

Dialogues from Zootopia to improve the vocabulary in English

1

00:01:00,920 --> 00:01:06,370

YOUNG JUDY: *<i>Fear.*

Treachery. Bloodlust.</i>

2

00:01:06,600 --> 00:01:08,409

<i>Thousands of years ago...</i>

3

00:01:08,520 --> 00:01:11,808

<i>these were the forces

that ruled our world.</i>

4

00:01:12,000 --> 00:01:14,970

<i>A world where prey

were scared of predators.</i>

5

00:01:15,520 --> 00:01:18,569

<i>And predators had an uncontrollable...</i>

6

00:01:18,720 --> 00:01:20,210

<i>biological urge...</i>

7

00:01:20,440 --> 00:01:22,886

<i>to maim, and maul, and...</i> (GASPS)

8

00:01:23,280 --> 00:01:24,964

- (ROARS)

- (SCREAMS)

9

00:01:25,160 --> 00:01:27,527

- Blood! Blood! Blood!

- (AUDIENCE GASPING)

10

00:01:27,680 --> 00:01:29,205

(CHOKING)

11

00:01:32,440 --> 00:01:34,329

(GROANING)

12

00:01:34,600 --> 00:01:36,728

And death.

13

00:01:36,840 --> 00:01:38,046

(GROANS)

14

00:01:38,280 --> 00:01:39,520

(AUDIENCE MURMURING)

15

00:01:40,600 --> 00:01:41,886

(DRAMATIC DRUMMING)

16

00:01:43,160 --> 00:01:45,766

Back then, the world was divided in two.

17

00:01:46,000 --> 00:01:47,684

- Vicious predator...

- (GROWLS)

18

00:01:48,000 --> 00:01:49,525

or meek prey.

19

00:01:50,880 --> 00:01:52,484

(DRAMATIC MUSIC PLAYING)

20

00:01:53,680 --> 00:01:56,001

JUDY: But over time,
we evolved.

21

00:01:56,200 --> 00:01:59,807

And moved beyond
our primitive, savage ways.

22

00:02:00,000 --> 00:02:03,402

Now, predator and prey live in harmony.

23

00:02:03,560 --> 00:02:04,561

(SQUEAKS)

24

00:02:04,680 --> 00:02:08,844

And every young mammal has
multitudinous opportunities.

25

00:02:08,920 --> 00:02:09,921

Yeah.

26

00:02:10,280 --> 00:02:13,523

I don't have to cower in a herd anymore.

27

00:02:13,720 --> 00:02:17,247

Instead, I can be an astronaut.

28

00:02:17,360 --> 00:02:19,203

- (PLAYING EERIE MUSIC)

- (AUDIENCE APPLAUDING)

29

00:02:19,360 --> 00:02:22,443

I don't have to be

a lonely hunter anymore.

30

00:02:22,680 --> 00:02:24,967

Today, I can hunt for tax exemptions.

31

00:02:25,200 --> 00:02:27,965

I'm gonna be an actuary!

32

00:02:28,080 --> 00:02:29,241

(PLAYING PATRIOTIC MUSIC)

33

00:02:29,360 --> 00:02:32,284

And I can make the world a better place.

34

00:02:32,520 --> 00:02:34,090

I am going to be...

35

00:02:34,360 --> 00:02:35,486

(FUNKY MUSIC PLAYING)

36

00:02:36,040 --> 00:02:37,963

a police officer!

37

00:02:38,880 --> 00:02:40,450

(YOUNG GIDEON LAUGHING)

38

00:02:40,560 --> 00:02:41,800

Bunny cop?

39

00:02:41,920 --> 00:02:44,651

That is the most
stupidest thing I ever heard.

40

00:02:44,880 --> 00:02:47,565

It may seem impossible
to small minds...

41

00:02:47,760 --> 00:02:49,040

I'm looking at you, Gideon Grey.

42

00:02:49,160 --> 00:02:50,321

(AUDIENCE CHUCKLING)

43

00:02:50,720 --> 00:02:53,405

But, just 211 miles away...

44

00:02:53,600 --> 00:02:57,127

stands the great city of Zootopia!

45

00:02:57,400 --> 00:03:00,643

Where our ancestors first
joined together in peace...

46

00:03:00,880 --> 00:03:07,206

and declared that anyone
can be anything!

47

00:03:07,440 --> 00:03:08,680

- (ORGAN MUSIC PLAYING)

- (AUDIENCE APPLAUDING)

48

00:03:08,840 --> 00:03:11,081

Thank you and good night!

49

00:03:11,520 --> 00:03:13,440

STU: Judy, you ever wonder

how your mom and me...

50

00:03:13,560 --> 00:03:15,210

got to be so darn happy?

51

00:03:15,280 --> 00:03:16,361

Nope.

52

00:03:16,560 --> 00:03:19,211

Well, we gave up on our dreams

and we settled. Right, Bon?

53

00:03:19,400 --> 00:03:21,562

Oh, yes, that's right, Stu.

We settled hard.

54

00:03:21,800 --> 00:03:24,610

See, that's the beauty
of complacency, Jude.

55

00:03:24,800 --> 00:03:27,041

If you don't try anything new,
you'll never fail.

56

00:03:27,240 --> 00:03:28,651

I like trying actually.

57

00:03:28,880 --> 00:03:30,245

What you father means, hon...

58

00:03:30,480 --> 00:03:31,925

is it's gonna be difficult...

59

00:03:32,080 --> 00:03:34,401

impossible even, for you

to become a police officer.

60

00:03:34,600 --> 00:03:36,045

Right. There's never been a bunny cop.

61

00:03:36,120 --> 00:03:37,280

- No.

- Bunnies don't do that.

62

00:03:37,320 --> 00:03:38,321

- Never.

- Never.

63

00:03:38,600 --> 00:03:41,331

Oh. Then, I guess

I'll have to be the first one.

64

00:03:41,560 --> 00:03:43,449

Because I am gonna make...

65

00:03:43,600 --> 00:03:46,126

- the world a better place.

- (STU CHUCKLES NERVOUSLY)

66

00:03:46,360 --> 00:03:48,681

Or, uh, heck,
you know, you want to talk...

67

00:03:48,840 --> 00:03:50,126

about making the world
a better place...

68

00:03:50,360 --> 00:03:52,089

no better way to do it than
becoming a carrot farmer.

69

00:03:52,280 --> 00:03:54,123

Yes! Your dad, me...

70

00:03:54,360 --> 00:03:56,567

your 275 brothers and sisters.

71

00:03:56,720 --> 00:03:58,370

- We're changing the world!

- Yeah.

72

00:03:58,600 --> 00:04:00,523

- One carrot at a time.

- Amen to that.

73

00:04:00,680 --> 00:04:02,160

Carrot farming is a noble profession.

74

00:04:02,200 --> 00:04:03,201

- Mmm-hmm.

- (CHILDREN LAUGHING)

75

00:04:03,360 --> 00:04:04,725

BONNIE: Just putting the seeds
in the ground.

76

00:04:04,920 --> 00:04:06,604

STU: Ah, at one with the soil.

Just getting covered in dirt.

77

00:04:06,760 --> 00:04:08,000

- (SIGHS)

- BONNIE: You get it, honey.

78

00:04:08,120 --> 00:04:09,360

It's great to have dreams.

79

00:04:09,560 --> 00:04:10,920

Yeah. Just as long as you don't...

80

00:04:10,960 --> 00:04:12,405

believe in them too much.

81

00:04:14,080 --> 00:04:15,206

Where'd the heck she go?

82

00:04:16,280 --> 00:04:18,120

YOUNG GIDEON: Give me
your tickets right now...

83

00:04:18,200 --> 00:04:19,531

or I'm gonna kick your...

84

00:04:19,640 --> 00:04:21,085

- meek little sheep butt.

- Ow!

85

00:04:21,280 --> 00:04:22,645

Cut it out, Gideon!

86

00:04:22,800 --> 00:04:25,201

Baa! Baa!

What are you gonna do? Cry?

87

00:04:25,320 --> 00:04:28,290

Hey! You heard her. Cut it out.

88

00:04:28,480 --> 00:04:30,369

Nice costume, loser.

89

00:04:30,600 --> 00:04:32,523

What crazy world are you living in...

90

00:04:32,640 --> 00:04:34,927

where you think

a bunny could be a cop?

91

00:04:35,160 --> 00:04:37,162

Kindly return my friend's tickets.

92

00:04:37,400 --> 00:04:38,481

Come and get them.

93

00:04:38,560 --> 00:04:40,483

But watch out, because I'm a fox...

94

00:04:40,640 --> 00:04:42,688

and like you said in your
dumb little stage play...

95

00:04:42,960 --> 00:04:45,201

us predators used to eat prey.

96

00:04:45,440 --> 00:04:47,681

And that killer instinct
is still in our "Dunnah."

97

00:04:47,920 --> 00:04:49,968

Uh, I'm pretty much sure
it's pronounced "DNA."

98

00:04:50,160 --> 00:04:51,605

Don't tell me what I know, Travis.

99

00:04:51,840 --> 00:04:53,763

You don't scare me, Gideon.

100

00:04:54,640 --> 00:04:56,608

- (GROANS)

- YOUNG GIDEON: You scared now?

101

00:04:56,760 --> 00:04:57,807

TRAVIS: Look at

her nose twitch!

102

00:04:57,960 --> 00:04:58,960

She is scared!

103

00:04:59,000 --> 00:05:00,445

Cry little baby bunny.

104

00:05:00,520 --> 00:05:01,681

Cry, Cry...

105

00:05:01,840 --> 00:05:03,000

- (YOUNG JUDY GRUNTS)

- (GROANS)

106

00:05:03,040 --> 00:05:04,280

(ALL GASPS)

107

00:05:05,320 --> 00:05:07,482

Oh, you don't know

when to quit, do you?

108

00:05:07,920 --> 00:05:09,922

- (GASPS)

- (GROWLS)

109

00:05:10,120 --> 00:05:11,485

(YOUNG JUDY SCREAMS)

110

00:05:13,040 --> 00:05:14,041

(GASPS)

111

00:05:14,840 --> 00:05:16,444

I want you to remember this moment...

112

00:05:16,520 --> 00:05:17,560

the next time you think...

113

00:05:17,800 --> 00:05:20,201

you will ever be anything more
than just a stupid...

114

00:05:20,440 --> 00:05:23,091

- carrot-farming, dumb bunny.
- (WHIMPERS)

115

00:05:24,320 --> 00:05:25,481

(LAUGHS)

116

00:05:25,760 --> 00:05:26,761

(ALL PANTING)

117

00:05:27,600 --> 00:05:28,681

That looks bad.

118

00:05:28,880 --> 00:05:30,370

Are you okay, Judy?

119

00:05:30,520 --> 00:05:32,648

Yeah. Yeah, I'm okay.

120

00:05:33,560 --> 00:05:34,607

- Here you go.

- Oh!

121

00:05:34,720 --> 00:05:36,449

Wow! You got our tickets!

122

00:05:36,680 --> 00:05:37,966

You're awesome, Judy!

123

00:05:38,200 --> 00:05:41,522

Yeah, that Gideon Grey doesn't
know what he's talking about.

124

00:05:41,720 --> 00:05:43,802

Well, he was right about one thing.

125

00:05:46,400 --> 00:05:49,688

I don't know when to quit.

126

00:05:51,160 --> 00:05:52,207

DRILL INSTRUCTOR:

Listen up, cadets.

127

00:05:52,360 --> 00:05:53,930

Zootopia has 12 unique...

128

00:05:54,080 --> 00:05:56,401

ecosystems within its city limits.

129

00:05:56,640 --> 00:05:57,687

Tundratown...

130

00:05:57,840 --> 00:05:58,921

Sahara Square...

131

00:05:59,160 --> 00:06:00,924

Rainforest District, to name a few.

132

00:06:01,360 --> 00:06:03,328

You're gonna have
to master all of them...

133

00:06:03,480 --> 00:06:05,767

before you hit the streets,
or guess what?

134

00:06:06,040 --> 00:06:07,849

You'll be dead!

135

00:06:08,000 --> 00:06:09,000

(WHIRRING)

136

00:06:09,120 --> 00:06:10,929

- Scorching sandstorm!
- (CADETS GRUNTING)

137

00:06:13,160 --> 00:06:14,605

DRILL INSTRUCTOR:

You're dead, Bunny Bumpkin!

138

00:06:14,840 --> 00:06:17,241

- (GRUNTING CONTINUES)

- 1,000-foot fall!

139

00:06:17,400 --> 00:06:18,606

Whoa!

140

00:06:18,720 --> 00:06:20,484

DRILL INSTRUCTOR:

You're dead, Carrot Face!

141

00:06:20,960 --> 00:06:22,928

- Frigid ice wall!

- (GRUNTING)

142

00:06:23,160 --> 00:06:24,605

Whoop! (GASPS)

143

00:06:24,760 --> 00:06:26,360

DRILL INSTRUCTOR:

You're dead, Farm Girl!

144

00:06:26,760 --> 00:06:28,205

- Enormous criminal.

- (HIPPO GRUNTS)

145

00:06:28,360 --> 00:06:29,407

(GROANS)

146

00:06:29,480 --> 00:06:31,084

You're dead. Dead, dead, dead!

147

00:06:31,240 --> 00:06:32,240

(SCREAMS)

148

00:06:34,520 --> 00:06:35,601

(EXHALES)

149

00:06:36,560 --> 00:06:37,561

(GRUNTS)

150

00:06:37,640 --> 00:06:38,846

- Whoa...

- (SPLASH ES)

151

00:06:39,200 --> 00:06:40,645

DRIL INSTRUCTOR:

Filthy toilet!

152

00:06:40,800 --> 00:06:42,325

You're dead, Fluff Butt.

153

00:06:42,880 --> 00:06:45,167

<i>Just quit and go home, fuzzy bunny!</i>

154

00:06:45,400 --> 00:06:46,481

STU: <i>There's never been
a bunny cop.</i>

155

00:06:46,760 --> 00:06:47,761

BONNIE: <i>Never.</i>

STU: <i>Never.</i>

156

00:06:47,840 --> 00:06:50,446

YOUNG GIDEON: <i>Just a stupid,
carrot-farming dumb bunny.</i>

157

00:06:50,600 --> 00:06:52,284

- (GRUNTING)

- (SNORING)

158

00:06:56,040 --> 00:06:58,008

(BOTH PANTING)

159

00:06:59,760 --> 00:07:01,489

(GRUNTING)

160

00:07:06,880 --> 00:07:08,370

(GRUNTING)

161

00:07:11,360 --> 00:07:13,010

(GROANS)

162

00:07:17,520 --> 00:07:20,490

<i>As mayor of Zootopia,

I am proud to announce...</i>

163

00:07:20,720 --> 00:07:23,929

<i>that my Mammal inclusion

initiative has produced...</i>

164

00:07:24,160 --> 00:07:26,731

<i>its first police academy graduate.</i>

165

00:07:27,000 --> 00:07:28,650

<i>Valedictorian of her class...</i>

166

00:07:28,840 --> 00:07:32,242

<i>ZPD's very first rabbit officer...</i>

167

00:07:32,480 --> 00:07:34,482

<i>- Judy Hopps.</i>

- (AUDIENCE CHEERING)

168

00:07:34,720 --> 00:07:36,051

Oh, gosh.

169

00:07:37,560 --> 00:07:38,560

(CLEARSTHROAT)

170

00:07:38,680 --> 00:07:40,200

<i>Assistant Mayor Bellwether, her badge.</i>

171

00:07:40,320 --> 00:07:41,731

- Oh, yes. Right!

<i>- Thank you.</i>

172

00:07:41,960 --> 00:07:43,280

YOUNG FEMALE HOPPS FAN:

Yay, Judy!

173

00:07:43,440 --> 00:07:44,680

<i>Judy...</i>

174

00:07:44,760 --> 00:07:48,367

<i>it is my great privilege

to officially assign you...</i>

175

00:07:48,560 --> 00:07:50,050

<i>- to the heart of Zootopia:</i>

- (GASPS)

176

00:07:50,240 --> 00:07:51,765

<i>Precinct One.</i>

177

00:07:52,000 --> 00:07:53,923

<i>- City Center</i>

- (AUDIENCE CHEERING)

178

00:07:54,800 --> 00:07:56,689

Congratulations, Officer Hopps.

179

00:07:57,200 --> 00:07:58,690

I won't let you down.

180

00:07:58,800 --> 00:08:00,529

This has been my dream

since I was a kid.

181

00:08:01,120 --> 00:08:03,248

It's a real proud day for us little guys.

182

00:08:03,480 --> 00:08:05,080

Bellwether, make room,

will you? Come on.

183

00:08:05,160 --> 00:08:07,447

Okay, Officer Hopps.

Let's see those teeth!

184

00:08:07,760 --> 00:08:09,364

- Officer Hopps, right here!

- Look this way please!

185

00:08:09,560 --> 00:08:11,080

MALE PHOTOGRAPHER:

Hold still. Smile!

186

00:08:11,520 --> 00:08:12,806

(INDISTINCT CHATTER)

187

00:08:13,440 --> 00:08:14,726

BONNIE: We're real

proud of you, Judy.

188

00:08:14,920 --> 00:08:16,365

STU: Yeah. Scared, too.

(CHUCKLES NERVOUSLY)

189

00:08:16,600 --> 00:08:17,726

- Yes.

- Really, it's kind of...

190

00:08:17,840 --> 00:08:18,887

a proud-scared combo.

191

00:08:19,040 --> 00:08:22,487

I mean, Zootopia. So far away.

Such a big city.

192

00:08:22,560 --> 00:08:23,607

Guys...

193

00:08:23,840 --> 00:08:25,729

I've been working for this my whole life.

194

00:08:25,920 --> 00:08:26,967

We know. And we're just...

195

00:08:27,120 --> 00:08:29,248

a little excited for you, but terrified.

196

00:08:29,720 --> 00:08:32,041

The only thing we have
to fear is fear itself.

197

00:08:32,320 --> 00:08:34,721

And also bears.

We have bears to fear, too.

198

00:08:34,960 --> 00:08:36,246

Say nothing of lions and wolves.

199

00:08:36,480 --> 00:08:37,481

- Wolves?

- Weasels.

200

00:08:37,720 --> 00:08:38,801

You play cribbage with a weasel.

201

00:08:38,880 --> 00:08:39,961

Yeah. And he cheats
like there's no tomorrow.

202

00:08:40,160 --> 00:08:41,161

- (SIGHS)

- You know what, pretty much...

203

00:08:41,320 --> 00:08:43,084

all predators.

And Zootopia's full of them.

204

00:08:43,240 --> 00:08:44,241

Oh, Stu.

205

00:08:44,320 --> 00:08:45,731

And foxes are the worst.

206

00:08:46,000 --> 00:08:48,571

Actually, your father does

have a point there.

207

00:08:48,680 --> 00:08:50,011

It's in their biology.

208

00:08:50,240 --> 00:08:51,446

Remember what happened

with Gideon Grey?

209

00:08:51,680 --> 00:08:53,091

When I was nine.

210

00:08:53,280 --> 00:08:56,250

Gideon Grey was a jerk
who happened to be a fox.

211

00:08:56,480 --> 00:08:58,289

I know plenty of bunnies who are jerks.

212

00:08:58,520 --> 00:09:01,171

Sure, we all do. Absolutely.
But just in case...

213

00:09:01,400 --> 00:09:02,401

we made you a little care...

214

00:09:02,520 --> 00:09:03,567

- package to take with you.
- Mmm-hmm.

215

00:09:03,640 --> 00:09:04,880

And I put some snacks in there.

216

00:09:05,000 --> 00:09:06,880

- This is fox deterrent.

- Yeah, that's safe...

217

00:09:07,000 --> 00:09:08,081

- to have that. Okay.

- STU: This is fox repellent.

218

00:09:08,200 --> 00:09:09,201

The deterrent and the repellent...

219

00:09:09,280 --> 00:09:10,361

- that's all she needs.

- Check this out!

220

00:09:10,440 --> 00:09:11,760

- (GASPS)

- Oh, for goodness sake.

221

00:09:11,840 --> 00:09:13,524

She has no need for a fox Taser, Stu.

222

00:09:13,760 --> 00:09:15,967

Oh, come on. When is there not
a need for a fox Taser?

223

00:09:16,240 --> 00:09:18,766

Okay, look! I will take this,
to make you stop talking.

224

00:09:19,000 --> 00:09:20,720

- Terrific! Everyone wins!
- (TRAIN HONKING)

225

00:09:20,920 --> 00:09:23,446

MALE STATIONMASTER:

<i>Arriving, Zootopia Express.</i>

226

00:09:25,840 --> 00:09:28,047

Okay, gotta go! Bye!

227

00:09:28,760 --> 00:09:29,761

YOUNG FEMALE BUNNY 1:

Bye, Judy!

228

00:09:29,880 --> 00:09:31,211

YOUNG FEMALE BUNNY 2:

Bye, Judy!

229

00:09:33,800 --> 00:09:34,847

(JUDY SIGHS)

230

00:09:35,280 --> 00:09:36,281

Mmm.

231

00:09:36,400 --> 00:09:38,050

I love you guys.

232

00:09:38,800 --> 00:09:40,689

- Love you, too.

- (SNIFFLES)

233

00:09:41,080 --> 00:09:43,162

Oh, cripes, here come

the waterworks. (SOBBING)

234

00:09:43,320 --> 00:09:44,560

Oh, Stu, pull it together.

235

00:09:45,120 --> 00:09:46,281

Bye, everybody!

236

00:09:46,560 --> 00:09:47,686

- Bye-bye, Judy!

- COTTON: Bye, Judy!

237

00:09:47,920 --> 00:09:49,490

I love you!

238

00:09:49,960 --> 00:09:51,883

Bye! Bye!

239

00:09:55,000 --> 00:09:56,000

Goodbye!

240

00:10:09,720 --> 00:10:11,006

(POP MUSIC PLAYING)

241

00:10:11,080 --> 00:10:12,081

<i>Oh, oh, oh, oh, oh!</i>

242

00:10:13,880 --> 00:10:16,167

<i>Oh, oh, oh, oh, oh!</i>

243

00:10:18,000 --> 00:10:20,571

<i>Oh, oh, oh, oh, oh!</i>

244

00:10:22,200 --> 00:10:24,362

<i>Oh, oh, oh, oh, oh!</i>

245

00:10:25,000 --> 00:10:29,130

<i>I messed up tonight

I lost another fight</i>

246

00:10:29,520 --> 00:10:32,967

<i>Lost to myself

But I'll just start again</i>

247

00:10:33,280 --> 00:10:35,282

<i>I keep falling down</i>

248

00:10:35,480 --> 00:10:37,562

<i>I keep on hitting the ground</i>

249

00:10:37,720 --> 00:10:39,290

<i>But I always get up now</i>

250

00:10:39,400 --> 00:10:41,402

<i>To see what's next</i>

251

00:10:43,560 --> 00:10:45,642

<i>Birds don't just fly</i>

252

00:10:45,720 --> 00:10:47,722

<i>They fall down and get up</i>

253

00:10:51,240 --> 00:10:57,850

<i>Nobody learns
without getting it wrong</i>

254

00:10:58,720 --> 00:11:01,929

<i>I won't give up

No I won't give in</i>

255

00:11:02,320 --> 00:11:06,086

<i>Till I reach the end

And then I'll start again</i>

256

00:11:06,200 --> 00:11:08,202

<i>No I won't leave</i>

257

00:11:08,520 --> 00:11:10,648

<i>I want to try everything</i>

258

00:11:10,760 --> 00:11:15,004

<i>I want to try

even though I could fail</i>

259

00:11:15,200 --> 00:11:18,568

<i>I won't give up

No, I won't give in</i>

260

00:11:18,720 --> 00:11:20,768

<i>Till I reach the end</i>

261

00:11:20,880 --> 00:11:22,803

<i>Then I'll start again</i>

262

00:11:23,000 --> 00:11:27,369

<i>No, I won't leave

I want to try everything</i>

263

00:11:27,560 --> 00:11:31,121

<i>I want to try

even though I could fail</i>

264

00:11:32,960 --> 00:11:34,962

<i>Oh, oh, oh, oh, oh!</i>

265

00:11:35,360 --> 00:11:36,441

<i>Try everything</i>

266

00:11:37,080 --> 00:11:39,048

<i>Oh, oh, oh, oh, oh!</i>

267

00:11:39,520 --> 00:11:40,885

<i>Try everything</i>

268

00:11:41,280 --> 00:11:43,362

<i>Oh, oh, oh, oh, oh!</i>

269

00:11:43,880 --> 00:11:45,450

<i>Try everything</i>

270

00:11:45,520 --> 00:11:47,761

<i>Oh, oh, oh, oh, oh!</i>

271

00:11:49,600 --> 00:11:56,245

<i>I'll keep on making those new mistakes</i>

272

00:11:57,560 --> 00:12:04,205

<i>I'll keep on making them every day</i>

273

00:12:05,440 --> 00:12:09,161

<i>Those new mistakes</i>

274

00:12:10,880 --> 00:12:12,689

(INDISTINCT CONVERSATIONS)

275

00:12:14,960 --> 00:12:16,371

(GURGLING)

276

00:12:16,680 --> 00:12:17,680

(SQUEAKING)

277

00:12:21,000 --> 00:12:22,604

<i>Oh, oh, oh, oh, oh!</i>

278

00:12:23,240 --> 00:12:24,890

<i>Try everything</i>

279

00:12:24,960 --> 00:12:26,371

<i>Oh, oh, oh, oh, oh!</i>

280

00:12:27,440 --> 00:12:29,090

<i>Try everything</i>

281

00:12:29,160 --> 00:12:31,208

<i>Oh, oh, oh, oh, oh!</i>

282

00:12:31,440 --> 00:12:33,169

<i>Try everything</i>

283

00:12:33,240 --> 00:12:35,481

<i>Oh, oh, oh, oh, oh!</i>

284

00:12:37,440 --> 00:12:41,365

<i>Try everything</i>

285

00:12:42,120 --> 00:12:45,761

<i>I'm Gazelle. Welcome to Zootopia.</i>

286

00:12:45,960 --> 00:12:48,361

Welcome to the Grand Pangolin Arms.

