no, no, I got it.

227

00:12:07,280 --> 00:12:09,480

Promise me that when you get home,
you'll tell Karen.

228

00:12:09,560 --> 00:12:11,240

What, that you finally paid for something?

229

00:12:11,320 --> 00:12:12,400

What's the old Irish saying?

230

00:12:12,480 --> 00:12:13,960

If you wanna know
what God thinks about money,

231

00:12:14,040 --> 00:12:16,440

- look at who he gives it to.

- Look at who he gives it to. Yeah.

232

00:12:16,520 --> 00:12:18,250

I'll catch you. Jim, I'll catch you.

233

00:12:23,480 --> 00:12:25,130

[instrumental music playing]

234

00:12:35,200 --> 00:12:39,330

[woman on PA] <i>Boarding call for the 6:25</i>

<i>Hudson North to Poughkeepsie. Six...</i>

235

00:12:40,120 --> 00:12:41,440

Excuse me. Thank you.

236

00:12:41,520 --> 00:12:43,284

[officer] Sir, can I see your bag, please?

237

00:12:45,640 --> 00:12:47,051

Ma'am, this way, please.

238

00:12:47,160 --> 00:12:47,960

[Tony] Can you believe this?

239

00:12:48,040 --> 00:12:49,565

They're doing bag checks

at goddamn rush hour.

240

00:12:49,880 --> 00:12:51,769

[officer] Step forward, ma'am. Sir.

241

00:12:54,200 --> 00:12:55,850

You know, if something's ticking,

they'll let it through.

242

00:12:56,120 --> 00:12:58,691

- [officer] Forward, sir. Open up.

- I can't do it.

243

00:13:02,280 --> 00:13:04,200

Hey, Mike, you wanna do me

a quick deal on some insurance

244

00:13:04,280 --> 00:13:05,920

before I have a friggin' heart attack here?

245

00:13:06,000 --> 00:13:07,161

Lower your bag, please.

246

00:13:07,840 --> 00:13:08,762

Thank you.

247

00:13:09,720 --> 00:13:12,166

[woman on PA] <i>...suspicious</i>

<i>or unattended package, please...</i>

248

00:13:14,160 --> 00:13:15,571

[man] Hey, watch where you're going.

249

00:13:16,120 --> 00:13:17,920

[woman on PA] <i>Safety</i>

<i>is everyone's responsibility.</i>

250

00:13:18,000 --> 00:13:19,684

<i>If you see something, say something.</i>

251

00:13:26,080 --> 00:13:27,047

[boy] I want to.

252

00:13:30,760 --> 00:13:32,120

[automated voice] <i>Stand clear.</i>

253

00:13:32,200 --> 00:13:34,043

[doors beeping]

254

00:13:34,600 --> 00:13:35,806

My phone.

255

00:13:38,040 --> 00:13:39,371

Shit.

256

00:13:48,240 --> 00:13:50,120

[man] Look, man, I'm already on the train.

257

00:13:50,200 --> 00:13:52,200

If it's gonna happen at all,

it's gonna happen tonight.

258

00:13:52,280 --> 00:13:53,486

No more excuses.

259

00:13:56,040 --> 00:13:58,327

- Hey, Walt.

- You get me a name?

260

00:13:58,600 --> 00:13:59,760

What?

261

00:13:59,840 --> 00:14:02,889

Well, that woman's staring at you
like she knows something we don't.

262

00:14:05,280 --> 00:14:06,691

I don't see anybody.

263

00:14:09,560 --> 00:14:10,607

[Walt] Everything all right?

264

00:14:10,880 --> 00:14:13,520

Yeah. Yeah, yeah, yeah.

Tried in the next car?

265

00:14:13,600 --> 00:14:14,931

No, I've gotta take a leak.

266

00:14:15,040 --> 00:14:16,960

My prostate's bigger than your head.

267

00:14:17,040 --> 00:14:18,804

[indistinct chattering]

268

00:14:26,520 --> 00:14:28,807

[speaking Spanish]

269

00:14:33,360 --> 00:14:37,251

Look, Manny, I'm telling you,
the lines are fine, but there's no power.

270

00:14:37,480 --> 00:14:39,200

Have 'em fix it when we get in, okay?

271

00:14:39,280 --> 00:14:40,850

- <i>Copy that.</i>

- [Jimmy] What if I try this?

272

00:14:41,080 --> 00:14:42,000

[electricity crackling]

273

00:14:42,080 --> 00:14:45,163

- Oh, Jesus, Jimmy. Come on.

- Hey, I did nothing.

274

00:14:45,640 --> 00:14:48,530

Hey, Tarrytown. AC's out in this coach.

275

00:14:48,720 --> 00:14:50,800

Get a seat up front while you can.

276

00:14:50,880 --> 00:14:53,645

- You look worn out, Sam.

- Yeah. Thirty-two years.

277

00:14:54,200 --> 00:14:56,280

If the train don't kill me, the people will.

278

00:14:56,360 --> 00:14:58,010

- Tell me about it.

- Yeah.

279

00:14:58,280 --> 00:15:00,283

[indistinct chattering]

280

00:15:04,120 --> 00:15:06,240

- Do it for me. Come on.

- Stop it. I don't want...

281

00:15:06,320 --> 00:15:09,480

- Take the bag. Take the bag.

- Let... Stop it. Get off.

282

00:15:09,560 --> 00:15:12,086

Now, that's exactly why I never got married.

283

00:15:14,640 --> 00:15:16,608

Just... God.

284

00:15:18,560 --> 00:15:20,164

[indistinct chattering]

285

00:15:23,800 --> 00:15:26,167

[Vince]...JP Morgan and Chase
all over it. Open your eyes.

286

00:15:26,520 --> 00:15:28,409

I told you to buy low, didn't I? What?

287

00:15:29,480 --> 00:15:30,891

Are you serious?

288

00:15:31,880 --> 00:15:33,883

I said, are you serious?

This is a Gieves & Hawkes suit.

289

00:15:34,160 --> 00:15:35,161

Does that mean anything to you?

290

00:15:35,560 --> 00:15:36,482

Of course it doesn't.

291

00:15:36,720 --> 00:15:39,640

Yeah... If he's a piker, get rid of him.

292

00:15:39,720 --> 00:15:41,400

Wipe it off the table. Put it in the trash.

293

00:15:41,480 --> 00:15:42,561

Find someone who can trade size.

294

00:15:42,920 --> 00:15:44,570

This gives me F-U money.

295

00:15:45,560 --> 00:15:46,482

I caught big.

296

00:15:46,920 --> 00:15:48,840

You can't afford a suit,
you don't get in. I told him.

297

00:15:48,920 --> 00:15:51,491

Tickets, please. Let me get your tickets.

Thank you very much.

298

00:15:54,840 --> 00:15:56,524

Thank you. You got a ticket there,
young lady?

299

00:15:56,640 --> 00:15:59,280

You buy a ticket on the train,
I gotta charge you a penalty.

300

00:15:59,360 --> 00:16:01,408

[Vince] It sucks. I know. Tell me about it.

301

00:16:01,520 --> 00:16:02,800

Bureaucrats.

302

00:16:02,880 --> 00:16:04,041

[Jimmy] Tickets out, everybody.

303

00:16:06,960 --> 00:16:09,327

- Thanks, Gordon. Thank you very much.
- Knicks game. Knicks game.

304

00:16:09,680 --> 00:16:11,569

Hey, get your feet off
the seat there, sweetheart.

305

00:16:12,080 --> 00:16:12,920

You got a ticket?

306

00:16:13,000 --> 00:16:13,960

[Vince] It's a goddamn shame.

307

00:16:14,040 --> 00:16:15,840

Shut your mouth.

Of course I know what I'm talking about.

308

00:16:15,920 --> 00:16:17,600

How many years have I been
doing this? Tell me.

309

00:16:17,680 --> 00:16:18,602

Do you mind?

310

00:16:19,520 --> 00:16:21,204

I mind your 99-cent perfume.

311

00:16:22,200 --> 00:16:23,200

[Jimmy] Tickets, guys.

312

00:16:23,280 --> 00:16:25,601

- No, now I'm talking to you.

- [Jimmy] Thank you.

313

00:16:26,080 --> 00:16:28,447

Come on, come on. Bye-bye.

314

00:16:29,880 --> 00:16:32,042

Go ahead. Send it through.

315

00:16:32,760 --> 00:16:34,171

I'm looking at the numbers now.

316

00:16:34,560 --> 00:16:36,449

[Sam on PA]

<i>Now arriving 68th Street Station.</i>

317

00:16:36,920 --> 00:16:38,684

[indistinct announcement on PA]

318

00:16:52,320 --> 00:16:54,400

[PA dings]

319

00:16:54,480 --> 00:16:56,483

[Sam on PA] *<i>Now leaving 68th Street Station.</i>*

320

00:16:57,160 --> 00:16:59,561

<i>Next stop, 86th Street Station.</i>

321

00:17:09,960 --> 00:17:11,564

[footsteps approaching]

322

00:17:18,560 --> 00:17:19,846

[woman] Steinbeck, huh?

323

00:17:20,720 --> 00:17:23,644

Some say his greatest work
was a letter he wrote to his son.

324

00:17:26,040 --> 00:17:28,088

- Your book.

- Right.

325

00:17:29,800 --> 00:17:30,767

I beg your pardon.

326

00:17:33,800 --> 00:17:34,722

Thank you.

327

00:17:40,840 --> 00:17:42,649

It's my first time on a commuter train.

328

00:17:42,880 --> 00:17:43,927

It's eclectic.

329

00:17:45,760 --> 00:17:49,367

- What about you?

- Every day. Last ten years.

330

00:17:49,640 --> 00:17:50,560

Ten years?

331

00:17:50,640 --> 00:17:52,244

You must know everyone on this train.

332

00:17:53,000 --> 00:17:56,163

The regular commuters, I guess.

Faces mostly.

333

00:17:57,240 --> 00:17:59,527

- I'm sorry. Have we met?

- No. I'm Joanna.

334

00:18:00,520 --> 00:18:02,284

- Michael.

- Michael.

335

00:18:05,600 --> 00:18:07,728

How long is it between stops? Four minutes?

336

00:18:08,440 --> 00:18:09,680

Yeah, give or take.

337

00:18:10,320 --> 00:18:13,449

Four minutes. On and off, on and off.

338

00:18:13,680 --> 00:18:14,761

It's so miscellaneous.

339

00:18:15,720 --> 00:18:18,041

- I'm bothering you, aren't I?

- No.

340

00:18:18,680 --> 00:18:20,523

I am. You just wanna read your book.

341

00:18:21,120 --> 00:18:22,008

[sighs]

342

00:18:23,640 --> 00:18:27,008

It's... I'm married.

343

00:18:27,480 --> 00:18:28,520

Oh, I... Me, too.

344

00:18:28,600 --> 00:18:29,681

[chuckles]

345

00:18:30,320 --> 00:18:32,440

- Sorry.

- I study human behavior.

346

00:18:32,520 --> 00:18:34,284

- It's an occupational hazard.

- Being married?

347

00:18:35,040 --> 00:18:36,804

- No, bothering people.

- Oh.

348

00:18:37,280 --> 00:18:39,089

I'm a conversationalist. [chuckles]

349

00:18:41,520 --> 00:18:47,080

So, in your job, you sit down,
strike up a conversation. Then what?

350

00:18:47,160 --> 00:18:50,209

Okay, let's say there are
100 people in this car.

351

00:18:50,720 --> 00:18:52,848

There are 16 personality types,

352

00:18:53,040 --> 00:18:54,644

as defined by psychology.

353

00:18:54,920 --> 00:18:58,447

And so I can assume that there are about
six people of each type,

354

00:18:58,760 --> 00:19:01,889

with varying degrees of response
to any particular situation.

355

00:19:02,600 --> 00:19:05,968

My job is to answer one basic question.

356

00:19:06,440 --> 00:19:09,523

- What's that?

- What kind of person are you?

357

00:19:10,120 --> 00:19:12,600

Me? Should probably ask my wife.

358

00:19:12,680 --> 00:19:14,091

[laughs]

359

00:19:16,360 --> 00:19:18,408

- Let's do an experiment.

- Experiment?

360

00:19:18,760 --> 00:19:20,967

It's painless.

It's just a simple hypothetical question.

361

00:19:22,800 --> 00:19:23,722

Okay.

362

00:19:28,400 --> 00:19:29,845

What if...

363

00:19:30,960 --> 00:19:33,088

I asked you to do one little thing?

364

00:19:35,520 --> 00:19:38,922

It's something that you are
uniquely qualified to do.

365

00:19:39,600 --> 00:19:42,320

It's something that's meaningless to you,

366

00:19:42,400 --> 00:19:45,768

but it could profoundly affect
an individual on this train.

367

00:19:47,200 --> 00:19:48,122

Would you do it?

368

00:19:48,400 --> 00:19:50,480

I'd want to know what kind of thing.

369

00:19:50,560 --> 00:19:53,040

- Mm-hmm. Does it matter?

- Well, I think it does.

370

00:19:53,120 --> 00:19:55,480

And you would never know

the consequences of what you did.

371

00:19:55,560 --> 00:19:57,449

Then why would I do it?

372

00:20:00,400 --> 00:20:02,243

Because there would be a reward.

373

00:20:03,520 --> 00:20:04,442

A-ha.

374

00:20:06,720 --> 00:20:08,848

So, uh... what's the reward?

375

00:20:12,200 --> 00:20:13,361

[chuckles]

376

00:20:16,520 --> 00:20:22,004

In the bathroom, carriage two,
maybe there is a package.

377

00:20:22,600 --> 00:20:28,403

It's hidden,
and inside that package is \$25,000.

378

00:20:29,600 --> 00:20:33,605

That money is yours, plus another 75 cash...

379

00:20:34,720 --> 00:20:36,450

if you do this one little thing.

380

00:20:38,160 --> 00:20:39,287

I don't understand.

381

00:20:41,480 --> 00:20:43,164

Someone on this train does not belong.

382

00:20:44,120 --> 00:20:47,647

All you have to do is find them. That's it.

383

00:20:48,960 --> 00:20:51,000

This person is carrying a bag.

384

00:20:51,080 --> 00:20:52,286

You don't know what it looks like.

385

00:20:52,680 --> 00:20:55,047

But inside that bag
is something they have stolen.

386

00:20:57,960 --> 00:20:59,928

This person goes by the name of Prynne.

387

00:21:00,680 --> 00:21:01,681

It's not a real name.

388

00:21:02,480 --> 00:21:05,211

They will be on this train
until Cold Spring.

