

Dialogues from The Witch to improve the vocabulary in English

2

00:00:59,320 --> 00:01:01,846

(INDISTINCT CHATTER)

3

00:01:07,720 --> 00:01:11,681

WILLIAM: What went we out
into this wilderness to find?

4

00:01:12,800 --> 00:01:16,691

Leaving our country, kindred...

5

00:01:18,160 --> 00:01:20,208

our father's houses?

6

00:01:23,640 --> 00:01:26,086

We travailed a vast ocean...

7

00:01:28,300 --> 00:01:31,020

For what? For what?

8

00:01:31,120 --> 00:01:32,780

GOVERNOR: We must ask thee to be silent.

9

00:01:32,880 --> 00:01:38,820

WILLIAM: Was it not for the pure
and faithful dispensation of the Gospels

10

00:01:39,720 --> 00:01:42,003

- and the Kingdom of God?
- DEPUTY GOVERNOR: No more!

11

00:01:42,120 --> 00:01:45,020

We are your judges, and not you ours.

12

00:01:45,120 --> 00:01:48,010

WILLIAM: I cannot be judged
by false Christians,

13

00:01:48,120 --> 00:01:52,580

for I have done nothing
save preach Christ through gospel.

14

00:01:52,680 --> 00:01:54,580

GOVERNOR: Must you continue to dishonor

15

00:01:54,680 --> 00:02:00,323

the laws of the commonwealth

and the church with your prideful conceit?

16

00:02:04,720 --> 00:02:08,020

WILLIAM: If my conscience sees it fit.

17

00:02:08,120 --> 00:02:12,523

GOVERNOR: Then shall you be banished

from this plantation's liberties!

18

00:02:16,840 --> 00:02:19,320

WILLIAM: I would be glad on it.

19

00:02:21,560 --> 00:02:26,043

GOVERNOR: Then take your leave

and trouble us no further.

20

00:02:28,560 --> 00:02:33,043

WILLIAM: How sadly hath the Lord
testified against you.

21

00:02:38,600 --> 00:02:40,045

Katherine.

22

00:02:44,600 --> 00:02:46,260

Thomasin.

23

00:02:46,360 --> 00:02:48,647

Come.

24

00:03:15,080 --> 00:03:20,380

KATHERINE:

I will confess Jehovah with all heart

25

00:03:20,480 --> 00:03:26,820

In secret and in assembly of the just...

26

00:03:26,920 --> 00:03:28,922

(SINGING CONTINUES, DISTANT)

27

00:04:48,160 --> 00:04:52,688

(DOGS BARKING)

28

00:04:58,400 --> 00:05:03,167

I here confess I've lived in sin.

29

00:05:03,320 --> 00:05:09,043

I've been idle of my work,
disobedient to my parents,

30

00:05:09,160 --> 00:05:11,401

neglectful of my prayer.

31

00:05:13,400 --> 00:05:18,620

I have, in secret, played upon my Sabbath.

32

00:05:18,720 --> 00:05:22,361

And broken every one of thy
commandments in thought.

33

00:05:24,240 --> 00:05:28,928

Followed the desires of mine
own will, and not the Holy Spirit.

34

00:05:31,960 --> 00:05:35,726

I know I deserve more shame
and misery in this life...

35

00:05:36,720 --> 00:05:39,690

and everlasting hellfire.

36

00:05:42,120 --> 00:05:47,604

But I beg Thee...

for the sake of Thy Son...

37

00:05:48,840 --> 00:05:53,740

forgive me, show me mercy,

38

00:05:53,840 --> 00:05:56,571

show me Thy light.

39

00:05:57,360 --> 00:05:58,660

(BABY CRYING)

40

00:05:58,760 --> 00:06:00,285

Thomasin.

41

00:06:27,600 --> 00:06:28,940

THOMASIN: Boo!

42

00:06:29,040 --> 00:06:33,090

(LAUGHING) There you are, there you are.

43

00:06:34,920 --> 00:06:36,220

Boo!

44

00:06:36,320 --> 00:06:38,700

(GIGGLING)

45

00:06:38,800 --> 00:06:40,802

Where is Sam? Where is Sam?

46

00:06:40,920 --> 00:06:43,764

Where is that little man?

47

00:06:43,880 --> 00:06:45,900

Boo! (GIGGLING)

48

00:06:46,000 --> 00:06:48,900

There you are, there you are.

49

00:06:49,000 --> 00:06:51,100

(GIGGLING)

50

00:06:51,200 --> 00:06:53,009

Boo!

51

00:06:57,520 --> 00:06:59,682

Sam.

52

00:07:01,680 --> 00:07:04,604

Samuel!

53

00:07:25,760 --> 00:07:29,242

(BABY FUSSING)

54

00:09:35,560 --> 00:09:37,767

(SOBBING)

55

00:09:57,600 --> 00:09:59,887

(SOBBING CONTINUES)

56

00:10:08,120 --> 00:10:10,168

(MOANS)

57

00:10:21,440 --> 00:10:23,283

(MOANS)

58

00:10:29,560 --> 00:10:34,646

Thomasin.

59

00:10:37,960 --> 00:10:41,646

(CRYING)

60

00:10:47,040 --> 00:10:49,660

Sleep.

61

00:10:49,760 --> 00:10:54,402

All will be well, sleep.

62

00:11:04,080 --> 00:11:06,811

(CRYING)

63

00:11:09,240 --> 00:11:12,323

(ROOSTER CROWS)

64

00:11:15,200 --> 00:11:18,363

(PRAYING INDISTINCT)

65

00:11:29,440 --> 00:11:33,331

(ROOSTER CROWS)

66

00:11:54,560 --> 00:11:56,244

Caleb.

67

00:11:56,360 --> 00:11:59,100

God give you good morrow.

68

00:11:59,200 --> 00:12:01,540

All are still a-bed.

69

00:12:01,640 --> 00:12:04,041

Save Mother.

70

00:12:04,160 --> 00:12:07,060

Tis no ease to rise on a gray day.

71

00:12:07,160 --> 00:12:09,845

The Devil holds fast your eyelids.

72

00:12:12,600 --> 00:12:14,728

- I'll wake em.

- No, let em be.

73

00:12:16,640 --> 00:12:20,964

Thy Mother's not slept a night since...

74

00:12:25,880 --> 00:12:30,568

We can search no more, Caleb. We cannot.

75

00:12:32,160 --> 00:12:35,323

If not a wolf, then hunger
would have taken him yet.

76

00:12:43,880 --> 00:12:45,644

Let's to the wood.

77

00:12:45,760 --> 00:12:48,300

Been a'layin traps for some while now,

78

00:12:48,400 --> 00:12:50,540

even before this new misery.

79

00:12:50,640 --> 00:12:52,180

Within the wood?

80

00:12:52,280 --> 00:12:54,460

Will thou not help thy father?

81

00:12:54,560 --> 00:12:57,803

You and Mother have always

forbade us to set foot there.

82

00:12:58,840 --> 00:13:02,940

Caleb, our harvest cannot last the winter.

83

00:13:03,040 --> 00:13:06,980

We must catch our food
if we cannot grow it.

84

00:13:07,080 --> 00:13:10,801

We will conquer this wilderness.
It will not consume us.

85

00:13:38,480 --> 00:13:42,280

(CHILDREN PLAYING)

86

00:13:48,320 --> 00:13:52,086

(WHISPERING PRAYERS)

87

00:14:06,720 --> 00:14:09,564

(CRYING)

88

00:14:35,800 --> 00:14:38,300

WILLIAM: Aren't thou then born a sinner?

89

00:14:38,400 --> 00:14:43,281

CALEB: Aye, I was conceived in sin
and born in iniquity.

90

00:14:45,040 --> 00:14:47,620

WILLIAM: Then what is thy birth sin?

91

00:14:47,720 --> 00:14:52,420

Adam's sin imputed to me and a corrupt
nature dwelling within me.

92

00:14:52,520 --> 00:14:56,540

WILLIAM:

Well remembered, Caleb, very well.

93

00:14:56,640 --> 00:14:59,220

And canst thou tell me
what thy corrupt nature is?

94

00:14:59,320 --> 00:15:02,380

My corrupt nature is empty of grace,

95

00:15:02,480 --> 00:15:07,460

bent unto sin, only unto sin
and that continually.

96

00:15:07,560 --> 00:15:09,369

WILLIAM: Soft now.

97

00:15:23,000 --> 00:15:24,843

We must lay it again.

98

00:15:43,400 --> 00:15:47,724

Was, was Samuel born a sinner?

99

00:15:47,840 --> 00:15:49,180

Aye.

100

00:15:49,280 --> 00:15:50,645

Am I then...

101

00:15:50,760 --> 00:15:54,220

We pray he hath entered God's Kingdom.

102

00:15:54,320 --> 00:15:55,660

What wickedness hath he done?

103

00:15:55,760 --> 00:15:57,780

Place faith in God, Caleb.

104

00:15:57,880 --> 00:16:00,500

We'll speak no more on thy brother.

105

00:16:00,600 --> 00:16:02,420

Why?

106

00:16:02,520 --> 00:16:05,285

He hath disappeared, not one week passed.

107

00:16:05,400 --> 00:16:07,420

Yet you and Mother utter not his name.

108

00:16:07,520 --> 00:16:09,500

He's gone, Caleb.

109

00:16:09,600 --> 00:16:12,420

- Tell me!

- Tell thee what?

110

00:16:12,520 --> 00:16:14,340

- Is he in hell?

- Caleb!

111

00:16:14,440 --> 00:16:16,408

Mother will not stop her prayer.

112

00:16:17,480 --> 00:16:19,580

And if I died, if I died this day...

113

00:16:19,680 --> 00:16:21,921

- What is this?

- I ought evil in me heart.

114

00:16:22,040 --> 00:16:23,620

- Me sins are not pardoned!

- Thou art youngly yet...

115

00:16:23,720 --> 00:16:25,620

And if God will not hear my prayers?!

116

00:16:25,720 --> 00:16:27,882

- Caleb!

- Tell me!