287

00:12:48,600 --> 00:12:51,331

Luxury apartments with charm.

288

00:12:51,520 --> 00:12:54,000

Complimentary delousing

once a month.

289

00:12:54,160 --> 00:12:55,241

Don't lose your key.

290

00:12:55,360 --> 00:12:56,646

Thank you.

291

00:12:56,880 --> 00:12:58,928

Oh, hi! I'm Judy, your new neighbor.

292

00:12:59,160 --> 00:13:00,207

Yeah? Well, we're loud.

293

00:13:00,280 --> 00:13:02,362

Don't expect us to apologize for it.

294

00:13:02,480 --> 00:13:03,891

(DOOR SLAMS)

295

00:13:05,480 --> 00:13:06,527

Greasy walls.

296

00:13:06,800 --> 00:13:07,926

ORYX: Hey, shut up!

297

00:13:08,160 --> 00:13:09,241

Rickety bed.

298

00:13:09,320 --> 00:13:10,321

ORYX: You shut up!

KUDU: You shut up!

299

00:13:10,600 --> 00:13:11,806

ORYX: Will you shut up?

300

00:13:12,000 --> 00:13:13,047

Crazy neighbors.

301

00:13:13,280 --> 00:13:14,281

ORYX: I said, "Shut up!"

302

00:13:14,520 --> 00:13:15,760

I love it!

303

00:13:16,000 --> 00:13:17,200

ORYX: Shut your mouth,
shut up.

304

00:13:17,280 --> 00:13:18,600

- KUDU: Shut up!

- (ALARM BEEPING)

305

00:13:25,960 --> 00:13:26,961

Ah...

306

00:13:31,480 --> 00:13:33,323

(DOOR OPENS AND CLOSES)

307

00:13:35,360 --> 00:13:36,361

WOLF: Come on!

308

00:13:36,600 --> 00:13:38,329

He bared his teeth first!

309

00:13:39,720 --> 00:13:40,720

Mmm, mmm, mmm, mmm!

310

00:13:40,840 --> 00:13:41,920

- JUDY: Excuse me.

- (GASPS)

311

00:13:42,360 --> 00:13:43,486

Down here.

312

00:13:43,880 --> 00:13:44,881

Hi.

313

00:13:45,040 --> 00:13:47,008

O-M-Goodness!

314

00:13:47,200 --> 00:13:50,124

They really did hire a bunny!

(LAUGHS) What!

315

00:13:50,360 --> 00:13:51,725

I gotta tell you, you are even cuter...

316

00:13:51,880 --> 00:13:53,166

than I thought you'd be!

317

00:13:53,320 --> 00:13:55,607

Oh, ah. You probably didn't know...

318

00:13:55,720 --> 00:13:58,564

but a bunny can call

another bunny "cute"...

319

00:13:58,800 --> 00:14:00,211

but when other animals do it...

320

00:14:00,600 --> 00:14:02,250

- it's a little...

- (GASPS)

321

00:14:02,720 --> 00:14:06,167

I am so sorry!

Me, Benjamin Clawhauser...

322

00:14:06,400 --> 00:14:08,084

the guy everyone thinks

is just a flabby...

323

00:14:08,240 --> 00:14:11,244

donut-loving cop,
stereotyping you. Oh...

324

00:14:11,400 --> 00:14:13,402

No, it's okay. Oh, you've actually got...

325

00:14:13,560 --> 00:14:15,164

- There's a...

- Um... A what?

326

00:14:15,400 --> 00:14:16,686

In your neck. The fold.

327

00:14:16,880 --> 00:14:18,564

- Where? Oh!

- JUDY: The... Mmm-hmm. Yes.

328

00:14:18,800 --> 00:14:21,610

There you went,
you little dickens! Mmm.

329

00:14:21,720 --> 00:14:22,767

(CHUCKLES NERVOUSLY)

330

00:14:22,920 --> 00:14:24,729

I should get to roll call,
which way do I...?

331

00:14:25,000 --> 00:14:26,480

Oh, Bullpen's over there to the left.

332

00:14:26,680 --> 00:14:29,160

- Great. Thank you.

- Aw...

333

00:14:29,520 --> 00:14:31,360

That poor little bunny's
gonna get eaten alive.

334

00:14:32,400 --> 00:14:33,606

(INDISTINCT CONVERSATIONS)

335

00:14:33,880 --> 00:14:35,530

(OFFICERS LAUGHING)

336

00:14:36,080 --> 00:14:37,081

(GROWLS)

337

00:14:40,680 --> 00:14:41,681

(GRUNTS)

338

00:14:42,520 --> 00:14:43,521

(SIGHS)

339

00:14:43,880 --> 00:14:45,769

Hey, Officer Hopps.

340

00:14:46,000 --> 00:14:47,764

You ready to make the world
a better place?

341

00:14:51,280 --> 00:14:52,327

(CHUCKLES)

342

00:14:52,400 --> 00:14:53,400

Atten-hut!

343

00:14:54,120 --> 00:14:55,929

ALL: (CHANTING) Hut! Hut! Hut!

344

00:14:58,280 --> 00:15:01,124

All right. All right! Everybody sit.

345

00:15:01,960 --> 00:15:04,531

I've got three items on the docket.

346

00:15:04,760 --> 00:15:07,525

First... we need to acknowledge...

347

00:15:07,680 --> 00:15:09,409

the elephant in the room.

348

00:15:10,000 --> 00:15:11,081

Francine...

349

00:15:12,200 --> 00:15:13,201

Happy birthday.

350

00:15:13,280 --> 00:15:14,611

- (ALL CHEERING)

- Oh, yeah.

351

00:15:15,160 --> 00:15:16,366

Oh. Oh.

352

00:15:16,440 --> 00:15:17,441

BOGO: Number two.

353

00:15:17,720 --> 00:15:20,564

There are some new recruits
with us I should introduce...

354

00:15:20,800 --> 00:15:21,800

but I'm not going to...

355

00:15:21,960 --> 00:15:23,689

because I don't care.

356

00:15:23,800 --> 00:15:25,211

(ALL SNICKERING)

357

00:15:25,800 --> 00:15:29,566

Finally, we have 14
missing mammal cases.

358

00:15:29,800 --> 00:15:32,167

All predators, from a giant polar bear...

359

00:15:32,320 --> 00:15:33,651

to a teensy little otter.

360

00:15:35,160 --> 00:15:37,845

And City Hall is right up
my tail to find them.

361

00:15:38,120 --> 00:15:41,283

This is priority number one.

362

00:15:41,480 --> 00:15:42,606

Assignments.

363

00:15:42,920 --> 00:15:44,001

Officers Grizzoli...

364

00:15:44,240 --> 00:15:45,401

Fangmeyer, Delgado.

365

00:15:45,560 --> 00:15:46,641

Your teams take missing mammals...

366

00:15:46,840 --> 00:15:48,604

from the Rainforest District.

367

00:15:49,240 --> 00:15:51,891

Officers McHorn, Rhinowitz, Wolfard.

368

00:15:52,120 --> 00:15:54,407

Your teams take Sahara Square.

369

00:15:54,840 --> 00:15:56,683

Officers Higgins, Snarlov, Trunkaby.

370

00:15:56,920 --> 00:15:58,843

Tundratown.

371

00:15:59,080 --> 00:16:01,845

And finally, our first bunny...

372

00:16:02,080 --> 00:16:04,560

Officer Hopps.

373

00:16:05,360 --> 00:16:06,361

Parking Duty.

374

00:16:07,000 --> 00:16:08,126

Dismissed.

375

00:16:08,400 --> 00:16:10,004

Parking duty?

376

00:16:11,280 --> 00:16:12,361

- Chief!

- Hmm.

377

00:16:12,480 --> 00:16:13,480

Chief Bogo?

378

00:16:14,760 --> 00:16:18,287

Sir, you said there were
14 missing mammal cases.

379

00:16:18,520 --> 00:16:20,090

- So?

- So, I can handle one.

380

00:16:20,320 --> 00:16:21,446

You probably forgot...

381

00:16:21,600 --> 00:16:23,682

but I was top of my class
at the Academy.

382

00:16:23,960 --> 00:16:26,361

Didn't forget. Just don't care.

383

00:16:26,560 --> 00:16:28,562

Sir, I'm not just some token bunny.

384

00:16:28,840 --> 00:16:30,046

Well, then writing 100 tickets a day...

385

00:16:30,160 --> 00:16:31,571

should be easy.

386

00:16:35,760 --> 00:16:38,445

100 tickets. I'm not gonna

write 100 tickets.

387

00:16:38,720 --> 00:16:40,722

I'm gonna write 200 tickets.

388

00:16:40,960 --> 00:16:42,041

Before noon.

389

00:16:42,320 --> 00:16:44,846

(UPBEAT MUSIC PLAYING)

390

00:16:57,360 --> 00:16:58,361

(BEEPS)

391

00:16:58,720 --> 00:16:59,846

(TIRES SCREECHING)

392

00:17:00,400 --> 00:17:01,401

(DINGS)

393

00:17:03,080 --> 00:17:04,445

(MUSIC PLAYING)

394

00:17:07,080 --> 00:17:08,127

(BEEPS)

395

00:17:08,680 --> 00:17:10,011

- (PARKING METER BEEPS)

- (GASPS)

396

00:17:12,240 --> 00:17:13,287

(PARKING METER BEEPS)

397

00:17:24,080 --> 00:17:25,081

(PARKING METERS BEEPING)

398

00:17:30,280 --> 00:17:31,280

(SHRIEKS)

399

00:17:39,880 --> 00:17:40,927

JUDY: Boom!

400

00:17:41,200 --> 00:17:43,043

- 200 tickets before noon!

- (BEEPS)

401

00:17:45,520 --> 00:17:46,520

Oh...

402

00:17:48,200 --> 00:17:49,200

201.

403

00:17:49,560 --> 00:17:50,766

- (TIRES SCREECHING)

- (HORNS HONKING)

404

00:17:50,960 --> 00:17:53,486

Hey, watch where you're going, fox!

405

00:17:53,640 --> 00:17:54,640

(GASPS)

406

00:18:05,040 --> 00:18:06,121

(DOOR BELLS JINGLING)

407

00:18:08,120 --> 00:18:09,167

Mmm.

408

00:18:20,560 --> 00:18:22,324

Where'd he go?

409

00:18:24,280 --> 00:18:26,089

(JAZZ MUSIC PLAYING)

410

00:18:29,680 --> 00:18:30,681

(INHALING)

411

00:18:38,440 --> 00:18:39,566

Listen, I don't know what
you're doing skulking...

412

00:18:39,760 --> 00:18:41,000

around during daylight hours...

413

00:18:41,240 --> 00:18:43,368

but I don't want any trouble in here.

414

00:18:43,520 --> 00:18:45,329

So, hit the road.

415

00:18:45,560 --> 00:18:47,369

I'm not looking for
any trouble either, sir.

416

00:18:47,560 --> 00:18:50,370

I simply want to buy a Jumbo Pop...

417

00:18:50,640 --> 00:18:52,051

for my little boy.

418

00:18:56,480 --> 00:18:58,847

You want the red or the blue, pal?

419

00:19:01,600 --> 00:19:02,681

Aw...

420

00:19:04,080 --> 00:19:05,445

I'm such a...

421

00:19:05,720 --> 00:19:06,767

Oh, come on, kid. Back up.

422

00:19:06,840 --> 00:19:07,887

Listen, buddy. What?

423

00:19:08,000 --> 00:19:09,126

There aren't any fox ice cream joints...

424

00:19:09,360 --> 00:19:10,521

in your part of town?

425

00:19:10,600 --> 00:19:11,760

NICK: Uh, no, no. There are.

426

00:19:11,840 --> 00:19:15,561

There are. It's just, my boy,
this goofy little stinker...

427

00:19:15,840 --> 00:19:17,046

he loves all things elephant.

428

00:19:17,200 --> 00:19:18,690

Wants to be one when he grows up.

429

00:19:19,040 --> 00:19:20,804

- (TRUMPETS)

- Is that adorable?

430

00:19:21,200 --> 00:19:22,201

Oh!

431

00:19:22,400 --> 00:19:25,563

Who the heck am I to crush
his little dreams, huh? Right?

432

00:19:26,560 --> 00:19:27,368

Look, you probably can't read, fox...

433

00:19:27,560 --> 00:19:28,561

but the sign says...

434

00:19:28,760 --> 00:19:31,764

"We reserve the right

to refuse service...

435

00:19:32,000 --> 00:19:34,207

"...to anyone." So, beat it.

436

00:19:34,480 --> 00:19:36,403

You're holding up the line.

437

00:19:36,560 --> 00:19:38,562

(SOBBING AND TRUMPETING)

438

00:19:38,960 --> 00:19:41,122

Hello? Excuse me.

439

00:19:41,560 --> 00:19:42,527

Hey, you're gonna have

to wait your turn...

440

00:19:42,640 --> 00:19:44,244

like everyone else, meter maid.

441

00:19:44,640 --> 00:19:46,369

Actually, I'm an officer.

442

00:19:46,560 --> 00:19:47,925

Just had a quick question.

443

00:19:48,200 --> 00:19:49,884

Are your customers aware...

444

00:19:50,080 --> 00:19:51,445

they're getting snot and mucus...

445

00:19:51,680 --> 00:19:52,602

with their cookies and cream?

446

00:19:52,760 --> 00:19:53,760

(SPITS)

447

00:19:54,680 --> 00:19:55,966

What are you talking about?

448

00:19:56,200 --> 00:19:58,362

Well, I don't want to

cause you any trouble...

449

00:19:58,480 --> 00:19:59,606

but I believe scooping ice cream...

450

00:19:59,880 --> 00:20:01,120

with an ungloved trunk is a Class 3...

451

00:20:01,280 --> 00:20:02,441

health code violation.

452

00:20:04,240 --> 00:20:06,242

Which is kind of a big deal.

(CHUCKLES)

453

00:20:06,440 --> 00:20:08,360

Of course, I could let you off

with a warning...

454

00:20:08,400 --> 00:20:12,086

if you were to glove those
trunks and, I don't know...

455

00:20:12,320 --> 00:20:15,608

finish selling this nice dad
and his son a...

456

00:20:15,840 --> 00:20:16,841

(WHISPERS) What was it?

457

00:20:16,960 --> 00:20:18,962

A Jumbo Pop. Please.

458

00:20:19,200 --> 00:20:20,964

- A Jumbo Pop.

- (TRUMPETS)

459

00:20:21,640 --> 00:20:23,881

(SIGHS LOUDLY) \$15.

460

00:20:24,080 --> 00:20:27,129

Thank you so much. Thank you.

461

00:20:27,320 --> 00:20:30,483

Oh, no. Are you kidding me?

I don't have my wallet.

462

00:20:30,720 --> 00:20:32,131

(CHUCKLES)

463

00:20:32,560 --> 00:20:34,324

I'd lose my head if it weren't

attached to my neck.

464

00:20:34,480 --> 00:20:35,606

That's the truth.

465

00:20:35,680 --> 00:20:37,569

Oh, boy. I'm sorry, pal.

466

00:20:37,680 --> 00:20:39,444

Got to be about the worst birthday ever.

467

00:20:39,640 --> 00:20:41,768

Please don't be mad at me.

468

00:20:42,320 --> 00:20:43,606

Thanks anyway.

469

00:20:49,600 --> 00:20:51,125

Keep the change.

470

00:20:51,360 --> 00:20:53,283

NICK: Officer, I can't

thank you enough.

471

00:20:53,520 --> 00:20:56,171

So kind, really. Can I pay you back?

472

00:20:56,440 --> 00:20:58,807

Oh, no, my treat. It just...

473

00:20:59,040 --> 00:21:00,690

You know, it burns me up

to see folks...

474

00:21:00,840 --> 00:21:02,968

with such backward attitudes
toward foxes.

475

00:21:03,240 --> 00:21:05,925

I just wanna say you're
a great dad and just a...

476

00:21:06,160 --> 00:21:08,970

a real articulate fella.

477

00:21:09,240 --> 00:21:10,844

Oh, well, that is high praise.

478

00:21:11,040 --> 00:21:13,611

It's rare that I find someone
so non-patronizing.

479

00:21:13,880 --> 00:21:14,880

Officer...

480

00:21:14,960 --> 00:21:16,086

Hopps. Mister...

481

00:21:16,160 --> 00:21:18,447

Wilde. Nick Wilde.

482

00:21:18,640 --> 00:21:20,005

And you, little guy...

483

00:21:20,240 --> 00:21:22,004

You want to be an elephant
when you grow up?

484

00:21:22,160 --> 00:21:23,366

You be an elephant.

485

00:21:23,600 --> 00:21:25,648

Because this is Zootopia.

486

00:21:25,880 --> 00:21:29,043

- Anyone can be anything.

- (TRUMPETS)

487

00:21:29,520 --> 00:21:31,040

Oh, boy, I tell him that all the time.

488

00:21:31,080 --> 00:21:34,004

All right, here you go. Two paws. Yeah.

489

00:21:34,240 --> 00:21:35,526

Oh, look at that smile.

490

00:21:35,680 --> 00:21:37,170

That's a "happy birthday" smile.

491

00:21:37,400 --> 00:21:39,687

All right, give her a little

bye-bye toot-toot.

492

00:21:39,920 --> 00:21:40,920

(TRUMPETS)

493

00:21:41,080 --> 00:21:42,206

Toot-toot! (LAUGHS)

494

00:21:42,480 --> 00:21:43,480

Bye, now.

495

00:21:43,600 --> 00:21:44,600

Goodbye! (LAUGHS)

496

00:21:46,720 --> 00:21:47,846

(PARKING METER BEEPS)

497

00:21:56,600 --> 00:21:57,600

(SIGHS)

498

00:21:59,800 --> 00:22:00,847

Oh!

499

00:22:01,200 --> 00:22:02,884

Hey, little Toot-Toot...

500

00:22:25,840 --> 00:22:26,841

(GASPS)

501

00:22:48,360 --> 00:22:49,407

(TOLLING)

502

00:22:49,800 --> 00:22:52,087

- (SQUEAKING)

- NICK: Popsicles!

503

00:22:52,280 --> 00:22:53,406

Get your popsicles!

504

00:22:54,080 --> 00:22:55,081

Oh.

505

00:22:55,160 --> 00:22:56,400

(ALL SQUEAKING)

506

00:23:18,760 --> 00:23:19,841

Lumber delivery.

507

00:23:19,960 --> 00:23:21,041

What's with the color?

508

00:23:21,120 --> 00:23:22,201

The color?

509

00:23:22,280 --> 00:23:24,044

(STAMMERS) Uh, that's red wood.

510

00:23:24,160 --> 00:23:26,128

(GROWLING)

511

00:23:26,440 --> 00:23:28,568

39, 40. There you go.

512

00:23:28,800 --> 00:23:30,609

Way to work that diaper, big guy.

513

00:23:31,280 --> 00:23:33,726

Hey, no kiss bye-bye for daddy?

514

00:23:35,440 --> 00:23:36,965

(INDEEP VOICE)

You kiss me tomorrow,

515

00:23:37,120 --> 00:23:38,121

I'll bite your face off.

516

00:23:38,280 --> 00:23:39,645

(FRENCH HIP-HOP MUSIC PLAYING)

517

00:23:39,840 --> 00:23:40,921

Ciao.

518

00:23:44,040 --> 00:23:47,249

Well. I stood up for you,
and you lied to me.

519

00:23:47,480 --> 00:23:48,641

You liar!

520

00:23:48,840 --> 00:23:50,490

It's called a hustle, sweetheart.

521

00:23:50,680 --> 00:23:52,648

And I'm not the liar. He is.

522

00:23:56,280 --> 00:23:57,281

Hey!

523

00:23:57,480 --> 00:24:00,245

All right, slick Nick,
you're under arrest.

524

00:24:00,480 --> 00:24:01,766

Really? For what?

525

00:24:02,000 --> 00:24:04,321

Gee, I don't know. How about
selling food without a permit.

526

00:24:04,560 --> 00:24:06,680

Transporting undeclared
commerce across borough lines.

527

00:24:06,840 --> 00:24:07,841

False advertising.

528

00:24:08,160 --> 00:24:10,811

Permit. Receipt of declared commerce.

529

00:24:11,000 --> 00:24:13,321

And I didn't falsely advertise
anything. Take care.

530

00:24:13,520 --> 00:24:15,682

You told that mouse the
Popsicle sticks were redwood!

531

00:24:15,880 --> 00:24:18,281

That's right. "Red wood ."
With a space in the middle.

532

00:24:18,480 --> 00:24:19,811

Wood that is red.

533

00:24:19,960 --> 00:24:21,405

(ALL BLEATING)

534

00:24:21,600 --> 00:24:22,601

You can't touch me, Carrots.

535

00:24:22,680 --> 00:24:24,240

I've been doing this since I was born.

536

00:24:24,400 --> 00:24:26,084

You're gonna want to refrain
from calling me Carrots.

537

00:24:26,360 --> 00:24:27,840

My bad. I just naturally assumed...

538

00:24:27,960 --> 00:24:30,042

you came from some little
carrot-choked Podunk, no?

539

00:24:30,160 --> 00:24:31,160

Uh, no!

540

00:24:31,320 --> 00:24:32,446

Podunk is in Deerbrooke County...

541

00:24:32,560 --> 00:24:33,720

and I grew up in Bunnyburrow.

542

00:24:33,840 --> 00:24:37,287

Okay. Tell me if this story
sounds familiar.

543

00:24:37,520 --> 00:24:39,807

Naive little hick with
good grades and big ideas...

544

00:24:40,040 --> 00:24:42,691

decides, "Hey, look at me!
I'm gonna move to Zootopia...

545

00:24:42,880 --> 00:24:44,644

where predators
and prey live in harmony...

546

00:24:44,800 --> 00:24:45,847

and sing 'Kumbaya. '"

547

00:24:46,080 --> 00:24:47,969

Only to find, whoopsie...

548

00:24:48,200 --> 00:24:49,565

we don't all get along.

549

00:24:49,680 --> 00:24:51,364

And that dream of becoming
a big city cop?

550

00:24:51,560 --> 00:24:53,562

Double whoopsie. She's a meter maid.

551

00:24:53,720 --> 00:24:55,080

And, whoopsie number three-sie...

552

00:24:55,200 --> 00:24:57,248

no one cares about her or her dreams.

553

00:24:57,480 --> 00:24:59,369

And soon enough, those dreams die...

554

00:24:59,560 --> 00:25:00,925

and our bunny sinks into emotional...

555

00:25:01,040 --> 00:25:03,120

and literal squalor living
in a box under a bridge...

556

00:25:03,160 --> 00:25:05,527

till finally she has no choice
but to go back home...

557

00:25:05,720 --> 00:25:08,087

with that cute, fuzzy-wuzzy
little tail between...

558

00:25:08,360 --> 00:25:09,360

her legs to become...

559

00:25:09,520 --> 00:25:10,965

You're from Bunnyburrow,
is that what you said?

560

00:25:11,200 --> 00:25:14,044

So how about a carrot farmer.
That sound about right?

561

00:25:16,200 --> 00:25:17,929

(GASPS) Oh!

562

00:25:18,040 --> 00:25:19,720

NICK: Be careful, now,
or it won't just...

563

00:25:19,760 --> 00:25:21,171

be your dreams getting crushed.

564

00:25:21,400 --> 00:25:25,564

Hey! Hey! No one tells me
what I can or can't be!

565

00:25:25,760 --> 00:25:27,728

Especially not some jerk...

566

00:25:27,960 --> 00:25:29,849

who never had the guts to try to be...

567

00:25:29,960 --> 00:25:32,406

anything more than a Popsicle hustler.

568

00:25:32,600 --> 00:25:36,002

All right, look.