389

00:21:07,960 --> 00:21:10,088

You find them, you find the bag,

390

00:21:10,600 --> 00:21:11,965

that \$100,000 is yours.

391

00:21:12,080 --> 00:21:13,525

[chuckles]

392

00:21:15,080 --> 00:21:17,128

Don't leave the train
before finding the bag.

393

00:21:18,000 --> 00:21:20,160

- Don't tell anyone about this offer.
- Wait a minute. Wait a minute.

394

00:21:20,240 --> 00:21:23,085

- Simple.
- I thought this was hypothetical.

395

00:21:24,320 --> 00:21:25,720

It's just one little thing.

396

00:21:25,800 --> 00:21:27,086

It shouldn't be too hard for an ex-cop.

397

00:21:27,760 --> 00:21:28,568

[Sam on PA] <i>Now arriving</i>

398

00:21:28,680 --> 00:21:30,040

- <i>at 86th Street Station.</i>

- How did you know?

399

00:21:30,120 --> 00:21:32,771

- Oh, that's me.

- You're being serious, right?

400

00:21:35,160 --> 00:21:36,969

You have until next stop to decide.

401

00:21:37,440 --> 00:21:38,680

What kind of person are you?

402

00:21:47,320 --> 00:21:48,606

[doors close]

403

00:21:51,080 --> 00:21:52,923

[PA dings]

404

00:21:53,040 --> 00:21:54,400

[Sam on PA] <i>Now leaving 86th Street Station.</i>

405

00:21:54,480 --> 00:21:55,402

What?

406

00:21:55,960 --> 00:21:57,485

[ominous music plays]

407

00:23:27,440 --> 00:23:28,362

You're kidding me.

408

00:23:30,800 --> 00:23:32,325

[laughs]

409

00:23:48,680 --> 00:23:50,410

[energetic music playing]

410

00:23:56,320 --> 00:23:58,080

Tickets, anybody? Ticket?

411

00:23:58,160 --> 00:23:59,605

[woman laughing]

412

00:24:00,520 --> 00:24:03,205

[indistinct chattering]

413

00:24:29,520 --> 00:24:31,360

- Excuse me.

- You're gonna wanna move on, pal.

414

00:24:31,440 --> 00:24:32,487

The AC's out in here.

415

00:24:32,760 --> 00:24:34,960

Actually, I was hoping you could help me.

416

00:24:35,040 --> 00:24:36,929

I'm looking for someone. A friend.

417

00:24:37,280 --> 00:24:38,202

Okay.

418

00:24:38,720 --> 00:24:43,120

They're going to Cold Spring,

and I was wondering if you keep track

419

00:24:43,200 --> 00:24:45,000

of where everyone gets on and off the train.

420

00:24:45,080 --> 00:24:49,000

Yeah, I take pictures,

I hand out surveys, you know.

421

00:24:49,080 --> 00:24:50,640

- I didn't mean it like that.

- [laughs]

422

00:24:50,720 --> 00:24:53,200

Dude, it's tickets and zones, okay?

423

00:24:53,280 --> 00:24:54,566

They buy a ticket for a station,

424

00:24:54,680 --> 00:24:58,162

I punch the zone stub

and put it on the seat. Boom.

425

00:24:59,920 --> 00:25:02,844

Is that just day riders or...

426

00:25:03,320 --> 00:25:04,880

You said you're looking
for your friend, right?

427

00:25:04,960 --> 00:25:06,963

- Yeah.

- You don't know what they look like?

428

00:25:08,080 --> 00:25:11,084

You're asking me questions
about passengers, about protocol?

429

00:25:11,960 --> 00:25:15,800

I know, it's stupid. We only talked online.

430

00:25:15,880 --> 00:25:18,406

She said she'd be here.

Lives in Cold Spring.

431

00:25:19,280 --> 00:25:20,930

You're meeting an online date?

432

00:25:22,440 --> 00:25:23,521

On a metro train?

433

00:25:26,400 --> 00:25:29,245

Yeah, I can't help you, pal. No one can.

434

00:25:31,400 --> 00:25:32,606

- Okay.

- All right.

435

00:25:33,200 --> 00:25:34,406

You take it easy. Good luck.

436

00:25:36,120 --> 00:25:38,248

[indistinct chattering]

437

00:25:53,760 --> 00:25:55,560

[PA dings]

438

00:25:55,640 --> 00:25:58,560

[Sam on PA]

<i>Now arriving 110th Street Station, folks.</i>

439

00:25:58,640 --> 00:25:59,846

[indistinct chattering continues]

440

00:26:08,040 --> 00:26:09,610

You Michael? Michael MacCauley?

441

00:26:10,520 --> 00:26:11,442

Yeah.

442

00:26:11,720 --> 00:26:12,881

You found what you're looking for?

443

00:26:13,360 --> 00:26:14,282

What?

444

00:26:17,960 --> 00:26:19,530

Yo. Are we doing this?

445

00:26:21,120 --> 00:26:22,960

No. No, I can't.

446

00:26:23,040 --> 00:26:24,531

Yeah, they thought you might say that.

447

00:26:26,480 --> 00:26:28,801

Wait a minute. What is this? It's a warning.

448

00:26:29,520 --> 00:26:31,680

In case you haven't figured it out yet,
they're watching you.

449

00:26:31,760 --> 00:26:33,649

[hydraulics hissing, door beeping]

450

00:26:34,760 --> 00:26:36,720

[PA dings]

451

00:26:36,800 --> 00:26:39,087

[Sam on PA]

<i>Now leaving 110th Street Station.</i>

452

00:26:39,200 --> 00:26:41,487

<i>Next stop, 125th Street Station.</i>

453

00:27:02,640 --> 00:27:03,971

[video game noises]

454

00:27:08,680 --> 00:27:10,880

- Tony, can I use your phone?

- What?

455

00:27:10,960 --> 00:27:13,000

Your phone. Mine was stolen.

I have to make a call.

456

00:27:13,080 --> 00:27:15,526

It's an emergency. Please. Please.

457

00:27:16,040 --> 00:27:18,920

Yeah, okay. There's no service till 125th.

458

00:27:19,000 --> 00:27:21,440

- Sometimes in the back, if you're lucky.

- Thanks, Tony.

459

00:27:21,520 --> 00:27:22,851

Don't quit outta my game.

460

00:27:30,120 --> 00:27:31,690

[Walt] You figure out who she was?

461

00:27:32,520 --> 00:27:35,330

The woman we saw earlier
that was eyeballing you.

462

00:27:35,720 --> 00:27:39,327

Huh? Now, I figured that's where you went;
looking for her.

463

00:27:41,560 --> 00:27:44,006

Hey, no judgment. I mean... [chuckles]

464

00:27:51,160 --> 00:27:52,525

Mind if I borrow the sports section?

465

00:27:52,800 --> 00:27:55,246

- No. Yeah, sure. Here.

- Thanks.

466

00:27:55,920 --> 00:27:58,048

- The Yanks are playing the Sox.

- Uh-huh?

467

00:27:58,600 --> 00:28:01,331

Five wins to clinch.

I'm feeling very confident.

468

00:28:08,720 --> 00:28:11,320

You know, my boy,

he won't let me watch it on TV.

469

00:28:11,400 --> 00:28:14,006

He says it's bad for my blood pressure.

470

00:28:15,360 --> 00:28:18,560

As if the Yanks winning

would give me a heart attack or something.

471

00:28:18,640 --> 00:28:20,131

Don't know why the kid is so worried.

472

00:28:20,840 --> 00:28:21,840

[laughs]

473

00:28:21,920 --> 00:28:24,969

Kid spends more time watching me
than he does at work.

474

00:28:25,480 --> 00:28:27,400

Yeah, and that is what I get

475

00:28:27,480 --> 00:28:29,926

for teaching the kid to do the right thing.

476

00:28:30,280 --> 00:28:32,600

Listen, I'm gonna stop by a bar
and get a beer.

477

00:28:32,680 --> 00:28:35,445

- Why don't you come with me?

- [exhales] I can't.

478

00:28:40,640 --> 00:28:41,641

I gotta make a call.

479

00:28:53,360 --> 00:28:54,480

Come on, Karen, pick up.

480

00:28:54,560 --> 00:28:57,370

[automated voice] *The mobile number*

you are trying to reach is unavailable.

481

00:29:00,840 --> 00:29:03,120

- [officer] *Two-three Precinct.*

- Detective Murphy, please.

482

00:29:03,200 --> 00:29:04,122

Please hold.

483

00:29:05,480 --> 00:29:07,760

He's not in.

Can I transfer you to his voicemail?

484

00:29:07,840 --> 00:29:09,843

His cell, please.

It's an emergency. I'm a friend.

485

00:29:12,440 --> 00:29:13,680

Hey, Murph. It's Michael.

486

00:29:13,760 --> 00:29:16,969

Listen, I'm on the train,
just before Harlem.

487

00:29:19,840 --> 00:29:21,365

I don't know what the hell's happening.

488

00:29:21,880 --> 00:29:23,880

This woman approached me out of nowhere.

489

00:29:23,960 --> 00:29:26,930

She wants me to find a passenger
carrying some kind of bag.

490

00:29:27,560 --> 00:29:29,051

Murph, I think I've...

491

00:29:30,520 --> 00:29:33,649

Just send someone to my house
and call me back at this number, okay?

492

00:29:40,520 --> 00:29:42,160

[PA dings]

493

00:29:42,240 --> 00:29:45,085

[Sam on PA]

<i>Now arriving 125th Street Station, folks.</i>

494

00:29:46,280 --> 00:29:48,283

I'll see you on the next go-round.

495

00:29:57,560 --> 00:30:01,640

[Sam on PA]

<i>Now leaving 125th Street Station.</i>

496

00:30:01,720 --> 00:30:05,441

<i>Next stop, Yankee Stadium, folks,
Yankee Stadium.</i>

497

00:30:08,920 --> 00:30:09,921

[cell phone ringing]

498

00:30:11,320 --> 00:30:13,200

Murph? Hello?

499

00:30:13,280 --> 00:30:14,805

[Joanna] *You accepted the offer, Michael,*

500

00:30:15,080 --> 00:30:17,000

and then you broke the rules.

501

00:30:17,080 --> 00:30:19,440

[Sam on PA] *Sorry, folks.*

We're stopping due to a red signal.

502

00:30:19,520 --> 00:30:21,880

*We should be on our way
in just a few minutes.*

503

00:30:21,960 --> 00:30:23,200

What the hell is this?

504

00:30:23,840 --> 00:30:27,128

[Joanna] *<i>Look outside.</i>*

<i>Corner of MLK and Lexington. Quickly, now.</i>

505

00:30:28,040 --> 00:30:28,962

<i>Southeast corner.</i>

506

00:30:38,920 --> 00:30:40,126

What do you want from me?

507

00:30:40,560 --> 00:30:42,961

<i>I want you to accept responsibility.</i>

508

00:30:43,840 --> 00:30:47,811

<i>We all suffer the burden of choice.

No one forced you to take that money.</i>

509

00:30:48,680 --> 00:30:49,602

<i>Do you see him?</i>

510

00:30:54,600 --> 00:30:56,443

*<i>We can't have your friends
talking to the police.</i>*

511

00:30:59,120 --> 00:31:01,441

- I didn't tell him anything.

- *<i>We both know that's not true.</i>*

512

00:31:02,680 --> 00:31:03,880

[people screaming]

513

00:31:03,960 --> 00:31:04,800

- [tires screeching]

- [car horns honking]

514

00:31:04,880 --> 00:31:07,281

[woman] Oh my gosh! Somebody just got hit!

515

00:31:08,000 --> 00:31:08,840

[man] Somebody get some help!

516

00:31:08,920 --> 00:31:10,411

[woman] Oh, my God!

517

00:31:10,760 --> 00:31:13,127

Oh, my God. What have you done?

518

00:31:13,440 --> 00:31:15,010

<i>You did this. You made your choice.</i>

519

00:31:15,800 --> 00:31:17,803

<i>Find Prynn. Find the bag.</i>

520

00:31:18,520 --> 00:31:20,204

<i>Or there will be further consequences.</i>

521

00:31:21,200 --> 00:31:23,720

- Did you see what happened?

- You listen to me. Listen.

522

00:31:23,800 --> 00:31:26,520

[Joanna] <i>No, you listen.</i>

<i>I can get to anyone anywhere.</i>

523

00:31:26,600 --> 00:31:28,560

<i>Your wife Karen, your son Danny.</i>

524

00:31:28,640 --> 00:31:32,920

You touch my wife, my son, I swear to God...

525

00:31:33,000 --> 00:31:34,491

<i>I asked you to do one little thing.</i>

526

00:31:35,160 --> 00:31:36,890

<i>Don't make it more complicated than that.</i>

527

00:31:37,360 --> 00:31:39,169

<i>Don't make me hurt someone you love.</i>

528

00:31:39,600 --> 00:31:41,091

Uh, wait, wait, wait.

529

00:31:42,560 --> 00:31:45,040

The day riders all have ticket stubs
in the back of their seats.

530

00:31:45,520 --> 00:31:48,160

I can narrow down which passengers

are going to Cold Spring.

531

00:31:48,240 --> 00:31:50,040

- *Now we're getting somewhere.*

- What's in the bag?

532

00:31:50,120 --> 00:31:53,249

- What do I do when I find it?

- *Check your right jacket pocket.*

533

00:31:56,680 --> 00:31:59,720

- *Do you know what that is?*

- It's a GPS tracker.

534

00:31:59,800 --> 00:32:02,160

*Clearly your time as a police officer
wasn't for nothing.*

535

00:32:02,240 --> 00:32:04,846

*Plant the device on the bag,
and it's all over.*

536

00:32:05,600 --> 00:32:09,002

<i>Dobbs Ferry Station,
that's three stops, arrives 7:00 p.m.</i>

537

00:32:09,280 --> 00:32:10,884

- <i>And, Michael?</i>

- What?

538

00:32:11,120 --> 00:32:12,724

<i>Give the gentleman back his phone.</i>

539

00:32:38,480 --> 00:32:40,130

[tense music playing]

540

00:32:58,800 --> 00:32:59,927

[music continues]

541

00:33:18,480 --> 00:33:21,086

- [Michael] Do you know who's sitting here?

- Mm-mmm.

542

00:33:29,600 --> 00:33:31,800

Excuse me. Does this train

go to Tenmile River?

543

00:33:31,880 --> 00:33:34,167

- [man] Yeah.

- Ah, I thought that.

544

00:33:34,280 --> 00:33:35,441

Thank you.

