176

00:09:11,691 --> 00:09:13,424

CHAIROL BURNETT:

Aw, how adorable.

177

00:09:13,523 --> 00:09:14,723

What you gonna name it?

178

00:09:14,824 --> 00:09:15,823

Uh, what about Dusty?

179

00:09:15,924 --> 00:09:17,008

- MELEPHANT BROOKS: Francis!

- CHAIROL BURNETT: Harry!

180

00:09:17,044 --> 00:09:18,090

- CARL REINEROCEROS: Karen!

- MELEPHANT BROOKS: Fuzzball!

181

00:09:18,126 --> 00:09:19,169

- LeBron?

- No, Fluffy.

182

00:09:19,205 --> 00:09:20,801

- How about Thumper?

- CHAIROL BURNETT: Tumbleweed!

183

00:09:20,837 --> 00:09:22,616

"Tumbleweed." Oh,

that's good. That's good.

184

00:09:22,652 --> 00:09:23,707

MELEPHANT BROOKS:

He's a cowboy,

185

00:09:23,743 --> 00:09:25,241

- so that makes a lot of sense.

- (SIGHS)

186

00:09:25,277 --> 00:09:26,676

So many choices.

187

00:09:26,712 --> 00:09:28,189

I just can't decide!

188

00:09:28,267 --> 00:09:29,076

BONNIE'S DAD: Bonnie?

189

00:09:29,112 --> 00:09:30,697

What are you doing?

We gotta go.

190

00:09:30,733 --> 00:09:31,234

You don't wanna be late

191

00:09:31,297 --> 00:09:32,971

for kindergarten

orientation, do you?

192

00:09:33,033 --> 00:09:35,690

But I don't wanna go.

193

00:09:35,761 --> 00:09:36,814

BONNIE'S DAD: (CHUCKLES)

We talked about this.

194

00:09:36,868 --> 00:09:37,893

We're gonna meet

your teachers,

195

00:09:37,955 --> 00:09:40,060

- see your classroom...

- Can I bring a toy?

196

00:09:40,123 --> 00:09:42,724

Toys don't go to school,

that's the rule.

197

00:09:44,722 --> 00:09:46,057

(DOOR CLOSES)

198

00:09:46,856 --> 00:09:48,223

Freeze! Nobody move!

199

00:09:48,324 --> 00:09:49,557

Bonnie always
forgets something.

200

00:09:49,650 --> 00:09:51,090

She'll be back any second.

201

00:09:51,190 --> 00:09:52,528

That goes for you, too, Hamm.

202

00:09:52,564 --> 00:09:53,697

But it's money!

203

00:09:54,323 --> 00:09:55,356

You all right, Woody?

204

00:09:55,456 --> 00:09:56,590

I'm sure she'll pick you
next time.

205

00:09:56,691 --> 00:09:58,986

Oh, come on, I'm fine.

No problem.

206

00:09:59,049 --> 00:09:59,948

Hey, Woody. Here.

207

00:10:00,002 --> 00:10:01,157

Oh, thanks, Jessie.

208

00:10:01,257 --> 00:10:03,390

We're here for you,
buddy.

209

00:10:03,491 --> 00:10:04,591

I don't want to play
the baker.

210

00:10:04,691 --> 00:10:05,332

Pricklepants.

211

00:10:05,402 --> 00:10:07,969

The hat shop owner is
the role I was born to play!

212

00:10:08,024 --> 00:10:09,451

All right, Pricklepants,
back to your bakery.

213

00:10:09,513 --> 00:10:10,276

Excuse me, Dolly?

214

00:10:10,339 --> 00:10:12,075

Woody, can't you see
I'm threatening everyone?

215

00:10:12,136 --> 00:10:12,642

Go back to the closet.

216

00:10:12,696 --> 00:10:14,251

Yeah, I know, I know.
It's just...

217

00:10:14,306 --> 00:10:15,556

I'm worried
about Bonnie.

218

00:10:15,592 --> 00:10:17,476

A toy should go with her
to orientation.

219

00:10:17,533 --> 00:10:19,635

Didn't you hear Dad?
You'll get Bonnie in trouble.

220

00:10:19,671 --> 00:10:21,432

Yeah, but kindergarten
is so different.

221

00:10:21,468 --> 00:10:23,136

It can be too much
for a kid.

222

00:10:23,191 --> 00:10:24,255

Having a buddy with them
to get through it

223

00:10:24,331 --> 00:10:25,410

can really help things.

224

00:10:25,465 --> 00:10:26,962

I remember with Andy,

I would go to school with him...

225

00:10:26,998 --> 00:10:28,272

Uh-huh. I'm sorry, Woody,

226

00:10:28,335 --> 00:10:29,610

I hate to sound

like a broken record...

227

00:10:29,646 --> 00:10:30,978

but Bonnie's not Andy.

228

00:10:31,014 --> 00:10:32,555

No, no, no, of course,

I get that.

229

00:10:32,591 --> 00:10:33,930

But if you would just...

230

00:10:34,008 --> 00:10:35,590

Places, everyone!

231

00:10:35,925 --> 00:10:36,690

(SIGHS)

232

00:10:36,790 --> 00:10:38,557

- (DOOR OPENS)

- (FOOTSTEPS RUNNING)

233

00:10:39,942 --> 00:10:41,342

(BONNIE CRYING)

234

00:10:49,117 --> 00:10:50,590

BONNIE'S MOM: Bonnie?

235

00:10:51,210 --> 00:10:52,852

What are you doing

back there?

236

00:10:52,938 --> 00:10:54,494

Come on, we have to go.

237

00:10:57,113 --> 00:10:58,876

- That's my big girl.

- (BONNIE SNIFFLES)

238

00:10:58,962 --> 00:11:01,941

Come on.

We gotta hurry, okay?

239

00:11:02,179 --> 00:11:04,055

Don't forget your backpack.

240

00:11:04,250 --> 00:11:07,116

BONNIE'S MOM: You're gonna
have so much fun.

241

00:11:08,440 --> 00:11:11,706

All right. Now what was it
you were saying, Woody?

242

00:11:12,377 --> 00:11:13,846

Woody?

243

00:11:21,221 --> 00:11:22,822

BONNIE'S MOM: Here we are.

244

00:11:26,029 --> 00:11:28,631

(CHILDREN CHATTERING
AND LAUGHING)

245

00:11:39,345 --> 00:11:41,666

BONNIE'S MOM: Bonnie, honey,
it'll be okay.

246

00:11:41,755 --> 00:11:43,874

WENDY: Hi! Are you Bonnie?

247

00:11:43,975 --> 00:11:45,124

My name is Miss Wendy.

248

00:11:45,201 --> 00:11:47,161

I'm going to be
your kindergarten teacher.

249

00:11:49,123 --> 00:11:52,300

We have a special place where
you can put your backpack.

250

00:11:52,357 --> 00:11:53,891

You want to see?

251

00:12:04,072 --> 00:12:05,606

(GIRLS CHATTERING)

252

00:12:13,688 --> 00:12:15,861

WENDY: Here we are, Bonnie.

Just for you.

253

00:12:15,940 --> 00:12:18,773

Okay, class,

let's all find a seat at a table...

254

00:12:18,836 --> 00:12:20,806

so we can

start craft time.

255

00:12:21,026 --> 00:12:22,040

On the first day of school,

256

00:12:22,140 --> 00:12:24,374

you'll need a place
to put your pencils.

257

00:12:24,474 --> 00:12:27,874

So, today, we're going
to make pencil holders.

258

00:12:28,351 --> 00:12:30,075

Now, everyone take a cup...

259

00:12:30,226 --> 00:12:33,760

and we'll use the art
supplies to decorate them.

260

00:12:35,040 --> 00:12:36,108

Hi.

261

00:12:38,127 --> 00:12:39,195

(GASPS)

262

00:12:41,295 --> 00:12:42,295

(WHIMPERS SOFTLY)

263

00:12:44,316 --> 00:12:45,316

(SPITS)

264

00:12:45,888 --> 00:12:47,022

(WOODY GROANS)

265

00:12:51,906 --> 00:12:53,639

(CHILDREN LAUGHING)

266

00:13:00,624 --> 00:13:01,639

(GRUNTS)

267

00:13:01,707 --> 00:13:03,074

(SNIFFLING)

268

00:14:01,906 --> 00:14:02,908

(WENDY CHUCKLES)

269

00:14:02,944 --> 00:14:05,558

Bonnie.

That is so clever.

270

00:14:05,598 --> 00:14:08,708

(SCATTING) "Hello, I'm Forky.

Nice to meet you!"

271

00:14:08,810 --> 00:14:10,684

Well, hello, Forky,

it's nice to meet you.

272

00:14:10,759 --> 00:14:12,092

I'm Miss Wendy.

273

00:14:14,822 --> 00:14:17,007

Mom! Dad!

Look what I made!

274

00:14:17,106 --> 00:14:18,139

His name is Forky!

275

00:14:18,240 --> 00:14:19,901

- (CHUCKLES) Wow!

- That is so cool!

276

00:14:19,994 --> 00:14:21,806

I finished kindergarten!

277

00:14:22,251 --> 00:14:23,372

- Uh...

- (INHALES SHARPLY)

278

00:14:23,419 --> 00:14:25,786

No. (STAMMERS)

That was just orientation.

279

00:14:25,856 --> 00:14:27,307

But for being

such a brave girl,

280

00:14:27,362 --> 00:14:28,766

we have a surprise

for you.

281

00:14:28,802 --> 00:14:29,592

What is it?

282

00:14:29,628 --> 00:14:30,477

BONNIE'S DAD:

Since school doesn't start

283

00:14:30,513 --> 00:14:33,550

for another week,

we are going on a road trip!

284

00:14:33,586 --> 00:14:35,473

- BONNIE: Can I bring Forky?

- BONNIE'S MOM: 'Course you can!

285

00:14:35,574 --> 00:14:36,906

BONNIE: Yay!

286

00:14:39,622 --> 00:14:41,489

(ZIPS BAG)

287

00:14:41,931 --> 00:14:45,073

And they said I shouldn't
go to school with Bonnie.

288

00:14:45,457 --> 00:14:48,122

We got this kindergarten thing
under control, eh?

289

00:14:48,192 --> 00:14:50,497

(SCOFFS) I can't believe
I'm talking to a spork.

290

00:14:50,533 --> 00:14:51,940

(CHUCKLES)

291

00:14:57,249 --> 00:14:59,152

- (SCREAMS)

- (GASPS)

292

00:15:00,111 --> 00:15:01,678

Hi, toys!

Bye, toys!

293

00:15:02,495 --> 00:15:04,029

WOODY: Ow.

294

00:15:04,553 --> 00:15:06,387

(WOODY GRUNTING)

295

00:15:07,004 --> 00:15:07,704

(TRIXIE GASPS)

296

00:15:07,782 --> 00:15:09,139

He did go

to kindergarten!

297

00:15:09,239 --> 00:15:10,131

- MR. POTATO HEAD: I knew it.

- No, no, no, guys, listen...

298

00:15:10,167 --> 00:15:11,387

You tryin' to get

Bonnie in trouble?

299

00:15:11,423 --> 00:15:12,518

No, of course not!

300

00:15:12,554 --> 00:15:13,906

You could have been

confiscated.

301

00:15:14,006 --> 00:15:15,640

- What does that mean?

- Taken away.

302

00:15:15,740 --> 00:15:17,048

- (GASPS) No!

- Or worse.

303

00:15:17,084 --> 00:15:18,218

You could've been lost!

304

00:15:18,254 --> 00:15:19,383

No, no, no, guys, listen.

305

00:15:19,419 --> 00:15:21,128

Bonnie had a great day

in class...

306

00:15:21,164 --> 00:15:22,604

and we're going

on a road trip.

307

00:15:22,640 --> 00:15:24,014

- Road trip?

- Vacation!

308

00:15:24,068 --> 00:15:24,857

Yee-haw!

309

00:15:24,912 --> 00:15:27,036

But then something

really weird happened.

310

00:15:27,083 --> 00:15:28,764

Bonnie made

a friend in class.

311

00:15:28,826 --> 00:15:29,490

What a kid.

312

00:15:29,537 --> 00:15:30,915

Oh, she's already

making friends.

313

00:15:30,985 --> 00:15:34,107

No, no. She literally made
a new friend.

314

00:15:34,386 --> 00:15:36,303

Hey, it's okay.

315

00:15:36,339 --> 00:15:37,970

Come on out.

That's it.

316

00:15:38,006 --> 00:15:40,436

- (FORKY WHIMPERING)

- Come on, there you go.

317

00:15:40,514 --> 00:15:42,535

(ALL GASPING)

318

00:15:42,629 --> 00:15:44,639

Come on, let's get
you out of there.

319

00:15:44,686 --> 00:15:46,082

- You got this.

- (FORKY EXCLAIMS)

320

00:15:46,137 --> 00:15:48,038

Good. Good.

321

00:15:48,090 --> 00:15:51,253

Everyone, I want you
to meet Forky.

322

00:15:51,315 --> 00:15:52,924

- SLINKY: Golly bob howdy!

- MR. POTATO HEAD: Look at that!

323

00:15:53,023 --> 00:15:55,189

Look how long
his arms are!

324

00:15:55,289 --> 00:15:57,189

- Trash?

- (CHUCKLES) No.

325

00:15:57,290 --> 00:15:59,057

No, toys.

326

00:15:59,156 --> 00:16:00,910

They're all toys.

327

00:16:00,988 --> 00:16:02,924

(STUTTERING)

328

00:16:03,024 --> 00:16:04,624

- Trash?

- No, no, no.

329

00:16:04,724 --> 00:16:06,132

That's the trash.

330

00:16:06,202 --> 00:16:07,924

These are your friends.

331

00:16:08,024 --> 00:16:09,437

- ALL: Hi!

- (SCREAMS)

332

00:16:09,499 --> 00:16:11,123

- (WOODY GASPS)

- Trash!

333

00:16:11,223 --> 00:16:12,323

- (SHUSHING) No, no, it's okay.

- FORKY: Trash!

334

00:16:12,423 --> 00:16:14,091

TRIXIE: Woody,

I have a question.

335

00:16:14,190 --> 00:16:15,468

Um, well, actually,

not just one,

336

00:16:15,504 --> 00:16:16,824

I have all of them.

337

00:16:16,924 --> 00:16:18,223

I have all the questions.

338

00:16:18,322 --> 00:16:20,046

Uh, why does he want

to go to the trash?

339

00:16:20,093 --> 00:16:21,691

Because he was made
from trash.

340

00:16:21,754 --> 00:16:22,323

FORKY: Trash!

341

00:16:22,359 --> 00:16:24,158

Look, I know
this is a little strange,

342

00:16:24,230 --> 00:16:25,299

but you gotta trust me
on this.

343

00:16:25,359 --> 00:16:25,866

FORKY: Trash?

344

00:16:25,928 --> 00:16:30,161

Forky is the most important
toy to Bonnie right now.

345

00:16:30,205 --> 00:16:31,088

MR. PRICKLEPANTS: Important?

346

00:16:31,141 --> 00:16:32,035

He's a spork.

347

00:16:32,105 --> 00:16:34,178

Yes. Yeah, I know,

but this spork...