Everyone comes to Zootopia...

569

00:25:36,240 --> 00:25:38,004

thinking they can be anything they want.

570

00:25:38,240 --> 00:25:39,605

Well, you can't.

571

00:25:39,800 --> 00:25:41,882

You can only be what you are.

572

00:25:42,080 --> 00:25:44,321

Sly fox, dumb bunny.

573

00:25:44,600 --> 00:25:46,329

- I'm not a dumb bunny.

- (SQUELCHING)

574

00:25:47,240 --> 00:25:49,811

Right. And that's not wet cement.

575

00:25:51,640 --> 00:25:52,720

You'll never be a real cop.

576

00:25:53,920 --> 00:25:55,320

You're a cute meter maid, though.

577

00:25:55,960 --> 00:25:57,644

Maybe a supervisor one day.

578

00:25:57,960 --> 00:25:59,803

Hang in there.

579

00:26:15,440 --> 00:26:17,568

Everybody hurts

580

00:26:17,800 --> 00:26:21,327

- (CHANGING STATIONS)

- By myself

581

00:26:21,600 --> 00:26:23,807

<i>You can't do nothing right babe</i>

582

00:26:24,000 --> 00:26:25,923

<i>I'm a loser</i>

583

00:26:26,080 --> 00:26:28,526

(SLOW MUSIC PLAYING)

584

00:26:36,320 --> 00:26:38,129

(JUDY GROANS)

585

00:26:42,920 --> 00:26:44,763

(CELL PHONE RINGING)

586

00:26:47,320 --> 00:26:48,810

(GROANS)

587

00:26:52,320 --> 00:26:54,163

Oh, hey, it's my parents.

588

00:26:54,360 --> 00:26:56,806

<i>Oh, there she is! Hi, sweetheart!</i>

589

00:26:56,960 --> 00:26:58,086

<i>Hey there, Jude the dude.</i>

590

00:26:58,200 --> 00:26:59,804

<i>How was your first day on the force?</i>

591

00:26:59,880 --> 00:27:01,723

- It was real great.

- BONNIE: <i>Yeah?</i>

592

00:27:01,960 --> 00:27:03,200

<i>Everything you ever hoped?</i>

593

00:27:03,440 --> 00:27:04,680

Mmm. Absolutely.

594

00:27:04,880 --> 00:27:06,325

And more.

595

00:27:06,520 --> 00:27:09,126

Everyone's so nice

and I feel like I'm really...

596

00:27:09,320 --> 00:27:10,845

- making a difference.

<i>- Wait a second.</i>

597

00:27:11,040 --> 00:27:12,400

<i>Holy cripes, Bonnie, look at that.</i>

598

00:27:12,480 --> 00:27:13,925

<i>Oh, my sweet heaven!</i>

599

00:27:14,160 --> 00:27:16,128

<i>Judy. are you a meter maid?</i>

600

00:27:16,360 --> 00:27:18,601

Oh, this? No! Oh, no. This is

just a temporary thing.

601

00:27:18,840 --> 00:27:20,320

<i>Oh, it's the safest job on the force!</i>

602

00:27:20,400 --> 00:27:21,686

STU: *<i>Oh, she's not a real cop.</i>*

603

00:27:21,840 --> 00:27:22,887

<i>Our prayers have been answered!</i>

604

00:27:23,000 --> 00:27:24,126

BONNIE: *<i>Glorious day!</i>*

605

00:27:24,240 --> 00:27:25,321

STU: (LAUGHS)

<i>Oh, meter maid! Meter maid!</i>

606

00:27:25,520 --> 00:27:28,171

<i>- Meter maid! Meter maid!</i>

- Dad. Dad. Dad!

607

00:27:28,360 --> 00:27:30,200

It's been a really long day.

I should really...

608

00:27:30,360 --> 00:27:31,361

<i>That's right you get some rest.</i>

609

00:27:31,520 --> 00:27:32,760

<i>Those meters aren't gonna
maid themselves.</i>

610

00:27:33,040 --> 00:27:34,326

<i>Bye-bye.</i>

611

00:27:35,080 --> 00:27:36,650

Buh-bye.

612

00:27:37,640 --> 00:27:39,005

(SIGHS)

613

00:27:40,320 --> 00:27:42,891

ORYX: Hey, buddy, turn down
that depressing music.

614

00:27:43,240 --> 00:27:44,241

(TURNS OFF)

615

00:27:44,360 --> 00:27:45,680

KUDU: Leave

the meter maid alone.

616

00:27:45,760 --> 00:27:47,171

Didn't you hear her conversation?

617

00:27:47,360 --> 00:27:48,441

She feels like a failure!

618

00:27:48,720 --> 00:27:50,320

ORYX: Oh, shut up!

KUDU: You shut up!

619

00:27:50,360 --> 00:27:51,361

ORYX: You shut up!

620

00:27:51,560 --> 00:27:52,607

- KUDU: You shut up!

- (JUDY GROANS)

621

00:27:52,840 --> 00:27:54,569

Tomorrow's another day.

622

00:27:54,760 --> 00:27:56,967

KUDU: Yeah,

but it might be worse!

623

00:27:57,080 --> 00:27:58,081

(BEEPS)

624

00:27:58,760 --> 00:28:01,411

(GRUNTS) I was 30 seconds over!

625

00:28:01,680 --> 00:28:02,727

(BEEPS)

626

00:28:02,920 --> 00:28:04,968

Ugh! Yeah, you're a real hero, lady!

627

00:28:05,120 --> 00:28:06,121

(BEEPS)

628

00:28:06,520 --> 00:28:08,841

My mommy says she wishes

you were dead.

629

00:28:09,720 --> 00:28:10,767

ANGRY DRIVER: Uncool, rabbit.

630

00:28:10,840 --> 00:28:13,047

My tax dollars pay your salary.

631

00:28:13,200 --> 00:28:14,200

(SIGHS)

632

00:28:14,280 --> 00:28:18,524

I am a real cop. I am

a real cop. I am a real cop.

633

00:28:18,720 --> 00:28:21,291

Hey, hey, hey! You, bunny!

634

00:28:21,520 --> 00:28:23,329

Sir. If you have a grievance,

635

00:28:23,440 --> 00:28:25,329

you may contest your citation

in traffic court.

636

00:28:25,560 --> 00:28:27,369

What are you talking about? My shop!

637

00:28:27,600 --> 00:28:29,329

- It was just robbed! Look!

- JUDY: Oh!

638

00:28:29,600 --> 00:28:30,965

- He's getting away!

- (PANTING)

639

00:28:31,200 --> 00:28:32,611

Are you a cop or not?

640

00:28:32,800 --> 00:28:35,531

Oh, yes! Yes! Don't worry, sir!

I've got this!

641

00:28:39,760 --> 00:28:40,761

- JUDY: Stop!

- Huh?

642

00:28:40,880 --> 00:28:42,040

Stop, in the name of the law!

643

00:28:42,560 --> 00:28:44,801

Catch me if you can, Cottontail!

644

00:28:49,080 --> 00:28:50,923

- (PANTING)

- BYSTANDER: Whoa! Whoa!

645

00:28:51,120 --> 00:28:52,326

- Whoa.

- (SIRENS WAILING)

646

00:28:52,440 --> 00:28:53,521

Coming through!

647

00:28:53,600 --> 00:28:55,250

This is Officer McHorn, we got a 10-31.

648

00:28:55,440 --> 00:28:56,487

- I got dibs!

- (GASPS)

649

00:28:56,720 --> 00:28:58,165

Officer Hopps. I am in pursuit!

650

00:28:58,760 --> 00:29:00,125

Whoo-whoo!

651

00:29:00,720 --> 00:29:01,846

- Whoa!

- (TIRES SCREECHING)

652

00:29:02,160 --> 00:29:03,160

(PANTING)

653

00:29:04,600 --> 00:29:05,600

Ha!

654

00:29:05,800 --> 00:29:06,801

(GRUNTS)

655

00:29:07,960 --> 00:29:09,121

(ALL SQUEALING)

656

00:29:09,840 --> 00:29:10,921

(LAUGHS)

657

00:29:11,280 --> 00:29:12,281

(GRUNTS)

658

00:29:14,800 --> 00:29:16,450

JUDY: You!

659

00:29:16,600 --> 00:29:17,600

Freeze!

660

00:29:17,640 --> 00:29:19,802

Hey, meter maid! Wait for the real cops!

661

00:29:21,120 --> 00:29:22,121

Stop!

662

00:29:22,320 --> 00:29:24,004

- (PANTING)

- (BYSTANDERS SCREAMING)

663

00:29:26,480 --> 00:29:27,606

(SCREAMING)

664

00:29:28,160 --> 00:29:29,605

(LAUGHS)

665

00:29:30,920 --> 00:29:31,920

(GRUNTS)

666

00:29:32,120 --> 00:29:33,120

Oh...

667

00:29:34,320 --> 00:29:35,320

(JUDY GRUNTS)

668

00:29:35,760 --> 00:29:36,760

(GRUNTS)

669

00:29:36,840 --> 00:29:37,841

(RESIDENTS SCREAMING)

670

00:29:41,040 --> 00:29:42,041

(ALL SCREAMING)

671

00:29:42,160 --> 00:29:43,491

(GRUNTING)

672

00:29:46,960 --> 00:29:48,041

(SIGHS) Oh!

673

00:29:48,160 --> 00:29:49,161

(ALL SCREAMING)

674

00:29:50,000 --> 00:29:51,000

Sorry. Coming through.

675

00:29:51,160 --> 00:29:53,367

Excuse me. Excuse me. Pardon.

676

00:29:54,160 --> 00:29:55,571

(TRAIN APPROACHING)

677

00:29:55,680 --> 00:29:56,681

(YELPS)

678

00:29:58,040 --> 00:29:59,201

Bon voyage-e, flat foot!

679

00:29:59,320 --> 00:30:00,970

- (GROWLS)

- (LAUGHS)

680

00:30:01,120 --> 00:30:02,120

(GASPS)

681

00:30:05,640 --> 00:30:07,085

(YELPING)

682

00:30:08,040 --> 00:30:09,041

(LAUGHS) Huh?

683

00:30:10,240 --> 00:30:11,730

- JUDY: Ha! Oh...

- (SCREAMS)

684

00:30:12,800 --> 00:30:14,325

- (GRUNTING)

- (ALL SCREAMING)

685

00:30:15,360 --> 00:30:16,771

(GROANS)

686

00:30:16,880 --> 00:30:18,291

Hey, stop right there!

687

00:30:18,520 --> 00:30:19,806

Have a donut, copper!

688

00:30:20,000 --> 00:30:21,000

(YELPS)

689

00:30:21,640 --> 00:30:24,962

Oh, my God. Did you see
those leopard print jeggings?

690

00:30:25,080 --> 00:30:26,081

(BOTH SCREAMING)

691

00:30:27,200 --> 00:30:28,200

Oh!

692

00:30:29,840 --> 00:30:31,001

(PANTING)

693

00:30:31,160 --> 00:30:32,605

I love your hair.

694

00:30:33,160 --> 00:30:34,161

Thank you.

695

00:30:34,360 --> 00:30:36,408

(LAUGHING) Come to papa.

696

00:30:36,560 --> 00:30:37,925

- (GASPS)

- (JUDY GRUNTING)

697

00:30:40,040 --> 00:30:41,166

Okay. You're gonna
have to be patient...

698

00:30:41,360 --> 00:30:42,646

and wait in line
just like everyone else...

699

00:30:42,880 --> 00:30:44,928

- Mrs. Otterton. Okay?
- (DOOR SLAMS)

700

00:30:48,000 --> 00:30:50,606

- (GASPS)
- (GROANING)

701

00:30:51,720 --> 00:30:53,722

I popped the weasel!

702

00:30:53,920 --> 00:30:55,604

Hopps!

703

00:30:57,720 --> 00:30:59,210

BOGO: Abandoning your post.

704

00:30:59,280 --> 00:31:00,770

Inciting a scurry.

705

00:31:01,040 --> 00:31:02,883

Reckless endangerment of rodents.

706

00:31:03,080 --> 00:31:04,923

But, to be fair...

707

00:31:05,120 --> 00:31:06,480

you did stop a master criminal...

708

00:31:06,560 --> 00:31:08,608

from stealing two dozen moldy onions.

709

00:31:09,520 --> 00:31:10,567

Mmm. Hate to disagree with you, sir...

710

00:31:10,760 --> 00:31:11,886

but those aren't onions.

711

00:31:12,080 --> 00:31:13,320

Those are a crocus varietal...

712

00:31:13,400 --> 00:31:14,731

called *midnicampum holicithias*.

713

00:31:14,920 --> 00:31:16,280

They're a Class-C botanical, sir.

714

00:31:16,400 --> 00:31:17,401

Well, I grew up in a family...

715

00:31:17,600 --> 00:31:18,681

where plant husbandry

was kind of a thing.

716

00:31:18,920 --> 00:31:20,649

Shut your tiny mouth now!

717

00:31:21,560 --> 00:31:23,289

Sir, I got the bad guy.

718

00:31:23,560 --> 00:31:24,561

That's my job.

719

00:31:24,760 --> 00:31:26,524

Your job is putting tickets...

720

00:31:26,640 --> 00:31:28,000

- on parked cars!

- (INTERCOM BEEPS)

721

00:31:28,040 --> 00:31:29,041

CLAWHAUSER: *<i>Chief...</i>*

722

00:31:29,240 --> 00:31:30,880

<i>uh, Mrs. Otterton's here

to see you again.</i>

723

00:31:30,920 --> 00:31:32,251

- Not now.

<i>- Okay, I just didn't know . .</i>

724

00:31:32,320 --> 00:31:33,367

<i>If you'd want to take it this time.</i>

725

00:31:33,440 --> 00:31:34,521

<i>She seems really upset.</i>

726

00:31:34,600 --> 00:31:35,840

- Not now!

- Sir...

727

00:31:36,120 --> 00:31:37,724

I don't want to be a meter maid...

728

00:31:37,800 --> 00:31:39,962

I want to be a real cop.

729

00:31:40,160 --> 00:31:43,289

Do you think the mayor asked
what I wanted...

730

00:31:44,200 --> 00:31:45,042

when he assigned you to me?

731

00:31:45,120 --> 00:31:46,246

But, sir, if...

732

00:31:46,320 --> 00:31:47,720

Life isn't some cartoon musical...

733

00:31:47,800 --> 00:31:49,131

where you sing a little song...

734

00:31:49,320 --> 00:31:52,688

and your insipid dreams

magically come true.

735

00:31:52,920 --> 00:31:56,288

- So, let it go.

- (DOOR OPENS)

736

00:31:56,480 --> 00:31:57,970

Chief Bogo, please.

737

00:31:58,120 --> 00:31:59,724

Five minutes of your time. Please.

738

00:31:59,960 --> 00:32:00,960

(PANTING) I'm sorry, sir.

739

00:32:01,120 --> 00:32:03,202

I tried to stop her.

She is super-slippery.

740

00:32:03,480 --> 00:32:05,005

I gotta go sit down.

741

00:32:05,400 --> 00:32:08,529

Ma'am, as I've told you,
we're doing everything we can.

742

00:32:08,760 --> 00:32:11,081

My husband has been missing
for 10 days.

743

00:32:11,280 --> 00:32:12,566

His name is Emmitt Otterton.

744

00:32:12,800 --> 00:32:13,800

BOGO: Yes, I know.

745

00:32:13,920 --> 00:32:15,888

He's a florist.

746

00:32:16,160 --> 00:32:17,525

We have two beautiful children.

747

00:32:17,640 --> 00:32:19,324

He would never just disappear.

748

00:32:19,680 --> 00:32:22,445

BOGO: Ma'am, our detectives
are very busy.

749

00:32:22,640 --> 00:32:23,687

Please.

750

00:32:23,760 --> 00:32:26,604

There's got to be somebody
to find my Emmitt.

751

00:32:26,840 --> 00:32:27,887

Mrs. Otterton...

752

00:32:27,960 --> 00:32:28,960

JUDY: I will find him.

753

00:32:29,440 --> 00:32:30,560

MRS. OTTERTON: (SIGHS) Oh!

754

00:32:30,600 --> 00:32:32,090

Thank you.

755

00:32:32,480 --> 00:32:33,527

- Bless you.

- Oh!

756

00:32:33,600 --> 00:32:35,284

Bless you, little bunny.

757

00:32:35,480 --> 00:32:36,527

(GROWLS)

758

00:32:36,680 --> 00:32:37,727

Oh.

759

00:32:38,000 --> 00:32:39,081

Take this.

760

00:32:39,160 --> 00:32:41,527

Find my Emmitt. Bring him home...

761

00:32:41,720 --> 00:32:43,643

to me and my babies, please.

762

00:32:43,800 --> 00:32:44,800

(BOGO CLEARS THROAT)

763

00:32:45,040 --> 00:32:46,166

Mrs. Otterton, please wait out here.

764

00:32:46,400 --> 00:32:48,000

Of course. Oh, thank you both so much.

765

00:32:48,520 --> 00:32:49,520

One second.

766

00:32:51,000 --> 00:32:52,684

You're fired.

767

00:32:52,880 --> 00:32:54,006

What? Why?

768

00:32:54,240 --> 00:32:55,480

Insubordination!

769

00:32:55,680 --> 00:32:57,330

Now. I'm going to open this door...

770

00:32:57,520 --> 00:32:58,885

and you're going to tell that otter...

771

00:32:59,000 --> 00:33:00,331

you're a former meter maid...

772

00:33:00,560 --> 00:33:02,528

with delusions of grandeur...

773

00:33:02,720 --> 00:33:04,449

who will not be taking the case!

774

00:33:04,680 --> 00:33:07,490

I just heard Officer Hopps

is taking the case.

775

00:33:07,720 --> 00:33:09,006

Assistant Mayor Bellwether.

776

00:33:09,200 --> 00:33:10,560

The Mammal Inclusion Initiative...

777

00:33:10,600 --> 00:33:12,523

is really starting to pay off.

(CHUCKLES)

778

00:33:12,800 --> 00:33:15,280

Mayor Lionheart is just gonna

be so jazzed!

779

00:33:15,520 --> 00:33:16,521

No, no, let's not tell
the Mayor just yet.

780

00:33:16,760 --> 00:33:19,491

And I've sent it and it is
done, so I did do that.

781

00:33:19,720 --> 00:33:21,720

All right. Well, I'd say
the case is in good hands.

782

00:33:21,760 --> 00:33:24,001

Us little guys really need to
stick together, right?

783

00:33:24,400 --> 00:33:25,481

Like glue.

784

00:33:25,720 --> 00:33:27,006

(LAUGHS) Good one.

785

00:33:27,200 --> 00:33:29,123

Just call me if you ever
need anything, okay?

786

00:33:29,400 --> 00:33:31,240

You've always got a friend
at City Hall, Judy.

787

00:33:31,320 --> 00:33:32,651

All right, bye-bye.

788

00:33:32,880 --> 00:33:34,882

Thank you, ma'am.

789

00:33:36,200 --> 00:33:37,247

(SIGHS)

790

00:33:39,400 --> 00:33:41,880

I will give you 48 hours.

791

00:33:42,160 --> 00:33:43,207

Yes!

792

00:33:43,400 --> 00:33:44,561

That's two days to find Emmitt Otterton.

793

00:33:44,720 --> 00:33:45,721

Okay.

794

00:33:45,800 --> 00:33:49,930

But, you strike out, you resign.

795

00:33:50,080 --> 00:33:52,082

Oh! Uh...

796

00:33:54,080 --> 00:33:55,161

Okay.

797

00:33:55,280 --> 00:33:56,281

Deal!

798

00:33:56,400 --> 00:33:57,400

Splendid.

799

00:33:57,440 --> 00:34:00,091

Clawhauser will give you
the complete case file.

800

00:34:00,480 --> 00:34:01,480

CLAWHAUSER: Here you go.

801

00:34:01,640 --> 00:34:03,085

One missing otter.

802

00:34:04,840 --> 00:34:05,841

JUDY: That's it?

803

00:34:06,000 --> 00:34:09,004

Yikes! That is the smallest
case file I've ever seen.

804

00:34:09,240 --> 00:34:11,402

CLAWHAUSER: Leads, none.
Witnesses, none.

805

00:34:11,600 --> 00:34:13,090

And you're not

in the computer system yet...

806

00:34:13,280 --> 00:34:15,442

so resources, none! (LAUGHS)

807

00:34:15,680 --> 00:34:17,091

Oh, I hope you didn't stake
your career...

808

00:34:17,280 --> 00:34:18,930

on cracking this one!

809

00:34:19,200 --> 00:34:21,248

JUDY: Okay.

Last known sighting.

810

00:34:21,360 --> 00:34:22,521

(CLAWHAUSER SLURPING)

811

00:34:26,680 --> 00:34:28,967

Can I just borrow... Thank you.

812

00:34:32,000 --> 00:34:33,047

Popsicle?

813

00:34:33,280 --> 00:34:34,805

The murder weapon.

814

00:34:35,040 --> 00:34:36,451

Get your Popsicle.

815

00:34:36,720 --> 00:34:40,281

Yeah. Because that...

What does that mean?

816

00:34:40,520 --> 00:34:41,521

It means...

817

00:34:42,320 --> 00:34:44,721

I have a lead.

818

00:34:45,000 --> 00:34:46,126

(FINNICK SNORING)

819

00:34:48,960 --> 00:34:50,086

(FINNICK GURGLES)

820

00:34:50,160 --> 00:34:52,766

Hi! Hello? It's me, again!

821

00:34:52,960 --> 00:34:55,964

- Hey, it's Officer Toot-Toot.

- (LAUGHS)

822

00:34:56,120 --> 00:34:57,963

No. Actually, it's Officer Hopps...

823

00:34:58,160 --> 00:35:00,200

and I'm here to ask you
some questions about a case.

824

00:35:00,240 --> 00:35:01,401

What happened, meter maid?

825

00:35:01,520 --> 00:35:02,840

Did someone steal a traffic cone?

826

00:35:02,960 --> 00:35:04,610

It wasn't me.

827

00:35:06,200 --> 00:35:07,440

(SIREN BLEEPS)

828

00:35:07,560 --> 00:35:09,005

Hey, Carrots, you're going
to wake the baby.

829

00:35:09,160 --> 00:35:10,161

I gotta get to work.

830

00:35:10,440 --> 00:35:11,487

This is important, sir.

831

00:35:11,720 --> 00:35:14,849

I think your \$10 worth
of popsicles can wait.

832

00:35:15,000 --> 00:35:18,129

(SCOFFS) I make

200 bucks a day, Fluff!

833

00:35:18,320 --> 00:35:21,483

365 days a year, since I was 12.

834

00:35:21,760 --> 00:35:23,250

And time is money. Hop along.

835

00:35:23,480 --> 00:35:25,244

Please, just look at the picture.

836

00:35:25,480 --> 00:35:26,811

You sold Mr. Otterton
that Popsicle, right?

837

00:35:26,920 --> 00:35:27,967

Do you know him?

838

00:35:28,160 --> 00:35:29,161

I know everybody.

839

00:35:29,680 --> 00:35:31,603

And I also know that, somewhere...

840

00:35:31,840 --> 00:35:32,966

there's a toy store missing

its stuffed animal...

841

00:35:33,080 --> 00:35:35,765

so why don't you get back to your box?

842

00:35:36,000 --> 00:35:37,800

Fine. Then we'll have

to do this the hard way.

843

00:35:37,840 --> 00:35:38,841

(METAL CLANKS)

844

00:35:39,520 --> 00:35:41,010

Did you just boot my stroller?

845

00:35:41,280 --> 00:35:43,009

Nicholas Wilde, you are under arrest.

846

00:35:43,360 --> 00:35:45,840

Ha! For what? (IN BABY VOICE)

Hurting your feelings?

847

00:35:46,080 --> 00:35:47,206

Felony Tax Evasion.

848

00:35:47,840 --> 00:35:51,686

Yeah, \$200 a day, 365 days a year...

849

00:35:51,840 --> 00:35:53,046

since you were 12.

850

00:35:53,280 --> 00:35:55,203

That's two decades, so times 20...

851

00:35:55,360 --> 00:35:57,966

which is \$ 1,460, 000, I think.

852

00:35:58,200 --> 00:36:00,282

(CHUCKLES) I mean,

I am just a dumb bunny...

853

00:36:00,400 --> 00:36:01,731

but we are good at multiplying.

854

00:36:01,920 --> 00:36:03,649

Anyway, according to your tax forms...

855

00:36:03,880 --> 00:36:06,486

you reported, let me see here... zero!

856

00:36:06,720 --> 00:36:09,371

Unfortunately, lying on a federal form...

857

00:36:09,560 --> 00:36:10,891

is a punishable offense.

858

00:36:11,240 --> 00:36:12,526

Five years jail time.

859

00:36:12,720 --> 00:36:14,882

Well, it's my word against yours.