117

00:16:28,640 --> 00:16:33,260

Look you, I love thee marvelous well,

118

00:16:33,360 --> 00:16:34,780

but 'tis God alone, not man,

119

00:16:34,880 --> 00:16:37,884

what knows who is the son
of Abraham and who is not,

120

00:16:38,000 --> 00:16:41,100

who is good and who is evil.

121

00:16:41,200 --> 00:16:44,780

Fain would I tell thee
Sam sleeps in Jesus,

122

00:16:44,880 --> 00:16:47,540

that thou wilt, that I will.

123

00:16:47,640 --> 00:16:51,565

But I cannot tell thee that. None can.

124

00:16:56,240 --> 00:16:58,540

Caleb?

125

00:16:58,640 --> 00:17:00,927

Where are these from?

126

00:17:01,040 --> 00:17:03,884

From Indian Tom and old Slater,
when last they past through.

127

00:17:04,040 --> 00:17:05,769

What did you trade?

128

00:17:08,040 --> 00:17:09,724

Thy Mother's silver cup.

129

00:17:31,080 --> 00:17:32,366

(EGG CRACKS)

130

00:17:40,040 --> 00:17:43,740

Speak none of this to Mother. None.

131

00:17:43,840 --> 00:17:46,286

She's overwrought already.

132

00:17:47,280 --> 00:17:51,140

I'll tell her of the cup
when her grief has passed.

133

00:17:51,240 --> 00:17:54,340

Let's not speak on this again.

134

00:17:54,440 --> 00:17:56,124

Aye.

135

00:17:58,280 --> 00:17:59,520

(WHISTLING)

136

00:17:59,640 --> 00:18:02,020

Fowler!

137

00:18:02,120 --> 00:18:04,140

Fool of an animal.

138

00:18:04,240 --> 00:18:05,900

Fowler!

139

00:18:06,000 --> 00:18:07,860

(DOG BARKS)

140

00:18:07,960 --> 00:18:10,380

Fowler, what's this?

141

00:18:10,480 --> 00:18:12,881

(DOG BARKING)

142

00:18:15,480 --> 00:18:17,881

Praise be to God. Make haste, Caleb.

143

00:18:19,560 --> 00:18:20,780

(DOG BARKING)

144

00:18:20,880 --> 00:18:22,484

Fie upon't!

145

00:18:23,600 --> 00:18:26,700

- Father, it died.

- The other end.

146

00:18:26,800 --> 00:18:30,282

(DOG BARKING)

147

00:18:39,360 --> 00:18:41,283

- (GUN SHOT)

- (YELLS)

148

00:18:44,200 --> 00:18:46,260

Father?

149

00:18:46,360 --> 00:18:48,140

Father!

150

00:18:48,240 --> 00:18:50,180

(GROANS)

151

00:18:50,280 --> 00:18:51,700

Fowler.

152

00:18:51,800 --> 00:18:55,420

Black Phillip, Black Phillip,
a crown grows on his head

153

00:18:55,520 --> 00:18:59,002

Black Phillip, Black Phillip
to nanny queen is wed

154

00:18:59,120 --> 00:19:01,340

Jump to the fence post...

155

00:19:01,440 --> 00:19:05,420

- Jonas! Mercy! Come hither!
- Black Phillip, Black Phillip

156

00:19:05,520 --> 00:19:07,740

King of all...

157

00:19:07,840 --> 00:19:10,366

Jonas! Mercy!

158

00:19:11,000 --> 00:19:14,460

Black Phillip, Black Phillip,
king of sky and land

159

00:19:14,560 --> 00:19:18,100

Black Phillip, Black Phillip,
king of sea and sand

160

00:19:18,200 --> 00:19:21,780

We are ye servants, we are ye men

161

00:19:21,880 --> 00:19:25,771

Black Phillip eats the lions
from the lions' den.

162

00:19:28,840 --> 00:19:32,447

Black Phillip, Black Phillip,
a crown grows on his head...

163

00:19:49,440 --> 00:19:51,568

(DOG BARKING)

164

00:19:52,680 --> 00:19:55,340

Get back! You two, stop that!

165

00:19:55,440 --> 00:19:57,380

Phillip, back!

166

00:19:57,480 --> 00:20:00,940

(KIDS SCREAMING)

167

00:20:01,040 --> 00:20:02,485

KATHERINE: Heavens bless us!

168

00:20:03,920 --> 00:20:05,180

(DOG BARKING)

169

00:20:05,280 --> 00:20:07,123

Caleb, hold the gate.

170

00:20:10,120 --> 00:20:11,740

Caleb!

171

00:20:11,840 --> 00:20:14,047

- (GROWLING)

- Get in!

172

00:20:16,560 --> 00:20:17,820

Oh.

173

00:20:17,920 --> 00:20:19,888

(LAUGHING)

174

00:20:23,440 --> 00:20:25,647

I'll have thee quiet.

175

00:20:26,800 --> 00:20:29,060

Wither were you and Caleb this morn?

176

00:20:29,160 --> 00:20:30,380

How could you disappear?

177

00:20:30,480 --> 00:20:34,300

And thee, I told thee to keep
watch of Jonas and Mercy.

178

00:20:34,400 --> 00:20:36,980

I was, and I bade them help me
and they paid me no mind.

179

00:20:37,080 --> 00:20:39,300

- I was a-getting...
- What's the matter with thee, Thomasin?

180

00:20:39,400 --> 00:20:41,380

What is the matter with thee?

181

00:20:41,480 --> 00:20:44,300

Take thy father's rags to
the brook and wash them.

182

00:20:44,400 --> 00:20:47,260

- They would pay me no mind.
- And brush out his woolens.

183

00:20:47,360 --> 00:20:48,646

Help him!

184

00:20:52,680 --> 00:20:57,900

Wee one, it gave me such
a fright to find thee gone.

185

00:20:58,000 --> 00:20:59,889

I will not be left here alone. Dost hear?

186

00:21:01,280 --> 00:21:04,940

A morning's work is well behindhand.

187

00:21:05,040 --> 00:21:07,168

Jonas, leave thy sister be.

188

00:21:07,280 --> 00:21:09,965

- She likes it.

- William.

189

00:21:10,960 --> 00:21:13,460

What, can't a father spend
Godly time with his son?

190

00:21:13,560 --> 00:21:14,780

Jonas!

191

00:21:14,880 --> 00:21:17,460

- Father said stop it.

- Thomasin!

192

00:21:17,560 --> 00:21:19,164

- Stop.

- Stop it!

193

00:21:19,280 --> 00:21:21,169

Each of ya, stop it.

194

00:21:21,280 --> 00:21:22,820

Thomasin, take the twins inside.

195

00:21:22,920 --> 00:21:24,604

BOTH: No!

196

00:21:24,720 --> 00:21:28,327

Get inside, get inside, get inside.

197

00:21:29,480 --> 00:21:31,801

As you like.

198

00:21:32,280 --> 00:21:34,726

We went to find apples!

199

00:21:36,840 --> 00:21:38,171

In the valley.

200

00:21:38,280 --> 00:21:40,980

I thought I seen an apple tree
in the valley.

201

00:21:41,080 --> 00:21:44,060

Father brought the gun,
for if we glanced that wolf...

202

00:21:44,160 --> 00:21:46,420

Why did you not tell me?

203

00:21:46,520 --> 00:21:48,921

Father wanted it a surprise,
to cheer you, and...

204

00:21:50,360 --> 00:21:52,931

but there were none.

205

00:21:53,040 --> 00:21:54,849

I thought I seen em.

206

00:21:55,400 --> 00:21:57,528

(SIGH)

207

00:22:00,640 --> 00:22:05,500

I like you not outside
the farm, even to the valley.

208

00:22:05,600 --> 00:22:07,841

Dost hear me?

209

00:22:10,680 --> 00:22:15,447

Caleb, be a good lad
and get some water for thy Mother.

210

00:22:15,560 --> 00:22:18,370

Stray not from the brook.

211

00:23:11,440 --> 00:23:13,124

Why are you dallying?

212

00:23:19,520 --> 00:23:21,045

What then?

213

00:23:23,560 --> 00:23:25,005

What?

214

00:23:27,200 --> 00:23:30,602

Caleb? Caleb!

215

00:23:31,320 --> 00:23:32,560

Stop it.

216

00:23:32,680 --> 00:23:34,603

I meant no harm in it.

217

00:23:36,720 --> 00:23:38,404

What's the matter with thee?

218

00:23:40,520 --> 00:23:41,760

Come hither.

219

00:23:46,680 --> 00:23:49,540

What's the matter with thee, eh?

220

00:23:49,640 --> 00:23:52,246

Shh.

221

00:23:56,520 --> 00:24:00,220

I've seen no apples
since we went from England.

222

00:24:00,320 --> 00:24:02,420

I would thou hadst found them.

223

00:24:02,520 --> 00:24:04,180

I so wish for one.

224

00:24:04,280 --> 00:24:05,580

(MAKES BITING SOUND)

225

00:24:05,680 --> 00:24:07,250

(LAUGHING)

226

00:24:08,280 --> 00:24:09,611

(RUSTLING)

227

00:24:11,840 --> 00:24:13,060

Hear that?

228

00:24:13,160 --> 00:24:14,491

Aye.

229

00:24:16,720 --> 00:24:17,940

Who's there?

230

00:24:18,040 --> 00:24:20,020

MERCY: I be the Witch of the Wood!

231

00:24:20,120 --> 00:24:21,540

Mercy, come out.

232

00:24:21,640 --> 00:24:23,324

I be not Mercy,

233

00:24:23,480 --> 00:24:27,420

I be the Witch of the Wood

and I have come to steal ye.

234

00:24:27,520 --> 00:24:30,420

Hear me stick a-flying through the trees:

235

00:24:30,520 --> 00:24:33,220

Clickety-clackity, clickety-clackity!

236

00:24:33,320 --> 00:24:35,420

- Mercy!

- Clickety-clackity.

237

00:24:35,520 --> 00:24:36,900

Why is't when thou dost a wrong,

238

00:24:37,000 --> 00:24:39,100

I be a-washin Father's clothes

like a slave,

239

00:24:39,200 --> 00:24:41,820

- and thou art playing idle?

- Because Mother hates you.

240

00:24:41,920 --> 00:24:44,540

Spoilt child. I'll tell Mother

you've left the farm alone.