348

00:16:34,264 --> 00:16:36,255

this toy is crucial to Bonnie

349

522

00:23:38,682 --> 00:23:40,114

(EXCLAIMS ANGRILY)

523

00:23:40,293 --> 00:23:42,848

(GRUNTS) Okay.

Doing it for Bonnie.

524

00:23:42,948 --> 00:23:45,263

Doing this for Bonnie,
you're doing it for Bonnie.

525

00:23:45,357 --> 00:23:48,466

Okay, like it or not,
you are a toy.

526

00:23:48,528 --> 00:23:50,047

Maybe you don't like
being one,

527

00:23:50,147 --> 00:23:51,437

but you are one
nonetheless.

528

00:23:51,515 --> 00:23:52,638

Which means
you are going

529

00:23:52,724 --> 00:23:53,920

to be there for Andy
when he...

530

00:23:53,976 --> 00:23:55,276

Who's Andy?

531

00:23:56,179 --> 00:23:57,247

I mean, Bonnie.

532

00:23:57,348 --> 00:23:59,048

You have to be there

for Bonnie.

533

00:23:59,147 --> 00:24:00,913

That is your job.

534

00:24:01,013 --> 00:24:02,235

Well, what's your job?

535

00:24:02,305 --> 00:24:04,911

Well, right now,

it's to make sure you do yours.

536

00:24:04,982 --> 00:24:06,380

- Carry me?

- No!

537

00:24:12,619 --> 00:24:13,720

Who's Andy?

538

00:24:15,701 --> 00:24:17,848

Andy was my other kid.

539

00:24:18,164 --> 00:24:19,849

You had another kid?

540

00:24:19,948 --> 00:24:20,948

Yeah, yeah.

541

00:24:21,047 --> 00:24:22,515

For a long time.

542

00:24:24,241 --> 00:24:26,334

And it was pretty great.

543

00:24:26,934 --> 00:24:28,880

I was a favorite toy,

actually.

544

00:24:30,236 --> 00:24:32,516

Running the room

was my job.

545

00:24:32,641 --> 00:24:33,809

Keeping all the toys

in place...

546

00:24:33,887 --> 00:24:36,657

FORKY: So, he thought

Andy's room was a planet?

547

00:24:36,727 --> 00:24:38,593

(CHUCKLES) Wow,

that is messed up.

548

00:24:38,671 --> 00:24:39,205

WOODY: Right!

549

00:24:39,241 --> 00:24:41,296

That's exactly what I thought

when he first showed up.

550

00:24:41,367 --> 00:24:43,890

FORKY: (LAUGHS) Yeah. I mean,
how is that not annoying?

551

00:24:43,972 --> 00:24:45,991

- Thank you!

- Seriously, that is the...

552

00:24:46,158 --> 00:24:47,700

Well, then you
watch 'em grow up

553

00:24:47,775 --> 00:24:49,764

and become a full person.

554

00:24:51,739 --> 00:24:53,180

And then they leave.

555

00:24:53,610 --> 00:24:55,806

They go off and do things
you'll never see.

556

00:24:58,142 --> 00:25:00,734

Don't get me wrong,
you still feel good about it.

557

00:25:00,770 --> 00:25:02,423

But then somehow
you find yourself,

558

00:25:02,517 --> 00:25:03,908

after all those years...

559

00:25:03,979 --> 00:25:07,306

sitting in a closet
just feeling...

560

00:25:07,383 --> 00:25:08,582

Useless?

561

00:25:10,094 --> 00:25:11,080

Yeah.

562

00:25:11,377 --> 00:25:13,436

Your purpose fulfilled?

563

00:25:13,614 --> 00:25:15,127

Exactly.

564

00:25:15,198 --> 00:25:17,223

Woody, I know

what your problem is.

565

00:25:17,285 --> 00:25:17,995

You do?

566

00:25:18,089 --> 00:25:19,648

You're just like me.

567

00:25:19,833 --> 00:25:20,844

Trash!

568

00:25:20,880 --> 00:25:22,777

What is it with

you and trash?

569

00:25:22,897 --> 00:25:24,180

- It's warm.

- Ew.

570

00:25:24,281 --> 00:25:25,615

- It's cozy.

- I guess.

571

00:25:25,715 --> 00:25:26,578

And safe!

572

00:25:26,614 --> 00:25:28,460

Like somebody's

whispering in your ear,

573

00:25:28,515 --> 00:25:30,547

"Everything's gonna

be okay."

574

00:25:30,647 --> 00:25:32,723

Forky, that's it.

575

00:25:32,793 --> 00:25:35,599

That's how Bonnie feels
when she's with you.

576

00:25:35,670 --> 00:25:37,247

- She does?

- Yes!

577

00:25:39,571 --> 00:25:40,772

Wait a sec.

578

00:25:42,065 --> 00:25:43,797

- You mean she thinks I'm warm?

- Yep.

579

00:25:43,833 --> 00:25:45,048

- And cozy?

- Uh-huh.

580

00:25:45,148 --> 00:25:46,762

And sometimes

kinda squishy?

581

00:25:46,848 --> 00:25:48,103

Well, that, too. Yes.

582

00:25:48,204 --> 00:25:49,880

(GASPS) I get it now.

583

00:25:49,965 --> 00:25:51,111

I'm Bonnie's trash.

584

00:25:51,147 --> 00:25:52,047

Yes! Wait, what?

585

00:25:52,148 --> 00:25:53,569

I am Bonnie's trash!

586

00:25:53,605 --> 00:25:54,514

No, no, no, not exactly.

587

00:25:54,615 --> 00:25:55,943

She must be feeling

awful without me.

588

00:25:55,979 --> 00:25:57,548

Woody, we got to get
going, she needs me!

589

00:25:57,647 --> 00:25:59,269

- Yeah... Whoa, whoa.
- Hey, Bonnie, I'm coming!

590

00:25:59,331 --> 00:26:00,653

Forky, slow down! Forky!

591

00:26:00,708 --> 00:26:02,218

FORKY: Bonnie, I'm coming!

592

00:26:02,289 --> 00:26:03,247

WOODY: Forky!

593

00:26:26,534 --> 00:26:28,856

Forky, look.
Bonnie's right over there.

594

00:26:28,892 --> 00:26:30,281

(GASPS) Hurry!

595

00:26:30,498 --> 00:26:31,798

- (CHUCKLES)

- (FORKY PANTING)

596

00:26:35,297 --> 00:26:36,498

FORKY: Whoo!

597

00:26:51,358 --> 00:26:52,860

Huh? Woody?

598

00:26:58,686 --> 00:26:59,887

Bo?

599

00:27:08,341 --> 00:27:09,609

Woody?

600

00:27:13,966 --> 00:27:16,328

Aren't we going to Bonnie?

601

00:27:16,364 --> 00:27:18,986

I know, I know.

But my friend might be in there.

602

00:27:19,119 --> 00:27:19,947

Friend?

603

00:27:20,047 --> 00:27:21,733

Oh, a friend, uh...

604

00:27:21,851 --> 00:27:23,147

Well, a friend is...

605

00:27:23,248 --> 00:27:25,051

Well, a friend is

like you and me.

606

00:27:25,087 --> 00:27:26,859

- Trash?

- Trash, like... Yes.

607

00:27:26,895 --> 00:27:28,871

And I'm very worried

that she might be lost.

608

00:27:28,907 --> 00:27:30,967

But, Woody,

Bonnie's right there.

609

00:27:31,003 --> 00:27:33,364

Yeah, we'll have you back

before she wakes up. Come on.

610

00:27:33,419 --> 00:27:35,280

(WOODY GRUNTING)

611

00:27:43,184 --> 00:27:44,418

WOODY: Bo?

612

00:27:44,682 --> 00:27:45,783

FORKY: Bo?

613

00:27:47,646 --> 00:27:48,451

Bo?

614

00:27:48,518 --> 00:27:49,619

Bo?

615

00:27:51,146 --> 00:27:53,872

- WOODY: Bo?

- Bo?

616

00:27:53,911 --> 00:27:55,031

WOODY: Bo?

617

00:27:55,101 --> 00:27:56,295

FORKY: Bo.

618

00:27:56,357 --> 00:27:58,234

Bo, Bo, Bo...

619

00:27:58,304 --> 00:28:00,211

(FORKY BLABBERING)

620

00:28:00,290 --> 00:28:01,609

- WOODY: Bo?

- Bo?

621

00:28:01,671 --> 00:28:05,582

(FORKY CONTINUES BLABBERING)

622

00:28:05,631 --> 00:28:06,931

Can we go back

to Bonnie now?

623

00:28:07,031 --> 00:28:08,264

I don't see your friend.

624

00:28:08,363 --> 00:28:09,830

Yeah, okay.

625

00:28:09,930 --> 00:28:11,257

She's not in here.

626

00:28:11,359 --> 00:28:12,530

Come on, let's go.

627

00:28:12,631 --> 00:28:14,531

(WHEELS SQUEAKING)

628

00:28:16,730 --> 00:28:18,664

- (GASPS)

- (FORKY EXCLAIMS)

629

00:28:24,079 --> 00:28:25,314

Is that Bo?

630

00:28:27,404 --> 00:28:28,604

(BOTH EXCLAIM)

631

00:28:29,664 --> 00:28:32,264

Uh... (CHUCKLES NERVOUSLY)

Hey, howdy.

632

00:28:32,364 --> 00:28:33,628

Hey there.

633

00:28:33,664 --> 00:28:34,633

Uh, sorry to

bother you, but...

634

00:28:34,669 --> 00:28:37,631

GABBY GABBY: Why,

you're not a bother at all.

635

00:28:38,005 --> 00:28:40,196

We were just out for
my early morning stroll.

636

00:28:40,232 --> 00:28:41,675

And look... (GIGGLES)

637

00:28:41,711 --> 00:28:43,161

we met you!

638

00:28:43,197 --> 00:28:44,671

My name is Gabby Gabby.

639

00:28:44,707 --> 00:28:47,236

And this is my
very good friend Benson.

640

00:28:47,272 --> 00:28:49,231

Oh, uh, Woody.
Pleasure to meet you.

641

00:28:49,330 --> 00:28:52,581

Well, it's nice to meet you,
Woody. And you are...?

642

00:28:52,617 --> 00:28:53,614

This is Forky.

643

00:28:53,650 --> 00:28:54,631

I'm trash.

644

00:28:54,730 --> 00:28:56,630

(STAMMERS)

Our kid made him.

645

00:28:56,730 --> 00:28:59,200

Kid? Toys around here
don't have kids.

646

00:28:59,236 --> 00:29:00,566

Are you two lost?

647

00:29:00,602 --> 00:29:02,312

Lost? (CHUCKLES)

No, no.

648

00:29:02,348 --> 00:29:05,007

But we are looking
for a lost toy.

649

00:29:05,085 --> 00:29:07,965

She's a figurine. Used to be
on that lamp in the window?

650

00:29:08,022 --> 00:29:09,022

Name's Bo Peep?

651

00:29:09,122 --> 00:29:10,018

Bo Peep?

652

00:29:10,054 --> 00:29:12,457

- Oh, yes, I know Bo.
- You do?

653

00:29:12,535 --> 00:29:14,054

Hop on in.
We'll take you to her.

654

00:29:14,090 --> 00:29:15,971

Oh, you don't have
to do that.

655

00:29:16,028 --> 00:29:17,296

Well, okay.

656

00:29:18,126 --> 00:29:18,880

(WOODY GROANS)

657

00:29:18,943 --> 00:29:21,545

Benson, be careful
with our new friends.

658

00:29:23,488 --> 00:29:24,755

Wow, what service.

659

00:29:24,855 --> 00:29:26,822

(OLD JAZZ MUSIC PLAYING)

660

00:29:30,721 --> 00:29:32,871

Uh... (CLEARS THROAT)

Thank you for your help.

661

00:29:32,907 --> 00:29:34,233

I haven't seen Bo

in years.

662

00:29:34,269 --> 00:29:36,372

May I ask,

when were you made?

663

00:29:36,408 --> 00:29:37,676

Me? Uh...

664

00:29:37,712 --> 00:29:39,391

I'm not sure.

Late '50s?

665

00:29:39,461 --> 00:29:40,459

(GASPS) Me, too!

666

00:29:40,495 --> 00:29:42,692

Gee, I wonder if we were made

in the same factory.

667

00:29:42,786 --> 00:29:44,457

Wouldn't that be something?

668

00:29:44,527 --> 00:29:46,825

I gotta say,

you are in great condition.

669

00:29:46,959 --> 00:29:50,022

Well, I try

to stay active.

670

00:29:50,207 --> 00:29:51,181

And look at that,

671

00:29:51,217 --> 00:29:52,888

you have

a voice box like me.

672

00:29:52,924 --> 00:29:54,589

Benson, show him.

673

00:29:54,688 --> 00:29:57,322

Oh, that's really

not necessary.

674

00:30:01,263 --> 00:30:02,488

VOICE BOX: <i>I'm Gabby Gabby</i>

675

00:30:02,589 --> 00:30:04,822

(DISTORTED)

<i>and I love you.</i>

676

00:30:04,895 --> 00:30:06,895

Wow, you need

to fix that.

677

00:30:07,761 --> 00:30:09,588

My record works just fine.

678

00:30:09,689 --> 00:30:11,797

It's the voice box

that's broken.

679

00:30:11,883 --> 00:30:13,144

Does yours still work?

680

00:30:13,180 --> 00:30:13,721

Hey!

681

00:30:13,822 --> 00:30:15,652

VOICE BOX:

<i>There's a snake in my boot!</i>

682

00:30:15,723 --> 00:30:17,906

Listen to that!

Let's see it.

683

00:30:17,942 --> 00:30:18,907

I bet it's the same type.

684

00:30:18,943 --> 00:30:21,382

(STAMMERS) No, thanks,
mine's sewn inside.

685

00:30:21,452 --> 00:30:23,055

Is Bo around here?

Because we need...

686

00:30:23,156 --> 00:30:24,756

(CLOCK CHIMING)

687

00:30:25,560 --> 00:30:26,202

GABBY GABBY: Oh.

688

00:30:26,238 --> 00:30:27,923

The store is about to open.

689

00:30:28,123 --> 00:30:30,142

Don't worry, we'll take you
where no one will see us.

690

00:30:30,220 --> 00:30:31,871

Oh, no. We can't stay.

691

00:30:31,973 --> 00:30:33,692

(GIGGLES) Yes, you can.

692

00:30:33,797 --> 00:30:35,197

(FOOTSTEPS APPROACHING)

693

00:30:39,632 --> 00:30:40,632

(FORKY WHIMPERS)

694

00:30:45,017 --> 00:30:46,005

We gotta go.

695

00:30:46,111 --> 00:30:49,238

You can't leave yet.

You have what I need.

696

00:30:49,377 --> 00:30:53,010

Right inside there.

697

00:30:53,188 --> 00:30:54,833

MARGARET: Returned that lamp
the next day.

698

00:30:54,895 --> 00:30:55,889

HARMONY'S MOM:

You're kidding me!

699

00:30:55,989 --> 00:30:57,835

HARMONY: Mom, can we go
to the park now?

700

00:30:57,905 --> 00:30:59,039

Harmony!

701

00:30:59,819 --> 00:31:01,152

(WOODY YELLS)

702

00:31:01,506 --> 00:31:03,022

Stop him, please.