860

00:36:15,920 --> 00:36:17,649

ON RECORDING:

<i>200 bucks a day, Fluff!</i>

861

00:36:17,880 --> 00:36:20,565

<i>365 days a year, since I was 12.</i>

862

00:36:20,800 --> 00:36:22,484

Actually, it's your word against yours.

863

00:36:22,720 --> 00:36:24,484

And if you want this pen,
you're going to help me...

864

00:36:24,600 --> 00:36:26,011

find this poor, missing otter...

865

00:36:26,240 --> 00:36:27,969

or the only place you'll be
selling popsicles...

866

00:36:28,120 --> 00:36:30,168

is the prison cafeteria.

867

00:36:31,240 --> 00:36:33,083

It's called a hustle, sweetheart.

868

00:36:33,440 --> 00:36:35,363

FINNICK: She hustled you.

869

00:36:35,480 --> 00:36:37,721

(LAUGHING)

870

00:36:38,240 --> 00:36:39,240

(INHALES)

871

00:36:39,320 --> 00:36:42,051

She hustled you good!

872

00:36:42,240 --> 00:36:45,369

You a cop now, Nick.

You gonna need one of these.

873

00:36:45,480 --> 00:36:46,481

(CHUCKLES)

874

00:36:46,640 --> 00:36:47,687

Have fun...

875

00:36:47,800 --> 00:36:48,926

working with the fuzz!

876

00:36:49,080 --> 00:36:50,923

(CONTINUES LAUGHING)

877

00:36:51,200 --> 00:36:52,611

Start talking.

878

00:36:52,800 --> 00:36:55,246

(SIGHS) I don't know where he is.

879

00:36:55,440 --> 00:36:56,566

I only saw where he went.

880

00:36:56,760 --> 00:36:57,761

Great. Let's go.

881

00:36:59,160 --> 00:37:01,003

It's not exactly a place for, uh...

882

00:37:01,280 --> 00:37:02,441

a cute little bunny.

883

00:37:02,640 --> 00:37:04,404

Don't call me cute. Get in the car.

884

00:37:04,600 --> 00:37:06,841

Okay. You're the boss.

885

00:37:07,320 --> 00:37:09,766

(SOOTHING MUSIC PLAYING)

886

00:37:14,360 --> 00:37:15,486

YAX: (CHANTING) Om!

887

00:37:22,560 --> 00:37:24,005

(FLIES BUZZING)

888

00:37:25,440 --> 00:37:26,851

(CLEARS THROAT) Hi.

889

00:37:27,120 --> 00:37:28,120

Hello?

890

00:37:28,160 --> 00:37:29,605

(LOUDLY) Om!

891

00:37:29,960 --> 00:37:31,291

Um, hello?

892

00:37:31,600 --> 00:37:33,523

Hello? Hello?

893

00:37:33,680 --> 00:37:35,330

- (COUGHS)

- (FLIES BUZZING)

894

00:37:35,520 --> 00:37:36,520

Hmm?

895

00:37:36,640 --> 00:37:38,160

- JUDY: Hello. My name is...

- Oh...

896

00:37:38,240 --> 00:37:39,480

You know, I'm going to hit...

897

00:37:39,600 --> 00:37:41,489

the pause button right there...

898

00:37:41,680 --> 00:37:43,842

because we're all good
on Bunny Scout cookies.

899

00:37:44,080 --> 00:37:45,889

Uh... no.

900

00:37:46,120 --> 00:37:48,327

I'm Officer Hopps, ZPD.

901

00:37:48,560 --> 00:37:50,722

I'm looking for a missing mammal...

902

00:37:50,880 --> 00:37:52,245

Emmitt Otterton, right here...

903

00:37:52,480 --> 00:37:55,006

who may have frequented
this establishment.

904

00:37:55,160 --> 00:37:56,491

(GASPS)

905

00:37:56,640 --> 00:37:58,404

- (SNEEZES)

- (FLIES BUZZING)

906

00:37:58,600 --> 00:37:59,647

(SNIFFLES) Hmm.

907

00:37:59,720 --> 00:38:02,326

Yeah, old Emmitt. (CHUCKLES)

908

00:38:02,560 --> 00:38:04,847

Haven't seen him in a couple of weeks.

909

00:38:05,040 --> 00:38:08,169

But, hey, you should talk
to his yoga instructor.

910

00:38:08,360 --> 00:38:10,010

I'd be happy to take you back.

911

00:38:10,160 --> 00:38:11,491

Oh, thank you so much.
I'd appreciate that...

912

00:38:11,640 --> 00:38:13,005

more than you can imagine,
it would be such...

913

00:38:13,120 --> 00:38:14,849

- Ohh! You are naked!
- Huh?

914

00:38:15,160 --> 00:38:18,004

Oh, for sure, we're
a naturalist club. (LAUGHS)

915

00:38:18,200 --> 00:38:21,249

Yeah. In Zootopia,
anyone can be anything.

916

00:38:21,520 --> 00:38:23,443

These guys, they be naked.

917

00:38:23,680 --> 00:38:26,570

Nangi's just on the other side
of the Pleasure Pool.

918

00:38:27,080 --> 00:38:28,366

(TRUMPETING)

919

00:38:34,120 --> 00:38:35,201

NICK: Oh, boy.

920

00:38:35,280 --> 00:38:37,169

Does this make you uncomfortable?

921

00:38:37,360 --> 00:38:40,728

Because if so, there is no
shame in calling it quits.

922

00:38:41,000 --> 00:38:42,889

Yes, there is.

923

00:38:43,120 --> 00:38:45,043

Boy, that's the spirit.

924

00:38:45,200 --> 00:38:46,200

(LAUGHING)

925

00:38:46,320 --> 00:38:47,845

YAX: Yeah, some mammals say...

926

00:38:47,960 --> 00:38:49,371

the naturalist life is weird...

927

00:38:49,560 --> 00:38:51,483

but you know what I say is weird?

928

00:38:51,720 --> 00:38:53,609

Clothes on animals!

929

00:38:54,400 --> 00:38:56,050

- Here we go.

- Mmm...

930

00:38:56,320 --> 00:38:58,368

As you can see, Nangi's an elephant...

931

00:38:58,560 --> 00:39:00,881

so she'll totally remember everything.

932

00:39:01,080 --> 00:39:02,161

Hey, Nangi.

933

00:39:02,400 --> 00:39:04,050

These dudes have some questions...

934

00:39:04,160 --> 00:39:05,525

about Emmitt the otter.

935

00:39:05,640 --> 00:39:06,640

Who?

936

00:39:06,720 --> 00:39:08,449

Uh... Emmitt Otterton?

937

00:39:08,600 --> 00:39:10,240

Been coming to your
yoga class for like...

938

00:39:10,280 --> 00:39:11,441

6 years?

939

00:39:11,680 --> 00:39:13,205

I have no memory of this beaver.

940

00:39:13,400 --> 00:39:15,084

He's an otter, actually.

941

00:39:15,280 --> 00:39:17,080

He was here a couple
Wednesdays ago, remember?

942

00:39:17,120 --> 00:39:18,120

No.

943

00:39:18,200 --> 00:39:19,201

Yeah, he was wearing...

944

00:39:19,280 --> 00:39:21,726

a green cable-knit sweater vest...

945

00:39:22,000 --> 00:39:24,082

and a new pair of corduroy slacks.

946

00:39:24,240 --> 00:39:27,244

Oh, and a paisley tie,
sweet Windsor knot.

947

00:39:27,440 --> 00:39:29,283

Real tight. Remember that, Nangi?

948

00:39:29,600 --> 00:39:30,726

No.

949

00:39:31,240 --> 00:39:32,924

Yeah, and we both walked
him out, and he got into...

950

00:39:33,040 --> 00:39:35,611

this big old white car
with a silver trim.

951

00:39:35,840 --> 00:39:38,605

Needed a tune-up. The third
cylinder wasn't firing.

952

00:39:38,800 --> 00:39:40,768

- Remember that, Nangi?
- No.

953

00:39:41,200 --> 00:39:43,160

(STAMMERS) Uh...

You didn't happen to catch...

954

00:39:43,200 --> 00:39:45,567

the license plate number, did you?

955

00:39:45,760 --> 00:39:48,604

Oh, for sure. It was 2-9...

956

00:39:48,840 --> 00:39:50,569

T-H-D...

957

00:39:50,760 --> 00:39:52,649

- 0-3.

- JUDY: 0-3. Wow.

958

00:39:52,880 --> 00:39:54,440

This is a lot of great info. Thank you.

959

00:39:54,480 --> 00:39:57,609

Told you Nangi has a mind

like a steel trap.

960

00:39:57,800 --> 00:40:01,646

I wish I had a memory like an elephant.

961

00:40:03,080 --> 00:40:05,128

Well, I had a ball.

962

00:40:05,360 --> 00:40:06,600

You are welcome for the clue...

963

00:40:06,880 --> 00:40:08,848

and seeing as how any moron
can run a plate...

964

00:40:09,000 --> 00:40:11,810

I will take that pen and bid you *adieu.*

965

00:40:12,280 --> 00:40:14,760

The plate. I can't run a plate. (GROANS)

966

00:40:14,960 --> 00:40:16,246

I'm not in the system yet.

967

00:40:16,640 --> 00:40:18,324

Give me the pen, please.

968

00:40:18,600 --> 00:40:20,090

What was it you said?

969

00:40:20,280 --> 00:40:22,282

"Any moron can run a plate"?

970

00:40:22,520 --> 00:40:25,410

Gosh. If only there were
a moron around...

971

00:40:25,520 --> 00:40:27,090

who were up to the task.

972

00:40:27,320 --> 00:40:28,731

Rabbit, I did what you asked!

973

00:40:28,840 --> 00:40:30,490

You can't keep me on the hook forever.

974

00:40:30,680 --> 00:40:33,251

Not forever. Well, I only
have 36 hours left...

975

00:40:33,360 --> 00:40:34,964

to solve this case.

976

00:40:35,240 --> 00:40:37,561

So can you run the plate or not?

977

00:40:38,960 --> 00:40:41,247

Actually, I just remembered...

978

00:40:41,480 --> 00:40:42,811

<i>I have a pal at the DMV.</i>

979

00:40:43,640 --> 00:40:44,129

(TIRES SCREECHING)

980

00:40:44,160 --> 00:40:45,520

<i>Flash is the fastest guy in there.</i>

981

00:40:45,680 --> 00:40:47,330

If you need something done, he's on it.

982

00:40:47,520 --> 00:40:49,010

JUDY: I hope so. We are
really fighting the clock...

983

00:40:49,160 --> 00:40:50,161

and every minute counts.

984

00:40:51,040 --> 00:40:55,090

Wait. They're all sloths?

985

00:41:22,080 --> 00:41:23,206

(CLICKING)

986

00:41:23,360 --> 00:41:24,964

You said this was going to be quick!

987

00:41:25,200 --> 00:41:26,690

Are you saying

that because he's a sloth...

988

00:41:26,840 --> 00:41:28,171

he can't be fast?

989

00:41:28,360 --> 00:41:30,840

I thought in Zootopia,

anyone could be anything.

990

00:41:31,240 --> 00:41:32,640

Flash, Flash, hundred-yard dash.

991

00:41:32,760 --> 00:41:33,920

Buddy, it's nice to see you.

992

00:41:35,240 --> 00:41:36,969

Nice to...

993

00:41:37,880 --> 00:41:38,961

see you...

994

00:41:40,400 --> 00:41:41,447

too.

995

00:41:41,720 --> 00:41:43,961

Hey, Flash, I'd love you

to meet my friend.

996

00:41:44,080 --> 00:41:45,680

Uh, darling, I've forgotten your name.

997

00:41:45,760 --> 00:41:46,761

Hmm.

998

00:41:46,880 --> 00:41:49,360

Officer Judy Hopps, ZPD, how are you?

999

00:41:49,560 --> 00:41:50,846

I am...

1000

00:41:51,440 --> 00:41:52,487

doing...

1001

00:41:53,040 --> 00:41:54,371

just...

1002

00:41:54,720 --> 00:41:55,721

Fine?

1003

00:41:55,880 --> 00:41:58,042

...as well as...

1004

00:41:58,280 --> 00:41:59,406

I can...

1005

00:41:59,880 --> 00:42:00,881

- be.

- Hmm.

1006

00:42:00,960 --> 00:42:02,166

- What...

- Hang in there.

1007

00:42:02,400 --> 00:42:03,447

...can I...

1008

00:42:04,160 --> 00:42:05,525

- do...

- Well, I was hoping...

1009

00:42:05,640 --> 00:42:07,040

- you could run a...

- ...for you...

1010

00:42:07,080 --> 00:42:08,161

Well, I was hoping you could...

1011

00:42:08,240 --> 00:42:09,241

...today?

1012

00:42:12,080 --> 00:42:14,401

Well, I was hoping you could
run a plate for us.

1013

00:42:14,600 --> 00:42:16,250

We are in a really big hurry.

1014

00:42:18,000 --> 00:42:19,161

Sure.

1015

00:42:19,400 --> 00:42:20,686

What's the...

1016

00:42:21,280 --> 00:42:23,009

- plate...

- 2-9-T...

1017

00:42:23,240 --> 00:42:24,287

...number?

1018

00:42:25,240 --> 00:42:27,163

2-9-T-H-D-0-3

1019

00:42:36,400 --> 00:42:37,401

Two...

1020

00:42:39,760 --> 00:42:40,886

nine...

1021

00:42:41,240 --> 00:42:43,208

T-H-D-0-3.

1022

00:42:44,160 --> 00:42:45,286

...T...

1023

00:42:46,120 --> 00:42:47,531

H-D-0-3.

1024

00:42:48,440 --> 00:42:49,440

...H...

1025

00:42:49,480 --> 00:42:51,403

D-0-3.

1026

00:42:54,600 --> 00:42:55,681

- ...D...

- Mmm-hmm.

1027

00:42:55,800 --> 00:42:57,211

0-3.

1028

00:42:58,560 --> 00:42:59,560

...0...

1029

00:42:59,600 --> 00:43:00,681

3.

1030

00:43:01,080 --> 00:43:02,525

(JUDY WHIMPERING SOFTLY)

1031

00:43:02,680 --> 00:43:04,000

Hey, Flash, want to hear a joke?

1032

00:43:04,160 --> 00:43:05,286

No!

1033

00:43:05,800 --> 00:43:07,086

- FLASH: Sure.

- (GROWLS)

1034

00:43:07,240 --> 00:43:11,290

Okay. What do you call

a three-humped camel?

1035

00:43:12,280 --> 00:43:13,691

I don't...

1036

00:43:13,920 --> 00:43:15,046

know.

1037

00:43:15,320 --> 00:43:16,401

What...

1038

00:43:16,480 --> 00:43:17,481

do...

1039

00:43:17,680 --> 00:43:19,284

you call...

1040

00:43:19,480 --> 00:43:21,244

- a...

- Three-humped camel.

1041

00:43:21,480 --> 00:43:22,970

...three-humped...

1042

00:43:23,160 --> 00:43:24,160

camel?

1043

00:43:25,160 --> 00:43:26,160

Pregnant.

1044

00:43:26,280 --> 00:43:27,361

(LAUGHING)

1045

00:43:37,640 --> 00:43:40,962

(LAUGHING SLOWLY)

1046

00:43:41,680 --> 00:43:43,120

Ha-ha! Yes, very funny, very funny.

1047

00:43:43,280 --> 00:43:44,640

Can we please just focus on the...

1048

00:43:44,680 --> 00:43:45,966

- Hey...

- Wait, wait, wait!

1049

00:43:46,160 --> 00:43:47,446

FLASH:... Priscilla!

1050

00:43:47,680 --> 00:43:48,841

JUDY: Oh, no!

1051

00:43:49,720 --> 00:43:51,290

Yes...

1052

00:43:51,520 --> 00:43:53,010

Flash?

1053

00:43:53,240 --> 00:43:54,127

- What...

- Oh!

1054

00:43:54,200 --> 00:43:55,200

Do...

1055

00:43:55,360 --> 00:43:56,964

- No!

- ...you call a...

1056

00:43:57,040 --> 00:43:58,400

A three-humped camel? "Pregnant!"

1057

00:43:58,480 --> 00:43:59,480

Okay, great, we got it.

1058

00:43:59,640 --> 00:44:01,927

- ...three... humped...

- Please just... (G ROANS)

1059

00:44:14,560 --> 00:44:16,130

- FLASH: Here...

- Yeah. Hurry.

1060

00:44:16,360 --> 00:44:18,328

- ...you...

- Thank you . "2-9-T-H-D-0-3."

1061

00:44:18,400 --> 00:44:19,401

...go.

1062

00:44:19,680 --> 00:44:21,967

It's registered

to Tundratown Limo Service.

1063

00:44:22,200 --> 00:44:24,280

A limo took Otterton,

and the limo's in Tundratown!

1064

00:44:24,360 --> 00:44:25,361

It's in Tundratown!

1065

00:44:25,520 --> 00:44:27,280

Way to hustle, bud.

I love you. I owe you.

1066

00:44:27,360 --> 00:44:29,089

Hurry! We gotta beat

the rush hour, and...

1067

00:44:29,320 --> 00:44:31,561

It's night?

1068

00:44:32,000 --> 00:44:34,002

- (RATTLING)

- JUDY: Closed. Great.

1069

00:44:34,400 --> 00:44:35,242

NICK: Mmm.

And I will bet you...

1070

00:44:35,520 --> 00:44:38,171

you don't have

a warrant to get in. Hmm?

1071

00:44:38,400 --> 00:44:40,209

Darn it. It's a bummer.

1072

00:44:40,480 --> 00:44:42,209

You wasted the day on purpose.

1073

00:44:42,400 --> 00:44:44,323

Madam, I have a fake badge.

1074

00:44:44,480 --> 00:44:46,562

I would never impede
your pretend investigation.

1075

00:44:46,800 --> 00:44:49,565

It's not a pretend
investigation. Look, see?

1076

00:44:49,720 --> 00:44:52,041

See him? This otter is missing.

1077

00:44:52,560 --> 00:44:54,841

Well, then they should've
gotten a real cop to find him.

1078

00:44:55,040 --> 00:44:56,246

What is your problem?

1079

00:44:56,480 --> 00:44:58,480

Does seeing me fail somehow
make you feel better...

1080

00:44:58,560 --> 00:45:00,244

about your own sad, miserable life?

1081

00:45:00,480 --> 00:45:02,448

It does. 100%.

1082

00:45:02,720 --> 00:45:05,849

Now, since you're sans warrant...

1083

00:45:06,080 --> 00:45:08,845

I guess we're... done?

1084

00:45:09,000 --> 00:45:10,161

(SIGHS)

1085

00:45:10,600 --> 00:45:13,604

Fine. We are done. Here's your pen.

1086

00:45:14,880 --> 00:45:16,086

Hey!

1087

00:45:19,520 --> 00:45:20,965

First off, you throw like a bunny.

1088

00:45:21,200 --> 00:45:23,168

Second, you're a very sore loser.

1089

00:45:23,360 --> 00:45:24,646

See you later, Officer Fluff.

1090

00:45:24,880 --> 00:45:27,611

So sad this is over.

I wish I could've helped more.

1091

00:45:27,840 --> 00:45:29,842

The thing is, you don't need a warrant...

1092

00:45:30,000 --> 00:45:31,161

if you have probable cause...

1093

00:45:31,240 --> 00:45:32,360

and I'm pretty sure I saw...

1094

00:45:32,440 --> 00:45:35,125

a shifty lowlife climbing the fence.

1095

00:45:35,360 --> 00:45:37,761

So you're helping plenty. Come on.

1096

00:45:40,040 --> 00:45:42,646

(WHISPERING) 2-9-T-H-D-0-3.

This is it!

1097

00:45:51,640 --> 00:45:52,766

Polar bear fur.

1098

00:45:55,960 --> 00:45:57,325

- Oh, my God!

- What? What?

1099

00:45:57,760 --> 00:46:00,240

The Velvety Pipes of Jerry Vole.

1100

00:46:00,600 --> 00:46:02,364

- (SIGHS)

- But on CD.

1101

00:46:02,600 --> 00:46:04,011

Who still uses CDs?

1102

00:46:10,160 --> 00:46:12,527

Carrots, if your otter was here...

1103

00:46:12,640 --> 00:46:14,404

he had a very bad day.

1104

00:46:16,080 --> 00:46:18,367

Those are claw marks.

1105

00:46:19,120 --> 00:46:20,690

You ever seen anything like this?

1106

00:46:20,960 --> 00:46:22,007

NICK: No.

1107

00:46:22,480 --> 00:46:23,925

Oh, wait, look.

1108

00:46:26,080 --> 00:46:28,208

JUDY: This is him,

Emmitt Otterton.

1109

00:46:28,440 --> 00:46:30,761

He was definitely here.

1110

00:46:31,000 --> 00:46:33,082

What do you think happened?

1111

00:46:35,840 --> 00:46:37,080

NICK: Well, now,

wait a minute.

1112

00:46:37,800 --> 00:46:41,725

Polar bear fur,

Rat Pack music, fancy cup?

1113

00:46:41,960 --> 00:46:43,520

I know whose car this is. We got to go.

1114

00:46:43,640 --> 00:46:44,721

Why? Whose car is it?

1115

00:46:44,800 --> 00:46:46,400

The most feared crime-boss

in Tundratown.

1116

00:46:46,440 --> 00:46:47,726

They call him Mr. Big.

1117

00:46:47,960 --> 00:46:50,281

And he does not like me.

So we gotta go!

1118

00:46:50,520 --> 00:46:52,204

I'm not leaving. This is a crime scene.

1119

00:46:52,360 --> 00:46:53,486

Well, it's gonna be

an even bigger crime scene...

1120

00:46:53,640 --> 00:46:54,720

if Mr. Big finds me here...

1121

00:46:54,760 --> 00:46:56,330

so we're leaving right now.

1122

00:46:56,840 --> 00:46:57,841

(GASPS)

1123

00:46:58,040 --> 00:46:59,040

Raymond!

1124

00:46:59,200 --> 00:47:01,567

And is that Kevin? Long time, no see.

1125

00:47:01,800 --> 00:47:03,086

And, speaking of "no see"...

1126

00:47:03,200 --> 00:47:06,409

how about you forget you saw me, huh?

1127

00:47:06,640 --> 00:47:07,766

For old times' sake?

1128

00:47:07,840 --> 00:47:08,887

That's a no.

1129

00:47:12,480 --> 00:47:14,721

(MUSIC PLAYING)

1130

00:47:19,160 --> 00:47:20,889

RAYMOND: Oh... (LAUGHING)

1131

00:47:22,880 --> 00:47:23,927

(WHISPERING)

What did you do that made...

1132

00:47:24,000 --> 00:47:25,206

Mr. Big so mad at you?

1133

00:47:25,520 --> 00:47:28,842

I, uh, I may have sold him
a very expensive wool rug...

1134

00:47:29,040 --> 00:47:32,886

that was made from the fur of a skunk...

1135

00:47:33,160 --> 00:47:35,083

...s butt.

1136

00:47:36,160 --> 00:47:38,401

Oh, sweet cheese and crackers.

1137

00:47:45,480 --> 00:47:46,561

(DOOR CREAKING)

1138

00:47:53,200 --> 00:47:54,480

JUDY: (WHISPERS)

Is that Mr. Big?

1139

00:47:54,680 --> 00:47:55,727

(WHISPERS) No.

1140

00:47:55,840 --> 00:47:56,921

JUDY: What about him?

1141

00:47:57,160 --> 00:47:58,400

- Is that him?

- No!

1142

00:48:00,280 --> 00:48:01,327

(JUDY GASPS)

1143

00:48:01,440 --> 00:48:02,441

That's got to be him.

1144

00:48:02,680 --> 00:48:04,440

Stop talking, stop talking, stop talking!

1145

00:48:12,720 --> 00:48:14,449

- Huh.

- Mr. Big, sir.

1146

00:48:14,560 --> 00:48:15,607

This is a simple...

1147

00:48:17,240 --> 00:48:18,321

Yeah. Here...

1148

00:48:19,160 --> 00:48:20,321

Mmm...

1149

00:48:20,840 --> 00:48:22,490

This is a simple misunderstanding.

1150

00:48:22,640 --> 00:48:23,640

Oh...

1151

00:48:24,040 --> 00:48:25,280

You come here, unannounced...

1152

00:48:25,400 --> 00:48:27,164

on the day my daughter

is to be married.

1153

00:48:27,560 --> 00:48:28,482

Well, actually, we were brought here...

1154

00:48:28,640 --> 00:48:29,640

against our will, so...

1155

00:48:29,800 --> 00:48:31,131

(NICK CHUCKLES NERVOUSLY)

1156

00:48:31,280 --> 00:48:33,521

The point is, I did not know
that it was your car...

1157

00:48:33,800 --> 00:48:36,201

and I certainly did not know
about your daughter's wedding.

1158

00:48:36,440 --> 00:48:37,441

MR. BIG: Meh.

1159

00:48:37,600 --> 00:48:39,329

I trusted you, Nicky.