545

00:33:36,600 --> 00:33:37,522

[cell phone chimes]

546

00:33:52,680 --> 00:33:54,250

[tense music continues]

547

00:34:08,680 --> 00:34:10,284

[sighs]

548

00:34:15,960 --> 00:34:18,486

[Sam on PA]

<i>Now arriving Yankee Stadium, folks.</i>

549

00:34:18,760 --> 00:34:20,046

<i>Yankee Stadium.</i>

550

00:34:36,280 --> 00:34:37,202

Um...

551

00:34:37,360 --> 00:34:39,044

Couldn't help but overhear earlier.

552

00:34:39,560 --> 00:34:41,130

You're a broker, right?

553

00:34:42,360 --> 00:34:43,361

Can I help you with something?

554

00:34:44,760 --> 00:34:46,524

I haven't seen you on the train before.

555

00:34:48,040 --> 00:34:48,962

There's a reason for that.

556

00:34:51,600 --> 00:34:53,443

You riding for business or...

557

00:34:54,160 --> 00:34:57,240

Well, I... My wife and I
are getting ready to retire,

558

00:34:57,320 --> 00:34:58,606

and we're looking for a new broker.

559

00:34:59,400 --> 00:35:01,400

I work for one of the largest
investment banks in the world.

560

00:35:01,480 --> 00:35:02,800

Great. That's exactly...

561

00:35:02,880 --> 00:35:04,245

We don't represent people like you.

562

00:35:07,560 --> 00:35:08,891

You're headed to Cold Spring,

563

00:35:09,000 --> 00:35:11,890

I figured maybe
you were seeing a client out there.

564

00:35:12,480 --> 00:35:13,971

What makes you think
I'm going to Cold Spring?

565

00:35:15,440 --> 00:35:16,851

- I don't know.

- What's your deal, man?

566

00:35:18,120 --> 00:35:19,042

Let me guess.

567

00:35:19,320 --> 00:35:21,163

The suit, the shoes, the watch.

568

00:35:21,400 --> 00:35:23,240

[scoffs] You've probably
worked sales the last 20 years

569

00:35:23,320 --> 00:35:25,607

and now you wanna turn your nest egg

into a three-week timeshare in Maui.

570

00:35:29,400 --> 00:35:31,880

[cell phone ringing]

571

00:35:43,240 --> 00:35:44,162

Yeah.

572

00:35:44,840 --> 00:35:46,320

No, you got me on a train to nowhere.

573

00:35:46,400 --> 00:35:48,084

Seriously, I never should
have left Goldman Sachs.

574

00:35:48,560 --> 00:35:50,000

Hey, Goldman Sachs.

575

00:35:50,080 --> 00:35:52,970

On behalf of the American middle class:
fuck you.

576

00:35:57,360 --> 00:35:58,407

Sorry, Ma. Go ahead.

577

00:35:59,160 --> 00:36:00,161

No, it was nothing.

578

00:36:10,000 --> 00:36:12,162

- Long day, huh, Sherri?

- Yeah.

579

00:36:13,120 --> 00:36:14,680

But you've been busy, huh,

580

00:36:14,760 --> 00:36:16,410

up and down the aisle the whole time.

581

00:36:17,040 --> 00:36:19,168

Karen's been on at me to get more exercise.

582

00:36:19,280 --> 00:36:21,123

It's either the train or Pilates.

583

00:36:21,240 --> 00:36:22,720

[laughs]

584

00:36:22,800 --> 00:36:25,167

- How is the family?

- Good. Good.

585

00:36:26,280 --> 00:36:28,120

Danny's headed off to Syracuse.

586

00:36:28,200 --> 00:36:29,720

Wow. You must be really proud.

587

00:36:29,800 --> 00:36:32,320

Yeah. He's trying to decide

588

00:36:32,400 --> 00:36:35,960

between the dorms or an apartment,
the dorms or an apartment...

589

00:36:36,040 --> 00:36:37,041

[Michael clears throat]

590

00:36:37,760 --> 00:36:39,888

Excuse me. Hello?

591

00:36:40,160 --> 00:36:43,562

You go to Columbia, right? T-shirt.

592

00:36:45,000 --> 00:36:48,766

Are you a photography student?

I noticed your camera case.

593

00:36:52,080 --> 00:36:53,969

I don't know... Um, I'm sorry.

594

00:36:58,640 --> 00:37:00,005

Millennials, huh?

595

00:37:06,840 --> 00:37:08,520

Excuse me. Could you just wait?

596

00:37:08,600 --> 00:37:10,280

- [Sam on PA] *Now arriving Dobbs Ferry.*

- Hey.

597

00:37:10,360 --> 00:37:11,560

I only wanna talk.

598

00:37:11,640 --> 00:37:12,767

Oh, jeez!

599

00:37:13,200 --> 00:37:14,280

[Michael groans]

600

00:37:14,360 --> 00:37:17,443

[girl] What are you doing? Are you crazy?

601

00:37:18,160 --> 00:37:19,120

[Michael] What is this?

602

00:37:19,200 --> 00:37:21,360

Nothing. Can you just... Stop it.

603

00:37:21,440 --> 00:37:24,280

- Fake IDs?

- They're not mine, I swear to God.

604

00:37:24,360 --> 00:37:25,360

They're my boyfriend's,

605

00:37:25,440 --> 00:37:29,001

and he asked me if I could carry it
because he would get caught.

606

00:37:31,160 --> 00:37:32,080

Are you a cop?

607

00:37:32,160 --> 00:37:33,651

No, I'm not a cop.

608

00:37:34,160 --> 00:37:35,840

But, listen, if he really cared about you,

609

00:37:35,920 --> 00:37:37,923

he wouldn't ask you
to do something like this.

610

00:37:39,840 --> 00:37:41,440

- Yeah, okay.

- [PA dings]

611

00:37:41,520 --> 00:37:43,320

[Sam on PA] <i>Now leaving Dobbs Ferry.</i>

612

00:37:43,400 --> 00:37:45,243

<i>Next stop, Tarrytown.</i>

613

00:37:52,040 --> 00:37:53,849

[woman speaking Spanish]

614

00:38:10,400 --> 00:38:11,680

[Sam] You sure?

615

00:38:11,760 --> 00:38:13,080

Maybe it's nothing.

616

00:38:13,160 --> 00:38:15,640

Look, they were all sitting
together, three of them.

617

00:38:15,720 --> 00:38:18,120

- Right.

- At 125th they split up,

618

00:38:18,200 --> 00:38:19,531

each to a different car.

619

00:38:19,840 --> 00:38:21,600

I don't know, it felt weird.

620

00:38:21,680 --> 00:38:23,720

I'm only authorized to search a bag

621

00:38:23,800 --> 00:38:25,320

if it's been left behind.

622

00:38:25,400 --> 00:38:27,240

You know I ride this line every day.

623

00:38:27,320 --> 00:38:28,840

Like I said, maybe it's nothing,

624

00:38:28,920 --> 00:38:31,969

but, "See something, say something," right?

625

00:38:32,320 --> 00:38:33,970

- You point 'em out to me?

- Yeah.

626

00:38:39,240 --> 00:38:41,320

The woman there.

627

00:38:41,400 --> 00:38:42,481

The nurse.

628

00:38:43,320 --> 00:38:44,640

Man in the second car,

629

00:38:44,720 --> 00:38:46,320

African-American, with a guitar.

630

00:38:46,400 --> 00:38:49,882

Another in the last car.

All going to Cold Spring.

631

00:39:13,760 --> 00:39:14,920

[Sam] Excuse me, ma'am.

632

00:39:15,000 --> 00:39:18,240

I have to carry out
some random security checks,

633

00:39:18,320 --> 00:39:20,160

I just need to take a look in your bag.

634

00:39:20,240 --> 00:39:21,080

[woman] Why?

635

00:39:21,160 --> 00:39:23,200

- I just need to take a look in the bag.

- Hey, hey!

636

00:39:23,280 --> 00:39:24,240

What do you think you're doing?

637

00:39:24,320 --> 00:39:25,920

- [Sam] It's a random check.

- [woman] I know my rights.

638

00:39:26,000 --> 00:39:27,440

[Sam] Get back to your books.

639

00:39:27,520 --> 00:39:29,170

I just need to take a look in your bag.

640

00:39:30,440 --> 00:39:33,489

[woman] Why me?

Seriously, why me? Why my bag?

641

00:39:33,600 --> 00:39:35,000

[woman shouting in Spanish]

642

00:39:35,080 --> 00:39:36,320

[Sam] You're disturbing everybody, ma'am.

643

00:39:36,400 --> 00:39:37,560

Please just keep it down, all right?

644

00:39:37,640 --> 00:39:39,800

Now, please, just open your bag.

645

00:39:39,880 --> 00:39:42,040

I asked you nicely, ma'am. Ma'am?

646

00:39:42,120 --> 00:39:43,960

- Just, please, open your bag.

- I'm a nurse. Come on.

647

00:39:44,040 --> 00:39:46,850

- Sorry, sir.

- I help people. I don't kill them.

648

00:39:47,080 --> 00:39:49,480

I just told you, ma'am,

it's a random security check.

649

00:39:49,560 --> 00:39:50,720

Do me a favor, will you?

650

00:39:50,800 --> 00:39:52,400

Just open your bag. I'm sorry, sir.

651

00:39:52,480 --> 00:39:54,483

Just open up your bag,
and I'll be on my way.

652

00:40:01,600 --> 00:40:03,600

[man] Got a visual,
but I can't get to anything yet.

653

00:40:03,680 --> 00:40:05,284

I just need a bit more time.

654

00:40:13,560 --> 00:40:15,642

[both grunting]

655

00:40:16,320 --> 00:40:17,481

- Who are you?

- Calm down.

656

00:40:17,840 --> 00:40:19,046

Why are you following me?

657

00:40:21,320 --> 00:40:22,970

Are you the reason
they're searching passengers?

658

00:40:23,480 --> 00:40:25,722

- Prynne?

- What did you say?

659

00:40:26,400 --> 00:40:27,481

[groans]

660

00:40:31,960 --> 00:40:34,088

[both grunting]

661

00:40:50,320 --> 00:40:52,368

Who are you? What do you know?

662

00:40:56,400 --> 00:40:57,322

[man] What...

663

00:40:58,160 --> 00:41:00,766

Whatever you think you're doing,
you know what's good for you, let it go.

664

00:41:05,840 --> 00:41:06,762

Hey, man, you okay?

665

00:41:10,040 --> 00:41:10,962

Yeah.

666

00:41:14,480 --> 00:41:16,881

[panting]

667

00:41:18,160 --> 00:41:22,484

You see that? Scumbag.

Tried to steal my wallet.

668

00:41:36,080 --> 00:41:37,650

This train's freaking me out.

669

00:41:55,600 --> 00:41:58,046

[cell phone ringing]

670

00:42:00,480 --> 00:42:01,481

Hello?

671

00:42:02,600 --> 00:42:03,601

What?

672

00:42:04,880 --> 00:42:05,802

Who is this?

673

00:42:09,640 --> 00:42:10,641

All right.

674

00:42:17,400 --> 00:42:19,801

Mike, it's for you.

Some guy says he's a cop.

675

00:42:22,480 --> 00:42:24,244

Man, you don't look so good.

Everything all right?

676

00:42:24,840 --> 00:42:26,046

Give me a minute, will you?

677

00:42:27,480 --> 00:42:28,925

- Murph.

- <i>Mike.</i>

678

00:42:29,160 --> 00:42:30,440

You sent someone to the house?

679

00:42:30,520 --> 00:42:32,011

<i>Tarrytown local. They're on their way.</i>

680

00:42:33,440 --> 00:42:34,567

<i>What the hell's going on?</i>

681

00:42:35,760 --> 00:42:36,761

<i>Mike?</i>

682

00:42:37,760 --> 00:42:40,640

This woman sits across from me,
calls herself Joanna.

683

00:42:40,720 --> 00:42:44,088

She offers me 100 grand
to find someone on the train.

684

00:42:44,720 --> 00:42:48,771

- They want his bag.

- *A hundred grand? What kind of bag?*

685

00:42:49,240 --> 00:42:52,369

I don't know. Look, it sounds crazy.

686

00:42:53,040 --> 00:42:54,640

They threatened Karen and Danny.

687

00:42:54,720 --> 00:42:57,120

They killed a man, Murph,
pushed him into the street.

688

00:42:57,200 --> 00:43:01,524

Jesus Christ. Uh... okay.

You still on the train?

689

00:43:02,080 --> 00:43:04,162

- Yeah.

- *All right, don't do anything.*

690

00:43:04,440 --> 00:43:06,283

<i>I'm gonna call a friend at
the transportation authority.</i>

691

00:43:06,960 --> 00:43:08,803

I found him, Murph. I didn't have a choice.

692

00:43:09,440 --> 00:43:12,360

- <i>What did you do?</i>

- They gave me a GPS tracker.

693

00:43:12,440 --> 00:43:14,920

The kid's late 20s, black duffle bag.

694

00:43:15,000 --> 00:43:16,923

A snake-head tattoo on his neck.

695

00:43:17,280 --> 00:43:19,203

Goes by the name of Prynne.

696

00:43:19,720 --> 00:43:20,642

<i>Prynne?</i>

697

00:43:22,040 --> 00:43:23,280

<i>Did you take the money, Mike?</i>

698

00:43:26,680 --> 00:43:28,520

<i>You want my help
as a detective or as a friend?</i>

699

00:43:28,600 --> 00:43:30,204

<i>'Cause it's two very different things.</i>

700

00:43:31,440 --> 00:43:32,931

What are you not telling me, Murph?

701

00:43:33,520 --> 00:43:35,170

[sighs] <i>Two nights ago,</i>

702

00:43:35,640 --> 00:43:37,840

<i>a buddy of mine in the ninth
caught a suicide downtown,</i>

703

00:43:37,920 --> 00:43:40,320

<i>a staffer in the city planning office.</i>

704

00:43:40,400 --> 00:43:41,561

<i>It's all over the news.</i>

705

00:43:42,640 --> 00:43:46,008

<i>Thing is, this kid was in deep
with the wrong kind of people.</i>

706

00:43:47,360 --> 00:43:51,285

<i>There's a witness who saw two guys
drop him 35 stories out a window.</i>

707

00:43:52,880 --> 00:43:54,291

<i>Witness goes by Prynne.</i>

708

00:43:56,240 --> 00:43:57,401

And I identified him.

709

00:43:57,960 --> 00:44:00,531

Someone on this train's
gonna kill him. Jesus.

710

00:44:01,040 --> 00:44:02,440

I had an altercation with the guy.

711

00:44:02,520 --> 00:44:03,885

I got a bag full of cash.

712

00:44:04,360 --> 00:44:05,725

I just lost my job.