703

00:31:03,159 --> 00:31:04,660

(PANTING)

704

00:31:10,526 --> 00:31:12,060

(STRAINING)

705

00:31:12,250 --> 00:31:13,455

(GRUNTS)

706

00:31:13,556 --> 00:31:14,744

What's going on?

707

00:31:14,822 --> 00:31:16,455

(FORKY WHIMPERING)

708

00:31:16,583 --> 00:31:17,901

Come on! Let's go!

709

00:31:17,937 --> 00:31:20,151

He's coming, he's coming!

I see him!

710

00:31:20,191 --> 00:31:21,989

Forky? We got

to get out of...

711

00:31:22,308 --> 00:31:23,275

Woody!

712

00:31:26,842 --> 00:31:27,843

(GASPS)

713

00:31:30,160 --> 00:31:32,300

VOICE BOX: <i>I'd like
to join your posse, boys.</i>

714

00:31:32,336 --> 00:31:34,567

<i>But first, I'm gonna sing
a little song.</i>

715

00:31:41,248 --> 00:31:43,109

Grandma, look what I found.

716

00:31:43,145 --> 00:31:44,992

- Can I take it to the park?

- Sure.

717

00:31:45,031 --> 00:31:47,787

Mom, she has enough toys
from the store.

718

00:31:47,850 --> 00:31:51,015

Oh, it's fine.

Nobody buys the toys anyway.

719

00:31:51,093 --> 00:31:52,790

(GIGGLES)

Thanks, Grandma!

720

00:31:54,877 --> 00:31:56,878

- VOICE BOX: <i>Yee-haw!</i>

- (GIGGLES)

721

00:31:57,714 --> 00:31:59,234

Mom, can we go

to the carnival?

722

00:31:59,320 --> 00:32:00,880

HARMONY'S MOM: We're going
to the park.

723

00:32:00,981 --> 00:32:02,294

Maybe later, sweetie.

724

00:32:04,646 --> 00:32:06,146

(BIRDS CHIRPING)

725

00:32:09,246 --> 00:32:10,580

Any sign of Woody?

726

00:32:10,680 --> 00:32:11,914

- I don't see him!

- Shh!

727

00:32:12,646 --> 00:32:13,981

(BONNIE MOANING)

728

00:32:14,079 --> 00:32:16,040

JESSIE: Maybe we should
have gone with the fork.

729

00:32:16,110 --> 00:32:17,146

The spoon is safer.

730

00:32:17,246 --> 00:32:18,480

Mmm.

731

00:32:18,581 --> 00:32:19,981

(ALL GASP)

732

00:32:20,079 --> 00:32:21,481

(YAWNS)

733

00:32:21,580 --> 00:32:23,548

(GASPS) Forky?

734

00:32:23,764 --> 00:32:24,931

Where's Forky?

735

00:32:25,829 --> 00:32:27,291

(WHIMPERS) Mom! Dad!

736

00:32:27,353 --> 00:32:28,422

- What's wrong, honey?

- BONNIE'S MOM: Are you okay?

737

00:32:28,458 --> 00:32:30,358

I can't find Forky!

He's missing!

738

00:32:30,436 --> 00:32:32,285

Oh, Bonnie,
it'll be all right.

739

00:32:32,347 --> 00:32:33,955

I'm sure
he's here somewhere.

740

00:32:34,017 --> 00:32:35,147

You know,
if you don't find him,

741

00:32:35,247 --> 00:32:36,206

you can make a new one.

742

00:32:36,292 --> 00:32:38,915

No! There's only
one Forky!

743

00:32:38,951 --> 00:32:39,747

BONNIE'S DAD: Uh...

744

00:32:39,848 --> 00:32:41,013

Let's go look outside.

745

00:32:41,114 --> 00:32:43,211

Maybe he fell on
the ground somewhere.

746

00:32:43,247 --> 00:32:44,728

Oh, poor Bonnie.

747

00:32:44,795 --> 00:32:45,761

BONNIE'S MOM: We're gonna
find him, okay?

748

00:32:45,797 --> 00:32:48,443

BONNIE: We have to find him,
Mom. He needs me.

749

00:32:48,479 --> 00:32:49,512

Woody was right.

750

00:32:49,548 --> 00:32:51,614

We all should have been
safeguarding the utensil.

751

00:32:51,713 --> 00:32:52,780

Why isn't Woody back yet?

752

00:32:52,881 --> 00:32:54,180

(GASPS) Do you think

he's lost?

753

00:32:54,280 --> 00:32:55,847

- Buzz, what do we do?

- What do we do, Buzz?

754

00:32:55,948 --> 00:32:57,581

Buzz, what do we do?

What do we do, Buzz?

755

00:32:57,680 --> 00:32:59,295

- What do we do, Buzz? Buzz!

- I, uh...

756

00:32:59,334 --> 00:33:00,748

- Buzz.

- What would Woody do?

757

00:33:00,847 --> 00:33:02,547

HAMM: Eh, jump out
of a moving vehicle.

758

00:33:02,647 --> 00:33:04,146

What would Woody do?

759

00:33:05,179 --> 00:33:06,547

VOICE BOX:

<i>It's a secret mission</i>

760

00:33:06,648 --> 00:33:08,481

<i>in uncharted space. Let's go!</i>

761

00:33:08,580 --> 00:33:11,123

I think I have to go.

762

00:33:11,201 --> 00:33:12,513

- Where?

- Where you goin'? Why?

763

00:33:12,549 --> 00:33:13,480

TRIXIE: Should we all go?

764

00:33:13,581 --> 00:33:14,179

- Are we going?

- HAMM: And then what?

765

00:33:14,215 --> 00:33:15,675

VOICE BOX: *No time to explain!*

Attack!

766

00:33:15,769 --> 00:33:17,614

No time to explain!

767

00:33:17,714 --> 00:33:18,535

- HAMM: Oh, no!

- JESSIE: Buzz!

768

00:33:18,571 --> 00:33:20,815

Okay, what is with everyone
jumping out the window?

769

00:33:22,646 --> 00:33:23,880

(GRUNTS)

770

00:33:28,980 --> 00:33:31,547

Woody and Forky were
last seen on the highway.

771

00:33:31,647 --> 00:33:33,213

But where is the highway?

772

00:33:33,314 --> 00:33:35,417

VOICE BOX: *The slingshot
maneuver is all we've got!*

773

00:33:35,495 --> 00:33:37,714

Full speed ahead!

774

00:33:37,813 --> 00:33:39,680

(PEOPLE EXCLAIMING)

775

00:33:39,982 --> 00:33:41,348

Thanks, inner voice!

776

00:33:44,949 --> 00:33:46,316

(WOMAN WHOOPING)

777

00:33:47,847 --> 00:33:49,047

Hi-ya!

778

00:33:52,237 --> 00:33:53,238

The highway.

779

00:33:53,938 --> 00:33:55,339

On my way, Woody!

780

00:33:59,739 --> 00:34:00,905

(GASPS)

781

00:34:02,672 --> 00:34:03,873

(GROANS)

782

00:34:07,405 --> 00:34:08,873

(EXCLAIMS)

783

00:34:13,804 --> 00:34:15,105

Rad.

784

00:34:16,405 --> 00:34:17,873

AXEL: Hey! Step right up!

785

00:34:17,972 --> 00:34:18,660

Put your money down!

786

00:34:18,696 --> 00:34:19,797

Get yourself

a real Buzz Lightyear!

787

00:34:19,833 --> 00:34:21,873

Hey! Hey!

788

00:34:22,371 --> 00:34:24,072

(METAL CREAKING)

789

00:34:27,037 --> 00:34:29,338

Harmony, honey.

Sunscreen.

790

00:34:29,439 --> 00:34:30,639

Okay.

791

00:34:30,738 --> 00:34:32,905

Be right back, Mr. Cowboy.

792

00:34:37,327 --> 00:34:38,928

(PANTING)

793

00:34:40,939 --> 00:34:44,044

Okay. Antique store,

antique store...

794

00:34:44,119 --> 00:34:45,254

Oh, that way!

795

00:34:48,503 --> 00:34:49,970

(GRUNTING)

796

00:34:56,261 --> 00:34:57,361

(EXCLAIMS)

797

00:34:58,786 --> 00:35:00,319

(CHILDREN CHATTERING
EXCITEDLY)

798

00:35:03,229 --> 00:35:05,329

Did you see 'em?

How many are there?

799

00:35:05,430 --> 00:35:07,730

- WOODY: Whoa, whoa.

- We got a busload of campers!

800

00:35:07,830 --> 00:35:09,964

- (TOYS GRUNTING)

- COMBAT CARL: Here they come!

801

00:35:10,064 --> 00:35:11,330

- WOODY: Huh?

- COMBAT CARL: Playtime, baby!

802

00:35:11,964 --> 00:35:13,864

(RUMBLING)

803

00:35:13,964 --> 00:35:15,364

(CHILDREN CHATTERING)

804

00:35:16,095 --> 00:35:18,030

(KID WHOOPING)

805

00:35:21,497 --> 00:35:22,964

(BOY GASPS)

806

00:35:24,230 --> 00:35:26,831

Oh, baby!

It's a good day to play, huh?

807

00:35:26,931 --> 00:35:28,296

Am I right? (LAUGHS)

808

00:35:28,396 --> 00:35:29,430

(SHEEP BLEATING)

809

00:35:31,362 --> 00:35:32,363

Huh?

810

00:35:34,897 --> 00:35:36,097

(GASPS)

811

00:35:41,162 --> 00:35:43,998

LISA: "Hello, Mr. Cowboy.

How are you today?

812

00:35:44,068 --> 00:35:46,364

"Do you like riding horses?"

813

00:35:56,163 --> 00:35:58,063

BETH: Wanna play

on the swings?

814

00:35:58,163 --> 00:35:59,264

LISA: Wait for me!

815

00:36:00,362 --> 00:36:01,897

- Bo?

- (GIRLS GIGGLING)

816

00:36:01,997 --> 00:36:03,129

Come on.

817

00:36:10,129 --> 00:36:11,697

(WOODY YELLS, GRUNTS)

818

00:36:12,363 --> 00:36:13,297

Bo!

819

00:36:13,333 --> 00:36:15,035

(LAUGHS) Oh, I can't

believe it's you!

820

00:36:15,128 --> 00:36:15,879

Bo Peep!

821

00:36:15,915 --> 00:36:17,998

I never thought

I'd see you again!

822

00:36:18,096 --> 00:36:20,196

(BOTH CHUCKLE AWKWARDLY)

823

00:36:22,761 --> 00:36:24,477

- So, which kid is yours?

- WOODY: Which one is yours?

824

00:36:24,513 --> 00:36:25,620

- BO PEEP: None.

- No one.

825

00:36:25,656 --> 00:36:27,627

- Wait, you're a lost toy?

- You're a lost toy?

826

00:36:27,688 --> 00:36:29,355

- That's awful.

- That's great.

827

00:36:29,455 --> 00:36:31,855

- Huh?

- I mean, awfully great...

828

00:36:31,956 --> 00:36:34,823

- that you are lost out here.

- (RUSTLING)

829

00:36:34,922 --> 00:36:38,088

- (GASPS) Skunk, skunk, skunk!

- BO PEEP: Watch out!

830

00:36:38,188 --> 00:36:40,255

- (YELPS) Huh?

- (WHIRRING)

831

00:36:42,089 --> 00:36:43,855

I told you

not to drive so fast.

832

00:36:43,955 --> 00:36:45,221

You almost ran him over.

833

00:36:45,622 --> 00:36:47,023

(BLEATING)

834

00:36:47,121 --> 00:36:48,222

Oh, hey, guys!

835

00:36:48,321 --> 00:36:49,822

(LAUGHS) Whoa! Hold on there!

836

00:36:49,922 --> 00:36:51,822

Okay! I missed you, too.

837

00:36:51,922 --> 00:36:54,822

If it isn't Bobby? Gus?

838

00:36:54,922 --> 00:36:55,595

Uh...

839

00:36:55,673 --> 00:36:56,916

Lefty?

840

00:36:56,979 --> 00:36:58,221

Billy, Goat, and Gruff.

841

00:36:58,322 --> 00:37:00,122

Right! Right! Right!

Sorry, guys.

842

00:37:00,221 --> 00:37:02,088

- BO PEEP: Girls.

- Girls! Of course!

843

00:37:02,188 --> 00:37:03,255

(BLEATING)

844

00:37:03,355 --> 00:37:04,508

BO PEEP:

All right, all right.

845

00:37:04,578 --> 00:37:07,477

Okay, let's get a look at you.

You need any repairs?

846

00:37:07,562 --> 00:37:09,556

- Repairs? No, I'm fine.

- (BLEATING)

847

00:37:09,656 --> 00:37:11,856

Hey! Nice find, girls.

848

00:37:11,956 --> 00:37:13,579

Where did you get

all this stuff?

849

00:37:13,626 --> 00:37:14,421

Here and there.

850

00:37:14,522 --> 00:37:17,247

You know, some kids

play rougher than others...

851

00:37:17,341 --> 00:37:18,678

(CHUCKLES) so I try

to be prepared.

852

00:37:18,714 --> 00:37:20,445

How long have you been

out on your own?

853

00:37:20,481 --> 00:37:22,558

Seven fantastic years!

854

00:37:22,636 --> 00:37:23,263

Seven?

855

00:37:23,299 --> 00:37:25,922

You would not believe
the things I've seen.

856

00:37:26,022 --> 00:37:27,188

- (BLEATING)

- Uh, no.

857

00:37:27,288 --> 00:37:28,481

- Gigs.

- GIGGLE: Yo!

858

00:37:28,567 --> 00:37:30,856

Come on out.

There's someone I want you to meet.

859

00:37:30,955 --> 00:37:32,189

Be right down.

860

00:37:36,380 --> 00:37:38,793

What's the situation?

We heading out of town or...

861

00:37:38,829 --> 00:37:40,391

Whoa! Who's this?

862

00:37:40,477 --> 00:37:42,280

You remember the rag doll

I told you about?

863

00:37:42,380 --> 00:37:43,452

- The cowboy?

- Yep!

864

00:37:43,545 --> 00:37:47,480

No way! (LAUGHS)

865

00:37:47,579 --> 00:37:50,081

- BO PEEP: Don't stare.

- GIGGLE: I'm totally staring.

866

00:37:50,180 --> 00:37:52,480

Woody, this is

Giggle McDimples.

867

00:37:52,580 --> 00:37:53,268

(GIGGLES)

868

00:37:53,304 --> 00:37:54,675

Oh, hi, Giggle.

869

00:37:54,753 --> 00:37:56,947

Whoa, you didn't tell me
he was a cop.

870

00:37:57,047 --> 00:37:57,990

Howdy, Sheriff.

871

00:37:58,026 --> 00:37:59,513

Officer Giggle McDimples.

872

00:37:59,613 --> 00:38:01,537

I run Pet Patrol
for Mini-Opolis.

873

00:38:01,616 --> 00:38:02,717

Yeah, search and rescue.

874

00:38:02,772 --> 00:38:03,950

Ants, caterpillars,

875

00:38:03,986 --> 00:38:05,714

- miniature poodles, spiders.

- COMBAT CARL: Hut! Hut! Hut!