241

00:24:44,640 --> 00:24:46,802

Black Phillip saith I can do what I like.

242

00:24:46,920 --> 00:24:48,300

Devil take your Black Phillip.

243

00:24:48,400 --> 00:24:50,460

It's your fault I can't leave the yard.

244

00:24:50,560 --> 00:24:53,860

I could go to the brook

before you let The Witch take Sam.

245

00:24:53,960 --> 00:24:56,020

- Quiet, thee.

- It were a wolf stole Sam.

246

00:24:56,120 --> 00:24:59,363

A witch. I've seen her in her
riding cloak, about the wood.

247

00:24:59,480 --> 00:25:02,140

- Father showed me the tracks.

- It was a witch.

248

00:25:02,240 --> 00:25:07,980

Aye, it was a witch,

Mercy, you speak aright.

249

00:25:08,080 --> 00:25:09,660

- Thomasin!

- It was I.

250

00:25:09,760 --> 00:25:11,060

Liar.

251

00:25:11,160 --> 00:25:15,540

Twass I what stole him,
I be the witch of the wood.

252

00:25:15,640 --> 00:25:18,660

- Liar! Liar!
- I am.

253

00:25:18,760 --> 00:25:20,500

List not to her, Mercy.

254

00:25:20,600 --> 00:25:22,780

I am that very witch.

255

00:25:22,880 --> 00:25:26,340

When I sleep, my spirit slips
away from my body

256

00:25:26,440 --> 00:25:29,180

and dances naked with The Devil.

257

00:25:29,280 --> 00:25:31,860

- That's how I signed his book.

- No.

258

00:25:31,960 --> 00:25:34,100

He bade me bring him an unbaptized babe,

259

00:25:34,200 --> 00:25:38,340

so I stole Sam

and I gave him to me master.

260

00:25:38,440 --> 00:25:41,700

And I'll make any man

or thing else vanish I like.

261

00:25:41,800 --> 00:25:43,500

- No.

- Aye.

262

00:25:43,600 --> 00:25:45,660

And I'll vanish thee, too,

if thou displeaseth me.

263

00:25:45,760 --> 00:25:48,500

- Be quiet!

- Mercy, she's but telling fantasies.

264

00:25:48,600 --> 00:25:51,700

Perchance I boil and bake thee
since we're lack of food.

265

00:25:51,800 --> 00:25:53,900

- No!

- Stop, Thomasin!

266

00:25:54,000 --> 00:25:55,820

- It's not true!

- It is, thou thing!

267

00:25:55,920 --> 00:25:57,820

How I crave to sink my teeth
into thy pink flesh.

268

00:25:57,920 --> 00:25:58,900

(SCREAMING)

269

00:25:59,000 --> 00:26:00,820

If ever thou tellst thy Mother of this,

270

00:26:00,920 --> 00:26:03,100

I'll witch thee and thy Mother!

And Jonas too!

271

00:26:03,200 --> 00:26:05,140

- Caleb!

- Stop thy tears and swear by silence.

272

00:26:05,240 --> 00:26:07,380

- I swear it.

- You'll not tell Mother nor father.

273

00:26:07,480 --> 00:26:10,060

- I swear.

- Thomasin! Let her alone.

274

00:26:10,160 --> 00:26:13,562

Get away from her, Caleb,

or she'll witch thee!

275

00:26:16,280 --> 00:26:19,329

Why tell Mercy those horrible fantasies?

276

00:26:19,640 --> 00:26:24,089

- Dost thou hate me now too?

- It was a wolf stole Sam.

277

00:26:26,240 --> 00:26:29,420

Leave me be. Go tell Mother
and father of my wickedness.

278

00:26:29,520 --> 00:26:33,320

- Thomasin...

- I hate thy pity. I need it not.

279

00:26:40,920 --> 00:26:43,900

And forgive us the sins we have
this day committed against thee,

280

00:26:44,000 --> 00:26:47,700

free us from the shame and torment
which are due unto us, Father.

281

00:26:47,800 --> 00:26:51,300

We beseech thee, increase our faith

in the promise of the Gospel,

282

00:26:51,400 --> 00:26:55,220

our fear of thy name

and the hatred of all our sins,

283

00:26:55,320 --> 00:26:58,780

that we may be assured that

the Holy Spirit dwells in us.

284

00:26:58,880 --> 00:27:02,100

That we might be thy children

in thy love and mercy,

285

00:27:02,200 --> 00:27:04,820

but as we hunger

for this food of our bodies

286

00:27:04,920 --> 00:27:08,740

so our souls hunger

for the food of eternal life.

287

00:27:08,840 --> 00:27:13,289

Finish soon our days of sin,
and bring us to eternal peace

288

00:27:13,400 --> 00:27:15,940

through the purifying blood of Thy Son,

289

00:27:16,040 --> 00:27:20,260

our Lord and only Savior Jesus Christ.

290

00:27:20,360 --> 00:27:22,966

- Amen.

- ALL: Amen.

291

00:27:58,800 --> 00:28:02,327

Thomasin, what's thou done
with the silver cup?

292

00:28:03,960 --> 00:28:06,380

THOMASIN: Is't not on the shelf?

293

00:28:06,480 --> 00:28:08,323

Nay.

294

00:28:10,200 --> 00:28:11,460

In the six board, then.

295

00:28:11,560 --> 00:28:14,580

T'ain't there neither.

296

00:28:14,680 --> 00:28:17,286

It's been disappeared for some while.

297

00:28:18,320 --> 00:28:19,606

Didst lose it?

298

00:28:21,400 --> 00:28:22,731

I've not touched it.

299

00:28:25,080 --> 00:28:26,820

Where has it gone then?

300

00:28:26,920 --> 00:28:28,140

THOMASIN: I haven't touched it.

301

00:28:28,240 --> 00:28:30,180

KATHERINE: I've caught thee
trifling with it before.

302

00:28:30,280 --> 00:28:32,851

She says she haven't touched it,
Katherine.

303

00:28:34,200 --> 00:28:37,380

How thou couldst lose my father's
silver wine cup in this hovel,

304

00:28:37,480 --> 00:28:38,820

- I cannot know.

- I haven't touched it.

305

00:28:38,920 --> 00:28:41,764

Peace, child. It's gone.

306

00:28:42,760 --> 00:28:44,967

Did a wolf vanish that too?

307

00:28:50,320 --> 00:28:52,243

She haven't touched it, Katherine.

308

00:28:58,320 --> 00:29:02,245

What is amiss on this farm? Hmm?

309

00:29:03,360 --> 00:29:04,600

It is not natural.

310

00:29:16,080 --> 00:29:21,484

Caleb, will thou read out
a chapter of the Word tonight?

311

00:29:23,680 --> 00:29:27,180

We must find some light in our darkness.

312

00:29:27,280 --> 00:29:30,807

Tomorrow we will have a fast day
but for our sins.

313

00:29:34,640 --> 00:29:37,484

(SHEEP BLEATING)

314

00:29:39,040 --> 00:29:44,410

Thomasin, dist not bed them down
before supper?

315

00:29:44,800 --> 00:29:46,180

Baah, baah.

316

00:29:46,280 --> 00:29:47,520

(LAUGHING)

317

00:29:52,200 --> 00:29:53,740

(DOOR CREAKING)

318

00:29:53,840 --> 00:29:56,605

(SHEEP BLEATING)

319

00:30:00,800 --> 00:30:02,802

(RUSTLING)

320

00:30:40,760 --> 00:30:45,340

Oh, Holy and blessed Spirit,
be with me and dwell in me heart.

321

00:30:45,440 --> 00:30:47,620

You must sleep tonight, Kate.

322

00:30:47,720 --> 00:30:51,964

This night and evermore, amen.

323

00:31:11,800 --> 00:31:14,060

Thou dost remember I love thee?

324

00:31:14,160 --> 00:31:15,491

(SNIFFING)

325

00:31:20,600 --> 00:31:22,011

I do.

326

00:31:23,000 --> 00:31:25,380

List me, Kate,

327

00:31:25,480 --> 00:31:29,724

I fear thou dost look

too much upon this affliction.

328

00:31:32,200 --> 00:31:37,081

We must turn our thoughts
towards God, not to ourselves.

329

00:31:40,800 --> 00:31:45,601

He hath never taken a child from us.
Never a one, Kate.

330

00:31:47,680 --> 00:31:50,490

Who might earn such grace?

331

00:31:54,320 --> 00:31:56,766

We have been grateful of God's love.

332

00:31:59,400 --> 00:32:01,180

KATHERINE: He hath cursed this family.

333

00:32:01,280 --> 00:32:02,566

No.

334

00:32:05,640 --> 00:32:10,420

He hath taken us

into a very low condition to humble us

335

00:32:10,520 --> 00:32:15,048

and to show us more of His grace.

336

00:32:16,760 --> 00:32:21,129

Was not Christ lead into the wilderness
to be ill met by the Devil?

337

00:32:22,080 --> 00:32:24,140

We should ne'er have left the plantation.

338

00:32:24,240 --> 00:32:25,540

Kate.

339

00:32:25,640 --> 00:32:28,300

- We should never have left!

- That damned church.

340

00:32:28,400 --> 00:32:32,769

- There's naught hither!

- Well, what need we? Silver chalices?

341

00:32:34,360 --> 00:32:37,740

How dare you chide me on a cup?

342

00:32:37,840 --> 00:32:41,060

Tis not for vanity

that I am grieved of it.

343

00:32:41,160 --> 00:32:43,208

(SNIFFING)

344

00:32:49,240 --> 00:32:50,580

Katherine, I must tell thee...

345

00:32:50,680 --> 00:32:53,180

- We might have sold it.

- What?

346

00:32:53,280 --> 00:32:57,001

What fool would trade for our corn?

347

00:32:57,120 --> 00:32:58,580

(SNIFFING)

348

00:32:58,680 --> 00:33:04,050

List me, our daughter hath begat
the sign of her womanhood.

349

00:33:06,600 --> 00:33:09,820

Thomasin? Caleb?

350

00:33:09,920 --> 00:33:12,220

Are you abed?

351

00:33:12,320 --> 00:33:14,288

Mercy?

352

00:33:15,280 --> 00:33:16,520

Jonas?