1160

00:48:39,600 --> 00:48:41,489

I welcomed you into my home.

1161

00:48:41,680 --> 00:48:43,808

We broke bread together.

1162

00:48:44,320 --> 00:48:46,288

Gram-mama made you a cannoli.

1163

00:48:46,560 --> 00:48:48,722

And how did you repay my generosity?

1164

00:48:48,960 --> 00:48:52,851

With a rug made from the butt
of a skunk.

1165

00:48:53,080 --> 00:48:54,809

A skunk-butt rug.

1166

00:48:55,040 --> 00:48:56,530

You disrespected me.

1167

00:48:56,760 --> 00:48:58,842

You disrespected my Gram-mama...

1168

00:48:59,000 --> 00:49:01,480

who I buried in that skunk butt rug.

1169

00:49:03,000 --> 00:49:05,526

I told you never to show
your face here again...

1170

00:49:05,680 --> 00:49:06,681

but here you are...

1171

00:49:06,960 --> 00:49:09,645

snooping around with this...

1172

00:49:09,920 --> 00:49:11,160

What are you? A performer?

1173

00:49:11,360 --> 00:49:12,486

What's with the costume?

1174

00:49:12,720 --> 00:49:13,720

Sir. I am a...

1175

00:49:13,800 --> 00:49:15,211

Mime! She is a mime.

1176

00:49:15,440 --> 00:49:17,363

This... mime cannot speak.

1177

00:49:17,520 --> 00:49:18,521

You can't speak if you're a mime.

1178

00:49:18,800 --> 00:49:20,165

- No, I am a cop.

- Ugh...

1179

00:49:20,320 --> 00:49:21,765

And I'm on the Emmitt Otterton case.

1180

00:49:22,000 --> 00:49:24,526

And my evidence puts him in your car.

1181

00:49:24,720 --> 00:49:26,165

So intimidate me all you want.

1182

00:49:26,440 --> 00:49:28,442

I'm going to find out
what you did to that otter...

1183

00:49:28,600 --> 00:49:31,080

if it's the last thing I do.

1184

00:49:31,880 --> 00:49:32,880

Meh.

1185

00:49:33,240 --> 00:49:36,005

Then I have only one request.

1186

00:49:36,280 --> 00:49:39,602

Say hello to Gram-mama. Ice 'em.

1187

00:49:39,760 --> 00:49:41,205

Whoa! (STAMMERS)

1188

00:49:41,320 --> 00:49:42,731

I didn't see nothing!

I'm not saying nothing!

1189

00:49:43,000 --> 00:49:44,126

And you never will.

1190

00:49:44,360 --> 00:49:45,930

- Please! No, no, no!

- Put me down!

1191

00:49:46,160 --> 00:49:48,367

If you're mad at me about
the rug, I've got more rugs!

1192

00:49:48,560 --> 00:49:52,610

Oh, Daddy! It's time for our dance!

1193

00:49:54,120 --> 00:49:55,246

Oh, what did we say?

1194

00:49:55,480 --> 00:49:57,562

No icing anyone at my wedding!

1195

00:49:57,840 --> 00:50:00,207

I have to, baby. Daddy has to.

1196

00:50:00,400 --> 00:50:01,400

- Ice 'em.

- (JUDY GASPS)

1197

00:50:01,480 --> 00:50:02,480

NICK: No, no, no!

1198

00:50:02,600 --> 00:50:03,600

Wait. Please!

1199

00:50:04,040 --> 00:50:06,884

She's the bunny

that saved my life yesterday!

1200

00:50:07,120 --> 00:50:08,451

From that giant donut.

1201

00:50:08,680 --> 00:50:09,680

This bunny?

1202

00:50:09,840 --> 00:50:11,490

Yeah! Hi!

1203

00:50:11,720 --> 00:50:14,041

Hi. I love your dress.

1204

00:50:14,320 --> 00:50:16,049

- Oh. Thank you.

- MR. BIG: Oh.

1205

00:50:16,360 --> 00:50:17,360

Put 'em down.

1206

00:50:21,000 --> 00:50:22,445

You've done me a great service.

1207

00:50:22,680 --> 00:50:24,762

I will help you find the otter.

1208

00:50:25,040 --> 00:50:29,921

I will take your kindness
and pay it forward.

1209

00:50:34,200 --> 00:50:35,406

- (ITALIAN MUSIC PLAYING)

- (CLICKS)

1210

00:50:35,520 --> 00:50:37,120

- PHOTOGRAPHER: Smile.

- (ALL LAUGHING)

1211

00:50:37,720 --> 00:50:39,404

ALL: Hey, hey, hey, hey!

1212

00:50:41,480 --> 00:50:43,164

Hey, hey, hey, hey!

1213

00:50:48,360 --> 00:50:49,360

Hmm.

1214

00:50:51,280 --> 00:50:52,280

(SCOFFS)

1215

00:50:57,920 --> 00:50:59,604

MR. BIG: Otterton

is my florist.

1216

00:51:00,200 --> 00:51:02,441

He's like a part of the family.

1217

00:51:02,640 --> 00:51:05,610

He had something important

he wanted to discuss.

1218

00:51:05,840 --> 00:51:08,684

That's why I sent that car to pick him up.

1219

00:51:09,480 --> 00:51:11,164

But he never arrived.

1220

00:51:11,600 --> 00:51:12,965

Because he was attacked.

1221

00:51:13,200 --> 00:51:15,806

No. He attacked.

1222

00:51:16,320 --> 00:51:17,367

Otterton?

1223

00:51:17,600 --> 00:51:20,604

Otterton. He went crazy.

1224

00:51:20,880 --> 00:51:24,805

Ripped up the car, scared
my driver half to death...

1225

00:51:25,000 --> 00:51:27,321

and disappeared into the night.

1226

00:51:27,600 --> 00:51:30,729

But he's a sweet little otter.

1227

00:51:30,880 --> 00:51:35,966

Hmm. My child, we may

be evolved, but deep down...

1228

00:51:36,200 --> 00:51:38,487

we are still animals.

1229

00:51:40,640 --> 00:51:41,607

<i>You want to find Otterton,</i>

1230

00:51:41,680 --> 00:51:43,648

<i>talk to the driver of that car</i>

1231

00:51:43,880 --> 00:51:45,325

<i>His name is Manchas...</i>

1232

00:51:45,520 --> 00:51:48,171

<i>lives in the Rainforest District.</i>

1233

00:51:48,360 --> 00:51:50,806

<i>Only he can tell you more.</i>

1234

00:51:52,520 --> 00:51:53,520

(DOORBELL RINGS)

1235

00:51:54,640 --> 00:51:56,244

Mr. Manchas?

1236

00:51:56,480 --> 00:51:58,369

Judy Hopps, ZPD.

1237

00:51:58,600 --> 00:52:01,683

We just wanna know what
happened to Emmitt Otterton.

1238

00:52:02,520 --> 00:52:03,520

(DOOR UNLOCKING)

1239

00:52:06,600 --> 00:52:07,601

MANCHAS: You...

1240

00:52:07,840 --> 00:52:09,001

should be asking...

1241

00:52:10,000 --> 00:52:12,526

- what happened to me.

- NICK: Whoa!

1242

00:52:13,040 --> 00:52:16,044

Uh, a teensy otter did that?

1243

00:52:16,320 --> 00:52:17,401

(WHISPERS) What happened?

1244

00:52:17,640 --> 00:52:19,688

He was an animal.

1245

00:52:21,000 --> 00:52:22,000

<i>Down...</i>

1246

00:52:22,320 --> 00:52:24,527

<i>on all fours.</i>

1247

00:52:27,600 --> 00:52:28,931

<i>He was a savage!</i>

1248

00:52:29,120 --> 00:52:31,691

(MANCHAS SCREAMING)

1249

00:52:31,840 --> 00:52:32,840

(MANCHAS CHOKING)

1250

00:52:34,520 --> 00:52:35,885

(GASPS)

1251

00:52:39,800 --> 00:52:40,926

There was no warning.

1252

00:52:41,160 --> 00:52:43,970

He just kept yelling about
the Night Howlers.

1253

00:52:44,200 --> 00:52:47,044

Over and over. The Night Howlers.

1254

00:52:47,240 --> 00:52:50,449

So you know about
the Night Howlers, too?

1255

00:52:50,720 --> 00:52:52,051

Good. Good, good.

1256

00:52:52,280 --> 00:52:53,884

Because the Night Howlers...

1257

00:52:54,000 --> 00:52:56,890

are exactly what we are here
to talk about.

1258

00:52:57,120 --> 00:52:58,451

- Right?

- Yup.

1259

00:52:59,320 --> 00:53:01,243

So, uh, so you just open the door...

1260

00:53:01,440 --> 00:53:02,965

and tell us what you know...

1261

00:53:03,240 --> 00:53:05,402

and we will tell you
what we know. Okay?

1262

00:53:07,120 --> 00:53:09,088

Okay.

1263

00:53:10,160 --> 00:53:12,083

Clever fox.

1264

00:53:12,360 --> 00:53:13,360

(CLATTERING)

1265

00:53:14,200 --> 00:53:15,200

(MANCHAS SCREAMING)

1266

00:53:15,800 --> 00:53:17,928

Mr. Manchas?

1267

00:53:18,720 --> 00:53:19,926

(MANCHAS GROANING)

1268

00:53:22,200 --> 00:53:23,200

Buddy?

1269

00:53:23,280 --> 00:53:24,280

Are you...

1270

00:53:24,440 --> 00:53:25,440

okay?

1271

00:53:25,600 --> 00:53:27,125

(GROWLING)

1272

00:53:28,320 --> 00:53:29,924

Run. Run!

1273

00:53:30,040 --> 00:53:31,929

(BOTH PANTING)

1274

00:53:34,920 --> 00:53:35,967

What is wrong with him?

1275

00:53:36,200 --> 00:53:37,486

I don't know!

1276

00:53:37,640 --> 00:53:38,640

(BOTH SCREAMING)

1277

00:53:42,520 --> 00:53:43,520

- Jump!

- (NICK YELPS)

1278

00:53:44,960 --> 00:53:45,960

- (JUDY GRUNTS)

- (GROANS)

1279

00:53:46,160 --> 00:53:47,160

Come on!

1280

00:53:50,120 --> 00:53:51,121

(NICK GASPS)

1281

00:53:52,120 --> 00:53:54,600

- Head down!

- Oh. Oh!

1282

00:53:55,240 --> 00:53:56,480

Officer Hopps to Dispatch.

1283

00:53:56,720 --> 00:53:58,370

Are you familiar with Gazelle,
greatest singer

1284

00:53:58,520 --> 00:54:00,280

of our lifetime,
angel with horns? (CHUCKLES)

1285

00:54:00,320 --> 00:54:01,970

- (MUSIC PLAYING)
- Okay, hold on. Keep watching.

1286

00:54:02,080 --> 00:54:03,400

Who's that beside her? Who is it?

1287

00:54:03,440 --> 00:54:06,728

<i>Wow, you are one hot dancer,
Benjamin Clawhauser</i>

1288

00:54:06,880 --> 00:54:08,166

(LAUGHING)

1289

00:54:08,400 --> 00:54:10,721

It's me! Did you think it was real?

1290

00:54:10,880 --> 00:54:11,880

It looks so real!

1291

00:54:12,040 --> 00:54:14,646

It's not, it's just a new app.

Hold on a second.

1292

00:54:14,880 --> 00:54:16,166

JUDY: *Clawhauser!*

1293

00:54:16,440 --> 00:54:18,647

Clawhauser, listen to me,

we have a 10-91!

1294

00:54:18,760 --> 00:54:20,171

Jaguar gone savage!

1295

00:54:20,440 --> 00:54:21,440

Vine and Tuh-junja!

1296

00:54:21,640 --> 00:54:23,210

- It's "Tuh-hunga!"

- Whoa!

1297

00:54:23,400 --> 00:54:25,200

CLAWHAUSER: <i>Okay, we're
sending backup! Hopps?</i>

1298

00:54:25,440 --> 00:54:26,851

<i>Hopps!</i>

1299

00:54:28,440 --> 00:54:29,440

There!

1300

00:54:29,520 --> 00:54:30,885

Head for the sky trams!

1301

00:54:31,040 --> 00:54:32,485

(BOTH PANTING)

1302

00:54:32,680 --> 00:54:34,091

(JUDY YELPING)

1303

00:54:37,080 --> 00:54:39,481

(BREATHING HEAVILY)

1304

00:54:40,240 --> 00:54:41,844

Get in! Carrots.

1305

00:54:42,040 --> 00:54:43,040

- Carrots!

- (GRUNTS)

1306

00:54:43,160 --> 00:54:44,160

Go!

1307

00:54:44,240 --> 00:54:45,240

(GROWLS)

1308

00:54:45,440 --> 00:54:47,329

No, no, no! (GRUNTS)

1309

00:54:47,520 --> 00:54:48,760

Buddy. (CHUCKLES NERVOUSLY)

1310

00:54:49,000 --> 00:54:50,843

- One predator to another...

- (ROARS)

1311

00:54:50,960 --> 00:54:52,086

No, no, no...

1312

00:54:54,960 --> 00:54:56,849

Now, I can tell you're a little tense...

1313

00:54:57,040 --> 00:54:59,280

so I'm just gonna give you
a little personal space! Ah!

1314

00:55:01,080 --> 00:55:02,080

(NICK SCREAMS)

1315

00:55:05,360 --> 00:55:07,283

Rabbit, whatever you do, do not let go!

1316

00:55:08,640 --> 00:55:10,290

- I'm gonna let go!

- No, you, what?

1317

00:55:10,520 --> 00:55:12,249

- One, two...

- No...

1318

00:55:12,400 --> 00:55:14,368

- I said, do not... Rabbit!

- (SCREAMING)

1319

00:55:15,680 --> 00:55:16,680

(NICK GRUNTS)

1320

00:55:17,360 --> 00:55:18,360

(ROARS)

1321

00:55:19,480 --> 00:55:22,086

Carrots. You saved my life.

1322

00:55:22,320 --> 00:55:24,891

Well. That's what we do at the ZPD.

1323

00:55:25,040 --> 00:55:26,690

(BOTH SCREAMING)

1324

00:55:31,680 --> 00:55:34,126

(NICK PANTING)

1325

00:55:35,120 --> 00:55:36,201

(SIRENS WAILING)

1326

00:55:36,400 --> 00:55:37,925

(TIRES SCREECHING)

1327

00:55:38,640 --> 00:55:40,051

(POLICE RADIO CHATTER)

1328

00:55:40,560 --> 00:55:42,528

(SIGHS) Hmm.

1329

00:55:42,600 --> 00:55:45,490

Well, this should be good . (SNORTS)

1330

00:55:46,400 --> 00:55:47,731

JUDY: I thought this was
just a missing mammal case...

1331

00:55:47,920 --> 00:55:49,410

but it's way bigger.

1332

00:55:49,600 --> 00:55:51,682

Mr. Otterton did not just disappear.

1333

00:55:51,880 --> 00:55:55,885

I believe he and this jaguar,
they went savage, sir.

1334

00:55:56,120 --> 00:55:58,726

Savage? This isn't
the Stone Age, Hopps.

1335

00:55:58,840 --> 00:56:00,729

Animals don't "go savage."

1336

00:56:00,960 --> 00:56:04,089

I thought so, too, until I saw this.

1337

00:56:06,160 --> 00:56:08,811

What? He was right here.

1338

00:56:09,040 --> 00:56:10,565

The "savage" jaguar?

1339

00:56:11,080 --> 00:56:13,765

Sir, I know what I saw.

He almost killed us!

1340

00:56:14,640 --> 00:56:16,722

Or, maybe any aggressive predator...

1341

00:56:16,840 --> 00:56:19,081

looks savage to you rabbits.

1342

00:56:19,240 --> 00:56:20,241

Let's go!

1343

00:56:20,480 --> 00:56:21,480

Wait, sir.

1344

00:56:21,640 --> 00:56:23,290

I'm not the only one who saw him.

1345

00:56:23,560 --> 00:56:25,130

- (WHISPERS) Nick!

- (BOGO SCOFFS)

1346

00:56:25,600 --> 00:56:27,489

You think I'm gonna believe a fox?

1347

00:56:27,720 --> 00:56:29,370

Well, he was a key witness, and I...

1348

00:56:29,600 --> 00:56:31,523

Two days to find the otter...

1349

00:56:31,760 --> 00:56:33,569

or you quit.

1350

00:56:33,760 --> 00:56:35,762

That was the deal.

1351

00:56:36,000 --> 00:56:37,604

Badge.

1352

00:56:42,600 --> 00:56:44,921

- (EXHALES) But, sir, we...

- Badge!

1353

00:56:50,440 --> 00:56:51,566

NICK: Uh, no.

1354

00:56:52,800 --> 00:56:54,245

What did you say, fox?

1355

00:56:54,440 --> 00:56:57,967

Sorry. What I said was, "no."

1356

00:56:58,200 --> 00:57:00,806

She will not be giving you that badge.

1357

00:57:01,000 --> 00:57:02,729

Look, you give her a clown vest...

1358

00:57:02,840 --> 00:57:04,729

and a three-wheeled joke-mobile...

1359

00:57:04,960 --> 00:57:06,200

and two days to solve a case...

1360

00:57:06,280 --> 00:57:07,884

you guys haven't cracked in two weeks?

1361

00:57:08,800 --> 00:57:09,801

Yeah.

1362

00:57:09,960 --> 00:57:11,485

It's no wonder she needed

to get help from a fox.

1363

00:57:11,720 --> 00:57:13,802

None of you guys

were gonna help her, were you?

1364

00:57:14,000 --> 00:57:15,320

- Ho...

- Here's the thing, Chief.

1365

00:57:15,360 --> 00:57:16,805

You gave her the 48 hours...

1366

00:57:17,000 --> 00:57:18,968

so, technically, we still have...

1367

00:57:19,240 --> 00:57:21,288

10 left to find our Mr. Otterton...

1368

00:57:21,480 --> 00:57:23,642

and that is exactly what we're gonna do.

1369

00:57:23,840 --> 00:57:25,080

- (SKY TRAM BELL CLANGS)

- So, if you'll excuse us...

1370

00:57:25,200 --> 00:57:28,329

we have a very big lead

to follow and a case to crack.

1371

00:57:28,480 --> 00:57:29,811

Good day.

1372

00:57:35,880 --> 00:57:37,166

Officer Hopps.

1373

00:57:38,360 --> 00:57:40,124

(BELL CLANGING)

1374

00:57:48,160 --> 00:57:50,322

(BREATHES DEEPLY)

1375

00:57:59,680 --> 00:58:01,205

Thank you.

1376

00:58:02,360 --> 00:58:04,681

Never let them see that they get to you.

1377

00:58:06,040 --> 00:58:07,201

So...

1378

00:58:07,440 --> 00:58:09,761

things do get to you?

1379

00:58:10,040 --> 00:58:12,361

No, I mean, not anymore...

1380

00:58:12,560 --> 00:58:14,164

but I was small...

1381

00:58:14,280 --> 00:58:16,521

and emotionally unbalanced

like you once.

1382

00:58:16,760 --> 00:58:17,807

Har-har.

1383

00:58:17,880 --> 00:58:19,803

No, it's true.

1384

00:58:20,040 --> 00:58:23,044

I think I was 8, or maybe 9...

1385

00:58:23,240 --> 00:58:25,163

and all I wanted to do...

1386

00:58:25,280 --> 00:58:28,523

was join the Junior Ranger Scouts.

1387

00:58:28,720 --> 00:58:31,121

*<i>So, my mom scraped together
enough money...</i>*

1388

00:58:31,240 --> 00:58:33,561

<i>to buy me a brand-new uniform...</i>

1389

00:58:33,760 --> 00:58:36,127

<i>because, by God, I was gonna fit in.</i>

1390

00:58:36,400 --> 00:58:39,643

*<i>Even if I was the only
predator in the troop.</i>*

1391

00:58:39,880 --> 00:58:40,880

<i>The only fox.</i>

1392

00:58:40,920 --> 00:58:42,040

MEAN KID ANIMAL: Okay, Nick.

1393

00:58:42,080 --> 00:58:43,525

NICK: *I was gonna be
part of a pack.*

1394

00:58:43,720 --> 00:58:45,051

Ready for initiation?

1395

00:58:45,240 --> 00:58:47,083

Yeah. Pretty much born ready.

1396

00:58:47,720 --> 00:58:49,006

I was so proud.

1397

00:58:51,720 --> 00:58:52,721

MEAN KID ANIMAL: Okay.

1398

00:58:52,920 --> 00:58:55,241

Now, raise your right paw

and deliver the oath.

1399

00:58:55,920 --> 00:58:58,924

I, Nicholas Wilde, promise to be brave...

1400

00:58:59,120 --> 00:59:02,010

loyal, helpful, and trustworthy.

1401

00:59:03,240 --> 00:59:06,005

Even though you're a fox?

1402

00:59:06,640 --> 00:59:07,766

What?

1403

00:59:07,960 --> 00:59:09,086

(GROANS)

1404

00:59:10,800 --> 00:59:12,320

No. No! What did I do wrong, you guys?

1405

00:59:12,360 --> 00:59:14,442

No, please! Tell me!

What did I do wrong?

1406

00:59:14,640 --> 00:59:16,369

(MUFFLED) <i>What did I do?</i>

1407

00:59:16,480 --> 00:59:17,845

- No...

- (MEAN KIDS LAUGHING)

1408

00:59:18,200 --> 00:59:19,565

If you thought we would ever
trust a fox...

1409

00:59:19,640 --> 00:59:20,721

without a muzzle...

1410

00:59:21,280 --> 00:59:22,770

you're even dumber than you look!

1411

00:59:22,840 --> 00:59:23,841

(CHILDREN LAUGHING)

1412

00:59:24,120 --> 00:59:25,201

JUNIOR RANGER SCOUT 1:

Cry baby.

1413

00:59:25,280 --> 00:59:27,931

JUNIOR RANGER SCOUT 2:

Aw, is he gonna cry?

1414

00:59:28,120 --> 00:59:29,645

(GASPING)

1415

00:59:29,760 --> 00:59:32,491

(GRUNTING)

1416

00:59:37,080 --> 00:59:38,730

(SOBBING)

1417

00:59:43,640 --> 00:59:46,166

ICK: <i>I learned

two things that day.</i>

1418

00:59:46,400 --> 00:59:47,640

<i>One...</i>

1419

00:59:47,840 --> 00:59:51,845

I was never gonna let anyone
see that they got to me.

1420

00:59:52,680 --> 00:59:54,967

And two?

1421

00:59:55,160 --> 00:59:57,766

If the world's only gonna see a fox...

1422

00:59:57,920 --> 01:00:00,287

as shifty and untrustworthy...

1423

01:00:00,480 --> 01:00:03,450

there's no point in trying
to be anything else.

1424

01:00:03,640 --> 01:00:07,167

Nick, you are so much more than that.

1425

01:00:11,360 --> 01:00:12,964

Boy, look at that traffic down there.

1426

01:00:13,160 --> 01:00:14,764

How about we go out to Chuck
in Traffic Central.

1427

01:00:15,000 --> 01:00:16,800

Chuck, how are things looking
on the Jam Cams?

1428

01:00:17,880 --> 01:00:19,962

Nick, I'm glad you told me.

1429

01:00:21,000 --> 01:00:22,411

The Jam Cams.

1430

01:00:22,680 --> 01:00:25,251

- Seriously. It's okay.

- No, no, no. (SHUSHING)

1431

01:00:25,480 --> 01:00:28,450

There are traffic cameras everywhere!

1432

01:00:28,680 --> 01:00:30,284

All over the canopy!

1433

01:00:30,520 --> 01:00:31,920

Whatever happened to that jaguar...

1434

01:00:32,040 --> 01:00:33,201

The traffic cams would have caught it!

1435

01:00:33,480 --> 01:00:34,686

- Bingo!

- Ho-ho!

1436

01:00:34,840 --> 01:00:36,080

Pretty sneaky, slick!

1437

01:00:36,360 --> 01:00:39,728

However, if you didn't have
access to the system before...

1438

01:00:39,960 --> 01:00:43,407

I doubt Chief Buffalo Butt
is gonna let you into it now.

1439

01:00:43,640 --> 01:00:44,846

No.

1440

01:00:45,680 --> 01:00:48,001

But I have a friend
at City Hall who might.

1441

01:00:48,960 --> 01:00:51,611

Sir, if we could just review
these very important...

1442

01:00:52,080 --> 01:00:53,081

- Sir...

- (SQUEAKS)

1443

01:00:53,200 --> 01:00:54,406

I'm so sorry. Sir!

1444

01:00:54,640 --> 01:00:57,689

Okay. I heard you, Bellwether.
Just take care of it.

1445

01:00:58,400 --> 01:01:00,767

Please. And clear
my afternoon. I'm going out.

1446

01:01:01,000 --> 01:01:02,240

No, no! But, sir,
you do have a meeting...