713

00:44:07,200 --> 00:44:08,611

She's trying to set me up.

714

00:44:09,520 --> 00:44:11,120

<i>All right, this is what you're gonna do.</i>

715

00:44:11,200 --> 00:44:13,487

<i>Next stop, get...</i> [distorted]

716

00:44:15,480 --> 00:44:18,290

Murph? Hello? Murph?

717

00:44:21,920 --> 00:44:22,842

[Tony] You done?

718

00:44:24,080 --> 00:44:25,764

Come on, man.

What the hell is wrong with you?

719

00:44:26,760 --> 00:44:28,091

Sorry, Tony. Thanks.

720

00:44:29,360 --> 00:44:31,408

Great. Thanks for using
my battery up, asshole.

721

00:44:38,600 --> 00:44:39,960

[indistinct announcement on PA]

722

00:44:40,040 --> 00:44:41,929

Why are we meeting
a witness outside the city?

723

00:44:42,320 --> 00:44:43,321

It feels wrong.

724

00:44:45,040 --> 00:44:46,007

Twenty minutes.

725

00:44:46,520 --> 00:44:48,807

All right. I'm checking in
with Agent Foster.

726

00:44:49,440 --> 00:44:51,480

As long as the witness gets off that train.

727

00:44:51,560 --> 00:44:53,403

[tense music playing]

728

00:45:21,520 --> 00:45:22,442

Everything all right?

729

00:45:54,680 --> 00:45:56,444

[cell phone ringing]

730

00:46:06,600 --> 00:46:07,601

[phone continues ringing]

731

00:46:16,480 --> 00:46:18,608

[straining]

732

00:46:22,040 --> 00:46:24,327

[cell phone continues ringing]

733

00:46:48,240 --> 00:46:50,208

[cell phone ringing]

734

00:47:04,360 --> 00:47:05,691

[Joanna] <i>Look what you did, Michael.</i>

735

00:47:05,800 --> 00:47:06,961

<i>Another dead passenger.</i>

736

00:47:09,920 --> 00:47:11,480

This man was a federal agent.

737

00:47:11,560 --> 00:47:14,400

<i>Yes, but he's not Prynne.

You marked the wrong man.</i>

738

00:47:14,480 --> 00:47:16,640

- You killed him.

- *Whose fault is that?*

739

00:47:16,720 --> 00:47:19,040

- I didn't agree to this.

- *You tell yourself that.*

740

00:47:19,120 --> 00:47:20,560

I know you think you're a good man,

741

00:47:20,640 --> 00:47:22,440

but some part of you was willing.

742

00:47:22,520 --> 00:47:25,160

*Some part of you capable
of condemning a stranger*

743

00:47:25,240 --> 00:47:26,162

to an unknown fate.

744

00:47:26,280 --> 00:47:27,691

I'm done playing games.

745

00:47:33,840 --> 00:47:35,440

[automated voice] <i>The mobile number</i>

<i>you are trying to...</i>

746

00:47:35,520 --> 00:47:37,124

- Shit.

- <i>...reach is unavailable.</i>

747

00:47:41,240 --> 00:47:42,560

I wanna talk to my wife.

748

00:47:42,640 --> 00:47:43,960

[Joanna] <i>Stay with me, Michael.</i>

749

00:47:44,040 --> 00:47:45,320

<i>You still have a job to do.</i>

750

00:47:45,400 --> 00:47:49,769

I will not do a goddamn thing

until I know my wife and my son are okay.

751

00:47:49,960 --> 00:47:52,008

<i>They're just leaving the house now.</i>

752

00:47:54,640 --> 00:47:56,847

[Danny] <i>Mom, come on. We're gonna be late.</i>

753

00:47:57,720 --> 00:47:59,484

[Karen] <i>Danny, have you seen my ring?</i>

754

00:47:59,840 --> 00:48:02,127

<i>I swear I left it on the bathroom counter.</i>

755

00:48:03,960 --> 00:48:04,961

[Danny] <i>Have you asked Dad?</i>

756

00:48:05,680 --> 00:48:07,762

[Karen] <i>He's not</i>

<i>picking up his phone as usual.</i>

757

00:48:07,960 --> 00:48:09,928

- [car door unlocks]

- [car approaching]

758

00:48:10,240 --> 00:48:11,082

[brakes screech]

759

00:48:11,200 --> 00:48:12,850

[Danny] <i>Mom, who is that?</i>

760

00:48:14,240 --> 00:48:15,685

[Karen] <i>Danny, get in the car.</i>

761

00:48:16,440 --> 00:48:18,090

- [car door slams]

- <i>Lock the door.</i>

762

00:48:19,680 --> 00:48:20,761

<i>Can I help you?</i>

763

00:48:21,320 --> 00:48:23,971

- [man] <i>Are you Karen MacCauley?</i>

- [Karen] <i>Yes.</i>

764

00:48:24,920 --> 00:48:26,331

[man] <i>I'm here because of your husband.</i>

765

00:48:27,560 --> 00:48:29,449

[Karen] <i>I'm sorry. Do I know...</i>

[call disconnects]

766

00:48:34,080 --> 00:48:36,080

[Joanna] <i>You have</i>

<i>a beautiful family, Michael.</i>

767

00:48:36,160 --> 00:48:39,240

[Sam on PA] <i>Now arriving Tarrytown.</i>

768

00:48:39,320 --> 00:48:41,320

There are police on their way right now.

769

00:48:41,400 --> 00:48:44,120

- If your men try anything...

- <i>Yes, they were, Michael. They were.</i>

770

00:48:44,200 --> 00:48:46,200

<i>Until you called too much

attention to yourself.</i>

771

00:48:46,280 --> 00:48:47,920

- What?

- *<i>Look outside.</i>*

772

00:48:48,000 --> 00:48:50,526

*<i>Someone reported a dangerous
individual on the train.</i>*

773

00:48:50,800 --> 00:48:54,043

*<i>Now you're standing over
a corpse. Do the math.</i>*

774

00:48:54,440 --> 00:48:55,680

What do you want me to do?

775

00:48:55,760 --> 00:48:57,922

<i>Don't leave the train and don't get caught.</i>

776

00:49:01,720 --> 00:49:03,484

[officers speaking indistinctly]

777

00:49:25,840 --> 00:49:28,680

[Sam] I've been doing this a long time.

I'm telling you, he's a regular.

778

00:49:28,760 --> 00:49:30,360

I don't think he's dangerous.

779

00:49:30,440 --> 00:49:32,727

The guy claims he's looking
for someone onboard, right?

780

00:49:33,040 --> 00:49:36,283

He makes up some bullshit story
about suspicious bags,

781

00:49:36,680 --> 00:49:37,920

and then he gets into a fight.

782

00:49:39,520 --> 00:49:41,727

[indistinct conversation]

783

00:49:53,200 --> 00:49:54,361

[straining]

784

00:50:02,920 --> 00:50:04,923

[police radio chatter]

785

00:50:26,400 --> 00:50:28,050

[PA dings]

786

00:50:28,760 --> 00:50:31,684

[Sam on PA] *<i>Sorry for the delay, folks.</i>*

<i>We'll be on our way very soon.</i>

787

00:50:34,440 --> 00:50:36,080

[officer 1] Compartments

one and two all clear.

788

00:50:36,160 --> 00:50:37,605

- Call the captain.

- [officer 2] Yes, sir.

789

00:50:37,720 --> 00:50:40,200

- Got two and three clear.

- Three and four clear.

790

00:50:40,280 --> 00:50:42,400

[officer 3] Compartments five and six clear.

791

00:50:42,480 --> 00:50:45,006

- [officer 1] No, he's not here.

- [officer 4] Okay, wrap it up, boys.

792

00:50:48,600 --> 00:50:49,965

[grunting]

793

00:51:11,200 --> 00:51:12,565

[grunts]

794

00:51:14,360 --> 00:51:16,200

[hydraulics hissing]

795

00:51:16,280 --> 00:51:17,884

- [engine starts]

- [grunts]

796

00:51:40,560 --> 00:51:41,766

[grunting]

797

00:51:46,960 --> 00:51:48,564

[dramatic music playing]

798

00:52:00,320 --> 00:52:01,720

[grunts]

799

00:52:01,800 --> 00:52:02,801

[groaning]

800

00:52:14,680 --> 00:52:15,761

[straining]

801

00:52:41,720 --> 00:52:43,085

[panting]

802

00:52:45,880 --> 00:52:47,166

[cell phone ringing]

803

00:52:51,200 --> 00:52:53,123

[muttering]

804

00:52:56,640 --> 00:52:57,720

[Joanna] <i>That was impressive, Michael.</i>

805

00:52:57,800 --> 00:52:59,160

<i>I thought you were gonna miss the train.</i>

806

00:52:59,240 --> 00:53:01,129

I wanna talk to my wife and my son.

807

00:53:01,240 --> 00:53:02,320

I wanna know they're safe.

808

00:53:02,400 --> 00:53:04,240

<i>There are two more stops before Cold Spring.</i>

809

00:53:04,320 --> 00:53:06,050

<i>Garrison Station is your last chance,</i>

810

00:53:06,160 --> 00:53:08,440

<i>if you ever wanna talk to them again.</i>

811

00:53:08,520 --> 00:53:11,160

I need more time.

There isn't enough to go on.

812

00:53:11,240 --> 00:53:12,810

<i>You've proven yourself capable.</i>

813

00:53:13,400 --> 00:53:14,845

- <i>Figure it out.</i>

- [call disconnects]

814

00:53:16,480 --> 00:53:17,925

[panting]

815

00:53:23,200 --> 00:53:25,601

[air-conditioning blowing air]

816

00:53:33,400 --> 00:53:35,130

[air-conditioning powering down]

817

00:53:36,120 --> 00:53:37,531

Hey, Manny, AC's cut out.

818

00:53:37,800 --> 00:53:39,360

I'm gonna check the hub in three.

819

00:53:39,440 --> 00:53:40,560

- [Manny] <i>Copy that.</i>

- Hi. Excuse me.

820

00:53:40,640 --> 00:53:41,800

It's, like, 90 degrees in here.

821

00:53:41,880 --> 00:53:43,928

Yeah, working on it, ma'am. Working on it.

822

00:53:44,440 --> 00:53:46,200

Tarrytown. I thought you got off.

823

00:53:46,280 --> 00:53:47,281

Sam.

824

00:53:51,080 --> 00:53:52,889

You lucky son of a bitch.

825

00:53:53,280 --> 00:53:54,725

[Tony laughs]

826

00:53:55,360 --> 00:53:58,125

My dad said it pays to make new friends.

827

00:53:58,720 --> 00:54:00,563

- Wanna go again?

- [man] Yep.

828

00:54:10,720 --> 00:54:12,640

<i>Ladies and gentlemen,
I'm sure you've noticed</i>

829

00:54:12,720 --> 00:54:15,690

<i>we've lost AC in all cars
except the last one.</i>

830

00:54:16,160 --> 00:54:17,760

<i>If you wanna move, please,</i>

831

00:54:17,840 --> 00:54:19,560

<i>remember your belongings. Thank you.</i>

832

00:54:19,640 --> 00:54:21,080

Ladies and gentlemen,
I'm sure you've noticed

833

00:54:21,160 --> 00:54:23,845

we've entered the seventh
circle of hell. God damn it.

834

00:54:24,920 --> 00:54:26,923

[passengers grumbling]

835

00:54:38,760 --> 00:54:40,683

[indistinct chattering]

836

00:54:44,000 --> 00:54:46,207

Gonna be a hell of a ride to Cold Spring.

837

00:54:57,040 --> 00:54:57,962

[sighs]

838

00:54:58,600 --> 00:55:01,683

[Tony] All right. Two pairs. Queens. Fours.

839

00:55:02,360 --> 00:55:05,440

- Hey, Tony, deal me in?

- Your money to lose, pal.

840

00:55:05,520 --> 00:55:06,851

Come on in, Mike.

841

00:55:08,360 --> 00:55:09,771

I got 100 to my name.

842

00:55:10,600 --> 00:55:13,251

- All right, Texas hold 'em. Good?

- Sure.

843

00:55:14,320 --> 00:55:15,526

[Tony] Okay. Gentlemen.

844

00:55:17,840 --> 00:55:19,126

Take a peek.

845

00:55:28,080 --> 00:55:30,560

- Doing all right there, pal?

- You don't wanna know.

846

00:55:31,000 --> 00:55:32,280

You should have got off two stops ago.

847

00:55:32,360 --> 00:55:33,840

Ten years I ride this train.

848

00:55:33,920 --> 00:55:36,082

Maybe one time

I wanna see the end of the line.

849

00:55:36,720 --> 00:55:38,563

- [laughs] Why?

- What about you, friend?

850

00:55:39,320 --> 00:55:40,287

What about me?

851

00:55:41,440 --> 00:55:43,044

Never seen you on this train before.

852

00:55:44,400 --> 00:55:46,040

Well, I've never seen you either.

853

00:55:46,120 --> 00:55:48,441

- You're not a regular.

- What is that to you?

854

00:55:51,320 --> 00:55:52,321

All right.

855

00:55:53,400 --> 00:55:55,130

I think your friend here's
got a problem with me.

856

00:55:55,440 --> 00:55:58,489

- Relax.

- Just making conversation. That's all.

857

00:55:59,040 --> 00:56:01,361

Well, if you wanna say something...

858

00:56:03,160 --> 00:56:04,241

why don't you say it?

859

00:56:05,480 --> 00:56:10,400

It just occurred to me that most of us,
we ride this train every day.

860

00:56:10,480 --> 00:56:11,925

We nod. We say hello.

861

00:56:13,280 --> 00:56:15,360

But how much do we really
know about each other?

862

00:56:15,440 --> 00:56:18,680

What about you, Mike?

What do we know about you?

863

00:56:18,760 --> 00:56:19,966

[Michael] Fair enough.

864

00:56:20,240 --> 00:56:21,685

I got fired today.

865

00:56:22,440 --> 00:56:25,922

Yeah. Didn't have the guts to tell my wife.

866

00:56:26,560 --> 00:56:29,166

Yeah. Have to go home,
look my son in the eye.

867

00:56:29,760 --> 00:56:32,889

What am I supposed to say,
"I'm not the man you thought I was"?

868

00:56:33,800 --> 00:56:36,201

What kind of father? What kind of husband?

869

00:56:37,920 --> 00:56:40,924

Sixty years old.

What have I got left to offer?

870

00:56:42,520 --> 00:56:46,040

- That was extremely honest.
- And I thought my life sucked.

871

00:56:46,120 --> 00:56:47,360

Are we gonna play or what?

872

00:56:48,120 --> 00:56:49,042

[Tony] Right.