353

00:33:18,280 --> 00:33:23,540

She's old enough.

She must leave to serve another family.

354

00:33:23,640 --> 00:33:26,620

WILLIAM: Twas not her fault.

Kate, I must tell thee...

355

00:33:26,720 --> 00:33:29,740

KATHERINE: Aye, it was thine
for taking thy family hither.

356

00:33:29,840 --> 00:33:31,140

WILLIAM: This is Godly land.

357

00:33:31,240 --> 00:33:32,660

KATHERINE: Godly?

358

00:33:32,760 --> 00:33:34,620

Our children are being fostered up
like savages.

359

00:33:34,720 --> 00:33:35,940

WILLIAM: Kate!

360

00:33:36,040 --> 00:33:39,180

KATHERINE: How oft I begged and begged
thee to take Samuel for baptism?

361

00:33:39,280 --> 00:33:41,740

WILLIAM: They'd not baptize
outside the congregation.

362

00:33:41,840 --> 00:33:43,700

KATHERINE: Our Sam is in hell!

363

00:33:43,800 --> 00:33:46,644

WILLIAM: Go to.

364

00:33:47,200 --> 00:33:50,500

KATHERINE: God save us, Caleb is well.

365

00:33:50,600 --> 00:33:52,500

WILLIAM: We must keep him still.
And Thomasin.

366

00:33:52,600 --> 00:33:53,940

KATHERINE: Our corn is trash!

367

00:33:54,040 --> 00:33:56,060

WILLIAM: We cannot back to that church.

368

00:33:56,160 --> 00:33:57,571

KATHERINE: We will starve!

369

00:33:57,680 --> 00:34:02,060

WILLIAM: Peace, peace.

You'll wake them, peace.

370

00:34:02,160 --> 00:34:05,050

(KATHERINE CRYING THROUGHOUT)

371

00:34:06,560 --> 00:34:11,460

WILLIAM: I'll to the village
with the horse and Thomasin tomorrow.

372

00:34:11,560 --> 00:34:13,980

The Tildens or the Whythings,

373

00:34:14,080 --> 00:34:16,620

they can make use of her.

374

00:34:16,720 --> 00:34:19,620

They're good folk.

375

00:34:19,720 --> 00:34:22,963

Stop, Kate.

376

00:34:23,080 --> 00:34:26,766

We will find food, I know it.

377

00:34:49,960 --> 00:34:51,724

THOMASIN: Caleb?

378

00:34:52,960 --> 00:34:55,420

What are you doing?

379

00:34:55,520 --> 00:34:57,090

Go to sleep.

380

00:34:57,920 --> 00:35:01,447

What is this? Tell me, now.

381

00:35:04,680 --> 00:35:06,180

- Running away then?

- No.

382

00:35:06,280 --> 00:35:08,020

- Lie not to me.

- I don't.

383

00:35:08,120 --> 00:35:10,660

Then what?

384

00:35:10,760 --> 00:35:12,220

Tell me!

385

00:35:12,320 --> 00:35:16,100

If thou went back to sleep

and kept silent of this,

386

00:35:16,200 --> 00:35:17,500

I promise thee,

387

00:35:17,600 --> 00:35:22,220

you'll need not leave to serve

the Tildens nor any family else.

388

00:35:22,320 --> 00:35:24,766

I'll be back by mid-day.

389

00:35:27,120 --> 00:35:29,620

- Well, let me along with ya.

- No.

390

00:35:29,720 --> 00:35:32,326

- Let me along.

- I cannot.

391

00:35:33,280 --> 00:35:35,203

If you don't let me along with ya,

392

00:35:35,320 --> 00:35:37,129

I'll wake Mother and father this instant.

393

00:35:57,400 --> 00:35:58,890

Well?

394

00:36:01,800 --> 00:36:03,340

Aye, but we did!

395

00:36:03,440 --> 00:36:05,060

- Nay.

- We did!

396

00:36:05,160 --> 00:36:06,940

No.

397

00:36:07,040 --> 00:36:08,451

We had glass windows in England.

398

00:36:08,560 --> 00:36:10,940

We haven't been hither

so long you can forget that.

399

00:36:11,040 --> 00:36:12,620

As you like, Thomasin?

400

00:36:12,720 --> 00:36:14,940

You've gone mad.

401

00:36:15,040 --> 00:36:17,940

Dost not remember Fowler
laying on the floor in the sun?

402

00:36:18,040 --> 00:36:20,780

- You must!

- Nay.

403

00:36:20,880 --> 00:36:24,260

And where the sun would shine,
would he warm himself.

404

00:36:24,360 --> 00:36:27,380

Remember once he lay upon the table,
and father saw him and he saith,

405

00:36:27,480 --> 00:36:29,260

"We will have him for meat!

406

00:36:29,360 --> 00:36:31,980

Kate! Kate! We will roast this beast."

407

00:36:32,080 --> 00:36:34,620

You must remember that!

408

00:36:34,720 --> 00:36:39,220

CALEB: I remember that day, but no glass.

409

00:36:39,320 --> 00:36:42,700

Well... it was pretty.

410

00:36:42,800 --> 00:36:45,531

(DOG BARKING)

411

00:36:47,400 --> 00:36:49,004

What is't, boy?

412

00:36:52,360 --> 00:36:54,620

CALEB: Burt, calm thee!

413

00:36:54,720 --> 00:36:57,451

Fowler! Nay, Fowler!

414

00:36:58,360 --> 00:36:59,700

Stand here with Burt.

415

00:36:59,800 --> 00:37:03,620

- Caleb, no.

- I'll straight back.

416

00:37:03,720 --> 00:37:05,740

He's gone mad!

417

00:37:05,840 --> 00:37:07,046

(YELPS)

418

00:37:11,320 --> 00:37:13,300

- Thomasin!

- Caleb!

419

00:37:13,400 --> 00:37:15,129

- Thomasin!

- Thomasin!

420

00:37:15,240 --> 00:37:19,540

- Caleb!

- Caleb!

421

00:37:19,640 --> 00:37:24,540

- Thomasin!

- Caleb!

422

00:37:24,640 --> 00:37:27,420

WILLIAM: Thomasin!

423

00:37:27,520 --> 00:37:31,366

- Thomasin!

- Caleb!

424

00:37:33,560 --> 00:37:38,060

(HEAVY BREATHING)

425

00:37:38,160 --> 00:37:40,686

Thomasin!

426

00:37:41,760 --> 00:37:44,764

(ATTEMPTED WHISTLING)

427

00:37:48,160 --> 00:37:50,180

Fowler!

428

00:37:50,280 --> 00:37:52,362

(HEAVY BREATHING)

429

00:37:53,440 --> 00:37:57,161

O God, my Lord, I now begin,
o help me and I'll leave my sin.

430

00:37:57,280 --> 00:38:00,727

For I repentant now shall be,
From evil I will turn to Thee.

431

00:38:00,840 --> 00:38:04,340

None ever shall destroy my faith,
nor do I mind what Satan saith.

432

00:38:04,440 --> 00:38:08,161

O God, my Lord, I now begin,
O, help me and I'll leave my sin,

433

00:38:08,280 --> 00:38:11,660

For I repentant now shall be,
from evil I will turn to Thee.

434

00:38:11,760 --> 00:38:13,300

None ever shall destroy my faith,

435

00:38:13,400 --> 00:38:15,368

nor do I mind what Satan saith.

436

00:38:15,480 --> 00:38:18,620

O God, my Lord, I now begin,

O help me and I...

437

00:38:18,720 --> 00:38:20,529

(DOG BARKING)

438

00:38:21,000 --> 00:38:23,321

(DOG SCREAMING)

439

00:38:50,320 --> 00:38:52,482

Caleb!

440

00:38:59,880 --> 00:39:01,723

Caleb!

441

00:40:13,000 --> 00:40:15,580

- Caleb!

- Father!

442

00:40:15,680 --> 00:40:17,091

Thomasin.

443

00:40:18,720 --> 00:40:21,530

Oh, my girl, my girl.

444

00:40:27,040 --> 00:40:29,088

Where is thy brother?

445

00:42:14,800 --> 00:42:17,565

(THUNDERSTORM)

446

00:42:19,160 --> 00:42:20,400

(HEAVY BREATHING)

447

00:42:20,520 --> 00:42:23,260

What's the matter with thee, Thomasin?

What's the matter with thee?

448

00:42:23,360 --> 00:42:26,980

I'll set off at first light.

I'll not return until I've found him.

449

00:42:27,080 --> 00:42:30,020

T'would be better to go to the village

to raise up help, I cannot...

450

00:42:30,120 --> 00:42:32,500

WILLIAM:

Tis a day's ride and I have no horse.

451

00:42:32,600 --> 00:42:34,100

There's no time to be lost.

452

00:42:34,200 --> 00:42:36,980

Likely you should have left

this morn, then.

453

00:42:37,080 --> 00:42:39,580

You have no gun, William,

nay, not even a dog.

454

00:42:39,680 --> 00:42:41,660

- Be not a fool!

- I am a fool to go.

455

00:42:41,760 --> 00:42:44,161

There is none will help this family.

456

00:42:46,720 --> 00:42:48,927

Let me be!

457

00:42:49,960 --> 00:42:52,440

The moon is bright,

the rain bothers me not.

458

00:42:52,560 --> 00:42:55,380

I'll be back in a two-day,

if any a man will return with me.

459

00:42:55,480 --> 00:42:58,245

- Don't go, Father!

- Enough!

460

00:43:01,840 --> 00:43:04,300

Tell us why you went to the wood.

461

00:43:04,400 --> 00:43:06,801

- I promised.

- I care not!

462

00:43:10,640 --> 00:43:12,580

Let me find favor in your eyes.

463

00:43:12,680 --> 00:43:15,809

Oh, child, tell me and I will!

464

00:43:18,600 --> 00:43:19,840

I, um...

465

00:43:22,520 --> 00:43:24,602

KATHERINE: Speak!

466

00:43:24,720 --> 00:43:26,324

I...

467

00:43:26,920 --> 00:43:29,082

I took thy father's cup.

468

00:43:33,480 --> 00:43:35,164

I sold it.

469

00:43:38,320 --> 00:43:42,882

Forgive me, Kate. Forgive me, Thomasin.