876

00:38:05,813 --> 00:38:07,177

Carl! Where you headed?

877

00:38:07,239 --> 00:38:09,213

Combat Carl just heard

there's a birthday party...

878

00:38:09,313 --> 00:38:10,614

at the playground

on Main Street.

879

00:38:10,714 --> 00:38:12,480

Rumor has it

they got two pinatas.

880

00:38:12,580 --> 00:38:14,968

- That could be 20 to 30 kids.

- Nice!

881

00:38:15,054 --> 00:38:18,146

Oh, yeah! Combat Carl's
gettin' played with!

882

00:38:18,579 --> 00:38:19,448

You guys in?

883

00:38:19,510 --> 00:38:22,380

You bet!

Woody, you are gonna love this!

884

00:38:22,479 --> 00:38:24,213

Uh, no,
I can't, sir.

885

00:38:24,312 --> 00:38:26,080

Bo, I need to get
back to my kid.

886

00:38:26,180 --> 00:38:27,878

- ALL: What?

- You got a kid?

887

00:38:27,941 --> 00:38:28,675

Yeah.

888

00:38:28,745 --> 00:38:31,179

COMBAT CARL: Way to beat
the odds, soldier.

889

00:38:31,280 --> 00:38:32,730

Meet you at the
playground, Peep.

890

00:38:32,809 --> 00:38:35,314

Combat Carl's got
a pinata party to crash.

891

00:38:35,414 --> 00:38:38,736

All right, move out.
Hut! Hut! Hut!

892

00:38:38,772 --> 00:38:41,279

So, you're, uh,

with a kid?

893

00:38:41,379 --> 00:38:42,514

It's not Andy, is it?

894

00:38:42,613 --> 00:38:44,446

No, no, no.

He went off to college.

895

00:38:44,546 --> 00:38:46,414

But he gave us to Bonnie.

896

00:38:46,513 --> 00:38:48,413

- You have a little girl?

- No way!

897

00:38:48,513 --> 00:38:50,147

Yeah, yeah.

It's why I'm out here.

898

00:38:50,247 --> 00:38:51,380

Her other toy is trapped

899

00:38:51,479 --> 00:38:52,714

in this antique store,

and I have to...

900

00:38:52,813 --> 00:38:54,647

Second Chance Antiques?

901

00:38:54,746 --> 00:38:56,112

We know that store.

902

00:38:56,213 --> 00:38:57,571

That's great.

That is great!

903

00:38:57,642 --> 00:38:59,247

If you know the store,

you could really

904

00:38:59,346 --> 00:39:00,470

- help me find him...

- No way.

905

00:39:00,556 --> 00:39:01,488

We wasted years there,

906

00:39:01,524 --> 00:39:03,543

just sitting on the shelf,
collecting dust.

907

00:39:03,579 --> 00:39:05,080

Oh, Bo, that's awful.

908

00:39:05,179 --> 00:39:06,488

But I don't have a choice.

909

00:39:06,550 --> 00:39:08,113

I have to get that toy
from Gabby.

910

00:39:08,212 --> 00:39:09,887

Whoa. Steer clear
of that weirdo.

911

00:39:09,923 --> 00:39:12,164

If I were you, I'd cut

my losses and go home.

912

00:39:12,200 --> 00:39:14,347

But Bonnie needs him
to get through kindergarten.

913

00:39:14,447 --> 00:39:16,752

Kids lose toys every day.
Bonnie will get over it.

914

00:39:16,822 --> 00:39:17,908

No, no...

915

00:39:17,963 --> 00:39:21,905

You see, Bonnie needs him
just like Molly needed you.

916

00:39:21,960 --> 00:39:23,146

(BLEATING EXCITEDLY)

917

00:39:23,182 --> 00:39:25,079

Aw, no. Sorry, girls.

918

00:39:25,179 --> 00:39:26,379

- Molly's not here.

- (BLEATS WEAKLY)

919

00:39:26,479 --> 00:39:28,632

GIGGLE: Molly? Bo,

I didn't know you had a kid.

920

00:39:28,668 --> 00:39:30,227

That was a long time ago.

921

00:39:30,320 --> 00:39:32,981

Oh, Bo's kid was
something special.

922

00:39:33,080 --> 00:39:34,647

She was the cutest thing...

923

00:39:34,746 --> 00:39:36,681

but so afraid
of the dark.

924

00:39:36,780 --> 00:39:38,213

It was just a phase.

925

00:39:38,313 --> 00:39:39,808

Oh, you weren't there
in the beginning.

926

00:39:39,844 --> 00:39:41,547

Hearing Molly cry
each night...

927

00:39:41,647 --> 00:39:44,260

it broke every
toy's heart.

928

00:39:44,513 --> 00:39:47,380

And then,
Bo came into the room.

929

00:39:47,604 --> 00:39:51,472

Her lamp was the only thing
that made Molly feel safe.

930

00:39:51,571 --> 00:39:53,434

Mom would let her
keep Bo on all night.

931

00:39:53,488 --> 00:39:55,571

Ha! Who knew you were
such a softy?

932

00:39:55,671 --> 00:39:56,806

And Molly would
fall asleep

933

00:39:56,905 --> 00:39:59,155

with her hand
resting on Bo's feet.

934

00:39:59,234 --> 00:40:01,605

- Okay! Okay. I get it.
- (CHUCKLES)

935

00:40:02,738 --> 00:40:06,238

Bo, my kid really
needs this toy.

936

00:40:06,337 --> 00:40:09,304

Will you help me?

For old times' sake.

937

00:40:09,405 --> 00:40:11,072

(SIGHS)

938

00:40:11,171 --> 00:40:12,471

All right, all right.

939

00:40:12,572 --> 00:40:14,305

- Thank you! Oh!

- (BO PEEP LAUGHS)

940

00:40:14,405 --> 00:40:15,539

- Oh, thank you!

- All right.

941

00:40:15,638 --> 00:40:17,571

Guess we're doing this.

Let's ride!

942

00:40:17,672 --> 00:40:19,839

(BLEATING)

943

00:40:19,938 --> 00:40:23,106

Second Chance Antiques,
and step on it.

944

00:40:23,204 --> 00:40:24,337

(BLEATING)

945

00:40:30,239 --> 00:40:32,106

(SOFT MUSIC PLAYING
ON GRAMOPHONE)

946

00:40:37,704 --> 00:40:39,244

(FORKY GRUNTING)

947

00:40:39,280 --> 00:40:41,666

Ow! (WHINING)

948

00:40:41,733 --> 00:40:43,033

(ROPE CREAKING)

949

00:40:44,203 --> 00:40:45,405

FORKY: Hey, hey!

950

00:40:45,505 --> 00:40:47,738

- Benson, are we finished?

- FORKY: Ow!

951

00:40:47,838 --> 00:40:49,596

Oh, that feels great!

952

00:40:49,666 --> 00:40:51,272

Look at that!

Good as new.

953

00:40:51,372 --> 00:40:54,177

Yeah. Thank you,

uh, Benson.

954

00:40:54,213 --> 00:40:55,404

(CHUCKLES)

955

00:40:55,504 --> 00:40:58,132

Uh, so, um, when's Woody
coming back?

956

00:40:58,221 --> 00:41:00,048

Like I said, soon.

957

00:41:00,084 --> 00:41:01,455

He won't forget

about you.

958

00:41:01,491 --> 00:41:02,355

How do you know?

959

00:41:02,454 --> 00:41:04,773

You have your child's name

written on your feet.

960

00:41:04,809 --> 00:41:06,322

(SCOFFS) Sticks.

961

00:41:06,421 --> 00:41:08,636

That makes you

a very important toy.

962

00:41:08,714 --> 00:41:10,622

That's exactly
what Woody says.

963

00:41:10,722 --> 00:41:12,288

- Hmm. Interesting.
- (DOORBELL JINGLES)

964

00:41:12,388 --> 00:41:13,721

HARMONY: Hi, Grandma!
We're back!

965

00:41:13,757 --> 00:41:14,802

(GASPS) She's back.

966

00:41:16,234 --> 00:41:17,602

Who is she?

967

00:41:18,221 --> 00:41:19,288

GABBY GABBY: Harmony.

968

00:41:19,500 --> 00:41:20,533

FORKY: Wait a second...

969

00:41:20,626 --> 00:41:21,725

she took Woody.

970

00:41:21,811 --> 00:41:23,288

(GASPS) Did she lose him?

971

00:41:23,388 --> 00:41:26,455

No. My Harmony is perfect.

972

00:41:28,421 --> 00:41:29,822

(HARMONY HUMMING)

973

00:41:30,085 --> 00:41:32,282

Forky, it's tea time.

It's tea time.

974

00:41:32,363 --> 00:41:34,315

Whoo-hoo!

What is tea time?

975

00:41:34,361 --> 00:41:35,528

Oh, I'll show you.

976

00:41:36,884 --> 00:41:40,777

HARMONY: A little bit of milk,
two lumps of sugar.

977

00:41:47,020 --> 00:41:49,620

I've been practicing.

How do I look?

978

00:41:50,124 --> 00:41:52,058

Uh... A little higher.

979

00:41:52,229 --> 00:41:53,862

Stick out
your pinky.

980

00:41:54,211 --> 00:41:55,712

Nice!

981

00:41:55,812 --> 00:41:57,412

Mmm! Delicious!

982

00:41:57,622 --> 00:41:59,334

HARMONY'S MOM: Harmony,
sweetie, I'm leaving.

983

00:41:59,416 --> 00:42:00,715

Come give me a hug.

984

00:42:00,772 --> 00:42:03,143

Bye, Mom.

I love you.

985

00:42:10,150 --> 00:42:11,183

(GIGGLES)

986

00:42:15,944 --> 00:42:18,110

When my voice box is fixed...

987

00:42:19,354 --> 00:42:21,788

I'll finally get my chance.

988

00:42:34,288 --> 00:42:36,621

Now, about our friend Woody.

989

00:42:36,721 --> 00:42:39,499

I wanna know

everything about him.

990

00:42:39,593 --> 00:42:40,501

Oh, yeah, Woody.

991

00:42:40,579 --> 00:42:42,719

I've known that guy

my whole life. Two days!

992

00:42:42,797 --> 00:42:45,097

Hey, did you know that

Bonnie was not his first kid?

993

00:42:45,191 --> 00:42:47,222

He had this other kid, Andy.

994

00:42:47,322 --> 00:42:47,938

And you know what?

995

00:42:47,974 --> 00:42:49,455

I don't think

he's ever gotten over him.

996

00:42:49,554 --> 00:42:51,454

(CHILDREN CHATTERING)

997

00:42:57,813 --> 00:42:59,714

(ROCK MUSIC PLAYING

OVER HEADPHONES)

998

00:43:00,220 --> 00:43:01,321

(GRUNTING)

999

00:43:01,422 --> 00:43:03,388

BUNNY: Psst. Hey, Lightyear.

1000

00:43:03,487 --> 00:43:04,924

DUCKY: Hey, up here,

Astro-boy.

1001

00:43:05,018 --> 00:43:06,488

If you think you can
just show up

1002

00:43:06,588 --> 00:43:08,566

and take our
top prize spot...

1003

00:43:08,651 --> 00:43:09,622

- you're wrong!
- Dead wrong!

1004

00:43:09,722 --> 00:43:11,488

You don't understand.
I'm trying to...

1005

00:43:11,588 --> 00:43:13,655

Cheat the system and get
with a kid? Yeah, we know.

1006

00:43:13,755 --> 00:43:15,018

No, I need...

1007

00:43:15,096 --> 00:43:17,362

A child to shower you
with unconditional love?

1008

00:43:17,425 --> 00:43:18,702

Join the club, pal.

1009

00:43:18,788 --> 00:43:19,489

Yeah, join the club!

1010

00:43:19,589 --> 00:43:21,033

Come on, help me
get outta here.

1011

00:43:21,069 --> 00:43:23,095

I'll help you.
With my foot!

1012

00:43:23,131 --> 00:43:24,355

- (GRUNTING)
- Get him.

1013

00:43:24,454 --> 00:43:26,219

(CHUCKLES) Get him.

1014

00:43:26,255 --> 00:43:27,622

- Bunny, what are you doing?

- Hmm?

1015

00:43:27,721 --> 00:43:29,754

I can't reach him.

Help me out here, come on.

1016

00:43:29,855 --> 00:43:32,082

Oh, sorry, Ducky. I'm not
a mind reader, you know.

1017

00:43:32,152 --> 00:43:33,987

What's not

to understand, hmm?

1018

00:43:34,023 --> 00:43:35,034

You gonna make me say it?

1019

00:43:35,070 --> 00:43:36,489

- What?

- (INHALES DEEPLY)

1020

00:43:36,588 --> 00:43:37,689

With these tiny legs,

1021

00:43:37,789 --> 00:43:39,221

I cannot reach

without your help.

1022

00:43:39,321 --> 00:43:40,354

Uh-huh. Okay?

This is what

1023

00:43:40,454 --> 00:43:41,497

I've been talking about,

Bunny.

1024

00:43:41,533 --> 00:43:42,671

You need to work

on paying attention

1025

00:43:42,707 --> 00:43:44,142

- and your listening skills.

- (SQUEAKS)

1026

00:43:44,178 --> 00:43:45,288

Ha! (LAUGHS)

1027

00:43:45,387 --> 00:43:46,888

How you like that,

cheater? Huh?

1028

00:43:46,988 --> 00:43:49,421

- (EXCLAIMS)

- Yeah! (LAUGHS)

1029

00:43:49,521 --> 00:43:52,948

Oh, to infinity

and my foot! Boom!

1030

00:43:53,406 --> 00:43:55,521

In a galaxy far, far away,

you got kicked in the head!

1031

00:43:55,622 --> 00:43:56,267

Boom!

1032

00:43:56,330 --> 00:43:58,121

How do I get out of here?

1033

00:43:58,222 --> 00:43:59,555

VOICE BOX:

<i>This planet is toxic.</i>

1034

00:43:59,654 --> 00:44:01,421

<i>Closing helmet

to conserve oxygen.</i>

1035

00:44:01,522 --> 00:44:03,524

In the vacuum of space,

they cannot hear you scream!

1036

00:44:03,587 --> 00:44:04,789

(SCREAMING) Ow!

1037

00:44:04,888 --> 00:44:05,889

Let go of me!

1038

00:44:05,988 --> 00:44:08,266

Get off of me!

1039

00:44:08,605 --> 00:44:10,060

Ooh! So, that's what
gravity feel like.

1040

00:44:10,096 --> 00:44:10,998

Yeah, that's it.

1041

00:44:11,034 --> 00:44:12,168

Hey, where you going?

1042

00:44:13,306 --> 00:44:14,781

DUCKY: You better get
over here, spaceman!

1043

00:44:14,843 --> 00:44:16,321

BUNNY: Yeah, put us
back up there!

1044

00:44:16,422 --> 00:44:18,387

Bunny, what are you doing?

He's getting away, let's go!

1045

00:44:18,487 --> 00:44:19,622

- I'm trying!

- Come on!

1046

Not this one.

1212

00:50:29,820 --> 00:50:30,821

(ALL GASP)

1213

00:50:30,921 --> 00:50:32,006

(TOY SQUEAKS)

1214

00:50:32,069 --> 00:50:34,788

Is that how we look
on the inside?