1447

01:01:02,360 --> 01:01:03,441

with Herds and Grazing.

1448

01:01:03,520 --> 01:01:04,885

Sir, if I could just...

1449

01:01:05,360 --> 01:01:06,441

(SIGHS)

1450

01:01:06,680 --> 01:01:08,489

Oh, mutton chops.

1451

01:01:10,360 --> 01:01:11,771

Assistant Mayor Bellwether?

1452

01:01:12,000 --> 01:01:13,081

We need your help.

1453

01:01:14,720 --> 01:01:16,920

JUDY: We just need to get into
the traffic cam database.

1454

01:01:19,560 --> 01:01:21,528

(TYPING)

1455

01:01:25,520 --> 01:01:26,931

(WHISPERS) So fluffy!

1456

01:01:27,040 --> 01:01:28,121

Hey!

1457

01:01:28,200 --> 01:01:29,565

Sheep never let me get this close.

1458

01:01:29,760 --> 01:01:31,240

You can't just touch a sheep's wool!

1459

01:01:31,360 --> 01:01:32,441

It's like cotton candy.

1460

01:01:32,520 --> 01:01:33,521

Stop it!

1461

01:01:33,600 --> 01:01:34,647

Where to?

1462

01:01:35,200 --> 01:01:38,010

Uh, Rainforest District,

Vine and Tujunga.

1463

01:01:38,360 --> 01:01:40,360

BELLWETHER: There! Traffic

cams for the whole city.

1464

01:01:40,400 --> 01:01:42,528

Oh, this is so exciting,

actually! (STAMMERS)

1465

01:01:42,760 --> 01:01:44,400

I never get to do
anything this important.

1466

01:01:44,560 --> 01:01:46,881

But you're the Assistant Mayor
of Zootopia.

1467

01:01:47,080 --> 01:01:49,401

Oh, I'm more of a glorified secretary.

1468

01:01:49,640 --> 01:01:52,041

I think Mayor Lionheart
just wanted the sheep vote.

1469

01:01:52,240 --> 01:01:53,600

But he did give me that nice mug.

1470

01:01:54,200 --> 01:01:55,486

JUDY: Oh.

BELLWETHER: Hmm.

1471

01:01:55,720 --> 01:01:57,165

- Feels good to be appreciated.

- (INTERCOM BEEPS)

1472

01:01:57,440 --> 01:01:58,646

LIONHEART: <i>Smell-wether!</i>

1473

01:01:58,880 --> 01:02:01,531

Ugh. That's a fun little name

he likes to use.

1474

01:02:01,760 --> 01:02:03,569

I called him Lion-fart once.

1475

01:02:03,760 --> 01:02:04,921

He did not care for that.

Let me tell you...

1476

01:02:05,080 --> 01:02:06,240

it was not a good day for me.

1477

01:02:06,280 --> 01:02:07,327

Yes, sir?

1478

01:02:07,400 --> 01:02:08,731

*<i>I thought you were going
to cancel my afternoon!</i>*

1479

01:02:09,120 --> 01:02:10,849

Oh, dear. I better go.

1480

01:02:11,120 --> 01:02:12,565

Let me know what you find.

1481

01:02:12,720 --> 01:02:14,643

It was really nice for me to be...

1482

01:02:14,880 --> 01:02:15,881

<i>- While we're young...</i>

- Oh...

1483

01:02:16,000 --> 01:02:17,809

<i>- Smell-wether!</i>

- (GRUNTS)

1484

01:02:19,120 --> 01:02:20,884

You think when she goes
to sleep she counts herself?

1485

01:02:21,120 --> 01:02:22,804

Oh, shush. Okay, traffic cams.

1486

01:02:23,160 --> 01:02:26,164

Tujunga, Tujunga... We're in.

1487

01:02:31,880 --> 01:02:34,360

- Who are these guys?

- NICK: Ugh.

1488

01:02:34,720 --> 01:02:37,610

Timberwolves.

Look at these dumb-dumbs.

1489

01:02:40,720 --> 01:02:41,720

(GASPS)

1490

01:02:42,240 --> 01:02:44,811

NICK: Bet you a nickel

one of them is gonna howl.

1491

01:02:45,040 --> 01:02:46,280

- (INAUDIBLE)

- And there it is.

1492

01:02:46,440 --> 01:02:49,171

What is it with wolves

and the howling? It's like...

1493

01:02:49,400 --> 01:02:51,243

Howlers. Night Howlers.

1494

01:02:51,480 --> 01:02:53,562

That's what Manchas

was afraid of! Wolves!

1495

01:02:53,800 --> 01:02:55,160

The wolves are the Night Howlers.

1496

01:02:55,240 --> 01:02:56,366

If they took Manchas...

1497

01:02:56,440 --> 01:02:58,090

I'll bet they took Otterton, too.

1498

01:02:58,320 --> 01:03:00,766

All we gotta do is find out
where they went.

1499

01:03:00,960 --> 01:03:02,371

(MOUSE CLICKING)

1500

01:03:08,280 --> 01:03:09,361

Wait, where did they go?

1501

01:03:09,440 --> 01:03:11,249

You know, if I wanted
to avoid surveillance...

1502

01:03:11,400 --> 01:03:12,606

because I was doing
something illegal...

1503

01:03:12,840 --> 01:03:13,887

which I never have...

1504

01:03:13,960 --> 01:03:15,689

I would use the maintenance tunnel 6B.

1505

01:03:16,440 --> 01:03:17,601

Which would put them out...

1506

01:03:18,160 --> 01:03:19,810

right there.

1507

01:03:20,240 --> 01:03:23,483

Well, look at you, Junior Detective.

1508

01:03:23,680 --> 01:03:25,762

You know, I think you'd actually...

1509

01:03:25,920 --> 01:03:27,843

make a pretty good cop.

1510

01:03:28,080 --> 01:03:29,809

- Ugh. How dare you.

- (CHUCKLES)

1511

01:03:30,080 --> 01:03:31,241

Acacia Alley?

1512

01:03:31,480 --> 01:03:32,606

Ficus Underpass.

1513

01:03:32,840 --> 01:03:34,160

- South Canyon.

- JUDY: Mmm-hmm.

1514

01:03:34,280 --> 01:03:35,440

They're heading out of town.

1515

01:03:35,960 --> 01:03:37,405

Where does that road go?

1516

01:04:09,800 --> 01:04:12,280

- (SNIFFING)

- (GASPS)

1517

01:04:16,360 --> 01:04:18,283

(HOWLING)

1518

01:04:20,640 --> 01:04:22,005

(HOWLING)

1519

01:04:22,160 --> 01:04:23,207

Gary, quit it!

1520

01:04:23,320 --> 01:04:24,446

You're gonna start a howl.

1521

01:04:24,520 --> 01:04:26,160

- I didn't start it!

- (HOWLING CONTINUES)

1522

01:04:26,480 --> 01:04:29,006

(WOLVES HOWLING)

1523

01:04:33,200 --> 01:04:34,361

(WHISPERS) Come on.

1524

01:04:37,480 --> 01:04:39,289

(HOWLING CONTINUES)

1525

01:04:42,240 --> 01:04:44,811

You are a clever bunny.

1526

01:05:00,600 --> 01:05:03,729

JUDY: It looks like
this was a hospital.

1527

01:05:16,880 --> 01:05:18,450

You know, after you. You're the cop.

1528

01:05:18,640 --> 01:05:19,640

Hmm.

1529

01:05:27,240 --> 01:05:29,686

- (WHISPERS) Okay, all clear.

- Ugh.

1530

01:05:33,040 --> 01:05:34,041

JUDY: Huh.

1531

01:05:34,400 --> 01:05:36,687

All this equipment is brand new.

1532

01:05:38,360 --> 01:05:39,361

NICK: Carrots.

1533

01:05:42,040 --> 01:05:43,087

Claw marks.

1534

01:05:43,200 --> 01:05:45,726

Yeah, huge, huge claw marks.

I mean, what kind of...

1535

01:05:45,920 --> 01:05:48,002

(BOTH GASP)

1536

01:05:48,120 --> 01:05:49,884

(GROWLING)

1537

01:05:57,920 --> 01:06:00,002

(ANIMALS GROWLING)

1538

01:06:02,360 --> 01:06:03,441

(ROARING)

1539

01:06:05,320 --> 01:06:07,163

(WHISPERS) Mr. Manchas.

1540

01:06:14,960 --> 01:06:16,689

(CHITTERING)

1541

01:06:17,040 --> 01:06:18,280

JUDY: It's him.

1542

01:06:18,640 --> 01:06:20,688

We found our otter.

1543

01:06:20,920 --> 01:06:22,365

Mr. Otterton.

1544

01:06:22,600 --> 01:06:25,843

My name is Officer Judy Hopps.

Your wife sent me to find you.

1545

01:06:26,120 --> 01:06:27,281

We're gonna get you out of here now.

1546

01:06:27,440 --> 01:06:28,885

- (SNARLING)

- (NICK GASPS)

1547

01:06:29,200 --> 01:06:30,486

Or not.

1548

01:06:30,680 --> 01:06:32,921

Guess he's in no rush
to get home to the missus.

1549

01:06:33,360 --> 01:06:35,249

11, 12, 13, 14...

1550

01:06:35,480 --> 01:06:38,450

Not including Manchas, it's 14.

1551

01:06:38,720 --> 01:06:41,485

Chief Bogo handed out
14 missing mammal files.

1552

01:06:41,640 --> 01:06:42,687

They're all here.

1553

01:06:43,200 --> 01:06:45,646

All the missing mammals are right here.

1554

01:06:45,800 --> 01:06:46,800

- (BEEPING)

- (JUDY GASPS)

1555

01:06:48,560 --> 01:06:49,560

(DOOR OPENS)

1556

01:06:51,840 --> 01:06:54,525

LIONHEART: Enough! I don't
want excuses, Doctor!

1557

01:06:54,720 --> 01:06:55,801

I want answers.

1558

01:06:55,880 --> 01:06:57,086

Mayor Lionheart, please.

1559

01:06:57,360 --> 01:06:58,964

We're doing everything we can.

1560

01:06:59,240 --> 01:07:00,241

LIONHEART: Really?

1561

01:07:00,840 --> 01:07:02,126

Because I got a dozen
and a half animals here...

1562

01:07:02,240 --> 01:07:03,844

who have gone off-the-rails crazy...

1563

01:07:04,080 --> 01:07:05,525

and you can't tell me why.

1564

01:07:05,720 --> 01:07:08,451

Now, I'd call that awfully far
from "doing everything ."

1565

01:07:08,680 --> 01:07:09,681

Sir...

1566

01:07:09,920 --> 01:07:11,684

it may be time to consider their biology.

1567

01:07:11,920 --> 01:07:13,729

What? What do you mean "biology?"

1568

01:07:13,920 --> 01:07:16,571

The only animals

going savage are predators.

1569

01:07:16,840 --> 01:07:19,525

We cannot keep it a secret.

We need to come forward.

1570

01:07:20,240 --> 01:07:22,527

Hmm. Great idea. Tell the public.

1571

01:07:22,760 --> 01:07:24,000

And how do you think they're...

1572

01:07:24,080 --> 01:07:25,684

gonna feel about their mayor...

1573

01:07:25,920 --> 01:07:27,524

(SCREAMS) who is a lion?

1574

01:07:27,760 --> 01:07:28,841

I'll be ruined!

1575

01:07:28,920 --> 01:07:30,126

BADGER DOCTOR: Well,
what does Chief Bogo say?

1576

01:07:30,400 --> 01:07:32,448

Chief Bogo doesn't know.

1577

01:07:32,680 --> 01:07:35,490

And we are going to keep it that way.

1578

01:07:35,600 --> 01:07:37,523

- (CELL PHONE RINGING)

- Oh, no, no, no!

1579

01:07:37,760 --> 01:07:38,807

Someone's here.

1580

01:07:39,040 --> 01:07:40,530

Sir, you need to go, now!

1581

01:07:40,760 --> 01:07:42,364

Security! Sweep the area!

1582

01:07:42,520 --> 01:07:43,646

(ALARM BLARING)

1583

01:07:43,760 --> 01:07:45,762

(BOTH GRUNTING)

1584

01:07:49,200 --> 01:07:50,201

(NICK GASPS)

1585

01:07:50,440 --> 01:07:52,124

Great! We're dead. We're dead.

1586

01:07:52,360 --> 01:07:54,727

That's it. I'm dead,
you're dead. Everybody's dead!

1587

01:07:54,960 --> 01:07:56,007

Can you swim?

1588

01:07:56,240 --> 01:07:58,925

What? Can I swim?
Yes, I can swim. Why?

1589

01:08:00,080 --> 01:08:02,287

(SNIFFING)

1590

01:08:02,440 --> 01:08:03,441

(GRUNTS)

1591

01:08:03,520 --> 01:08:05,170

(FLUSHING)

1592

01:08:06,800 --> 01:08:08,529

(BOTH SCREAMING)

1593

01:08:10,280 --> 01:08:11,725

NICK: No, no, no!

1594

01:08:18,960 --> 01:08:22,851

- Carrots! Hopps! Judy!

- (GASPS)

1595

01:08:23,600 --> 01:08:25,204

We gotta tell Bogo!

1596

01:08:25,320 --> 01:08:26,840

- (DANCE MUSIC PLAYING)

- GAZELLE: <i>Wow!</i>

1597

01:08:26,960 --> 01:08:30,806

<i>You are one hot dancer, Chief Bogo.</i>

1598

01:08:32,240 --> 01:08:33,241

(DOOR OPENS)

1599

01:08:33,320 --> 01:08:35,004

- Chief Bogo!

- Not now!

1600

01:08:35,240 --> 01:08:37,242

- Wait, is that Gazelle?

- No.

1601

01:08:37,400 --> 01:08:40,131

ON VIDEO: <i>I'm Gazelle, and
you are one hot dancer</i>

1602

01:08:40,320 --> 01:08:43,130

You have the app too? Oh...

1603

01:08:43,400 --> 01:08:44,526

Chief!

1604

01:08:44,800 --> 01:08:46,006

Clawhauser, can't you see

I'm working...

1605

01:08:46,160 --> 01:08:47,366

on the missing mammal cases?

1606

01:08:47,640 --> 01:08:49,642

Oh, oh, oh! Yes of course!

About that, sir.

1607

01:08:50,040 --> 01:08:51,121

Officer Hopps just called.

1608

01:08:51,320 --> 01:08:52,321

She found all of them.

1609

01:08:53,160 --> 01:08:55,162

GAZELLE: <i>Wow! I'm impressed.</i>

1610

01:08:55,360 --> 01:08:58,091

(SIRENS WAILING)

1611

01:08:58,240 --> 01:08:59,526

JUDY: Mayor Lionheart,
you have the right...

1612

01:08:59,680 --> 01:09:00,886

to remain silent. Anything...

1613

01:09:01,120 --> 01:09:03,691

You don't understand. I was
trying to protect the city!

1614

01:09:03,920 --> 01:09:05,922

You were just trying to protect your job.

1615

01:09:06,200 --> 01:09:09,090

No. Listen, we still don't
know why this is happening.

1616

01:09:09,320 --> 01:09:11,243

It could destroy Zootopia.

1617

01:09:11,600 --> 01:09:12,761

You have the right to remain silent.

1618

01:09:13,040 --> 01:09:14,166

Anything you say can and will...

1619

01:09:14,320 --> 01:09:15,840

be used against you in a court of law.

1620

01:09:15,880 --> 01:09:19,043

You have the right...

1621

01:09:21,000 --> 01:09:22,200

BOGO: *<i>Ladies*

and gentlemen.

1622

01:09:23,360 --> 01:09:25,010

<i>14 mammals went missing...</i>

1623

01:09:25,360 --> 01:09:28,967

<i>and all 14 have been found

by our newest recruit...</i>

1624

01:09:29,200 --> 01:09:30,560

<i>who will speak to you in a moment.</i>

1625

01:09:30,800 --> 01:09:32,000

<i>But first let me remind you...</i>

1626

01:09:32,040 --> 01:09:33,041

Ugh. I'm so nervous.

1627

01:09:33,280 --> 01:09:35,009

Okay. Press Conference 101.

1628

01:09:35,200 --> 01:09:36,281

You wanna look smart?

1629

01:09:36,480 --> 01:09:37,720

Answer their question
with your own question...

1630

01:09:37,960 --> 01:09:40,930

and then answer that question.
Like this.

1631

01:09:41,160 --> 01:09:42,525

"Excuse me. Officer Hopps...

1632

01:09:42,680 --> 01:09:44,444

"uh, what can you tell us

about the case?"

1633

01:09:44,680 --> 01:09:46,205

"Well, was this a tough case?"

1634

01:09:46,400 --> 01:09:48,368

"Yes. Yes, it was." You see?

1635

01:09:48,560 --> 01:09:50,324

You should be there with me.

1636

01:09:50,560 --> 01:09:51,800

We did this together.

1637

01:09:52,080 --> 01:09:55,129

Well, am I a cop? No. No, I am not.

1638

01:09:55,240 --> 01:09:57,402

Hmm. Funny you should say that...

1639

01:09:57,560 --> 01:09:59,881

because I've been thinking...

1640

01:10:00,160 --> 01:10:04,563

It would be nice to have a partner.

1641

01:10:09,200 --> 01:10:12,170

Here. In case you need
something to write with.

1642

01:10:14,760 --> 01:10:16,000

BOGO:

At twenty-two hundred hours...

1643

01:10:16,160 --> 01:10:17,650

we found all these missing animals...

1644

01:10:17,880 --> 01:10:20,247

(WHISPERS) Officer Hopps, it's time.

1645

01:10:20,520 --> 01:10:21,806

BOGO: *They appear to be
in good health, physically .*

1646

01:10:21,920 --> 01:10:23,760

- (CHUCKLES NERVOUSLY)

<i>- ...if not emotionally</i>

1647

01:10:24,280 --> 01:10:26,362

So now, I'll turn things over...

1648

01:10:26,520 --> 01:10:29,285

to the officer who cracked the case.

1649

01:10:29,560 --> 01:10:31,210

- Officer Judy Hopps.

- (CAMERAS CLICKING)

1650

01:10:31,360 --> 01:10:32,360

(BREATHES DEEPLY)

1651

01:10:32,880 --> 01:10:34,609

- Officer Hopps!

- Officer Hopps!

1652

01:10:34,840 --> 01:10:35,841

MALE PRESS BEAVER: Over here!

1653

01:10:35,960 --> 01:10:36,960

Yes?

1654

01:10:37,080 --> 01:10:38,605

What can you tell us about
the animals that went savage?

1655

01:10:38,880 --> 01:10:43,408

(STAMMERS) Well, the animals
in question, um...

1656

01:10:46,440 --> 01:10:48,568

Are they all different species?

1657

01:10:48,800 --> 01:10:50,723

Yes. Yes, they are.

1658

01:10:52,280 --> 01:10:54,123

FEMALE PRESS ANIMAL: Okay,
so what is the connection?

1659

01:10:54,360 --> 01:10:56,328

Oh, all we know is that they...

1660

01:10:56,480 --> 01:10:58,050

are all members of the predator family.

1661

01:10:58,600 --> 01:11:01,251

So, predators are

the only ones going savage?

1662

01:11:01,800 --> 01:11:04,007

That is ac... Yes, that is accurate. Yes.

1663

01:11:04,280 --> 01:11:05,520

- (ALL CLAMORING)

- Why? Why is this happening?

1664

01:11:05,760 --> 01:11:06,841

We still don't know.

1665

01:11:09,800 --> 01:11:13,441

It may have something

to do with biology.

1666

01:11:13,640 --> 01:11:14,846

SHEEP REPORTER: What do you
mean by that?

1667

01:11:15,120 --> 01:11:17,043

A biological component.

1668

01:11:17,280 --> 01:11:20,568

You know, something in their DNA.

1669

01:11:21,320 --> 01:11:23,641

In their DNA? Can you
elaborate on that, please?

1670

01:11:23,920 --> 01:11:27,766

Yes, what I mean is,
thousands of years ago...

1671

01:11:28,840 --> 01:11:33,971

uh, predators survived through
their aggressive...

1672

01:11:34,160 --> 01:11:35,844

hunting instincts.

1673

01:11:35,960 --> 01:11:37,007

For whatever reason...

1674

01:11:37,520 --> 01:11:39,329

they seem to be reverting back...

1675

01:11:39,920 --> 01:11:41,410

to their primitive, savage ways.

1676

01:11:41,480 --> 01:11:43,000

MALE PRESS ANIMAL:

Of course they did.

1677

01:11:43,840 --> 01:11:45,683

JUNIOR RANGER SCOUT:

<i>Aw, is he gonna cry?</i>

1678

01:11:45,920 --> 01:11:47,763

MALE PRESS ANIMAL: Officer

Hopps, could it happen again?

1679

01:11:48,080 --> 01:11:50,811

It is possible. So we must be vigilant.

1680

01:11:51,000 --> 01:11:54,607

And we at the ZPD are prepared
and are here to protect you.

1681

01:11:54,840 --> 01:11:56,046

FEMALE PRESS ANIMAL:

Will more mammals go savage?

1682

01:11:56,280 --> 01:11:57,406

What is being done to protect us?

1683

01:11:57,600 --> 01:11:58,761

FEMALE PRESS ANIMAL:

Have you considered

1684

01:11:58,960 --> 01:12:00,041

a mandatory quarantine on predators?

1685

01:12:00,200 --> 01:12:01,770

Okay, thank you, Officer Hopps.

1686

01:12:01,960 --> 01:12:03,480

Uh, that's all the time that we have.

1687

01:12:03,640 --> 01:12:04,766

No more questions.

1688

01:12:04,960 --> 01:12:05,960

(CLAMORING CONTINUES)

1689

01:12:07,480 --> 01:12:08,606

(WHISPERS) Was I okay?

1690

01:12:08,680 --> 01:12:10,887

Oh, you did fine.

1691

01:12:11,480 --> 01:12:12,766

Oh, that went so fast.

1692

01:12:12,840 --> 01:12:14,046

I didn't get a chance to mention you...

1693

01:12:14,200 --> 01:12:15,440

or say anything about how we...

1694

01:12:15,480 --> 01:12:17,926

Oh, I think you said plenty.

1695

01:12:18,440 --> 01:12:19,601

What do you mean?

1696

01:12:19,840 --> 01:12:22,241

"Clearly there's

a biological component?"

1697

01:12:22,520 --> 01:12:25,046

"These predators may be

reverting back...

1698

01:12:25,200 --> 01:12:27,282

"to their primitive, savage ways?"

1699

01:12:27,520 --> 01:12:29,045

Are you serious?

1700

01:12:29,360 --> 01:12:31,727

I just stated the facts of the case.

1701

01:12:31,960 --> 01:12:34,247

I mean, it's not like

a bunny could go savage.

1702

01:12:34,480 --> 01:12:36,289

Right. But a fox could, huh?

1703

01:12:36,520 --> 01:12:38,807

Nick, stop it. You're not like them.

1704

01:12:39,080 --> 01:12:40,844

Oh, there's a "them" now?

1705

01:12:41,080 --> 01:12:42,200

Ugh. You know what I mean.

1706

01:12:42,240 --> 01:12:43,685

You're not that kind of predator.

1707

01:12:43,920 --> 01:12:45,331

The kind that needs to be muzzled?

1708

01:12:45,560 --> 01:12:46,846

The kind that makes you think...

1709

01:12:47,000 --> 01:12:49,480

you need to carry around fox repellent?

1710

01:12:49,760 --> 01:12:50,761

Yeah, don't think I didn't...

1711

01:12:50,840 --> 01:12:53,366

notice that little item

the first time we met.

1712

01:12:53,560 --> 01:12:56,803

So let me ask you a question.

Are you afraid of me?

1713

01:12:58,400 --> 01:13:00,767

Do you think I might go nuts?

1714

01:13:01,360 --> 01:13:03,089

Do you think I might go savage?

1715

01:13:03,320 --> 01:13:05,402

Do you think I might try to...

1716

01:13:05,480 --> 01:13:06,527

eat you?

1717

01:13:06,720 --> 01:13:07,720

(GASPS)

1718

01:13:10,280 --> 01:13:11,725

I knew it. (SCOFFS)

1719

01:13:14,000 --> 01:13:16,321

Just when I thought somebody
actually believed in me, huh.

1720

01:13:16,560 --> 01:13:20,246

Probably best if you don't
have a predator as a partner.

1721

01:13:26,040 --> 01:13:28,168

- No. Nick. Nick!
- (ALL CLAMORING)

1722

01:13:28,400 --> 01:13:30,289

Officer Hopps! Were you just
threatened by that predator?

1723

01:13:30,480 --> 01:13:32,130

No, he's my friend.

1724

01:13:32,320 --> 01:13:34,129

We can't even trust our own friends?

1725

01:13:34,320 --> 01:13:36,004

That is not what I said! Please!

1726

01:13:36,160 --> 01:13:37,160

Are we safe?

1727

01:13:37,240 --> 01:13:39,240

RABBIT REPORTER: Have any
of our foxes gone savage?