470

00:43:46,360 --> 00:43:48,840

What is this?

471

00:43:53,440 --> 00:43:56,364

Katherine, I must make confession.

472

00:43:59,000 --> 00:44:01,970

I yestermorn took Caleb to the wood.

473

00:44:06,120 --> 00:44:09,620

Twass for food,

and the pelts for money, good money.

474

00:44:09,720 --> 00:44:11,700

I knew you were false! I knew it!

475

00:44:11,800 --> 00:44:14,300

I meant it as a surprise,
that is why I kept secret.

476

00:44:14,400 --> 00:44:15,940

I will trap that wolf, Kate.

477

00:44:16,040 --> 00:44:17,980

You stood by whilst our son lied to me!

478

00:44:18,080 --> 00:44:19,900

Twas for thy sake! I love thee, Kate.

479

00:44:20,000 --> 00:44:22,571

- You took him to the woods!

- I will find him!

480

00:44:22,680 --> 00:44:24,569

You've broken God's covenant.

You're a liar.

481

00:44:24,680 --> 00:44:26,300

And you've lost another child.

482

00:44:26,400 --> 00:44:28,900

- I will go now.

- You cannot escape the woods.

483

00:44:29,000 --> 00:44:30,500

I will find him!

484

00:44:30,600 --> 00:44:34,100

And kill thyself too?

Will Jonas be the man of the house?

485

00:44:34,200 --> 00:44:36,180

Will you damn all your family to death?!

486

00:44:36,280 --> 00:44:38,726

- Katherine!

- Let go of me!

487

00:44:41,280 --> 00:44:45,046

(CRYING)

488

00:44:51,120 --> 00:44:52,963

Picking apples.

489

00:45:01,680 --> 00:45:06,020

Mother, have the goats
been bedded down yet?

490

00:45:06,120 --> 00:45:08,340

- Nay.

- I'll to it.

491

00:45:08,440 --> 00:45:13,260

Let it wait til the morrow.

They dare not escape with this rain.

492

00:45:13,360 --> 00:45:15,220

THOMASIN: Nay, I'll to it.

493

00:45:15,320 --> 00:45:18,180

Please you, Mother.

494

00:45:18,280 --> 00:45:20,203

Come hither, child.

495

00:45:33,440 --> 00:45:35,010

Hurry back.

496

00:45:46,520 --> 00:45:48,522

(HUMMING)

497

00:45:55,240 --> 00:45:57,242

(RUSTLING)

498

00:46:17,320 --> 00:46:18,765

(GASPS)

499

00:46:19,640 --> 00:46:21,961

Caleb...

500

00:46:22,080 --> 00:46:24,208

(BREATHING HEAVILY)

501

00:46:25,040 --> 00:46:26,380

Father!

502

00:46:26,480 --> 00:46:27,970

Caleb, Caleb...

503

00:46:54,560 --> 00:46:57,803

Shh.

504

00:47:36,720 --> 00:47:38,540

KATHERINE: Oh, merciful Father,

505

00:47:38,640 --> 00:47:41,300

both the Lord and giver of life.

506

00:47:41,400 --> 00:47:45,180

Thy sole, Jesus Christ, we beseech thee.

507

00:47:45,280 --> 00:47:47,260

Look down from Heaven upon him

508

00:47:47,360 --> 00:47:50,260

with those eyes of grace and compassion.

509

00:47:50,360 --> 00:47:52,020

Pity thy wounded servant...

510

00:47:52,120 --> 00:47:54,122

(RAIN FALLING)

511

00:48:26,840 --> 00:48:32,100

Baa, baa. Baa, baa, baa.

512

00:48:32,200 --> 00:48:34,740

What ails Caleb, Black Phillip?

What ails him?

513

00:48:34,840 --> 00:48:37,380

Did Thomasin make 'im sick in the wood?

514

00:48:37,480 --> 00:48:38,740

What say you?

515

00:48:38,840 --> 00:48:40,808

Black Phillip says you are wicked.

516

00:48:40,920 --> 00:48:42,420

Aye, he told me too.

517

00:48:42,520 --> 00:48:43,806

Damn your Black Phillip.

518

00:48:43,920 --> 00:48:48,244

He says you put the Devil
in Caleb, that's why he's sick.

519

00:48:48,360 --> 00:48:51,980

I'd never hurt Caleb, nor Sam, nor thee.

520

00:48:52,080 --> 00:48:53,900

- You beat me.

- T'was a jest.

521

00:48:54,000 --> 00:48:55,620

- You said you'd eat of me.

- Mercy!

522

00:48:55,720 --> 00:48:57,180

Mother and Father will find out.

523

00:48:57,280 --> 00:48:59,820

- What?

- That you are a witch!

524

00:48:59,920 --> 00:49:01,740

(GOATS BLEAT)

525

00:49:01,840 --> 00:49:04,491

Thomasin!

526

00:49:04,840 --> 00:49:06,460

Thomasin?

527

00:49:06,560 --> 00:49:07,846

(SPLASH)

528

00:49:10,680 --> 00:49:12,125

(SPLASH)

529

00:49:28,880 --> 00:49:31,531

(PRAYING SOFTLY)

530

00:49:44,360 --> 00:49:46,840

Dost remember John Kempe's son?

531

00:49:47,000 --> 00:49:49,340

That first winter, he was
tormented of Indian magic.

532

00:49:49,440 --> 00:49:51,220

'Tis not the same.

533

00:49:51,320 --> 00:49:55,500

- This is unnatural providence.
- I know not that.

534

00:49:55,600 --> 00:49:57,841

Look at thy son.

535

00:49:58,680 --> 00:50:00,220

- Will.

- What?

536

00:50:00,320 --> 00:50:01,890

- Think!

- Think what?

537

00:50:02,000 --> 00:50:04,940

- Think!

- I have no thoughts.

538

00:50:05,040 --> 00:50:07,180

Does this not look like witchcraft?

539

00:50:07,280 --> 00:50:08,850

What witch?

540

00:50:10,040 --> 00:50:12,202

Who does this then? Who?

541

00:50:13,160 --> 00:50:15,527

Thy thoughts are as a child.

542

00:50:22,200 --> 00:50:23,725

What are you doing?

543

00:50:24,720 --> 00:50:27,849

We'll back to the plantation
in the morning.

544

00:50:27,960 --> 00:50:32,124

Find a good family for Thomasin,
take Caleb to the doctor's.

545

00:50:33,120 --> 00:50:35,202

He'll tell if this be
some natural ill or not.

546

00:50:37,200 --> 00:50:40,140

Yet we cannot return as beggars.

547

00:50:40,240 --> 00:50:44,700

I'll scour the field. There must be
some fruit yet untouched by this rot.

548

00:50:44,800 --> 00:50:47,700

I beseech thee, Katherine,
what canst thou do for him presently?

549

00:50:47,800 --> 00:50:50,780

How might we all bare it
to the village with no horse?

550

00:50:50,880 --> 00:50:53,540

Well, the little corn and the goat
should fetch a fair price.

551

00:50:53,640 --> 00:50:56,020

We'll... We'll back with Caleb
and sell them,

552

00:50:56,120 --> 00:50:58,122

return with the horse
for the twins and Thomasin.

553

00:50:58,240 --> 00:51:00,620

- You cannot leave them here!

- Thomasin and thee...

554

00:51:00,720 --> 00:51:02,340

Oh, forget the crop, Will!

555

00:51:02,440 --> 00:51:04,460

What?!

556

00:51:04,560 --> 00:51:07,370

What dost thou want, Katherine?

557

00:51:08,360 --> 00:51:10,966

Tell me and I will give it thee.

558

00:51:13,840 --> 00:51:16,525

I want to be home.

559

00:51:18,120 --> 00:51:20,860

Thou shall be home,
by candle-time tomorrow.

560

00:51:20,960 --> 00:51:23,406

In England.

561

00:51:26,120 --> 00:51:29,090

(KATHERINE SOBS AND SIGHS)

562

00:51:29,600 --> 00:51:32,220

Oh, Will...

563

00:51:32,320 --> 00:51:35,085

I also have a confession to make.

564

00:51:36,840 --> 00:51:39,605

I never meant to be a shrew to thee.

565

00:51:40,280 --> 00:51:41,660

(SOBS)

566

00:51:41,760 --> 00:51:45,207

I have become as Job's wife, I know it.

567

00:51:46,480 --> 00:51:47,700

(SOBS)

568

00:51:47,800 --> 00:51:49,529

But since Sam, since...

569

00:51:53,760 --> 00:51:56,445

My heart has turned to stone.

570

00:51:59,520 --> 00:52:02,251

(SIGH)

571

00:52:03,480 --> 00:52:09,020

I dreamed once,

t'was when I was of Thomasin's years,

572

00:52:09,120 --> 00:52:12,602

that I was with Christ upon Earth.

573

00:52:14,160 --> 00:52:17,620

Oh, I was so very near Him.

574

00:52:17,720 --> 00:52:22,420

And in many tears for the assurance

of the pardon of me sins.

575

00:52:22,520 --> 00:52:26,620

And I was so ravaged
with His love towards me,

576

00:52:26,720 --> 00:52:31,169

I thought it far exceeding
the affection of the kindest husband.

577

00:52:33,440 --> 00:52:35,761

And since Samuel disappeared...

578

00:52:37,600 --> 00:52:41,860

I have such a sad weakness
of faith, I cannot shake it.

579

00:52:41,960 --> 00:52:45,460

I cannot see Christ's help as near.

580

00:52:45,560 --> 00:52:48,769

I pray and I pray, but I cannot.

581

00:52:51,240 --> 00:52:56,007

I fear I cannot ever feel
that same measure of love again.

582

00:53:02,160 --> 00:53:04,891

Thou shall have of it in Heaven.

583

00:53:08,760 --> 00:53:11,580

I'll be in field.

584

00:53:11,680 --> 00:53:14,500

If you can spare a while, do.

585

00:53:14,600 --> 00:53:16,260

We'll leave at dawn.

586

00:53:16,360 --> 00:53:18,124

I promise thee that.

587

00:53:23,840 --> 00:53:26,320

Jonas, Mercy, come hither!