1215

00:50:34,888 --> 00:50:36,858

There's so much...
(STAMMERS) fluff.

1216

00:50:36,944 --> 00:50:38,417

So, how do you propose
we get up there?

1217

00:50:38,487 --> 00:50:40,545

We could go straight across.

1218

00:50:40,631 --> 00:50:42,413

WOODY: How?

That's quite a jump.

1219

00:50:42,449 --> 00:50:44,451

We know the perfect toy
to help.

1220

00:50:44,487 --> 00:50:45,654

BONNIE'S MOM:

Oh, Bonnie, check it out.

1221

00:50:45,754 --> 00:50:47,821

- Look at all this cool stuff.

- WOODY: Bonnie?

1222

00:50:47,922 --> 00:50:49,391

(GASPS) We gotta get

Forky now!

1223

00:50:49,427 --> 00:50:50,785

Woody, don't...

1224

00:50:50,821 --> 00:50:52,123

- Stick to the plan.

- 10-4.

1225

00:50:52,159 --> 00:50:54,093

- Follow me.

- Roger that.

1226

00:50:57,921 --> 00:50:59,321

(GRUNTING)

1227

00:50:59,421 --> 00:51:01,788

Woody just sits in the closet?

With no playtime?

1228

00:51:01,888 --> 00:51:04,063

Yeah, he told me himself,

he's useless.

1229

00:51:04,141 --> 00:51:05,225

That's awful.

1230

00:51:05,303 --> 00:51:07,288

Such pretty hair...

1231

00:51:07,387 --> 00:51:08,687

What are you doing?

1232

00:51:08,787 --> 00:51:09,821

You need to stick
to the plan.

1233

00:51:09,922 --> 00:51:11,360

But it's Bonnie.
She's right...

1234

00:51:11,438 --> 00:51:13,188

BONNIE: Can we go
to the carnival, too?

1235

00:51:13,287 --> 00:51:14,221

...there.

1236

00:51:14,321 --> 00:51:16,188

Come on. Stay quiet.

1237

00:51:16,288 --> 00:51:17,955

You better hope
the dummies didn't...

1238

00:51:18,054 --> 00:51:19,221

(WOODY GASPS)

1239

00:51:20,454 --> 00:51:21,655

(BO PEEP GRUNTS)

1240

00:51:21,754 --> 00:51:23,021

Whoa!

1241

00:51:30,295 --> 00:51:32,195

- (BLEATING)

- (GROANS)

1242

00:51:32,296 --> 00:51:33,263

(GRUNTS)

1243

00:51:34,394 --> 00:51:36,228

- (BELL DINGS)

- (GASPS)

1244

00:51:56,194 --> 00:51:57,829

- (SHEEP BLEATING)

- My sheep!

1245

00:52:01,896 --> 00:52:03,196

(BO PEEP EXHALES)

1246

00:52:05,287 --> 00:52:07,480

What did I say?

I lead. You follow.

1247

00:52:07,628 --> 00:52:09,228

Bo, I'm so sorry. Really.

1248

00:52:09,291 --> 00:52:10,366

Just tell me how to help.

1249

00:52:10,402 --> 00:52:11,418

You really wanna help?

1250

00:52:11,504 --> 00:52:14,097

Then stay out of my way.

I'm getting my sheep back.

1251

00:52:14,195 --> 00:52:15,196

What about the others?

1252

00:52:15,295 --> 00:52:17,062

Giggle knows what to do.

1253

00:52:19,628 --> 00:52:21,996

- MARGARET: Here you go.

- GIGGLE: That's our objective.

1254

00:52:22,097 --> 00:52:24,030

We have to get that key.

1255

00:52:24,130 --> 00:52:25,495

It's the only way

inside the cabinet.

1256

00:52:25,595 --> 00:52:26,962

You can't be serious.

1257

00:52:27,063 --> 00:52:28,363

How are we supposed

to do that?

1258

00:52:28,463 --> 00:52:29,453

(LAUGHS) Okay.

1259

00:52:29,523 --> 00:52:30,997

You know what,

leave that to us.

1260

00:52:31,097 --> 00:52:32,263

We know exactly

what to do.

1261

00:52:32,363 --> 00:52:33,130

Mmm-hmm.

1262

00:52:33,228 --> 00:52:35,263

(SOFT MUSIC PLAYING)

1263

00:52:35,362 --> 00:52:36,029

Aw.

1264

00:52:36,130 --> 00:52:38,163

Where did you
two come from?

1265

00:52:38,263 --> 00:52:40,396

DUCKY: The keys! Give 'em up now!
Where are they?

1266

00:52:40,495 --> 00:52:42,796

Give us the keys!
Give us the keys!

1267

00:52:42,897 --> 00:52:43,963

Well, we're not doing that.

1268

00:52:44,062 --> 00:52:45,263

Yeah, yeah, I agree,
too visible.

1269

00:52:45,363 --> 00:52:46,530

It's a good point.
Something more subtle.

1270

00:52:46,630 --> 00:52:48,305

Ooh, what about "Winner,
winner, chicken dinner"?

1271

00:52:48,376 --> 00:52:49,229

Yes.

1272

00:52:55,261 --> 00:52:57,730

DUCKY: The keys! Give 'em up now!

Where are they?

1273

00:52:57,766 --> 00:52:59,963

- Uh... you're kidding.

- Really?

1274

00:53:00,063 --> 00:53:01,563

Okay, okay.

You just...

1275

00:53:01,662 --> 00:53:02,813

All right. Well...

1276

00:53:02,849 --> 00:53:05,029

Oh, what about the old

"Plush Rush"?

1277

00:53:05,129 --> 00:53:06,163

There you go!

1278

00:53:06,262 --> 00:53:08,096

(SOFT MUSIC PLAYING)

1279

00:53:19,053 --> 00:53:21,526

- Argh. Where is this going?

- Shh! Don't interrupt.

1280

00:53:21,580 --> 00:53:23,481

(SOFT MUSIC CONTINUES)

1281

00:53:31,317 --> 00:53:32,417

(SNORING)

1282

00:53:35,494 --> 00:53:36,964

(MARGARET SCREAMING)

1283

00:53:37,050 --> 00:53:37,962

- Okay, right?

- BUNNY: Uh-huh?

1284

00:53:38,063 --> 00:53:40,096

Not gonna happen.

N-O.

1285

00:53:40,196 --> 00:53:41,963

Okay, do you want

the key or not?

1286

00:53:42,062 --> 00:53:43,129

(GROWLS) What is

wrong with you?

1287

00:53:43,229 --> 00:53:43,985

What is wrong with...?

1288

00:53:44,021 --> 00:53:46,263

We just gave you

three brilliant ideas.

1289

00:53:46,362 --> 00:53:47,583

BUNNY: It's one thing
to say no.

1290

00:53:47,669 --> 00:53:49,529

It's another to offer
a reason...

1291

00:53:49,629 --> 00:53:51,362

How do we get that key?

1292

00:53:56,062 --> 00:53:57,229

(WHISPERING INDISTINCTLY)

1293

00:53:57,329 --> 00:53:58,963

(GASPS) You're kidding!

1294

00:53:59,061 --> 00:54:00,328

(GIGGLES) Really?

1295

00:54:00,429 --> 00:54:01,496

Woody's back?

1296

00:54:01,595 --> 00:54:02,762

(GASPS)

Woody's back?

1297

00:54:02,798 --> 00:54:04,713

And you're sure it's

Bo Peep who's with him?

1298

00:54:04,749 --> 00:54:06,095

(BLEATING)

1299

00:54:06,195 --> 00:54:07,228

Thank you, Benson.

1300

00:54:07,328 --> 00:54:09,062

Make sure the others

are ready.

1301

00:54:09,161 --> 00:54:10,428

(FORKY EXCLAIMING EXCITEDLY)

1302

00:54:10,528 --> 00:54:11,830

Woody's back!

1303

00:54:11,929 --> 00:54:14,062

I'm coming, Bonnie!

(GROANS)

1304

00:54:14,863 --> 00:54:15,963

Bonnie.

1305

00:54:16,062 --> 00:54:17,997

First, we must prepare

for his arrival.

1306

00:54:18,096 --> 00:54:18,770

Prepare?

1307

00:54:18,848 --> 00:54:20,723

Have you ever played

hide-and-seek?

1308

00:54:20,817 --> 00:54:22,924

No. But it sounds complicated.

1309

00:54:23,026 --> 00:54:23,962

Oh, it's easy.

1310

00:54:24,061 --> 00:54:25,328

- I'll teach you, okay?

- Okay.

1311

00:54:25,428 --> 00:54:27,459

The first thing

you do is...

1312

00:54:27,560 --> 00:54:29,388

one of us finds

a place to hide...

1313

00:54:29,459 --> 00:54:29,978

FORKY: Scary.

1314

00:54:30,014 --> 00:54:31,949

GABBY GABBY: ...while

the other one counts to ten...

1315

00:54:32,025 --> 00:54:33,753

then tries to find them.

1316

00:54:51,713 --> 00:54:53,096

- What are we doing?

- Shh!

1317

00:54:53,288 --> 00:54:56,188

Just stand there

and be quiet!

1318

00:55:00,962 --> 00:55:02,829

I'll do the talking.

1319

00:55:02,929 --> 00:55:03,962

(TOYS CHEERING)

1320

00:55:04,061 --> 00:55:05,829

Hi, Tinny!

1321

00:55:05,930 --> 00:55:07,496

Aw, nice to

see you, too.

1322

00:55:07,596 --> 00:55:08,830

(PLAYS ACCORDION)

1323

00:55:08,930 --> 00:55:10,830

Yeah, he's with me.

1324

00:55:10,930 --> 00:55:12,395

My friend?

No, no, no.

1325

00:55:12,495 --> 00:55:14,229

He's my accessory.

1326

00:55:14,328 --> 00:55:16,162

- Hey, guys.

- TOYS: Bo!

1327

00:55:16,263 --> 00:55:18,329

Long time no see.

1328

00:55:18,429 --> 00:55:20,100

Couldn't take it
out there, huh?

1329

00:55:20,147 --> 00:55:21,732

Hey, Doug.

Saw your better half

1330

00:55:21,768 --> 00:55:22,930

at the front

of the store.

1331

00:55:23,029 --> 00:55:24,996

Yeah, you mess with the cat,
you get the claws. (CHUCKLES)

1332

00:55:25,096 --> 00:55:26,062

TOY 1: Bo came back!

1333

00:55:26,162 --> 00:55:27,363

TOY 2: Magic 8-Ball was right!

1334

00:55:27,462 --> 00:55:29,597

- Excuse me. Sorry.

- What are you doing here?

1335

00:55:29,659 --> 00:55:31,831

I thought the store
had no return policy!

1336

00:55:31,870 --> 00:55:32,983

ROBOT TOY:

Bo, help me out.

1337

00:55:33,084 --> 00:55:34,571

- I need a battery.

- (WOODY CLEARS THROAT)

1338

00:55:34,665 --> 00:55:37,199

VOICE BOX: *<i>We got to get
this wagon train a-movin'!*

1339

00:55:37,285 --> 00:55:38,810

- Agreed.

- ROBOT TOY: Help, help, help.

1340

00:55:38,846 --> 00:55:39,785

Cheater.

1341

00:55:39,856 --> 00:55:41,026

Have you seen Duke?

1342

00:55:41,062 --> 00:55:42,363

He's in the back.

1343

00:55:50,695 --> 00:55:52,563

Look who jumped

40 school buses

1344

00:55:52,663 --> 00:55:54,191

and landed back

into my life.

1345

00:55:54,277 --> 00:55:56,295

- Hi, Duke!

- Who's the cowboy?

1346

00:55:56,396 --> 00:55:58,244

Duke, meet Woody.

Woody, meet...

1347

00:55:58,322 --> 00:56:01,009

Duke Caboom.

Canada's greatest stuntman.

1348

00:56:01,045 --> 00:56:03,295

(GRUNTING) Oh, yeah!

1349

00:56:04,261 --> 00:56:05,329

- Yes!

- WOODY: Huh?

1350

00:56:05,429 --> 00:56:06,862

He's posing.

1351

00:56:07,595 --> 00:56:08,619

Duke?

1352

00:56:08,705 --> 00:56:10,663

- Duke, we need to...

- Hold on. One more.

1353

00:56:10,762 --> 00:56:13,229

Oh, yeah!

What brings you back, Peep?

1354

00:56:13,328 --> 00:56:14,496

We need your help.

1355

00:56:14,595 --> 00:56:17,562

Gabby Gabby has his toy

and my sheep.

1356

00:56:17,663 --> 00:56:21,396

No. Billy, Goat, and Gruff?

Those are my girls.

1357

00:56:21,496 --> 00:56:22,810

What were you doing

getting tangled up

1358

00:56:22,846 --> 00:56:24,495

with Gabby Gabby?

You know better.

1359

00:56:24,596 --> 00:56:27,007

Yeah, some toy thought
it would be a good idea...

1360

00:56:27,069 --> 00:56:28,362

to wander into the aisle.

1361

00:56:28,462 --> 00:56:29,796

That doesn't make any sense.

1362

00:56:29,896 --> 00:56:30,960

It doesn't, does it?

1363

00:56:31,038 --> 00:56:33,495

Everybody knows the best route
is behind the shelves.

1364

00:56:33,596 --> 00:56:35,729

That would have been
a better route, wouldn't it?

1365

00:56:35,828 --> 00:56:37,830

Wow, this toy sounds like

a complete idiot.

1366

00:56:37,929 --> 00:56:39,496

- He does!

- (GROANS)

1367

00:56:39,596 --> 00:56:41,862

Wait, are you that toy?

1368

00:56:41,963 --> 00:56:43,596

So, here's the plan.

1369

00:56:43,695 --> 00:56:46,228

We need to jump over the
aisle to Gabby's cabinet.

1370

00:56:46,328 --> 00:56:49,096

- And you are the toy to do it.

- No.

1371

00:56:49,196 --> 00:56:50,056

- Duke.

- Nope.

1372

00:56:50,092 --> 00:56:51,529

- Duke? Duke?

- Nuh-uh. No way!

1373

00:56:51,629 --> 00:56:53,262

- Duke. Duke!

- Pass. Negative.

1374

00:56:53,361 --> 00:56:54,289

- Duke.

- Rejected.

1375

00:56:54,325 --> 00:56:56,526

Oh, please, Mr. Caboom,
this is really important.

1376

00:56:56,562 --> 00:56:57,663

- My kid...

- (GASPS)

1377

00:56:57,762 --> 00:56:58,662

You have a kid?

1378

00:56:58,763 --> 00:57:00,329

Uh... (CHUCKLES NERVOUSLY)

1379

00:57:00,428 --> 00:57:03,129

Hey, Duke, show us some more
poses, what do you say?

1380

00:57:03,229 --> 00:57:05,262

- I had a kid.

- Oh, no.

1381

00:57:05,361 --> 00:57:06,663

Rejean.

1382

00:57:06,763 --> 00:57:10,563

Rejean was so excited when
he got me after Christmas.