873

00:56:50,680 --> 00:56:52,603

[groans] I'm out.

874

00:56:53,360 --> 00:56:56,720

So, I heard something earlier today,

875

00:56:56,800 --> 00:56:58,609

- a hypothetical question.

- [Tony] Uh-huh.

876

00:56:59,000 --> 00:56:59,967

What was the question?

877

00:57:00,680 --> 00:57:03,047

What if someone asked you to do
one little thing,

878

00:57:03,320 --> 00:57:04,920

something that's meaningless to you,

879

00:57:05,000 --> 00:57:07,207

but would affect another
passenger on this train?

880

00:57:07,880 --> 00:57:09,166

Would you do it?

881

00:57:10,400 --> 00:57:11,760

I don't know. What's in it for me?

882

00:57:11,840 --> 00:57:13,683

One hundred thousand dollars.

883

00:57:14,120 --> 00:57:15,480

Absolutely.

884

00:57:15,560 --> 00:57:18,800

- [Michael] You don't even know what it is.

- It doesn't matter. Come on.

885

00:57:18,880 --> 00:57:20,610

So what is that one little thing?

886

00:57:22,200 --> 00:57:24,203

A passenger on this train doesn't belong.

887

00:57:24,520 --> 00:57:27,000

They're carrying a bag,
but you don't know what it looks like.

888

00:57:27,080 --> 00:57:30,641

All you have to do
is find them before they get off.

889

00:57:31,160 --> 00:57:33,527

That's it? It's not much to go on, Mike.

890

00:57:33,760 --> 00:57:34,887

Tell me about it.

891

00:57:35,280 --> 00:57:37,010

What happens when you find 'em?

892

00:57:37,280 --> 00:57:39,681

They die. Hypothetically.

893

00:57:40,920 --> 00:57:42,206

So what would you do, Mike?

894

00:57:43,280 --> 00:57:45,726

I'd get all the people
left on the train in one car,

895

00:57:46,120 --> 00:57:47,770

propose that very scenario.

896

00:57:48,880 --> 00:57:50,883

[Tony] No, no, no, no.

I mean, would you take the money?

897

00:57:54,240 --> 00:57:55,241

You know what?

898

00:57:56,920 --> 00:57:58,285

I already did.

899

00:58:01,240 --> 00:58:04,085

- You see, I count five.

- Five what?

900

00:58:05,080 --> 00:58:07,000

Five people left that don't belong.

901

00:58:07,080 --> 00:58:09,731

Five people on this train
that I've never seen before.

902

00:58:09,840 --> 00:58:10,921

The lady right here.

903

00:58:12,840 --> 00:58:15,440

The young girl with the pink hair
at the window.

904

00:58:15,520 --> 00:58:17,480

Mr. Goldman Sachs over there.

905

00:58:17,560 --> 00:58:19,164

My friend with the guitar.

906

00:58:23,080 --> 00:58:24,002

And you.

907

00:58:28,880 --> 00:58:29,802

I'm Jackson.

908

00:58:34,320 --> 00:58:36,323

- You know what I would do?

- Tell me.

909

00:58:36,560 --> 00:58:38,324

I would pocket that 100 grand,

910

00:58:38,800 --> 00:58:39,767

find the guy,

911

00:58:40,840 --> 00:58:42,331

tell him to take a different train.

912

00:58:44,080 --> 00:58:45,241

[chuckles]

913

00:58:46,160 --> 00:58:47,161

[Tony] All right.

914

00:58:50,200 --> 00:58:52,328

- All in.

- [Tony] Whoa. Whoa.

915

00:58:53,000 --> 00:58:54,923

[Jackson] For real? All right.

916

00:59:01,640 --> 00:59:03,400

So, you never answered the question.

917

00:59:03,480 --> 00:59:05,960

- What question?

- What are you doing on this train?

918

00:59:06,560 --> 00:59:07,766

[Jackson] Maybe I'm like you.

919

00:59:08,600 --> 00:59:09,965

Maybe I wanna see the end of the line.

920

00:59:10,560 --> 00:59:11,766

Wait... Excuse me.

921

00:59:12,760 --> 00:59:13,682

[Jackson] I call.

922

00:59:14,880 --> 00:59:17,884

This is a monthly pass.

You're a regular commuter.

923

00:59:19,120 --> 00:59:21,600

Yeah? And I have a full house.

924

00:59:22,360 --> 00:59:23,282

[Tony] Oh!

925

00:59:24,160 --> 00:59:26,208

- What do you have?

- That's it for me.

926

00:59:27,880 --> 00:59:28,802

I'm sorry.

927

00:59:39,760 --> 00:59:42,081

So, what if I'm this guy

you're talking about?

928

00:59:43,680 --> 00:59:45,330

- Are you?

- If I was?

929

00:59:46,040 --> 00:59:47,007

Someone wants you dead.

930

00:59:48,000 --> 00:59:50,207

I can help you,

but I need to know what you know,

931

00:59:50,680 --> 00:59:53,081

why you're going to Cold Spring.

What's in that case?

932

00:59:54,120 --> 00:59:56,088

- It's just a guitar.

- Open it.

933

00:59:57,000 --> 00:59:58,760

You wanna help me? Why should I trust you?

934

00:59:58,840 --> 00:59:59,967

Open the case.

935

01:00:18,240 --> 01:00:19,280

So what do we do now?

936

01:00:19,360 --> 01:00:22,800

You and I go to carriage one,
barricade ourselves inside.

937

01:00:22,880 --> 01:00:25,770

And then, what, you gonna find
this killer, take him down yourself?

938

01:00:26,120 --> 01:00:27,042

Gonna try.

939

01:00:28,440 --> 01:00:30,727

Obviously, I'm not Prynne.

940

01:00:33,560 --> 01:00:35,483

But you seem
to have figured that out already.

941

01:00:36,200 --> 01:00:37,440

That's a left-handed guitar.

942

01:00:37,520 --> 01:00:39,124

What's that got to do with it?

943

01:00:40,440 --> 01:00:41,362

Hey, man, are you okay?

944

01:00:45,840 --> 01:00:46,762

Yeah.

945

01:00:46,960 --> 01:00:48,200

The gun's in your right hand.

946

01:00:48,600 --> 01:00:50,489

[laughing] Well, shit.

947

01:00:51,080 --> 01:00:52,605

I guess that's why she chose you.

948

01:00:54,720 --> 01:00:56,768

Four passengers left. Which one is it?

949

01:00:58,080 --> 01:00:59,002

I don't know.

950

01:01:00,000 --> 01:01:03,402

All you got to lose and you don't know.

951

01:01:03,880 --> 01:01:05,000

You killed that agent.

952

01:01:05,080 --> 01:01:07,003

No, that's on you, man.

953

01:01:07,480 --> 01:01:09,680

How much is she paying you
to kill the witness?

954

01:01:09,760 --> 01:01:11,000

Same as you, I guess.

955

01:01:11,640 --> 01:01:13,608

But that's not really
how it works out, is it?

956

01:01:14,280 --> 01:01:16,886

No matter how much they pay,
you always end up owing more.

957

01:01:19,000 --> 01:01:21,924

Who's Prynne, Michael? Tell me now.

958

01:01:23,280 --> 01:01:24,202

No.

959

01:01:26,520 --> 01:01:29,000

You have no idea who you're up against.

960

01:01:29,360 --> 01:01:33,684

- Do you?

- Yes, Michael. I do.

961

01:01:35,720 --> 01:01:38,644

- Drop it.

- Take it easy.

962

01:01:45,000 --> 01:01:46,047

Turn around.

963

01:01:47,200 --> 01:01:48,850

[both grunting]

964

01:02:08,840 --> 01:02:10,171

[gunshot]

965

01:02:16,400 --> 01:02:17,322

[grunts]

966

01:02:29,680 --> 01:02:30,680

[groans]

967

01:02:30,760 --> 01:02:32,171

Who's Prynne?

968

01:02:32,560 --> 01:02:34,403

- I don't know.

- You're lying.

969

01:02:34,520 --> 01:02:36,204

[both grunting]

970

01:02:48,920 --> 01:02:50,047

[groans]

971

01:03:05,640 --> 01:03:08,166

- [glass shattering]

- [wind howling]

972

01:03:11,440 --> 01:03:12,600

[groans]

973

01:03:12,680 --> 01:03:14,125

[panting]

974

01:03:14,400 --> 01:03:16,120

[Michael] Don't be stupid. Stop.

975

01:03:16,200 --> 01:03:17,884

Not until Prynne is dead.

976

01:03:20,600 --> 01:03:21,931

[Michael] I can't let you do that.

977

01:03:28,760 --> 01:03:29,727

[yelping]

978

01:03:33,720 --> 01:03:35,723

[both grunting]

979

01:03:43,920 --> 01:03:45,570

[train horn blowing]

980

01:03:53,280 --> 01:03:54,441

[groaning]

981

01:04:00,920 --> 01:04:02,968

[panting]

982

01:04:07,760 --> 01:04:10,081

[cell phone ringing]

983

01:04:14,520 --> 01:04:16,602

[Joanna] <i>You're out of time. Who's Prynne?</i>

984

01:04:17,320 --> 01:04:20,130

It doesn't matter. Your guy is dead.

985

01:04:21,960 --> 01:04:23,041

<i>You have the gun?</i>

986

01:04:26,080 --> 01:04:28,287

<i>Take it, Michael. Take the weapon.</i>

987

01:04:31,040 --> 01:04:33,691

<i>Kill Prynne, retrieve the bag...</i>

988

01:04:34,320 --> 01:04:35,651

<i>and your family lives.</i>

989

01:04:36,000 --> 01:04:39,209

- I am not gonna do this.

- <i>You can't have it both ways.</i>

990

01:04:39,520 --> 01:04:42,251

<i>You can save the witness or your family.</i>

991

01:04:43,200 --> 01:04:44,850

<i>You know who Prynne is, don't you?</i>

992

01:04:45,680 --> 01:04:47,410

<i>It's time to finish what you started.</i>

993

01:04:51,120 --> 01:04:52,963

[PA dings]

994

01:04:53,440 --> 01:04:55,160

[Sam on PA] <i>Now arriving Garrison, folks.</i>

995

01:04:55,240 --> 01:04:57,129

Hey, Mike, what happened
to the guy with the guitar?

996

01:04:57,800 --> 01:04:58,722

He got off.

997

01:05:02,440 --> 01:05:03,280

I better not be staying

998

01:05:03,360 --> 01:05:05,328

at a bed and breakfast this time.

Uh-uh. No way.

999

01:05:08,400 --> 01:05:10,004

[doors beeping]

1000

01:05:11,760 --> 01:05:13,280

- [beeping stops]

- [PA dings]

1001

01:05:13,360 --> 01:05:15,160

[Sam on PA] *<i>Next stop, Cold Spring.</i>*

1002

01:05:15,240 --> 01:05:17,527

<i>This train terminates at Cold Spring.</i>

1003

01:05:20,240 --> 01:05:21,162

[cell phone chimes]

1004

01:05:32,800 --> 01:05:33,961

[cell phone chimes]

1005

01:05:37,160 --> 01:05:39,845

- All that's left is you.

- What?

1006

01:05:43,240 --> 01:05:45,004

Why are you going to Cold Spring?

1007

01:05:46,000 --> 01:05:48,480

- [cell phone chimes]

- That's none of your business.

1008

01:05:51,200 --> 01:05:53,280

- What's in the bag?

- My God.

1009

01:05:53,360 --> 01:05:56,364

What is with you people and my bag? Jeez.

1010

01:05:57,200 --> 01:05:58,280

- Hey.

- Prynne?

1011

01:05:58,360 --> 01:05:59,280

What are you doing?

1012

01:05:59,360 --> 01:06:01,320

- Let go of me.

- I'm trying to help you.

1013

01:06:01,400 --> 01:06:02,720

- Seriously, come on, do something.

- [cell phone chimes]

1014

01:06:02,800 --> 01:06:03,960

- Who is that?

- What's your problem?

1015

01:06:04,040 --> 01:06:05,200

Mike, you gotta let the lady go.

1016

01:06:05,280 --> 01:06:06,520

You don't get it, do you?

1017

01:06:06,600 --> 01:06:08,560

She wants you dead. You witnessed a murder.

1018

01:06:08,640 --> 01:06:11,480

You have something that she wants,
something she's willing to kill for.

1019

01:06:11,560 --> 01:06:14,000

Okay, Mike, you gotta let her go.

Let the lady go.

1020

01:06:14,080 --> 01:06:15,000

- Mike.

- Hand me the phone.

1021

01:06:15,080 --> 01:06:18,004

- Mike, come on.

- Don't move. Stay in your seats.

1022

01:06:21,840 --> 01:06:23,046

Please, hand me the phone.

1023

01:06:35,960 --> 01:06:36,882

[cell phone chimes]

1024

01:06:43,800 --> 01:06:44,801

[cell phone chimes]

1025

01:06:47,040 --> 01:06:50,931

- I... I don't...

- Look, I don't know what your problem is,

1026

01:06:51,440 --> 01:06:54,603

but I am not the person
you're looking for, okay?

1027

01:06:55,240 --> 01:07:00,042

My... My boyfriend and I,
we had this huge fight

1028

01:07:01,320 --> 01:07:05,245

because I wasn't sure
about staying here and us and...

1029

01:07:06,960 --> 01:07:11,170

so when I finished my shift,
I... I just didn't wanna go home.

1030

01:07:12,920 --> 01:07:15,082

Forgive me. Take it. Take it.

1031

01:07:16,520 --> 01:07:17,442

I'm sorry.

1032

01:07:20,120 --> 01:07:21,326

They're gonna kill my family.

1033

01:07:22,760 --> 01:07:23,921

There's no one else.

1034

01:07:26,520 --> 01:07:29,490

Six day riders. Six ticket stubs.

1035

01:07:30,640 --> 01:07:32,529

Six going to Cold Spring.

1036

01:07:34,000 --> 01:07:35,001

Except...

1037

01:07:37,280 --> 01:07:38,645

one got off at Garrison.

1038

01:07:41,520 --> 01:07:46,242

Goldman Sachs. He... he was in the aisle.

1039

01:07:48,760 --> 01:07:49,682

Bye-bye.

1040

01:07:50,440 --> 01:07:51,521

He switched seats.

1041

01:08:03,600 --> 01:08:05,682

[music playing on headphones]

1042

01:08:15,000 --> 01:08:15,922

Prynne.

1043

01:08:17,560 --> 01:08:20,040

- Hester Prynne.

- <i>The Scarlet Letter.</i> Of course.