588

00:53:27,560 --> 00:53:29,369

Speak not a word!

589

00:53:40,400 --> 00:53:42,380

MERCY:

Black Phillip is a merry, merry king

590

00:53:42,480 --> 00:53:45,086

- He rules the land with mirth...

- THOMASIN: I cannot abide your songs.

591

00:53:45,240 --> 00:53:46,940

Please you, Mercy.

592

00:53:47,040 --> 00:53:48,620

Black Phillip has a mighty, mighty sting

593

00:53:48,720 --> 00:53:50,460

He'll knock thee to the Earth

594

00:53:50,560 --> 00:53:52,740

Sing bah, bah, King Phillip, the black

595

00:53:52,840 --> 00:53:54,500

- Sing bah, bah, bah, bah, bah

- THOMASIN: Peace, thou thing!

596

00:53:54,600 --> 00:53:56,340

Mercy. Thomasin.

597

00:53:56,440 --> 00:53:58,340

MERCY:

Sing bah, bah, King Phillip, the black

598

00:53:58,440 --> 00:54:00,140

- He'll knock thee on thy back!

- THOMASINA: Enough!

599

00:54:00,240 --> 00:54:02,368

(SCREAM)

600

00:54:04,840 --> 00:54:06,171

Come.

601

00:54:10,240 --> 00:54:12,940

Get the broadaxe and cut off her head.

602

00:54:13,040 --> 00:54:16,180

Get the narrow axe and cut off her head.

603

00:54:16,280 --> 00:54:18,740

Get the broadaxe and cut off her head.

604

00:54:18,840 --> 00:54:21,127

Get the narrow axe and cut off her head.

605

00:54:21,240 --> 00:54:23,780

(GASPS)

606

00:54:23,880 --> 00:54:25,540

She's upon me!

607

00:54:25,640 --> 00:54:27,085

She kneels!

608

00:54:27,200 --> 00:54:28,700

My bowels!

609

00:54:28,800 --> 00:54:31,041

My stomach!

610

00:54:31,160 --> 00:54:32,525

She pinches!

611

00:54:32,680 --> 00:54:35,580

(YELLING INDISTINCT)

612

00:54:35,680 --> 00:54:39,580

Sin! Sin! Sin!!

613

00:54:39,680 --> 00:54:42,160

Thomasin, take the children outside.

614

00:54:42,280 --> 00:54:44,965

What does this to thee? What does this?

615

00:54:47,880 --> 00:54:50,008

His mouth has sealed up.

616

00:54:52,600 --> 00:54:54,860

Oh, God, William!

617

00:54:54,960 --> 00:54:57,100

William! Get him up!

618

00:54:57,200 --> 00:54:58,645

Hold him!

619

00:55:00,000 --> 00:55:02,890

Children, away from this! Thomasin, help!

620

00:55:03,960 --> 00:55:06,260

(WILLIAM GRUNTING)

621

00:55:06,360 --> 00:55:08,044

You'll break his jaws.

622

00:55:08,200 --> 00:55:09,486

MERCY: Father!

623

00:55:10,680 --> 00:55:12,569

What is...?

624

00:55:15,680 --> 00:55:18,206

- (GRUNT)

- (CHOKING)

625

00:55:18,960 --> 00:55:21,327

(HEAVY BREATHING)

626

00:55:24,080 --> 00:55:27,580

KATHERINE: William... He is witched!

627

00:55:27,680 --> 00:55:29,380

- 'Tis she!

- No!

628

00:55:29,480 --> 00:55:31,740

- What horrible fancy is this?

- She told me she stole Sam!

629

00:55:31,840 --> 00:55:33,260

Silence!

630

00:55:33,360 --> 00:55:34,660

She gave him to the Devil in the wood!

631

00:55:34,760 --> 00:55:36,220

- They lie!

- What say you?

632

00:55:36,320 --> 00:55:37,940

She turned Flora's milk to blood!

633

00:55:38,040 --> 00:55:39,620

She had bade us keep secret from you!

634

00:55:39,720 --> 00:55:42,740

- It was but a jest to quiet her, I...

- She made bargain with Satan!

635

00:55:42,840 --> 00:55:44,420

- She signed his book!

- Silence!

636

00:55:44,520 --> 00:55:46,900

Don't let her near me!

She'll put a curse on me!

637

00:55:47,000 --> 00:55:49,526

- They conspire against me.

- Thomasin is a witch!

638

00:55:50,720 --> 00:55:53,740

Nay, I'll not hear it.

639

00:55:53,840 --> 00:55:56,620

I'll have proof, or Heaven help thee.

640

00:55:56,720 --> 00:55:58,927

On thy knees!

641

00:55:59,040 --> 00:56:01,420

Look me in the eye, daughter.

642

00:56:01,520 --> 00:56:04,820

- Dost thou love the word of God?

- Yes.

643

00:56:04,920 --> 00:56:07,020

Love you The Bible? Love you prayer?

644

00:56:07,120 --> 00:56:08,849

Yes. Yes!

645

00:56:12,040 --> 00:56:14,860

We are children of sin all,

646

00:56:14,960 --> 00:56:18,885

yet I tell thee, I have raised up
no witch in this house.

647

00:56:20,640 --> 00:56:25,380

Let us pray, then we need fear nothing.

648

00:56:25,480 --> 00:56:28,404

We shall never lie open to the wicked one.

649

00:56:29,840 --> 00:56:31,842

Pray for thy brother.

650

00:56:33,560 --> 00:56:35,005

- You must believe us!

- Evil wretches!

651

00:56:35,120 --> 00:56:36,380

- Thomasin!

- (SCREAMS)

652

00:56:36,480 --> 00:56:38,460

Pray.

653

00:56:38,560 --> 00:56:44,100

ALL: Our Father, which art in
Heaven, hallowed be thy name...

654

00:56:44,200 --> 00:56:45,770

Jonas, pray.

655

00:56:45,880 --> 00:56:49,740

I... I cannot remember my prayer. (MOANS)

656

00:56:49,840 --> 00:56:52,740

- What?

- Nor I. I cannot.

657

00:56:52,840 --> 00:56:54,420

What nonsense is this?

658

00:56:54,520 --> 00:56:56,660

Speak, children.

659

00:56:56,760 --> 00:56:59,445

Our Father, which art in Heaven...

660

00:56:59,560 --> 00:57:01,369

- (CRIES)

- ...hallowed be thy name

661

00:57:01,480 --> 00:57:04,370

(BOTH CRYING) Stop it! Stop it!

662

00:57:04,480 --> 00:57:06,580

- Pray, you beasts.

- (CRIES)

663

00:57:06,680 --> 00:57:08,250

- Get on thy knees and pray!

- (SCREAMS)

664

00:57:08,360 --> 00:57:11,420

- Thomasin!

- (SCREAMS)

665

00:57:11,520 --> 00:57:14,940

I don't hear this. This is not so.

666

00:57:15,040 --> 00:57:18,328

(SCREAMS)

667

00:57:18,440 --> 00:57:20,700

(GASPS)

668

00:57:20,800 --> 00:57:22,802

It's her!

669

00:57:22,960 --> 00:57:24,740

A cat.

670

00:57:24,840 --> 00:57:26,420

A crow.

671

00:57:26,520 --> 00:57:31,460

A raven. A three-legged dog. A wolf!

672

00:57:31,560 --> 00:57:34,140

(MOANS) She desires of my blood.

673

00:57:34,240 --> 00:57:35,780

She desires of my blood.

674

00:57:35,880 --> 00:57:38,060

- Satan upon me!

- She desires of my blood!

675

00:57:38,160 --> 00:57:40,860

(ALL THE CHILDREN

SPEAKING OVER ONE ANOTHER)

676

00:57:40,960 --> 00:57:44,780

She sends 'em upon me.

677

00:57:44,880 --> 00:57:48,500

My Lord, my Jesus! Save me!

678

00:57:48,600 --> 00:57:51,660

- Think on Christ!

- She sends her devils!

679

00:57:51,760 --> 00:57:56,129

I am thine enemy, wallowing
in the blood of my sins!

680

00:57:56,240 --> 00:57:58,300

The Lord is my shepherd, I shall not want

681

00:57:58,400 --> 00:58:00,500

He maketh me to lie in green pastures,

682

00:58:00,600 --> 00:58:01,931

and leadeth me by the still water...

683

00:58:02,040 --> 00:58:03,565

CALEB: I am thine enemy...

684

00:58:03,680 --> 00:58:06,809

(PRAYERS OVERLAP)

685

00:58:06,920 --> 00:58:08,140

I am thine enemy,

686

00:58:08,240 --> 00:58:10,368

wallowing on the blood

and filth of my sin!

687

00:58:10,480 --> 00:58:13,420

- ...I will fear no evil

- CALEB: For thou art with me.

688

00:58:13,520 --> 00:58:16,220

(PANTING)

689

00:58:16,320 --> 00:58:18,846

Caleb... Caleb...

690

00:58:23,800 --> 00:58:27,020

Cast a light of countenance upon me.

691

00:58:27,120 --> 00:58:30,500

Spread over me the lap of Thy love.

692

00:58:30,600 --> 00:58:33,700

Wash me in the everflowing
fountains of Thy blood.

693

00:58:33,800 --> 00:58:38,340

Holy Thine I am, my sweet Lord Jesus.

694

00:58:38,440 --> 00:58:44,561

My Lord, my love, kiss me
with the kisses of Thy mouth.

695

00:58:45,240 --> 00:58:47,402

How lovely art Thou.

696

00:58:47,520 --> 00:58:49,602

Thy embrace!

697

00:58:50,600 --> 00:58:52,980

My Lord! (LAUGHS)

698

00:58:53,080 --> 00:58:55,540

My Lord! My love!

699

00:58:55,640 --> 00:58:57,980

My sole salvation!

700

00:58:58,080 --> 00:58:59,900

Take me to Thy lap!

701

00:59:00,000 --> 00:59:01,860

(LAUGHS)

702

00:59:01,960 --> 00:59:03,340

(GASPS)

703

00:59:03,440 --> 00:59:06,410

(MOANS OF JOY)

704

00:59:28,640 --> 00:59:30,290

Caleb...

705

00:59:32,360 --> 00:59:34,124

Caleb?