1383

00:57:10,663 --> 00:57:14,428

<i>It was the happiest Boxing Day
of my life.</i>

1384

00:57:14,528 --> 00:57:15,795

ANNOUNCER ON TV:

<i>That's Duke Caboom,</i>

1385

00:57:15,895 --> 00:57:18,562

<i>riding the amazing

Caboom stunt cycle!</i>

1386

00:57:18,662 --> 00:57:20,328

<i>Caboom!</i>

1387

00:57:20,428 --> 00:57:23,762

DUKE: <i>I was ready to finally
do what I was made to do.</i>

1388

00:57:23,863 --> 00:57:25,196

ANNOUNCER ON TV: <i>Caboom!</i>

1389

00:57:25,296 --> 00:57:27,130

<i>But when Rejean realized

I couldn't jump</i>

1390

00:57:27,229 --> 00:57:29,097

<i>as far as the toy
in the commercial...</i>

1391

00:57:30,099 --> 00:57:33,261

(GRUNTS) It's a commercial!
It's not real!

1392

00:57:33,362 --> 00:57:34,796

Rejean threw me away!

1393

00:57:34,896 --> 00:57:36,098

It's not fair!

1394

00:57:36,192 --> 00:57:38,261

Why, Rejean? Why?

1395

00:57:38,361 --> 00:57:39,528

(SOBBING)

1396

00:57:39,628 --> 00:57:43,129

Okay, okay.

Calm down, Duke.

1397

00:57:43,229 --> 00:57:45,196

That was a long time ago.

1398

00:57:45,296 --> 00:57:46,762

Right now,

we need the only toy

1399

00:57:46,862 --> 00:57:49,817

who can crash us

onto Gabby's cabinet.

1400

00:57:49,911 --> 00:57:50,662

Crash?

1401

00:57:50,762 --> 00:57:51,577

Crash?

1402

00:57:51,639 --> 00:57:53,890

Any Duke Caboom toy

can land...

1403

00:57:53,970 --> 00:57:57,796

but you are the only one
that can crash the way you do.

1404

00:57:57,896 --> 00:57:59,396

- I am?

- Yes!

1405

00:57:59,496 --> 00:58:01,696

Forget Rejean.

Forget your commercial.

1406

00:58:01,796 --> 00:58:04,296

Be the Duke

you are right now...

1407

00:58:04,395 --> 00:58:07,528

the one who jumps

and crashes!

1408

00:58:09,895 --> 00:58:15,328

Be who I am right now.

1409

00:58:15,429 --> 00:58:17,629

Who's the Canuck

with all the luck?

1410

00:58:18,361 --> 00:58:19,293

Caboom?

1411

00:58:19,379 --> 00:58:21,495

Who's the greatest

of the Great White North?

1412

00:58:21,595 --> 00:58:22,215

Caboom!

1413

00:58:22,286 --> 00:58:24,210

Who's the most

spectacular daredevil

1414

00:58:24,246 --> 00:58:25,695

Canada has ever seen?

1415

00:58:25,796 --> 00:58:27,462

Duke Caboom!

1416

00:58:27,562 --> 00:58:28,795

Can you do the jump?

1417

00:58:28,896 --> 00:58:30,863

Yes, I Canada!

1418

00:58:32,829 --> 00:58:34,529

(GRUNTING) Uh-huh.

1419

00:58:34,629 --> 00:58:37,129

- We've got our ride.

- DUKE: Yes!

1420

00:58:37,228 --> 00:58:38,662

VOICE BOX: <i>Yee-haw!</i>

1421

00:58:39,295 --> 00:58:40,362

Yo, Bo!

1422

00:58:40,462 --> 00:58:42,663

Gigs! You made it!

1423

00:58:42,813 --> 00:58:43,880

Good work!

1424

00:58:43,980 --> 00:58:45,445

WOODY: How'd you get it?

1425

00:58:45,545 --> 00:58:47,512

How do we get that key?

1426

00:58:47,612 --> 00:58:49,679

(MARGARET HUMMING)

1427

00:58:52,844 --> 00:58:54,794

- It was hard.

- Very difficult.

1428

00:58:54,864 --> 00:58:56,450

- Barely made it out alive.

- Yeah.

1429

00:58:56,528 --> 00:58:57,412

So, you're welcome.

1430

00:58:57,511 --> 00:59:00,311

Okay. Let's do this.

1431

00:59:00,412 --> 00:59:02,178

Let me wrap that up for you.

1432

00:59:02,278 --> 00:59:04,934

Don't want anything to happen
to it on the way home.

1433

00:59:04,989 --> 00:59:07,445

Good. That sale
buys us some time.

1434

00:59:08,255 --> 00:59:10,382

Wait for it.

1435

00:59:11,845 --> 00:59:13,646

All right, let's go!

1436

00:59:26,845 --> 00:59:28,312

(GRUNTING)

1437

00:59:54,844 --> 00:59:57,311

So, how long

were you in here?

1438

00:59:57,411 --> 00:59:59,145

I don't know.

Couple years.

1439

00:59:59,246 --> 01:00:02,246

I didn't wanna sit on a shelf

waiting for my life to happen.

1440

01:00:02,345 --> 01:00:03,707

So, I left.

1441

01:00:03,763 --> 01:00:04,805

WOODY: Wow.

1442

01:00:04,883 --> 01:00:07,345

You've handled this lost toy

life better than I could.

1443

01:00:07,445 --> 01:00:09,226

Aw, Sheriff.

1444

01:00:09,320 --> 01:00:11,010

You're selling
yourself short.

1445

01:00:12,905 --> 01:00:15,605

I think you'd make
a great lost toy.

1446

01:00:16,545 --> 01:00:17,712

You really don't think

1447

01:00:17,812 --> 01:00:20,051

you'll ever be in
a kid's room again, huh?

1448

01:00:20,125 --> 01:00:21,037

(STRAINING) Nope.

1449

01:00:21,108 --> 01:00:22,342

And now with the carnival
traveling through,

1450

01:00:22,430 --> 01:00:23,741

it's our chance
to hop a ride...

1451

01:00:23,777 --> 01:00:26,072

- and leave town.
- You're leaving?

1452

01:00:26,108 --> 01:00:26,944

Sure am.

1453

01:00:26,980 --> 01:00:29,402

You ever think about getting
out there, seeing the world?

1454

01:00:29,491 --> 01:00:31,095

Without a kid?
(CHUCKLES)

1455

01:00:31,131 --> 01:00:33,886

No. You can't teach
this old toy new tricks.

1456

01:00:33,949 --> 01:00:36,743

(CHUCKLES)

You'd be surprised.

1457

01:00:36,845 --> 01:00:40,724

So, how'd you end up in this
store in the first place?

1458

01:00:40,794 --> 01:00:43,141

Well, I saw your lamp
in the window...

1459

01:00:43,195 --> 01:00:47,014

and I thought maybe
you were inside...

1460

01:00:47,061 --> 01:00:48,878

and so I, uh...

1461

01:00:52,655 --> 01:00:53,755

Wow.

1462

01:00:54,911 --> 01:00:56,578

Yeah.

1463

01:00:56,679 --> 01:00:58,113

Will you look at that?

1464

01:00:59,635 --> 01:01:02,769

This is the only part
of the store I ever liked.

1465

01:01:10,511 --> 01:01:13,878

That's gonna be quite a
jump for you and Duke.

1466

01:01:13,979 --> 01:01:15,080

(CHUCKLES)

1467

01:01:15,178 --> 01:01:16,612

For me?

1468

01:01:20,778 --> 01:01:22,601

Didn't I tell you?

You're going with him.

1469

01:01:22,695 --> 01:01:23,646

I am?

1470

01:01:24,512 --> 01:01:25,612

Let's caboom.

1471

01:01:25,712 --> 01:01:27,378

It'll be fine,

Duke's the best.

1472

01:01:27,478 --> 01:01:28,912

Yeah, at crashing.

1473

01:01:33,011 --> 01:01:34,345

And now!

1474

01:01:35,145 --> 01:01:36,478

(BUZZING)

1475

01:01:36,578 --> 01:01:37,578

Go!

1476

01:01:37,678 --> 01:01:38,612

WOODY: Whoa!

1477

01:01:38,712 --> 01:01:39,846

(GASPING)

1478

01:01:46,112 --> 01:01:47,913

Huh? Rejean.

1479

01:01:48,012 --> 01:01:50,745

DUKE: <i>It's a commercial.

It's not real!

1480

01:01:50,846 --> 01:01:53,346

I can't do this!

I'm sorry, Rejean!

1481

01:01:53,445 --> 01:01:54,879

(GASPS) No, no, no!

1482

01:02:00,912 --> 01:02:01,913

(GRUNTS)

1483

01:02:03,612 --> 01:02:05,646

- What's new, pussycat?

- (MEOWS)

1484

01:02:16,177 --> 01:02:17,745

- Forky?

- Girls?

1485

01:02:17,845 --> 01:02:19,668

- Forky, where are you?

- (FORKY CHUCKLING)

1486

01:02:19,720 --> 01:02:21,486

FORKY: You're never
gonna find me.

1487

01:02:21,586 --> 01:02:23,553

Forky?

1488

01:02:23,653 --> 01:02:25,978

(GASPS) Woody!

How'd you find me?

1489

01:02:26,033 --> 01:02:27,721

- Bo, I found him!

- Hi.

1490

01:02:27,821 --> 01:02:30,736

Wait, it's an actual fork?

1491

01:02:30,814 --> 01:02:32,107

Bo! Bo! Bo!

1492

01:02:32,171 --> 01:02:33,871

Buzz!

The dummies are gone!

1493

01:02:33,970 --> 01:02:36,003

What?

Where'd they go?

1494

01:02:37,137 --> 01:02:38,138

(ALL SCREAMING)

1495

01:02:38,237 --> 01:02:39,024

Okay, we can go now!

1496

01:02:39,060 --> 01:02:41,870

- No. I need to find my girls.

- GABBY GABBY: Hello, Woody.

1497

01:02:41,971 --> 01:02:42,904

Hi, Bo.

1498

01:02:43,003 --> 01:02:44,127

- Where are my sheep?

- Yeah!

1499

01:02:44,197 --> 01:02:45,803

Look! Woody found me!

1500

01:02:45,904 --> 01:02:47,970

- Take the bunny!
- I'm too cute to die!

1501

01:02:50,037 --> 01:02:51,704

- BUZZ: Hi-ya!
- BUNNY: Oh, no, no!

1502

01:02:51,803 --> 01:02:53,138

(GASPS) Woody!

1503

01:02:53,236 --> 01:02:56,171

- I just wanna talk.
- Yeah, with my voice box!

1504

01:02:57,602 --> 01:02:58,937

Pull!

(GRUNTING)

1505

01:02:59,037 --> 01:03:00,470

Whoa!

1506

01:03:00,570 --> 01:03:03,070

VOICE BOX:

<i>You're my favorite deputy.</i>

1507

01:03:03,171 --> 01:03:04,471

(WOODY GASPING)

1508

01:03:04,571 --> 01:03:06,227

<i>Somebody's poisoned
the water hole.</i>

1509

01:03:06,305 --> 01:03:07,838

- <i>I'd like to join your posse.</i>

- (DRAGON YOWLING)

1510

01:03:07,938 --> 01:03:10,138

- (GASPING)

- <i>Reach for the sky!</i>

1511

01:03:10,237 --> 01:03:11,637

(ALL YELLING)

1512

01:03:13,036 --> 01:03:14,037

(PANTING)

1513

01:03:17,299 --> 01:03:18,433

(GASPS)

1514

01:03:21,670 --> 01:03:23,104

- (SHEEP BLEATING)

- Girls!

1515

01:03:23,203 --> 01:03:24,703

Drop it.

1516

01:03:25,136 --> 01:03:26,736

(GRUNTING)

1517

01:03:26,837 --> 01:03:28,138

(FORKY SCREAMING)

1518

01:03:28,237 --> 01:03:29,838

WOODY: No! No! Forky!

1519

01:03:29,937 --> 01:03:31,870

- We've gotta go!

- Wait!

1520

01:03:31,970 --> 01:03:33,671

- (FORKY WHIMPERING)

- Forky!

1521

01:03:36,104 --> 01:03:37,104

FORKY: Woody!

1522

01:03:40,004 --> 01:03:41,138

(SCREAMS)

1523

01:03:42,136 --> 01:03:43,470

(BLEATING)

1524

01:03:43,570 --> 01:03:44,703

(GASPS)

1525

01:03:48,803 --> 01:03:50,503

(ALL GRUNTING)

1526

01:03:50,603 --> 01:03:51,671

Bonnie's backpack?

1527

01:03:51,771 --> 01:03:53,937

- (DRAGON GROWLING)

- (GASPS)

1528

01:03:54,969 --> 01:03:56,037

Ahh!

1529

01:03:57,169 --> 01:03:58,736

(SCREAMING)

1530

01:03:58,836 --> 01:04:00,169

- Giggle!

- (BOTH EXCLAIM)

1531

01:04:00,269 --> 01:04:01,870

(DRAGON YOWLING)

1532

01:04:01,971 --> 01:04:03,771

Don't let Woody leave!

1533

01:04:06,569 --> 01:04:07,736

Grab on!

1534

01:04:10,737 --> 01:04:12,104

(BOTH YELLING)

1535

01:04:12,202 --> 01:04:13,923

Duke, get us out of here!

1536

01:04:14,001 --> 01:04:14,938

<i>Oui!</i>

1537

01:04:15,803 --> 01:04:17,636

Here, kitty, kitty!

1538

01:04:17,737 --> 01:04:19,537

Wait! We don't have Forky!

1539

01:04:19,636 --> 01:04:21,136

Woody!

1540

01:04:21,237 --> 01:04:22,203

(GASPS)

1541

01:04:24,736 --> 01:04:25,903

WOODY: Forky!

1542

01:04:32,135 --> 01:04:33,537

(DUKE SCREAMS)

1543

01:04:33,636 --> 01:04:34,903

(ALL SCREAMING)

1544

01:04:38,004 --> 01:04:39,670

(GAGGING)

1545

01:04:39,770 --> 01:04:40,903

(GROANS WEAKLY)

1546

01:04:43,603 --> 01:04:45,137

(HISSING)

1547

01:04:45,236 --> 01:04:46,737

Is everyone okay?

1548

01:04:48,802 --> 01:04:49,970

(COUGHING)

1549

01:04:50,071 --> 01:04:52,470

- (BLEATING)

- Shh. It's okay.

1550

01:04:52,570 --> 01:04:54,503

Shh. It's okay.

1551

01:04:54,604 --> 01:04:56,737

Bunny? Bunny?

1552

01:04:56,836 --> 01:05:00,136

(GASPS) Bunny!

No, no, no, no.

1553

01:05:00,236 --> 01:05:04,003

(SOBBING)

No, no, no, no.

1554

01:05:04,103 --> 01:05:06,237

- (GASPS) Oh, Bunny!

- It's gonna be okay.

1555

01:05:06,337 --> 01:05:07,155

Forky's still in there.

1556

01:05:07,191 --> 01:05:08,904

If we hurry, we can get him
before they lock him up.

1557

01:05:09,003 --> 01:05:10,389

You want us
to go back in there?

1558

01:05:10,425 --> 01:05:11,736

We barely
got out alive.

1559

01:05:11,837 --> 01:05:12,812

Woody, it's better
if we wait.

1560

01:05:12,848 --> 01:05:15,003

No, no, no. There's no time.