1728

01:13:39,320 --> 01:13:41,641

*<i>More bad news
in this city gripped by fear</i>*

1729

01:13:41,840 --> 01:13:43,683

<i>A caribou is in critical condition...</i>

1730

01:13:43,760 --> 01:13:44,921

<i>the victim of a mauling...</i>

1731

01:13:45,000 --> 01:13:46,923

<i>by a savage polar bear</i>

1732

01:13:47,120 --> 01:13:49,600

*<i>This, the 27th such attack,
comes just one week...</i>*

1733

01:13:49,800 --> 01:13:53,009

<i>after ZPD Officer Judy Hopps
connected the violence...</i>

1734

01:13:53,120 --> 01:13:55,851

<i>to traditionally predatory animals.</i>

1735

01:13:56,160 --> 01:13:57,889

<i>Meanwhile, a peace rally organized...</i>

1736

01:13:58,000 --> 01:13:59,604

<i>- by pop star Gazelle...</i>

- (PROTESTORS SHOUTING)

1737

01:13:59,800 --> 01:14:01,165

<i>was marred by protest.</i>

1738

01:14:01,360 --> 01:14:03,249

<i>Go back to the forest predator!</i>

1739

01:14:03,480 --> 01:14:04,970

<i>I'm from the savanna!</i>

1740

01:14:05,160 --> 01:14:07,003

<i>Zootopia is a unique place.</i>

1741

01:14:07,200 --> 01:14:10,602

<i>It's a crazy, beautiful, diverse city...</i>

1742

01:14:10,840 --> 01:14:13,161

<i>where we celebrate our differences.</i>

1743

01:14:13,360 --> 01:14:14,725

<i>This is not the Zootopia I know</i>

1744

01:14:16,320 --> 01:14:19,369

<i>The Zootopia I know

is better than this.</i>

1745

01:14:19,640 --> 01:14:21,768

<i>We don't just blindly assign blame.</i>

1746

01:14:27,000 --> 01:14:29,128

*<i>We don't know why these
attacks keep happening...</i>*

1747

01:14:30,160 --> 01:14:31,889

<i>but it is irresponsible...</i>

1748

01:14:31,960 --> 01:14:34,247

<i>to label all predators as savages.</i>

1749

01:14:40,680 --> 01:14:42,728

That's not my Emmitt.

1750

01:14:45,240 --> 01:14:47,641

GAZELLE: *<i>We cannot
let fear divide us.</i>*

1751

01:14:47,840 --> 01:14:52,368

*<i>Please give me back
the Zootopia I love.</i>*

1752

01:14:55,560 --> 01:14:56,925

Come on, Hopps.

1753

01:14:57,160 --> 01:14:58,360

The new mayor wants to see us.

1754

01:14:58,520 --> 01:15:00,887

The mayor? Why?

1755

01:15:01,320 --> 01:15:04,005

It would seem you've arrived.

1756

01:15:07,320 --> 01:15:08,731

Clawhauser?

1757

01:15:08,960 --> 01:15:10,564

What are you doing?

1758

01:15:10,840 --> 01:15:11,921

Um...

1759

01:15:12,520 --> 01:15:14,329

They thought it would be better...

1760

01:15:14,560 --> 01:15:16,722

if a predator such as myself...

1761

01:15:16,880 --> 01:15:19,247

wasn't the first face that you see...

1762

01:15:19,440 --> 01:15:21,568

when you walk into the ZPD.

1763

01:15:21,800 --> 01:15:23,290

What?

1764

01:15:23,920 --> 01:15:25,445

They're gonna move me to records.

1765

01:15:25,520 --> 01:15:26,567

It's downstairs.

1766

01:15:27,240 --> 01:15:29,083

It's by the boiler.

1767

01:15:31,280 --> 01:15:32,725

Hopps!

1768

01:15:38,400 --> 01:15:41,085

JUDY: Um, I don't understand.

1769

01:15:41,320 --> 01:15:44,244

Our city is 90% prey, Judy...

1770

01:15:44,480 --> 01:15:46,926

and right now

they're just really scared.

1771

01:15:47,720 --> 01:15:50,610

You're a hero to them. They trust you.

1772

01:15:50,800 --> 01:15:53,770

And so that's why Chief Bogo and I...

1773

01:15:53,880 --> 01:15:57,089

want you to be

the public face of the ZPD.

1774

01:16:01,880 --> 01:16:04,611

I'm... not...

1775

01:16:05,640 --> 01:16:07,290

I'm not a hero.

1776

01:16:08,120 --> 01:16:11,488

I came here to make
the world a better place...

1777

01:16:11,720 --> 01:16:13,210

but I think I broke it.

1778

01:16:13,440 --> 01:16:17,365

Don't give yourself
so much credit, Hopps.

1779

01:16:17,600 --> 01:16:19,040

The world has always been broken...

1780

01:16:19,120 --> 01:16:21,122

that's why we need good cops.

1781

01:16:22,720 --> 01:16:23,801

Like you.

1782

01:16:25,440 --> 01:16:30,321

With all due respect, sir, a good cop...

1783

01:16:30,640 --> 01:16:33,803

is supposed to serve and protect.

1784

01:16:34,040 --> 01:16:36,122

Help the city.

1785

01:16:36,520 --> 01:16:38,887

Not tear it apart.

1786

01:16:39,960 --> 01:16:41,405

(SIGHS)

1787

01:16:42,440 --> 01:16:44,602

I don't deserve this badge.

1788

01:16:44,680 --> 01:16:45,806

Hopps...

1789

01:16:46,000 --> 01:16:49,083

Judy, you've worked

so hard to get here.

1790

01:16:49,320 --> 01:16:51,687

It's what you wanted

since you were a kid.

1791

01:16:51,960 --> 01:16:53,644

You can't quit.

1792

01:16:53,920 --> 01:16:55,809

Thank you for the opportunity.

1793

01:17:15,400 --> 01:17:16,765

A dozen carrots.

1794

01:17:17,000 --> 01:17:18,080

- Thanks.

- Have a nice day.

1795

01:17:18,320 --> 01:17:19,321

Come on.

1796

01:17:25,760 --> 01:17:27,842

Hey, there, Jude. Jude the dude.

1797

01:17:28,000 --> 01:17:30,844

(CHUCKLES) Remember that one?

How we doing?

1798

01:17:31,080 --> 01:17:32,161

I'm fine.

1799

01:17:32,240 --> 01:17:34,607

You are not fine. Your ears are droopy.

1800

01:17:35,040 --> 01:17:38,123

(SIGHS) Why did I think

I could make a difference?

1801

01:17:38,360 --> 01:17:40,044

Because you're a trier, that's why.

1802

01:17:40,280 --> 01:17:41,884

You've always been a trier.

1803

01:17:42,080 --> 01:17:43,286

Oh, I tried.

1804

01:17:43,520 --> 01:17:45,522

And it made life so much worse...

1805

01:17:45,720 --> 01:17:47,404

for so many innocent predators.

1806

01:17:47,720 --> 01:17:48,721

- (HORN HONKING)

- Oh, not all of them, though.

1807

01:17:48,840 --> 01:17:49,921

Speak of the devil.

1808

01:17:50,040 --> 01:17:51,201

Right on time.

1809

01:17:53,320 --> 01:17:56,051

Is that Gideon Grey?

1810

01:17:56,280 --> 01:17:58,203

Yep. It sure is. We work with him now.

1811

01:17:58,480 --> 01:17:59,527

He's our partner.

1812

01:17:59,600 --> 01:18:00,567

And we never

would have considered it...

1813

01:18:00,720 --> 01:18:01,767

had you not opened our minds.

1814

01:18:01,840 --> 01:18:02,840

That's right.

1815

01:18:03,000 --> 01:18:04,126

I mean, Gid's turned into one of...

1816

01:18:04,320 --> 01:18:05,920

the top pastry chefs in the tri-burrows.

1817

01:18:08,160 --> 01:18:09,730

That's...

1818

01:18:09,960 --> 01:18:12,611

That's really cool, you guys.

1819

01:18:13,200 --> 01:18:14,440

Gideon Grey.

1820

01:18:15,000 --> 01:18:16,081

I'll be darned.

1821

01:18:16,280 --> 01:18:18,487

Hey, Judy. I'd just like
to say I'm sorry...

1822

01:18:18,640 --> 01:18:20,642

for the way I behaved in my youth.

1823

01:18:20,920 --> 01:18:24,129

I had a lot of self-doubt,
and it manifested itself...

1824

01:18:24,280 --> 01:18:26,328

in the form of unchecked rage
and aggression.

1825

01:18:26,560 --> 01:18:28,642

I was a major jerk.

1826

01:18:29,760 --> 01:18:33,242

Oh, I know a thing or two
about being a jerk.

1827

01:18:34,360 --> 01:18:36,966

Anyhow, I brought y'all these pies.

1828

01:18:37,320 --> 01:18:38,321

(CHILDREN PLAYING)

1829

01:18:38,440 --> 01:18:39,840

Hey, kids, don't you run through...

1830

01:18:39,880 --> 01:18:41,325

that *midnicampum holicithias*.

1831

01:18:41,480 --> 01:18:42,606

Whoa, whoa, whoa...

1832

01:18:42,760 --> 01:18:44,603

Well, now, there's a \$4 word, Mr. H.

1833

01:18:44,840 --> 01:18:47,446

My family always just
called them Night Howlers.

1834

01:18:48,920 --> 01:18:50,365

I'm so... What did you say?

1835

01:18:50,520 --> 01:18:52,280

Oh, Gid's talking about
those flowers, Judy.

1836

01:18:52,480 --> 01:18:54,050

I use them to keep the bugs
off the produce...

1837

01:18:54,280 --> 01:18:55,770

but I don't like the little
ones going near 'em...

1838

01:18:56,040 --> 01:18:57,326

on account of what happened
to your uncle Terry.

1839

01:18:57,560 --> 01:18:59,449

Yeah, Terry ate one whole
when we were kids...

1840

01:18:59,560 --> 01:19:00,641

and went completely nuts.

1841

01:19:00,920 --> 01:19:03,127

He bit the dickens out of your mother.

1842

01:19:03,360 --> 01:19:05,601

A bunny can go savage.

1843

01:19:05,880 --> 01:19:07,803

Savage? Well, that's a strong word.

1844

01:19:07,920 --> 01:19:09,200

But it did hurt like the devil.

1845

01:19:09,320 --> 01:19:10,321

Well, sure it did!

1846

01:19:10,400 --> 01:19:12,004

There's a sizable divot in your arm.

1847

01:19:12,080 --> 01:19:13,445

I'd call that savage.

1848

01:19:13,560 --> 01:19:16,803

Night Howlers aren't wolves,
they're flowers!

1849

01:19:17,040 --> 01:19:19,486

The flowers are making
the predators go savage!

1850

01:19:19,640 --> 01:19:20,687

(GASPS) That's it!

1851

01:19:20,840 --> 01:19:22,171

That's what I've been missing!

1852

01:19:22,880 --> 01:19:23,881

Oh, keys!

1853

01:19:23,960 --> 01:19:25,360

Keys, keys, keys! Hurry! Come on!

1854

01:19:25,600 --> 01:19:27,967

Oh! Thank you! I love you! Bye!

1855

01:19:30,160 --> 01:19:31,400

(TIRES SCREECHING)

1856

01:19:33,520 --> 01:19:34,521

STU: You catch
any of that, Bon?

1857

01:19:34,760 --> 01:19:35,841

Not one bit.

1858

01:19:35,960 --> 01:19:37,485

Oh, that makes me
feel a little bit better.

1859

01:19:37,640 --> 01:19:39,642

I thought she was talking
in tongues or something.

1860

01:19:52,920 --> 01:19:54,001

(BRAKES SCREECHING)

1861

01:19:56,960 --> 01:19:58,564

Who is it?

1862

01:19:59,000 --> 01:20:00,000

I need to find Nick.

1863

01:20:00,120 --> 01:20:01,531

Please.

1864

01:20:02,760 --> 01:20:03,841

Nick?

1865

01:20:04,560 --> 01:20:05,846

Nick!

1866

01:20:07,160 --> 01:20:08,161

(SLURPING)

1867

01:20:08,480 --> 01:20:10,005

Oh, Nick.

1868

01:20:10,240 --> 01:20:12,049

Night Howlers aren't wolves.

1869

01:20:12,320 --> 01:20:13,924

They're toxic flowers.

1870

01:20:14,640 --> 01:20:16,244

I think someone is targeting
predators on purpose...

1871

01:20:16,400 --> 01:20:18,721

and making them go savage!

1872

01:20:19,200 --> 01:20:20,406

Wow.

1873

01:20:21,600 --> 01:20:23,523

Isn't that interesting?

1874

01:20:26,000 --> 01:20:27,126

Wait... Wait! Listen...

1875

01:20:27,280 --> 01:20:28,691

I know you'll never forgive me!

1876

01:20:28,880 --> 01:20:29,927

And I don't blame you.

1877

01:20:30,920 --> 01:20:33,890

I wouldn't forgive me either.

I was ignorant...

1878

01:20:34,920 --> 01:20:38,561

And irresponsible and small-minded.

1879

01:20:40,040 --> 01:20:42,566

But predators shouldn't suffer

because of my mistakes.

1880

01:20:43,520 --> 01:20:45,443

I have to fix this.

1881

01:20:45,960 --> 01:20:48,281

But I can't do it without you.

1882

01:20:50,560 --> 01:20:53,325

And after we're done...

1883

01:20:53,560 --> 01:20:55,244

you can hate me.

1884

01:20:55,360 --> 01:20:57,886

And... (SOBBING) And that'll be fine.

1885

01:20:58,120 --> 01:21:01,329

Because I was a horrible friend...

1886

01:21:01,560 --> 01:21:02,925

and I hurt you...

1887

01:21:03,120 --> 01:21:09,571

and you can walk away knowing
that you were right all along.

1888

01:21:09,800 --> 01:21:13,725

I really am just a dumb bunny.

1889

01:21:16,600 --> 01:21:17,647

(TAPE RECORDER REWINDING)

1890

01:21:17,720 --> 01:21:21,281

JUDY: *<i>I really am
just a dumb bunny.</i>*

1891

01:21:23,000 --> 01:21:26,209

<i>I really am just a dumb bunny.</i>

1892

01:21:26,440 --> 01:21:29,330

Don't worry, Carrots.

I'll let you erase it...

1893

01:21:29,440 --> 01:21:30,601

in 48 hours.

1894

01:21:30,680 --> 01:21:31,761

(GASPS)

1895

01:21:31,880 --> 01:21:33,086

(SNIFFLES)

1896

01:21:33,440 --> 01:21:35,886

All right. Get in here.

1897

01:21:37,800 --> 01:21:41,805

Okay. Oh, you bunnies.

You're so emotional.

1898

01:21:42,080 --> 01:21:44,401

- There we go. Deep breath.

- (CONTINUES SOBBING)

1899

01:21:44,600 --> 01:21:46,602

Are you just trying to steal the pen?

1900

01:21:46,720 --> 01:21:48,290

Is that what this is?

1901

01:21:49,280 --> 01:21:51,123

You are standing on my tail,
though. Off, off, off, off...

1902

01:21:51,240 --> 01:21:52,240

Oh, I'm sorry.

1903

01:21:57,160 --> 01:21:59,811

Ooh, I thought you guys

only grew carrots.

1904

01:21:59,960 --> 01:22:01,689

Mmm. What's the plan?

1905

01:22:01,920 --> 01:22:03,524

We are gonna follow the Night Howlers.

1906

01:22:03,760 --> 01:22:04,966

Okay. How?

1907

01:22:05,160 --> 01:22:06,446

Know this guy?

1908

01:22:06,880 --> 01:22:09,008

Uh-huh. I told you. I know everybody.

1909

01:22:09,120 --> 01:22:10,121

(DUKE WEASELTON CHUCKLES)

1910

01:22:10,480 --> 01:22:13,450

Well, hello. Step right up.

Anything you need, I got it.

1911

01:22:13,800 --> 01:22:15,131

All your favorite movies!

1912

01:22:15,360 --> 01:22:17,806

I got movies that haven't
even been released yet.

1913

01:22:18,480 --> 01:22:21,484

Hey, 15% off! 20!

Make me an offer! Come on!

1914

01:22:21,720 --> 01:22:25,327

Well, well, look who it is.

The duke of bootleg.

1915

01:22:25,720 --> 01:22:26,720

What's it to you, Wilde?

1916

01:22:26,760 --> 01:22:28,171

Shouldn't you be melting down
a Popsicle or something?

1917

01:22:28,400 --> 01:22:29,760

Hey, if it isn't Flopsy the Copsy.

1918

01:22:30,880 --> 01:22:32,644

We both know those
weren't moldy onions...

1919

01:22:32,800 --> 01:22:34,006

I caught you stealing.

1920

01:22:34,120 --> 01:22:35,320

What were you gonna do with...

1921

01:22:35,360 --> 01:22:36,441

those Night Howlers, Wezzleton?

1922

01:22:36,560 --> 01:22:38,528

It's Weaselton! Duke Weaselton!

1923

01:22:38,800 --> 01:22:40,529

And I ain't talking, rabbit.

1924

01:22:40,800 --> 01:22:42,848

And there ain't nothing
you can do to make me.

1925

01:22:44,520 --> 01:22:45,520

Ice him.

1926

01:22:46,000 --> 01:22:47,126

(SCREAMING)

1927

01:22:48,920 --> 01:22:50,001

You dirty rat!

1928

01:22:50,160 --> 01:22:51,161

Why are you helping her? She's a cop!

1929

01:22:51,440 --> 01:22:54,569

And the godmother
to my future granddaughter.

1930

01:22:54,720 --> 01:22:56,643

I'm gonna name her Judy.

1931

01:22:56,760 --> 01:22:58,171

- Oh!

- (MR. BIG LAUGHS)

1932

01:22:58,720 --> 01:22:59,846

Ice this weasel.

1933

01:23:00,040 --> 01:23:02,360

(YELPS) All right, all right, please!

I'll talk! I'll talk.

1934

01:23:02,400 --> 01:23:03,890

I stole them Night Howlers

so I could sell 'em.

1935

01:23:04,080 --> 01:23:05,844

They offered me what I couldn't refuse.

1936

01:23:06,000 --> 01:23:07,000

Money.

1937

01:23:07,160 --> 01:23:09,049

And to whom did you sell them?

1938

01:23:09,240 --> 01:23:10,480

A ram named Doug.

1939

01:23:10,600 --> 01:23:12,090

We got a drop spot underground.

1940

01:23:12,320 --> 01:23:13,321

<i>Just watch it.</i>

1941

01:23:13,440 --> 01:23:15,204

<i>Doug is the opposite of friendly</i>

1942

01:23:16,320 --> 01:23:17,845

<i>He's unfriendly</i>

1943

01:23:26,120 --> 01:23:27,565

(RUMBLING)

1944

01:23:28,000 --> 01:23:29,365

JUDY: (WHISPERS) Come on.

1945

01:23:42,160 --> 01:23:43,924

The weasel wasn't lying.

1946

01:23:44,200 --> 01:23:45,611

Yeah, looks like old Doug's cornered...

1947

01:23:45,760 --> 01:23:47,125

the market on Night Howlers.

1948

01:24:03,440 --> 01:24:04,487

(MECHANICAL WHIRRING)

1949

01:24:23,560 --> 01:24:25,244

(CELL PHONE RINGING)

1950

01:24:31,160 --> 01:24:32,650

You got Doug here.

1951

01:24:32,800 --> 01:24:34,768

What's the mark?

1952

01:24:35,040 --> 01:24:39,170

Cheetah in Sahara Square. Got it.

1953

01:24:39,400 --> 01:24:41,000

You serious? Yeah, I know they're fast.

1954

01:24:41,200 --> 01:24:42,281

I can hit him.

1955

01:24:42,480 --> 01:24:44,482

Listen, I hit a tiny little otter...

1956

01:24:44,680 --> 01:24:46,240

through the open window

of a moving car.

1957

01:24:46,600 --> 01:24:47,681

(GASPS)

1958

01:24:51,840 --> 01:24:52,840

(SNARLING)

1959

01:24:57,680 --> 01:24:58,680

(GROANS)

1960

01:24:58,720 --> 01:24:59,720

(GROWLING)

1961

01:25:00,480 --> 01:25:02,482

DOUG: Yeah, I'll buzz you

when it's done.

1962

01:25:02,680 --> 01:25:03,681

Or you'll see it on the news.

1963

01:25:03,760 --> 01:25:05,171

You know, whichever comes first.

1964

01:25:05,280 --> 01:25:06,281

(KNOCKING ON DOOR)

1965

01:25:06,360 --> 01:25:09,648

JESSE: Hey, Doug, open up!

We've got your latte.

1966

01:25:09,800 --> 01:25:12,201

All right. Woolter and Jesse
are back, so I'm leaving now.

1967

01:25:12,440 --> 01:25:13,521

Out.

1968

01:25:13,600 --> 01:25:15,170

(WHISPERING) Hey. Where
are you going? Get back here!

1969

01:25:15,280 --> 01:25:17,203

What are you doing?

He's gonna see you!

1970

01:25:17,600 --> 01:25:18,840

- (BEEPING)

- What are you looking at? Hey!

1971

01:25:19,240 --> 01:25:21,607

Whatever you're thinking,
stop thinking it. Carrots!

1972

01:25:22,600 --> 01:25:23,681

Carrots!

1973

01:25:24,080 --> 01:25:26,003

DOUG: It better have
the extra foam this time.

1974

01:25:26,080 --> 01:25:27,127

(JUDY GRUNTS)

1975

01:25:29,280 --> 01:25:30,281

JESSE: Hey, open up!

1976

01:25:30,440 --> 01:25:32,681

What are you doing?
You just trapped us in here.

1977

01:25:32,920 --> 01:25:34,570

We need to get this
evidence to the ZPD!

1978

01:25:35,080 --> 01:25:36,730

Okay. Great! Here it is. Got it!

1979

01:25:36,960 --> 01:25:38,849

- No. All of it!

- Wait, what?

1980

01:25:42,680 --> 01:25:45,160

Oh, great, you're a conductor now, huh?

1981

01:25:45,280 --> 01:25:46,691

Hey, listen. It would take a miracle...

1982

01:25:46,800 --> 01:25:48,165

to get this rust-bucket going.

1983

01:25:48,480 --> 01:25:49,641

(WHEELS CREAKING)

1984

01:25:50,120 --> 01:25:51,849

Well. Hallelujah.

1985

01:25:52,120 --> 01:25:54,487

We kinda got a situation at the lab.

1986

01:25:54,640 --> 01:25:56,210

- (GRUNTS)

- Oh, it just got worse!

1987

01:25:56,400 --> 01:25:57,686

(PANTING)

1988

01:25:58,000 --> 01:25:59,206

NICK: Mission accomplished.

1989

01:25:59,320 --> 01:26:00,367

Would it be premature for me...

1990

01:26:00,520 --> 01:26:01,840

to do a little victory toot-toot?

1991

01:26:01,920 --> 01:26:04,366

All right. One toot-toot.

1992

01:26:04,480 --> 01:26:06,528

(HORNTOOTING)

1993

01:26:06,720 --> 01:26:09,246

Well, I can cross that
off the bucket list.

1994

01:26:09,360 --> 01:26:10,566

(THUDDING)

1995

01:26:13,360 --> 01:26:15,044

(NICK YELPING)

1996

01:26:20,120 --> 01:26:22,691

I may have to rescind
that victory toot-toot.

1997

01:26:22,800 --> 01:26:23,881

(THUDDING)

1998

01:26:24,520 --> 01:26:25,885

Maybe that's just hail.

1999

01:26:26,320 --> 01:26:27,526

Come here!

2000

01:26:27,680 --> 01:26:28,680

(GASPS)

2001

01:26:29,800 --> 01:26:30,926

Back off! Oh!

2002

01:26:31,760 --> 01:26:32,761

- (STRAINING)

- (WHIMPERING)

2003

01:26:32,840 --> 01:26:33,887

Whoa!

2004

01:26:36,040 --> 01:26:37,121

Incoming!

2005

01:26:38,040 --> 01:26:39,040

(SCREAMS)

2006

01:26:39,760 --> 01:26:40,761

Carrots!

2007

01:26:41,000 --> 01:26:42,365

Don't stop! Keep going!

2008

01:26:42,560 --> 01:26:43,800

No, no! Please stop!

2009

01:26:44,040 --> 01:26:45,769

Do not stop this car!

2010

01:26:45,920 --> 01:26:47,046

(SCREAMING)

2011

01:26:48,680 --> 01:26:49,727

(GASPS)

2012

01:26:50,000 --> 01:26:51,764

(GRUNTING)

2013

01:26:52,560 --> 01:26:53,561

(GROANS)

2014

01:26:54,400 --> 01:26:55,401

Whoa!

2015

01:26:56,960 --> 01:26:57,961

- NICK: Oh!