1044

01:08:22,440 --> 01:08:23,726

You bought the ticket to Cold Spring.

1045

01:08:26,320 --> 01:08:28,800

End of the line. Cold Spring coming up.

1046

01:08:28,880 --> 01:08:30,120

[cell phone ringing]

1047

01:08:31,800 --> 01:08:32,722

[Joanna] *<i>Is it done?</i>*

1048

01:08:33,920 --> 01:08:35,680

- *<i>Is it done?</i>*

- I will not do this.

1049

01:08:35,760 --> 01:08:38,002

<i>I thought I had you figured out.

I really did.</i>

1050

01:08:40,640 --> 01:08:42,040

- Manny?

- *<i>After all of this,</i>*

1051

01:08:42,120 --> 01:08:44,880

*<i>you would choose the life of a stranger
over your own family?</i>*

1052

01:08:44,960 --> 01:08:46,600

<i>You must think you're some kind of a hero!</i>

1053

01:08:46,680 --> 01:08:49,600

I won't do this.

I won't do it. I will not do this.

1054

01:08:49,680 --> 01:08:51,600

Manny, Manny, we have a hostage situation.

1055

01:08:51,680 --> 01:08:53,091

[Manny] *Calling dispatch.*

1056

01:08:53,600 --> 01:08:56,040

[Joanna] *This is your last chance, Michael.*

1057

01:08:56,120 --> 01:08:57,160

- *Do it.*

- No!

1058

01:08:57,240 --> 01:08:59,800

- *Prynne has evidence of a conspiracy.*

- That doesn't matter.

1059

01:08:59,880 --> 01:09:02,280

<i>The people I work for, they will do anything</i>

1060

01:09:02,360 --> 01:09:03,480

- <i>to protect themselves.</i>

- What?

1061

01:09:03,560 --> 01:09:04,640

<i>These are very powerful people.</i>

1062

01:09:04,720 --> 01:09:07,280

- <i>They will do whatever it takes.</i>

- They? Who? Who are you talking about?

1063

01:09:07,360 --> 01:09:09,640

<i>Even kill you, your family.

Everyone on that train.</i>

1064

01:09:09,720 --> 01:09:10,800

- <i>Do you understand?</i>

- Who's they?

1065

01:09:10,880 --> 01:09:12,211

<i>You have made your choice.</i>

1066

01:09:13,240 --> 01:09:14,960

Joanna, who are you working for?

1067

01:09:15,040 --> 01:09:16,929

- <i>Now everyone dies.</i>

- [call disconnects]

1068

01:09:18,560 --> 01:09:19,482

Hel...

1069

01:09:22,560 --> 01:09:24,920

- [Manny] <i>Dispatch is contacting police.</i>

- Stop the train.

1070

01:09:25,000 --> 01:09:25,922

Copy that.

1071

01:09:26,920 --> 01:09:27,920

[all yelp]

1072

01:09:28,000 --> 01:09:30,401

You want to live,
you stop this goddamn train. Now.

1073

01:09:30,520 --> 01:09:32,682

Pull the brake. Now!

1074

01:09:33,040 --> 01:09:36,283

- All right.

- Now, everyone, hang on.

1075

01:09:42,880 --> 01:09:44,564

[all screaming]

1076

01:09:46,400 --> 01:09:47,970

Yeah, thanks.

1077

01:09:49,280 --> 01:09:50,611

Train's less than a minute away.

1078

01:09:50,960 --> 01:09:52,200

Marshal Service is ready for us.

1079

01:09:52,280 --> 01:09:54,681

Take the statement at the safe house.

No screwing around.

1080

01:09:55,640 --> 01:09:57,370

- Why is it not stopping?

- I don't know.

1081

01:10:09,520 --> 01:10:11,648

[Michael] Sam, I swear,

I had nothing to do with this.

1082

01:10:11,840 --> 01:10:13,410

- Manny.

- Oh, man, that's not good.

1083

01:10:13,520 --> 01:10:14,408

[Michael] Oh, my God.

1084

01:10:15,800 --> 01:10:18,724

[Sam straining]

Help me get this open. It's jammed.

1085

01:10:19,360 --> 01:10:20,487

[straining] Come on.

1086

01:10:20,960 --> 01:10:22,087

[both grunting]

1087

01:10:32,360 --> 01:10:34,640

[Sam] The engineer's dead!

Cab door's jammed!

1088

01:10:34,720 --> 01:10:37,000

I can't access the control panel!

1089

01:10:37,080 --> 01:10:38,923

Dispatch, do you copy?

1090

01:10:39,200 --> 01:10:42,887

The brakes have malfunctioned.

There's no way to stop the train.

1091

01:10:44,280 --> 01:10:45,611

You what?

1092

01:10:45,720 --> 01:10:47,290

[dispatch] *<i>We'll have to clear the tracks.</i>*

1093

01:10:47,560 --> 01:10:48,482

[Sam] Roger.

1094

01:10:48,880 --> 01:10:50,325

Dispatch is gonna clear the tracks.

1095

01:10:50,840 --> 01:10:53,650

- What?

- [Sam] There's a curve just before Beacon.

1096

01:10:54,240 --> 01:10:57,369

Now, we hit it at 70 miles an hour,

we're gonna derail for sure.

1097

01:10:58,600 --> 01:11:00,520

All the passengers are in the last car.

1098

01:11:00,600 --> 01:11:02,000

Can we detach it?

1099

01:11:02,080 --> 01:11:03,571

We have to try. Come on!

1100

01:11:06,320 --> 01:11:07,811

We gotta unhook the couplers.

1101

01:11:08,080 --> 01:11:09,684

There's a coupler safety latch.

1102

01:11:10,000 --> 01:11:12,526

It can only be released
from underneath the car.

1103

01:11:15,800 --> 01:11:17,689

Someone will have to pull the knuckle pin,

1104

01:11:18,000 --> 01:11:21,288

and one of us will have to go
down and release the latch.

1105

01:11:25,240 --> 01:11:27,040

No. No friggin' way.

I'm not going down there.

1106

01:11:27,120 --> 01:11:28,000

It's just outside...

1107

01:11:28,080 --> 01:11:29,400

I don't care. Shut up. I'm not going!

1108

01:11:29,480 --> 01:11:30,880

Just outside and down the ladder.

1109

01:11:30,960 --> 01:11:32,840

- I'll do it!

- Yeah, you do it.

1110

01:11:32,920 --> 01:11:35,651

Look, you go tell the passengers
to brace themselves.

1111

01:11:35,960 --> 01:11:36,882

I'll do that.

1112

01:11:40,000 --> 01:11:42,640

We got about two minutes.

You make them count.

1113

01:11:42,720 --> 01:11:44,927

Stay calm. Stay calm, okay? Stay calm.

1114

01:11:45,680 --> 01:11:47,840

- Remain calm.

- Why?

1115

01:11:47,920 --> 01:11:50,760

I don't have time to argue with you, lady.

Sit down. Take your seats.

1116

01:11:50,840 --> 01:11:53,446

- Everyone, sit down. Sit down.

- I am sitting down.

1117

01:11:54,760 --> 01:11:56,285

[Sam straining]

1118

01:11:57,040 --> 01:11:59,008

[dramatic music playing]

1119

01:12:11,920 --> 01:12:12,921

[Michael grunting]

1120

01:12:27,160 --> 01:12:29,049

[both continue grunting]

1121

01:12:39,280 --> 01:12:40,691

[continues grunting]

1122

01:12:52,080 --> 01:12:52,960

Yeah!

1123

01:12:53,040 --> 01:12:54,565

[grunting]

1124

01:13:02,680 --> 01:13:03,520

[loud thud]

1125

01:13:03,600 --> 01:13:04,806

[passengers yelp]

1126

01:13:06,040 --> 01:13:07,246

[Sam] The chain is caught!

1127

01:13:21,080 --> 01:13:23,208

You need more leverage. I'll get the ax.

1128

01:13:37,880 --> 01:13:41,123

Between the train and the people,
I always knew it would be the train.

1129

01:13:56,720 --> 01:13:57,642

[both grunting]

1130

01:14:11,680 --> 01:14:13,330

[both grunting]

1131

01:14:15,200 --> 01:14:17,168

[groans]

1132

01:14:22,520 --> 01:14:24,124

[all screaming]

1133

01:14:36,520 --> 01:14:37,851

[grunts]

1134

01:14:38,800 --> 01:14:40,245

[passengers screaming]

1135

01:15:01,640 --> 01:15:03,768

[bell dinging]

1136

01:15:22,200 --> 01:15:24,400

[panicked chattering]

1137

01:15:24,480 --> 01:15:26,680

[Tony] All right. I'm okay.

You all right? Come on.

1138

01:15:26,760 --> 01:15:29,040

- [man 1] Get that door open.

- Everyone okay?

1139

01:15:29,120 --> 01:15:31,771

- [woman] We gotta get out.

- [man 2] Open the door.

1140

01:15:31,880 --> 01:15:33,960

Stay calm. Don't get off the train.

1141

01:15:34,040 --> 01:15:35,280

Please, listen!

1142

01:15:35,360 --> 01:15:37,806

- [man 1] Get the door open.

- [man 3] We gotta get out...

1143

01:15:39,200 --> 01:15:40,281

[all scream]

1144

01:15:41,120 --> 01:15:43,680

Jackson, close the door.

This isn't over yet.

1145

01:15:43,760 --> 01:15:47,240

We're still in danger.

Everyone grab a newspaper.

1146

01:15:47,320 --> 01:15:50,040

Cover the windows.

Use water, soda, anything.

1147

01:15:50,120 --> 01:15:51,326

Mike, this is crazy.

1148

01:15:51,440 --> 01:15:53,682

Come on, get some water. Cover the windows.

1149

01:16:07,160 --> 01:16:09,600

- Why are we doing this, Mike?

- [Michael] Just do it.

1150

01:16:09,680 --> 01:16:11,600

We don't know who's out there,
who's watching.

1151

01:16:11,680 --> 01:16:12,640

They tried to kill us all.

1152

01:16:12,720 --> 01:16:13,642

- You all right?

- [woman] Yeah.

1153

01:16:19,160 --> 01:16:22,080

I know you're all scared,

but I need your help.

1154

01:16:22,160 --> 01:16:23,924

None of you can leave, not yet.

1155

01:16:24,400 --> 01:16:26,243

Not until I know everyone's safe.

1156

01:16:27,440 --> 01:16:30,250

They murdered innocent people.

They derailed the train.

1157

01:16:30,640 --> 01:16:33,689

They did this. All to find a witness.

1158

01:16:36,160 --> 01:16:37,890

Something she has that they want.

1159

01:16:40,560 --> 01:16:43,530

They said if I didn't kill you,
they would kill my wife, my son.

1160

01:16:44,320 --> 01:16:46,766

But I would never.

I would never do what these people want.

1161

01:16:47,520 --> 01:16:48,567

I need your help.

1162

01:16:49,280 --> 01:16:50,884

I need to know why they want you dead.

1163

01:16:57,120 --> 01:16:58,042

What's your name?

1164

01:16:58,880 --> 01:17:00,883

Sofia.

1165

01:17:03,400 --> 01:17:05,721

It's okay. Come here.

1166

01:17:14,200 --> 01:17:16,521

I'm not going to let them hurt you, okay?

1167

01:17:17,960 --> 01:17:19,405

Can you show me what's in your bag?

1168

01:17:33,080 --> 01:17:34,730

This? This is what they want?

1169

01:17:37,360 --> 01:17:38,282

Do you know why?

1170

01:17:38,880 --> 01:17:40,245

Because of Enrique.

1171

01:17:41,040 --> 01:17:41,962

It was his.

1172

01:17:42,360 --> 01:17:45,000

The guy who threw himself
off the 35th floor?

1173

01:17:45,080 --> 01:17:46,684

Ricky didn't kill himself.

1174

01:17:47,760 --> 01:17:49,000

You were there when he died?

1175

01:17:53,480 --> 01:17:54,607

It's okay. Tell me.

1176

01:17:57,120 --> 01:17:58,087

Tell me what you saw.

1177

01:18:01,560 --> 01:18:02,971

Ricky was a city planner,

1178

01:18:04,680 --> 01:18:06,603

and some nights he would have to work late,

1179

01:18:07,880 --> 01:18:10,611

so I would go to his office
to finish my homework.

1180

01:18:11,960 --> 01:18:13,883

I was waiting for Ricky by the elevator

1181

01:18:15,240 --> 01:18:16,810

when these two men show up.

1182

01:18:17,720 --> 01:18:19,131

I didn't see their faces,

1183

01:18:20,280 --> 01:18:21,611

but they were looking for Ricky.

1184

01:18:24,000 --> 01:18:26,924

I hid 'cause I didn't wanna
get him in trouble.

1185

01:18:29,280 --> 01:18:31,044

But they wanted something from him.

1186

01:18:32,640 --> 01:18:36,361

Then... all of them start yelling,

1187

01:18:37,280 --> 01:18:38,691

and I hear this noise.

1188

01:18:39,680 --> 01:18:42,720

They were hurting him.

I could hear him screaming.

1189

01:18:42,800 --> 01:18:45,485

And he tells them that he doesn't have it,
that it's back at his place.

1190

01:18:46,320 --> 01:18:48,004

- You took it.

- Of course I took it.

1191

01:18:48,760 --> 01:18:49,761

I wanted to help.

1192

01:18:53,720 --> 01:18:58,123

And then I look through the doorway
and I see this guy.

1193

01:18:58,440 --> 01:19:00,647

He's holding Ricky, and he hits him,

1194

01:19:01,480 --> 01:19:04,484

and he says something about being noble.

1195

01:19:05,440 --> 01:19:06,362

Noble?

1196

01:19:06,720 --> 01:19:08,440

He says that doing the right thing
will get you killed,

1197

01:19:08,520 --> 01:19:10,921

and that there's no such thing
as being noble.

1198

01:19:12,360 --> 01:19:13,282

And then,

1199

01:19:15,720 --> 01:19:16,642

they just...

1200

01:19:24,200 --> 01:19:26,009

I didn't know what to do. I...

1201

01:19:26,320 --> 01:19:27,242

[sniffing]

1202

01:19:27,520 --> 01:19:28,360

I know.

1203

01:19:28,440 --> 01:19:30,602

I just took it and I ran.

1204

01:19:30,960 --> 01:19:32,963

But why didn't you call the police?

1205

01:19:33,080 --> 01:19:34,207

I couldn't call the police.

1206

01:19:35,840 --> 01:19:37,570

The men who killed him were cops.

1207

01:19:40,640 --> 01:19:41,687

Oh, my God.

1208

01:19:43,200 --> 01:19:46,249

And the next day I just...