We can easily get back inside.

1561

01:05:15,074 --> 01:05:15,759

But I saw Bonnie's...

1562

01:05:15,837 --> 01:05:17,061

By my count, there were
only four dummies.

1563

01:05:17,097 --> 01:05:17,837

But the backpack...

1564

01:05:17,936 --> 01:05:19,103

We outnumber them.
So we have the advantage.

1565

01:05:19,202 --> 01:05:20,890

Woody, look at us!

1566

01:05:22,569 --> 01:05:23,737

(SHEEP BLEATING)

1567

01:05:23,836 --> 01:05:26,536

Nobody is with you.

It's over, okay?

1568

01:05:26,636 --> 01:05:29,150

No. No, no, no. We are wasting time.

We can do this.

1569

01:05:29,186 --> 01:05:31,062

- BUNNY: Come on, Pull-string.

- GIGGLE: It's not worth it.

1570

01:05:31,098 --> 01:05:32,491

Yeah, yes,

listen to her!

1571

01:05:32,545 --> 01:05:34,098

- Nobody wants this!

- I do!

1572

01:05:34,134 --> 01:05:35,470

- BO PEEP: Why?

- Because!

1573

01:05:35,506 --> 01:05:37,137

- Why?

- Just because!

1574

01:05:37,237 --> 01:05:37,971

Why?

1575

01:05:38,069 --> 01:05:40,291

Because it's all

I have left to do!

1576

01:05:42,270 --> 01:05:44,103

I don't have anything else.

1577

01:05:45,609 --> 01:05:47,141

So, the rest of us

don't count?

1578

01:05:48,310 --> 01:05:50,278

That's not what I meant.

1579

01:05:50,379 --> 01:05:51,812

Bonnie needs Forky.

1580

01:05:51,912 --> 01:05:54,419

No. You need Bonnie!

1581

01:05:54,529 --> 01:05:55,778

Open your eyes, Woody.

1582

01:05:55,879 --> 01:05:57,884

There's plenty of kids
out there.

1583

01:05:57,954 --> 01:06:01,946

It can't be just about the
one you're still clinging to.

1584

01:06:02,045 --> 01:06:03,945

It's called loyalty.

1585

01:06:04,045 --> 01:06:06,363

Something a lost toy
wouldn't understand.

1586

01:06:07,536 --> 01:06:08,537

(GASPS SOFTLY)

1587

01:06:13,912 --> 01:06:16,077

I'm not the one who's lost.

1588

01:06:17,645 --> 01:06:19,013

Let's get out of here.

1589

01:06:19,111 --> 01:06:21,611

We've got a carnival
that leaves in the morning.

1590

01:06:21,712 --> 01:06:23,112

Come on.

1591

01:06:23,212 --> 01:06:24,312

DUCKY: Mmm-hmm.

1592

01:06:24,412 --> 01:06:25,779

We'll find our own kid.

1593

01:06:25,878 --> 01:06:27,211

You're crazy.

1594

01:06:30,402 --> 01:06:31,301

Bo!

1595

01:06:31,364 --> 01:06:34,311

BO PEEP: Bye, Woody.

Good luck with Bonnie.

1596

01:06:40,194 --> 01:06:43,796

Woody, you did

all you could.

1597

01:06:43,896 --> 01:06:45,606

Time to go home.

1598

01:06:45,709 --> 01:06:46,709

No.

1599

01:06:46,864 --> 01:06:47,560

Woody.

1600

01:06:47,639 --> 01:06:49,483

I don't leave

toys behind, Buzz.

1601

01:06:49,519 --> 01:06:50,796

Yeah, but, Woody,

you're actually leaving...

1602

01:06:50,896 --> 01:06:52,896

Not now. Not ever.

1603

01:06:54,394 --> 01:06:57,062

And he left me behind.

1604

01:06:57,162 --> 01:06:59,016

(SIGHS)

What now, inner voice?

1605

01:06:59,052 --> 01:07:00,961

VOICE BOX: <i>Mission

accomplished. Return to base.</i>

1606

01:07:01,055 --> 01:07:03,333

Go back to the RV?

What about Woody?

1607

01:07:03,395 --> 01:07:05,029

VOICE BOX: *<i>We're going home,
space ranger.</i>*

1608

01:07:05,129 --> 01:07:06,429

<i>Fall back, this planet...</i>

1609

01:07:06,529 --> 01:07:07,509

<i>Retreat! There's too...</i>

1610

01:07:07,545 --> 01:07:09,629

<i>Go! Time to fly! Exit the...

Back... Run...</i>

1611

01:07:09,739 --> 01:07:11,462

<i>Get out!

Returning to Star Command.</i>

1612

01:07:11,562 --> 01:07:13,895

Okay. Okay.

1613

01:07:13,995 --> 01:07:15,361

(SIGHS)

1614

01:07:15,462 --> 01:07:18,227

Thanks a lot, inner voice.

1615

01:07:18,327 --> 01:07:22,028

Harmony, honey, help Grandma
close up for the night.

1616

01:07:22,128 --> 01:07:25,072

HARMONY: Okay. Then can we
go to the carnival?

1617

01:07:25,163 --> 01:07:26,296

MARGARET: Sure.

1618

01:07:31,129 --> 01:07:33,130

- Ahhh!

- GABBY GABBY: Hello, Woody.

1619

01:07:34,495 --> 01:07:35,886

I knew you'd be back.

1620

01:07:37,078 --> 01:07:38,579

You don't know me.

1621

01:07:38,678 --> 01:07:40,411

But I do.

1622

01:07:40,511 --> 01:07:44,178

You were left in the
closet, feeling useless...

1623

01:07:44,278 --> 01:07:46,278

wondering if you'll
ever get played with.

1624

01:07:46,378 --> 01:07:48,278

I'm not leaving
without Forky.

1625

01:07:48,378 --> 01:07:50,477

Can we agree
on just one thing?

1626

01:07:51,188 --> 01:07:51,967

What?

1627

01:07:52,038 --> 01:07:54,145

That being there for a child

1628

01:07:54,246 --> 01:07:57,544

is the most noble thing
a toy can do.

1629

01:07:59,078 --> 01:08:00,278

Okay.

1630

01:08:02,344 --> 01:08:05,946

I was defective
right out of the box.

1631

01:08:06,046 --> 01:08:09,386

I can only imagine what it
must have been like for you.

1632

01:08:10,443 --> 01:08:14,011

All that time you
spent with Andy...

1633

01:08:14,112 --> 01:08:18,145

riding a bike with him
for the first time...

1634

01:08:18,246 --> 01:08:21,846

comforting him
when he skinned his knee...

1635

01:08:21,945 --> 01:08:24,945

proudly watching him
grow up.

1636

01:08:25,045 --> 01:08:28,179

And then you got a second
chance with Bonnie...

1637

01:08:28,277 --> 01:08:31,078

giving her comfort when
she's scared at school...

1638

01:08:31,178 --> 01:08:34,512

helping her when
she needs it most.

1639

01:08:34,611 --> 01:08:38,477

You've been there through
all their ups and downs.

1640

01:08:40,353 --> 01:08:41,921

Please.

1641

01:08:42,020 --> 01:08:43,253

Be honest with me.

1642

01:08:45,243 --> 01:08:48,178

Was it as wonderful
as it sounds?

1643

01:08:51,977 --> 01:08:53,144

It was.

1644

01:08:56,511 --> 01:09:01,079

All I want is a chance for
just one of those moments.

1645

01:09:03,078 --> 01:09:07,212

I'd give anything to be
loved the way you have.

1646

01:09:13,225 --> 01:09:14,757

Just leave me Forky.

1647

01:09:16,177 --> 01:09:18,111

Bonnie needs him.

1648

01:09:19,511 --> 01:09:21,278

Of course.

1649

01:09:27,911 --> 01:09:30,211

(BONNIE'S DAD GRUNTING)

1650

01:09:32,210 --> 01:09:35,078

(LAUGHS)

The flat tire is fixed!

1651

01:09:35,178 --> 01:09:37,079

Come on, Woody, hurry up.

1652

01:09:37,177 --> 01:09:39,344

- Where is he?

- (ALL GASP)

1653

01:09:39,444 --> 01:09:41,277

- JESSIE: Buzz!

- HAMM: Buzz!

1654

01:09:41,378 --> 01:09:42,946

- DOLLY: Where's Woody?

- HAMM: And Forky?

1655

01:09:43,046 --> 01:09:43,946

We have a situation.

1656

01:09:44,024 --> 01:09:45,842

They need to be extracted
from the antique store.

1657

01:09:45,928 --> 01:09:47,029

- How do we do that?

- (DOOR OPENS)

1658

01:09:47,131 --> 01:09:49,070

BONNIE'S DAD: Okay, let's
make sure we have everything.

1659

01:09:49,145 --> 01:09:50,945

BONNIE'S MOM: (SIGHS) Finally.

1660

01:09:51,046 --> 01:09:52,278

It's okay.

Any minute now...

1661

01:09:52,377 --> 01:09:54,611

Bonnie will notice
her backpack is missing.

1662

01:09:54,712 --> 01:09:56,838

She'll realize she left it
at the antique store...

1663

01:09:56,909 --> 01:09:58,769

and we'll head back
in there.

1664

01:09:58,832 --> 01:10:00,460

BONNIE'S MOM: Okay.

Looks like we have everything.

1665

01:10:00,530 --> 01:10:02,040

- You good, Bonnie?

- Yup.

1666

01:10:02,110 --> 01:10:03,478

BONNIE'S DAD:

Great. Let's get out of here.

1667

01:10:03,578 --> 01:10:04,412

(ENGINE STARTS)

1668

01:10:04,660 --> 01:10:06,512

Okay, genius,
what do we do now?

1669

01:10:06,612 --> 01:10:07,650

BUZZ: Hmm.

1670

01:10:07,751 --> 01:10:08,912

VOICE BOX:

<i>Scanning perimeter.</i>

1671

01:10:09,012 --> 01:10:09,845

<i>Laser at full power!</i>

1672

01:10:09,923 --> 01:10:12,080

- Buzz, what are you doing?

- I'm thinking.

1673

01:10:12,135 --> 01:10:13,846

BONNIE'S DAD: Honey, will you
please shut that toy off?

1674

01:10:13,945 --> 01:10:14,851

Yeah, I got it.

1675

01:10:14,887 --> 01:10:16,946

VOICE BOX: <i>Attack!

Meteor shower! Look out!</i>

1676

01:10:17,045 --> 01:10:19,622

<i>It's a secret mission in

uncharted space! Let's go!</i>

1677

01:10:19,731 --> 01:10:22,135

<i>Buzz Lightyear to the rescue!</i>

1678

01:10:22,252 --> 01:10:23,286

Bonnie, how do you

turn this off?

1679

01:10:23,387 --> 01:10:24,687

VOICE BOX: <i>Full speed ahead!</i>

1680

01:10:24,786 --> 01:10:26,353

- <i>Open the pod bay doors!</i>

- BONNIE: I don't know.

1681

01:10:26,453 --> 01:10:28,021

<i>It's just you and me now,
cadet.</i>

1682

01:10:28,121 --> 01:10:29,420

<i>A distress signal is coming
from that rocket.</i>

1683

01:10:29,520 --> 01:10:31,021

BONNIE'S DAD:

Just toss it in the drawer.

1684

01:10:31,120 --> 01:10:33,954

VOICE BOX:

<i>To infinity and beyond!</i>

1685

01:10:34,487 --> 01:10:36,776

Uh-oh. Uh, your backpack's in
the antique store! Let's go!

1686

01:10:36,812 --> 01:10:38,619

Oh, no, my backpack!

1687

01:10:38,887 --> 01:10:41,186

I left my backpack
in the antique store!

1688

01:10:41,286 --> 01:10:42,553

- (BONNIE'S DAD SIGHS)
- You did?

1689

01:10:42,652 --> 01:10:45,687

All right,
let's swing by and get it.

1690

01:10:47,568 --> 01:10:50,502

(CHILDREN CHATTERING
EXCITEDLY)

1691

01:10:50,603 --> 01:10:53,470

Ugh! I can't believe
the nerve of that cowboy.

1692

01:10:53,569 --> 01:10:55,103

I mean, who does
he think he is?

1693

01:10:55,203 --> 01:10:56,337

- (BLEATS)

- Exactly!

1694

01:10:56,437 --> 01:10:58,236

He was way out of line.

1695

01:10:58,336 --> 01:11:00,104

You did the right thing

leaving him behind.

1696

01:11:00,203 --> 01:11:01,337

(BLEATING)

1697

01:11:01,436 --> 01:11:03,036

- Hey, Lamb Chops?

- BO PEEP: Hmm.

1698

01:11:03,136 --> 01:11:04,704

- Coast is clear.

- Oh.

1699

01:11:10,201 --> 01:11:11,237

Head to the middle.

1700

01:11:11,300 --> 01:11:12,535

When the carnival

leaves tomorrow,

1701

01:11:12,571 --> 01:11:14,170

we'll hide right there.

1702

01:11:14,270 --> 01:11:16,171

(RATTLING)

1703

01:11:16,270 --> 01:11:17,859

- Uh, no way!

- Stuff that.

1704

01:11:17,895 --> 01:11:18,596

Awesome.

1705

01:11:18,635 --> 01:11:20,070

Stick with me.

You'll be fine.

1706

01:11:20,170 --> 01:11:20,872

- Ready?

- BUNNY AND DUCKY: No!

1707

01:11:20,908 --> 01:11:21,853

And another thing,

1708

01:11:21,931 --> 01:11:23,741

- Woody asked you for help.

- On your mark...

1709

01:11:23,777 --> 01:11:25,006

GIGGLE: And he

treats you like that?

1710

01:11:25,042 --> 01:11:27,104

- ...get set...

- He only cares about himself.

1711

01:11:27,202 --> 01:11:28,203

- No!

- (BOTH GRUNT)

1712

01:11:28,302 --> 01:11:29,204

- (BOTH SCREAMING)

- You're wrong.

1713

01:11:29,282 --> 01:11:31,236

Woody's always trying to
do right by his kid.

1714

01:11:31,335 --> 01:11:32,888

By putting
everyone in danger.

1715

01:11:32,951 --> 01:11:35,636

Ugh. That kind of crazy
loyalty just...

1716

01:11:35,737 --> 01:11:37,171

You gotta love him for it.

1717

01:11:37,270 --> 01:11:38,637

- Whoa, say what now?

- (BOTH CONTINUE SCREAMING)

1718

01:11:38,737 --> 01:11:41,103

Hey, hey, hey, Bo!

What's the plan?

1719

01:11:41,181 --> 01:11:42,253

Fill me in here.

1720

01:11:45,236 --> 01:11:46,637

- (BOTH CONTINUE SCREAMING)

- (BLEATING)

1721

01:11:46,736 --> 01:11:47,707

(BOTH GRUNT)

1722

01:11:47,769 --> 01:11:49,409

- Get in! We're going back.

- (GROANS)

1723

01:11:49,445 --> 01:11:50,318

We just got here.

1724

01:11:50,354 --> 01:11:52,170

You heard Bo!

We're going back!

1725

01:11:52,269 --> 01:11:54,436

Move your plush!

Let's ride!