706

00:59:35,240 --> 00:59:37,288

Caleb?

707

00:59:37,920 --> 00:59:40,940

Caleb.

708

00:59:41,040 --> 00:59:43,646

Caleb...

709

00:59:44,040 --> 00:59:47,203

(SOBS) Wake up, please! Wake up!

710

00:59:48,880 --> 00:59:51,850

Wake up, wake up.

711

00:59:52,920 --> 00:59:55,685

(SOBS) Wake up.

712

00:59:56,600 --> 00:59:59,126

(WAILING)

713

01:00:00,400 --> 01:00:02,740

He is dead!

714

01:00:02,840 --> 01:00:07,180

(WAILING) He is dead!

715

01:00:07,280 --> 01:00:10,180

(SOBBING)

716

01:00:10,280 --> 01:00:12,601

Jonas, Mercy, get up.

717

01:00:14,120 --> 01:00:15,610

Get up!

718

01:00:20,600 --> 01:00:24,020

Get away from him! Get thee gone!

719

01:00:24,120 --> 01:00:27,647

(SOBBING)

720

01:00:39,120 --> 01:00:40,380

Thomasin!

721

01:00:40,480 --> 01:00:42,180

Thomasin. Thomasin...

722

01:00:42,280 --> 01:00:43,520

My girl...

723

01:00:43,640 --> 01:00:44,846

(WEEPING)

724

01:00:57,320 --> 01:01:00,940

This tree will be lovely come spring.

725

01:01:01,040 --> 01:01:03,361

Do you remember when we came hither?

726

01:01:05,440 --> 01:01:07,681

Such a pretty tree.

727

01:01:10,520 --> 01:01:13,126

Next year I'll just own us a wheat field.

728

01:01:14,080 --> 01:01:16,900

Start it at this tree and end it thither.

729

01:01:17,000 --> 01:01:19,446

We'd have been a proper farm then.

730

01:01:20,480 --> 01:01:25,441

Brought us a big fat milk cow,
finished us the barn.

731

01:01:28,880 --> 01:01:31,326

You must tell me, Thomasin.

732

01:01:32,520 --> 01:01:35,700

Tomorrow I cannot keep secret of this.

733

01:01:35,800 --> 01:01:38,380

The council will be called

and thy life is...

734

01:01:38,480 --> 01:01:40,860

- Thy life...

- Will you not believe me?

735

01:01:40,960 --> 01:01:43,860

I saw The Serpent in my son.

You stopped their prayer, Thom...

736

01:01:43,960 --> 01:01:47,700

- They lie!

- I saw it.

737

01:01:47,800 --> 01:01:50,820

Caleb disappeared with thee.

738

01:01:50,920 --> 01:01:54,402

- I love Caleb.

- And who then found him,

739

01:01:54,520 --> 01:01:56,060

pale as death,

740

01:01:56,160 --> 01:01:59,289

naked as sin and witch'd?

741

01:01:59,400 --> 01:02:01,620

Thomasin, listen to me.

742

01:02:01,720 --> 01:02:03,860

The bargain that was made is of no effect.

743

01:02:03,960 --> 01:02:06,122

- I made no bargain.

- Thy soul belongeth to Christ.

744

01:02:06,240 --> 01:02:08,860

- I made no bargain.

- The Devil hath no interest in thee.

745

01:02:08,960 --> 01:02:12,521

- I am no witch, father.

- What did I but see in my house?

746

01:02:13,520 --> 01:02:15,887

- Will you not hear me?

- Prithee, confess.

747

01:02:16,000 --> 01:02:17,843

Why have you turned against me?

748

01:02:17,960 --> 01:02:21,140

Christ can un-witch us

if you will but speak truth to me.

749

01:02:21,240 --> 01:02:24,860

As I love thee, speak truth.

750

01:02:24,960 --> 01:02:28,851

- You ask me to speak truth?

- I beg thee.

751

01:02:34,920 --> 01:02:38,049

You and Mother planned
to rid the farm of me.

752

01:02:39,120 --> 01:02:42,420

Aye, I heard you speak of it.

753

01:02:42,520 --> 01:02:44,522

Is that truth?

754

01:02:46,920 --> 01:02:49,820

You took of Mother's cup
and let her rail at me.

755

01:02:49,920 --> 01:02:52,300

You confessed not till it was too late.

756

01:02:52,400 --> 01:02:54,380

- Is that truth?

- Peace thee.

757

01:02:54,480 --> 01:02:55,740

- I will not.

- I am thy father.

758

01:02:55,840 --> 01:02:58,980

- You are a hypocrite!

- Hold thy tongue, daughter mine.

759

01:02:59,080 --> 01:03:01,860

You took Caleb to the wood and let me
take the blame of that too.

760

01:03:01,960 --> 01:03:03,689

Is that truth?

761

01:03:06,040 --> 01:03:09,020

You let Mother be as thy master.

762

01:03:09,120 --> 01:03:11,820

You cannot bring the crops to yield!

You cannot hunt!

763

01:03:11,920 --> 01:03:13,620

- Is that truth enough?

- Enough.

764

01:03:13,720 --> 01:03:15,740

Thou canst do nothing save cut wood!

765

01:03:15,840 --> 01:03:17,060

Bitch!

766

01:03:17,160 --> 01:03:19,460

(SCREAMS) And you will not hear me!

767

01:03:19,560 --> 01:03:21,420

(SOBBING)

768

01:03:21,520 --> 01:03:24,300

Must I hear the Devil

wag his tongue in thy mouth?

769

01:03:24,400 --> 01:03:26,209

(SOBS)

770

01:03:26,320 --> 01:03:28,129

Ask the twins then!

771

01:03:28,240 --> 01:03:29,980

Go on, ask them!

772

01:03:30,080 --> 01:03:32,500

They spend all day long
babbling to that horned beast.

773

01:03:32,600 --> 01:03:33,820

They know well his voice.

774

01:03:33,920 --> 01:03:35,220

Go to.

775

01:03:35,320 --> 01:03:38,688

The Adversary oft comes
in the shape of a he-goat.

776

01:03:38,800 --> 01:03:41,644

And whispers. Aye, whispers!

777

01:03:43,080 --> 01:03:46,460

He is Lucifer. You know it.

778

01:03:46,560 --> 01:03:48,780

- The twins know it too.

- Slander thy brethren no more.

779

01:03:48,880 --> 01:03:52,980

- It is they!

- From my sight!

780

01:03:53,080 --> 01:03:55,060

T'was they and that goat

what bewitched this whole farm.

781

01:03:55,160 --> 01:03:56,400

Lies.

782

01:03:57,600 --> 01:04:00,220

Was't a wolf stole Sam?

783

01:04:00,320 --> 01:04:03,020

I never saw no wolf.

784

01:04:03,120 --> 01:04:04,900

Mercy told me herself by the stream,

785

01:04:05,000 --> 01:04:07,460

"I be the Witch of the Wood."

786

01:04:07,560 --> 01:04:09,220

Get up. Rise!

787

01:04:09,320 --> 01:04:10,580

(SCREAMS)

788

01:04:10,680 --> 01:04:12,444

(GRUNTS)

789

01:04:21,920 --> 01:04:25,367

(HEAVY BREATHING)

790

01:04:35,000 --> 01:04:36,240

(THUD)

791

01:04:36,400 --> 01:04:38,540

(GRUNT)

792

01:04:38,640 --> 01:04:39,860

(GASP)

793

01:04:39,960 --> 01:04:42,060

- What is this?

- WILLIAM: Speak.

794

01:04:42,160 --> 01:04:43,980

I am no witch.

795

01:04:44,080 --> 01:04:46,020

Get her from me sight!

I'll not have her in this house!

796

01:04:46,120 --> 01:04:47,860

WILLIAM: She is no witch, Katherine.

797

01:04:47,960 --> 01:04:50,580

What is the cause, daughter?

Tell thy Mother!

798

01:04:50,680 --> 01:04:52,020

I cannot know for certain.

799

01:04:52,120 --> 01:04:53,820

WILLIAM: Thou toldst me well thou knew.

800

01:04:53,920 --> 01:04:55,380

KATHERINE: I cannot look at her.

801

01:04:55,480 --> 01:04:59,121

WILLIAM: Aye, but ye shall.

Thomasin. Thomasin!

802

01:04:59,960 --> 01:05:01,980

Jonas and Mercy.

803

01:05:02,080 --> 01:05:04,970

They make covenant with the Devil
in the shape of Black Phillip.

804

01:05:06,120 --> 01:05:09,380

WILLIAM: Dost hear that, ye black minions?

805

01:05:09,480 --> 01:05:13,121

Dost hear that, you devils?

806

01:05:13,520 --> 01:05:16,808

Wake! Wake from this!

807

01:05:17,920 --> 01:05:20,820

Did ye makes some
unholy bond with that goat?

808

01:05:20,920 --> 01:05:23,810

Speak, if this be pretense.

809

01:05:25,800 --> 01:05:28,201

(WILLIAM LAUGHS)

810

01:05:34,040 --> 01:05:38,540

Dissemblers! Grave pretenders all.

811

01:05:38,640 --> 01:05:40,460

Hear me this:

812

01:05:40,560 --> 01:05:43,540

I will not play a fool
to children's games!

813

01:05:43,640 --> 01:05:45,700

This is no sport, William.

814

01:05:45,800 --> 01:05:49,140

Yet these lies from our babes' mouths
are but trifles to them.

815

01:05:49,240 --> 01:05:52,140

- I do not lie.
- Silence, creature!

816

01:05:52,240 --> 01:05:56,180

Thy son is dead, damned!

817

01:05:56,280 --> 01:05:58,180

- Caleb did but cry Jesus.
- The Devil!

818

01:05:58,280 --> 01:05:59,520

Thou know it not.

819

01:05:59,640 --> 01:06:02,220

- The Devil will speak scripture too!

- Thou know it not.

820

01:06:02,320 --> 01:06:04,140

- Tis not true!

- We are damned!

821

01:06:04,240 --> 01:06:05,685

Wake!

822

01:06:07,160 --> 01:06:08,940

Fetch the billhook, wife,

823

01:06:09,040 --> 01:06:12,060

and I will smite Jonas as Abraham

would have done his seed.