I went to a friend's,

1209

01:19:47,200 --> 01:19:48,725

and she knew someone in the FBI.

1210

01:19:49,320 --> 01:19:53,007

This guy, Agent Garcia,

he says that this drive is evidence,

1211

01:19:53,280 --> 01:19:54,691

and that I'm a witness.

1212

01:19:55,080 --> 01:19:57,120

He says it's not safe for me

in the city anymore,

1213

01:19:57,200 --> 01:19:59,123

tells me to catch the 6:25

1214

01:19:59,560 --> 01:20:01,722

to Cold Spring, and they'll protect me.

1215

01:20:03,400 --> 01:20:05,448

- You told no one else?

- No.

1216

01:20:07,080 --> 01:20:09,686

Your friend trusts this Agent Garcia, yeah?

1217

01:20:11,760 --> 01:20:12,682

I don't know.

1218

01:20:15,400 --> 01:20:17,687

Someone out there wants you to disappear.

1219

01:20:18,760 --> 01:20:22,606

And if it's not him... who?

1220

01:20:23,320 --> 01:20:25,482

[sirens wailing]

1221

01:20:36,600 --> 01:20:37,761

Oh, my God.

1222

01:20:41,720 --> 01:20:43,882

[indistinct shouting]

1223

01:20:50,440 --> 01:20:52,522

[officer] Go, go, go. Move, move, move.

1224

01:21:09,800 --> 01:21:10,688

MacCauley.

1225

01:21:14,760 --> 01:21:16,330

<i>This is Captain David Hawthorne.</i>

1226

01:21:16,760 --> 01:21:17,921

<i>I'm in command.</i>

1227

01:21:18,280 --> 01:21:20,931

[officer] Entrance clear.

Let's go, go, go, go.

1228

01:21:22,880 --> 01:21:26,407

[Hawthorne] *We have the train surrounded.*

There is nowhere for you to go.

1229

01:21:30,120 --> 01:21:31,247

Throw out your weapon.

1230

01:21:31,600 --> 01:21:35,161

My men will come aboard.

They will escort the hostages to safety.

1231

01:21:35,480 --> 01:21:38,680

- It's okay. Don't be alarmed.

- *You will not be harmed.*

1232

01:21:38,760 --> 01:21:40,040

This is normal police procedure.

1233

01:21:40,120 --> 01:21:42,009

It's okay. You'll all be safe.

1234

01:21:43,240 --> 01:21:44,765

No one will be harmed.

1235

01:21:56,920 --> 01:21:59,127

[sirens wailing]

1236

01:22:00,280 --> 01:22:02,283

[Tony] Jesus, there's

a friggin' army out there.

1237

01:22:08,400 --> 01:22:10,243

[Hawthorne] Agent Garcia, come to me.

1238

01:22:11,560 --> 01:22:14,320

I need tactical staged

and ready to breach, okay?

1239

01:22:14,400 --> 01:22:16,164

- Sir.

- Thanks.

1240

01:22:17,280 --> 01:22:18,202

Where's Overwatch?

1241

01:22:21,400 --> 01:22:23,209

<i>Overwatch, this is command.</i>

1242

01:22:23,720 --> 01:22:25,529

When you get line of sight, I need to know.

1243

01:22:25,840 --> 01:22:26,760

Roger.

1244

01:22:26,840 --> 01:22:29,491

- This is bad, Mike.

- It'll be fine, I promise.

1245

01:22:34,160 --> 01:22:37,520

[Hawthorne] <i>MacCauley,</i>

<i>you have an old friend here.</i>

1246

01:22:37,600 --> 01:22:40,331

<i>He wants to come aboard,
and he wants to talk.</i>

1247

01:22:48,880 --> 01:22:49,802

Your tag is lit.

1248

01:23:09,320 --> 01:23:11,160

[reporter] <i>We are live</i>

<i>outside the town of Beacon,</i>

1249

01:23:11,240 --> 01:23:13,480

<i>where a Hudson North train has derailed.</i>

1250

01:23:13,560 --> 01:23:15,449

<i>No reports of any casualties yet.</i>

1251

01:23:17,640 --> 01:23:18,562

Get back.

1252

01:23:18,800 --> 01:23:19,840

Go, go, go. Move back.

1253

01:23:19,920 --> 01:23:20,921

Go, go.

1254

01:23:24,280 --> 01:23:26,203

We got sound on Lieutenant Murphy.

1255

01:23:30,400 --> 01:23:31,760

[reporter] *According to*

our source on the ground,

1256

01:23:31,840 --> 01:23:34,680

an ex-NYPD officer has taken over the train

1257

01:23:34,760 --> 01:23:36,922

and is holding the passengers hostage.

1258

01:23:41,720 --> 01:23:43,324

Hey, Mike, how we doing in there?

1259

01:23:44,600 --> 01:23:45,720

Listen, man, you know how this goes.

1260

01:23:45,800 --> 01:23:47,962

We don't work this out,
SWAT's gonna take the train by force.

1261

01:23:51,080 --> 01:23:52,207

Look, talk to me, buddy.

1262

01:23:56,360 --> 01:23:57,200

Where's my family?

1263

01:23:57,280 --> 01:23:58,920

You said police were on their way.

1264

01:23:59,000 --> 01:24:00,525

[Alex] *They were, man.*

I don't know what happened.

1265

01:24:01,000 --> 01:24:02,491

Look, we're doing the best we can.

1266

01:24:03,440 --> 01:24:04,920

You don't know what's going on, Murph.

1267

01:24:05,000 --> 01:24:06,880

Then tell me, all right?

1268

01:24:06,960 --> 01:24:09,486

Just open the door, let me in.

I'm unarmed. I'm alone.

1269

01:24:18,000 --> 01:24:19,240

How many people you got in there?

1270

01:24:22,200 --> 01:24:24,160

Mike, I wanna help you.

You gotta help me out.

1271

01:24:24,240 --> 01:24:26,400

If I don't produce results,
they're gonna pull me out.

1272

01:24:26,480 --> 01:24:27,845

Now, how many hostages do you have?

1273

01:24:29,280 --> 01:24:30,611

[whispers] We gotta do something.

1274

01:24:31,240 --> 01:24:32,571

Yeah, but what? What can we do?

1275

01:24:33,880 --> 01:24:35,166

Fifteen, twenty.

1276

01:24:36,040 --> 01:24:38,441

All right, just let some go.

Whoever you want.

1277

01:24:39,120 --> 01:24:40,360

How do I know they'll be safe?

1278

01:24:41,960 --> 01:24:43,041

The hostages?

1279

01:24:43,960 --> 01:24:45,325

There's someone I need to protect.

1280

01:24:46,800 --> 01:24:48,404

Look, if you're worried
about someone's safety,

1281

01:24:48,520 --> 01:24:49,601

just send them out with me.

1282

01:24:52,160 --> 01:24:53,082

Not yet.

1283

01:24:54,080 --> 01:24:55,684

No... [sighs]

1284

01:24:58,040 --> 01:25:00,611

Seven years we were partners.

You always had my back.

1285

01:25:01,240 --> 01:25:02,731

Let someone else have yours for once.

1286

01:25:06,760 --> 01:25:07,682

Mike.

1287

01:25:09,640 --> 01:25:12,280

Look, I tell you what.

I'll make an exchange, okay?

1288

01:25:12,360 --> 01:25:15,091

Release some hostages and take me instead.

1289

01:25:32,800 --> 01:25:33,722

[sniper] They're coming out.

1290

01:25:34,280 --> 01:25:35,611

[Alex] Okay, come on out. Come on out.

1291

01:25:37,240 --> 01:25:38,640

[officer] Come on. Come on. This way.

1292

01:25:38,720 --> 01:25:40,720

[Alex] *Watch your step.*

Go that way. Follow her.

1293

01:25:40,800 --> 01:25:42,165

All right, stay in line.

1294

01:25:42,280 --> 01:25:45,640

[reporter] *<i>Yes, it does appear</i>
<i>that hostages are being released.</i>*

1295

01:25:45,720 --> 01:25:48,963

*<i>It is unclear at this time
how many remain on the train.</i>*

1296

01:25:56,440 --> 01:25:58,488

- Is that it?

- Yeah. Come on.

1297

01:26:02,440 --> 01:26:04,160

All right.

Patrol's on their way to your house.

1298

01:26:04,240 --> 01:26:05,162

No sirens.

1299

01:26:09,400 --> 01:26:10,401

[Alex sighs]

1300

01:26:11,680 --> 01:26:12,841

They have you tagged.

1301

01:26:13,840 --> 01:26:15,524

This goes on much longer,
they're gonna board.

1302

01:26:16,000 --> 01:26:17,525

They don't want a cop
caught in the crossfire.

1303

01:26:19,080 --> 01:26:20,241

Come on, put the gun down.

1304

01:26:21,000 --> 01:26:22,684

Jesus, I'm unarmed. Come on.

1305

01:26:23,600 --> 01:26:24,647

[Alex sighs]

1306

01:26:31,200 --> 01:26:32,725

Tell them to turn the lights off.

1307

01:26:33,680 --> 01:26:34,602

[Alex] <i>Kill the lights.</i>

1308

01:26:35,760 --> 01:26:36,966

- [radio feedback]

- Cut the lights.

1309

01:26:40,920 --> 01:26:43,080

- Thanks, pal.

- Come on, you know the deal.

1310

01:26:43,160 --> 01:26:44,241

We lost audio.

1311

01:26:45,600 --> 01:26:47,807

You were right,

there is a witness on the train.

1312

01:26:48,120 --> 01:26:50,640

They were supposed to meet
the FBI at Cold Spring.

1313

01:26:50,720 --> 01:26:54,008

- FBI? Special Agent Garcia?

- You know?

1314

01:26:54,280 --> 01:26:55,840

Hawthorne just pulled jurisdiction from him.

1315

01:26:55,920 --> 01:26:57,720

Hawthorne. That figures.

1316

01:26:57,800 --> 01:26:59,882

I want eyes on. Confirm visuals.

1317

01:27:00,840 --> 01:27:02,444

[whirring]

1318

01:27:02,720 --> 01:27:04,640

[sniper] *<i>Friendly fire tag is lit in blue.</i>*

1319

01:27:04,720 --> 01:27:05,767

<i>Visual confirmed.</i>

1320

01:27:06,280 --> 01:27:07,611

Mike, what the hell happened?

1321

01:27:08,400 --> 01:27:11,004

I talk to you, next thing I know
you're taking people hostage.

1322

01:27:12,240 --> 01:27:14,280

They killed three passengers,
including a fed.

1323

01:27:14,360 --> 01:27:15,805

They derailed the train.

1324

01:27:16,320 --> 01:27:18,288

- All to get some evidence.

- Okay.

1325

01:27:19,720 --> 01:27:20,640

So where is it, Mike?

1326

01:27:20,720 --> 01:27:22,440

Not until Karen and Danny are safe.

1327

01:27:22,520 --> 01:27:24,284

[Alex] Local PD's calling me directly.

1328

01:27:24,760 --> 01:27:25,921

So, we wait.

1329

01:27:28,560 --> 01:27:29,687

We wait.

1330

01:27:31,720 --> 01:27:32,642

Yeah.

1331

01:27:35,920 --> 01:27:36,760

How you guys doing?

1332

01:27:36,840 --> 01:27:38,171

- [woman] Yeah, I'm good.

- [Jackson] Not too bad.

1333

01:27:38,440 --> 01:27:40,886

- Oh, perfect.

- Fine, but I gotta pee.

1334

01:27:43,720 --> 01:27:45,211

Mike, I know this isn't you, man.

1335

01:27:45,560 --> 01:27:49,884

Look, you say they set you up,
you got a witness, evidence.

1336

01:27:50,560 --> 01:27:52,767

- I believe you, but...

- But what?

1337

01:27:53,480 --> 01:27:55,687

It doesn't matter what I believe.
It's what I can prove.

1338

01:27:57,480 --> 01:27:59,520

Look, you want confirmation
on your family. I understand.

1339

01:27:59,600 --> 01:28:01,762

But from where I sit,

I say we end this thing right now.

1340

01:28:01,880 --> 01:28:04,247

Just give me what you got,
nobody else has to get hurt.

1341

01:28:04,960 --> 01:28:07,361

You telling me that
as a detective or a friend?

1342

01:28:09,400 --> 01:28:10,891

I don't know, Mike. What would you tell me?

1343

01:28:11,360 --> 01:28:12,282

[sighs]

1344

01:28:14,520 --> 01:28:16,090

We're running out of time, man.

1345

01:28:18,680 --> 01:28:21,240

Mike, I get it.

You wanna do the noble thing here.

1346

01:28:21,320 --> 01:28:23,607

But I got news for you.

There ain't no such thing as noble.

1347

01:28:33,640 --> 01:28:35,560

- It was you.

- What are you talking about?

1348

01:28:35,640 --> 01:28:38,211

You called me.

You knew about the witness. You...

1349

01:28:39,840 --> 01:28:41,046

You knew what they saw.

1350

01:28:41,360 --> 01:28:43,120

Yeah, I told you what happened.

1351

01:28:43,200 --> 01:28:44,725

It was a cop who killed him.

1352

01:28:46,360 --> 01:28:48,761

- You set me up.

- Hey, slow down, Mike.

1353

01:28:49,480 --> 01:28:51,164

You killed Enrique Mendez.

1354

01:28:51,720 --> 01:28:53,240

You knew Prynne was getting on this train.

1355

01:28:53,320 --> 01:28:54,160

I... I...

1356

01:28:54,240 --> 01:28:55,680

- You targeted me.

- Mike...

1357

01:28:55,760 --> 01:28:58,840

An ex-cop rides this train every day.

You knew.

1358

01:28:58,920 --> 01:29:00,040

Mike, whoever's talking to you,

1359

01:29:00,120 --> 01:29:01,611

- they're trying to get in your...

- Son of a...

1360

01:29:02,280 --> 01:29:03,691

- [people exclaim]

- You've lost it, man.

1361

01:29:04,200 --> 01:29:05,440

Talk, God damn it. Talk!

1362

01:29:06,240 --> 01:29:07,680

[sniper] *Friendly's engaged with the target.*

1363

01:29:07,760 --> 01:29:09,720

I repeat, friendly's

engaged with the target.

1364

01:29:09,800 --> 01:29:12,000

Do not fire until you get a clear shot.

1365

01:29:12,080 --> 01:29:13,207

And say what?

1366

01:29:14,080 --> 01:29:16,447

That you killed three people, a fed?

1367

01:29:16,800 --> 01:29:18,962

You derailed a train

and took the passengers hostage,

1368

01:29:19,080 --> 01:29:21,760

all 'cause some mystery woman

threatened your family?