1726

01:12:00,168 --> 01:12:01,133

(WHIRRING)

1727

01:12:01,169 --> 01:12:02,737

WOODY'S VOICE BOX:

<i>You're my favorite...</i>

1728

01:12:02,836 --> 01:12:05,703

(VOICE DISTORTS)

1729

01:12:10,568 --> 01:12:11,602

(GRUNTS)

1730

01:12:13,279 --> 01:12:14,413

(GROANS)

1731

01:12:15,255 --> 01:12:16,156

(GROANS)

1732

01:12:16,437 --> 01:12:17,670

- Yay!

- (GASPS)

1733

01:12:17,770 --> 01:12:19,136

(LAUGHS)

1734

01:12:19,235 --> 01:12:20,875

VOICE BOX:

<i>You are my best friend.</i>

1735

01:12:20,945 --> 01:12:22,275

<i>Let's play all day!</i>

1736

01:12:22,311 --> 01:12:24,353

Oh, Benson!

Did you hear that?

1737

01:12:24,389 --> 01:12:25,814

Isn't that lovely?

1738

01:12:25,877 --> 01:12:26,870

VOICE BOX: <i>Time for tea.</i>

1739

01:12:26,948 --> 01:12:29,037

Oh, thank you, Woody.

Thank you!

1740

01:12:29,135 --> 01:12:30,302

- (GRUNTS)

- All my dreams

1741

01:12:30,402 --> 01:12:31,602

are coming true

because of you.

1742

01:12:31,703 --> 01:12:32,704

Thank you! Thank you!

1743

01:12:32,804 --> 01:12:34,004

Uh, you're welcome.

1744

01:12:34,103 --> 01:12:35,103

(GABBY GABBY LAUGHS)

1745

01:12:35,203 --> 01:12:37,569

(SIGHS)

It's time, Benson.

1746

01:12:37,670 --> 01:12:40,535

Goodbye, Forky.

I'm going to miss our talks.

1747

01:12:40,613 --> 01:12:43,216

Me, too.

Good luck, Gabby.

1748

01:12:43,302 --> 01:12:45,136

Thank you,

my little utensil.

1749

01:12:46,236 --> 01:12:49,203

Bye, Gabby!

Goodbye, Benson!

1750

01:12:49,873 --> 01:12:52,135

He is terrifying.

1751

01:12:52,236 --> 01:12:53,270

- (DOOR OPENS)

- (DOORBELL JINGLES)

1752

01:12:53,369 --> 01:12:54,670

- MARGARET: Hello.

- Hi.

1753

01:12:54,770 --> 01:12:56,037

(GASPS) Bonnie?

1754

01:12:56,135 --> 01:12:57,270

MARGARET: Can I help you
with anything?

1755

01:12:57,370 --> 01:12:58,537

Yeah. We called
about the backpack.

1756

01:12:58,636 --> 01:13:00,569

MARGARET: Oh, yes.

I couldn't find it.

1757

01:13:00,670 --> 01:13:01,935

- (WOODY GASPS)

- Feel free to look around.

1758

01:13:02,005 --> 01:13:04,569

- Quick! Before she finds it!

- (PANTING)

1759

01:13:04,670 --> 01:13:05,603

(GASPS)

1760

01:13:07,070 --> 01:13:09,236

Look! There's Harmony.

1761

01:13:12,070 --> 01:13:13,704

VOICE BOX:

<i>You make me so happy!</i>

1762

01:13:13,804 --> 01:13:15,203

<i>Let's be best friends.</i>

1763

01:13:16,036 --> 01:13:17,603

Oh, this is it!

1764

01:13:17,702 --> 01:13:19,402

We're going home, Forky!

1765

01:13:20,069 --> 01:13:21,235

Huh?

1766

01:13:22,068 --> 01:13:24,536

(WHISPERS) Forky! Oh!

1767

01:13:24,793 --> 01:13:27,459

No, no, no. Woody, look!

It's really happening!

1768

01:13:33,605 --> 01:13:36,405

VOICE BOX: <i>I'm Gabby Gabby,

and I love you.</i>

1769

01:13:37,627 --> 01:13:39,560

(CHUCKLING)

I'm gonna cry.

1770

01:13:43,585 --> 01:13:44,960

Oh, what have you

got there?

1771

01:13:45,062 --> 01:13:47,553

I found this old doll.

1772

01:13:47,653 --> 01:13:49,887

MARGARET: You can take it

home if you want.

1773

01:13:51,752 --> 01:13:52,820

Nah.

1774

01:13:55,685 --> 01:13:56,687

(BOTH GASP)

1775

01:14:00,519 --> 01:14:03,252

What happened? Gabby was
supposed to be her toy.

1776

01:14:03,307 --> 01:14:04,786

- BONNIE: There's my backpack!
- (WOODY GASPS)

1777

01:14:04,886 --> 01:14:06,202

Mom, it's over here.

1778

01:14:11,218 --> 01:14:12,385

Forky!

1779

01:14:12,485 --> 01:14:13,853

Mom, I found him!

1780

01:14:13,953 --> 01:14:15,853

BONNIE'S MOM:

Oh, there he is!

1781

01:14:15,954 --> 01:14:17,420

Now, please leave him

in there,

1782

01:14:17,520 --> 01:14:18,956

so he doesn't get lost again.

1783

01:14:26,252 --> 01:14:27,553

FORKY:

But what about Gabby?

1784

01:14:28,853 --> 01:14:30,787

Forky, listen to me

very carefully.

1785

01:14:30,886 --> 01:14:31,985

This is important.

1786

01:14:32,087 --> 01:14:34,900

Tell Buzz to get the RV

to the merry-go-round.

1787

01:14:34,962 --> 01:14:35,653

You understand?

1788

01:14:35,752 --> 01:14:38,026

Absolutely.

What is a merry-go-round?

1789

01:14:38,073 --> 01:14:40,620

(STAMMERS) The spinny ride
with lights and horses.

1790

01:14:40,720 --> 01:14:42,653

- Oh. You mean a carousel.

- Yes!

1791

01:14:42,753 --> 01:14:44,848

Carousel. Yes!

Meet me at the carousel.

1792

01:14:44,911 --> 01:14:45,652

FORKY: Got it.

1793

01:14:48,819 --> 01:14:50,487

(DOORBELL JINGLES)

1794

01:14:56,953 --> 01:14:58,353

(GRUNTS)

1795

01:14:58,920 --> 01:15:01,753

Gabby! Hey, Gabby!

1796

01:15:01,852 --> 01:15:04,486

GABBY GABBY: You can have
your voice box back.

1797

01:15:06,185 --> 01:15:07,886

I don't need it anymore.

1798

01:15:07,987 --> 01:15:09,286

Oh, yes, you do.

1799

01:15:09,386 --> 01:15:11,025

Harmony wasn't
your only chance, Gabby,

1800

01:15:11,061 --> 01:15:12,415

but we have to hurry.

Come on.

1801

01:15:12,509 --> 01:15:15,973

No. Harmony
was my chance.

1802

01:15:16,452 --> 01:15:18,720

My time's over.

1803

01:15:18,820 --> 01:15:20,720

Now, please go away.

1804

01:15:22,619 --> 01:15:23,620

(SIGHS)

1805

01:15:26,753 --> 01:15:29,420

(CHILDREN CHATTERING
IN DISTANCE)

1806

01:15:32,451 --> 01:15:33,854

You hear that?

1807

01:15:40,451 --> 01:15:42,420

A friend
once told me...

1808

01:15:42,520 --> 01:15:44,887

"There are plenty of kids
out there."

1809

01:15:46,185 --> 01:15:48,686

And one of them
is named Bonnie.

1810

01:15:50,418 --> 01:15:52,853

She's waiting for you,
right now.

1811

01:15:54,319 --> 01:15:56,353

She just doesn't
know it yet.

1812

01:15:58,553 --> 01:16:01,286

What if you're wrong?

1813

01:16:01,346 --> 01:16:04,778

Well, if you sit on a shelf
the rest of your life...

1814

01:16:04,842 --> 01:16:06,909

you'll never find out,
will you?

1815

01:16:07,386 --> 01:16:08,587

(THUD)

1816

01:16:10,419 --> 01:16:12,453

He's right.

1817

01:16:12,552 --> 01:16:14,553

I learned that
from the best.

1818

01:16:18,719 --> 01:16:20,853

Come on, Gabby.

1819

01:16:20,954 --> 01:16:22,686

Let's get you to Bonnie.

1820

01:16:29,352 --> 01:16:30,405

The carousel?

1821

01:16:30,491 --> 01:16:33,186

Yeah, it's the spinny ride
with lights and horses.

1822

01:16:33,286 --> 01:16:35,009

Woody said
to meet him there.

1823

01:16:35,103 --> 01:16:36,820

- You gotta be kidding!
- How do we do that?

1824

01:16:36,920 --> 01:16:37,793

Oh! We could, uh...

1825

01:16:37,829 --> 01:16:39,470

We are not
sending Dad to jail.

1826

01:16:39,506 --> 01:16:40,573

You're no fun.

1827

01:16:40,681 --> 01:16:43,599

FEMALE GPS VOICE:

<i>Left turn in 0.5 miles.</i>

1828

01:16:43,724 --> 01:16:46,680

Wait a second.

I have an idea.

1829

01:16:47,251 --> 01:16:48,686

(DOORBELL JINGLES)

1830

01:16:57,670 --> 01:16:58,837

- MAN: Skunk!

- (ALL GASP)

1831

01:16:58,962 --> 01:16:59,929

WOMAN: Skunk!

1832

01:17:01,652 --> 01:17:03,286

(GASPS)

1833

01:17:05,218 --> 01:17:06,787

(SCREAMS)

1834

01:17:07,519 --> 01:17:10,186

(INDISTINCT CHATTER)

1835

01:17:10,285 --> 01:17:12,910

Too many people.

Gonna need an alternate route.

1836

01:17:12,980 --> 01:17:15,041

Will we make it to

the carousel in time?

1837

01:17:18,735 --> 01:17:21,004

BOTH: Yes, we Canada!

1838

01:17:21,103 --> 01:17:22,669

What? What is it?

1839

01:17:23,336 --> 01:17:25,637

(SNORING)

1840

01:17:28,497 --> 01:17:31,765

TRIXIE: Recalculating.

Take a right.

1841

01:17:31,842 --> 01:17:33,099

What? A right?

1842

01:17:33,135 --> 01:17:34,736

TRIXIE: Right turn ahead.

1843

01:17:34,836 --> 01:17:36,782

BONNIE'S DAD: Huh. Does
the GPS sound funny to you?

1844

01:17:36,868 --> 01:17:38,645

BONNIE'S MOM: Honey,
it's fine. Just drive.

1845

01:17:38,681 --> 01:17:40,681

BONNIE'S DAD: Hmm,
I thought it sounded funny.

1846

01:17:43,468 --> 01:17:44,602

Another right!

1847

01:17:44,703 --> 01:17:46,603

- Right.

- Take another right.

1848

01:17:46,702 --> 01:17:48,402

Huh?

Another right? Really?

1849

01:17:48,503 --> 01:17:49,570

- Turn right!

- Now!

1850

01:17:49,669 --> 01:17:50,936

- Turn right!

- (ALL GASP)

1851

01:17:52,677 --> 01:17:54,778

- HAMM: We're headin' back.

- SLINKY: There's the carousel!

1852

01:17:54,877 --> 01:17:57,677

(GASPS) Do you think Woody
will get there in time?

1853

01:17:57,778 --> 01:18:00,521

Nope. Forget it. Never.

No. No way. Declined.

1854

01:18:00,607 --> 01:18:02,352

- No dice. Rejected.

- Duke, Duke, you got this.

1855

01:18:02,399 --> 01:18:04,229

This is the fastest way
to the carousel.

1856

01:18:04,307 --> 01:18:05,578

You made the last jump.

1857

01:18:05,678 --> 01:18:07,763

Yeah, but that was 4 feet.

This is 40!

1858

01:18:07,857 --> 01:18:11,178

Exactly! Duke Caboom

would never repeat a stunt.

1859

01:18:11,224 --> 01:18:13,151

- No. He'd never do that.

- No, no, no.

1860

01:18:13,187 --> 01:18:16,011

He's the toy that went

on to crash 40 feet

1861

01:18:16,111 --> 01:18:18,410

into that target!

1862

01:18:18,510 --> 01:18:20,511

Yeah, he is.

1863

01:18:20,610 --> 01:18:22,078

I'm Duke Caboom!

1864

01:18:22,178 --> 01:18:24,012

Oh, man. I can do this!

1865

01:18:24,111 --> 01:18:25,444

Yes, you Canada!

1866

01:18:25,545 --> 01:18:26,913

I can do it

with my eyes closed.

1867

01:18:26,975 --> 01:18:27,650

Yes, you... What?

1868

01:18:27,686 --> 01:18:29,610

- Three, two, one. Go!

- WOODY: What? No, wait!

1869

01:18:35,443 --> 01:18:37,044

- What is he doing?

- Oh, no.

1870

01:18:37,144 --> 01:18:38,912

(BREATHING RAPIDLY)

1871

01:18:39,011 --> 01:18:40,011

(GRUNTS)

1872

01:18:47,711 --> 01:18:50,012

This is for you, Rejean.

1873

01:18:54,511 --> 01:18:55,511

(GROANS)

1874

01:18:55,610 --> 01:18:56,877

Caboom.

1875

01:19:00,129 --> 01:19:01,030

GIGGLE: Yes!

1876

01:19:01,066 --> 01:19:02,577

- (ALL CHEERING)

- DUCKY: He did it!

1877

01:19:02,613 --> 01:19:03,617

All right, our turn!

1878

01:19:03,682 --> 01:19:05,812

You heard the sheriff.

Let's go.

1879

01:19:05,944 --> 01:19:07,078

(BOTH YELL)

1880

01:19:12,012 --> 01:19:13,013

WOODY: Yee-haw!

1881

01:19:13,082 --> 01:19:14,180

(SHEEP BLEATING)

1882

01:19:15,736 --> 01:19:17,036

TRIXIE: Another right!

1883

01:19:17,137 --> 01:19:19,033

Another right?

That's the wrong way.

1884

01:19:19,119 --> 01:19:21,013

- Are you sure?
- (SIGHS) Stupid rental.

1885

01:19:21,091 --> 01:19:22,503

- I'm turning us around.
- TRIXIE: No!

1886

01:19:22,602 --> 01:19:24,069

- BONNIE'S DAD: Huh?
- TRIXIE: Recalculating.

1887

01:19:24,170 --> 01:19:25,236

Turn right.

1888

01:19:25,335 --> 01:19:27,869

- Must be broken.
- No! No! (SCREAMS)

1889

01:19:31,935 --> 01:19:33,036

- (SCREAMS)
- What is happening?

1890

01:19:33,136 --> 01:19:34,503

Honey, what are you doing?

Slow down!

1891

01:19:34,602 --> 01:19:35,970

I can't! I can't!

1892

01:19:36,070 --> 01:19:38,470

- Press the brake. Press it!

- BONNIE'S DAD: I'm trying.

1893

01:19:38,570 --> 01:19:40,770

(TIRES SCREECHING)

1894

01:19:44,735 --> 01:19:46,036

GIGGLE: Got a visual

on the RV,

1895