824

01:06:12,160 --> 01:06:13,420

No, stop it! Stop it!

825

01:06:13,520 --> 01:06:16,500

Fetch the billhook

and I will dash his skull!

826

01:06:16,600 --> 01:06:17,840

(SCREAMS)

827

01:06:17,960 --> 01:06:19,940

- No!

- Do you see?

828

01:06:20,040 --> 01:06:22,660

- Stop it...

- Do you see now?

829

01:06:22,760 --> 01:06:24,046

(KATHERINE SOBS)

830

01:06:24,160 --> 01:06:28,529

Please, father.

No, it's not safe. Not with them!

831

01:06:29,080 --> 01:06:31,321

Keep me from this goat.

832

01:06:32,160 --> 01:06:35,323

If that old billy be the Devil,
I'd have danced with him myself.

833

01:06:39,000 --> 01:06:43,820

I'll break thee out upon the dawn
and we'll set back to the plantation.

834

01:06:43,920 --> 01:06:45,820

Think on thy sins.

835

01:06:45,920 --> 01:06:49,003

(CRYING)

836

01:06:50,760 --> 01:06:53,411

(GOAT BREATHING)

837

01:07:03,760 --> 01:07:05,842

Are you witches?

838

01:07:08,280 --> 01:07:10,340

Does father think I am?

839

01:07:10,440 --> 01:07:11,805

Are you?

840

01:07:13,880 --> 01:07:15,405

No.

841

01:07:19,280 --> 01:07:21,328

Does he really speak to thee?

842

01:07:26,080 --> 01:07:28,606

(HEAVY BREATHING)

843

01:08:26,600 --> 01:08:28,284

(GRUNTS)

844

01:08:49,200 --> 01:08:51,567

It is my fault.

845

01:08:53,680 --> 01:08:56,570

(SOBS)

846

01:08:58,240 --> 01:09:00,288

I confess it.

847

01:09:02,280 --> 01:09:04,009

I confess it.

848

01:09:07,920 --> 01:09:09,700

(SOBS)

849

01:09:09,800 --> 01:09:12,041

Oh, my God.

850

01:09:12,680 --> 01:09:15,365

My own fault.

851

01:09:16,800 --> 01:09:20,771

I am infected with the filth of pride.

852

01:09:22,520 --> 01:09:24,740

I know it.

853

01:09:24,840 --> 01:09:26,444

I am.

854

01:09:28,040 --> 01:09:31,806

Dispose of me how Thou will't...

855

01:09:33,600 --> 01:09:36,410

yet redeem my children.

856

01:09:38,000 --> 01:09:41,971

They cannot tame their natural evils.

857

01:09:42,560 --> 01:09:45,370

(SOBS)

858

01:09:47,680 --> 01:09:52,049

I lie before Thee a coward...

859

01:09:53,680 --> 01:09:55,762

and Thine enemy.

860

01:09:56,600 --> 01:10:00,685

And I lick the dust of Thine earth.

861

01:10:04,120 --> 01:10:06,088

(SOBS)

862

01:10:09,000 --> 01:10:11,128

I beg thee.

863

01:10:12,200 --> 01:10:15,283

Save my children.

864

01:10:17,240 --> 01:10:20,620

I beg Thee, my Christ,

865

01:10:20,720 --> 01:10:24,441

I have not damned my family.

866

01:10:33,640 --> 01:10:36,246

(RUSTLING)

867

01:11:32,720 --> 01:11:34,961

(GASPS)

868

01:11:40,680 --> 01:11:45,527

Me lambs... me angels!

869

01:12:00,000 --> 01:12:03,561

(WHISPERING)

Mother, we have longed to see you so.

870

01:12:04,480 --> 01:12:06,244

As I to thee.

871

01:12:09,200 --> 01:12:13,620

I must wake thy father!

He will be so glad.

872

01:12:13,720 --> 01:12:17,930

(WHISPERING) No, let him sleep.

873

01:12:23,960 --> 01:12:26,380

(RUSTLING)

874

01:12:26,480 --> 01:12:27,845

(THUD)

875

01:12:32,840 --> 01:12:35,730

(HEAVY BREATHING)

876

01:12:39,560 --> 01:12:40,780

(BABY COOING)

877

01:12:40,880 --> 01:12:44,020

CALEB: (WHISPERING)

We would see you oft, Mother.

878

01:12:44,120 --> 01:12:47,010

- Would that please you?

- Aye.

879

01:12:48,040 --> 01:12:51,420

I have brought a book for you, Mother.

880

01:12:51,520 --> 01:12:54,980

- Will you look at it with me?

- Aye.

881

01:12:55,080 --> 01:12:58,300

Oh, one moment now. Samuel's hungry.

882

01:12:58,400 --> 01:12:59,660

(SAM CRYING)

883

01:12:59,760 --> 01:13:02,650

Oh, come, come, little Sam.

884

01:13:03,680 --> 01:13:05,523

Come, come.

885

01:13:08,000 --> 01:13:10,082

(SLURPING)

886

01:13:17,760 --> 01:13:20,161

Flora? Flora?

887

01:13:21,680 --> 01:13:23,808

(DRIPPING)

888

01:13:38,960 --> 01:13:42,407

- (LAUGHS)

- (SCREAMS)

889

01:13:42,960 --> 01:13:45,327

(CHOKING)

890

01:13:45,440 --> 01:13:46,965

(LAUGHS)

891

01:13:52,480 --> 01:13:54,448

(SIGHS)

892

01:15:30,000 --> 01:15:31,220

- (THUD)

- (WILLIAM GROANS)

893

01:15:31,320 --> 01:15:33,049

(SCREAMS)

894

01:15:40,600 --> 01:15:43,060

(MOANS)

895

01:15:43,160 --> 01:15:46,164

(GRUNTS)

896

01:16:08,040 --> 01:16:09,500

Corruption.

897

01:16:09,600 --> 01:16:11,170

Thou art my father.

898

01:16:11,760 --> 01:16:13,180

(GRUNTS)

899

01:16:13,280 --> 01:16:15,362

(SCREAMS)

900

01:17:15,720 --> 01:17:18,166

- What hast thou done?!

- (SCREAMS)

901

01:17:19,280 --> 01:17:21,620

- Where are they?

- I know not what I saw.

902

01:17:21,720 --> 01:17:23,700

- Where are they?!

- I did nothing!

903

01:17:23,800 --> 01:17:27,340

- She came from the sky! She...

- Devil!

904

01:17:27,440 --> 01:17:30,420

You have their blood upon thy hands!

905

01:17:30,520 --> 01:17:34,260

(CRYING)

906

01:17:34,360 --> 01:17:36,260

It is you!

907

01:17:36,360 --> 01:17:39,340

- It is you!

- I am your daughter!

908

01:17:39,440 --> 01:17:43,060

The Devil is in thee and have had thee.

909

01:17:43,160 --> 01:17:46,980

You're smeared of his sin.

You reek of Evil!

910

01:17:47,080 --> 01:17:49,700

- You've made a covenant with death!

- Mother!

911

01:17:49,800 --> 01:17:53,660

You bewitched thy brother, proud slut!

912

01:17:53,760 --> 01:17:56,940

Did you not think I saw

thy sluttish looks to him,

913

01:17:57,040 --> 01:17:59,500

bewitching his eye as any whore?

914

01:17:59,600 --> 01:18:01,820

- What say you to me?

- And thy father next!

915

01:18:01,920 --> 01:18:04,003

- No.

- (KATHERINE SOBS)

916

01:18:06,000 --> 01:18:08,580

You took them from me!

917

01:18:08,680 --> 01:18:10,300

- They are gone.

- No!

918

01:18:10,400 --> 01:18:13,300

- You killed my children!

- No!

919

01:18:13,400 --> 01:18:16,340

You killed thy father! You witch!

920

01:18:16,440 --> 01:18:18,522

I love you! I love you!

921

01:18:22,200 --> 01:18:23,531

(SCREAMS)

922

01:18:23,840 --> 01:18:25,490

(GASPING)

923

01:18:37,360 --> 01:18:41,500

(MOANS)

924

01:18:41,600 --> 01:18:44,809

(MUFFLED SCREAMS)

925

01:18:50,640 --> 01:18:53,723

(CRYING)

926

01:19:00,480 --> 01:19:03,245

(GASPING)

927

01:19:05,280 --> 01:19:07,681

(SOBBING)

928

01:19:40,120 --> 01:19:42,771

(BIRDS CHIRPING)

929

01:21:52,440 --> 01:21:55,489

(CHIMES)

930

01:23:07,200 --> 01:23:12,684

Black Phillip,

I conjure thee to speak to me.

931

01:23:17,480 --> 01:23:20,290

Speak as thou doth speak

to Jonas and Mercy.

932

01:23:28,000 --> 01:23:30,651

Dost thou understand my English tongue?

933

01:23:34,600 --> 01:23:36,648

Answer me.

934

01:23:49,520 --> 01:23:53,320

BLACK PHILLIP: What dost thou want?

935

01:23:56,920 --> 01:23:58,160

What canst thou give?

936

01:24:00,200 --> 01:24:04,728

BLACK PHILLIP: Wouldst thou like
the taste of butter?

937

01:24:05,720 --> 01:24:07,882

A pretty dress?

938

01:24:09,040 --> 01:24:13,090

Wouldst thou like to live deliciously?

939

01:24:14,360 --> 01:24:15,964

Yes.

940

01:24:17,600 --> 01:24:22,288

BLACK PHILLIP:

Wouldst thou like to see the world?

941

01:24:23,520 --> 01:24:25,329

What will you from me?

942

01:24:28,400 --> 01:24:32,200

BLACK PHILLIP:

Dost thou see a book before thee?

943

01:24:33,200 --> 01:24:36,010

(CHIMES)

944

01:24:41,520 --> 01:24:44,967

Remove thy shift.

945

01:25:07,920 --> 01:25:10,002

I cannot write my name.

946

01:25:11,800 --> 01:25:15,043

BLACK PHILLIP: I will guide thy hand.

947

01:25:36,560 --> 01:25:39,643

(WHISPERING)

948

01:25:57,720 --> 01:26:00,291

(CHANTING)