1369

01:29:21,840 --> 01:29:23,171

You did this.

1370

01:29:23,400 --> 01:29:25,084

Doesn't look that way, does it?

1371

01:29:25,640 --> 01:29:29,440

So why don't you put down the gun

before someone you love gets hurt?

1372

01:29:29,920 --> 01:29:32,127

Where are they? Where's my family?

1373

01:29:35,640 --> 01:29:37,529

I will kill you, Murph. I swear to God.

1374

01:29:37,640 --> 01:29:40,120

Okay, okay, okay.

I'm trying to help you here.

1375

01:29:40,960 --> 01:29:42,760

A lot of powerful people
have got a lot to lose

1376

01:29:42,840 --> 01:29:44,080

if that evidence gets out.

1377

01:29:44,160 --> 01:29:46,920

They have eyes everywhere,
even inside the Bureau.

1378

01:29:47,000 --> 01:29:48,920

I told them to put the witness
on your train.

1379

01:29:49,000 --> 01:29:50,320

I thought I was doing you a favor.

1380

01:29:50,400 --> 01:29:51,322

You needed the money.

1381

01:29:51,720 --> 01:29:53,484

But you couldn't just do
what she asked, could you?

1382

01:29:53,760 --> 01:29:55,285

[cell phone ringing]

1383

01:29:57,440 --> 01:29:59,480

[breathes heavily]

1384

01:29:59,560 --> 01:30:02,291

If I don't answer that, your family dies.

1385

01:30:04,760 --> 01:30:06,091

So, why don't you give me the gun?

1386

01:30:07,800 --> 01:30:09,291

You got no choice, Mike.

1387

01:30:12,240 --> 01:30:13,367

It doesn't have to end this way.

1388

01:30:14,000 --> 01:30:15,127

[continues ringing]

1389

01:30:15,560 --> 01:30:17,528

Come on. Karen, Danny...

1390

01:30:17,640 --> 01:30:19,244

Don't you dare say their names.

1391

01:30:19,960 --> 01:30:20,882

[breathing heavily]

1392

01:30:22,920 --> 01:30:24,047

You've done enough, Mike.

1393

01:30:25,160 --> 01:30:26,969

[continues ringing]

1394

01:30:33,800 --> 01:30:35,131

- [Joanna] <i>Is it done?</i>

- We're good.

1395

01:30:35,360 --> 01:30:36,282

<i>You know what to do.</i>

1396

01:30:41,000 --> 01:30:44,368

See, the thing is, Mike...

I got a family, too, you know.

1397

01:30:45,640 --> 01:30:47,370

- All right, who's Pryne?

- [all clamoring]

1398

01:30:50,240 --> 01:30:52,891

- [Michael] Murph, listen to me.

- All I gotta do is call her back, Mike.

1399

01:30:57,760 --> 01:30:58,682

Come on.

1400

01:31:03,960 --> 01:31:04,882

All right, who's Prynne?

1401

01:31:08,920 --> 01:31:09,887

Who's Prynne?

1402

01:31:13,520 --> 01:31:15,682

Mike, who's Prynne?

1403

01:31:19,600 --> 01:31:20,647

Who's Prynne?

1404

01:31:25,160 --> 01:31:26,082

[Sofia] It's me.

1405

01:31:33,240 --> 01:31:34,162

I'm Prynne.

1406

01:31:38,200 --> 01:31:40,646

No, man. She's covering for me.

1407

01:31:42,920 --> 01:31:44,684

- I am Prynne.

- Wait.

1408

01:31:48,600 --> 01:31:51,160

I'm the witness. I'm Prynne.

1409

01:31:51,240 --> 01:31:54,360

No. I'm Prynne.

1410

01:31:54,440 --> 01:31:58,127

They're lying. I'm Prynne,
and I know what you did, you bastard.

1411

01:31:59,960 --> 01:32:02,327

I am not Prynne, so...

1412

01:32:05,600 --> 01:32:07,360

No one is. It's gotta be someone.

1413

01:32:07,440 --> 01:32:09,000

- [groans]

- [passengers screaming]

1414

01:32:09,080 --> 01:32:10,923

[both grunting]

1415

01:32:12,320 --> 01:32:14,050

- You get a shot, take him out.

- Roger.

1416

01:32:16,400 --> 01:32:17,322

- [bones crack]

- [groans]

1417

01:32:27,160 --> 01:32:28,127

Leave it.

1418

01:32:29,160 --> 01:32:30,127

[Alex grunts]

1419

01:32:31,320 --> 01:32:32,287

[groans]

1420

01:32:34,280 --> 01:32:35,247

[both grunting]

1421

01:32:36,200 --> 01:32:37,280

[groaning]

1422

01:32:37,360 --> 01:32:38,964

[Sofia screaming]

1423

01:32:40,640 --> 01:32:41,562

[gasps]

1424

01:32:41,960 --> 01:32:43,610

[both grunting]

1425

01:32:52,440 --> 01:32:54,044

[both grunting]

1426

01:33:03,200 --> 01:33:04,122

[thuds]

1427

01:33:05,880 --> 01:33:06,802

[police radio chatter]

1428

01:33:10,480 --> 01:33:11,368

[Michael] Murph.

1429

01:33:12,440 --> 01:33:13,771

[both grunting]

1430

01:33:16,840 --> 01:33:20,561

Overwatch, do you have a shot?

Repeat, do you have a shot?

1431

01:33:22,000 --> 01:33:22,922

[sniper] *Negative.*

1432

01:33:23,400 --> 01:33:24,520

Watch the hostages.

1433

01:33:24,600 --> 01:33:26,120

- <i>Watch the friendly.</i>

- Holding fire.

1434

01:33:26,200 --> 01:33:27,760

What are you gonna do, kill all of us?

1435

01:33:27,840 --> 01:33:29,524

- No, you are.

- [Michael groans]

1436

01:33:32,120 --> 01:33:33,087

[sniper] <i>Target is clear.</i>

1437

01:33:34,680 --> 01:33:35,681

Take him out.

1438

01:33:45,440 --> 01:33:47,283

[indistinct shouting]

1439

01:33:47,720 --> 01:33:49,120

- No gun.

- Get down!

1440

01:33:49,200 --> 01:33:51,168

[SWAT 1] Do not move! Stay down!

1441

01:33:52,160 --> 01:33:53,480

- Do not move!

- [SWAT 2] Against the wall!

1442

01:33:53,560 --> 01:33:55,528

Get down! Get down!

1443

01:33:58,240 --> 01:34:00,925

- All the way down!

- Stop! Stop! Stop!

1444

01:34:01,560 --> 01:34:02,482

He saved me!

1445

01:34:03,560 --> 01:34:05,927

- He saved me.

- Prynne?

1446

01:34:18,040 --> 01:34:20,008

MacCauley? Michael MacCauley?

1447

01:34:20,800 --> 01:34:21,688

Yeah.

1448

01:34:22,560 --> 01:34:26,000

I'm Agent Garcia, FBI. Your family's safe.

1449

01:34:26,080 --> 01:34:28,128

We arrested three men outside your home.

1450

01:34:31,800 --> 01:34:33,450

- [police radio chatter]

- [sirens wailing]

1451

01:34:43,880 --> 01:34:44,927

[Garcia] He was your cousin?

1452

01:34:46,400 --> 01:34:47,322

Tell me what you saw.

1453

01:34:49,800 --> 01:34:51,131

- Thanks.

- Okay.

1454

01:34:51,560 --> 01:34:53,563

[man] This way, please. Watch your step.

1455

01:34:57,400 --> 01:34:59,880

- So, this is the end of the line.

- I guess so.

1456

01:35:00,360 --> 01:35:02,010

[Jackson] Next time I'm taking the bus.

1457

01:35:03,480 --> 01:35:06,211

All I know is this, all right?

That guy is a goddamn hero.

1458

01:35:07,120 --> 01:35:08,645

- Okay? A hero. Write that down.

- Yeah.

1459

01:35:08,880 --> 01:35:10,120

[Tony] H-E-R-O. Hero.

1460

01:35:11,320 --> 01:35:12,890

A hero. Did you write it?

1461

01:35:13,240 --> 01:35:14,924

- [Agent] "Hero."

- [Tony] Thank you.

1462

01:35:15,280 --> 01:35:16,645

[indistinct conversations]

1463

01:35:20,640 --> 01:35:22,324

So, what's up? You got a boyfriend or what?

1464

01:35:22,800 --> 01:35:23,847

[laughs] What?

1465

01:35:25,040 --> 01:35:25,960

- Yeah.

- Yeah?

1466

01:35:26,040 --> 01:35:27,240

- Is it serious?

- [laughs]

1467

01:35:27,320 --> 01:35:29,320

I wanna know what I'm dealing with,
you know what I mean?

1468

01:35:29,400 --> 01:35:31,368

- Hi, darling.

- Hey, babe.

1469

01:35:32,120 --> 01:35:34,040

[Karen] Oh, my God.

Look at you. Are you okay?

1470

01:35:34,120 --> 01:35:36,805

- I'm all right. Hey, big guy.

- Hey, Dad.

1471

01:35:37,280 --> 01:35:38,202

How you doing?

1472

01:35:39,520 --> 01:35:44,401

Oh, Mrs. MacCauley,
I believe you may have lost this.

1473

01:35:45,560 --> 01:35:47,164
I've been looking for this all day.

1474

01:35:47,480 --> 01:35:50,723
- Shall we get you home?
- Yeah, let's go home.

1475

01:35:51,080 --> 01:35:54,040
So, this is what you do every day
when you go to work, huh?

1476

01:35:54,120 --> 01:35:55,929
- Yeah, every day.
- [laughs]

1477

01:35:56,560 --> 01:35:58,164
- Come on, help me up. Ooh.
- Aw.

1478

01:36:01,720 --> 01:36:03,370

[Karen] I can't believe what they're saying.

1479

01:36:03,920 --> 01:36:05,365

Is it really true about Murph?

1480

01:36:08,560 --> 01:36:11,291

Give me a second, will you?

Give me a second.

1481

01:36:17,600 --> 01:36:18,520

David.

1482

01:36:18,600 --> 01:36:22,040

I have to tell you,

there's been an ongoing investigation

1483

01:36:22,120 --> 01:36:24,960

into Alex Murphy

and others in the department.

1484

01:36:25,040 --> 01:36:27,646

- There was a woman.

- Female, mid-30s.

1485

01:36:28,560 --> 01:36:31,370

We're checking CCTV

in and around 86th Street, right?

1486

01:36:32,040 --> 01:36:34,850

- Yeah.

- When we know, you'll know.

1487

01:36:37,640 --> 01:36:40,166

What can I say? I'm sorry it got this far.

1488

01:36:44,720 --> 01:36:46,211

Listen, uh, Mike...

1489

01:36:47,800 --> 01:36:49,882

We miss guys like you in the department.

1490

01:36:50,400 --> 01:36:51,731

Guys that do it right.

1491

01:36:58,440 --> 01:37:00,160

[reporter 1] *<i>More details are emerging now</i>*

1492

01:37:00,240 --> 01:37:01,800

<i>in the wake of that

Hudson North derailment...</i>

1493

01:37:01,880 --> 01:37:02,720

[reporter 2] *<i>A federal witness</i>*

1494

01:37:02,800 --> 01:37:05,160

<i>reportedly turned over evidence

to authorities...</i>

1495

01:37:05,240 --> 01:37:07,800

[reporter 3] *<i>Several NYPD officers</i>*

<i>have been implicated.</i>

1496

01:37:07,880 --> 01:37:08,688

<i>There is no evidence...</i>

1497

01:37:08,800 --> 01:37:10,609

[reporter 4] *<i>...the murder of</i>*

<i>a city planning official.</i>

1498

01:37:10,720 --> 01:37:13,160

[reporter 5]<i>...he attempted</i>

<i>to blow the whistle on a conspiracy.</i>

1499

01:37:13,240 --> 01:37:15,720

[reporter 6]<i>...believe this ties</i>

<i>to City Hall, to the Mayor's office...</i>

1500

01:37:15,800 --> 01:37:17,484

[reporter 7]

<i>...about accusations of collusion...</i>

1501

01:37:17,600 --> 01:37:19,760

[reporter 8] <i>And now a link</i>

<i>between city officials and at least...</i>

1502

01:37:19,840 --> 01:37:22,840

[reporter 9]<i>...corruption on a major</i>

<i>scale, and this mystery woman</i>

1503

01:37:22,920 --> 01:37:24,331

<i>who masterminded the derailment,</i>

1504

01:37:24,440 --> 01:37:25,646

<i>does she even exist?</i>

1505

01:37:38,200 --> 01:37:41,602

[Michael] "What makes a man
is what he does when the storm comes."

1506

01:37:42,320 --> 01:37:43,970

Alexandre Dumas.

1507

01:37:48,800 --> 01:37:50,240

Read that one a few years back.

1508

01:37:50,320 --> 01:37:52,482

It's got a hell of an ending.

This seat taken?

1509

01:37:54,000 --> 01:37:57,880

The 6:20 every morning to Chicago.

The 5:30 home.

1510

01:37:57,960 --> 01:38:00,611

You know, I never took you for a commuter.

1511

01:38:01,240 --> 01:38:02,321

I'm sorry. Have we met?

1512

01:38:02,720 --> 01:38:05,720

The way I figure it,
the people you work for,

1513

01:38:05,800 --> 01:38:08,724

Alex Murphy goes down, you win.

1514

01:38:09,440 --> 01:38:12,808

That 16-year-old girl
dies on that train, you win.

1515

01:38:14,120 --> 01:38:18,648

You do your job, disappear,
the rest of us, just collateral damage.

1516

01:38:21,560 --> 01:38:24,080

You didn't pick me

because the witness was on my train.

1517

01:38:24,160 --> 01:38:25,969

You put her on the train.

1518

01:38:26,520 --> 01:38:27,600

[chuckles]

1519

01:38:27,680 --> 01:38:29,569

Maybe you even got me fired.

1520

01:38:30,600 --> 01:38:33,683

Suddenly I have motive, opportunity,
just like Alex Murphy.

1521

01:38:34,560 --> 01:38:37,962

This wasn't his operation.

You played us both.

1522

01:38:43,920 --> 01:38:46,162

I'm not sure what you think
is gonna happen here, Michael.

1523

01:38:47,840 --> 01:38:49,729

One little thing.

1524

01:38:50,440 --> 01:38:51,362

And what's that?

1525

01:38:53,840 --> 01:38:55,046

[dramatic music playing]

1526

01:44:49,720 --> 01:44:50,960

[music ends]