- (GRUNTS)

2016

01:27:00,040 --> 01:27:01,246

(TRAIN HORN BLOWING)

2017

01:27:04,760 --> 01:27:05,760

(GASPS)

2018

01:27:08,160 --> 01:27:09,446

Speed up, Nick! Speed up!

2019

01:27:09,680 --> 01:27:10,920

There's another train coming!

2020

01:27:11,160 --> 01:27:12,730

Trust me. Speed up!

2021

01:27:12,880 --> 01:27:13,880

(GROANS)

2022

01:27:16,840 --> 01:27:17,966

Stop the train!

2023

01:27:19,880 --> 01:27:20,881

- (SCREAMING)

- JUDY: Hey!

2024

01:27:21,040 --> 01:27:22,644

Need some help? (GRUNTS)

2025

01:27:26,160 --> 01:27:27,525

NICK: Oh, no, no, no!

Too fast! Too fast!

2026

01:27:27,600 --> 01:27:28,601

Hold on!

2027

01:27:28,920 --> 01:27:29,920

Ahh!

2028

01:27:39,800 --> 01:27:40,881

(JUDY GASPS)

2029

01:27:41,000 --> 01:27:42,764

I think this is our stop!

2030

01:27:43,840 --> 01:27:45,080

(BOTH GROANING)

2031

01:27:48,400 --> 01:27:49,447

(JUDY YELPS)

2032

01:27:51,680 --> 01:27:54,331

Okay, maybe some
of the evidence survived.

2033

01:28:00,440 --> 01:28:01,487

Oh!

2034

01:28:03,840 --> 01:28:05,365

Everything is gone.

2035

01:28:05,600 --> 01:28:07,841

We've lost it all.

2036

01:28:07,960 --> 01:28:09,007

NICK: Yeah...

2037

01:28:09,520 --> 01:28:10,885

Oh, except for this.

2038

01:28:11,160 --> 01:28:13,811

- (LAUGHS) Ow.

- Ooh, Nick! Yes!

2039

01:28:13,920 --> 01:28:16,048

Come on! We gotta get to the ZPD.

2040

01:28:16,760 --> 01:28:18,888

Cut through
the Natural History Museum!

2041

01:28:29,440 --> 01:28:30,487

(JUDY PANTS)

2042

01:28:30,560 --> 01:28:31,607

There it is!

2043

01:28:31,680 --> 01:28:32,681

BELLWETHER: Judy!

2044

01:28:33,400 --> 01:28:34,845

Judy!

2045

01:28:35,120 --> 01:28:36,849

Mayor Bellwether!

2046

01:28:37,120 --> 01:28:38,320

We found out what's happening.

2047

01:28:38,360 --> 01:28:40,169

Someone's darting
predators with a serum.

2048

01:28:40,360 --> 01:28:42,203

That's what's making them go savage.

2049

01:28:42,440 --> 01:28:45,250

I'm so proud of you, Judy.

You did just a super job!

2050

01:28:45,480 --> 01:28:47,687

Thank you, ma'am . (EXHALES)

2051

01:28:51,240 --> 01:28:53,083

How did you know where to find us?

2052

01:28:53,320 --> 01:28:55,049

I'll go ahead and

I'll take that case now.

2053

01:28:55,240 --> 01:28:56,526

Uh, you know what?

2054

01:28:56,680 --> 01:29:00,321

I think Nick and I will just
take this to the ZPD.

2055

01:29:02,280 --> 01:29:04,009

(NECK CRACKING)

2056

01:29:05,000 --> 01:29:06,047

BOTH: Run.

2057

01:29:07,240 --> 01:29:08,571

Get them.

2058

01:29:12,400 --> 01:29:13,447

Ahh!

2059

01:29:14,040 --> 01:29:15,121

Carrots!

2060

01:29:16,120 --> 01:29:17,690

- (GROANS)

- I got you!

2061

01:29:17,800 --> 01:29:19,245

Come here, come here.

2062

01:29:21,400 --> 01:29:23,448

Okay, now just relax.

2063

01:29:23,800 --> 01:29:25,768

Whoops... Blueberry?

2064

01:29:26,040 --> 01:29:27,041

Pass.

2065

01:29:27,440 --> 01:29:28,521

(GROANING)

2066

01:29:28,840 --> 01:29:30,922

BELLWETHER: Come on out, Judy.

2067

01:29:31,160 --> 01:29:32,366

(WHISPERS) Take the case.

2068

01:29:32,560 --> 01:29:33,607

Get it to Bogo.

2069

01:29:33,880 --> 01:29:35,530

I'm not gonna leave you
behind. That's not happening.

2070

01:29:35,760 --> 01:29:36,966

I can't walk.

2071

01:29:37,200 --> 01:29:38,201

Just... We'll think of something.

2072

01:29:38,360 --> 01:29:40,647

BELLWETHER: We're on
the same team, Judy.

2073

01:29:40,880 --> 01:29:44,771

Underestimated, underappreciated.

2074

01:29:45,000 --> 01:29:47,082

Aren't you sick of it?

2075

01:29:49,880 --> 01:29:53,601

Predators.

They may be strong and loud...

2076

01:29:53,800 --> 01:29:57,441

but prey outnumber predators 10 to 1.

2077

01:29:59,600 --> 01:30:00,601

(SNAPS FINGERS)

2078

01:30:01,160 --> 01:30:02,161

Think of it.

2079

01:30:02,400 --> 01:30:04,289

90% of the population...

2080

01:30:04,480 --> 01:30:06,642

united against a common enemy.

2081

01:30:07,240 --> 01:30:09,288

We'll be unstoppable.

2082

01:30:11,160 --> 01:30:12,207

(GROWLS)

2083

01:30:12,880 --> 01:30:13,927

Huh?

2084

01:30:14,080 --> 01:30:15,127

(METALLIC CLATTER)

2085

01:30:15,280 --> 01:30:16,805

Over there!

2086

01:30:16,920 --> 01:30:18,001

(BOTH PANTING)

2087

01:30:20,640 --> 01:30:21,641

Help!

2088

01:30:21,720 --> 01:30:22,767

(GRUNTING)

2089

01:30:23,800 --> 01:30:24,961

(BOTH GROAN)

2090

01:30:31,640 --> 01:30:33,324

(BELLWETHER LAUGHS)

2091

01:30:33,440 --> 01:30:34,646

Well, you should have just stayed...

2092

01:30:34,800 --> 01:30:36,086

on the carrot farm, huh?

2093

01:30:36,320 --> 01:30:38,800

It really is too bad.

I... I did like you.

2094

01:30:39,000 --> 01:30:41,526

What are you going to do? Kill me?

2095

01:30:41,760 --> 01:30:42,760

(LAUGHS)

2096

01:30:42,800 --> 01:30:44,643

No, of course not.

2097

01:30:44,840 --> 01:30:45,841

He is.

2098

01:30:46,240 --> 01:30:49,005

- (GROANS)

- No! Oh, Nick!

2099

01:30:49,760 --> 01:30:52,286

Yes, police! There's a savage fox...

2100

01:30:52,400 --> 01:30:54,129

in the Natural History Museum.

2101

01:30:54,320 --> 01:30:56,448

Officer Hopps is down! Please, hurry.

2102

01:30:56,880 --> 01:30:59,008

No. Nick, don't do this. Fight it.

2103

01:30:59,880 --> 01:31:02,121

Oh, but he can't help it, can he?

2104

01:31:02,360 --> 01:31:04,567

Since preds are just biologically...

2105

01:31:04,720 --> 01:31:06,802

predisposed to be savages.

2106

01:31:06,960 --> 01:31:08,291

(NICK GROWLING)

2107

01:31:09,080 --> 01:31:10,525

(WHIMPERING)

2108

01:31:15,160 --> 01:31:16,161

(GRUNTS)

2109

01:31:16,680 --> 01:31:17,681

(BELLWETHER LAUGHS)

2110

01:31:18,240 --> 01:31:20,686

Gosh. Think of the headline!

2111

01:31:20,880 --> 01:31:24,851

"Hero cop killed by savage fox."

2112

01:31:26,120 --> 01:31:28,043

So that's it? Prey fears predator...

2113

01:31:28,200 --> 01:31:29,690

and you stay in power?

2114

01:31:29,960 --> 01:31:31,405

Yeah, pretty much.

2115

01:31:31,640 --> 01:31:32,687

It won't work!

2116

01:31:32,960 --> 01:31:35,361

Fear always works.

2117

01:31:35,560 --> 01:31:36,846

And I'll dart every predator...

2118

01:31:36,960 --> 01:31:38,724

in Zootopia to keep it that way.

2119

01:31:38,840 --> 01:31:39,880

- (NICK SNARLING)

- (GASPS)

2120

01:31:41,760 --> 01:31:42,921

Oh, Nick.

2121

01:31:43,440 --> 01:31:44,726

No.

2122

01:31:45,440 --> 01:31:46,601

(BELLWETHER LAUGHS)

2123

01:31:47,200 --> 01:31:48,565

Bye-bye, bunny.

2124

01:31:50,960 --> 01:31:52,803

(SHRIEKING)

2125

01:31:53,960 --> 01:31:55,007

Bleh...

2126

01:31:55,080 --> 01:31:59,244

Blood! Blood! Blood and death.

2127

01:31:59,480 --> 01:32:00,720

All right, you know, you're milking it.

2128

01:32:00,920 --> 01:32:02,160

Besides, I think we got it.

I think we got it.

2129

01:32:02,400 --> 01:32:04,641

We got it up there,

thank you, Yakety-yak!

2130

01:32:04,800 --> 01:32:06,450

You laid it all out beautifully.

2131

01:32:06,640 --> 01:32:07,640

What?

2132

01:32:07,680 --> 01:32:09,480

Yeah... Oh, are you

looking for the serum?

2133

01:32:09,560 --> 01:32:10,561

Well, it's right here.

2134

01:32:10,760 --> 01:32:12,200

What you've got in the weapon there?

2135

01:32:12,360 --> 01:32:14,647

Those are blueberries.

From my family's farm.

2136

01:32:14,840 --> 01:32:15,840

(BLOWS KISS)

2137

01:32:15,920 --> 01:32:17,763

They are delicious.

You should try some.

2138

01:32:17,960 --> 01:32:21,248

(GRUNTS) I framed Lionheart.

I can frame you, too.

2139

01:32:21,440 --> 01:32:23,761

It's my word against yours.

2140

01:32:24,160 --> 01:32:25,969

- Ooh, actually...

- (TAPE REWINDING)

2141

01:32:26,200 --> 01:32:27,690

BELLWETHER: <i>And

I'll dart every predator . .</i>

2142

01:32:27,840 --> 01:32:29,251

<i>In Zootopia to keep it that way.</i>

2143

01:32:30,000 --> 01:32:31,280

...it's your word against yours.

2144

01:32:31,920 --> 01:32:35,083

It's called a hustle, sweetheart. Boom.

2145

01:32:36,560 --> 01:32:37,800

(GASPING)

2146

01:32:43,600 --> 01:32:44,965

*Former mayor Dawn Bellwether
is behind bars today...*

2147

01:32:45,520 --> 01:32:47,284

*guilty of masterminding
the savage attacks...*

2148

01:32:47,400 --> 01:32:49,448

that have plagued Zootopia of late.

2149

01:32:49,640 --> 01:32:51,449

Her predecessor, Leodore Lionheart...

2150

01:32:51,600 --> 01:32:53,170

denies any knowledge of her plot...

2151

01:32:53,400 --> 01:32:55,641

<i>claiming he was just trying
to protect the city.</i>

2152

01:32:55,920 --> 01:32:58,287

<i>Did I falsely imprison those animals?</i>

2153

01:32:58,480 --> 01:32:59,686

<i>Well, yes. Yes, I did.</i>

2154

01:32:59,960 --> 01:33:01,849

<i>It was a classic
"doing the wrong thing...</i>

2155

01:33:02,000 --> 01:33:03,650

<i>"for the right reason" kind of a deal.</i>

2156

01:33:03,880 --> 01:33:05,530

<i>In related news, doctors say...</i>

2157

01:33:05,720 --> 01:33:07,961

<i>the Night Howler antidote

is proving effective...</i>

2158

01:33:08,200 --> 01:33:10,965

<i>in rehabilitating

the afflicted predators.</i>

2159

01:33:14,240 --> 01:33:15,240

Emmitt.

2160

01:33:15,600 --> 01:33:17,967

(GASPS) Oh, Emmitt.

2161

01:33:21,720 --> 01:33:22,767

Thank you.

2162

01:33:25,720 --> 01:33:27,370

JUDY: <i>When I was a kid...</i>

2163

01:33:27,600 --> 01:33:31,161

<i>...I thought Zootopia

was this perfect place.</i>

2164

01:33:31,360 --> 01:33:35,809

*<i>Where everyone got along
and anyone could be anything.</i>*

2165

01:33:37,000 --> 01:33:38,240

<i>Turns out...</i>

2166

01:33:38,400 --> 01:33:40,120

*<i>real life's a little bit
more complicated...</i>*

2167

01:33:40,200 --> 01:33:42,851

<i>than a slogan on a bumper sticker</i>

2168

01:33:43,040 --> 01:33:44,769

<i>Real life is messy.</i>

2169

01:33:46,680 --> 01:33:50,162

*<i>We all have limitations.
We all make mistakes.</i>*

2170

01:33:50,560 --> 01:33:52,369

<i>Which means, hey, glass half-full...</i>

2171

01:33:52,480 --> 01:33:54,767

<i>we all have a lot in common.</i>

2172

01:33:55,000 --> 01:33:57,731

<i>And the more we try
to understand one another...</i>

2173

01:33:57,960 --> 01:34:00,850

<i>the more exceptional
each of us will be.</i>

2174

01:34:01,840 --> 01:34:03,683

<i>But we have to try.</i>

2175

01:34:05,040 --> 01:34:07,566

<i>So, no matter what type
of animal you are...</i>

2176

01:34:07,720 --> 01:34:09,210

<i>from the biggest elephant...</i>

2177

01:34:10,160 --> 01:34:12,731

<i>to our first fox...</i>

2178

01:34:14,080 --> 01:34:18,051

<i>I implore you... Try.</i>

2179

01:34:18,240 --> 01:34:21,687

<i>Try to make the world a better place.</i>

2180

01:34:23,320 --> 01:34:24,367

<i>Look inside yourself...</i>

2181

01:34:24,560 --> 01:34:26,210

<i>and recognize that change...</i>

2182

01:34:27,000 --> 01:34:28,968

<i>starts with you.</i>

2183

01:34:30,360 --> 01:34:31,885

<i>It starts with me.</i>

2184

01:34:32,880 --> 01:34:36,202

<i>It starts with all of us.</i>

2185

01:34:37,120 --> 01:34:38,724

(ALL CHEERING)

2186

01:34:44,480 --> 01:34:47,290

All right. All right, enough! Shut it!

2187

01:34:47,480 --> 01:34:51,326

We have some new recruits
with us this morning...

2188

01:34:51,560 --> 01:34:52,721

including our first fox.

2189

01:34:53,520 --> 01:34:54,885

Who cares?

2190

01:34:55,040 --> 01:34:56,246

Huh, you should have your own line...

2191

01:34:56,320 --> 01:34:57,401

of inspirational greeting cards, sir.

2192

01:34:57,640 --> 01:34:58,801

Shut your mouth, Wilde.

2193

01:34:59,360 --> 01:35:00,850

- (OFFICERS LAUGHING)

- Assignments.

2194

01:35:01,080 --> 01:35:03,560

Officers Grizzoli, Fangmeyer, Delgato...

2195

01:35:04,240 --> 01:35:05,571

Tundratown SWAT.

2196

01:35:05,840 --> 01:35:07,888

Snarlov, Higgins, Wolfard...

2197

01:35:08,040 --> 01:35:09,929

undercover.

2198

01:35:10,160 --> 01:35:12,606

Hopps, Wilde.

2199

01:35:12,800 --> 01:35:14,165

Parking duty.

2200

01:35:14,400 --> 01:35:16,004

Dismissed.

2201

01:35:16,240 --> 01:35:17,924

Just kidding!

2202

01:35:18,160 --> 01:35:19,764

We have reports of a street racer...

2203

01:35:19,840 --> 01:35:21,251

tearing up Savannah Central.

2204

01:35:21,920 --> 01:35:23,840

- (FUNK MUSIC PLAYING)

<i>- Find him, shut him down.</i>

2205

01:35:24,280 --> 01:35:26,726

So, are all rabbits bad drivers...

2206

01:35:26,800 --> 01:35:27,961

or is it just you?

2207

01:35:28,040 --> 01:35:29,451

- (BRAKES SCREECH)

- (NICK GROANS)

2208

01:35:29,960 --> 01:35:31,166

Oops. Sorry.

2209

01:35:32,360 --> 01:35:33,964

(CHUCKLES) Sly bunny.

2210

01:35:34,480 --> 01:35:35,481

Dumb fox.

2211

01:35:35,640 --> 01:35:37,529

You know you love me.

2212

01:35:37,760 --> 01:35:39,444

Do I know that?

2213

01:35:39,520 --> 01:35:41,488

Yes. Yes, I do.

2214

01:35:43,360 --> 01:35:44,361

(ENGINE ROARING)

2215

01:35:47,360 --> 01:35:49,362

- (SIREN WAILING)

- (TIRES SCREECHING)

2216

01:35:56,120 --> 01:35:58,248

Sir, you were going 115 miles per hour.

2217

01:35:58,360 --> 01:35:59,964

I hope you have a good explanation.

2218

01:36:01,720 --> 01:36:02,767

Flash?

2219

01:36:02,960 --> 01:36:04,962

Flash? Hundred yard dash?

2220

01:36:08,400 --> 01:36:10,926

Nick.

2221

01:36:11,240 --> 01:36:12,240

(UPBEAT MUSIC PLAYING)

2222

01:36:12,880 --> 01:36:15,281

GAZELLE: <i>Good evening,

Zootopia!</i>

2223

01:36:15,480 --> 01:36:17,767

<i>Come on, everybody.

Put your paws up!</i>

2224

01:36:18,000 --> 01:36:20,162

<i>I messed up tonight</i>

2225

01:36:20,320 --> 01:36:22,084

<i>I lost another fight</i>

2226

01:36:22,320 --> 01:36:25,642

<i>Lost to myself

But I'll just start again</i>

2227

01:36:25,920 --> 01:36:28,002

<i>I keep falling down</i>

2228

01:36:28,200 --> 01:36:30,328

<i>I keep on hitting the ground</i>

2229

01:36:30,520 --> 01:36:33,763

<i>But I always get up now

To see what's next</i>

2230

01:36:35,000 --> 01:36:38,163

<i>I won't give up

No, I won't give in</i>

2231

01:36:38,400 --> 01:36:42,325

<i>Till I reach the end

And then I'll start again</i>

2232

01:36:42,600 --> 01:36:46,810

<i>No, I won't leave

I want to try everything</i>

2233

01:36:47,000 --> 01:36:50,607

<i>I want to try even though

I could fail</i>

2234

01:36:51,520 --> 01:36:54,490

<i>I won't give up

No, I won't give in</i>

2235

01:36:55,000 --> 01:36:59,210

<i>Till I reach the end

Then I'll start again</i>

2236

01:36:59,400 --> 01:37:03,325

<i>No, I won't leave

I want to try everything</i>

2237

01:37:03,520 --> 01:37:07,161

<i>I want to try even though

I could fail</i>

2238

01:37:07,360 --> 01:37:08,407

(AUDIENCE CHEERING)

2239

01:37:09,200 --> 01:37:10,964

<i>Oh, oh, oh, oh, oh!</i>

2240

01:37:11,520 --> 01:37:13,010

<i>Try everything</i>

2241

01:37:13,360 --> 01:37:15,249

<i>Oh, oh, oh, oh, oh!</i>

2242

01:37:15,840 --> 01:37:17,330

<i>Try everything</i>

2243

01:37:17,480 --> 01:37:19,130

<i>Oh, oh, oh, oh, oh!</i>

2244

01:37:20,040 --> 01:37:21,530

<i>Try everything</i>

2245

01:37:21,720 --> 01:37:23,165

<i>Oh, oh, oh, oh, oh!</i>

2246

01:37:25,760 --> 01:37:27,440

GAZELLE: <i>Put your paws
in the air. Come on!</i>

2247

01:37:28,560 --> 01:37:30,210

(SPEAKING SPANISH)

2248

01:37:33,520 --> 01:37:34,851

<i>Look how far you've come</i>

2249

01:37:35,000 --> 01:37:36,889

<i>You filled your heart with love</i>

2250

01:37:37,120 --> 01:37:41,091

<i>Baby, you've done enough
Take a deep breath</i>

2251

01:37:41,280 --> 01:37:45,251

<i>Don't beat yourself up
No need to run so fast</i>

2252

01:37:45,440 --> 01:37:49,650

<i>Sometimes we come last

But we did our best</i>

2253

01:37:49,920 --> 01:37:53,322

<i>I won't give up

No, I won't give in</i>

2254

01:37:53,560 --> 01:37:57,201

<i>Till I reach the end

Then I'll start again</i>

2255

01:37:57,400 --> 01:38:01,371

<i>No, I won't leave

I want to try everything</i>

2256

01:38:01,600 --> 01:38:03,170

<i>I want to try</i>

2257

01:38:03,400 --> 01:38:05,289

<i>Even though I could fail</i>

2258

01:38:06,560 --> 01:38:08,961

<i>I won't give up

No, I won't give in*</i>*

2259

01:38:09,880 --> 01:38:13,885

<i>Till I reach the end

Then I'll start again*</i>*

2260

01:38:14,080 --> 01:38:18,290

<i>No, I won't leave

I want to try everything*</i>*

2261

01:38:18,480 --> 01:38:23,281

<i>I want to try even though

I could fail*</i>*

2262

01:38:23,960 --> 01:38:31,048

<i>I'll keep on making those new mistakes</i>

2263

01:38:32,440 --> 01:38:39,847

<i>I'll keep on making them every day</i>

2264

01:38:40,080 --> 01:38:44,130

<i>Those new mistakes</i>

2265

01:38:44,840 --> 01:38:46,683

<i>Oh, oh, oh, oh, oh!</i>

2266

01:38:47,280 --> 01:38:48,850

<i>Try everything</i>

2267

01:38:48,960 --> 01:38:50,724

<i>Oh, oh, oh, oh, oh!</i>

2268

01:38:51,440 --> 01:38:53,010

<i>Try everything</i>

2269

01:38:53,160 --> 01:38:55,083

<i>Oh, oh, oh, oh, oh!</i>

2270

01:38:55,640 --> 01:38:57,244

<i>Try everything</i>

2271

01:38:57,360 --> 01:38:59,727

<i>Oh, oh, oh, oh, oh!</i>

2272

01:39:03,320 --> 01:39:05,402

(AUDIENCE CHEERING)

2273

01:39:05,600 --> 01:39:06,681

(SPEAKING SPANISH)

2274

01:39:06,800 --> 01:39:07,800

<i>Come on!</i>

2275

01:39:10,280 --> 01:39:11,691

<i>Shake your tails with me. Come on!</i>

2276

01:39:13,120 --> 01:39:14,120

<i>Yeah!</i>

2277

01:39:18,040 --> 01:39:21,965

*<i>I'll keep on making
those new mistakes</i>*

2278

01:39:26,320 --> 01:39:33,602

<i>I'll keep on making them every day</i>

2279

01:39:34,320 --> 01:39:38,006

<i>Those new mistakes</i>

2280

01:39:38,880 --> 01:39:40,882

<i>Oh, oh, oh, oh, oh!</i>

2281

01:39:41,360 --> 01:39:42,930

<i>Try everything</i>

2282

01:39:43,080 --> 01:39:45,162

<i>Oh, oh, oh, oh, oh!</i>

2283

01:39:45,520 --> 01:39:47,090

<i>Try everything</i>

2284

01:39:47,360 --> 01:39:49,249

<i>Oh, oh, oh, oh, oh!</i>

2285

01:39:49,680 --> 01:39:51,284

<i>Try everything</i>

2286

01:39:51,480 --> 01:39:53,005

<i>Oh, oh, oh, oh, oh!</i>

2287

01:39:55,360 --> 01:40:00,082

<i>- Try everything</i>

- (AUDIENCE CHEERING)

2288

01:40:02,840 --> 01:40:04,888

(UPBEAT MUSIC PLAYING)

2289

01:40:45,040 --> 01:40:46,040

(MUSIC PLAYING)

2290

01:41:45,000 --> 01:41:46,411

(MUSIC PLAYING)

2291

01:42:45,040 --> 01:42:46,201

(MUSIC PLAYING)

2292

01:43:45,080 --> 01:43:46,286

(MUSIC PLAYING)

2293

01:44:45,120 --> 01:44:46,281

(MUSIC PLAYING)

2294

01:45:45,120 --> 01:45:46,406

(MUSIC PLAYING)

2295

01:46:45,160 --> 01:46:46,286

(MUSIC PLAYING)
